BOARD OF ETHICS AND GOVERNMENT ACCOUNTABILITY**

NOTICE OF PUBLIC MEETING

The District of Columbia Board of Ethics and Government Accountability will hold a public meeting on Thursday, August 4, 2016, at 11:00 a.m. at One Judiciary Square, 441 Fourth Street, N.W., Room 540 South, Washington, D.C. 20001. Below is a draft agenda for the meeting. A final meeting agenda will be posted on the Board's website at www.bega.dc.gov on the day of the meeting.

Members of the public are welcome to attend. Questions about the meeting may be directed to bega@dc.gov.

AGENDA*

- I. Call to Order
- II. Ascertainment of Quorum
- III. Adoption of the Agenda
- IV. Report by the Director of Open Government

- a. Trainings

- The Office of Open Government has conducted three trainings since July 15th. We conducted one FOIA training for the Office on Human Rights, and two combined Open Meetings Act and Ethics trainings with the Mayor's Office of Talent and Appointments.

- b. OMA and FOIA Advice

- In the three week period since the last board meeting the OOG has fielded 13 requests for FOIA and OMA advice. One of which, we were successful in obtaining an agency record for a member of the public without the necessity of a FOIA request. We also spent a half day at ABRA, consulting with that agency on requests for records concerning Donald Trump and the Trump hotel on Pennsylvania Avenue.

- c. OMA Complaint - #00G-0006 OSSE-Uniform Per Pupil Student Funding Formula

- On July 21st, the OOG issued advisory opinion #OOG-0006, resolving whether the State Superintendent of Education Uniform Per Pupil Student Funding Formal Working Group is a public body as contemplated by the OMA. It was the determination of this Office that the working group, given its charge and impact on some 90-thousand students, requires that it follow the OMA. OSSE is fully complying, and Mr. Barton and I are scheduled to conduct

an OMA training on August 23rd of all administrative staff assigned to support the working group.

We have inquired with the Council to find out if all of the opinions issued regarding the OMA can be included in the notes portion of the DC Code, as this office's review is setting precedent. This will help with consistency of the application of the law.

d. Public Outreach

Mr. Barton has begun outreach to the Capital Area Food Bank, UDC David A. Clarke School of Law, DC Federation of Civic Associations, and the Washington Legal Clinic for the Homeless to schedule introductory meetings on the role of the OOG. We are also hoping to set up a legal clinic on FOIA and the OMA with UDC's law school.

Lastly, I mentioned at the last board meeting that OOG will be issuing a newsletter. It will go out to all FOIA Officers and GCs by the end of the week.

V. Report by the Director of Government Ethics

- a. Update on Status of Office of Government Ethics (OGE) Operations – Recap of previous month's activities (statistics)
- b. Publication and Reporting Obligations
- c. Trainings
- d. Advisory Opinions
 - i. Outside Employment – Regarding potential conflict of interest and post-employment issues involving a public official's dual employment as a Councilmember and head of a lobbying organization that has matters pending before his committee and the Council
- e. Ethics Legislation/Comprehensive Code of Conduct
- f. Rulemaking
- g. Budget
- h. Staffing and Hiring
- i. Lobbyist/Financial Disclosure Matters

Dear Chairman Allen:

Enclosed, please find the responses of the Office of Open Government (OOG) to the performance hearing questions posed by the Committee. As the OOG is an independent office within the Board of Ethics and Government Accountability (BEGA), the OOG is submitting its responses separate from that of the Office of Government Ethics and BEGA Chairman, Robert Spagnoletti.

When budget agency information is required, the Committee will note that full BEGA-related financials are supplied. The OOG answered all other questions in a manner specific to the OOG. For ease of review, the OOG has included within the body of the responses screen shots of relevant records, which are also submitted in hard copy under numbered tabs.

Please feel free to contact me should you have any questions. Thank you for the opportunity to submit responses regarding the performance of the Office of Open Government during Fiscal Years 2016 and 2017.

Sincerely,

FY 2018 PROGRAM ENHANCEMENT - FORM B
Agency Program Enhancement Request Details

Agency Code: Board of Ethics and Government accountability(AG0)
Agency Title: BEGA, Office of Open Government
Enhancement Title: NPS
Date: 11/28/16 (REVISED WITH FINAL OGE EXPENDITURES SUBMITTED 1/18/2017)
Total Amount of Local Funds: \$35,000.00
FTEs:
Is this Enhancement a One-time Cost?: No
Agency Point of Contact: Traci L. Hughes -- Director

Problem Statement
The Office of Open Government (OOG) is an independent office under the purview of BEGA. The OOG shares the BEGA budget with the Office of Government Ethics (OGE). As part of the FY 2017 budget, the Mayor agreed to provide an NPS allotment of \$43,000 for use by the OOG. Since OOG and OGE are separate operationally, the OGE is requiring that OOG cover all of its respective operating expenses. Currently, OOG has \$7,781.95 for Fiscal Year 2018 to cover expenditures. As a result, the OOG anticipates a shortfall in the amount of \$15,000 for NPS.

Please see the attached itemized costs provided by OGE Director Darrin Sobin on 1/18/17 indicating FY 2017 costs. Please see comments regarding adjusted amounts to be paid by OOG. The OOG has no way to determine exact costs for agency OCTO charges for Fiscal Year 2018.

Additionally, OOG requires additional PS funding in the amount of \$20,000 to cover salary increase for one Legal Service FTE.

Proposed Solution
Provide an enhancement to cover the shortfall in the amount of \$15,000.00 for NPS, and \$20,000 for PS.

Cost-Benefit Analysis
Not applicable. The OOG's responsibilities are mandated by statute.

Other Benefits
Fully funding BEGA will allow the OOG carry out its statutory duties including Open Meetings Act enforcement, training, advice giving, as well as oversight of Freedom of Information Act compliance of all District government agencies.

20. Please provide a copy of the agency's FY16 performance plan. Please explain which performance plan objectives were completed in FY16 and whether they were completed on time and within budget. If they were not, please provide an explanation.

Pursuant to the authority set forth in § 503(a)(4) of the Open Government Act, effective March 31, 2011 (D.C. Law 18-350; D.C. Official Code § 2-593(a)(4)), as an independent agency under BEGA, the director of the Office of Open Government notified the City Administrator on 4/9/15 of the decision to opt out of the Executive's Performance Management Program (PMP). Upon careful review, Director Hughes determined that the Office of Open Government's voluntary participation in the PMP is not an effective measurement of agency performance. This is because Office of Open Government's statutory mandate to ensure compliance with the Open Meetings Act and the Freedom of Information Act comes in the form of agency trainings. Although public body member Open Meetings Act training is mandatory under D.C. Official Code § 2-593(a)(3), 3 DCMR § 10409.1, the Office of Open Government must rely on the cooperation of the Mayor's Office of Talent and Appointments (MOTA) to identify and schedule trainings of members. MOTA is the only agency which manages public bodies and coordinates member appointments.

As such, the Office of Open Government conducts independent public body trainings, and combined Open Meetings Act and ethics trainings facilitated by MOTA. During Fiscal Year 2016 to date, the Office of Open Government has conducted 11 combined trainings for MOTA, and 15 stand-alone trainings. As a result, 122 public bodies have been trained (more than 400 attendees). The additional stand-alone trainings are a result of direct requests by public bodies, or as a result of an Office of Open Government Advisory Opinion regarding compliance with the Open Meetings Act.

Although yearly FOIA training by the Office of Open Government is mandatory for all government agencies, the office does not have the authority to compel attendance. Accordingly, the Mayor's Office of Legal Counsel works with the Office of Open Government to conduct yearly FOIA trainings. Last year, 20 agencies attended the yearly training. Fiscal Year 2016 to date, the Office of Open Government has conducted an additional 11 FOIA trainings for agency personnel. These trainings are conducted upon direct request by the agencies, or as a result of an Office of Open Government Advisory Opinion regarding FOIA compliance.

21. Please provide a copy of your agency's FY17 performance plan as submitted to the Office of the City Administrator. [See response to 20.](#)
22. Please provide the number of FOIA requests for FY16 and FY17, to date, submitted to your agency. Include the number granted, partially granted, denied, and pending. In addition, please provide the average response time, the estimated number of FTEs required to process requests, the estimated number of hours spent responding to these requests, and the cost of compliance. There were 21 FOIA requests submitted to BEGA (both the Office of Open Government and the Office of Government Ethics) in FY 2016.

In FY 2017¹, the Board of Ethics (Office of Open Government and Government Ethics) has processed six requests.

31. Please provide a list of any additional training or continuing education opportunities made available to agency employees. For each additional training or continuing education program, please provide the subject of the training, as well as the number of agency employees that were trained.

- Traci Hughes - In Fiscal Year 2016, Director Hughes participated in the Executive Leadership Program administered by the DC Department of Human Resources in partnership with George Washington University.
- Waddah Kittab – In Fiscal Year 2016, Mr. Kittab attended the following trainings: Symantec Government Symposium - Cyber Security Conference; Cyber Security Brainstorm - Cyber Security Conference; PCard Management - Managing D.C. Government Purchase Card; Using PCard – How to use D.C. Government Purchase Card.
- Johnnie Barton – In Fiscal Year 2016, Mr. Barton attended OGIS (Office of Government and Information System) Training on federal FOIA; and FOIAXpress-training.

32. Does the agency conduct annual performance evaluations of all its employees? Who conducts such evaluations? What steps are taken to ensure that all agency employees are meeting individual job requirements?

Yes, the Office of Open Government conducts annual employee evaluations. Director, Traci Hughes, conducts the evaluations. Director Hughes meets with staff biannually to discuss goals and objectives, and to modify when necessary. Additionally, since the staff size is so small, we are always working collaboratively. As a result, the director is immediately aware if staff are unable to meet job requirements. Such has not been the case.

Agency Operations

1. Please describe any initiatives that the agency implemented in FY16 or FY17, to date, to improve the internal operations of the agency or the interaction of the agency with outside parties. Please describe the results, or expected results, of each initiative.

The Office of Open Government conducts Freedom of Information Act and Open Meetings Act trainings upon direct request of agencies and public bodies. As a result, agencies and public bodies regularly seek the advice of the Office regarding compliance the law. Fiscal Year 2016 to date, the Office of Open Government has fielded nearly 400 advice requests. This has led to greater communication between the Office of Open Government and the agencies and public bodies that it serves.

The Office of Open Government has created an electronic user guide for public body administrative points of contact to publish directly to the Central Meetings Calendar maintained by the Office of Open Government. This has resulted in greater compliance (166 out of 170 public bodies) are publishing meeting information on the Central Meeting Calendar and/or their respective website in compliance with the Open Meetings Act.

Additionally, the Office of Open Government has implemented a means of public outreach to nonprofits and civic associations to inform these entities of the Office of Open Government, and its role as an advocate on behalf of the public. As a result, the Office of Open Government has been asked to assist in the filing of numerous FOIA requests submitted by members of the public, and to intervene in lieu of administrative appeal.

In FY16 the OOG created an Advice Log to record requests for legal and technical advice on OMA and FOIA. Requestors for advice include the general public, representative of the private sector and government employees. During FY 16 the OOG provided responses to approximately 400 inquires. The majority of inquiries sought substantive advice on FOIA and the OMA. The OOG Advice was a prototype which has been developed in program with capabilities for public access via a Dash Board. To reduce costs, the OOG 's Application Manager created the professional Advice Log in-house.

2. What are the agency's top five priorities? Please explain how the agency expects to address these priorities in FY17.

The top five categories of priorities for the Office of Open Government are (1) Public Outreach; (2) Technology; (3) Marketing/Communications; (4) Development of Online Training Tools; and (5) Organizational Change Management

- Public Outreach -- The Office of Open Government's public outreach plans for Fiscal Year 2017 include the following: Advisory Neighborhood Commissions, civic groups, community associations, students, non-profit groups and the general public. The goal is to thoroughly educate these groups on the Open Meetings Act (OMA), government transparency, the Freedom of Information Act (FOIA) and the access to government records.

As a result of B21-0697, Advisory Neighborhood Commissions Omnibus Amendment Act of 2016, the Office of Open Government will train all ANCs on the requirements of FOIA.

The Office of Open Government will reach civic groups and nonprofit entities, to conduct trainings and workshops on the OMA and FOIA; provide information for distribution to membership and staff; attend forums and request that the Office of Open Government be listed as a government resource tool on websites.

Additionally, the Office of Open Government will make contacts with local school and college administrators and offer to conduct seminars and trainings, on government transparency, civic engagement, FOIA and the OMA. These seminars and trainings will take place during social studies and government classes, career days and street law courses. This will ensure that students receive exposure at these levels to the OMA and FOIA. The goal is that once becoming familiar with the OMA and FOIA, these students will utilize what they learn both now and in future for the betterment of their communities.

- Technology – The Office of Open Government will design and develop a business intelligence dashboard which can inform the public about general information about the operations of the Office. The dashboard will be created and maintained entirely by the Office of Open Government, and allow the public to access information regarding the number of Open Meetings Act complaints, and the general nature of advice given to agencies and public bodies regarding compliance with the Freedom of Information Act and the Open Meetings Act, respectively.

Additionally, the Office of Open Government will continue to make improvements to the Central Calendar, by developing online technical tools to assist public bodies to process their meeting notices, minutes, and audio/video recordings.

- Online Training – the Office of Open Government will design and develop interactive online trainings on the OMA and FOIA. The trainings will include testing and certification components to very completion. The Office of Open Government will look to open source or moderately priced software that can be customized to meet this objective.
- Marketing/Communications — The Office of Open Government will developing marketing and collateral materials intended to support public outreach, and to inform the public on ways the Office of Open Government serves as an advocate for government transparency, specifically the ways in which the Office can work directly with the public on gaining access to government operation via the Open Meetings Act and the Freedom of Information Act. The Office of Open Government currently uses software which will allow staff to create collateral materials at no costs, other than printing.

Additionally, the Office of Open Government will create a simple *How To* guide geared to members of the media on how to submit FOA requests to District Government agencies, and what the law requires.

- Organizational Change Management -- Establish the Office of Open Government as a distinct entity separate and apart from the Office of Government Ethics. This will be done with the passage of legislation that will give the Office of Open Government budget authority, via the Board of Ethics and Government Accountability, to make financial decisions without the burden of adherence to onerous and untenable internal structures; the Office of Open Government will work with the Office of Government Ethics to ensure a smooth separation of all administrative and financial overlap.
3. Please list each new program implemented by the agency during FY16 and FY17, to date. For each initiative please provide:
- a. A description of the initiative;
 - b. The funding required to implement to the initiative; and
 - c. Any documented results of the initiative.

The statutory charge and operation of the Office of Open Government does not lend itself to the implementation of programs. The Office, has however, implemented several initiatives during Fiscal Years 2016 and 2017:

Creation of the OpenGovist Newsletter

On August 8, 2016 the OOG published the OpenGovist Newsletter. The Electronic newsletter is meant as tool to keep agencies and public bodies abreast of the latest in FOIA and the OMA. The first edition highlights, contains or addresses the following: (1) recent District and federal FOIA court decisions; (2) federal and District legislative

update; (3) a calendar of upcoming FOIA, OMA and Ethics trainings; (4) the OMA protocol to enter a closed/executive session pursuant to D.C. Official Code § 2-575(c)(1-2); (5) the Commission on Arts and the Humanities' public input session during its meetings; and (6) contact information for OOG staff.

While the OpenGovist was sent electronically to District agencies and public bodies citywide, the general public may access first edition and future newsletters on the Open-dc.gov. There was no additional funding necessary to implement this initiative. To reduce costs, the OOG has produced a professionally quality newsletter in-house. While the newsletter is instructional and informative it is difficult to document results at this time. However, the OOG has received favorable responses to the OpenGovist.

Preliminary Outreach to non-profits and Civic group

To gauge the potential success of future public outreach planned for FY 17; in FY16 the OOG began preliminary public outreach to the Washington Legal Clinic for the Homeless (WLCH), the Neighborhood Legal Services Program (NLSP), the Capitol Area Community Food Bank (CACFB), and the DC Federation of Civic Association (DC Federation). As a result of FOIA training, the OOG has provided assistance to the WLCH with (2) two FOIA requests and there was discussion about the OOG conducting future trainings with the larger consortium of legal providers of which WLCH is a member in FY17. The OOG was also able to provide significant information to two WLCH staff who also are members of public body subject to the OMA.

After conducting FOIA and OMA training with the DC Federation, the OOG responded to a litany of questions from the DC Federation's members in attendance. Subsequent to meeting with the DC Federation, the OOG fielded additional telephone calls in response to the trainings. There are plans for the OOG to return to future a DC Federation meeting. The DC Federation stated made inquiry about the OOG's availability to attend meetings its member civic associations. There was no funding requirement for this initiative.

The CACFB has invited the OOG to attend its Ward Collaborative Meetings to discuss the OMA and FOIA. The OOG will also be transmitting written materials to the CACFB where it may be obtained by representatives of the CACFB member agencies. To reduce costs, the OOG has produced a professionally quality brochure for dissemination at forums such as the CACFB.

After being made aware of what the OOG does, NLSP legal staff has contacted the OOG for assistance with two FOIA requests. The OOG has plans to conduct FOIA trainings with the NLSP in FY17.

Comprehensive Public Body Compliance Audit

In an effort to assist public body compliance with the OMA, during FY16 the OOG conducted a comprehensive audit of the approximately 175 public bodies subject to the OMA. The audit included a review of public body publishing to the Central Meeting Calendar and/or the public body's website. This was to ensure the public bodies were in compliance with, among other provisions, the OMA's "Notice of meeting" and "Recording of meeting" provisions. The audit found 16 agencies with compliance related

issues. The OOG was able to assist 12 of these public bodies to come into full and immediate compliance with the OMA. One public body was issued a binding advisory opinion in FY17. One public body is the defendant in an enforcement action in the D.C. Superior Court. The OOG is in process of issuing two (2) additional binding advisory opinions to two other non-compliant public bodies. While this initiative was quite labor intensive it did not require funding to implement.

Creation of an OOG Advice Log

In FY16 the OOG created an Advice Log to record requests for legal and technical advice on OMA and FOIA. Requestors for advice include the general public, representative of the private sector and government employees. During FY 16 the OOG provided responses to approximately 400 inquires. The majority of inquiries sought substantive advice on FOIA and the OMA.

4. How does the agency measure programmatic success? Please discuss any changes to outcomes measurement in FY16 and FY17, to date.

In February 2016, the Office of Open Government began tracking requests for formal and informal advice. Since that time, the Office has responded to nearly 400 advice requests regarding Open Meetings Act and Freedom of Information Act compliance. Advice requests come routinely from agencies and from members of the public. The Office of Open Government also receives inquiries from the legislative and executive arms of government, asking for recommendations and input on transparency policy. This is a clear sign that the Office of Open Government is viewed as a central resource for advocacy and legal advice on open records laws and improved access to government. Also, the Office of Open Government works directly with agency FOIA Officers who are in need of technical help to access and/or process requests through the FOIAXpress portal.

In August of 2016, the Office of Open Government conducted its first audit of Open Meetings Act Compliance among public bodies. In August of 2016, the Office of Open Government found that of the 170 public bodies listed on the Central Meetings Calendar, only three were found to be out of compliance with the requirements of the Open Meetings Act: the Commission of African-American Affairs; the Commission on African Affairs; the Advisory Board on Veteran's Affairs; and the Mayor's Advisory Commission on Caribbean Community Affairs. This is an indication that the robust training efforts, and availability of the office to handle Open Meeting Act inquiries is have a direct impact on Open Meetings Act Compliance.

5. Please list the task forces and organizations of which the agency is a member.

Director Hughes is a member of the Mayor's Open Government Advisory Group.

6. Please explain the impact on your agency of any legislation passed at the federal level during FY16 and FY17, to date, which significantly affected agency operations. If regulations are the shared responsibility of multiple agencies, please note. N/A

7. Please describe any steps the agency took in FY16 and FY17, to date, to improve the transparency of agency operations. Designed and developed OOG Advice System which records all legal advices and requests that has been provided to public, private sector or other government agencies. Also, this system will serve as log for requests management and performance measurement for internal use.

The Office of Open Government Designed and implemented OOG Dashboard for public access. The public can view the OOG activities and transaction with the public; upgraded and modified the OOG website to align with increased use by public bodies; launched OpenGovist – an online newsletter; designed a user guide which provides technical support for all public bodies that publish on the current central calendar.

8. Please identify all electronic databases maintained by your agency, including the following:
 - a. A detailed description of the information tracked within each system;
 - b. The age of the system and any discussion of substantial upgrades that have been made or are planned to the system; and
 - c. Whether the public can be granted access to all or part of each system.

The Office of Open Government continues to fully support and maintain both websites under the Board of Ethics and Government Accountability: OPEN-DC.GOV and BEGA-DC.GOV. Each website contains all advisory opinions, complaints, notices of violations, and required to be published online in accordance with D.C. Official Code § 2-536.

The OPEN-DC remains the District's only central repository of public body meeting dates, and all relevant meeting materials, including meeting agendas, minutes and recordings. Both the OPEN-DC and BEGA-DC sites are accessible by the public, and the Office of Open Government manages administrative access to the central calendar by providing user credentials to public body points of contact to public meeting dates and other records as required by the Open Meetings Act. BEGA-DC.gov will be migrated to OCTO control sometime during Fiscal Year 2017.

In Fiscal Year 2016, the Office of Open Government provided full technical support to the Office of Government Ethics by redesigning the Financial Disclosure system to meet ethics laws and to make the site more user friendly. This required Mr. Kittab, our IT expert, to re-write code and make significant changes to the back-end navigation of the system, resulting in a \$22,000.00 cost savings to BEGA until such time the agency is able to build another system. The technical support also included the design and development of a log database for use by agency staff. The public may access this site to submit financial disclosure statements.

In Fiscal Year 2016, the Office of Open Government provided full technical support to the Office of Government Ethics by redesigning the Lobbyist Registration system to meet compliance rules and to make the site more user friendly. The technical support also

included the design and development of a log database for use by agency staff. The public may access this site to submit lobbyist registrations.

9. Please provide a detailed description of any new technology acquired in FY16 and FY17, to date, including the cost, where it is used, and what it does. Please explain if there have been any issues with implementation.

The Office of Open Government will subscribe to Microsoft Azure to host the web-based advice log to track Open Meetings Act, FOIA and technical advice provided to agencies and the public. The cost has not been determined, as cost is based on data usage. Currently, the Office of Open Government utilizes a free trial-period while it troubleshoots and tests the log. The Office of Open Government will either enter into an MOU with OCTO, or purchase directly from Microsoft.

10. Please provide the Committee with a brief summary of advisory opinions issued during FY16 and FY17, to date, along with a notation as to whether the opinion was requested or issued *sua sponte*.

1. OOG-001_2.6.17 Department of Behavior Health Ombudsman Advisory Council

This advisory opinion resolves the issue of whether an advisory council established pursuant to statute by the Department of Behavioral Health Ombudsman is a public body subject to the Open Meetings Act (OMA). The advisory council meets the OMA's statutory definition of a public body. This is made abundantly clear in the OMA's legislative history. Therefore, the advisory council is subject to the OMA. <http://www.open-dc.gov/documents/oog-0012617-dbh-ombudsman-advisory-council>

2. OOG -007 OMA Cross Sector Collaboration Task Force OOG-007

This advisory opinion resolves a complaint from a member of the public regarding the public's right to attend electronic meetings. The OOG findings were that the Cross-Sector Collaboration Task Force failed to timely include on its agenda conference call-in numbers for the public to attend electronic meetings as required by the OMA. <http://www.open-dc.gov/documents/oog-0007-oma-complaint-resolving-whether-cross-sector-collaboration-task-force-failed>

3. OOG-006 12.12.16 Commission on African Affairs (COAA)

After conducting a compliance audit of the Central Meetings Calendar and the COAA's website, the OOG determined that the COAA was in violation of the OMA as follows: (1) failing to record all meetings by electronic means; and, (2) failing to provide proper notice of meetings. http://www.open-dc.gov/sites/default/files/COAA%20OOG-006_%2012.12.16_AO%20%28FINAL%29_0.pdf

4. OOG-004_9 7 16 OAH Advisory Opinion.2

The OOG made the following three findings regarding the Commission on Selection and Tenure (COST): (1) COST members may not use telephone conferences to schedule meeting dates without providing public notice and making and publishing a record of such meetings; (2) the OMA's category of exceptions provide sufficient protections to ensure the confidentiality of matters COST would likely discuss in closed/executive session; and, (3) COST is capable of carrying out its statutory duties without being exempt for the OMA. http://www.open-dc.gov/sites/default/files/OOG-004_9%207%2016%20OAH%20Advisory%20Opinion.corrected.pdf

5. *OOG-0004_1.07.16_AO³ D.C. Housing Authority Board of Commissioners*

The Housing Authority Board of Commissioners violations of the OMA were failing to timely publish meeting notices, agendas and meeting minutes detailing the reason for closed/executive sessions, and failing to record these meetings. <http://www.open-dc.gov/documents/41816-oma-complaint-resolving-whether-dc-housing-authority-board-violated-oma-failing>

6. *OOG-0004_1.07.16 DC Housing Authority Board of Commissioners Opinion and Demand*

The OOG's legal opinion was that the Board willfully and recklessly violated the "Record of meetings" requirements of the OMA by failing to timely make available on its website meeting minutes from, essentially from 2013 through February, 2016. The OOG also found the Board in violation of 2 DCMR § 10405.4, as it failed to address the complaint upon notification from the Director. <http://www.open-dc.gov/documents/3816-dc-housing-authority-board-commissions-opinion-and-demand>

7. *OOG-0005_1.07.16_AO Board of Medicine*

This advisory opinion found that the Board of Medicine's violations of the OMA were as follows: (1) failure to timely publish all draft and final open meeting session minutes and all draft and final meeting agenda; (2) discussing improper subjects in closed/executive sessions; and (3) the failure to following the OMA's statutory regime for meeting in a closed/executive session. http://www.open-dc.gov/sites/default/files/OOG%20.005_1%2007%2015%20AO-OMA%20signed%20pdf%20%28BD%20of%20Medicine%29_Redacted.pdf

8. *OOG-003_3.2.16_AO Sustained Energy Utility Board*

When a public body is able to hold a closed session to discuss documents which are exempt under District FOIA or which meet an OMA exception, the entity must follow the OMA's public notice requirements in D.C. Code Official Code § 2-576. The commercial confidential information privilege limits the time frame for which materials are exempt to coincide with the award of the contract. This is so the Board may operate effectively its

9. *OOG-002_1.29.16_AO Eckenwiler Advisory Opinion*

The OOG opined that DCRA was in violation of DC FOIA and D.C. Code § 2-536(b) for its failure to make pending applications for building permits and approved building permits available on the agency's website, without the need of a FOIA request. <http://www.open-dc.gov/documents/oog-00212916-eckenwiler-advisory-opinion>

10. *OOG-001_11.2.15 Burton FOIA Advisory Opinion*

The OOG advised the Executive Office of the Mayor (EOM) that it must provide specific links to the records sought by the requester; the EOM was also advised to conduct a reasonable search of all records, including meeting notes and drafts of documents upon receipt of specific date ranges and employee names from the FOP. <http://www.open-dc.gov/documents/oog-00111215-burton-foia-advisory-opinion>

11. *OOG-0006_6.28.16_AO State Superintendent of Education Uniform Per Student Funding Formula Working Group (UPSFF)*

Due to the Office of the State Superintendent's failure to timely publish the draft meeting minutes of the June 29, 2016, the OOG's found the UPSFF in violation of the "Record of meetings" provisions of the OMA. The OOG encouraged the Office of the State Superintendent (OSSE) to publish all meeting dates, agendas, recordings and administrative materials on the OOG Central Calendar of public body meeting dates. <http://www.open-dc.gov/documents/71516-state-superintendent-education-uniform-pupil-student-funding-formula-working-group>

12. *OOG-0006_6.28.16 Notice of Violation and Demand_ (UPSFF)*

This advisory opinion resolves the status of the UPSFF as a public body subject to the OMA. The OOG, in concluding its status as a public body, also found the OSSE in violation of 2 DCMR § 10405.4 for failing to address the complaint upon notification by the Director. http://www.open-dc.gov/sites/default/files/7%2015%2016_OOG-0006_OSSE_OPINION%20DEMAND%20LETTER%20%28Executed%20Kang%29.pdf

13. *OOG-0003_10.19.15 DC Taxicab Commission*

FY 2018 PROGRAM ENHANCEMENT - FORM B

Agency Program Enhancement Request Details

Agency Code: Board of Ethics and Government accountability(AG0)

Agency Title: BEGA, Office of Open Government

Enhancement Title: NPS

Date: 11/28/16 (REVISED WITH FINAL OGE EXPENDITURES SUBMITTED 1/18/2017)

Total Amount of Local Funds: \$398,276.88

FTEs: 3

Is this Enhancement a One-time Cost?: No

Agency Point of Contact: Traci L. Hughes -- Director

Problem Statement

The Office of Open Government (OOG) is an independent office under the purview of BEGA. The OOG shares the BEGA budget with the Office of Government Ethics (OGE). As part of the FY 2017 budget, the Mayor agreed to provide an NPS allotment of \$43,000 for use by the OOG. Since OOG and OGE are separate operationally, the OGE is requiring that OOG cover all of its respective operating expenses. Currently, OOG has \$7,781.95 for Fiscal Year 2018 to cover expenditures. As a result, the OOG anticipates a shortfall in the amount of \$15,000 for NPS.

Please see the attached itemized costs provided by OGE Director Darrin Sobin on 1/18/17 indicating FY 2017 costs. Please see comments regarding adjusted amounts to be paid by OOG. The OOG has no way to determine exact costs for agency OCTO charges for Fiscal Year 2018.

Additionally, OOG requires additional PS funding in the amount of \$40,000 to cover salary increase and fringe benefits for one Legal Service FTE.

Proposed Solution

Provide an enhancement to cover the shortfall in the amount of \$12,000.00 for NPS, and \$40,000 for PS.

Cost-Benefit Analysis

Not applicable. The OOG's responsibilities are mandated by statute.

Other Benefits

Fully funding BEGA will allow the OOG carry out its statutory duties including Open Meetings Act enforcement, training, advice giving, as well as oversight of Freedom of Information Act compliance of all District government agencies.
