13. D.C. Law requires the Mayor and the Chief Financial Officer to submit to the Council, simultaneously with a proposed budget submission, actual copies of all agency budget enhancements requests, including the "Form B" for all District agencies (See D.C. Code § 47-318.05a). In order to help the Committee understand agency needs, and the cost of those needs for your agency, please provide, as an attachment to your answers, all budget enhancement requests submitted by your agency to the Mayor or Chief Financial Officer as part of the budget process for fiscal years 2016 and 2017.

Answer: Form B budget enhancements submitted by Agencies to the Mayor are privileged and part of the deliberative process.
14. Please list each grant or sub-grant received by your agency in fiscal years 2016 and 2017 (to date). List the date, amount, purpose of the grant or sub-grant received, and explain how the grant is allocated if it is a multi-year grant.

Answer: N/A.
15. Please list all currently open capital projects for your agency as of the date of your response, including those projects that are managed or overseen by another agency or entity. Include a brief description of each, the total estimated cost, expenditures to date, the start and completion dates, and the current status of the project. Also, indicate which projects are experiencing delays and which require additional funding.

Answer: N/A.
16. Please list all pending lawsuits that name your agency as a party. Please identify which cases on the list are lawsuits that potentially expose the city to significant liability in terms of money and/or change in practices. The Committee is not asking for your judgment as to the city's liability; rather, we are asking about the extent of the claim. For those claims identified, please include an explanation about the issues for each case.

- Aishah Mills-Pherigo v. DCHR, OEA Matter No.: J-0018-17 - This termination appeal is pending before Office of Employee Appeals (OEA).
- George Vincent v. DCHR/DDOT, 2016 CBX 00805 - This suitability appeal is pending before the Commission on Human Rights.
- Matt McMullen v. DCHR/DDOT, 2016 CBX 806 - This suitability appeal is pending before the Commission on Human Rights.
- Corrine Simons v. DCHR, OHR Docket No. 16-358 - This is a charge of discrimination against DCHR is pending before the Office of Human Rights (OHR).

Note: None of these cases expose the city to significant liability in terms of money and/or change in practices.
17.
a. Please list and describe any investigations, studies, audits, or reports on your agency or any employee of your agency that were completed at any time in fiscal years 2016 or 2017 (to date).

Answer: See responses on the following page.

- Annual: Office of the District of Columbia Auditor (ODCA) Audit of Protection of Personally Identifiable Information (PII): The audit examined the internal controls and security policies and procedures related to the protection of PII at DCHR and three other District agencies during FY15. The ODCA identified 11 Districtwide recommendations including: conducting annual security training, encrypting laptops and USBs, and conducting a Privacy Impact Assessment to mitigate risks. DCHR is currently working with our technology partner, the Office of the Chief Technology Officer (OCTO), to implement these recommendations.
- Annual: Comprehensive Annual Financial Report (CAFR) for FY2015- The annual CAFR audit examines the financial completeness and accuracy of new hire and fermination actions within the District. In addition, the technology used for recruiting and hiring employees i.e. PeopleSoft) is examined for appropriate internal controls. DCHR received a clean audit for FY15.
- Annual: Pension Plan Audit for FY15-BCA Watson Rice conducted the annual audit of the retirement programs in the District, which consist of the 457 Deferred Compensation Plan and the 401 (a) Defined Contribution Pension Plan. The Pension Plan audit examines the operations and assets of the plans including verifying that employees are enrolled correctly and are contributing the correct amounts. DCHR received a clean audit for FY15.
- Annual: Other Post-Employment Benefits (OPEB) Audit for FY15 - The Office of the Chief Financial Auditor engaged SB and Company to prepare the actuarial valuation of the OPEB Fund. This audit examines the completeness and accuracy of the offering, enrollment, and deduction of funds for other postemployment benefits. DCHR received a clean audit for FY15.
- On August 30, 2016, OIG issued a letter to the Mayor informing her (and DCHR) that a former DCHR employee pled guilty to and was sentenced for fraudulently obtaining District government funds in 2010-2011. OIG's investigation of the matter a number of years ago revealed the former employee's fraudulent activity.
- DCHR often receives complaint referrals from the Office of the Inspector General (OIG) with a request to investigate the allegations and report back any findings. In FY16, OIG sent DCHR one anonymous complaint referral regarding a DCHR employee. The matter involved allegations regarding the misuse of the employee's position. The matter was investigated and none of the allegations were substantiated.

## b. Please list and describe any ongoing investigations, audits, or reports of your agency or any employee of your agency.

Answer: See responses below.

- Annual: Comprehensive Annual Financial Report (CAFR) for FY2016- The annual CAFR audit examines the financial completeness and accuracy of new hire and
termination actions within the District. In addition, the technology used for recruiting and hiring employees (i.e. PeopleSoft) is examined for appropriate internal controls. As of today, DCHR has not received any final findings or recommendations.
- Pension Plan Audit for FY16-BCA Watson Rice is currently conducting its annual audit of the retirement programs in the District, which consist of the 457 Deferred Compensation Plan and the 401 (a) Defined Contribution Pension Plan. The Pension Plan audit examines the operations and assets of the plans including verifying that employees are enrolled correctly and are contributing the correct amounts. As of today, DCHR has not received any final findings and recommendations.
- Other Post-Employment Benefits (OPEB) Audit for FY16 - The Office of the Chief Financial Auditor engaged SB and Company to prepare the actuarial valuation of the OPEB Fund. This audit examines the completeness and accuracy of the offering, enrollment, and deduction of funds for other post-employment benefits. As of today, DCHR has not received any final findings and recommendations.
- OIG is currently investigating allegations that a former DCHR employee misused a government vehicle.

18. Please list, in chronological order, all employee grievances filed against your agency in fiscal years 2016 and 2017 (to date). Also, list any earlier grievance that is still pending in any judicial forum. For each, give a brief description of the matter as well as the current status.

Answer: None.
19. In table format, please list the following for fiscal years 2016 and 2017 (to date) regarding the agency's use of SmartPay (credit) cards for agency purchases: (1) individuals (by name and title/position) authorized to use the cards; (2) purchase limits (per person, per day, etc.); (3) total spent (by person and for the agency); and (4) a note briefly summarizing the largest expenditures.

## b. Please describe how your agency manages and limits its mobile, voice, and data costs, including cellular phones and mobile devices.

Answer: See response on the following page.
DCHR manages and limits its mobile devices and costs through the Office of the Chief Technology Officer's (OCTO)/DCNet's Fixed Cost Management System. This system allows DCHR to track usage of each device and monitor expenses.

The agency minimizes the cost of new phones by utilizing the annual trade-in program, which allows DCHR to exchange old phones for new phones. DCHR also groups employee data plans into "pools." This allows employees within the group to share minutes and prevents overages.
21.
a. Does your agency have or use one or more government vehicle? If so, for fiscal years 2016 and 2017 (to date), please list any vehicle the agency owns. You may group the vehicles by category (e.g., 15 sedans, 33 pickup trucks, three transport buses, etc.)

Answer: See chart below.

Answer: See Attachment D (FY 2017 Performance Plan).
27. What are your top five priorities for the agency? Please provide a detailed explanation for how the agency expects to achieve or work toward these priorities in fiscal years 2016 and 2017.

Answer: See responses below.

## HR Shared Services

The District of Columbia currently operates under a de-centralized Human Resources (HR) model. While de-centralization aids agencies with some HR management flexibilities, this model has led to duplication of effort, redundancies, inconsistencies, instances where HR policies and practices have been disregarded, and costly errors. A more consolidated structure is needed to provide better control and consistency, eliminate redundancies and errors, and minimize human resources vulnerabilities.

To begin transforming to a more consolidated structure, on September 8 ${ }^{\text {th }}$, Mayor Bowser and Director Gibson presented the shared services model to the mayoral cabinet. This presentation came with express approval for DCHR to move forward with determining the feasibility of transitioning human resources activities for agencies under the authority of the mayor to a shared services model.

## Completed Activities:

Based on the Mayor's initial approval of Shared Services, the below activities have been completed:

- Executive Steering Committee - In collaboration with the Deputy Mayors, DCHR established a HR Shared Services Steering Committee (Steering Committee), comprised of executive-level representatives from each cluster, to advise DCHR of agency requirements for the shared services model.
- HR Community Engagement - DCHR hosted town hall meetings to brief the District HR community on the proposed shared services transition and identify local best practices. We also conducted a workload survey to inventory the HR functions being performed by the HR staff. HR staff in subordinate agencies selfidentified the proportion of time spent on 85 HR tasks, which were subsequently grouped and analyzed. Additionally, DCHR distributed an anonymous opinion survey in an effort to address questions or concerns from the HR community.
- Dedicated Project Team - In April 2016, DCHR convened an HR Shared Services Project team (the Team) that meets on a weekly basis to plan and execute the transformation of the District's HR structure into a Shared Services model. The Team includes staff members from DCHR and various agencies. The Team's primary tasks are to assess the current- state, research best practices, and develop and implement the future state model.
- Identification of Best Practices - Shared Services Team representatives attended a Shared Services Summit where they were able to connect, collaborate and learn with HR Shared Services Leaders from across the country. The Team also visited the Administrative Resources Center in Parkersburg, West Virginia, which is a federal shared services center managed by the Department of Treasury that provides HR services for several federal agencies. The Team met with staff to understand their organizational structure, servicing model, best practices, and other implementation advice.

## Next Steps:

DCHR planned the following activities:

- DCHR will determine key HR processes that will undergo a Lean Six Sigma process review to identify process improvements. These reviews will leverage existing District process improvement expertise as well as utilize external resources.

## Classification and Compensation Reform

## FY 2016 - FY 2017

DHCR contracted with Deloitte to update the salary market survey data for the District of Columbia and provide recommendations. Deloitte compiled salary data from published surveys across government, private and non-profit sectors as well as custom surveys from similarly situated jurisdictions in the region and throughout the United States. The results of the salary survey are as follows:

Published Surveys:

- Benchmarked base salaries of DC roles are $5 \%$ above median salary.
- Benchmarked base salaries of DC roles are $2 \%$ above median with total cash compensation
- 2016 median salaries are $18 \%$ above 2010 median salaries.

Custom Surveys:

- Benchmarked base salaries of DC roles are $18 \%$ above median salary.
- 2016 median salaries are $12 \%$ above 2010 median salaries.

DCHR and District agencies are in the process of finalizing the employee allocation phase of the project which entails 'mapping' a position based on the current Position Description to the new Job Specification. To accomplish this task of mapping approximately 5,000 individual Position Descriptions into nearly 2,000 Job Specifications, DCHR held labs in which agencies could meet with classifiers directly, as well as, help meetings at agency locations to discuss and resolve any questions or concerns with the process.

## Talent Acquisition Strategy

DCHR was tasked with, as one of its priority initiatives for FY16, developing a Talent Acquisition Strategy to recommend to the City Administrator and the Mayor that would provide the 'north star' in guiding and governing our talent acquisition efforts. The goal is to implement a systematic approach to attract, develop and retain top talent/high performers to the District of Columbia Government as we become "Best-in-Class" in human resources and the "Employer of Choice" as a government entity.

## The approved Talent Acquisition Strategy:

The Government of the District of Columbia seeks to attract, develop and retain top talent that contributes to the innovation and creativity of government operations to move the District forward in continuous cultivation of an environment that 'gets things done'!

The District can improve the quality of its employment candidates and provide a more rapid response to hiring needs. While in December 2014, DCHR implemented an applicant tracking system - Job Science - to track, report, analyze, review, and hire applicants, it has proven to not keep up with the ongrowing demand. Going forward, DCHR is working in partnership with OCTO to build out a new module as part of PeopleSoft 9.2 upgrade that will further our efforts in the applicant tracking system space. An example of an enhancement is that agency's will be able to share job postings and requisitions. (i.e. if 3 agencies have a need for a program analyst, one posting can be executed and shared among those 3 agencies).

In FY2016, the average time to fill a position District wide was 87 days, up $7.6 \%$ ( 66 days) from FY 2015. We conducted 26 separate New Employee Orientation Sessions, posted 2,574 job announcements (vacancies), completed 973 classification actions, participated in 5 major job fairs, and processed 7,675 other personnel actions (these include name changes, reassignments, etc.). We provided HR professionals across the district with a 2-day training on "Recruiting Using Social Media.

In Fiscal Year 2016, the District employed 35,850 employees, we separated (retirement, resignation, death, termination) 7,245 employees. For 2017, Fiscal Year Quarter 1, we have separated 838 employees. The majority of separations in both Fiscal Years are expiration of temporary appointments and resignations.

District Government's Turnover Rate

| FY 2014 | FY 2015 | FY 2016 | FY 2017 Q1 |
| :---: | :---: | :---: | :---: |
| $11.3 \%$ | $13.9 \%$ | $16.2 \%$ | $1.7 \%$ |

## Career Pathing

DCHR's Center for Learning \& Development is leading the effort to create career paths for District Government employees. We collaborated with agencies to ensure the District's career path model is best-suited for our diverse population of employees and sustainable by all agencies. In addition, we have researched various career development programs and career path models; established a Competency Review Board of partners, stakeholders, and subject-matter experts who will serve as technical advisors to DCHR; and identified technical requirements and resources needed to implement and execute a career path framework.

- Researched various career development programs and career path models.
- Established a Competency Review Board of partners, stakeholders, and subject-matter experts who will serve as technical advisors to DCHR and assist with developing the scope, framework, and timeline for implementing career paths across District Government. The partners are DPW, DC Water, DDOT, DOH, DCPL, DHCD, OCP, and DCHR.
- Identified technical requirements and resources needed to implement and execute a career path framework.

## Increase Retirement Participation

DCHR's Benefits and Retirement Administration strived to increase employee participation in the voluntary 457 (b) Deferred Contribution retirement savings plan. Contributions are voluntary and, at the beginning of FY16, only $30 \%$ of District employees participated in the plan. By the end of FY16, employee participation in the 457 (b) plan increased to $43.6 \%$. Improvement in employee retirement savings participation focused on three key objectives - proposed legislation for automated enrollment in the 457 plan, an enhanced communication strategy, and retirement training sessions for employees and HR professionals.

- Enrollment Automation. Bill B21-0380 - Deferred Compensation Program

Enrollment Amendment Act of 2015 was introduced on September 21, 2015 and is currently under review by the Council. The proposed legislation establishes automatic enrollment of eligible new employees in the 457b Deferred Compensation Plan. Newly-hired employees will have five percent (5\%) of their base salary automatically contributed to the 457b Plan. Although enrollment in the plan would be automatic, employees would have the option of increasing, decreasing, or terminating the enrollment at any time during the year.

- Communication Strategy. DCHR worked in partnership with the OCFO Office of Finance and Treasury (OFT), to raise awareness on the benefits of investing in retirement savings plans. In September 2015, DCHR collaborated with the OFT, and ICMA-RC to send a monthly retirement savings newsletter to all employees. The monthly newsletter highlights the benefits of the retirement saving plan options, availability of financial education seminars throughout the District, and
contact information for one-on-one consultations. Additionally, focus groups were conducted during FY16, targeting non-participating employees in the Agencies with the lowest overall 457 (b) enrollment and participation rates. The recommendations from the focus groups will be used to improve tailored messaging to employees.
- Retirement Training for HR Professionals. DCHR hosted a Retirement Training Academy for HR personnel. The academy featured seminars on retirement savings education, retirement coding and processing, social security benefits, and post-employment health benefits such a Medicare.

34. Please provide a list of each of the agency's collective bargaining agreements (CBA), including the name of the union, the total number of employs covered by each CBA, a description of the employees' duties covered by each CBA (e.g. "executive assistant" or "attorney"), the length of the CBA, and a timeline for renewing any CBA that has expired or will expire in FY 2017 or FY 2018.

Answer: None.
35. Please describe any initiatives the agency implemented within fiscal years 2016 and 2017 (to date) to improve the internal operation of the agency or the

# interaction of the agency with outside parties. Please describe the results, or expected results, of each initiative. 

Answer: See response below.

DCHR provides oversight of the Police and Firefighters' Retirement and Relief Board (PFRRB). During FY 2016 and FY2017 (to date), the PFRRB began uploading all case files and other Board matters on a dedicated and secure SharePoint sub-page, which resulted in distributing related case review information and documents to PFRRB Board members in a more expeditious manner and with increased security. Previously, case files were scanned and copied to compact discs for distribution. Utilizing SharePoint improved the day-to-day operations of PFRRB internally and externally, by allowing Board Members to readily review all matters before the Board prior to Executive Sessions and scheduled hearings.

DCHR created a dedicated Benefits sub-page in SharePoint, with support from OCTO's SharePoint Administrator. We designed a new workflow process for 401a and 457 enrollment and distribution processing. We launched the new workflow process in January 2017. We can now track the lifecycle of each participant request, manage the progress of the request electronically, and obtain quality assurance reports. A dedicated Benefits HR Specialist is continuing to build out the SharePoint process, forms, workflow, and Standard Operating Procedures to implement automated assignment and process flows in support of other benefits and retirement related transaction requests.

In partnership with Aetna, the DCHR Benefits and Retirement Administration (BRA) implemented ALEX/Jellyvision virtual benefits counselor services and interactive benefits decision support as part of Open Enrollment 2017. ALEX engages employees one-on-one in a personalized benefits conversation that considers every employees' unique personal situation, keeps them unusually engaged, explains information in plain English, and helps them make the benefits decisions that are the best for them and their families. Jellyvision, an award-winning developer of interactive online communications, created ALEX in 2009. To date, ALEX reports:

- 4,862 visits
- $81 \%$ of those surveyed say they found the tool helpful
- $84 \%$ of those surveyed say they now have a better understanding of their medical benefits

The DCHR Benefits and Retirement Administration held conversations with major Washington, DC Metropolitan area realty firms to establish a home-buyer program for DC Government employees. This program would provide educational opportunities for potential home buyers and incentivize District home ownership for employees, as well as encourage and support employees who reside outside the District to become District residents.

DCHR significantly reduced background check processing time and increased convenience for agencies and employees by implementing an electronic criminal
background check and drug/alcohol screening process. As a result of this initiative, DCHR increased overall efficiency of data maintenance and analysis, and, provides agencies with scheduling flexibility to better fit operational their needs.

In FY 2017, DCHR simplified residency verification for more employees by integrating paperless licensing and identification status in PeopleSoft via the D.C. Department of Motor Vehicles. We've also partnered with the D.C. Bar so that Bar licensing can be uploaded into PeopleSoft allowing for paperless attorney good standing verification.

DCHR revised an HR development process which will allow for routine agency and labor feedback along with HR industry research to ensure policies remain current and consistent with best-practices.
36. What efforts has the agency made in the past year to increase transparency? Please explain.

Answer: See response below.
We focused on three initiatives: (1) We significantly increased use of social media, (2) Actively and continuously engaged the District's HR Community through webinars, monthly HR Advisors meetings, HR Summit, Retirement Academy, and written forms of communications to include HRA Checkpoint, and (3) formed a policy review board that permits agencies to have operational input into policy setting in areas of interest and significance.
37. Please identify any legislative requirements (federal or local) that the agency lacks sufficient resources to fully implement.

Answer: None.
38. If applicable, please explain the impact on the agency of any legislation passed at the federal level during fiscal years 2016 and 2017 (to date).

Answer: N/A.
39. Please identify any statutory or regulatory impediments to the agency's operations.

Answer: None.
40. Please list all regulations for which the agency is responsible for oversight or implementation. Please list by chapter and subject heading, including the date of the most recent revisions.

41. Did the agency receive any FOIA requests in FY 2016? If yes, did the agency file a report of FOIA disclosure activities with the Secretary of the District of Columbia? If yes, please provide a copy of the agency's report as an attachment.

Answer: See Attachment E (FOIA Requests).
42. Has the Inspector General issued any report on any aspect of the agency's activities within the last 3 years? If yes, please list (and also provide a copy of the report) and note what actions have been taken to address the recommendations made by the Inspector General.

Answer: None to our knowledge.
43. How many claims for paid parental leave were accepted in fiscal years 2016 and 2017 (to date)? What was the average length of the leave?

Answer: See response below.
FY2016 - DCHR accepted 5 paid parental leave claims [40 days average].
FY2017 - DCHR has received no paid parental leave claims to date.
44. How many claims for paid family leave other than parental leave were accepted in fiscal years 2016 and 2017 (to date)? What was the average length of the leave?

Answer: See response below.
FY2016 - DCHR accepted 9 paid family leave claims [34 days average].
FY2017 - DCHR accepted 8 paid family leave claims [40 days average expected].

Note: Most of the paid family leave claims are taken intermittently. Though 40 days has been approved in most cases for FYl7, the actual use depends on employee need.
45. Please describe the procedures for reviewing employees' eligibility for paid parental or family leave and for determining the length of leave for which an employee is eligible. How, if at all, have those procedures have changed since the program began?

Answer: See response below.
Leave applications are provided to, and reviewed by, our FMLA Coordinator. Upon receipt, the coordinator evaluates eligibility by reviewing the employee's work history (years of service, works hours, and leave history.) If eligible, the coordinator then evaluates the medical certifications provided by the employee. In questionable cases, the coordinator consults an attorney who specializes in FMLA/ADA. Length of leave is determined by the medical certification (the time off specified by the doctor). These procedures have not changed since the program began.
46. What percentage of District government employees participated in our 457 plans in FY16? On average, what percentage of their salary did they contribute to their 457 plan?

Answer: See response below.
In FY16, 43.6\% Distric† government employees participated in our 457 Deferred Compensation plan. On average, participating employees save $5.1 \%$ of their salary to the 457 plan.
47. What percentage of District government employees who are eligible for our 401(a) plan are fully vested in the 401(a) plan? What percentages are partially vested?

Answer: See response below.
There are 33,782 participants in the 401 (a) defined contribution plan. $73 \%$ are fully vested in the 401 (a) plan. $19 \%$ of plan participants are partially vested and
$8 \%$ of plan participants are not vested (less than two years of service completed).
48. What efforts, if any, has DCHR undertaken to improve retention of MPD and FEMS employees?

Answer: See response below.
As a result our discussions with MPD, DCHR advertises the position of Police Officer and any civilian vacancies on our online careers page. MPD now posts vacancies on our website. DCHR also provided guidance on enhanced social media use which MPD implemented. DCHR is and will continue to provide support, as needed.

At this time, FEMS does not have a retention challenge. In 2015, DCHR worked with FEMS in a mass recruitment effort for the position of Fire Fighter / EMT, which had not been done since 2008. FEMS hires off the register that was established as a result of the mass recruitment effort in 2015.
49. What housing tax credits, student loan forgiveness, fuition assistance, or other similar incentives are available to District government employees? What additional incentives, if any, is DCHR exploring to attract and retain employees?

Answer: See response below.

## Tuition Discounts

Through its Center for Learning and Development, DCHR has educational partnerships, which include tuition discounts and various fee waivers, with the following colleges and universities:

- Catholic University of America/Metropolitan School for Professional Studies
- DeVry University
- Excelsior College
- Graduate School USA
- University of the District of Columbia (UDC)
- Southern New Hampshire University/College for America
- University of Maryland University College (UMUC)
- University of Phoenix
- Walden University

The tuition discount is generally $10 \%$. Applicable discounts are applicable to Associate's, Bachelor's and Master's Degrees, as well as certificate programs and include District of Columbia Government employees and in some cases their families, including spouses, domestic partners, and children. UDC offers the DC Resident rate for all employees who reside in other states (MD, VA, etc.). The cost for College for America is $\$ 3,000.00$ per year.

## Public Service Loan Forgiveness

DCHR maintains a webpage, https://dchr.dc.gov/page/public-service-loanforgiveness, which is dedicated to providing employees with information on the federal Public Service Loan Forgiveness Program, including qualifying employment and loans. Additionally, in FY16 DCHR, in partnership with the OCFO - Office of Finance and Treasury and ICMA-RC developed an educational workshop for employees on managing student loan debt. The seminars launched in November 2016.

## Discount Programs

DCHR maintains a robust employee discount suite and is works continuously to expand its offerings. Current discounts are online at dchr.dc.gov and include:

- Capital Bikeshare Membership Discount
- Apple Employee Purchase Program
- AT\&T Discount Program
- Department of Parks \& Recreation Fitness Center Deduction
- MINT Health Club Discount
- Six Flags America
- Sprint Employee Discount Program
- T-Mobile@Work Discount Program
- Verizon FiOS Employee Discount
- VIDA Fitness Discount
- Zipcar Membership Discount

50. In the agency's responses to Performance Oversight questions in 2016, you identified implementing classification and compensation reform as your first priority. Please provide a status update on this process, including a summary of any findings or recommendations made by consultants hired to assist with the process.

Answer: See response below.
FY 2016 - FY 2017
DHCR contracted with Deloitte to update the salary market survey data for the District of Columbia and provide recommendations. Deloitte compiled salary data from published surveys across government, private and non-profit sectors as well as custom surveys from similarly situated jurisdictions in the region and throughout the United States.

DCHR and District agencies are in the process of finalizing the employee allocation phase of the project which entails 'mapping' a position based on the current Position Description to the new Job Specification. To accomplish this task of mapping approximately 5,000 individual Position Descriptions into nearly 2,000 Job Specifications, DCHR held job mapping labs in which agencies could meet with classifiers directly, as well as, help meetings at agency locations to discuss
and resolve any questions or concerns with the process. The remaining steps in the process are:

- Approve Implementation
- Hold Public Hearing
- Submit legislation to Council
- Complete system testing in PeopleSoft with OCTO
- Meet with affected employees on new job specifications
- Implement new system

51. In the agency's responses to Performance Oversight questions in 2016, you identified as your second major priority improvements to Talent Acquisition Strategy focused on (1) increasing the number of DC residents who work for the District, (2) expanding recruitment to Social Media and enhancing candidate sourcing, (3) Training District HR Professionals in "go to market" strategies, and (4) ensuring robust onboarding process. Please provide an update on these activities and any data capturing their results.

Answer: See response below.
DCHR is continuing to increase the number of District Residents that are District government employees. We have a total of five Direct Connect Hiring Events for FY 2017 that connects District residents directly to DC government agencies and that aligns these efforts in supporting the Mayor's initiative in creating pathways to the middle class. These events will offer interviews and contingent offer letters on the spot. To date, we successfully completed two events with the remaining three tentatively scheduled between April and September 30. The Direct Connect Hiring Events connect district residents to District employment and helps reduce the underemployment and unemployment rates in the District. DCHR also participated in 3 job fairs (Peace Corps, Cameroon American Council and LGBT). We provided information regarding employment with the District, the benefits offered, and how to apply and search for positions with District Government.

The DCHR Center for Learning \& Development worked to increase the number of DC residents who work for the District by continuing our Residents Services training program, providing residency preference to interns hired through the District Leadership Program, and collaborating with agencies to sustain the Capital City Fellows Program, where hired candidates are required to be District residents. DCHR also serves as a valued partner in executing the L.E.A.P. Academy, a collaborative effort with DHS and DOES to support the Mayor's Pathways to the Middle Class initiative.

DCHR expanded its recruitment efforts through social media. DCHR posted vacancies, featured various positions, and featured agencies through its social media outlets. We increased our following due to these expanded efforts. DCHR also advertises hiring events through its social media outlets. DCHR's Public

Information Officer collaborates with other PIOs across the District on various events.

DCHR sponsored two 2-day training sessions for HR professionals across the District on "Recruitment Using Social Media" facilitated by the USDA Graduate School to introduce and/or expand recruiting efforts using social media outlets. DCHR has taken several measures toward ensuring a robust onboarding process for District government employees and incorporated suitability reviews in its onboarding process. This quality assurance strategy ensures that the District undertakes proper measures to ensure new hires are properly vetted prior to onboarding.

This fiscal year, DCHR incorporated welcome videos from the Mayor, the City Administrator, and biographical videos of various agency heads in the Citywide New Hire Orientation to increase engagement in the onboarding process and to educate new employees on the District's mission, vision, and values. We incorporated an Ethics video to create more dialogue on employee expectations. In addition, new employees can now meet with representatives from each of the healthcare providers during orientation to discuss their individual healthcare needs. An added feature of New Hire Orientation also includes an overview about the District's strategic partnership with UDC. We invite representatives from the University to discuss continuing education opportunities with new employees and provide information to those interested in degree programs.
52. In the agency's responses to Performance Oversight questions in 2016, you identified as your third major priority building career paths that include a competency-based model, including mapping six or more occupations by the end of the fiscal year. Please provide details on any occupations that were mapped, which agencies participated in this work, and what concrete hiring results can be attributed to this goal.

Answer: See response below.

The DC Department of Human Resources initiated the development of career paths for District positions. We completed the mapping of eight career paths which include approximately 45 occupations across District government. This includes occupations from four clusters and two independent agencies. Some of the sample career paths include:

Note: Career Paths continue to evolve and are subject to change based on updates made to the Comp/Class initiative.

In addition, DCHR developed an online platform that will provide career path access to all District employees (current and future). This platform offers easy to read text and visually appealing graphics that will increase visibility and user engagement. An illustration of the online career path design is highlighted below.

Leveraging the expertise of the Competency Review Board and veteran members of the HR community, DCHR continues to work with agencies to introduce the competency model and provide accurate data to support the career path initiative and ensure that career paths are properly aligned to their respective job families. The agencies who have participated in this work include:

- DC Department of Health
- DC Department of Housing and Community Development
- DC Department of Parks and Recreation
- DC Department of Transportation
- DC Public Library
- DC Water

Although concrete hiring results cannot be attributed to this goal at this time, DCHR is working with the HR community to determine how we can translate this initiative into concrete results. In the next phase of this initiative, we will focus on developing career paths for six positions that have a significant number of retirement-eligible employees in these roles. These position include: Behavioral Health Technician, Bus Attendant, Firefighter, Motor Vehicle Operator, Police Officer, and Teacher.
53. In the agency's responses to Performance Oversight questions in 2016, you identified employee wellness as your fourth major priority. Please provide an update on Workplace Wellness activities and provide any data collected that on progress toward achieving the program's wellness goals of preventing, detecting, and reducing modifiable risk factors for diabetes, heart disease, stroke, cancer, lower respiratory disease and arthritis.

Answer: See response below.
During FY16, DCHR issued DPM Instruction No. 20B-9, Workplace Wellness Program, available at http://dchr.dc.gov/publication/issuance-i-20-9, which was aimed at establishing agency-level wellness programs. Per the instruction, DCHR requested each agency designate a wellness leader and establish a wellness committee. To date, DCHR identified 36 agency-level wellness leaders at the following agencies:

| 1. | Child \& Family Services Agency |
| :--- | :--- |
| 2. | Corrections Information Council |
| 3. | Dept. of Consumer \& Regulatory Affairs |
| 4. | Dept. of Corrections |
| 5. | Dept. of Employment Services |
| 6. | Dept. of General Services |
| 7. | Dept. of Health |
| 8. | Dept. of Healthcare Finance |
| 9. | Dept. of Human Resources |
| 10. | Dept. of Human Services |
| 11. | Dept. of Motor Vehicles |
| 12. | Dept. of Public Works |
| 13. | Dept. of Small \& Local Business Development |
| 15. | Dept. of Youth Rehabilitation Services |
| 16. | DC Public Schools |

| 17. | DC Retirement Board |
| :--- | :--- |
| 18. | Fire \& Emergency Medical Services |
| 19. | Health Benefit Exchange Authority |
| 20. | Office of the Attorney General |
| 21. | Office of Cable Television, Film, Music \& Entertainment |
| 22. | Office of the Chief Technology Officer |
| 23. | Office of Contracting \& Procurement |
| 24. | Office of Employee Appeals |
| 26. | Office of the Chief Medical Examiner |
| 27. | Office of the Deputy Mayor for Planning \& Economic Development |
| 28. | Office of the Inspector General |
| 29. | Office of Police Complaints |
| 30. | Office of the State Superintendent of Education |
| 31. | Office of Unified Communications |
| 32. | Office of Victim Services \& Justice Grants |
| 33. | Office of Zoning |
| 34. | Office on Latino Affairs |
| 35. | Public Service Commission |
| 36. | University District of Columbia |

In collaboration with management and employees, wellness leaders and committees are responsible for creating a workplace wellness infrastructure; overseeing the development and implementation of employee wellness policies and committees; communicating to employees about the agency's wellness program components to encourage and increase participation; and providing on-going assessment and monitoring of program effectiveness.
In partnership with healthcare vendors Aetna and United Healthcare, DCHR onboarded two full-time, contracted onsite wellness coordinators designated with supporting and providing wellness initiatives at the agency level. In FY2016, in partnership with health care vendors, DCHR coordinated 99 wellness events for approximately 34 agencies.

- $80 \%$ increase in engagement from 2015 (55 events)
- $100 \%$ increase in agencies from 2015 (17 agencies)
- Includes four wellness challenges that engaged approximately $10 \%$ of District employees

Wellness events included biometric screenings (including, but not limited to blood pressure, glucose, weight, BMI, DermaScan), fitness classes (including Zumba, yoga, resistance band workouts), weight-loss and weight-management programs, chair massages, healthy cooking demonstrations, and seminars on topics such as mindfulness, stress management, breast cancer prevention, diabetes awareness, men's health, fitness, nutrition, weight management and work-life balance.

In October 2016, in partnership with health care vendors, DCHR hosted 7 employee flu shot clinics. Nearly 1,900 employees pre-registered to receive flu shots. 1,228 shots were administered, a $9 \%$ increase from 2015 ( 1,127 shots).

In November 2016, DCHR hosted 10 full-panel health screening events, which included height, weight, Body Mass Index, (BMI) blood pressure, cholesterol and glucose screenings at each Open Enrollment Fair throughout the District. 676 employees participated in the full-panel screenings.

While it is still too early to see change in our overall health demographics, our population experienced the following positive trends in preventative healthcare metrics -an increased number of participants received mammograms, cervical cancer screenings, colorectal cancer screenings, and adult preventive care visits. Additionally, children and adults are exceeding the normal rate for wellness exams, as compared to our healthcare carriers' book of business for similar jurisdictions.

| Service | Actual | Benchmark | Change in Trend | Prior |
| :--- | :--- | :--- | :--- | :--- |
| Mammogram Rate | $62.2 \%$ | $>62 \%$ | 0.1 | $62.1 \%$ |
| Cervical Cancer Pap Tests <br> Rate | $66.3 \%$ | $>71 \%$ | 0.6 | $65.7 \%$ |
| Colorectal Cancer <br> Screening Rate | $55.2 \%$ | $>38 \%$ | 2.6 | $52.6 \%$ |
| Adult Preventive Care <br> Visits | $73.7 \%$ | $52.4 \%$ | 4.2 | $69.6 \%$ |

54. In the agency's responses to Performance Oversight questions in 2016, you identified increasing DC resident hiring as your fifth major priority. Please provide a list of activities directed toward this purpose along with an estimate of number of District resident and non-resident participants in each. Please also provide data on the number and percentages of District residents and non-residents among District government employees in subdivided by agency and major program within agency for fiscal years 2015, 2016, and 2017 (to date).

Answer: See response below and Attachment F (District Residents/Non-Resident Data).

DCHR continued our efforts to increase the number of District Residents that are District government employees. We have 5 Direct Connect Hiring Events that we are hosting in FY17. These events will offer interviews and contingent offer letters on the spot. To date 2 events have been held and the remaining 3 have been tentatively scheduled, and will be completed by September 30. The Direct Connect Hiring Events are geared to connect District residents with District employment and to reduce the underemployment and unemployment rates in the District.

DCHR also participated in 3 job fairs to date (Peace Corps, Cameroon American Council \& LGBT) in which we provided information regarding employment with the District, the benefits offered, and how to apply and search for positions. An example is our collaboration with DDOT that resulted in the hiring of District residents in the positions of Safety Technician, Traffic Control Officers and Lead Traffic Control Officers.

| Position | Total | DC Resident |  | Non-DC Resident |  |  |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  | Total |  | $\%$ | Total |

DCHR conducted a 4-week employment session at New Bethel Baptist Church in northwest D.C. and Allen AME Church in southeast D.C. These 4 -week sessions included interview skills and tips, resume writing, conducting job searches for District government opportunities and employment searches, dressing for interviews, and mock interviews. There were 33 District residents that attended these two 4-week events.
55. Please provide any addition information, feedback, or requests to the Committee that DCHR deems necessary.

FY 2017 PERFORMANCE PLAN
Department of Human Resources

## MISSION

The mission of the DC Department of Human Resources (DCHR) is to strengthen individual and organizational performance and enable the District government to attract, develop and retain a highly-qualified, diverse workforce.

## Strategic Objective \#1: TALENT ACQUISITION

DCHR strategically and expeditiously sources, selects and on-boards highly talented individuals with the acumen, aptitude and attitude to thrive in District Government.

## INITIATIVES

Consolidated Recruitment Procedures- In FY17, DCHR will define and implement District-wide recruitment policies and procedures, collapsing numerous provisions (often conflicting) into a single regulatory chapter. Based on these new rules, covering all services, DCHR will develop guide and training materials to ensure consistent and transparent recruitment activities.
D.C. Residency Enhancement Laws- In FY17, DCHR will develop and submit to the Council amendment to the Comprehensive Merit Personnel Act that will bring enhancements to our objective of increasing the number of D.C. residents who make up our work force. The legislation will require highly compensated employees to be District residents, provide direct-appointment authority of D.C. residents to hard-to-fill positions, authorize agency payment of student loans (up to a maximum amount) for employees hired under the D.C. hiring preference, and streamline the residency verification process for applicants and employees.

## KEY PERFORMANCE INDICATORS

- Percent of new hires that are DC residents
- Average number of days to fill vacancy from post to offer acceptance
- New Hire Turnover Rate
- Percent of personnel actions completed within the same pay period of the effective date
- Average cost per personnel action

## WORKLOAD MEASURES

- Percent of all employees who are District residents
- Number of new hires
- Number of job postings

## Strategic Objective \#2: TALENT MANAGEMENT

DCHR engages District employees to ensure that each person is in the right job and is provided with the right resources to leverage their knowledge, skills, and behaviors to meet District goals and sustain organizational success.

## INITIATIVES

Classification and Compensation Reform- In FY17, DCHR will finalize all components of the Job Evaluation Model; update the market data and create new salary schedule; and submit new compensation and classification system for Council approval and develop and launch a District-wide roll-out plan. DCHR will also train agency Managers and HR staff on the process and system.

#### Abstract

Absenteeism- In FY16, DCHR began monitoring absenteeism by developing and reporting on the absenteeism rate on a quarterly basis. In addition, DCHR met with District agencies to review the Time Reporting Codes (TRCs) used to report time. Based on findings and best practices, in FY17 DCHR will continue to report on the quarterly absenteeism rate, educate and train District managers on absenteeism and best practices to reduce the absenteeism rate, specifically the sick leave rate. In addition, DCHR will establish/update any policies related to absenteeism, if applicable.

Employee Engagement- In FY17, DCHR will define and implement a District-wide engagement survey that will examine employee development, recognition, and resources. Based on analysis of the results, DCHR will develop a targeted engagement toolkit that will provide managers with tools to engage their employees. In addition, DCHR will train managers on the importance of engagement and effective tools for engaging employees.

Compensation Report and Recommendation- In FY17, DCHR will develop a process to annually create a comprehensive compensation report and recommendation for submission to the Mayor each year. The report will outline out general compensation standing relative to key markets and will provide recommendations for modifications to the salary schedules, which can be considered in the annual budget cycle. The reports can also serve as a reference for labor negotiations and provide immediate salary data when requested.

Increase employee knowledge, understanding, and preparation for retirement - DCHR will develop an on-going educational series to increase employees' knowledge of District of Columbia retirement benefits and retirement savings programs. DCHR will engage internal and external stakeholders to coordinate and implement pre-retirement seminars and a retirement handbook for employees and HR personnel.

Increase engagement and participation in the District's workplace wellness program across agencies District-wide - DCHR has established a framework and foundation for
the District's workplace wellness program. In FY17, DCHR will provide continued leadership, guidance, and resource management to Wellness Leaders from each agency, in coordination with the District's healthcare vendors, and provide health outcomes tracking through a comprehensive health outcomes evaluation. DCHR will seek to increase the number of District Agencies participating in the workplace wellness program.

Executive Performance Management Program - DCHR is establishing the annual Executive Performance Management Program (EPMP) to monitor the performance of Executives (Agency Directors and Deputy Mayors) under the Mayor's Authority to ensure accountability to District stakeholders. Beginning in Fiscal Year 2017, DCHR is creating a performance plan template that allows District Executives to outline and monitor major programs, initiatives, projects, and priorities to be achieved for the fiscal year. A process will also be crafted for District Leadership (Deputy Mayors, City Administrator and Mayor) to ensure that each executive's priorities are aligned with those of the Mayoral administration. Throughout the year, DCHR will facilitate ongoing feedback along with the review and modification of plans as needed. Upon the closing of the fiscal year, DCHR will coordinate the performance review and ratings for all District Executives.

## KEY PERFORMANCE INDICATORS

- Percent of employees participating in deferred compensation program
- Percent of employee performance plans completed
- Percent of employee performance evaluations completed

## WORKLOAD MEASURES

- Number of customer resource center walk-ins
- Number of retirements
- Number of drug/alcohol tests of incumbent employees

## Strategic Objective \#3: TALENT DEVELOPMENT

DCHR defines the pathways, programs and processes to create opportunities to continuously develop District employees and residents through assignments and activities aimed at advancing their career trajectory.

## INITIATIVES

Succession Planning- In FY17, DCHR will develop a career path and succession management framework that will assist agencies in identifying business needs, identifying roles that are critical to the agency in achieving its mission, identifying the skills sets which make these roles critical and building plans around those roles. In addition to providing a framework to assist agencies in identifying critical skill sets, DCHR will also equip agencies with the tools to develop talent in key competency areas to ensure a robust leadership bench. With successful completion, employees will be able to understand how to grow and prosper in careers within the District government.

## KEY PERFORMANCE INDICATORS

- Upward Mobility Rate (Promotion Rate)
- Internal Placement Rate

## WORKLOAD MEASURES

- Number of unique employees completing training
- Number of individual trainings completed

## Strategic Objective \#4: GOOD GOVERNMENT (as proposed by OCA)

Create and maintain a highly efficient, transparent and responsive District government.

## INITIATIVES

Electronic Official Personnel Folder (OPF)- In FY16, DCHR began the clean-up effort of paper OPFs and images stored in FileNet. In FY17, DCHR will conduct an assessment of current technology (FileNet and Infolinx) and business processes for the electronic archiving and viewing of official personnel folders under the Mayor's Authority. In addition, DCHR will assess the technology needed to integrate FileNet with PeopleSoft and create a plan for finalizing the electronic OPF.

Customer Service Management (CSM)- DCHR's CSM initiative will focus on streamlining its practices, strategies and technologies to manage and analyze customer interactions, with the goal of improving relationships with customers and meeting service level agreements. Specifically, DCHR will 1) identify a technology solution to serve as an information warehouse/database; 2) co-locate staff and services which will enable customers to resolve a variety of questions/issues in a single location; and 3) use/compile customer data to better serve internal/external customers.

Updating Personnel Laws- In FY17, DCHR will develop proposed amendments to the Comprehensive Merit Personnel Act (CMPA). These updates may include, among other things, revisions to personnel authority, statutory support of the Comp \& Class Reform Project, statutory support for Shared Services, provisions for Total Rewards, clarification of benefits, updates to workers' compensation laws and updates to reduction-in-force laws. Overall, these amendments will support the city's long-term personnel objectives. (Some portions of the updates will likely take place within FY17. However, due to the size of the CMPA, other portions may not be updated until FY18.)

Shared Services Project - At the request of the Mayor, DCHR will investigate the feasibility of transitioning human resources activities for agencies under the authority of the mayor to a Shared Services delivery model. This model enables delivery of a suite of HR services in a consistent, efficient, and cost-effective manner to organizations that have differing requirements, expectations, budgets, collective bargaining arrangements, and vary in size, scope and complexity. Based upon its findings, DCHR will propose a HR service delivery model that increase the level of service provided to District employees and residents by improving efficiency, effectiveness, employee experience, economies of scale and education.

1. Please provide more information about DCHR's role with the LEAP program. How many partic ipants and staff are involved? By what metrics are performance outcomes measured? Please provide those outc ome metrics.

Answer: See response and chart below.
DCHR providestalent mana gement and development services for the LEAP program through onboarding of new program Intems, provides New Employee Orienta tion, soft skills tra ining, serves as lia ison between a genc ies a nd Intems, conducts site visits a nd oversees Intems' performance plans and evaluations.

The program is staff by two DCHR employees and one DOES employee.
Since the inception of the LEAP Academy in 2015, four cohorts have been implemented for a total of169 Intems enrolled into the program. To date, 92 Intems have been hired. On February 21, 2017, Cohort 5 was on boarded with a total of 13 Intems.

Since April 2015, the following agencies have partnered with DCHR to host LEAP intems: DCHR, DOES, DHS, DDOT, DMV, Office of Peoples C ounsel, DFS, OCME, DPW, DPR.
Metrics:
The success of the LEAP Ac a demy is measured by the number of suc cessful hires from each cohort.

2. Please provide more information on Capital City Fellows. What is its purposes? Who does it serve? How many partic ipants and staff are involved? By what metrics are performance outc omes measured? Please provide those outc ome metrics.

Answer: See response below.
The Capital City Fellows Program was inaugurated in 1999 by Mayor Anthony Willia ms for the purposes of attracting recent master's degree graduates in public administration, public policy, urban planning, and related fields to compete for two-year fellowship appointments to work for the city as a large number of employees were eligible to retire. In 2013 the fellowship appointment was changed to 18 months. Fellows must become bona fide District residents within 180 days of the fellowship appointment.

Agencies benefit by having a dedicated resource to focus on mission-critic al prionities and initiatives. Fellows have been instrumental in launching major city projects, including (but not limited to), Capital Bikeshare, DC Circ ulator, Sustainable DC, Age-Friendly DC, Performance-Based Budgeting, and the Homelessness Initiative.

In addition to on-the-job training in their host agencies, Fellows are given unique opportunities to meet with high-level city offic ials and partic ipate in educational and professional development training and seminars. Our program prepares Fellows to meet the challenges of local govemment public service and develops management talent for the city. Fellows are selected through a competitive a pplication process.

The most recent agenc ies that have partnered with DCHR to host Fellows are OCA, DMHHS, DDOT, MPD, DHS, DFS, OCME, OSSE, DOEE, DHCD, DPW, and CFSA.

The program is staffed by two employees. The last cohort of 18 Fellows was brought on in December 2015 with one additional Fellow brought on in July 2016. There are currently 10 Fellows in the program. Nine of the 19 Fellows have been hired.

Metrics: The success of the Capital City Fellows Program is measured by the number of Fellows who are hired in permanent positions. Additionally, hired Capital City Fellows are currently serving in mid to senior level positions.

3. P. 10/Q13. Please provide the requested budget enhancement doc uments, which are required under D.C. Code § 47-318.05a. Altematively, please provide a legal memorandum explaining why D.C. Code § 47-318.05a does not apply.

Answer: Form B budget enhancements submitted by Agencies to the Mayor are privileged and part of the deliberative process.
4. P. 10/Q16. Please expla in what a "suitability appeal" is.

Answer: See response below.
A suitability appeal is an appeal from DCHR's determina tion that the a pplic ant is not suitable for the position for which he or she a pplied. The applic ant may a ppeal DCHR's dec ision to the Commission on Human Rights.
5. P. 11/Q17(a). Please explain DCHR's projected timeline foracting on the recommendations of the DC auditor regarding protection of PII. Please provide step-by-step plans.

Answer: See response below.
The recommendations provided by the ODCA are not all a pplicable to DCHR, as we do not provide ITservices District-wide. The below are recommendations, action plans, and deadlines applicable to DCHR.

Recommendation 1: Conduct Annual Sec urity Tra ining Action Plan: On February 15, 2017, DC HR, in partnership with the Office of the Chief Technology Officer, launched new C ybersec unity training for all District employees and contractors. The training includes modules on both physic al and cyber Pll sec urity.
Deadline: Sept. 30, 2017. Rolling out in phases beginning February.
Recommendation 2: Enc rypting laptops and USBs
Action Plan: DCHR, in partnership with OCTO, has received lic enses for EndPoint full disk encryption software which will be insta lled on all DCHR laptops. This software ensuresthat all data transfered to a nd from the laptop is encrypted and thus secure. Currently the team is testing and debugging the software functionality.
Deadline: J une 1, 2017
Recommendation 3: Conduct a Privacy Impact Assessment (PIA)
Action Plan: DCHR conducted and submitted a PIA aspart of the ODCA's saudit. DCHR also developed a PIA Form that will used by all DCHR vendors with who we share data.
Deadline: Sept. 30, 2017

Recommendation 4: De-identify documents with PII
Action Plan: DCHR, in partnership with OCTO, has de-identified SSNs on printed SF-50s. DCHR also implemented email encryption that is used to send all emails that include PII. DCHR is exploring additional possibilities to further inc rease our PII sec unity.
Deadline: Ongoing
6. P. 11-12/Q17(b). Several reports are disc ussed, and the responses note that DCHR did not receive any "final findings or rec ommendations." Were there any preliminary, interim, or othertypes of findings that were not final? Please desc ribe such findings forthe CAFR, Pension Plan Audit, and Other Post-Employment Benefits Audit.

Answer: See response below.

## CAR Audit

- DCHR received one draft Notice of Finding and Recommendation (NFR) for the tec hnology a spect of the CAFR audit. This draft NFR recommended that DCHR facilitate a meeting with independent agency HR Departments to evaluate the use of a common hiring platform for handling new hires. Although DCHR a greed with the premise of having a District-wide platform, DC HR does not have the personnel authority for hiring agencies District-wide (as doc umented in Mayor's Order 2007-186 and DC Code §1-204.25 and §1604.06).

## Pension Plan Audit

- 14 out of 180 a udited employees did not have an l-9 Form. The majority of these employees were hired in the 1990s and early 2000s. Employees that were still active employees were a sked to complete a new 19.
- The auditor noted possible weaknesses in ensuring accurate 401A Plan enrollment.

7. P. 18/Q26. Please provide a copy of the performance report for FY16 including performance metrics and outc omes. Please also provide the FY17 numeric targets for performance metrics.

Answer. See Attachment A (FY16 Performance Report).
Answer: See Attachment B (FY17 Performance Report).
8. P.20/Q27 Please provide a copy of the Deloitte study results on classification and compensation reform.

Answer: See Attachment C (Deloitte Study Results).
9. P. 21/Q27 Talent Acquisition Strategy. Please explain why the DC govemment tumover rate increased 5 percentage points between FY14 and FY16. Does DCHR
antic ipate that this rate will continue to increase in FY17 and FY18? Why or why not?

Answer: See chart and response below.

The information submitted previously was incorrect. It reflected the tumover rate for new hires within the fiscal year, which was not the actual tumover rate for the District. Somy there wasconfusion in the data request and intemretation. The numbers below represent the tumover rate for the District.

| Fiscal Year | Terminations | Total Active <br> Employees | Tumover Rate |
| :--- | :--- | :--- | :--- |
| $\mathbf{2 0 1 4}$ | 3158 | 34424 | $9.2 \%$ |
| $\mathbf{2 0 1 5}$ | 3678 | 35217 | $10.4 \%$ |
| $\mathbf{2 0 1 6}$ | 3538 | 35850 | $9.9 \%$ |
| Q1 2017 | 617 | 35988 | $1.7 \%$ |

DCHR antic ipa tes the tumover rate for the District to fluctuate a round $10 \%$ based on the number of and types of jobs the District offers in relation to the labor market. The latest study conducted in 2015 by Compensation Force revealed the industry tumover rate at $11.6 \%$. Based on that study, the District is below the industry.
10. P. 27/Q33. The original question requested that DCHR "explain any variance between fiscal year appropriations and actual expenditures for fisc al years 2016 and 2017 (to date." The responses do not include such explanations. Please provide them.
a. Please pay partic ular attention to explaining the following: FY16 Benefits Operation Unit \$148,089 over budget; FY16 Capital City Fellows \$686,772 under budget, FY16 special programs $\$ 665,485$ over budget ( $\$ 0$ was approved), FY17 telephone, telegraph, telegram \$47,000 over budget (\$0 was approved), FY17 Capital City Fellows $\$ 198,879$ over budget so far.

Answer: See response below.
FY16 Benefits Operation Unit \$148,089 over budget; DCHR finished fisc al year 2016 within budget at the agency level. Additional resources were assigned to the Benefits Operations Unit during the fiscal year to support program objectives. The expenditures in excess of the budget level were covered by under spending in non-personal servic es within the same source of funds(intra-district funds).

FY16 C a pita I City Fellows $\$ 686,772$ under budget, FY16 spec ial programs $\$ 665,485$ over budget ( $\$ 0$ was a p proved) - Budget a uthority was provided to support both the Capital City Fellows activity a nd the Special Program / DLP activity (two different budget activities in the same program
area). However, the budget wasloaded in just one activity. Therefore, one a ctivity completed the year under budget and one over budget. At the overall program level (Center for Leaming and Development), there was a small surplus.

FY17 telephone, telegraph, telegram $\$ 47,000$ is over budget ( $\$ 0$ was approved) due to the infrastructure upgrade VLAN (Virtual Local Area Network) solution provided by DCNet. Prior to the upgrade, DCHR did not have suffic ient network resourcesto handle the current and projected network activity. Reducing cost, increased sec unity, performance, ma nageability and availability are the benefits gained from the funds spent.

In FY17 Capital City Fellows \$198,879 over budget so far - The EOM's budget team is currently processing the FY2017 fundsfor the Capital City fellow Program. The a gency approved budget only includes funds for five fellows, once the funding is loaded the expenditures and bum rate will be within budget.
b. Please explain why there are numerous instances of a line for "Regular Pay-Other" not having any funds budgeted and yet having significant expenditures. Why was no funding budgeted? Does this indic ate that DCHR did not foresee a need for additional staff? Please explain.

## Answer: See response below.

In general, the agency budgets for full time employees in CSG 0111. However, some employees are charged to CSG 0125. These would be Capital City Fellows, DLP employees, a nd employees associated with temporary funding sources (MOUs). The decision about what category or account to charge is made at the time the employee is hired.
11. P. 35/Q43. Please provide the data requested in these questions on paid parental and family leave claims that were ac cepted for the entire District govemment, rather than for DCHR spec ifically.

Answer: See response below.
FY2016 - DCHR processed 959 paid parental leave claims[36 days average*].
(959 paid parental leave claims represent a p proximately 5\% of the serviced employee population.)

FY2017 - DCHR has processed 418 paid parental leave claims to date [36 days average*].

Note: PFL a pprovals are processed by DCHR for most subordinate agencies, which is where we derive the above data. The data does not include DCPS, UDC, the Council and a handful of independent agencies. Program type (parental versus fa mily leave) is not captured for all agencies. The numbers provided above are extrapolated based on percentages.

Note: DCHR does not mainta in approved hours data by leave type. 36 days a verage is the average of all a pproved PFL processed by DCHR.

Answer: See response below.
FY2016 - DCHR processed 1,705 paid family leave claims [36 days average*].
(1,705 fa mily leave claims represent ap proximately $9.5 \%$ of the serviced employee population.)

FY2017 - DCHR processed 743 paid family leave claims [36 da ys average*].

* See above note for No. 43.

12. P. 8/Q 50. DCHR plans to submit legislation to the Counc il regarding classification and compensation reform. When does it plan to submit such legislation?

Answer: See response below.
DCHR is in the process of fina lizing the project timeline and will provide a date for the submission of legislation once complete.
13. Attachment D, P. 1. What is the planned timeline for regulatory revisions of District-wide recruitment polic ies and procedures? Will this be a notice-andcomment rulemaking?

Answer: See response below.
A new regulatory Chapter, that will house the District's talent a cquisition policies and establish a District-wide workforce planning process that compares existing workforce capabilities to intemal and extemal market data, is in development. A project plan and outline of the chapter was presented HR community in J a nuary 2017. In Q2, foc us groups comprised of the HR Community and Hiring Managers will be formed to obta in feedback on the proposed processes. We anticipate that the proposed version of the chapter will be published in the D.C. Register for public comment in Q1 FY2018 and new practices will be implemented in Q2.
14. Attachment $D, P$. 3. What is the relationship between the strategic objective of talent management and the inc luded "workload measure" of the number of drug and alcohol tests of inc umbent employees?

Answer: See response below.
Drug and alcohol testing is performed for employees who occupy positions where physic al and psychologic al acuity is critic al to fulfilling the job duties. The duties of these positions, if camied out in an impaired state, could have catastrophic consequences and ultimately could jeopardize the protection of District employees and residents. This ties directly to DCHR's Talent Ma nagement objective, partic ularly DC HR's ability to ensure that each person is fully capable to leverage their knowledge, skills, a nd behaviors to meet District goals a nd susta in organizational success.

## FY 2016 PERFORMANCE PLAN <br> PERFORMANCE RESULTS <br> Department of Human Resources

## MISSION

The mission of the DC Department of Human Resources (DCHR) is to strengthen individual and organizational performance and enable the District government to attract, develop, and retain a highly qualified, diverse workforce.

## SUMMARY OF SERVICES

DCHR offers executive management to District government officials and/or agencies by providing personnel-related services to help each agency meet daily mission mandates. Specific services provided include position classification and recruitment services, the interpretation of personnel-related policy, as well as oversight control (such as the adherence to regulatory requirements) for effective recruitment and staffing, strategic and financial restructuring through realignment assistance, and resource management. In addition, the agency provides D.C. government employees with a variety of services, including employee benefits and compensation guidance, performance management, compliance, audit assessments, legal guidance on personnel matters, and training/development.

## Office of the Director

## SUMMARY OF SERVICES

The Office of the Director provides direction and oversight for the delivery of HR service for all agency divisions in conjunction with delivering recruitment services for executive management and recruitment services; policy direction; strategic and financial planning; public relations and resource allocation management. The office also provides HR support and management for DCHR, as well as consultation to the Mayor and members of the Cabinet on human resources issues.

## OBJECTIVE 1: Attract and retain a highly qualified and diverse workforce for the District of Columbia.

## INITIATIVE 1.1: Implement District-wide Tuition Assistance and Reimbursement Program (DCTARP)

Based on District needs and defined goals for the program, District of Columbia Human Resources (DCHR) will create a District-wide Tuition Assistance and Reimbursement Program (DCTARP). This initiative includes conducting a needs analysis, developing regulations and procedures for the program, establishing program criteria, eligibility requirements, and partnering with District agencies to identify possible funding sources. The development of the DCTARP framework is on target to be completed by September 30, 2015. Implementation will begin in FY16 as the framework is finalized, socialized with stakeholders and a complete implementation plan created and initiated.

Outcome: DCHR has begun drafting the procedures, program criteria, and eligibility for the DCTARP. Possible funding sources and socialization of the program still need to occur and will continue into FY17.

## INITIATIVE 1.2: Design, implement and launch the Mayoral Awards program as one component of an employee recognition program

In partnership with the Executive Office of the Mayor and Labor Management Partnership Committee (LMPC), DCHR will update and finalize the Mayoral Awards program. DCHR has worked with the OCA to provide background information on the employee recognition programs held previously, strategies for branding, program concepts, award categories, funding, and enhancing the event format. The event will occur in 2017 and include updating and releasing policies and procedures, identifying an awards management system and serving as a District liaison with participating agency. Lastly, DCHR will partner with District agencies and community resources to organize coordinate, and support activities associated with the Public Service Recognition Week May 3-9, 2016.

Outcome: A detailed memo, implementation plan, and estimated expense report were provided to the Office of the City Administrator (OCA) on May 2, 2016; however, based on priorities, this program was not launched.

INITIATIVE 1.3: Encourage and promote the District's telework and alternative work schedule (AWS) programs to increase employee participation. (Sustainable DC Plan Transportation Action 3.4)

Contributing to the District's efforts to create a Sustainable DC and become an 'Employer of Choice' DCHR will continue to promote and educate District managers and employees on telework and alternative work schedules. DCHR will implement industry best practices in policy and program oversight, ensuring that the District's programs are comparable to the Federal government and other jurisdictions providing competitive advantage for recruiting and retaining employees. DCHR will also conduct District-wide trainings for Agency Program Coordinators on facilitating the District's Telework and Alternative Work Schedule programs. This training will aid in standardizing agencies' knowledge and expertise to provide better guidance and in overcoming barriers to success.

Outcome: DCHR has developed new situational telework provisions, conducted agency training in this regard, and recently issued revised telework/AWS guidance. Moreover, data shows that the telework program utilization has been increasing significantly across the District. Situational telework is a temporary arrangement (3 consecutive days) in which an employee may be permitted to telework in certain instances, including but not limited to completing a project or report; while recovering from an injury or illness; or attending to a home repair emergency.

INITIATIVE 1.4: Increase the percentage of new District employees that are DC residents and strive to retain District residents.

DCHR will develop a plan that includes partnering with District agencies and other stakeholders to recruit and retain District residents as employees with the District government. A number of programs already exist that focus on hiring DC residents and DCHR will enhance and leverage these programs while we develop new opportunities.

Outcome: DCHR hosted a Pop-Up Job Expo at Deanwood Recreation Center in Ward 7. There were 353 confirmed attendees during the event, in which 257 of them were District residents, and majority came from Ward 7 (81 attendees) and Ward 8 (58 attendees). DCHR also hosted community training sessions that focused on assisting employees with job application and interviewing skills. DCHR increased the use of social media recruitment and created a commercial that was played on local television stations. In addition DCHR participated in the: MBSYEP Young Adult Hiring event to answer
questions regarding District employment; KIPP DC Family and Fun Day to inform attendees of the benefits and numerous opportunities with District government; PeaceCorps Job Fair to inform of the benefits and numerous opportunities with District government.

## Benefits and Retirement Administration

## SUMMARY OF SERVICES

Benefits and Retirement Services is responsible for the service delivery of the District's benefits program and policies for 32,000 benefit eligible employees and retirees (pre- and post-October 1, 1987). This includes the plan management, contracting, and communication of all health, voluntary and retirement programs.

## OBJECTIVE 1: Attract and retain a highly qualified and diverse workforce for the District of Columbia.

## INITIATIVE 1.1: Develop a District-wide Workplace Wellness Program policy

DCHR will provide the framework and foundation for the District's wellness initiatives, in accordance with its long-term Strategic Wellness Plan developed in FY15, by providing leadership for the District's Wellness Committee - a group of Wellness Leaders from each agency, a wellness guide and toolkit, facilitation of onsite activities in coordination with the District's healthcare vendors, and health outcomes tracking through a comprehensive health outcomes evaluation.

Outcome: DCHR issued a Workplace Wellness Instruction, which instructed each agency to designate an agency Wellness Coordinator and create a Wellness Committee. DCHR has also developed a collaborative partnership with each of the District's three healthcare carriers, to offer a wellness strategy that incorporates District agencies engaging their employee population to increase participation in preventative care measures including incentives for employees who complete screenings, participate in wellness activities, etc. On behalf of District agency requests, DCHR has coordinated the following wellness events:
o 14 screenings at 7 sites/events
o 18 seminars at 7 sites/events
o 4 exhibitor fairs at 3 sites/events
o 8 fitness classes at 5 sites/events

OBJECTIVE 2: Develop and re-engineer key DCHR processes to improve delivery of services.

## INITIATIVE 2.2: Research and determine feasibility of implementing an automated retirement case management system.

During FY15 assessments have been conducted to identify gaps and opportunities for improvement for the retirement case management process and timeliness in computation and counseling on retirements. The BRA team has identified SharePoint as a possible solution for an automated retirement case management system. In FY16, the Benefits and Retirement team, in collaboration with DCHR IT and OCTO, will develop the SharePoint
site, determine the most efficient workflows, train HR Specialists, and complete pilot testing for the retirement case management system.

Outcome: A dedicated Benefits sub-page was created in SharePoint, by OCTO's SharePoint Administrator. All requested DCHR BRA staff is now able to access the site. A Benefits HR Specialist is continuing to build out the SharePoint process, forms, workflow, and Standard Operating Procedures to implement the automated retirement case management system.

INITIATIVE 2.3: Conduct research, through an actuarial study, to determine the feasibility of implementing and sustaining a commuter transit subsidy for District employees who are District of Columbia residents.

A commuter benefits program offers a convenient way for employees to lower their commuting costs by utilizing pretax dollars to pay for commuting costs. The program offers an employer the ability to enhance their benefits package with an incentive that can be used to attract and retain qualified employees, particularly in areas with transit access. An employer in the United States may provide transportation benefits to their employees that are tax-free up to a certain limit.

The District does not currently offer a free or subsidized commuter benefit. There is an opportunity through budgeting this into the fringe costs of personnel services dollars to offer this incentive to District employees. There are several ways that employers implement commuter benefit programs. The most direct way is for employers to administer the program themselves arranging for transit passes, for example, to be given to employees at the worksite. This would be similar to the benefit that is currently given to Union employees in Compensation Groups 1\&2.

An actuarial study will be conducted to determine the feasibility of implementing and sustaining a commuter transit subsidy for District employees. The result of this study will assist the District in making a determination of the financial impact and budget needed to fund this initiative, and determine if a District-sponsored transit benefit for all employees would be sustainable.

Outcome: DCHR partnered with DDOT to provide District employees with discounted Capital BikeShare memberships. 1,130 employees have registered for the membership in FY16. DCHR also partnered with Zipcar, the world's leading car-sharing service, to provide discounted memberships. In FY16, 218 employees registered for the Zipcar discount. DCHR was not able to conduct an actuarial study due to budgetary restrictions.

## Business Operations Group

## SUMMARY OF SERVICES

The Business Operations Group (BOG) provides operational support for the Department of Human Resources, through the development and management of strategic plans and business process audits, analyses, measurements and improvements. BOG supports the definition and implementation of human capital technology solutions and it manages the delivery of customer service.

## OBJECTIVE 2: Develop and re-engineer key DCHR processes to improve delivery of

 services.
## INITIATIVE 2.1: HR Analytics development and launch to greater HR Community

In FY15, DCHR began to identify and implement key human resources performance metrics that facilitate more efficient, data-driven decision making. In FY16, DCHR will continue this work by researching and identifying best practice metrics that provide a 360 degree view of the human resources within the District. This effort will include data validation, education and training of the HR community on the use and importance of analytics.

Outcome: DCHR presented to the HR Community about the importance of data analytics at the HR Summit. This session focused on the importance of using data analytics to make strategic and data-based decision. Best practices regarding effectively selecting and presented data were shared. A toolkit that includes common HR metrics and sample dashboards is currently being finalized. DCHR is also finalizing posting a HR dashboard and analytics reports on the Intranet.

INITIATIVE 2.3: Enhance absence management by developing reporting mechanisms to inform leaders on absenteeism, train managers on absence management and provide support for managers in addressing absenteeism issues.

Currently the District of Columbia's absenteeism rate has been relatively unmonitored and upon initial review is above industry standards. In FY16, DCHR will develop reports on the District's absenteeism rate on a quarterly basis for review with District leaders. Based on the findings and best practices, DCHR will educate and train District managers on absenteeism and approaches to promote a reduction in the absenteeism rate. In addition, DCHR will establish/update any policies related to absenteeism, if applicable.

Outcome: In FY16, DCHR monitored absenteeism District-Wide by running PeopleSoft reports for each agency under the Executive Branch. Upon the completion of each report, a thorough analysis is conducted of the total sick leave usage for each department within an agency. In addition, DCHR trained the HR community on proactive leave management during the HR Summit. The presentation was well-received and we have
received requests for agency-specific training. A toolkit was also developed and was posted on DCHR's Intranet.

## Center for Learning and Development

## SUMMARY OF SERVICES

Center for Learning and Development (CLD) provides learning and development opportunities, as well as organizational development programs and activities that increase the knowledge, skills and competencies of District government employees. CLD engages in strategic partnerships to deliver special programs, as well as agency specific need based training and professional development for the District of Columbia.

## OBJECTIVE 1: Attract and retain a highly qualified and diverse workforce for the District of Columbia

INITIATIVE 1.1: Develop and launch an HR Certificate Program to promote the operational and strategic development of HR professionals in the District government.
In FY16, DCHR will define and pilot an HR learning and development program through collaboration and endorsement with an external partner(s). The HR Certificate program will provide District HR professionals with the competencies and best practices to lead and support agency heads in effectuating organizational change and effectiveness. This supports the DCHR effort in developing District HR professionals that are both operational and strategic in the delivery of HR service.

Outcome: DCHR convened an HR Summit with over 100 human resources professionals, General Counsels, and talent development liaisons in attendance. During the HR Summit, DCHR hosted a workshop to discuss the HR Certification Program framework, the core competencies for HR professionals, and desired outcomes of the District's HR Certification Program. As a result of the workshop, DCHR was able to gather pertinent information to use in moving forward with the certification program in FY17.

INITIATIVE 1.2: Define, create and align the District's course content and programs across a Career Path Framework.
DCHR is responsible for course content for supervisor/management, core competency and technical employee development. DCHR will implement 6-8 new instructor-led courses and create learning opportunities in accordance with the 70/20/10 learning experience model and connect learning objectives to performance standards. This initiative will also include identifying and aligning online and instructor-led learning offerings to the Career Path Framework and delivering education and training to both managers and employees.

Outcome: In FY16, DCHR launched the pilot cohort of the Mayor's Mentoring Circles Program, an initiative that pairs cabinet-level executives (Mentors) with a group of high potential managers. The goal of the program is to provide participants (Mentees) with
senior level mentoring and networking necessary to engage and further develop high potential leaders' competence and acumen. We received nearly $100 \%$ participation. In addition, DCHR developed four new instructor-led courses to be launched in FY2017. New course titles are Inside Out Coaching, Managing Up and Across, Mediation Works, and MBTI Type \& Conflict.

## INITIATIVE 1.3: Align career path programs and mapping with the compensation and classification job families' competencies.

In FY16, DCHR will conduct needs assessments, focus groups and research learning and development best practices to create a core competency mapping framework that connects to career mapping. The initiative will include reviewing and developing a plan for a comprehensive talent management system that includes learning management system (LMS) that will include the career path framework and for mapping the District's core competencies to the new classification job families and learning and development. With successful completion employees will be able to understand how to grow and prosper in careers within the District government.

Outcome: In FY16, DCHR established a Competency Review Board of partners, stakeholders, and subject-matter experts who serve as technical advisors to DCHR and assist with developing the scope, framework, and timeline for implementing career paths across District Government. The partners are DPW, DC Water, DDOT, DOH, DCPL, DHCD, OCP, and DCHR. DCHR completed the framework for Succession Planning in District government. The framework was approved by agency leadership which led to the launch of the pilot program within DCHR. The purpose of the pilot program is to test the framework and collect data on how the framework may work within other agencies across the District.

## Administration for Recruitment and Classification

## SUMMARY OF SERVICES

The Administration for Recruitment \& Classification (ARC) provides position management, classification, compensation and performance management assistance to District of Columbia Government. ARC establishes official classifications and descriptions, designs and implements pay schedules, and develops classification/compensation/performance management policies, procedures and regulations. ARC delivers expert advice to District government agencies in the areas of classification, total compensation, administration of pay schedules, merit pay, compensation and classification policies, performance management systems, Fair Labor Standards Act (FLSA), and recruitment/retention issues. ARC provides assistance to HR Advisors and management on various performance appraisal and reward systems. In addition, ARC provides staffing and recruitment support to subordinate agencies delegated recruitment and selection authority, as well as other subordinate and independent agencies, and conducts recruitment.

## OBJECTIVE 1: Attract and retain a highly qualified and diverse workforce for the District of Columbia

INITIATIVE 1.1: Implement a Compensation and Classification System, and provide training and consultative services related to the new system for effective implementation.

In FY16, DCHR will implement the new compensation and classification system developed by the Labor Management Task Force (LMTF) through the Reform effort. In FY15, DCHR led an initiative to train and work with agencies to transition employees from current position descriptions to the new proposed job specifications. The focus for FY16 will be to train stakeholders and transition all participating employees to the new classification and compensation system. To successfully accomplish this initiative the new classification and compensation system, including new compensation structures will need to receive Mayoral and Council approval. DCHR will also need to gain approval and publish the requisite policies and procedures governing the new system.

Outcome: DCHR presented two comp/class options to union leadership and the LMTF. In addition, DCHR received approval for Deloitte to update the market survey to reflect the current market. Deloitte has completed the survey and a final report should be issued in FY17, Q1. Our expectation is that comp/class reform will be implemented in the coming FY.

## INITIATIVE 1.2: Implement an enhanced Talent Acquisition delivery model.

DCHR will develop a Talent Acquisition Plan to modernize our recruiting and placement efforts. DCHR will transition from the current passive method of recruiting talent to a
more dynamic and active approach. DCHR will work to improve the District Government's identity as a competitive employer by developing vacancy announcements that depict the District as an exciting place to work and a quality employer. DCHR and the HR community will also embrace current talent acquisition trends in various platforms: social media; external job boards; targeted and virtual career events (e.g., veterans, college students, etc.); marketing campaigns targeting niche and specialized careers; and employee referrals.

The plan will also include a marketing and communications campaign targeted at recruiting District residents. The campaign, "DC: Live Here. Work Here." can be used to target applicants who reside outside of the District by encouraging them to move into the District.

Outcome: DCHR hosted a 2-day training - "Recruitment Using Social Media" where 25 HR professionals attended across the District. DCHR also created and received approval from the Office of the Secretary for a new "DC: Live Here, Work Here, Play Here" logo. This logo will be used on all recruitment materials. DCHR also increased the use of social media recruitment and created a commercial that was played on local television stations.

## Legal Administration

## SUMMARY OF SERVICES

Provides legal services and advises District agencies on a variety of personnel matters arising under the Comprehensive Merit Personnel Act, District Personnel Manual, and other federal and District personnel and employment laws. In addition to assisting DCHR with policy matters, the Legal Administration also provides legal support and advice to DCHR on a variety of complex legal issues to help accomplish DCHR's mission. Legal also provides litigation support to the Office of the Attorney General in a variety of pending legal matters.

## OBJECTIVE 1: Attract and retain a highly qualified and diverse workforce for the District of Columbia.

## INITIATIVE 1.1: Develop a policy addressing Domestic Violence in the Workplace

Domestic violence-related crime is, unfortunately, increasing in the District. The effects of domestic violence can carry into the workplace, and endanger employee-victims and co-workers decreasing productivity. The OGC will take the lead in developing a plan of action to ultimately create a comprehensive policy addressing the effects of domestic violence in the workplace. The policy will aim to increase the prevention of domestic violence within the workplace, set forth the steps the District will take to assist employee victims of domestic violence, sexual assault, and stalking, and detail efforts DCHR will take to enhance workplace safety for victims and their co-workers. This policy will serve as a model for other District agencies and employers.

Outcome: DCHR conducted research and drafted a policy that was shared with several stakeholder agencies. Awaiting final feedback from agencies.

## Policy and Compliance Administration

## SUMMARY OF SERVICES

The Policy and Compliance Administration ("PCA") researches, analyzes, formulates, develops, and distributes a wide range of legal, regulatory, and procedural documents concerning the District government's personnel management program, including amendments to the Comprehensive Merit Personnel Act and the DC Personnel Regulations (Title 6B of the District of Columbia Municipal Regulations). In addition, PCA focuses on three main compliance issues: Drug and Alcohol Enforcement, Criminal Background Check, and Residency Preference, and it monitors any such violations. PCA reviews HR policies and procedures, monitors internal controls, and makes conclusions and recommendations to assist subordinate and independent agencies reach optimal performance in the administration of their human capital.

## OBJECTIVE 1: Attract and retain a highly qualified and diverse workforce for the District of Columbia

## INITIATIVE 1.1: Employee Protections - District Personnel Manual, Chapter 15

District employees are protected through various regulations, statutes and agencies. These protections include employment without the threat of discrimination; the right and duty to report waste, fraud and abuse without fear of retaliation; the right to care for self and family members without loss of employment benefits; and the right to employment opportunities even in the face of disability. (e.g. EEO, Whistleblower Protections, FMLA and ADA.)

Chapter 15 of the District Personnel Manual currently contains no content. During FY16, DCHR will develop content that will be housed in Chapter 15 that consolidates, clearly outlines employee protections, and defines management responsibilities. The addition of Chapter 15 will include the development and/or updating of related guidance and training materials.

Outcome: We have reached our target of fully researching the employee protections to be covered in Chapter 15 and developed a regulatory outline. Rulemaking will take place in FY2017.

## OBJECTIVE 2: Develop and Re-Engineer Key DCHR Processes to Improve Delivery of Services

## INITIATIVE 2.1: Develop, Review and Implement New Residency and Legal Licensure Verification Procedures

DCHR is responsible for verifying compliance with attorneys' legal licensing requirements and verification of residency for Executive Service, Excepted Service and residency preference employees. Verification processes are currently done through a
manual process. In FY15, DCHR developed concepts for streamlining these processes, and in FY16 we will implement new approaches.

For the residency verification process, we will look to unify the "proof" required for residency by aligning with the Department of Motor Vehicles (DMV) legal requirements. Thus, we would rely on DMV credentialing to a greater degree. Verification may include automated local tax payments recorded in PeopleSoft, and an interface with DMV. For legal licensing requirements, attorneys' standing is recorded by the DC Bar and DC Court of Appeals electronically. We will use these databases to eliminate the time and expense involved in obtaining physical good-standing certificates for every attorney. The revisions to these processes will likely require statutory changes.

Outcome: Legislation relating to attorney certifications was submitted to the Council and heard by the subcommittee. OPLA reports that this legislation will be voted on by COW prior to calendar year 2017. DCHR has received administration support for revised residency legislation and we have confirmed technical viability with DMV. We continue to work with DMV for electronic integration and proposed legislation will be submitted to OCA/OPLA for review and approval in early FY2017.

## INITIATIVE 2.3: Review and Update Comprehensive Merit Personnel Act

The District personnel system is governed by the Comprehensive Merit Personnel Act, which was established in 1978. The Act, as well has HR industry practices, have evolved significantly. As a result, there are technical errors in the Act and portions of the Act are outdated.

In FY16, DCHR will conduct an exhaustive review of the entire Act and develop amendments to correct technical errors and bring the Act up to date with current HR principles. This will include making adjustments to accommodate the new Classification and Compensation System recommended by the Labor Management Task Force.

Outcome: We have reviewed approximately $50 \%$ of the CMPA. We will continue with the initiative into FY2017.

## INITIATIVE 2.4: Implement New Workforce Management and Suitability Programs

DCHR fully revised and updated the District Personnel Manual, Chapters 4 and 16, relating to suitability (criminal, drug and credit screening) and disciplinary matters. These updates were based on recommendations by DCHR and key partners, including labor organizations, the Office of Labor Relations and Collective Bargaining, the Office of the Attorney General, the Office of the City Administrator, and various subordinate agencies.

Rulemaking was drafted and finalized in FY15. In FY16, DCHR will implement the new programs including the execution of communication and training strategies.

Outcome: Chapters 4 and 16 have been published. Guidance and training has been completed for Chapter 4. Initial guidance materials have been drafted and published for Chapter 16. However, both Chapters 4 and 16 required additional labor bargaining. We continue to negotiate (through OLRCB) with AFGE. Bargaining with all other locals has been finalized and the rules implemented. The rules were also implemented with respect to non-union employees.

FY 2017 PERFORMANCE PLAN
Department of Human Resources

## MISSION

The mission of the DC Department of Human Resources (DCHR) is to strengthen individual and organizational performance and enable the District government to attract, develop and retain a highly-qualified, diverse workforce.

## Strategic Objective \#1: TALENT ACQUISITION

DCHR strategically and expeditiously sources, selects and on-boards highly talented individuals with the acumen, aptitude and attitude to thrive in District Government.

## INITIATIVES

Consolidated Recruitment Procedures- In FY17, DCHR will define and implement District-wide recruitment policies and procedures, collapsing numerous provisions (often conflicting) into a single regulatory chapter. Based on these new rules, covering all services, DCHR will develop guide and training materials to ensure consistent and transparent recruitment activities.
D.C. Residency Enhancement Laws- In FY17, DCHR will develop and submit to the Council amendment to the Comprehensive Merit Personnel Act that will bring enhancements to our objective of increasing the number of D.C. residents who make up our work force. The legislation will require highly compensated employees to be District residents, provide direct-appointment authority of D.C. residents to hard-to-fill positions, authorize agency payment of student loans (up to a maximum amount) for employees hired under the D.C. hiring preference, and streamline the residency verification process for applicants and employees.

## KEY PERFORMANCE INDICATORS

- Percent of new hires that are DC residents
- Average number of days to fill vacancy from post to offer acceptance
- New Hire Turnover Rate
- Percent of personnel actions completed within the same pay period of the effective date
- Average cost per personnel action

## WORKLOAD MEASURES

- Percent of all employees who are District residents
- Number of new hires
- Number of job postings

## Strategic Objective \#2: TALENT MANAGEMENT

DCHR engages District employees to ensure that each person is in the right job and is provided with the right resources to leverage their knowledge, skills, and behaviors to meet District goals and sustain organizational success.

## INITIATIVES

Classification and Compensation Reform- In FY17, DCHR will finalize all components of the Job Evaluation Model; update the market data and create new salary schedule; and submit new compensation and classification system for Council approval and develop and launch a District-wide roll-out plan. DCHR will also train agency Managers and HR staff on the process and system.

#### Abstract

Absenteeism- In FY16, DCHR began monitoring absenteeism by developing and reporting on the absenteeism rate on a quarterly basis. In addition, DCHR met with District agencies to review the Time Reporting Codes (TRCs) used to report time. Based on findings and best practices, in FY17 DCHR will continue to report on the quarterly absenteeism rate, educate and train District managers on absenteeism and best practices to reduce the absenteeism rate, specifically the sick leave rate. In addition, DCHR will establish/update any policies related to absenteeism, if applicable.

Employee Engagement- In FY17, DCHR will define and implement a District-wide engagement survey that will examine employee development, recognition, and resources. Based on analysis of the results, DCHR will develop a targeted engagement toolkit that will provide managers with tools to engage their employees. In addition, DCHR will train managers on the importance of engagement and effective tools for engaging employees.

Compensation Report and Recommendation- In FY17, DCHR will develop a process to annually create a comprehensive compensation report and recommendation for submission to the Mayor each year. The report will outline out general compensation standing relative to key markets and will provide recommendations for modifications to the salary schedules, which can be considered in the annual budget cycle. The reports can also serve as a reference for labor negotiations and provide immediate salary data when requested.

Increase employee knowledge, understanding, and preparation for retirement - DCHR will develop an on-going educational series to increase employees' knowledge of District of Columbia retirement benefits and retirement savings programs. DCHR will engage internal and external stakeholders to coordinate and implement pre-retirement seminars and a retirement handbook for employees and HR personnel.

Increase engagement and participation in the District's workplace wellness program across agencies District-wide - DCHR has established a framework and foundation for
the District's workplace wellness program. In FY17, DCHR will provide continued leadership, guidance, and resource management to Wellness Leaders from each agency, in coordination with the District's healthcare vendors, and provide health outcomes tracking through a comprehensive health outcomes evaluation. DCHR will seek to increase the number of District Agencies participating in the workplace wellness program.

Executive Performance Management Program - DCHR is establishing the annual Executive Performance Management Program (EPMP) to monitor the performance of Executives (Agency Directors and Deputy Mayors) under the Mayor's Authority to ensure accountability to District stakeholders. Beginning in Fiscal Year 2017, DCHR is creating a performance plan template that allows District Executives to outline and monitor major programs, initiatives, projects, and priorities to be achieved for the fiscal year. A process will also be crafted for District Leadership (Deputy Mayors, City Administrator and Mayor) to ensure that each executive's priorities are aligned with those of the Mayoral administration. Throughout the year, DCHR will facilitate ongoing feedback along with the review and modification of plans as needed. Upon the closing of the fiscal year, DCHR will coordinate the performance review and ratings for all District Executives.

## KEY PERFORMANCE INDICATORS

- Percent of employees participating in deferred compensation program
- Percent of employees under the Mayor's authority enrolled in telecommuting and alternate work schedule program
- Percent of employee performance plans completed
- Percent of employee performance evaluations completed

## WORKLOAD MEASURES

- Number of customer resource center walk-ins
- Number of retirements
- Number of drug/alcohol tests of incumbent employees

## Strategic Objective \#3: TALENT DEVELOPMENT

DCHR defines the pathways, programs and processes to create opportunities to continuously develop District employees and residents through assignments and activities aimed at advancing their career trajectory.

## INITIATIVES

Succession Planning- In FY17, DCHR will develop a career path and succession management framework that will assist agencies in identifying business needs, identifying roles that are critical to the agency in achieving its mission, identifying the skills sets which make these roles critical and building plans around those roles. In addition to providing a framework to assist agencies in identifying critical skill sets, DCHR will also equip agencies with the tools to develop talent in key competency areas to ensure a robust leadership bench. With successful completion, employees will be able to understand how to grow and prosper in careers within the District government.

## KEY PERFORMANCE INDICATORS

- Upward Mobility Rate (Promotion Rate)
- Internal Placement Rate

## WORKLOAD MEASURES

- Number of unique employees completing training
- Number of individual trainings completed

## Strategic Objective \#4: GOOD GOVERNMENT (as proposed by OCA)

Create and maintain a highly efficient, transparent and responsive District government.

## INITIATIVES

Electronic Official Personnel Folder (OPF)- In FY16, DCHR began the clean-up effort of paper OPFs and images stored in FileNet. In FY17, DCHR will conduct an assessment of current technology (FileNet and Infolinx) and business processes for the electronic archiving and viewing of official personnel folders under the Mayor's Authority. In addition, DCHR will assess the technology needed to integrate FileNet with PeopleSoft and create a plan for finalizing the electronic OPF.

Customer Service Management (CSM)- DCHR's CSM initiative will focus on streamlining its practices, strategies and technologies to manage and analyze customer interactions, with the goal of improving relationships with customers and meeting service level agreements. Specifically, DCHR will 1) identify a technology solution to serve as an information warehouse/database; 2) co-locate staff and services which will enable customers to resolve a variety of questions/issues in a single location; and 3) use/compile customer data to better serve internal/external customers.

Updating Personnel Laws- In FY17, DCHR will develop proposed amendments to the Comprehensive Merit Personnel Act (CMPA). These updates may include, among other things, revisions to personnel authority, statutory support of the Comp \& Class Reform Project, statutory support for Shared Services, provisions for Total Rewards, clarification of benefits, updates to workers' compensation laws and updates to reduction-in-force laws. Overall, these amendments will support the city's long-term personnel objectives. (Some portions of the updates will likely take place within FY17. However, due to the size of the CMPA, other portions may not be updated until FY18.)

Shared Services Project - At the request of the Mayor, DCHR will investigate the feasibility of transitioning human resources activities for agencies under the authority of the mayor to a Shared Services delivery model. This model enables delivery of a suite of HR services in a consistent, efficient, and cost-effective manner to organizations that have differing requirements, expectations, budgets, collective bargaining arrangements, and vary in size, scope and complexity. Based upon its findings, DCHR will propose a HR service delivery model that increase the level of service provided to District employees and residents by improving efficiency, effectiveness, employee experience, economies of scale and education.
