

Attachment III-Federal Grants					
Agency Name: Public Service Commission (DH0)					
Grant Name	Estimated Balance into FY 2018	Estimated FY 2018 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
Pipeline Safety Grant	146,068	442,548	U.S. Department of Transportation	On going	The Pipeline Safety grant from the U.S. Department of Transportation will provide funding for inspections of Washington Gas Light Company's Drug and Alcohol Testing program, construction, and overall operations and maintenance of the company's pipelines according to Federal Pipeline Safety regulation (49 CFR Parts190-199) and section 2300 of Chapter 1 of Title 15 of the District of Columbia Municipal Regulations (DCMR). Since the Call Before You Dig Program is a function covered by the Pipeline Safety grant also, the FY 2017 request for federal funds included funding for one engineer position that was requested under the One Call grant in previous years. No additional FTEs are requested in the FY 2018 grant.
Total	\$146,068	\$442,548			
Total Federal grant budget		\$588,616
