

Ronald F. Mason, Jr.
President

February 10, 2016

The Honorable Phil Mendelson
Chairman, Council of the District of Columbia
Committee of the Whole
1350 Pennsylvania Avenue, N.W.
Suite 504
Washington, D.C. 20004

Dear Chairman Mendelson:

Please find enclosed the University of the District of Columbia Fiscal Year 2016 Performance Hearing Responses. I look forward to our continued partnership to build our advanced public system of higher learning in the District and working with you to strengthen the University in general.

If you have any questions or concerns, please contact me at 202-274-6016, or Thomas E. Redmond, Director, State and Local Affairs, Office of Government Relations at 202-274-5622, or tredmond@udc.edu for additional information.

I thank you for your leadership and support of the University.

Sincerely,

Ronald F. Mason, Jr.

Enclosure:

Responses to FY 2015 and FY 2016 Oversight and Performance Hearing Questions on the University of the District of Columbia

1. Please provide, as an attachment to your answers, a current organizational chart for your agency with the number of vacant and filled FTEs marked in each box. Include the names of all senior personnel, if applicable. Also include the effective date on the chart.

Please See Attachment, #1 UDC Organizational Chart.

2. Please provide, as an attachment, a Schedule A for your agency which identifies all employees by title/position, current salary, fringe benefits, and program office as of January 10, 2016. The Schedule A also should indicate any vacant positions in the agency. Please do not include Social Security numbers.

Please See Attachment, #2 Schedule A.

3. Please list all employees detailed to or from your agency, if any. For each employee identified, please provide the name of the agency the employee is detailed to or from, the reason for the detail, the date of the detail, and the employee's projected date of return.

No employees were on detail.

4. (a) For fiscal year 2015, please list each employee whose salary was \$110,000 or more. For each employee listed provide the name, position title, salary, and amount of any overtime and/or bonus pay.

9. For fiscal years 2015 and 2016 (to date), please list, in chronological order, all Intra-District transfers to or from the agency.

With respect to Intra-District transfers to or from UDC for the fiscal years 2015 and 2016 (to date), UDC traditionally does not participate in the same Intra-District MOU process as other District agencies. This is due to the fact that the financial systems that UDC and the District operate are independent of each other. The District operates under the SOAR system whereas UDC operates under the Banner system. These two systems do not interface with each other. It should be noted, however, that UDC does participate in the MOU process with other District agencies, on a limited basis, and the extent of the University’s involvement is listed below and also captured in the response to question #12.

10. Please list, in chronological order, every reprogramming of funds into and out of the agency for fiscal years 2015 and 2016 (to date). Include a “bottom line” that explains the

revised final budget for your agency. For each reprogramming, list the reprogramming number, the date, the amount, and the rationale.

For fiscal years 2014 and 2015 (to date) there was no reprogramming of funds into or out of the University. Please note that the University uses a financial system that is independent from the District Government's SOAR system. Reprograms, therefore, are reflected in the University's financial system (Banner) and not SOAR.

11. For fiscal years 2015 and 2016 (to date), please identify any special purpose revenue funds maintained by, used by, or available for use by your agency. For each fund identified, provide: (1) the revenue source name and code; (2) the source of funding; (3) a description of the program that generates the funds; (4) the amount of funds generated annually by each source or program; and (5) expenditures of funds, including the purpose of each expenditure.

The special purpose revenue funds generated by the University are typically from five different sources as represented below:

Fiscal Year 2015

13. D.C. Law requires the Mayor and the Chief Financial Officer to submit to the Council, simultaneously with a proposed budget submission, actual copies of all agency budget enhancements requests, including the “Form B” for all District agencies (See D.C. Code § 47-318.05a). In order to help the Committee understand agency needs, and the cost of those needs for your agency, please provide, as an attachment to your answers, all budget enhancement requests submitted by your agency to the Mayor or Chief Financial Officer as part of the budget process for fiscal years 2015 and 2016.

UDC’s FY 2015 budget included a total enhancement of \$4,234,953 to reflect additional support to the University of the District of Columbia through the local funds subsidy. Specifically, the proposal provided an increase of \$2,500,000 for the Workforce Development program in the UDC Community College; \$1,334,953 to reflect a 2.0 percent inflation adjustment; and \$400,000 to support the David A. Clarke Law School Library collection and other library services.

UDC’s FY2016 budget includes a total enhancement of \$3,509,028 to reflect additional support to the University of the District of Columbia through the local funds subsidy. Specifically, the proposal provided an increase of \$3,509,028 to align it with revised projections for the subsidy payment to the University as outlined in the Mayor’s FY2016 Budget Book.

14. Please list each grant or sub-grant received by your agency in fiscal years 2015 and 2016 (to date). List the date, amount, purpose of the grant or sub-grant received, and explain how the grant is allocated if it is a multi-year grant.

15. Please list all currently open capital projects for your agency as of the date of your response, including those projects that are managed or overseen by another agency or entity. Include a brief description of each, the total estimated cost, expenditures to date, the start and completion dates, and the current status of the project. Also, indicate which projects are experiencing delays and which require additional funding.

The University of the District of Columbia (GFO) has one Capital pool project, UG706C, from which several sub-projects are executed. The project is used to renovate the Van Ness Campus and facilities at other locations within the University of the District of Columbia system (UDC), including the University's College of Arts and Sciences, School of Business and Public Administration, School of Law, School of Engineering and Applied Science, College of Agriculture, Urban Sustainability, & Environmental Sciences, and the Community College sites at Bertie Backus and PR Harris. The scope of work may include addressing much needed renovations to classrooms, academic laboratories, athletic facilities, auditoriums, faculty and administrative offices, and material storage areas. The scope of work may also include upgrades to the mechanical, electrical, and structural systems, installation of energy management systems and monitoring equipment, and new energy efficient windows throughout the Van Ness Campus.

The projects are designed and constructed with enhancing campus sustainability as a primary objective.

**The University has requested a budget increase of \$36M over the next 6 years. The purpose of the increase is to address the need for capital projects associated with the approved Strategic plan and continued infrastructure upgrades.

20. (a) In table format, please provide the following information for fiscal years 2015 and 2016 (to date), regarding your agency's use of cellular phones and mobile devices: (1) individuals (by name and title/position) authorized to carry and use such devices; (2) total annual expense (FY) for each individual's use; and (3) justification for such use (per person). If the list is more than one page in length, you may provide it as an attachment.

The record is too voluminous to provide a paper breakdown for each device given the invoicing practices. Therefore, imbedded within this response is a link to the spreadsheet that details the present inventory and total individual usage and cost.

Total cost of mobile devices for FY 2015: \$142,312.19

Total cost of mobile devices for FY 2016: \$35,724.67

During FY2015, OIT conducted an audit of all telephone services at the University, including mobile devices. Services (desk units and mobile subscriptions) significantly reduced and service was consolidated to one carrier.

(b) Please describe how your agency manages and limits its mobile, voice, and data costs, including cellular phones and mobile devices.

In efforts to minimize the cost of mobile devices, UDC takes the following actions:

- Bulk purchasing of all mobile call minutes
 - Pooling of all University minutes

- Unlimited data plans
- Restrict the acquisition of mobile devices to those authorized by their department head
- Consolidated purchasing through a single vendor (Verizon Wireless)
- All mobile devices (tablets) are purchased through the Apple Education Store which provides the maximum cost savings the University is able to obtain

21. (a) Does your agency have or use one or more government vehicle? If so, for fiscal years 2015 and 2016 (to date), please list any vehicle the agency owns. You may group the vehicles by category (e.g., 15 sedans, 33 pick-up trucks, three transport buses, etc.).

Yes, the University of the District of Columbia has more than one government vehicle. For fiscal years 2015 and 2016, the university has a total of 21 vehicles, which includes 7 sedans , 1 dump Truck, 1 pickup truck, 4 passenger vans, 2 utility vans, 1 light duty truck, 1 trailer, 1 tractor, 1 step van, 1 motor coach and a 1 recently purchased food truck.

(b) Please list all vehicle accidents involving your agency's vehicles for fiscal years 2014, 2015, and 2016 (to date). Provide: (1) a brief description of each accident; (2) the type of vehicle involved; (3) the justification for using such vehicle; (4) the name and title/position of the driver involved; and (5) whether there was a finding of fault and, if so, who was determined to be at fault.

On August 5, 2014 the university transportation department was notified of an accident involving one of the university fleet. Roy Lycorish, Assistant Farm Manager, was operating a university fleet (2009 Chevy Silverado DC-9005) driving on Old Baltimore Pike when he rear ended another vehicle waiting at the stop light. Outcome; Roy Lycorish was found to be at fault, the university agreed on a settlement amount.

On February 4, 2015 the university transportation department was notified of an incident involving one of the university fleet (Chevy Van DC-9051). Ms. Lorraine Clark, Project Specialist was pulling out of a parking space in the Van Ness Campus Parking garage she turned sharply and misjudged the distance. By doing this, the running board was ripped off the van. Outcome; (No further action was taken).

On July 4, 2015, the Office of Public Safety at the university was notified of an accident involving one of their Campus Police Officer. Officer Scott Thompson informed them while he was conducting an exterior check of Building 47 (Van Ness Campus) using (Ford Sedan DC-8806) he turned the vehicle around and scraped the front driver's side of the vehicle on the stanchion. A report was filed with MPD (CCN-100-798). Outcome; (No further action was taken).

On January 12, 2016, the Office of Public Safety at the university was notified of an accident involving one of their Campus Police Officer. Officer William Mitchell informed them that while conducting a routine patrol of Building 52 (Law School), he misjudged the distance between the car and garage frame, which accidentally cracked the right side mirror of the vehicle. (Chevy Sedan DC-6063) A report was filed with MPD (CCN#006-084). Outcome; (No further action was taken).

22. D.C. Law requires the Mayor to pay certain settlements from agency operating budgets if the settlement is less than \$10,000 or less than two years old (see D.C. Code § 2-402(a)(3)). Please itemize each charge-back to your agency for a settlement or judgment pursuant to D.C. Code § 2-402.

None.

23. (a) D.C. Law prohibits chauffeurs, take-home vehicles, and the use of SUVs (see D.C. Code §§ 50-203 and 50-204). Is your agency in compliance with this law? Please explain any exceptions.

Yes, the University of the District of Columbia is in compliance with this law.

(b) If there are exceptions, please provide the following: (1) type of vehicle (make, model, year); (2) individuals (name/position) authorized to have the vehicle; (3) jurisdictional residence of the individual (e.g., Bowie, MD); and (4) justification for the chauffeur or take-home status.

There are no exceptions.

24. In table format, please provide the following information for fiscal years 2015 and 2016 (to date) regarding your agency's authorization of employee travel: (1) individuals (by name and title/position) authorized to travel outside the District; (2) total expense for each trip (per person, per trip, etc.); and (3) justification for the travel (per person and trip).

The UDC uses two methods for procuring travel:

- **Purchase Card** – where employees procure travel via credit cards issued by the University. In this method, the only information received by the OCFO is a credit card statement with multiple card charges. Cardholders then identify the accounts to which the expenditures are to be charged. No detailed information is provided by either the credit card company or the procuring department on travel events. Also, the University's financial systems do not include a travel module to maintain detailed travel information – who, why, where & when. The respective department or office is the repository for that detail.

- **Travel Authorization/Direct Payment** – where employees procure travel with funds that are; advanced by the University, paid directly to third party vendors, provided by the employee and is later reimbursed or, any combination of the preceding three methods. Although the accounting system identifies these transactions as travel related, the lack of a travel module in Banner precludes the maintenance of detailed travel information – such as the who, why, where & when. Each respective department or office that has a travel budget allocation is the repository of that information.

University travel expenditures for FY 2015 totaled \$1,245,577, which includes \$655.8K (53%) in mandatory travel and \$589.7K (47%) in discretionary travel. The travel expenditure category represented less than 1% of all FY 14 University expenditures.

Mandatory travel includes three major categories:

- Grant funded travel (thus required by the funding agency) - \$342K (27%)
- Athletic team transportation - \$174K (14%)
- Student organization travel funded by student fee revenue which can only be used for student organization activities - \$73K (6%)

A significant amount of discretionary travel supports faculty and staff professional development which is required to meet professional and regional accreditation standards.

25. Please provide and itemize, as of January 10, 2016, the current number of When Actually Employed (WAE), term, and contract personnel within your agency.
