Question 3. In **Attachment III** list all Federal grants and payments for FY 2017 and the service provided by each grant/payment.

a. If the total of this list does not match the FY 2017 Proposed Budget and Financial Plan for your agency, please explain any discrepancies.

b. Each Worksheet (Federal grants, Federal payments) must have a tab that includes an agency-wide roll up of the required data. You are welcome to to provide data for each agency division on separate tabs, but you must provide a tab with agency-wide data.

c. Your submission must be in Excel. **Do not submit a PDF document.**

d. Please include your Agency Code in the filename (e.g., **AB0 FY17 AttachmentIII.xls)**

e. You may ad additional lines to the sheet but do not change any other formatting including fonts, font size and formulas.

Response:

Attachment III-Federal Grants

Agency Name: Public Service Commission (DH0)

Grant Name	Estimated Balance into FY 2017	Estimated FY 2017 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
Pipeline Safety Grant	136,503	414,987	U.S. Department of Transportation	On going	The Pipeline Safety grant from the U.S. Department of Transportation will provide funding for inspections of Washington Gas Light Company's Drug and Alcohol Testing program, construction, and overall operations and maintenance of the company's pipelines according to Federal Pipeline Safety regulation (49 CFR Parts190-199) and section 2300 of Chapter 1 of Title 15 of the District of Columbia Municipal Regulations (DCMR). Since the **Call Before You Dig Progrem** is a function covered by the Pipeline Safety grant also, the FY 2017 request for federal funds includes funding for one engineer position that was requested under the One Call grant in previous years.
Total	**$136,503**	**$414,987**			
Total Federal grant budget		**$551,490**
