(a) In a proceeding to establish or enforce a support order or to determine parentage of a child, a tribunal of the District may exercise personal jurisdiction over a nonresident individual or the individual's guardian or conservator if:

(1) The individual is personally served with notice within the District;

(3) The individual resided with the child in the District;

(4) The individual resided in the District and provided prenatal expenses or support for the child;

(5) The child resides in the District as a result of the acts or directives of the individual;

(6) The individual engaged in sexual intercourse in the District and the child may have been conceived by that act of intercourse; or

(7) There is any other basis consistent with the laws of the District and the Constitution of the United States for the exercise of personal jurisdiction.

(b) The bases of personal jurisdiction set forth in subsection (a) of this section or in any other law of the District may not be used to acquire personal jurisdiction for a tribunal of the District to modify a child-support order of another state unless the requirements of section 611 are met, or, in the case of a foreign support order, unless the requirements of section 615 are met.

Sec. 202. Duration of personal jurisdiction. **Note, New § 46-352.02**

Personal jurisdiction acquired by a tribunal of the District in a proceeding under this act or other law of the District relating to a support order continues as long as a tribunal of the District has continuing, exclusive jurisdiction to modify its order or continuing jurisdiction to enforce its order as provided by sections 205, 206, and 211.

Sec. 203. Initiating and responding tribunal of state. **Note, New § 46-352.03**

Under this act, a tribunal of the District may serve as an initiating tribunal to forward proceedings to a tribunal of another state, and as a responding tribunal for proceedings initiated in another state or a foreign country.

Sec. 204. Simultaneous proceedings. **Note, New § 46-352.04**

(a) A tribunal of the District may exercise jurisdiction to establish a support order if the petition or comparable pleading is filed after a pleading is filed in another state or a foreign country only if:

(1) The petition or comparable pleading in the District is filed before the expiration of the time allowed in the other state or the foreign country for filing a responsive pleading challenging the exercise of jurisdiction by the other state or the foreign country;

(2) The contesting party timely challenges the exercise of jurisdiction in the other state or the foreign country; and

(3) If relevant, the District is the home state of the child.

(b) A tribunal of the District may not exercise jurisdiction to establish a support order if the petition or comparable pleading is filed before a petition or comparable pleading is filed in another state or a foreign country if:

(1) The petition or comparable pleading in the other state or foreign country is filed before the expiration of the time allowed in the District for filing a responsive pleading challenging the exercise of jurisdiction by the District;

(2) The contesting party timely challenges the exercise of jurisdiction in the District; and

(3) If relevant, the other state or foreign country is the home state of the child.

Sec. 205. Continuing, exclusive jurisdiction to modify child-support order. **Note, New § 46-352.05**

(a) A tribunal of the District that has issued a child-support order consistent with the law of the District, has and shall exercise continuing, exclusive jurisdiction to modify its child-support order if the order is the controlling order and:

(1) At the time of the filing of a request for modification the District is the residence of the obligor, the individual obligee, or the child for whose benefit the support order is issued; or

(2) Even if the District is not the residence of the obligor, the individual obligee, or the child for whose benefit the support order is issued, the parties consent in a record or in open court that the tribunal of the District may continue to exercise jurisdiction to modify its order.

(b) A tribunal of the District that has issued a child-support order consistent with the law of the District, may not exercise continuing, exclusive jurisdiction to modify the order if:

(1) All of the parties who are individuals file consent in a record with the tribunal of the District that a tribunal of another state that has jurisdiction over at least one of the parties who is an individual or that is located in the state of residence of the child may modify the order and assume continuing, exclusive jurisdiction; or

(2) Its order is not the controlling order.

(c) If a tribunal of another state has issued a child-support order pursuant to the Uniform Interstate Family Support Act or a law substantially similar to that Act which modifies a child-support order of a tribunal of the District, a tribunal of the District shall recognize the continuing, exclusive jurisdiction of the tribunal of the other state.

(d) A tribunal of the District that lacks continuing, exclusive jurisdiction to modify a child-support order, may serve as an initiating tribunal to request a tribunal of another state to modify a support order issued in that state.

(e) A temporary support order issued ex parte or pending resolution of a jurisdictional conflict does not create continuing, exclusive jurisdiction in the issuing tribunal.

Sec. 206. Continuing jurisdiction to enforce child-support order. **Note, New § 46-352.06**

(a) A tribunal of the District that has issued a child-support order consistent with the law of the District, may serve as an initiating tribunal to request a tribunal of another state to enforce:

(1) The order if the order is the controlling order and has not been modified by a tribunal of another state that assumed jurisdiction pursuant to the Uniform Interstate Family Support Act; or

(2) A money judgment for arrears of support and interest on the order accrued before a determination that an order of a tribunal of another state is the controlling order.

(b) A tribunal of the District having continuing jurisdiction over a support order may act as a responding tribunal to enforce the order.

Sec. 207. Determination of controlling child-support order.

Note, New § 46-352.07

(a) If a proceeding is brought under this act and only one tribunal has issued a child-support order, the order of that tribunal controls and must be recognized.

(b) If a proceeding is brought under this act and 2 or more child-support orders have been issued by tribunals of the District, of another state, or a foreign country with regard to the same obligor and same child, a tribunal of the District having personal jurisdiction over both the obligor and individual obligee shall apply the following rules and by order shall determine which order controls and must be recognized:

(1) If only one of the tribunals would have continuing, exclusive jurisdiction under this act, the order of that tribunal controls.

(2) If more than one of the tribunals would have continuing, exclusive jurisdiction under this act:

(A) An order issued by a tribunal in the current home state of the child controls; or

(B) If an order has not been issued in the current home state of the child, the order most recently issued controls.

(3) If none of the tribunals would have continuing, exclusive jurisdiction under this act, the tribunal of the District shall issue a child-support order, which controls.

(c) If 2 or more child-support orders have been issued for the same obligor and same child, upon request of a party who is an individual or that is a support enforcement agency, a tribunal of the District having personal jurisdiction over both the obligor and the obligee who is an individual, shall determine which order controls under subsection (b) of this section. The request may be filed with a registration for enforcement or registration for modification pursuant to Title 6, or may be filed as a separate proceeding.

(d) A request to determine which is the controlling order must be accompanied by a copy of every child-support order in effect and the applicable record of payments. The requesting party shall give notice of the request to each party whose rights may be affected by the determination.

(e) The tribunal that issued the controlling order under subsection (a), (b), or (c) of this section has continuing jurisdiction to the extent provided in section 205 or 206.

(f) A tribunal of the District that determines by order which is the controlling order under subsection (b)(1) or (2) or (c) of this section, or that issues a new controlling order under subsection (b)(3) of this section, shall state in that order:

(1) The basis upon which the tribunal made its determination;

(2) The amount of prospective support, if any; and

(3) The total amount of consolidated arrears and accrued interest, if any, under all of the orders after all payments made are credited as provided by section 209.

(g) Within 30 days after issuance of an order determining which is the controlling order, the party obtaining the order shall file a certified copy of it in each tribunal that issued or registered an earlier order of child support. A party or support enforcement agency obtaining the order that fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the controlling order.

(h) An order that has been determined to be the controlling order, or a judgment for consolidated arrears of support and interest, if any, made pursuant to this section must be recognized in proceedings under this act.

Sec. 208. Child-support orders for 2 or more obligees. **Note, New § 46-352.08**

In responding to registrations or petitions for enforcement of 2 or more child-support orders in effect at the same time with regard to the same obligor and different individual obligees, at least one of which was issued by a tribunal of another state or a foreign country, a tribunal of the District shall enforce those orders in the same manner as if the orders had been issued by a tribunal of the District.

Sec. 209. Credit for payments. **Note, New § 46-352.09**

A tribunal of the District shall credit amounts collected for a particular period pursuant to any child-support order against the amounts owed for the same period under any other child-support order for support of the same child issued by a tribunal of the District, another state, or a foreign country.

Sec. 210. Application of act to nonresident subject to personal jurisdiction. **Note, New § 46-352.10**

A tribunal of the District exercising personal jurisdiction over a nonresident in a proceeding under this act, under other law of the District relating to a support order, or recognizing a foreign support order, may receive evidence from outside the District pursuant to section 316, communicate with a tribunal outside the District pursuant to section 317, and obtain discovery through a tribunal outside the District pursuant to section 318. In all other respects, Titles 3 through 6 do not apply, and the tribunal shall apply the procedural and substantive law of the District.

Sec. 211. Continuing, exclusive jurisdiction to modify spousal-support order. **Note, New § 46-352.11**

(a) A tribunal of the District issuing a spousal-support order consistent with the law of the District has continuing, exclusive jurisdiction to modify the spousal-support order throughout the existence of the support obligation.

(b) A tribunal of the District may not modify a spousal-support order issued by a tribunal of another state or a foreign country having continuing, exclusive jurisdiction over that order under the law of that state or foreign country.

(c) A tribunal of the District that has continuing, exclusive jurisdiction over a spousal-support order, may serve as:

(1) An initiating tribunal to request a tribunal of another state to enforce the spousal-support order issued in the District; or

(2) A responding tribunal to enforce or modify its own spousal-support order.

If the responding tribunal is in a foreign country, upon request the tribunal of the District shall specify the amount of support sought, convert that amount into the equivalent amount in the foreign currency under the applicable official or market exchange rate as publicly reported, and provide any other documents necessary to satisfy the requirements of the responding foreign tribunal.

(2) Request an appropriate tribunal to set a date, time, and place for a hearing;

(3) Make a reasonable effort to obtain all relevant information, including information as to income and property of the parties;

(4) Within 2 days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of notice in a record from an initiating, responding, or registering tribunal, send a copy of the notice to the petitioner;

(5) Within 2 days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of communication in a record from the respondent or the respondent's attorney, send a copy of the communication to the petitioner; and

(6) Notify the petitioner if jurisdiction over the respondent cannot be obtained.

(c) A support enforcement agency of the District that requests registration of a child-support order in the District for enforcement or for modification shall make reasonable efforts:

(1) To ensure that the order to be registered is the controlling order; or

(2) If 2 or more child-support orders exist and the identity of the controlling order has not been determined, to ensure that a request for such a determination is made in a tribunal having jurisdiction to do so.

(d) A support enforcement agency of the District that requests registration and enforcement of a support order, arrears, or judgment stated in a foreign currency shall convert the amounts stated in the foreign currency into the equivalent amounts in dollars under the applicable official or market exchange rate as publicly reported.

(e) A support enforcement agency of the District shall issue or request a tribunal of the District to issue a child-support order and an income-withholding order that redirect payment of current support, arrears, and interest if requested to do so by a support enforcement agency of another state pursuant to section 319.

(f) This act does not create or negate a relationship of attorney and client or other fiduciary relationship between a support enforcement agency or the attorney for the agency and the individual being assisted by the agency.

Sec. 308. Duty of Office of the Attorney General. **Note, New § 46-353.08**

The Office of the Attorney General may determine that a foreign country has established a reciprocal arrangement for child support with the District and take appropriate action for notification of the determination.

Sec. 309. Private counsel. **Note, New § 46-353.09**

An individual may employ private counsel to represent the individual in proceedings authorized by this act.

Sec. 310. Duties of Office of the Attorney General as state information agency. **Note, New § 46-353.10**

(a) The Office of the Attorney General is the state information agency under this act.

(b) The state information agency shall:

(1) Compile and maintain a current list, including addresses, of the tribunals in the District which have jurisdiction under this act and any support enforcement agencies in the District and transmit a copy to the state information agency of every other state;

(2) Maintain a register of names and addresses of tribunals and support enforcement agencies received from other states;

(3) Forward to the appropriate tribunal in the District all documents concerning a proceeding under this act received from another state or a foreign country; and

(4) Obtain information concerning the location of the obligor and the obligor's property within the District not exempt from execution, by such means as postal verification and federal or state locator services, examination of telephone directories, requests for the obligor's address from employers, and examination of governmental records, including, to the extent not prohibited by other law, those relating to real property, vital statistics, law enforcement, taxation, motor vehicles, driver's licenses, and social security.

Sec. 311. Pleadings and accompanying documents. **Note, New § 46-353.11**

(a) In a proceeding under this act, a petitioner seeking to establish a support order, to determine parentage of a child, or to register and modify a support order of a tribunal of another state or a foreign country must file a petition. Unless otherwise ordered under section 312, the petition or accompanying documents must provide, so far as known, the name, residential address, and social security numbers of the obligor and the obligee or the parent and alleged parent, and the name, sex, residential address, social security number, and date of birth of each child for whose benefit support is sought or whose parentage is to be determined. Unless filed at the time of registration, the petition must be accompanied by a copy of any support order known to have been issued by another tribunal. The petition may include any other information that may assist in locating or identifying the respondent.

(b) The petition must specify the relief sought. The petition and accompanying documents must conform substantially with the requirements imposed by the forms mandated by federal law for use in cases filed by a support enforcement agency.

Sec. 312. Nondisclosure of information in exceptional circumstances. **Note, New § 46-353.12**

If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of specific identifying information, that information must be sealed and may not be disclosed to the other party or the public. After a hearing in which a tribunal takes into consideration the health, safety, or liberty of the party or child, the tribunal may order disclosure of information that the tribunal determines to be in the interest of justice.

Sec. 313. Costs and fees. **Note, New § 46-353.13**

(a) The petitioner may not be required to pay a filing fee or other costs.

(b) If an obligee prevails, a responding tribunal of the District may assess against an obligor filing fees, reasonable attorney's fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. The tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or responding state or foreign country, except as provided by other law. Attorney's fees may be taxed as costs, and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of support owed to the obligee has priority over fees, costs, and expenses.

(c) The tribunal shall order the payment of costs and reasonable attorney's fees if it determines that a hearing was requested primarily for delay. In a proceeding under Title 6, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

Sec. 314. Limited immunity of petitioner. **Note, New § 46-353.14**

(a) Participation by a petitioner in a proceeding under this act before a responding tribunal, whether in person, by private attorney, or through services provided by the support enforcement agency, does not confer personal jurisdiction over the petitioner in another proceeding.

(b) A petitioner is not amenable to service of civil process while physically present in the District to participate in a proceeding under this act.

(c) The immunity granted by this section does not extend to civil litigation based on acts unrelated to a proceeding under this act committed by a party while physically present in the District to participate in the proceeding.

Sec. 315. Nonparentage as defense. **Note, New § 46-353.15**

A party whose parentage of a child has been previously determined by or pursuant to law may not plead nonparentage as a defense to a proceeding under this act.

Sec. 316. Special rules of evidence and procedure.

Note, New § 46-353.16

(a) The physical presence of a nonresident party who is an individual in a tribunal of the District is not required for the establishment, enforcement, or modification of a support order or the rendition of a judgment determining parentage of a child.

(b) An affidavit, a document substantially complying with federally mandated forms, or a document incorporated by reference in any of them, which would not be excluded under the hearsay rule if given in person, is admissible in evidence if given under penalty of perjury by a party or witness residing outside the District.

(c) A copy of the record of child-support payments certified as a true copy of the original by the custodian of the record may be forwarded to a responding tribunal. The copy is evidence of facts asserted in it, and is admissible to show whether payments were made.

(d) Copies of bills for testing for parentage of a child, and for prenatal and postnatal health care of the mother and child, furnished to the adverse party at least 10 days before trial, are admissible in evidence to prove the amount of the charges billed and that the charges were reasonable, necessary, and customary.

(e) Documentary evidence transmitted from outside the District to a tribunal of the District by telephone, telecopier, or other electronic means that do not provide an original record may not be excluded from evidence on an objection based on the means of transmission.

(f) In a proceeding under this act, a tribunal of the District shall permit a party or witness residing outside the District to be deposed or to testify under penalty of perjury by telephone, audiovisual means, or other electronic means at a designated tribunal or other location. A tribunal of the District shall cooperate with other tribunals in designating an appropriate location for the deposition or testimony.

(g) If a party called to testify at a civil hearing refuses to answer on the ground that the testimony may be self-incriminating, the trier of fact may draw an adverse inference from the refusal.

(h) A privilege against disclosure of communications between spouses does not apply in a proceeding under this act.

(i) The defense of immunity based on the relationship of husband and wife or parent and child does not apply in a proceeding under this act.

(j) A voluntary acknowledgment of paternity, certified as a true copy, is admissible to establish parentage of the child.

Sec. 317. Communications between tribunals.

Note, New § 46-353.17

A tribunal of the District may communicate with a tribunal outside the District in a record or by telephone, electronic mail, or other means, to obtain information concerning the laws, the legal effect of a judgment, decree, or order of that tribunal, and the status of a proceeding. A tribunal of the District may furnish similar information by similar means to a tribunal outside the District.

Sec. 318. Assistance with discovery. **Note, New § 46-353.18**

A tribunal of the District may:

(1) Request a tribunal outside the District to assist in obtaining discovery; and

(2) Upon request, compel a person over which it has jurisdiction to respond to a discovery order issued by a tribunal outside the District.

Sec. 319. Receipt and disbursement of payments. **Note, New § 46-353.19**

(a) A support enforcement agency or tribunal of the District shall disburse promptly any amounts received pursuant to a support order, as directed by the order. The agency or tribunal shall furnish to a requesting party or tribunal of another state or a foreign country a certified statement by the custodian of the record of the amounts and dates of all payments received.

(b) If neither the obligor, nor the obligee who is an individual, nor the child resides in the District, upon request from the support enforcement agency of the District or another state, the support enforcement agency of the District or a tribunal of the District shall:

(1) Direct that the support payment be made to the support enforcement agency in the state in which the obligee is receiving services; and

(2) Issue and send to the obligor's employer a conforming income-withholding order or an administrative notice of change of payee, reflecting the redirected payments.

(c) The support enforcement agency of the District receiving redirected payments from another state pursuant to a law similar to subsection (b) of this section shall furnish to a requesting party or tribunal of the other state a certified statement by the custodian of the record of the amount and dates of all payments received.

TITLE 4. ESTABLISHMENT OF SUPPORT ORDER OR DETERMINATION OF PARENTAGE.

Sec. 401. Establishment of support order. **Note, New § 46-354.01**

(a) If a support order entitled to recognition under this act has not been issued, a responding tribunal of the District with personal jurisdiction over the parties may issue a support order if:

(1) The individual seeking the order resides outside the District; or

(2) The support enforcement agency seeking the order is located outside the District.

(b) The tribunal may issue a temporary child-support order if the tribunal determines that such an order is appropriate and the individual ordered to pay is:

(1) A presumed father of the child;

(2) Petitioning to have his paternity adjudicated;

(3) Identified as the father of the child through genetic testing;

(4) An alleged father who has declined to submit to genetic testing;

(5) Shown by clear and convincing evidence to be the father of the child;

(6) An acknowledged father as provided by D.C. Official Code §§ 16-909.01 to 16-909.05;

(7) The mother of the child; or

(8) An individual who has been ordered to pay child support in a previous proceeding and the order has not been reversed or vacated.

(c) Upon finding, after notice and opportunity to be heard, that an obligor owes a duty of support, the tribunal shall issue a support order directed to the obligor and may issue other orders pursuant to section 305.

Sec. 402. Proceeding to determine parentage. **Note, New § 46-354.02**

A tribunal of the District authorized to determine parentage of a child may serve as a responding tribunal in a proceeding to determine parentage of a child brought under this act or a law or procedure substantially similar to this act.

TITLE 5. ENFORCEMENT OF SUPPORT ORDER WITHOUT REGISTRATION

Sec. 501. Employer's receipt of income-withholding order of another state. **Note, New § 46-355.01**

An income-withholding order issued in another state may be sent by or on behalf of the obligee, or by the support enforcement agency, to the person defined as the obligor's employer under the D.C. Child Support Enforcement Amendment Act of 1985, effective February 24, 1987 (D.C. Law 6–166; D.C. Official Code § 46-201 *et seq*.) without first filing a petition or comparable pleading or registering the order with a tribunal of the District.

Sec. 502. Employer's compliance with income-withholding order of another state. **Note, New § 46-355.02**

(a) Upon receipt of an income-withholding order, the obligor's employer shall immediately provide a copy of the order to the obligor.

(b) The employer shall treat an income-withholding order issued in another state which appears regular on its face as if it had been issued by a tribunal of the District.

(c) Except as otherwise provided in subsection (d) of this section and section 503, the employer shall withhold and distribute the funds as directed in the withholding order by complying with terms of the order which specify:

(1) The duration and amount of periodic payments of current child support, stated as a sum certain;

(2) The person designated to receive payments and the address to which the payments are to be forwarded;

(3) Medical support, whether in the form of periodic cash payment, stated as a sum certain, or ordering the obligor to provide health insurance coverage for the child under a policy available through the obligor's employment;

(4) The amount of periodic payments of fees and costs for a support enforcement agency, the issuing tribunal, and the obligee's attorney, stated as sums certain; and

(5) The amount of periodic payments of arrearages and interest on arrearages, stated as sums certain.

(d) An employer shall comply with the law of the state of the obligor's principal place of employment for withholding from income with respect to:

(1) The employer's fee for processing an income-withholding order;

(2) The maximum amount permitted to be withheld from the obligor's income; and

(3) The times within which the employer must implement the withholding order and forward the child-support payment.

Sec. 503. Employer's compliance with 2 or more income-withholding orders. **Note, New § 46-355.03**

If an obligor's employer receives 2 or more income-withholding orders with respect to the earnings of the same obligor, the employer satisfies the terms of the orders if the employer complies with the law of the state of the obligor's principal place of employment to establish the priorities for withholding and allocating income withheld for 2 or more child-support obligees.

Sec. 504. Immunity from civil liability. **Note, New § 46-355.04**

An employer that complies with an income-withholding order issued in another state in accordance with this title is not subject to civil liability to an individual or agency with regard to the employer's withholding of child support from the obligor's income.

Sec. 505. Penalties for noncompliance. **Note, New § 46-355.05**

An employer that willfully fails to comply with an income-withholding order issued in another state and received for enforcement is subject to the same penalties that may be imposed for noncompliance with an order issued by a tribunal of the District.

Sec. 506. Contest by obligor. **Note, New § 46-355.06**

(a) An obligor may contest the validity or enforcement of an income-withholding order issued in another state and received directly by an employer in the District by registering the order in a tribunal of the District and filing a contest to that order as provided in Title 6, or otherwise contesting the order in the same manner as if the order had been issued by a tribunal of the District.

(b) The obligor shall give notice of the contest to:

(1) A support enforcement agency providing services to the obligee;

(2) Each employer that has directly received an income-withholding order relating to the obligor; and

(3) The person designated to receive payments in the income-withholding order or, if no person is designated, to the obligee.

Sec. 507. Administrative enforcement of orders. **Note, New § 46-355.07**

(a) A party or support enforcement agency seeking to enforce a support order or an income-withholding order, or both, issued in another state or a foreign support order may send the documents required for registering the order to a support enforcement agency of the District.

(b) Upon receipt of the documents, the support enforcement agency, without initially seeking to register the order, shall consider and, if appropriate, use any administrative procedure authorized by the law of the District to enforce a support order or an income-withholding order, or both. If the obligor does not contest administrative enforcement, the order need not be registered. If the obligor contests the validity or administrative enforcement of the order, the support enforcement agency shall register the order pursuant to this act.

TITLE 6. REGISTRATION, ENFORCEMENT, AND MODIFICATION OF SUPPORT ORDER.

SUBTITLE A. REGISTRATION FOR ENFORCEMENT OF SUPPORT ORDER.

Sec. 601. Registration of order for enforcement. **Note, New § 46-356.01**

A support order or income-withholding order issued in another state or a foreign support order may be registered in the District for enforcement.

Sec. 602. Procedure to register order for enforcement. **Note, New § 46-356.02**

(a) Except as otherwise provided in section 706, a support order or income-withholding order of another state or a foreign support order may be registered in the District by sending the following records to the Superior Court of the District of Columbia:

(1) A letter of transmittal to the tribunal requesting registration and enforcement;

(2) Two copies, including one certified copy, of the order to be registered, including any modification of the order;

(3) A sworn statement by the person requesting registration or a certified statement by the custodian of the records showing the amount of any arrearage;

(4) The name of the obligor and, if known:

(A) The obligor's address and social security number;

(B) The name and address of the obligor's employer and any other source of income of the obligor; and

(C) A description and the location of property of the obligor in the District not exempt from execution; and

(5) Except as otherwise provided in section 312, the name and address of the obligee and, if applicable, the person to whom support payments are to be remitted.

(b) On receipt of a request for registration, the registering tribunal shall cause the order to be filed as an order of a tribunal of another state or a foreign support order, together with one copy of the documents and information, regardless of their form.

(c) A petition or comparable pleading seeking a remedy that must be affirmatively sought under other law of the District may be filed at the same time as the request for registration or later. The pleading must specify the grounds for the remedy sought.

(d) If 2 or more orders are in effect, the person requesting registration shall:

(1) Furnish to the tribunal a copy of every support order asserted to be in effect in addition to the documents specified in this section;

(2) Specify the order alleged to be the controlling order, if any; and

(3) Specify the amount of consolidated arrears, if any.

(e) A request for a determination of which is the controlling order may be filed separately or with a request for registration and enforcement or for registration and modification. The person requesting registration shall give notice of the request to each party whose rights may be affected by the determination.

Sec. 603. Effect of registration for enforcement. **Note, New § 46-356.03**

(a) A support order or income-withholding order issued in another state or a foreign support order is registered when the order is filed in the registering tribunal of the District.

(b) A registered support order issued in another state or a foreign country is enforceable in the same manner and is subject to the same procedures as an order issued by a tribunal of the District.

(c) Except as otherwise provided in this act, a tribunal of the District shall recognize and enforce, but may not modify, a registered support order if the issuing tribunal had jurisdiction.

Sec. 604. Choice of law. **Note, New § 46-356.04**

(a) Except as otherwise provided in subsection (d) of this section, the law of the issuing state or foreign country governs:

(1) The nature, extent, amount, and duration of current payments under a registered support order;

(2) The computation and payment of arrearages and accrual of interest on the arrearages under the support order; and

(3) The existence and satisfaction of other obligations under the support order.

(b) In a proceeding for arrears under a registered support order, the statute of limitation of the District, or of the issuing state or foreign country, whichever is longer, applies.

(c) A responding tribunal of the District shall apply the procedures and remedies of the District to enforce current support and collect arrears and interest due on a support order of another state or a foreign country registered in the District.

(d) After a tribunal of the District or another state determines which is the controlling order and issues an order consolidating arrears, if any, a tribunal of the District shall prospectively apply the law of the state or foreign country issuing the controlling order, including its law on interest on arrears, on current and future support, and on consolidated arrears.

SUBTITLE B. CONTEST OF VALIDITY OR ENFORCEMENT.

Sec. 605. Notice of registration of order. **Note, New § 46-356.05**

(a) When a support order or income-withholding order issued in another state or a foreign support order is registered, the registering tribunal of the District shall notify the nonregistering party. The notice must be accompanied by a copy of the registered order and the documents and relevant information accompanying the order.

(b) A notice must inform the nonregistering party:

(1) That a registered support order is enforceable as of the date of registration in the same manner as an order issued by a tribunal of the District;

(2) That a hearing to contest the validity or enforcement of the registered order must be requested within 20 days after notice unless the registered order is under section 707;

(3) That failure to contest the validity or enforcement of the registered order in a timely manner will result in confirmation of the order and enforcement of the order and the alleged arrearages; and

(4) Of the amount of any alleged arrearages.

(c) If the registering party asserts that 2 or more orders are in effect, a notice must also:

(1) Identify the 2 or more orders and the order alleged by the registering party to be the controlling order and the consolidated arrears, if any;

(2) Notify the nonregistering party of the right to a determination of which is the controlling order;

(3) State that the procedures provided in subsection (b) of this section apply to the determination of which is the controlling order; and

(4) State that failure to contest the validity or enforcement of the order alleged to be the controlling order in a timely manner may result in confirmation that the order is the controlling order.

(d) Upon registration of an income-withholding order for enforcement, the support enforcement agency or the registering tribunal shall notify the obligor's employer pursuant to the D.C. Child Support Enforcement Amendment Act of 1985, effective February 24, 1987 (D.C. Law 6–166; D.C. Official Code § 46-201 *et seq*.).

Sec. 606. Procedure to contest validity or enforcement of registered support order. **Note, New § 46-356.06**

(a) A nonregistering party seeking to contest the validity or enforcement of a registered support order in the District shall request a hearing within the time required by section 605. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrearages pursuant to section 607.

(b) If the nonregistering party fails to contest the validity or enforcement of the registered support order in a timely manner, the order is confirmed by operation of law.

(c) If a nonregistering party requests a hearing to contest the validity or enforcement of the registered support order, the registering tribunal shall schedule the matter for hearing and give notice to the parties of the date, time, and place of the hearing.

Sec. 607. Contest of registration or enforcement. **Note, New § 46-356.07**

(a) A party contesting the validity or enforcement of a registered support order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

(1) The issuing tribunal lacked personal jurisdiction over the contesting party;

(2) The order was obtained by fraud;

(3) The order has been vacated, suspended, or modified by a later order;

(4) The issuing tribunal has stayed the order pending appeal;

(5) There is a defense under the law of the District to the remedy sought;

(6) Full or partial payment has been made;

(7) The statute of limitation under section 604 precludes enforcement of some or all of the alleged arrearages; or

(8) The alleged controlling order is not the controlling order.

(b) If a party presents evidence establishing a full or partial defense under subsection (a) of this section, a tribunal may stay enforcement of a registered support order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered support order may be enforced by all remedies available under the law of the District.

(c) If the contesting party does not establish a defense under subsection (a) of this section to the validity or enforcement of a registered support order, the registering tribunal shall issue an order confirming the order.

Sec. 608. Confirmed order. **Note, New § 46-356.08**

Confirmation of a registered support order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

SUBTITLE C. REGISTRATION AND MODIFICATION OF CHILD-SUPPORT ORDER OF ANOTHER STATE.

Sec. 609. Procedure to register child-support order of another state for modification. **Note, New § 46-356.09**

A party or support enforcement agency seeking to modify, or to modify and enforce, a child-support order issued in another state shall register that order in the District in the same manner provided in sections 601 through 608 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or later. The pleading must specify the grounds for modification.

Sec. 610. Effect of registration for modification. **Note, New § 46-356.10**

A tribunal of the District may enforce a child-support order of another state registered for purposes of modification, in the same manner as if the order had been issued by a tribunal of the District, but the registered support order may be modified only if the requirements of section 611 or 613 have been met.

Sec. 611. Modification of child-support order of another state. **Note, New § 46-356.11**

(a) If section 613 does not apply, upon petition a tribunal of the District may modify a child-support order issued in another state which is registered in the District if, after notice and hearing, the tribunal finds that:

(1) The following requirements are met:

(A) Neither the child, nor the obligee who is an individual, nor the obligor resides in the issuing state;

(B) A petitioner who is a nonresident of the District seeks modification; and

(C) The respondent is subject to the personal jurisdiction of the tribunal of the District; or

(2) The District is the residence of the child, or a party who is an individual is subject to the personal jurisdiction of the tribunal of the District, and all of the parties who are individuals have filed consents in a record in the issuing tribunal for a tribunal of the District to modify the support order and assume continuing, exclusive jurisdiction.

(b) Modification of a registered child-support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of the District and the order may be enforced and satisfied in the same manner.

(c) A tribunal of the District may not modify any aspect of a child-support order that may not be modified under the law of the issuing state, including the duration of the obligation of support. If 2 or more tribunals have issued child-support orders for the same obligor and same child, the order that controls and must be so recognized under section 207 establishes the aspects of the support order which are nonmodifiable.

(d) In a proceeding to modify a child-support order, the law of the state that is determined to have issued the initial controlling order governs the duration of the obligation of support. The obligor's fulfillment of the duty of support established by that order precludes imposition of a further obligation of support by a tribunal of the District.

(e) On the issuance of an order by a tribunal of the District modifying a child-support order issued in another state, the tribunal of the District becomes the tribunal having continuing, exclusive jurisdiction.

(f) Notwithstanding subsections (a) through (e) of this section and section 201(b), a tribunal of the District retains jurisdiction to modify an order issued by a tribunal of the District if:

(1) One party resides in another state; and

(2) The other party resides outside the United States.

Sec. 612. Recognition of order modified in another state.

Note, New § 46-356.12

If a child-support order issued by a tribunal of the District is modified by a tribunal of another state which assumed jurisdiction pursuant to the Uniform Interstate Family Support Act, a tribunal of the District:

(1) May enforce its order that was modified only as to arrears and interest accruing before the modification;

(2) May provide appropriate relief for violations of its order which occurred before the effective date of the modification; and

(3) Shall recognize the modifying order of the other state, upon registration, for the purpose of enforcement.

Sec. 613. Jurisdiction to modify child-support order of another state when individual parties reside in the District. **Note, New § 46-356.13**

(a) If all of the parties who are individuals reside in the District and the child does not reside in the issuing state, a tribunal of the District has jurisdiction to enforce and to modify the issuing state's child-support order in a proceeding to register that order.

(b) A tribunal of the District exercising jurisdiction under this section shall apply the provisions of Titles 1 and 2, this title, and the procedural and substantive law of the District to the proceeding for enforcement or modification. Titles 3, 4, 5, 7, and 8 do not apply.

Sec. 614. Notice to issuing tribunal of modification. **Note, New § 46-356.14**

Within 30 days after issuance of a modified child-support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction.

SUBTITLE D. REGISTRATION AND MODIFICATION OF FOREIGN CHILD-SUPPORT ORDER.

Sec. 615. Jurisdiction to modify child-support order of foreign country. **Note, New § 46-356.15**

(a) Except as otherwise provided in section 711, if a foreign country lacks or refuses to exercise jurisdiction to modify its child-support order pursuant to its laws, a tribunal of the District may assume jurisdiction to modify the child-support order and bind all individuals subject to the personal jurisdiction of the tribunal whether the consent to modification of a child-support order otherwise required of the individual pursuant to section 611 has been given or whether the individual seeking modification is a resident of the District or of the foreign country.

(b) An order issued by a tribunal of the District modifying a foreign child-support order pursuant to this section is the controlling order.

Sec. 616. Procedure to register child-support order of foreign country for modification. **Note, New § 46-356.16**

A party or support enforcement agency seeking to modify, or to modify and enforce, a foreign child-support order not under the Convention may register that order in the District under sections 601 through 608 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or at another time. The petition must specify the grounds for modification.

TITLE 7. SUPPORT PROCEEDING UNDER CONVENTION.

(a) Except as otherwise provided in this title, a party who is an individual or a support enforcement agency seeking recognition of a Convention support order shall register the order in the District as provided in Title 6.

(5) A record showing a requirement for automatic adjustment of the amount of support, if any, and the information necessary to make the appropriate calculations; and

(6) If necessary, a record showing the extent to which the applicant received free legal assistance in the issuing country.

(c) A request for registration of a Convention support order may seek recognition and partial enforcement of the order.

(d) A tribunal of the District may vacate the registration of a Convention support order without the filing of a contest under section 707 only if, acting on its own motion, the tribunal finds that recognition and enforcement of the order would be manifestly incompatible with public policy.

(e) The tribunal shall promptly notify the parties of the registration or the order vacating the registration of a Convention support order.

Sec. 707. Contest of registered convention support order. **Note, New § 46-357.07**

(a) Except as otherwise provided in this title, sections 605 through 608 apply to a contest of a registered Convention support order.

Sec. 708. Recognition and enforcement of registered convention support order.

Note, New § 46-357.08

(a) Except as otherwise provided in subsection (b) of this section, a tribunal of the District shall recognize and enforce a registered Convention support order.

(b) The following grounds are the only grounds on which a tribunal of the District may refuse recognition and enforcement of a registered Convention support order:

(1) Recognition and enforcement of the order is manifestly incompatible with public policy, including the failure of the issuing tribunal to observe minimum standards of due process, which include notice and an opportunity to be heard;

(2) The issuing tribunal lacked personal jurisdiction consistent with section 201;

(3) The order is not enforceable in the issuing country;

(4) The order was obtained by fraud in connection with a matter of procedure;

(5) A record transmitted in accordance with section 706 lacks authenticity or integrity;

(6) A proceeding between the same parties and having the same purpose is pending before a tribunal of the District and that proceeding was the first to be filed;

(7) The order is incompatible with a more recent support order involving the same parties and having the same purpose if the more recent support order is entitled to recognition and enforcement under this act in the District;

(8) Payment, to the extent alleged arrears have been paid in whole or in part;

(9) In a case in which the respondent neither appeared nor was represented in the proceeding in the issuing foreign country:

(A) If the law of that country provides for prior notice of proceedings, the respondent did not have proper notice of the proceedings and an opportunity to be heard; or

(B) If the law of that country does not provide for prior notice of the proceedings, the respondent did not have proper notice of the order and an opportunity to be heard in a challenge or appeal on fact or law before a tribunal; or

(10) The order was made in violation of section 711.

(c) If a tribunal of the District does not recognize a Convention support order under subsection (b)(2), (4), or (9) of this section:

(1) The tribunal may not dismiss the proceeding without allowing a reasonable time for a party to request the establishment of a new Convention support order; and

(2) The Office of the Attorney General shall take all appropriate measures to request a child-support order for the obligee if the application for recognition and enforcement was received under section 704.

Sec. 709. Partial enforcement. **Note, New § 46-357.09**

If a tribunal of the District does not recognize and enforce a Convention support order in its entirety, it shall enforce any severable part of the order. An application or direct request may seek recognition and partial enforcement of a Convention support order.

Sec. 710. Foreign support agreement. **Note, New § 46-357.10**

(a) Except as otherwise provided in subsections (c) and (d) of this section, a tribunal of the District shall recognize and enforce a foreign support agreement registered in the District.

(b) An application or direct request for recognition and enforcement of a foreign support agreement must be accompanied by:

(1) A complete text of the foreign support agreement; and

(2) A record stating that the foreign support agreement is enforceable as an order of support in the issuing country.

(c) A tribunal of the District may vacate the registration of a foreign support agreement only if, acting on its own motion, the tribunal finds that recognition and enforcement would be manifestly incompatible with public policy.

(d) In a contest of a foreign support agreement, a tribunal of the District may refuse recognition and enforcement of the agreement if it finds:

(1) Recognition and enforcement of the agreement is manifestly incompatible with public policy;

(2) The agreement was obtained by fraud or falsification;

(3) The agreement is incompatible with a support order involving the same parties and having the same purpose in the District, another state, or a foreign country if the support order is entitled to recognition and enforcement under this act in the District; or

(4) The record submitted under subsection (b) of this section lacks authenticity or integrity.

(e) A proceeding for recognition and enforcement of a foreign support agreement must be suspended during the pendency of a challenge to or appeal of the agreement before a tribunal of another state or a foreign country.

Sec. 711. Modification of convention child-support order. **Note, New § 46-357.11**

(a) A tribunal of the District may not modify a Convention child-support order if the obligee remains a resident of the foreign country where the support order was issued unless:

(1) The obligee submits to the jurisdiction of a tribunal of the District, either expressly or by defending on the merits of the case without objecting to the jurisdiction at the first available opportunity; or

(2) The foreign tribunal lacks or refuses to exercise jurisdiction to modify its support order or issue a new support order.

(b) If a tribunal of the District does not modify a Convention child-support order because the order is not recognized in the District, section 708(c) applies.

Sec. 712. Personal information; limit on use. **Note, New § 46-357.12**

Personal information gathered or transmitted under this title may be used only for the purposes for which it was gathered or transmitted.

Sec. 713. Record in original language; English translation. **Note, New § 46-357.13**

A record filed with a tribunal of the District under this title must be in the original language and, if not in English, must be accompanied by an English translation.

TITLE 8. INTERSTATE RENDITION

Sec. 801. Grounds for rendition. **Note, New § 46-358.01**

(a) For purposes of this title, "governor" includes an individual performing the functions of governor or the executive authority of a state covered by this act.

(b) The Mayor may:

(1) Demand that the governor of another state surrender an individual found in the other state who is charged criminally in the District with having failed to provide for the support of an obligee; or

(2) On the demand of the governor of another state, surrender an individual found in the District who is charged criminally in the other state with having failed to provide for the support of an obligee.

(c) A provision for extradition of individuals not inconsistent with this act applies to the demand even if the individual whose surrender is demanded was not in the demanding state when the crime was allegedly committed and has not fled therefrom.

Sec. 802. Conditions of rendition. **Note, New § 46-358.02**

(a) Before making a demand that the governor of another state surrender an individual charged criminally in the District with having failed to provide for the support of an obligee, the Mayor may require a prosecutor of the District to demonstrate that at least 60 days previously the obligee had initiated proceedings for support pursuant to this act or that the proceeding would be of no avail.

(b) If, under this act or a law substantially similar to this act, the governor of another state makes a demand that the Mayor surrender an individual charged criminally in that state with having failed to provide for the support of a child or other individual to whom a duty of support is owed, the Mayor may require a prosecutor to investigate the demand and report whether a proceeding for support has been initiated or would be effective. If it appears that a proceeding would be effective but has not been initiated, the Mayor may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.

(c) If a proceeding for support has been initiated and the individual whose rendition is demanded prevails, the Mayor may decline to honor the demand. If the petitioner prevails and the individual whose rendition is demanded is subject to a support order, the governor may decline to honor the demand if the individual is complying with the support order.

The Mayor signed that temporary legislation on October 22, 2015. Due to the congressional review period, the temporary legislation is not projected to become law until January 21, 2016.

(c) Acts 21-153 and 21-171 consist of substantial adjustments to budget authority for both Fiscal Year 2015 and Fiscal Year 2016.

(d) The congressional review period for Act 21-171 will create a funding and authority gap upon the expiration of Act 21-153. This gap must be addressed to ensure the proper implementation and balancing of both the Fiscal Year 2015 Budget and Fiscal Year 2016 Budget and Financial Plan.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment Congressional Review Emergency Act of 2015 be adopted after a single reading.

Proposed Resolution 21-484

See Emergency D.C. Act 21-255 21 DCStat 2708

To declare the existence of an emergency with respect to the need to amend the Vending Regulation Act of 2009 to clarify that the Mayor may establish exemptions from licensure requirements, and to maintain criminal penalties for a violation of the act or a vending regulation.

Vending Regulations Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Vending Regulations Emergency Declaration Resolution of 2015".

Sec. 2. (a) In 2009, the Council passed the Vending Regulation Act of 2009, effective October 22, 2009 (D.C. Law 18-71; D.C. Official Code § 37-131.01 *et seq*.) ("Act"), which authorized the Mayor to regulate vending in the District and required any proposed rules to be submitted to the Council for review and approval.

(b) On March 8, 2013, the Vending Business License Regulation Resolution of 2013 was introduced in the Office to the Secretary by Chairman Mendelson at the request of the Mayor ("PR 20-125"). PR 20-125 was deemed disapproved. The regulations were adopted in part by the Council with the passage of the Vending Regulation Emergency Amendment Act of 2013, effective June 19, 2013 (D.C. Act 20-84; 60 DCR 9534), and the subsequent passage of the Vending Regulation Emergency Approval Act of 2013, effective June 20, 2013 (D.C. Act 20-90; 60 DCR 9551).

(c) On September 20, 2013, the Office of the City Administrator published final rules in the District of Columbia Register (60 DCR 13055).

(d) PR20-125 inadvertently removed provisions establishing criminal penalties for violations of the vending regulations.

(e) In an effort to reinstate those criminal penalties, 2 versions of emergency and temporary legislation were introduced. The first addressed the criminal penalties in the District of Columbia Official Code and is set to expire on January 11, 2016, and the second addressed the prohibition on ticket scalping in the District's Municipal Regulations and is set to expire on December 11, 2015.

(f) Permanent legislation, the Vending Regulations Amendment Act of 2015, passed on 1st reading on December 1, 2015 (Engrossed version of Bill 21-113), must complete the legislative process. While the permanent version goes through final reading and the congressional review process, another emergency is necessary.

(g) To permit complete enforcement of vending violations occurring in the District of Columbia and avoid disruption of proper vending operations, it is necessary to adopt emergency legislation to maintain the criminal penalty provisions for violations of the Act or vending regulations.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Vending Regulations Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to grant the Attorney General for the District of Columbia personnel and procurement rulemaking authority consistent with authority previously approved by the Council.

Office of the Attorney General Personnel and Procurement Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Office of the Attorney General Personnel and Procurement Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists a need to give the Attorney General independent personnel and procurement rulemaking authority.

(b) In 2010, the Council of the District of Columbia approved the Attorney General for the District of Columbia Clarification and Elected Term Amendment Act of 2010, effective May 27, 2010 (D.C. Law 18-160; codified in scattered cites throughout the D.C. Official Code). Section 201(b) of this act authorized the election by the District electorate of an independent Attorney General. The committee report for this act stated that the "legislation codifies the institutional independence" of the Attorney General.

(c) Section 1032(b) of the Fiscal Year 2016 Budget Support Act of 2015, effective October 22, 2015 (D.C. Law 21-36; 62 DCR 10905) ("BSA"), provides that the Attorney General shall be the personnel authority for employees of that office, and that the Attorney General shall carry out procurement independently of the Office of Contracting and Procurement.

(d) Independent rulemaking authority is necessary to fully implement these provisions consistent with the authority approved by the Council and Mayor in this year's BSA.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Office of the Attorney General Personnel and Procurement Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to enable the District to enter into an agreement with the State of Maryland and the Commonwealth of Virginia to create a new independent interstate entity to oversee the safety of Washington Metropolitan Area Transit Authority rail operations.

Washington Metropolitan Area Transit Authority Safety Regulation Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Washington Metropolitan Area Transit Authority Safety Regulation Emergency Declaration Resolution of 2015".

Sec. 2. (a) There is an immediate need to replace the current state safety oversight agency to address safety concerns with the rail operations of the Washington Metropolitan Area Transit Authority ("WMATA"). The emergency legislation authorizes the Mayor, in cooperation with Maryland and Virginia, to prepare needed legislation to replace the Tristate Oversight Committee ("TOC"), with a new independent interstate entity approved by the Federal Transit Administration ("FTA").

(b) In 1997, the TOC was tasked with providing safety oversight for WMATA rail operations.

(c) In 2013, based on new federal standards, the FTA determined that the TOC was non-compliant and thus ineligible for grant funding. Among the TOC's deficiencies is its lack of enforcement authority. The TOC cannot compel WMATA to take action to address critical safety issues.

(d) The federal government has provided funding, subject to District matching funds, to pay for the expenses of the formation of the replacement interstate safety oversight entity. The State of Maryland and the Commonwealth of Virginia also receive such funds.

(e) The 3 jurisdictions seek to enter into an agreement with the Metropolitan Washington Council of Governments ("COG") to transfer these combined federal and matching funds to COG for the purpose of retaining experts and consultants to assist in the preparation of legislation to create the replacement interstate safety oversight entity.

(f) The District, the FTA, and WMATA passengers have a vested interest in seeing a strong safety oversight entity established as soon as possible. The authorization granted in the emergency legislation is essential to establish that new, compliant interstate safety oversight entity.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Washington Metropolitan Area Transit Authority Safety Regulation Emergency Amendment Act of 2015 be adopted after a single reading.

A RESOLUTION

Proposed Resolution 21-487

See Emergency D.C. Act 21-258 21 DCStat 2718

To declare the existence of an emergency with respect to the need to amend the Firearms Control Regulations Act of 1975 to extend to January 1, 2018, the date for implementation of the microstamping requirement for semiautomatic pistols.

Microstamping Implementation Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Microstamping Implementation Emergency Declaration Resolution of 2015".

Sec. 2. (a) D.C. Law 17-372, the Firearms Registration Amendment Act of 2008, added to the firearms law a requirement that newly-manufactured semiautomatic pistols be "microstamp-ready."

(b) Microstamping creates microscopic markings on a cartridge after a firearm is fired that identify the make, model, and serial number of the firearm, allowing law enforcement to identify a firearm the first time it is used in a crime.

(c) In 2007, California became the first state to require microstamping on all new models sold in the state.

(d) The District's microstamping requirement was initially to be implemented in 2011, in order to incorporate best practices learned from California's experience. However, D.C. Law 18-377, the Criminal Code Amendment Act of 2010, delayed the applicability date from January 1, 2011, until January 1, 2013. At that time, California had only recently issued regulations on microstamping. Because California was only beginning to put microstamping into practice, the Council voted to delay the District's implementation in order to allow the model being developed in California to be further refined.

(e) D.C. Law 19-170, the Firearms Amendment Act of 2012, again delayed – to January 1, 2014 – implementation of microstamping in the District after the process faced further delay in California due to patents on the technology. Implementation was postponed because of the very small nature of the District's market. The view was that once California, a much larger market, implemented microstamping, implementation would become more feasible in the District.

(f) As California continues to work toward implementation of microstamping, it is again necessary to delay the implementation of the District's microstamping requirement to allow for more time for implementation to take hold in California.

(g) The law must be amended now to delay the implementation requirement from January 1, 2016 to January 1, 2018, given that the current implementation date is approaching.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Microstamping Implementation Emergency Amendment Act of 2015 be adopted after a single reading.

Proposed Resolution 21-507

***See* Emergency D.C. Act 21-283 21 DCStat 2734**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Day Care Policy Act of 1979 to establish a pilot, community-based Quality Improvement Network that will allow children and families to benefit from early, continuous, intensive, and comprehensive child development and family-support engagement services, including educational, health, nutritional, behavioral, and family-support services.

Early Learning Quality Improvement Network Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Early Learning Quality Improvement Network Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District of Columbia leads the nation in providing high-quality pre-K to 3- and 4-year olds. In order to ensure that the District's youngest children are prepared when they enter our pre-K programs, a need exists to increase the quality child care and services that our 0-3 year old population receives.

(b) Currently, 3,542 children ages 0-3 years receive child care subsidy in the District of Columbia, and of those children, 38% come from families with no income, 63% come from families whose incomes are under 100% of the federal poverty level ("FPL"), and 75% come from families whose incomes are under 130% of the FPL. These are generally the District's most vulnerable residents who need comprehensive services and a continuity of care to ensure that they are poised to succeed when they enter pre-K and kindergarten.

(c) In order to address the needs of the population discussed in subsection (b) of this section and their families, the Office of the State Superintendent of Education ("OSSE") is creating a pilot Early Learning Quality Improvement Network ("QIN") composed of child development facilities that will serve as hubs to provide quality improvement technical assistance and comprehensive services to licensed child development centers and licensed child development homes. The child development centers and child development homes will provide low-income infants and toddlers high-quality, full-day, full-year comprehensive early learning and development services, including health, mental health, nutrition, and family engagement support, and a continuum of care.

(d) The pilot QIN will allow the District to demonstrate the effectiveness of an evidence-based model of infant and toddler child care to support children's learning and development outcomes. Federal studies of use of the Early Head Start standards have shown improved cognitive skills and social development by the age of 3 years. Thus, better preparation of the District's youngest children will allow them to be more successful later in school, as well as lead to long-term positive social and educational outcomes.

(e) Under current District law, children receiving child care subsidy are not guaranteed continuity of care, as their subsidy status is linked to their guardian's employment status. Thus, if a parent loses his or her job, his or her child will lose subsidy and thus child care. This disruption is particularly detrimental to these children, as they are often the population with the greatest need for consistency and continuity. Thus, a need exists to allow the children in the pilot QIN to continue to receive child care subsidy, and therefore child care, in spite of the employment status of their guardian.

(f) In August 2014, OSSE applied for a federal Department of Health and Human Services grant to support the QIN. This federal grant requires recipients to provide continuity of care for children participating in the QIN. To date, OSSE has heard from the HHS that we are in the fundable range and thus anticipate receiving the federal grant, thereby further elevating the need for this legislation.

(g) Additionally, the federal HHS grant requires recipients to provide children enrolled in the QIN free child care and comprehensive services. Under current District law, this is not possible. While a child's family may receive subsidy to cover his or her child care, the law still requires the parent to pay for a portion of the child care based on a sliding scale adjusted for the guardian's income level. Therefore, in order to fulfill the requirement of the federal grant, as well as to ensure that the District's most vulnerable population has access to complete and comprehensive health, mental health, nutrition, and family engagement services, a need exists for the children included in the pilot QIN to be exempt from the payment requirement sections of the Day Care Policy Act of 1979.

(h) The permanent version of legislation to implement the QIN, the Early Learning Quality Improvement Network Amendment Act of 2015, enacted December 17, 2015 (D.C. Act 21-231; 62 DCR 16261), was passed by the Council on December 1, 2015 and signed by the Mayor on December 17, 2015. It awaits transmittal to Congress for a 30-day review period.

(i) As the permanent version of the legislation made its way through the legislative process, on October 6, 2015, the Council passed this legislation on an emergency and temporary basis. The emergency legislation will expire on January 25, 2016 and the temporary legislation is projected to become law on January 29, 2016.

(j) This congressional review emergency is necessary to prevent a gap in the law. There are 400 children enrolled in QIN and it is important that this program continues for those families.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Early Learning Quality Improvement Network Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Education Licensure Commission Act of 1976 to change the name of the Education Licensure Commission to the Higher Education Licensure Commission, to extend authority to the commission to require institutions physically located outside the District of Columbia offering postsecondary degree-granting or non-degree-granting online programs or courses to District of Columbia residents physically in the District to be licensed in the District, to permit members of the commission to serve in a hold-over capacity for no more than 180 days after expiration of their second full consecutive term, to provide the commission with the authority to enter into reciprocity agreements with regards to online courses, and to authorize the commission to impose alternative sanctions for violations of provisions of the act or regulations promulgated under the authority of the act; to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to increase the annual compensation of members of the Higher Education Licensure Commission from $4,000 to $8,000; to amend the State Education Office Establishment Act of 2000 to designate the Office of the State Superintendent of Education the state portal agency for state authorization reciprocity; and to amend the Office of Administrative Hearings Establishment Act of 2001 to make a conforming amendment.

Higher Education Licensure Commission Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Higher Education Licensure Commission Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District of Columbia seeks to ensure that a wide array of post-secondary learning opportunities are available for our residents. Across the country, at least 7 million students are using online technology to access post-secondary courses. Post-secondary online distance education expands learning opportunities by providing flexible, accessible methods to acquiring new skills and fulfilling degree requirements.

(b) The rapid growth of distance education has brought to the forefront the need to provide a coherent and comprehensive structure that focuses on consumer protection and security while maintaining the unique features of online distance learning. Students in online distance education programs require stronger protections because they are completing their courses and programs outside of the visibility of traditional oversight and monitoring structures. Many other states have already taken the step to protect their residents, and the District must move forward to keep up with best practices in post-secondary licensing.

(c) Since the current Education Licensure Commission law does not specifically require schools outside of the District offering online distance education programs to District residents to be licensed, District residents are left unprotected against unethical practices by false or misleading postsecondary entities. Therefore, a need exists to protect District residents who may

be unable to assess the legitimacy, quality, or legality of a post-secondary educational institution.

(d) Currently, over 100 postsecondary institutions outside of the District are already providing distance education to District residents and have inquired with the Education Licensure Commission about getting licensed. Until the changes proposed in this emergency legislation are made, there is no guidance that the Education Licensure Commission can provide to these institutions, and there are no basic standards or safeguards that the Education Licensure Commission can require of these institutions.

(e) Furthermore, District-based postsecondary institutions that are engaging in distance education in other jurisdictions must navigate multiple state licensing requirements that are both cumbersome and costly. The changes in this emergency legislation will allow the Education Licensure Commission to enter into reciprocity agreements with other jurisdictions regarding licensing online distance education programs, which would result in ensuring security and consumer protections while making the process and costs for providing distance education far less involved.

(f) The Education Licensure Commission has already entered into a State Authorization Reciprocity Agreement ("SARA"), per authority provided by the Education Licensure Commission Temporary Amendment Act of 2014, effective March 13, 2015 (D.C. Law 20-239; 62 DCR 4510) ("Temporary Act"). That Temporary Act expired on October 24, 2015, and the Council passed emergency and temporary legislation (D.C. Law 21-158 and D.C. Law 21-172) to ensure the Education Licensure Commission could maintain the SARA while the permanent legislation worked its way through the process.

(g) This emergency legislation is necessary to prevent a gap in the law as the most recent emergency legislation is set to expire on January 14, 2016, but the temporary legislation is not projected to become law until January 21, 2016.

(h) Without this emergency legislation, private and public higher education institutions in the District, including the University of the District of Columbia ("UDC"), will have to pay fees to each state to conduct online learning programs in their respective states. This is extremely expensive and burdensome for the District's institutions of higher learning. Thus, this emergency legislation, through the SARA, will save both UDC and the District's private higher education institutions in the District tens of thousands of dollars in fees in the coming months.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Higher Education Licensure Commission Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-509

See Emergency D.C. Act 21-285 21 DCStat 2741

To declare the existence of an emergency, due to congressional review, with respect to the need to amend An Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes to clarify that, for purposes of determining whether the referral of a minor student 14 years of age through 17 years of age to the Court Social Services Division of the Superior Court of the District of Columbia and to the Office of the Attorney General Juvenile Section for the accrual of 15 unexcused absences during School Year 2015-2016 is required, the term unexcused absence may mean an unexcused full school day absence.

Truancy Referral Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Truancy Referral Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) Over the past 5 years, the Council of the District of Columbia has passed 3 laws: the Safe Children and Safe Neighborhoods Educational Neglect Mandatory Reporting Amendment Act of 2010, effective October 26, 2010 (D.C. Law 18-242; 57 DCR 7555); the South Capitol Street Memorial Amendment Act of 2012, effective June 7, 2012 (D.C. Law 19-141; 59 DCR 3083); and the Attendance Accountability Amendment Act of 2013, effective September 19, 2013 (D.C. Law 20-17; 60 DCR 14501); with the goal of reducing chronic truancy.

(b) In particular, the Attendance Accountability Amendment Act of 2013 requires educational institutions to refer a minor student 14 through 17 years of age to the Court Social Services ("CSS") Division of the Superior Court of the District of Columbia and to the Office of the Attorney General ("OAG") Juvenile Section after the student has accrued 15 unexcused absences within a school year. The goal of this mandate was to facilitate interagency coordination and to ensure that students who continuously miss full days of school receive the services and interventions that they need.

(c) However, students who miss more than 20% of the school day, and thus are not "present," as defined by section 2199 of Title 5-A of the District of Columbia Municipal Regulations, are being counted as absent. Because many of the District's high schools operate on a block schedule, this results in a student being considered absent if he or she misses one period of the school day even though he or she may be present the rest of the school day. If this occurs on 15 or more days, the student is referred to CSS and OAG, as the statute requires a referral after 15 unexcused absences. Thus, a student may be referred to CSS or OAG even though he or she has not been chronically truant but instead has been chronically tardy. This has resulted in over-referrals to CSS, thereby saturating the system and diverting limited

resources away from those students and families that are truly in need of CSS or OAG intervention.

(d) Chronic truancy is inherently different from chronic tardiness. Chronic truancy involves continual and complete absence from school, often signaling other issues, whether they be social, emotional, mental, familial, or academic, in a child's life and thus necessitates a myriad of interventions from various District agencies. Chronic tardiness, on the other hand, may signal that a student needs aid in getting to school but does not necessitate serious intervention, such as referral to CSS and OAG.

(e) Without this immediate change, chronic truancy and chronic tardiness will continue to be conflated, thereby resulting in students who are not truly truant being identified as such and leading to their involvement with the juvenile justice system. While schools should work with youth who display a pattern of chronic tardiness, such behavior does not rise to the level of requiring a referral to the courts or to OAG. Thus, on October 6, 2015, the Council passed the Truancy Referral Emergency Amendment Act of 2015, effective October 22, 2015 (D.C. Act 21-180; 62 DCR 14004) (the "emergency legislation") to clarify that for the purposes of CSS and OAG referral, an educational institution may ignore the "80/20" rule and consider an unexcused absence to be an unexcused full school day absence.

(f) On November 3, 2015, the Council passed the Truancy Referral Temporary Amendment Act of 2015, enacted on November 23, 2015 (D.C. Act 21-208; 62 DCR 15600) (the "temporary legislation"). On December 4, 2015, the temporary legislation was transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(g) The emergency legislation will expire on January 20, 2016; however, the temporary legislation is not expected to become law until January 29, 2016. A congressional review emergency is necessary to ensure that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation becomes law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Truancy Referral Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Proposed Resolution 21-511

***See* Emergency D.C. Act 21-287 21 DCStat 2744**

To declare the existence of an emergency, due to congressional review, with respect to the need to institute a moratorium on the issuance of permits for the construction or operation of automobile paint spray booths in Ward 5; provided, that the moratorium shall not apply to permits for automobile paint spray booths that meet certain conditions.

Ward 5 Paint Spray Booth Conditional Moratorium Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Ward 5 Paint Spray Booth Conditional Moratorium Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) It is necessary to place a moratorium on the issuance of permits to construct and the issuance and renewal of permits to operate automobile paint spray booths within Ward 5 that do not meet certain standards.

(b) This emergency legislation addresses the immediate and longstanding concerns of residents who are adversely affected by the noxious and possibly injurious fumes emanating from already existing paint spray booth operators. Not all operators are in compliance with current law and even those that are, due to the low threshold of certain regulations, persistently pollute the air with such fumes.

(c) There are several pending automobile paint spray booth permit applications in Ward 5 under consideration before the District Department of the Environment. The possible granting of these permits will exacerbate the problem by adding new operators within a ward with an already high concentration of such operators.

(d) The effects of the noxious and possibly injurious fumes emanating from automobile paint spray booths have a negative impact on property values within the ward as well as the quality of life of its residents.

(e) The Council previously enacted the Air Quality Amendment Act of 2014, effective September 9, 2014 (D.C. Law 20-135; 61 DCR 9968). One of the purposes of this law is to combat toxic odors. Despite that enactment, however, the complaints from residents due to such odors caused by automobile paint spray booths remain frequent and steady.

(f) Approval of emergency legislation was necessary to avoid these unintended effects. Therefore, on October 6, 2015, the Council passed the Ward 5 Paint Spray Booth Conditional Moratorium Emergency Act of 2015, effective October 27, 2015 (D.C. Act 21-189; 62 DCR 14227) (the "emergency legislation").

(g) On November 3, 2015, the Council passed the Ward 5 Paint Spray Booth Conditional Moratorium Temporary Act of 2015, enacted November 23, 2015 (D.C. Act 21-210; 62 DCR 15605) (the "temporary legislation").

(h) The emergency legislation will expire on January 25, 2016; however, the temporary legislation is not expected to become law until January 29, 2016. Proposed Resolution 21-512

See Emergency D.C. Act 21-288 21 DCStat 2747

To declare the existence of an emergency, due to congressional review, with respect to the need to establish that it shall be unlawful for the owner or operator of a grocery store to impose a restrictive land covenant or use restriction on the sale, or other transfer, or lease of real property used as a grocery store that prohibits the subsequent use of the property as a grocery store.

Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) In late 2014, it was reported that the Safeway at 4865 MacArthur Boulevard was offered for sale. In previous store and property sales, Safeway required that a purchaser of its property agree to a covenant prohibiting reuse of the property for a similar or analogous use; that is, that the property may not be used as a grocery store or retail food establishment of any kind. This type of restriction is harmful to residents. And, in the Macarthur Boulevard instance, it is harmful to the residents of the neighborhood as the next closest grocer is approximately 2.5 miles away.

(b) Restrictive covenants and other use restriction policies related to grocery stores are harmful and limit a community's access to fresh food.

(c) Maintaining a grocery store within an urban neighborhood is vital, particularly since many residents rely heavily on walking as a means of access to fresh food.

(d) Seniors and low-income residents especially rely on food retailers in close proximity to their homes as they often face mobility challenges or have limited access to vehicles.

(e) A lack of stores offering healthy food options leads to unhealthy food choices and related health problems.

(f) These restrictive covenants are contrary to the American standard of a free market and open competition.

(g) As development in the District continues and the city sees continued population increases, it is vital that every neighborhood has access to essential grocery-store services. Restrictive covenants undermine food-services competition and the advent of revitalized communities with large and small retailers, including independent butchers and bakeries.

(h) The circumstances described in this section underscore the need for the Council to act to prohibit such restrictive covenants and prevent the creation of food deserts in the District.

(i) Further, this congressional review emergency legislation is necessary to ensure that there is no gap between when the Grocery Store Restrictive Covenant Prohibition Emergency Act of 2015 expires and when the Grocery Store Restrictive Covenant Prohibition Temporary Act of 2015 becomes effective.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Wage Theft Prevention Correction and Clarification Congressional Review Emergency Declaration Resolution of 2016

To declare the existence of an emergency, due to congressional review, with respect to the need to clarify and improve the laws prohibiting wage theft and the enforcement of those laws.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Correction and Clarification Congressional Review Emergency Declaration Resolution of 2016".

(b) In late 2015, the Council enacted the Wage Theft Prevention Correction and Clarification Emergency Amendment Act of 2015, effective October 27, 2015 (D.C. Act 21-188; 62 DCR 13764) ("emergency legislation"), which addressed the above-referenced issues. The emergency legislation expires on January 22, 2016.

(c) Temporary legislation, the Wage Theft Prevention Correction and Clarification Temporary Amendment Act of 2015, enacted on November 23, 2015 (D.C. (b) The emergency legislation expires on January 17, 2016. The temporary legislation was transmitted to Congress on November 5, 2015, for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. (b) Part 2 of Title II of the Act increased the prohibitions against conversion of a full-service retail service stations by adding the prohibition that such a station cannot be discontinued or be converted into any other use without a waiver.

(c) It is important to protect the integrity of doing business in and with the District by protecting those businesses that were in the process of converting their property or business into a non-service station enterprise before the Act became law.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes to extend the time in which the Mayor may dispose of certain District-owned real property located at the northeast corner of Sixth and E Streets, S.W., known for tax and assessment purposes as Lot 0036 in Square 0494, and to make conforming amendments to the Fourth/Sixth and E Streets, S.W., Property Disposition Resolution of 2009.

Extension of Time to Dispose of Property Located at Sixth and E Streets, S.W., Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Extension of Time to Dispose of Property Located at Sixth and E Streets, S.W., Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District owns real property located at the northeast corner of Sixth and E Streets, S.W., known for tax and assessment purposes as Lot 0036 in Square 0494 ("Property") being used for the construction of a mixed-use development, which was approved by the Council pursuant to the Fourth/Sixth and E Streets, S.W., Property Disposition Approval Resolution of 2009, effective November 3, 2009 (Res. 18-290; 56 DCR 8799).

(b) E Street Development Group, LLC, a joint venture led by Potomac Investment Properties and CityPartners ("Developer") was selected in 2009, through a competitive RFP process, to redevelop property located at 4th and E Streets, S.W., and 6th and E Streets, S.W.

(c) The redevelopment was planned to include building a new fire station (the "Fire Station") for Engine Company 13 within a mixed-use building and a new mixed-use commercial project on the site of the existing fire station.

(d) Phase 1 of the project is under construction and slated to deliver by early 2016. However, due to permit and weather delays, the Fire Station did not achieve Final Completion (Phase 2) as planned before the Mayor's authority to dispose of the property expired on November 3, 2015.

(e) Approval of emergency legislation was necessary to extend the time to dispose of the property and to avoid the expiration of the Council's approval of the disposition. Therefore, on October 6, 2015, the Council passed the Extension of Time to Dispose of Property Located at Sixth and E Streets, S.W., Emergency Amendment Act of 2015, effective October 27, 2015 (D.C. Act 21-181; 62 DCR 14209) (the "emergency legislation").

(f) On November 3, 2015, the Council passed the Extension of Time to Dispose of Property Located at Sixth and E Streets, S.W., Amendment Act of 2015, enacted on November 30, 2015 (D.C. Act 21-213; 62 DCR 15612) (the "permanent legislation").

(g) The emergency legislation will expire on January 25, 2016; however, the permanent legislation is not expected to become law until February 1, 2016. A congressional review

emergency is necessary to ensure that the provisions of the emergency legislation continue in effect, without interruption, until the permanent legislation becomes law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Extension of Time to Dispose of Property Located at Sixth and E Streets, S.W., Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Fiscal Year 2016 Budget Support Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2016 Budget Support Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) On June 30, 2015, the Council passed the Fiscal Year 2016 Budget Support Act of 2015, effective October 22, 2015 (D.C. Law 21-36; 62 DCR 10905) (the "Act"), and an emergency version of the legislation, the Fiscal Year 2016 Budget Support Emergency Act of 2015, effective July 27, 2015 (D.C. Act 21-127; 62 DCR 10201).

(g) As such, it is necessary to adopt the provisions of the first emergency act on an emergency basis in order to prevent a gap in the law.

(h) As with the first emergency act, the present emergency legislation:

(1) Clarifies the scope of funding for the WMATA Operations Support Fund;

(2) Repeals the subject-to-appropriations clause for section 103(c) of the Sustainable Solid Waste Management Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-154; 62 DCR 3600);

To declare the existence of an emergency with respect to the need to amend the Accrued Sick and Safe Leave Act of 2008 to clarify that employees in the building and construction industry covered by a bona fide collective bargaining agreement shall be exempted from the paid leave requirements of the act only if the agreement expressly waives those requirements; to amend the Minimum Wage Act Revision Act of 1992 to exempt an employer from keeping precise time records for bona fide executive, administrative, and professional, as well as certain other, employees, to require an employer or a temporary staffing firm to provide notice regarding payment to an employee in a second language if the Mayor has made available a translation of the sample notice template in that second language and the employer knows that second language to be the employee's primary language or the employee requests notice in that second language, and to require the Mayor to make available, in any language required for a vital document under the Language Access Act of 2004, a translation of the sample template to be used by an employer or a temporary staffing firm when providing notice to an employee regarding payment; and to amend An Act To provide for the payment and collection of wages in the District of Columbia to continue to exempt an employer from paying wages to bona fide executive, administrative, and professional employees at least twice during each calendar month, provided that the employer pays wages to such employees at least once per month.

Wage Theft Prevention Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) On July 14, 2014, the Council unanimously passed the Wage Theft Prevention Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-157; 61 DCR 10157) (the "Act") to prevent employers' failure to pay earned wages through enforcement by the District and to create a private right of action for injured employees.

(b) Since the passage of the Act, the Council has identified several unintended consequences of the Act, including the requirement that all employees, including white-collar, salaried employees, be paid at least twice per month, the requirement that employers keep records of the "precise time worked" each day and each workweek by all employees, including those not compensated on an hourly or other unit-of-time basis, and the requirement that an employer provide notice to an employee regarding payment in an employee's primary language, without providing a limit on the languages in which that notice must be furnished.

(c) It was not the Council's intent to require that white-collar, salaried employees be paid at least twice a month or to require an employer to keep records of the precise time worked by all employees, including those not compensated on an hourly or other unit-of-time basis. Further, requiring notice to be furnished in any language that might be an employee's primary language will be unnecessarily burdensome and costly.

(d) To address these unintended consequences, on February 3, 2015, the Council passed the Wage Theft Prevention Clarification Emergency Amendment Act of 2015, effective February 26, 2015 (D.C. Act 21-8; 62 DCR 2669) (the "emergency legislation"), and, on March 3, 2015, the Council passed the Wage Theft Prevention Clarification Temporary Amendment Act of 2015, effective June 4, 2015 (D.C. Law 21-2; 62 DCR 4552) (the "temporary legislation").

(e) The emergency legislation has expired and the temporary legislation will expire on January 15, 2016.

(f) Since the passage of the emergency legislation and the temporary legislation, it also has come to the Council's attention that the Act inadvertently deleted language allowing employees in the building and construction industry to bargain to waive the paid leave requirements of the Accrued Sick and Safe Leave Act of 2008, effective May 13, 2008 (D.C. Law 17-152; D.C. Official Code § 32-131.01 *et seq*.), through a bona fide collective bargaining agreement. Instead, the Act exempts building and construction industry employees covered by a bona fide collective bargaining agreement from those paid leave requirements, regardless of whether the agreement addresses sick leave.

(g) Blanket exemption of this group of employees from the paid leave requirements was not the Council's intent and should be rescinded without delay.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Wage Theft Prevention Clarification Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to change the procedures for presidential candidates to be placed on the primary election ballot.

Presidential Primary Ballot Access Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Presidential Primary Ballot Access Emergency Declaration Resolution of 2016".

Sec. 2. (a) The rules for qualifying a political party member to be listed on the ballot as a candidate for nomination for United States President in the District of Columbia's presidential primary election are, or may be, inconsistent with the rules of political parties for such listing.

(b) District of Columbia law should allow each political party to determine its own rules for ballot access as long as the rules are otherwise consistent and fair.

(c) The next primary election will take place on June 14, 2016. Under current law, candidates must submit their petitions to the District of Columbia Board of Elections by March 16, 2016, to be listed on the ballot.

(d) Changes to the petition process must therefore occur before the March 16 deadline to allow for candidates, political parties, and the District of Columbia Board of Elections to plan accordingly.

(e) The Council passed similar amendments to the law concerning petitions for the 2004, 2008, and 2012 presidential primary elections.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Presidential Primary Ballot Access Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

***See* Emergency D.C. Act 21-289 21 DCStat 2749**

To declare the existence of an emergency with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to clarify that a District government attorney, hearing officer, or administrative law judge who is required to be a member of the District of Columbia Bar as a prerequisite of employment shall file a Certificate of Good Standing from the Committee on Admissions of the District of Columbia Court of Appeals with the Department of Human Resources by December 15 of each year, to allow an attorney employed by the Council of the District of Columbia to file a Certificate of Good Standing with the Office of the Secretary to the Council of the District of Columbia, to allow the Director of the Department of Human Resources or the Secretary to the Council of the District of Columbia to verify good standing through electronic means, to clarify that the Director of the Department of Human Resources and the Secretary to the Council of the District of Columbia shall publish in the District of Columbia Register, on an annual basis, a list of all attorneys, hearing officers, and administrative law judges who have not met the Certificate of Good Standing filing requirement, and to authorize the Secretary to the Council of the District of Columbia to issue policy directives regarding timing, wavier, and notice of the Certificate of Good Standing filing requirement.

Certificate of Good Standing Filing Requirement Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Certificate of Good Standing Filing Requirement Emergency Declaration Resolution of 2016".

Sec. 2. (a) On December 17, 2014, the Council passed the District Government Certificate of Good Standing Filing Requirement Amendment Act of 2014, effective March 13, 2015 (D.C. Law 20-241; 62 DCR 1335) (the "Act"), which clarified that hearing officers and administrative law judges are required to file a Certificate of Good Standing if their employment requires that they be members of the District of Columbia Bar. Previously, the law required only attorneys to file such certificates, but it was discovered in 2014 that certain administrative law judges and hearing officers were allegedly presiding over their cases without being in good standing with the District of Columbia Bar. In order to close this loophole, the Council passed the Act.

(b) Additionally, the Act transferred responsibility for collecting Certificates of Good Standing from the District's Department of Human Resources ("DCHR") to the Board of Ethics and Government Accountability ("BEGA"). However, enforcement and regulatory authority remains with DCHR. Thus, the Act created a bifurcated process in which one agency, BEGA, acts solely as a repository for the Certificates of Good Standing, but another agency, DCHR, is responsible for ensuring that attorneys, hearing officers, and administrative law judges comply with the law and is the agency with rulemaking authority. In order to streamline the process and to prevent duplicity, it is necessary to transfer collection authority back to DCHR.

(c) Further, section 881 of the District of Columbia Government Comprehensive Merit

Personnel Act of 1978, effective July 25, 2002 (D.C. Law 14-182; D.C. Official Code § 1-608.81), requires attorneys employed by an independent agency to file certificates of good standing with DCHR if they meet the applicable requirements. The District of Columbia Government Comprehensive Merit Personnel Act of 1978, confusingly, and incorrectly, defines the Council of the District of Columbia as an "independent agency."

(d) Accordingly, the law currently requires attorneys employed by the Council of the District of Columbia to file their Certificates of Good Standing with DCHR, which falls under the executive branch of the District government. This violates the spirit of separation of powers, as it requires legislative branch employees to report to an agency overseen by the executive branch. Thus, this emergency clarifies that an attorney employed by the Council of the District of Columbia who is required to file a Certificate of Good Standing shall file his or her certificate with the Office of the Secretary to the Council of the District of Columbia and not with DCHR.

(e) In order to further aid DCHR and the Office of the Secretary to the Council of the District of Columbia in streamlining this process, and to reduce the burden on the District of Columbia Court of Appeals, DCHR, and the Office of the Secretary to the Council of the District of Columbia, the proposed emergency legislation would allow DCHR and the Office of the Secretary to the Council of the District of Columbia to verify the good standing of attorneys, hearing officers, and administrative law judges through electronic means.

(f) Given that the law mandates that all applicable individuals file a Certificate of Good Standing by December 15 of each year and that BEGA and DCHR already have begun the process for calendar year 2015, it is necessary that the Council immediately clarify the process so that these agencies may take prompt action. Moreover, immediate Council action is necessary so that attorneys employed by the Council of the District of Columbia may file a Certificate of Good Standing for calendar year 2015 with the Office of the Secretary to the Council of the District of Columbia without violating section 881 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective July 25, 2002 (D.C. Law 14-182; D.C. Official Code § 1-608.81).

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Certificate of Good Standing Filing Requirement Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Marijuana Possession Decriminalization Amendment Act of 2014 to clarify that, for the purposes of the act, a private club is a place to which the public is invited, but does not include a private residence, and that the prohibition on consumption of marijuana in public is not limited by the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014; and to amend Chapter 28 of Title 47 of the District of Columbia Official Code to require the Mayor to revoke any certificate of occupancy or permit held by an entity that knowingly permits a violation of section 301(a) of the Marijuana Possession Decriminalization Amendment Act of 2014 to occur at the specific address or unit identified in the certificate of occupancy or permit.

Marijuana Possession Decriminalization Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Marijuana Possession Decriminalization Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) On March 4, 2014, the Council of the District of Columbia enacted the Marijuana Possession Decriminalization Amendment Act of 2014, effective July 17, 2014 (D.C. Law 20-126; 61 DCR 3482).

(b) Although the Marijuana Possession Decriminalization Amendment Act of 2014 decriminalizes the possession or transfer of one or fewer ounces of marijuana, it also makes plain that consumption of marijuana in a public space, which includes any place to which the public is invited, remains subject to criminal penalties.

(c) On November 4, 2014, District of Columbia voters approved the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014, effective February 26, 2015 (D.C. Law 20-153;62 DCR 880), which legalizes the possession and use of 2 or fewer ounces of marijuana under certain circumstances.

(d) When applied together, the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014 and the Marijuana Possession Decriminalization Amendment Act of 2014 continue to prohibit consumption of marijuana in a public space, including any place to which the public is invited. The measures do not further define a place to which the public is invited. Consequently, it is unclear whether a private club is a place to which the public is invited.

(e) In order to address whether marijuana consumption is permitted in a private club, on March 3, 2015, the Council approved the Marijuana Decriminalization Clarification Emergency Amendment Act of 2015, effective March 26, 2015 (D.C. Act 21-0019; 62 DCR 3857), and the Marijuana Decriminalization Clarification Temporary Amendment Act of 2015, effective June 4, 2015 (D.C. Law 21-0011; 62 DCR 4717), to clarify that, for the purposes of the act, a private

club is a place to which the public is invited, but does not include a private residence, and that the prohibition on consumption of marijuana in public is not limited by the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014.

(f) The emergency and temporary legislation additionally amended Chapter 28 of Title 47 of the District of Columbia Official Code to require the Mayor to revoke any license, certificate of occupancy, or permit held by an entity that knowingly permits a violation of section 301(a) of the Marijuana Possession Decriminalization Amendment Act of 2014 to occur at the specific address or unit identified in the license, certificate of occupancy, or permit.

(g) The Committee on the Judiciary held a public hearing on the permanent version of the legislation, Bill 21-107, on December 10, 2015, but the temporary legislation will expire on January 15, 2016, before the permanent version will be marked up by the Committee.

(h) In order to prevent a gap in the law, the Council must now pass this emergency and temporary legislation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Marijuana Possession Decriminalization Clarification Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to create a rebate program for the installation and registration of a security camera system on the exterior of a building owned or leased as a residence, business, nonprofit, or religious institution, and to establish a special fund to implement the rebate program.

Private Security Camera Incentive Program Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Private Security Camera Incentive Program Emergency Declaration Resolution of 2016".

Sec. 2. (a) District residents, building owners, businesses, nonprofits, and religious institutions should be encouraged to take proactive steps to guard against criminal activity.

(b) In any criminal investigation, the availability of security camera footage is of significant assistance to law enforcement agencies, both to identify possible suspects and to determine how the crime was committed.

(c) The creation of an incentive program to purchase and install a security camera system and register the system with the Metropolitan Police Department ("MPD") would increase public safety.

(d) Registering a system will help MPD identify possible sources of video footage following crime in a neighborhood, and will increase the likelihood that, upon request, video footage will be shared with MPD to help identify suspects, shed light on how the crimes were committed, and possibly assist in prosecution.

(e) Even the visible presence of security cameras on the exterior of a building can serve as a deterrent to criminal activity; at the same time, the District government must emphasize that private security cameras under this incentive program are not to be used to intentionally monitor specific individuals conducting lawful activity.

(f) The District's public safety will immediately benefit from launching a security camera system incentive program.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Private Security Camera Incentive Program Emergency Act of 2016 be adopted after a single reading.

Athletic Field Naming and Sponsorship Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Athletic Field Naming and Sponsorship Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District of Columbia is undertaking a philanthropic partnership with the Washington Nationals baseball club to renovate a Department of Parks and Recreation athletic field slated for completion in the early spring of 2016.

(b) On September 16, 2015, Chairman Phil Mendelson and Councilmembers Evans, Allen, and Cheh introduced the Athletic Field Naming and Sponsorship Amendment Act of 2015, enacted on December 17, 2015 (D.C. Act 21-233; 62 DCR 16266) (the "permanent legislation"). The permanent legislation was referred to the Committee of the Whole, which reported the bill favorably on October 20, 2015. The legislation received final reading on December 1, 2015, but will not become effective until approximately March 5, 2016 due to the 30-day congressional review period.

(c) Companion emergency legislation, the Athletic Field Naming and Sponsorship Emergency Amendment Act of 2015, effective November 23, 2015 (D.C. Act 21-201; 62 DCR 15274) (the "emergency legislation"), was adopted by the Council at the time of the first reading of the permanent legislation on November 3, 2015, and will expire on February 21, 2016.

(d) Based on the schedule for the permanent legislation, it does not seem likely that the District will have the authority to enter into this agreement with sufficient time for the required agreements to be executed and the field renovations to occur.

(e) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the permanent legislation is law.

Fiscal Year 2016 Budget Support Clarification Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2016 Budget Support Clarification Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) On June 30, 2015, the Council passed the Fiscal Year 2016 Budget Support Act of 2015, effective October 22, 2015 (D.C. Law 21-36; 62 DCR 10905) (the "Act"), and an emergency version of the Act, the Fiscal Year 2016 Budget Support Emergency Act of 2015, effective July 27, 2015 (D.C. Act 21-127; 62 DCR 10201).

(b) Subsequently, it was discovered that several provisions within those measures were in need of technical corrections or further clarification.

(c) On September 22, 2015, the Council passed the Fiscal Year 2016 Budget Support Clarification Emergency Amendment Act, effective October 1, 2015 (D.C. Act 21-164; 62 DCR 13734) (the "first emergency act"), which made several clarifications to the Act.

(d) On November 3, 2015, the Council passed the Fiscal Year 2016 Second Budget Support Clarification Emergency Amendment Act of 2015, effective November 23, 2015 (D.C. Act 21-202; 62 DCR 15276) (the "second emergency act"), which made other necessary clarifications to the Act.

(e) On December 1, 2015, the Council passed the Fiscal Year 2016 Budget Support Clarification Temporary Amendment Act of 2015, enacted December 29, 2015 (D.C. Act 21-252; 63 DCR 264) (the "temporary act"), corresponding temporary legislation that combines the provisions of the first emergency act and the second emergency act.

(f) The provisions contained in the first emergency act were set to expire on January 14, 2015, but were continued by a third emergency measure, the Fiscal Year 2016 Budget Support Clarification Emergency Amendment Act of 2016, effective January 27, 2016 (D.C. Act 21-292; 63 DCR _____) (the "third emergency act"). In addition to the provisions originally contained in the first emergency act, the third emergency act contained a technical clarification to Title 47 of the D.C. Official Code. Due to this additional clarification, the third emergency act was approved as standard emergency legislation and not as a congressional review emergency.

(g) The provisions contained in the second emergency act are set to expire on February 21,

2016. As the temporary act is not projected to become law until March 15, 2016, this congressional review emergency is necessary to prevent a gap in the law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2016 Budget Support Clarification Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to order the closing of portions of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128 in Ward 5.

Closing of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W. in Square 3128, S.O. 13-09432, Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W. in Square 3128, S.O. 13-09432, Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to close portions of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128, which are paper streets that traverse the site of the former McMillan Sand Filtration Plant in Ward 5. The McMillan site is owned by the District and the Office of the Deputy Mayor for Planning and Economic Development is actively overseeing its redevelopment into a mix of residential, commercial, and recreational uses. Emergency legislation to close the streets within the McMillan site is necessary to permit the immediate subdivision of the property into townhome, commercial, multifamily, and District parcels. Subdivision is necessary to ensure that the needed permits can be obtained, the land disposition and development agreements can be executed, and the complex horizontal and vertical development activities can be completed according to the project schedule and within the disposition authority provided for in the McMillan Townhomes Parcel, Commercial Parcel, and Multifamily Parcels Disposition Extension Approval Resolution of 2015, effective November 3, 2015 (Res. 21-253; 63 DCR _____). The development project was approved by the Council pursuant to the McMillan Residential Townhomes Parcel Disposition Approval Resolution of 2014, effective December 2, 2014 (Res. 20-705; 62 DCR 1091), the McMillan Residential Multifamily Parcels Disposition Approval Resolution of 2014, effective December 2, 2014 (Res. 20-706; 62 DCR 1094), and the McMillan Commercial Parcel Disposition Approval Resolution of 2014, effective December 2, 2014 (Res. 20-707; 62 DCR 1097).

Plaza West Disposition Restatement Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Plaza West Disposition Restatement Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District conveyed property designated for tax and assessment purposes as Lot 25 in Square 526, commonly known as the Golden Rule Property ("Property"), to Golden Rule Plaza, Inc. ("Developer") on October 28, 2005, in accordance with the proposal submitted by the Developer.

(b) At the time of the conveyance, the proposed development included an affordable senior citizens apartment building, a senior day care facility, and an intergeneration center ("Initial Project").

(c) Since 2005, the Developer has been preparing the site and securing the financing for the redevelopment of the Property. During this time, the Initial Project has been revised to contain approximately 223 units of affordable housing, with supportive services, outdoor space, parking, and any ancillary uses allowed under applicable law ("Amended Project").

A RESOLUTION

Proposed Resolution 21-538

***See* Emergency D.C. Act 21-301 21 DCStat 2769**

To declare the existence of an emergency, due to congressional review, with respect to the need to enact the Uniform Interstate Family Support Act, as revised with amendments officially adopted by the National Conference of Commissioners on Uniform State Laws and to ensure that the act will remain in effect without a gap in the law.

Uniform Interstate Family Support Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Uniform Interstate Family Support Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) There is an immediate need to implement the 2008 Amendments to the Uniform Interstate Family Support Act, as approved by the National Conference of Commissioners on Uniform State Laws. The Preventing Sex Trafficking and Strengthening Families Act, approved September 9, 2014 (Pub. L. No. 113-183; 128 Stat. 1919), requires that the 2008 Amendments be in effect in the District by January 1, 2016, as a prerequisite for continued federal financial support for child support enforcement and TANF.

(b) This congressional review emergency is necessary to prevent a gap in the law as the earlier emergency legislation, the Uniform Interstate Family Support Emergency Act of 2015, effective November 30, 2015 (D.C. Act 21-215; 62 DCR 15616), expires on February 28, 2016. The permanent legislation, the Uniform Interstate Family Support Act of 2015, enacted December 29, 2015 (D.C Act 21-249; 63 DCR 222), was transmitted to Congress on January 8, 2016, for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)), and is not projected to become law until March 15, 2016.

(c) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the permanent legislation is in effect.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Uniform Interstate Family Support Congressional Review Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

8th & O Streets, N.W., Surplus Property Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "8th & O Streets, N.W., Surplus Property Declaration Resolution of 2016".

(b) The Property is no longer required for public purposes because the Property's condition cannot viably accommodate a District agency use or other public use without cost-prohibitive new construction. Official Code § 10-801(a-1)(4)) ("Act"), by holding a public hearing on June 16, 2015, at Immaculate Conception Church/Center City Public Charter School, located at 711 N Street, N.W.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

A RESOLUTION

Proposed Resolution 21-495

***See* Emergency D.C. Act 21-295 21 DCStat 2763**

To declare the existence of an emergency with respect to the need to approve Modification Nos. 05, 06, and 07 to Contract No. DCAM-14-NC-0179A with Chiaramonte Construction Company for snow and ice removal and pre-treatment services, and to authorize payment in the aggregate amount of $1,200,000.00 for the goods and services received and to be received under the modifications.

Modification Nos. 05, 06, and 07 to Contract No. DCAM-14-NC-0179A and Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modification Nos. 05, 06, and 07 to Contract No. DCAM-14-NC-0179A and Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve Modification Nos. 05, 06, and 07 to Contract No. DCAM-14-NC-0179A for snow and ice removal and pre-treatment services, and to authorize payment in the aggregate amount of $1,200,000.00 for the goods and services received and to be received under the modifications.

(b) Contract No. DCAM-14-NC-0179A was competitively bid and awarded to Chiaramonte Construction Company, in the amount of $700,000.00 for the base year. Thereafter, the Department of General Services issued Modification Nos. 01 and 02 at no cost and Modification No. 03, which increased the contract value by $295,000.00 to $995,000.00. Modification No. 04 increased the contract value by $40,932.00 to $ 1,035,932.00 and therefore necessitated Council approval.

(c) Modification No. 05 exercised a portion of Option Year One in the amount of $400,000.00. Modification No. 06 exercised the remaining portion of Option Year One in the amount of $550,000.00. Neither modification required Council approval.

(d) Modification No. 07, which increases the contract amount for Option Year One by $250,000.00, will cause the aggregate value of Modification Nos. 05, 06, and 07 to Contract No. DCAM-14-NC-0179A to exceed the $1 million threshold set forth in section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51). Exercise of Option Year 2 of Contract No. DCAM-14-CS-0096E Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Exercise of Option Year 2 of Contract No. DCAM-14-CS-0096E Approval and Payment Authorization Emergency Declaration Resolution of 2016".

(b) On June 30, 2015, by Modification No. 10, the Office of Contracting and Procurement ("OCP"), on behalf of the Department of Youth Rehabilitation Services, exercised option year four of Human Care Agreement No. DCJZ-2011-H-0032 to provide family reunification home services to District youth for the period from July 6, 2015 to July 5, 2016 and issue task orders in the amount of $999,180.00.

Proposed Resolution 21-493

To approve an agreement to enter into a long term subsidy contract for 15 years in support of the District's Local Rent Supplement Program to fund housing costs associated with affordable housing units for Contract No. 2014-LRSP-05A with Plaza West, LLC, for program units located at 1035 4th Street, N.W., and 307 K Street, N.W.

Local Rent Supplement Program Contract No. 2014-LRSP-05A Approval Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2014-LRSP-05A Approval Resolution of 2016".

Sec. 2. (a) In 2007, the District passed title II of the Fiscal Year 2007 Budget Support Act of 2006 ("BSA") to provide funding for affordable housing for extremely low-income households in the District. The passage of the BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or those with disabilities, through project-based, tenant-based, and sponsored-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP on behalf of the District.

(b) In April 2014, DCHA participated in a Request for Proposals ("RFP") issued by the District of Columbia Department of Housing and Community Development ("DHCD"). Of the total proposals received, 12 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units throughout the District for extremely low-income families making from 0% to 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities. Upon approval of the agreement to enter into a long-term contract ("ALTSC") by the Council, DCHA will execute the agreement with the selected housing provider under the LRSP.

(c) There exists an immediate need to approve the ALTSC with Plaza West, LLC, in order to provide long-term affordable housing units for extremely low-income households in the District for units located at 1035 4th Street, N.W., and 307 K Street, N.W. ("Plaza West").

(d) The Council's approval authorizes the ALTSC between the DCHA and Plaza West, LLC, with respect to the payment of rental subsidy, and allows the owner to lease 11 newly constructed units at Plaza West and house District extremely low-income households with incomes at 30% or less of the area median income. For the eleven units, 6 households will be referred by the Department of Behavioral Health and 5 grandfamilies will be referred by the owner.

Sec. 3. Pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), and section 202 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-352.02), the Council approves the ALTSC with Plaza West, LLC for the creation of 11 affordable housing units in an initial amount not to exceed $166,200 annually.

Sec. 4. The Council shall transmit a copy of this resolution, upon its adoption, to DCHA and the Mayor.

Sec. 5. The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

To declare the existence of an emergency with respect to the need to amend the Youth Employment Act of 1979 to authorize the Mayor to provide employment or work readiness training for participants 14 through 24 years of age.

Marion S. Barry Summer Youth Employment Expansion Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Marion S. Barry Summer Youth Employment Expansion Emergency Declaration Resolution of 2016".

Sec. 2.(a) In 2015, the Council enacted the Youth Employment and Work Readiness Training Emergency Amendment Act of 2015, effective May 26, 2015 (D.C. Act 21-73; 62 DCR 6884) ("emergency legislation"), which provided the Mayor with the authority to allow up to 1,000 youth 22 to 24 years of age to participate in the Marion S. Barry Summer Youth Employment Program ("MBSYEP"). The emergency legislation expired on August 24, 2015.

(b) In 2015, the Department of Employment Services ("DOES") received 2,526 applications for participation in MBSYEP from youth 22 to 24 years of age. Due to the high interest from this age group, permanent legislation allowing up to 1,000 youths in this group to participate in MBSYEP is currently under Council review.

(c) Forty percent of the District's unemployed residents have less than a Bachelor's degree, while 61% of jobs in the District require a Bachelor's degree or higher. Consequently, it is imperative that older youths who lack the necessary education to obtain the majority of jobs in the District be given the opportunity to gain meaningful work experience to prepare them for long-term careers in the future.

(d) The start date for MBSYEP is January 29, 2016. To provide the 1,000 spots for youth 22 to 24 years of age in 2016, as well as provide those participants with the full experience of MBSYEP, this emergency is necessary to provide the Mayor with the authority to accept applications from this age group at the start of the application process.

(e) To allow the DOES to provide this older age group with the services and experiences they need, it is crucial that youths 22 to 24 years of age be able to participate in MBSYEP as well as gain access to the pre-program assistance available to the other participants in the program by providing the Mayor with the authority to expand the program to include youth 22 to 24 years of age.

(f) Further, this legislation will align the District with the federal programs of the Workforce Innovation and Opportunity Act, approved July 22, 2014 (Pub. L. No 113-128; 128 Stat. 1425), which have expanded youth programming to include youth up to 24 years of age. The expansion of MBSYEP will provide the older youth who participate in MBSYEP an entrée to federal training and employment readiness programs and year-round support.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Marion S. Barry Summer Youth Employment Expansion Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Protecting Pregnant Workers Fairness Act of 2014 to require an employer to make a reasonable accommodation for an employee whose ability to perform the functions of the employee's job are affected by a pre-birth complication.

Protecting Pregnant Workers Fairness Emergency Declaration Resolution of 2016

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Protecting Pregnant Workers Fairness Emergency Declaration Resolution of 2016".

Sec. 2. (a) The Protecting Pregnant Workers Fairness Act of 2014, effective March 3, 2015 (D.C. Law 20-168; 61 DCR 11368) ("PPWFA"), was enacted to protect pregnant workers from having to choose between their health or the viability of their pregnancy and their jobs.

(b) However, the PPWFA does not adequately address pre-birth complications. The Protecting Pregnant Workers Fairness Amendment Act of 2016, as introduced on January 5, 2016 (Bill 21-563), which will strengthen the PPWA by adding protections for pregnant workers suffering from pre-birth complications, is under Council review.

(c) Emergency legislation is necessary to protect pregnant workers experiencing pre-birth complications by requiring an employer to make reasonable accommodation for such an employee and prohibiting the employer from taking adverse action against the employee for being absent from work as a result of a pre-birth complication.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Protecting Pregnant Workers Fairness Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to revise the salary limitation for the Chancellor of the District of Columbia Public Schools and to authorize the provision of certain employment benefits to the Chancellor.

Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Emergency Declaration Resolution of 2016".

Sec. 2. (a) Kaya Henderson was appointed Interim Chancellor of the District of Columbia Public Schools ("DCPS") on November 1, 2010. On March 11, 2011, she was nominated to serve as Chancellor of DCPS and was unanimously confirmed by the Council on June 21, 2011. She has served as Chancellor continuously since that time.

(b) Over the past 5 1/2 years under Chancellor Henderson's leadership, DCPS has realized dramatic improvements toward the goals of increasing District-wide math and reading proficiency, improving the proficiency rates of DCPS' lowest-performing schools, increasing high school graduation rates, improving student satisfaction, and increasing DCPS' overall enrollment.

(c) According to the National Assessment of Education Progress's 2015 Trial Urban District Assessment results, DCPS continues to be the fastest-improving urban school district in the country. DCPS students grew by 8 points in 4th grade reading over the 2013 test, representing the biggest increase of any school district and the largest increase in the history of the 4th grade reading test. DCPS students also saw a 4-point increase in 4th grade math scores.

(d) The percentage of DCPS high school students who graduate in 4 years has increased by 6 percentage points, from 58% to 64%. Last school year, 52% more students took Advanced Placement exams compared to 5 years ago. Student satisfaction at DCPS has also vastly improved, going from 65% when Chancellor Henderson started in the role to 83% at the end of school year 2014-2015.

(e) Under Chancellor Henderson's leadership, DCPS has increased its audited enrollment with 4 consecutive years of growth, enrolling the highest number of students in over 5 years. DCPS is on track to meet its goal of enrolling more than 50,000 students by 2017.

(f) Based on the dramatic improvements achieved under the steady leadership of the Chancellor over the last 5 1/2 years and the commitment to continuing the progress of DCPS, the Mayor has signed a new contract that increases the Chancellor's present salary and provides for certain employment benefits.

(g) There is an immediate need to approve the salary and benefits provided under the contract in order to ensure the retention of the Chancellor and to allow for the prompt payment of the negotiated salary. The Chancellor's previous contract has expired, and the new contract was signed effective January 2, 2016.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to extend Contract No. CFOPD-11-C-023 with Citibank, N.A. for it to continue to provide a wide variety of general banking services to the District of Columbia and to authorize payment for the services received and to be received under the contract.

Contract No. CFOPD-11-C-023 Extension Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Contract No. CFOPD-11-C-023 Extension Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve the extension of Contract No. CFOPD-11-C-023 with Citibank, N.A. for it to continue to provide a wide variety of general banking services to the District of Columbia and to authorize payment for the services received and to be received under the contract.

(b) On December 29, 2015, the Office of the Chief Financial Officer executed Modification No. 13, partially exercising a 5-year option period under Contract No. CFOPD-11-C-023 for the period of January 20, 2016, through February 19, 2016, in the amount of $226,166.

(c) Proposed Modification No. 14 will exercise the remainder of the 5-year option period of Contract No. CFOPD-11-C-023 from February 20, 2016, through January 19, 2021, in the amount of $6,473,834.

(d) Council approval is necessary because Modification No. 14 increases the contract to one of more than $1 million during a 12-month period and the total term of the option is more than one year. Council approval is further necessary to allow the continuation of these vital services and to allow Citibank, N.A. to continue performance under the contract.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. CFOPD-11-C-023 Extension Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Modifications 00002 and 00003 to Human Care Agreement No. DCJM-2013-H-0007-02 Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modifications 00002 and 00003 to Human Care Agreement No. DCJM-2013-H-0007-02 Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve Modification No. 00002 and proposed Modification No. 00003 to Human Care Agreement ("HCA") No. DCJM-2013-H-0007-02 with St. John's Community Services ("St. John's") to provide residential habilitation, supported living and host home services for persons with intellectual and developmental disabilities, and to authorize payment for the services received and to be received under these modifications.

(b) On December 1, 2013, the District of Columbia ("District") Department on Disability Services ("DDS") entered into HCA No. DCJM-2013-H-0007-02 with St. John's to provide residential habilitation, supported living and host home services for persons with intellectual and developmental disabilities from December 1, 2013, through November 30, 2014, in the total estimated contract amount of $2,251,661.25.

(c) On November 29, 2014, by Modification No. 00001, DDS exercised Option Year One and extended the term of the HCA for the period from December 1, 2014, through November 30, 2015, in the estimated contract amount of $2,222,825.29.

(d) On November 17, 2015, by Modification No. 00002, DDS partially exercised Option Year 2 to extend the term of the HCA from December 1, 2015, through April 30, 2016, in the estimated contract amount of $753,556.84.

(e) By proposed Modification No. 00003, DDS intends to exercise the remainder of Option Year 2 from May 1, 2016, through November 30, 2016, in the estimated contract amount of $1,507,113.77. The total estimated contract amount for Option Year 2 is $2,260,670.61.

(f) Council approval is necessary since the modifications and contract are more than $1 million during a 12-month period.

(g) Approval is necessary to allow the continuation of these vital services. Without this approval, St. John's cannot be paid for services provided in excess of $1 million.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modifications 00002 and 00003 to Human Care Agreement No. DCJM-2013-H-0007-02 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to the amend the Homeless Services Reform Act of 2005 to authorize the Mayor to place a family that does not have a safe-housing alternative in a temporary interim eligibility placement pending a determination of eligibility for shelter and an assessment of the supportive services necessary to assist the family in obtaining sustainable permanent housing, to authorize the Mayor to provide shelter to a family in a private room meeting certain minimum standards and constructed for the purpose of closing the District of Columbia General Family Shelter, to add an expedited appeals process for a family that is denied eligibility for shelter following an interim eligibility placement, and to provide that a family may continue in an interim eligibility placement pending the outcome of an appeal of a denial of eligibility for shelter.

Interim Eligibility and Minimum Shelter Standards Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Interim Eligibility and Minimum Shelter Standards Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) On November 3, 2015, the Council passed the Interim Eligibility and Minimum Shelter Standards Emergency Amendment Act of 2015, effective November 30, 2015 (D.C. Act 21-217; 62 DCR 15648) (the "emergency legislation") to codify the current practice of the Department of Human Services ("DHS") of temporarily placing a family seeking shelter into shelter before making a final eligibility determination, to establish an appeals process for a family ultimately determined to be ineligible for shelter during an interim eligibility placement, and to authorize the Mayor to utilize private rooms rather than apartment-style units as shelter for families.

(b) On December 1, 2015, the Council passed a permanent version of the emergency legislation, the Interim Eligibility and Minimum Shelter Standards Amendment Act of 2015, enacted on December 29, 2015 (D.C. Act 21-251; 63 DCR 257) (the "permanent legislation").

(c) The emergency legislation is set to expire on February 28, 2016; however, the permanent legislation is not projected to become law until March 15, 2016. A congressional review emergency is necessary to ensure that the provisions of the emergency legislation continue in effect, without interruption, until the permanent legislation becomes law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Interim Eligibility and Minimum Shelter Standards Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend the Retired Police Officer Redeployment Amendment Act of 1992 to allow for the rehiring of retired Metropolitan Police Department officers by the Department of Forensic Sciences without jeopardy to their retirement benefits.

Crime Scene Investigator Hiring Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Crime Scene Investigator Hiring Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) By removing the financial disincentive to retired Metropolitan Police Department ("MPD") officers from being hired as crime scene specialists by the Department of Forensic Sciences, the District benefits from those officers' many years of highly specialized expertise remaining here in the District, rather than being used in another jurisdiction.

(b) This legislation will also allow MPD to "civilianize" those crime scene investigator positions with civilian professionals, rather than using officers who can be better utilized by patrolling the streets. It is commonsensical that more officers on our streets will help protect our residents, businesses, and visitors.

(c) The underlying emergency legislation was introduced by the Mayor as a provision in the Public Safety and Criminal Code Revisions Amendment Act of 2015, as introduced on September 21, 2015 (Bill 21-357), and was included in the committee print of the Neighborhood Engagement Achieves Results Amendment Act of 2016, passed on 1st reading on February 2, 2016 (Engrossed version of Bill 21-360).

(d) Enactment of this emergency legislation will immediately allow the Department of Forensic Sciences to hire qualified, retired MPD officers as crime scene specialists. Their services are important to ensuring the safety of the District of Columbia.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend An Act To provide for the abatement of nuisances in the District of Columbia by the Commissioners of said District, and for other purposes to clarify that the posting requirement in section 5a is satisfied by posting the initial vacant or blight determination.

Nuisance Abatement Notice Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Nuisance Abatement Notice Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The Nuisance Properties Abatement Reform and Real Property Classification Amendment Act of 2008, effective August, 15, 2008 (D.C. Law 17-216; 55 DCR 7500), created a requirement that all notices specified by the nuisance act be provided by mail and by posting at the subject property. Previously, posting was required only when the registration status of the subject property changed or needed to change.

(b) On October 17, 2014, a judge in the Office of Administrative Hearings dismissed a notice of infraction issued by the Department of Consumer and Regulatory Affairs because, inter alia, the notice failed to satisfy the posting requirement.

(c) Prior to the decision of the Office of Administrative Hearings, the Department of Consumer and Regulatory Affairs had been posting notice at the subject property only when the subject property changed or needed to change.

(d) Without clarifying that the provision should apply only to registration-status changes, the Department of Consumer and Regulatory Affairs would be required to devote considerable resources to posting duplicative notices at a subject property rather than devoting those resources to registering and monitoring other vacant properties. All notices would still be required to be provided by United States mail.

(e) The Nuisance Abatement Notice Temporary Amendment Act of 2015, effective April 30, 2015 (D.C. Law 20-252; 62 DCR 1958) ("temporary legislation"), which addressed the above-referenced issue, has expired.

(f) The Nuisance Abatement Notice Amendment Act of 2015, enacted January 12, 2016 (D.C. Act 21-260; 63 DCR 760) ("permanent legislation"), is projected to become law on March 8, 2016.

(g) It is important that the provisions of the temporary legislation remain effective, without interruption, until the permanent legislation is in effect.

A RESOLUTION

Proposed Resolution 21-574

See Emergency D.C. Act 21-329 21 DCStat 2831

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Firearms Control Regulations Act of 1975 to extend to January 1, 2018 the date for implementation of the microstamping requirement for semiautomatic pistols.

Microstamping Implementation Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Microstamping Implementation Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) D.C. Law 17-372, the Firearms Registration Amendment Act of 2008, added to the firearms law a requirement that newly-manufactured semiautomatic pistols be "microstamp-ready."

(b) Microstamping creates microscopic markings on a cartridge after a firearm is fired that identify the make, model, and serial number of the firearm, allowing law enforcement to identify a firearm the first time it is used in a crime.

(c) In 2007, California became the first state to require microstamping on all new models sold in the state.

(d) The District's microstamping requirement was initially to be implemented in 2011, in order to incorporate best practices learned from California's experience. However, D.C. Law 18-377, the Criminal Code Amendment Act of 2010, delayed the applicability date from January 1, 2011, until January 1, 2013. At that time, California had only recently issued regulations on microstamping. Because California was only beginning to put microstamping into practice, the Council voted to delay the District's implementation in order to allow the model being developed in California to be further refined.

(e) D.C. Law 19-170, the Firearms Amendment Act of 2012, again delayed—to January 1, 2014—implementation of microstamping in the District after the process faced further delay in California due to patents on the technology. Implementation was postponed because of the very small nature of the District's market. The view was that once California, a much larger market, implemented microstamping, it would become more feasible for implementation in the District.

(f) As California continues to work toward implementation of the microstamping requirements it is necessary to again delay the implementation of the District's microstamping requirement to allow for more time for the requirement and implementation to take hold in California.

(g) An emergency measure, the Microstamping Implementation Emergency Amendment Act of 2015, effective January 6, 2016 (D.C. Act 21-258; 63 DCR 530), was adopted by the Council in December 2015 to delay the implementation requirement from

January 1, 2016 to January 1, 2018. That emergency measure will expire on March 31, 2016, with the corresponding temporary measure, the Microstramping Implementation Temporary Amendment Act of 2015, enacted on January 21, 2016 (D.C. Act 21-277; 63 DCR 993), not projected to become law until April 5, 2016. As such it is necessary to adopt an additional emergency to prevent a gap in the law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the "Microstamping Implementation Congressional Review Emergency Amendment Act of 2016" be adopted after a single reading.

Sec. 2. Findings.

(a) The District is the owner of the real property located between 1300 and 1100 Alabama Avenue, S.E., known for tax and assessment purposes as Lots 809, 811, 812, 813, and 823 in Square S-5868 ("Property"). The Property consists of approximately 685,918 square feet of land, or approximately 15.72 acres, that includes vacant parcels and historic vacant buildings.

(b) The Property is no longer required for public purposes because the Property's condition cannot viably accommodate a District agency use or other public use without cost-prohibitive new construction. The most pragmatic solution for reactivating this space is to declare the Property surplus and dispose of the Property for redevelopment.

(c) The District has satisfied the public hearing requirements of section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801(a-1)(4)) ("Act"), by holding a public hearing on September 19, 2015, at the R.I.S.E Demonstration Center, located at 2730 Martin Luther King Jr. Avenue, S.E.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

Proposed Resolution 21-572

See Emergency D.C. Act 21-346 21 DCStat 2840

To declare the existence of an emergency with respect to the need to approve Human Care Agreement No. CW39771 with BoysTown Washington D.C., Inc. to provide group home services for youth that are in the temporary custody of the Department of Youth and Rehabilitative Services as wards of the District via court order and to authorize payment for the services received and to be received under that human care agreement.

Human Care Agreement No. CW39771 Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Human Care Agreement No. CW39771 Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve Human Care Agreement ("HCA") No. CW39771 with BoysTown Washington D.C., Inc. ("BoysTown") to provide group home services for youth that are in the temporary custody of the District's Department of Youth and Rehabilitative Services ("DYRS") and to authorize payment for the services received and to be received under that HCA.

(b) On October 1, 2015, the Office of Contracting and Procurement ("OCP"), on behalf of the Department of Youth and Rehabilitative Services, entered into a letter Human Care Agreement No. CW39771 with BoysTown to provide group home services for youth between 12 and 21 years of age who are in the custody of DYRS via court order in the not-to-exceed contract amount of $721,440 The letter HCA was to be definitized within 120 days.

(c) OCP now desires to definitize the HCA and increase the contract ceiling amount to $2,194,380 for the period from October 1, 2015 through September 30, 2016.

(d) Council approval is necessary because the contract is more than $1 million during a 12-month period. Council approval is also necessary to allow the continuation of these vital services. Without Council approval, BoysTown cannot be paid for services provided in excess of $1 million.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. CW39771 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to approve the exercise of Option Year 2 of Contract No. DCAM-14-CS-0001B with Broughton Construction Company, LLC, for District of Columbia Public Schools and Department of Parks and Recreation small construction projects and to authorize payment for services received and to be received under Option Year 2 of the contract.

Exercise of Option Year 2 of Contract No. DCAM-14-CS-0001B Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Exercise of Option Year 2 of Contract No. DCAM-14-CS-0001B Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2.(a) There exists an immediate need to approve the exercise of Option Year 2 of Contract No. DCAM-14-CS-0001B, the Amended and Restated Basic Ordering Agreement Fiscal Year 2014 DCPS and DPR Small Construction Projects.

(b) The Initial Contract with Broughton Construction Company, LLC was approved by the Council (D.C. Act 20-403), with terms and conditions that were amended and restated, resulting in the issuance of the Amended and Restated Basic Ordering Agreement Fiscal Year 2014 DCPS and DPR Small Construction Projects ("Contract") with an established not-to-exceed value of $10 million and 2 one-year options to extend the term of the contract. All work, under the Contract was awarded and released through individual project task orders, based on a competitive bidding process, as set forth in section 1.2 of the Contract. Task orders may be issued up to the maximum not-to-exceed amount of $10 million, which could cause the aggregate not-to-exceed value of the Contract, after Council's approval of the Contract, to exceed the $1 million threshold provided in section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51).

(c) The base year of the Contract ended on September 30, 2014. Option Year 1 of the Contract was exercised, in part, in mid-October 2014 through a bilateral letter agreement. Subsequently, the Council approved the full exercise of Option Year 1 (CA20-0510), the first of the 2 one-year options, to extend the term of the contract for Fiscal Year 2015, and Option Year 1 was bilaterally exercised by the parties notwithstanding the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-352.01 *et seq*.) Option Year 1 of the Contract maintained the same structure and terms, and established a $10 million not-to-exceed value. Because task orders could have been issued up to $10,000,000, the aggregate could have exceeded the $1 million threshold and required Council approval.

(d) In Fiscal Year 2016, the Department of General Services partially exercised Option Year 2, bilaterally, with a not-to-exceed amount of $975,000. Council approval is now required

for the full exercise of Option Year 2 of the Amended and Restated Basic Ordering Agreement for Fiscal Year 2014 DCPS and DPR Small Construction Projects, to extend the term of the contract through Fiscal Year 2016. The terms and conditions of the contract have not changed, and the not-to-exceed value of Option Year 2 would be increased to $10 million. The full exercise of Option Year 2 is bilateral.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Exercise of Option Year 2 of Contract No. DCAM-14-CS-0001B Approval and Payment Authorization Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-537

To approve an agreement to enter into a long-term subsidy contract for 15 years in support of the District's Local Rent Supplement Program to fund housing costs associated with affordable housing units for Contract No. 2014-LRSP-06A with NSV Residential, LLC, for program units located at 1333 N Street, N.W., Washington, D.C. 20005.

Local Rent Supplement Program Contract No. 2014-LRSP-06A Approval Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2014-LRSP-06A Approval Resolution of 2016".

Sec. 2. (a) In 2007, the District passed title II of the Fiscal Year 2007 Budget Support Act of 2006 ("BSA") to provide funding for affordable housing for extremely low-income households in the District. The passage of the BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or those with disabilities, through project-based, tenant-based and sponsored-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP on behalf of the District.

(b) In April 2014, the DCHA participated in a Request for Proposals issued by the District of Columbia Department of Housing and Community Development. Of the total proposals received, 12 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely low-income families making from 0% to 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities. Upon approval of the agreement to enter into a long-term contract ("ALTSC") by the Council, DCHA will execute the agreement with the selected housing provider under the LRSP.

(c) There exists an immediate need to approve the ALTSC with NSV Residential, LLC, in order to provide long-term affordable housing units for extremely low-income households in the District for units located at 1333 N Street, N.W.

(d) The Council's approval authorizes the ALTSC between DCHA and NSV Residential, LLC, with respect to the payment of rental subsidy, and allows the owner to lease the rehabilitated units at N Street Village and house District extremely low-income households with incomes at 30% or less of the area median income.

Sec. 3. Pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), and section 202 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-352.02), the Council approves the ALTSC with NSV Residential, LLC, to provide an operating subsidy in support of 37 affordable housing units, in an initial amount not to exceed $574,536 annually.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to DCHA and the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

DMPED Special Account Grant-making Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "DMPED Special Account Grant-making Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) The Deputy Mayor for Planning and Economic Development ("DMPED") administers the Economic Development Special Account ("EDSA") that is used to provide economic development assistance, through the provision of grants, loans, and credit support or enhancement, and to implement other programs, projects, and initiatives.

(b) The EDSA is primarily funded through the proceeds from leases associated with from former National Capital Revitalization Corporation and Anacostia Waterfront Corporation properties.

(c) In 2015, the Grant Administration Amendment Act of 2015, effective October 22, 2015 (D.C. Law L21-36; 62 DCR 10905), was enacted, requiring all grants over $50,000 to be awarded on a competitive basis.

(d) Historically, DMPED has awarded grants from the EDSA to targeted recipients including the Chamber of Commerce, the Washington DC Economic Partnership, Destination DC, and Events DC.

(e) DMPED is currently in the process of awarding grants, but due to the changes made in the Grant Administration Act of 2013, effective December 24, 2013 (D.C. Law 20-61; D.C. Official Code § 1-328.11 *et seq*.), the grants cannot be awarded to the intended recipients without a competitive process, even though these grants are intended to be targeted.

To declare the existence of an emergency with respect to the need to close a portion of a public alley system in Square 2882, bounded by Euclid Street, N.W., to the north, 9th Street, N.W., to the east, Barry Place, N.W., to the south, and Sherman Avenue, N.W., to the west, in Ward 1.

Closing of a Portion of the Public Alley in Square 2882, S.O. 14-21729, Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of a Portion of the Public Alley in Square 2882, S.O. 14-21729, Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to close a portion of the public alley system in Square 2882, S.O. 14-21729.

(b) The purpose of the alley closing is to facilitate the redevelopment of a parcel of land on the north side of Barry Place, N.W., between 9th Street and Sherman Avenue. The approximate land area is 1.35 acres. The site is partially vacant and otherwise currently improved with a warehouse and 6 townhomes. The proposed development will consist of a 6-story mixed-use building offering 319 residential units totaling approximately 237,000 square feet, retail space of approximately 12,000 square feet, and a parking garage with approximately 145 spaces. Vehicular access to the garage will be provided from 9th Street.

(c) The proposed building will occupy 93% of the site, including all portions of the existing alley proposed to be closed. Accordingly, there will be no need for the alleys upon completion of the proposed development.

(d) A permanent version of this legislation passed 1st reading unanimously on February 2, 2016, and will be considered by the Council on 2nd reading on March 1, 2016. Making the closing effective sooner than after congressional review would enable the project to proceed without the risk of delay.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of a Portion of a Public Alley in Square 2882, S.O. 14-21729, Emergency Act of 2016 be adopted after a single reading.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Walter Reed Development Omnibus Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to authorize the Mayor to acquire and dispose of property located at the former Walter Reed Army Medical Center.

(b) The legislation will facilitate the development of an approximately 60-acre land parcel bounded by Fern Street, N.W., to the north, Georgia Avenue, N.W., to the east, and Aspen Street, N.W., to the south. The parcel currently contains a number of historic buildings and will be developed into a mix of residential, office, retail, hospitality, nonprofit, educational, medical, arts, and green spaces. The property is currently owned by the federal government. The legislation will authorize the Mayor to purchase the land and immediately convey it to a master developer. (c) A permanent version of this legislation passed 1st reading unanimously on February 16, 2016 and will be considered by the Council on 2nd reading on March 1, 2016. Given the decision to approve the acquisition and disposition of the Walter Reed site, there is no benefit to further delay. Making the legislation effective sooner will enable to the development to move forward in a timely manner and without the risk of delay.

To declare the existence of an emergency with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to authorize the salary of the director of the Homeland Security and Emergency Management Agency.

Director of the Homeland Security and Emergency Management Agency Salary Approval Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Director of the Homeland Security and Emergency Management Agency Salary Approval Emergency Declaration Resolution of 2016".

Sec. 2. (a) Christopher Geldart was appointed acting director of the Homeland Security and Emergency Management Agency ("HSEMA") on May 31, 2012. On June 14, 2012, the Mayor transmitted to the Council a resolution to approve the nomination of Mr. Geldart as permanent director of HSEMA. On October 16, 2012, the Council unanimously approved his nomination, and Mr. Geldart has served as the director of HSEMA continuously since that time.

(b) Since his appointment as HSEMA director, Mr. Geldart has been critical to the success of many high-priority District-wide initiatives and has successfully managed a number of important events, including:

(1) Serving as incident commander in response to the District's January 2016 blizzard, leading response efforts and coordinating District agencies through all operational response and recovery phases, overseeing the operation of the District's emergency operations center, and ensuring successful procurement of resources and assets from other states and the federal government to assist the District's response efforts;

(2) Serving as interim director of the Office of Unified Communications ("OUC") from April 2015 to January 2016, and during that time increasing minimum staffing, hiring new call takers, implementing schedule changes, and increasing the number of EMS channels to ensure staffing flexibility to support OUC's call volume and improving OUC's continuity of operations plan to ensure continued agency operations during a crisis;

(3) Creating and overseeing the implementation of the District Preparedness System, the District's comprehensive approach to homeland security and emergency management; and

(4) Leading the development of the proposal to bring the Department of Homeland Security's Securing the Cities grant program to the national capital region, resulting in a grant of up to $30 million to build the regional nuclear detection capability for law enforcement and first responder organizations within the region.

(c) Mr. Geldart's current salary does not reflect his skills, experience, accomplishments, and level of service.

(d) The current salary schedule for Executive Service employees, however, does not authorize the Mayor to provide a higher salary to Mr. Geldart.

(e) There is an immediate need to approve an increased salary for Mr. Geldart that reflects his skills, experience, accomplishments, and level of service in order to retain his services for the District government.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Director of the Homeland Security and Emergency Management Agency Salary Approval Emergency Amendment Act of 2016 be approved after a single reading.

To declare the existence of an emergency with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to create incentives for the retention and recruitment of Metropolitan Police Department officers.

Metropolitan Police Department Officer Retention and Recruitment Incentives Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Metropolitan Police Department Officer Retention and Recruitment Incentives Emergency Declaration Resolution of 2016".

Sec. 2. (a) In 1989, the Metropolitan Police Department ("MPD") began a massive hiring effort that culminated in approximately 1,500 officers being hired in fewer than 2 years.

(b) Since MPD officers hired at that time are eligible for retirement once they have served 25 years and reached 50 years of age, the District now has a large number of officers eligible for retirement.

(c) By the end of 2015, more than 1/3 of MPD lieutenants and detectives, and almost 1/3 of sergeants, were eligible to retire. More than 60% of the MPD command staff, comprising the Assistant Chiefs, Commanders, and Inspectors, were also eligible to retire.

(d) The number of Metropolitan Police Department officers has not increased to keep pace with the increasing population.

(e) By lowering the number of years of active military service or other law enforcement service required to be eligible for appointment, MPD will be able to increase the number of eligible recruits while maintaining the current qualification and eligibility standards.

(f) Additionally, enactment of this legislation will allow MPD to immediately launch a recruitment effort for experienced officers to participate in a new 11-week training program at the Police Academy. This new lateral hiring program is expected to hire and deploy an additional 50 officers this year.

(g) By offering Fair Labor Standards Act-exempt time off for work performed in excess of an 80-hour biweekly pay period to experienced police officers in command staff positions, as well as their civilian equivalents, the Chief of Police will be able to ensure the wellness of her most-experienced officers.

Sec. 3. Modifications to Human Care Agreement No. DCJZ-2012-H-0020 (CW20561) Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modifications to Human Care Agreement No. DCJZ-2012-H-0020 (CW20561) Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists a need to approve Modification No. 4 and proposed Modification No. 7 to Human Care Agreement No. DCJZ-2012-H-0020 (CW20561) with Center City Community Corporation to provide family reunification home services to District youth, and to authorize payment for services received and to be received under the contract modifications.

(b) On June 1, 2015, by Modification No. 4, the Office of Contracting and Procurement, on behalf of the Department of Youth Rehabilitation Services, exercised option year 3 of Human Care Agreement No. DCJZ-2012-H-0020 (CW20561) to provide family reunification home services to District youth for the period from June 1, 2015, to May 31, 2016, in the ceiling amount of $962,128.

(c) Modification No. 7 is now necessary to increase the amount for option year 3 to $1,923,352.

(d) Council approval is necessary since these modifications increase the contract by more than $1 million during a 12-month period.

To declare the existence of an emergency with respect to the need to approve the exercise of option year 2, via Change Order No. 005, of Contract No. DCAM-14-CS-0096A with The Keystone Plus Construction Corporation for on-call construction, maintenance, and repair services, and to authorize payment for the goods and services received and to be received under option year 2 of the contract.

Exercise of Option Year 2 of Contract No. DCAM-14-CS-0096A Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Exercise of Option Year 2 of Contract No. DCAM-14-CS-0096A Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2.(a) There exists an immediate need to approve the exercise of option year 2, via Change Order No. 005, to Contract No. DCAM-14-CS-0096A with The Keystone Plus Construction Corporation for on-call construction, maintenance, and repair services, and to authorize payment in the not-to-exceed amount of $3,282,475.16 for the goods and services received and to be received under option year 2 of the contract.

(b) In Fiscal Year 2014, the Department of General Services (the "Department") awarded Contract No. DCAM-14-CS-0096A to The Keystone Plus Construction Corporation to provide on-call construction, maintenance, and repair services at certain District facilities, which was submitted to the Council for review and approval and was approved (CA20-0341). Subsequently, the Department exercised the first of the 2 one-year options contemplated by the Contract to extend the term of the Contract through Fiscal Year 2015; that action was also submitted to the Council for review and approval and was approved (CA20-0552). Thereafter, the Department partially exercised the second option year on a zero-dollar basis and issued Change Order No. 001 to the partial exercise in the amount of $750,000, Change Order No. 002 in the amount of $114,739.18, Change Order No. 003 in the amount of $67,735.98, and Change Order No. 004 in the amount of $0, the aggregate value of which was $932,475.16; thus, Council approval was not required. The Department now desires to exercise option year 2 in full, via Change Order No. 005, and to provide additional funding as the term is extended.

(c) Council approval of Change Order No. 005 is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because the Change Order will increase the total expenditure under Contract No. DCAM-14-CS-0096A for option year 2 by an amount in excess of $1 million during a 12-month period.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Exercise of Option Year 2 of Contract No. DCAM-14-CS-0096A Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Exercise of Option Year 2 of Contract No. DCAM-14-CS-0001D Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Exercise of Option Year 2 of Contract No. DCAM-14-CS-0001D Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2.(a) There exists an immediate need to approve the exercise of option year 2 of Contract No. DCAM-14-CS-0001D with Hess Construction + Engineering Services, Inc. for DCPS and DPR small construction projects,, and to authorize payment in the not-to-exceed amount of $10 million for the goods and services received and to be received under option year 2 of the contract.

(b) Contract No. DCAM-14-CS-0001D (the "Contract") was approved by the Council (CA20-0334) with an established not-to-exceed value of $10 million and 2 one-year options to extend the term of the Contract. All work under the Contract was to be awarded and released through individual project task orders, based on a competitive bidding process, as set forth in Section 1.2 of the Contract.

(c) The base year of the Contract ended on September 30, 2014. Option year one of the Contract was exercised in part in mid-October 2014 through a bilateral letter agreement. Subsequently, the Council approved the full exercise of option year one (CA20-0512) to extend the term of the contract through Fiscal Year 2015 in the aggregate not-to-exceed amount of $10 million.

(d) Thereafter, in Fiscal Year 2016, the Department of General Services partially exercised option year 2 of the Contract in the not-to-exceed amount of $975,000. Council approval is now required for the full exercise of option year 2, to extend the term of the Contract through Fiscal Year 2016. The terms and conditions of the Contract have not changed, and the aggregate not-to-exceed value of option year 2 would be increased to $10 million.

Sec. 3. A RESOLUTION

Proposed Resolution 21-302

To declare the sense of the Council in support of the development of a "Statehood or Else" multimedia campaign that produces a petition supporting District of Columbia statehood, collects one million signatures for the petition, and delivers the petition to the White House, to all 535 members of Congress, and to leadership at both the 2016 Republican National Convention and the 2016 Democratic National Convention.

Sense of the Council in Support of a 'Statehood or Else' Signature Campaign Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council in Support of a 'Statehood or Else' Signature Campaign Resolution of 2015".

Sec. 2. The Council finds that:

(1) Without statehood, the District of Columbia will continue to be denied democratic equality and its citizens will continue to suffer taxation without representation;

(2) Statehood is the most appropriate mechanism to grant the United States citizens who reside in the District of Columbia the full rights and privileges of American citizenship, which include not only equal representation in the United States House of Representatives and the United States Senate, but also full control over local affairs and budget autonomy;

(3) The District of Columbia, with 658,893 residents, has a larger population than both Vermont and Wyoming;

(4) The District of Columbia's gross domestic product is larger than that of New Mexico, Hawaii, West Virginia, New Hampshire, Idaho, Delaware, North Dakota, Alaska, Maine, South Dakota, Wyoming, Montana, Rhode Island, and Vermont;

(5) The District of Columbia's local economy is one of the strongest in the nation with excellent credit ratings from Wall Street;

(6) District of Columbia residents pay $1.6 billion a year in federal taxes, more per person than the residents of any state in the United States;

(7) The District of Columbia has a $12.5 billion budget, larger than that of 12 states;

(8) The New Columbia Statehood Commission ("Commission"), which consists of the Mayor, the Chairman of the Council, and the Statehood Delegation, should, within 30 days of the adoption of this resolution or as soon as feasible, create a "Statehood or Else" multimedia campaign and should work with Congresswoman Eleanor Holmes Norton and other individuals in the public and government spheres that the Commission considers necessary or appropriate;

(9) The goals of the "Statehood or Else" multimedia campaign should be to produce a petition supporting District of Columbia statehood and to collect at least one million signatures for the petition;

(10) The 2016 Republican National Convention will convene in Cleveland, Ohio from July 18 to 21, 2016, and the 2016 Democratic National Convention will convene in Philadelphia, Pennsylvania from July 25 to 28, 2016;

(11) Before each party chooses its nominees for President and Vice President of the United States for the 2016 election, copies of the petition supporting District of Columbia statehood should be delivered to the White House, to all 535 members of Congress, and to leadership at both the 2016 Republican National Convention and the 2016 Democratic National Convention to demonstrate the importance of statehood for the District of Columbia;

(12) At a July 21, 2014 town-hall meeting regarding the My Brother's Keeper Initiative at Walker-Jones Education Campus in Washington, D.C., President Barack Obama publicly endorsed statehood for the District of Columbia;

(13) District of Columbia Emancipation Day is the District of Columbia's only legal public holiday and commemorates the signing of the "District of Columbia Compensated Emancipation Act" on April 16, 1862, which ended slavery in Washington, D.C. and freed 3,100 individuals;

(14) District of Columbia Emancipation Day is recognized annually on April 16th and reminds us to reaffirm our commitment to forge a more just and united country that truly reflects the ideals of its founders and instills in its people a broad sense of duty to be responsible and conscientious stewards of freedom and democracy;

(15) In 2016, the entire nation will receive a 3-day tax-filing extension until Monday, April 18th because April 16th falls on a Saturday, causing the District officially to celebrate District of Columbia Emancipation Day on Friday, April 15, 2016. Residents of Maine and Massachusetts will receive an additional one-day tax-filing extension until Tuesday, April 19, 2016, due to the fact that those states celebrate a state holiday on April 18th, known as Patriots' Day, which commemorates the battles of Lexington and Concord in 1775. This nationally recognized tax-filing extension is an opportunity to educate the nation on the importance of District of Columbia Emancipation Day;

(16) President Barack Obama's last day as president will be January 20, 2017, and he should serve as the keynote speaker for the Emancipation Day Prayer Breakfast on Saturday, April 16, 2016, the final District of Columbia Emancipation Day celebration before his departure from office.

Sec. 3. It is the sense of the Council that the District of Columbia should further its efforts to achieve statehood by creating a "Statehood or Else" multimedia campaign that produces a petition supporting District of Columbia statehood, collects one million signatures for the petition, and delivers the petition to the White House, to all 535 members of Congress, and to leadership at both the 2016 Republican National Convention and the 2016 Democratic National Convention.

Sec. 4. The Council shall transmit copies of this resolution, upon its adoption, to the Mayor, the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, the District of Columbia Democratic State Committee, and the District of Columbia Republican Party.

Sec. 5. This resolution shall take effect immediately upon the first date of publication in the District of Columbia Register.

(b) On January 29, 2014, the Office of Contracting and Procurement ("OCP") entered into Contract No. CW25933 with Public Performance Management, LLC to provide MOBIS for the base period January 29, 2014 through January 28, 2015, and 4 option years, in the not-to-exceed contract amount of $950,000.00. On March 3, 2015, by Modification No. 0003, the District exercised the balance of option year one for the period March 3, 2015 through January 28, 2016 and increased the not-to-exceed contract amount for option year one to $10,000,000.00. On January 28, 2016, by Modification No. 0004, the District partially exercised option year 2 of the contract for the period January 29, 2016 through April 28, 2016. (c) By Modification Nos. 0007 and 0008 to Contract No. CW25933, OCP now desires to exercise the balance of option year 2 for the period May 29, 2016 through January 28, 2017 and to increase the not-to-exceed contract amount for option year 2 from $500,000.00 to $10,000,000.00.

(d) The aggregate value of Modification Nos. 0007 and 0008 to Contract No. CW25933 exceeds the $1 million threshold under section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51).

(e) Approval of Modifications Nos. 0007 and 0008 to Contract No. CW25933 is necessary to allow Public Performance Management, LLC to continue to provide these vital

services. Without this approval, Public Performance Management, LLC cannot be paid for services provided in excess of $1million during option year 2.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modifications to Contract No. CW25933 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Sec. 2. (a) On January 5, 2016, the Council passed the Private Security Camera Incentive Program Emergency Act of 2016, effective January 15, 2016 (D.C. (b) On February 2, 2016, the Council passed a temporary version of the emergency legislation, the Private Security Camera Incentive Program Temporary Act of 2016, enacted on February 18, 2016 (D.C. Act 21-318; 63 DCR 2208) (the "temporary legislation"), with amendments.

A RESOLUTION

Proposed Resolution 21-628

***See* Emergency D.C. Act 21-359 21 DCStat 3157**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Accrued Sick and Safe Leave Act of 2008 to clarify that employees in the building and construction industry covered by a bona fide collective bargaining agreement shall be exempted from the paid leave requirements of the act only if the agreement expressly waives those requirements; to amend the Minimum Wage Act Revision Act of 1992 to exempt an employer from keeping precise time records for bona fide executive, administrative, professional, as well as certain other, employees, to require an employer or a temporary staffing firm to provide notice regarding payment to an employee in a second language if the Mayor has made available a translation of the sample notice template in that second language and the employer knows that second language to be the employee's primary language or the employee requests notice in that second language, and to require the Mayor to make available, in any language required for a vital document under the Language Access Act of 2004, a translation of the sample template to be used by an employer or a temporary staffing firm when providing notice to an employee regarding payment; and to amend An Act To provide for the payment and collection of wages to continue to exempt an employer from paying wages to bona fide executive, administrative, and professional employees at least twice during each calendar month, provided that the employer pays wages to such employees at least once per month.

Wage Theft Prevention Clarification Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Clarification Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) On July 14, 2014, the Council unanimously passed the Wage Theft Prevention Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-157; 61 DCR 10157) (the "Act"), to prevent employers' failure to pay earned wages through enforcement by the District and to create a private right of action for injured employees.

(b) Following the passage of the Act, the Council has identified several unintended consequences of the Act, including the requirement that all employees, including white-collar, salaried employees, be paid at least twice per month, the requirement that all employers keep records of the "precise time worked" each day and each workweek by all employees, and the requirement that an employer provide notice to an employee regarding payment in an employee's primary language, without providing a limit on the languages in which that notice must be furnished.

(c) It was not the Council's intent to require that white-collar, salaried employees be paid at least twice a month or to require an employer to keep records of the precise time worked by all employees, including those not compensated on an hourly or other unit-of-time basis. Further, requiring notice to be furnished in any language that might be an employee's primary language will be unnecessarily burdensome and costly.

(d) To address these unintended consequences, on February 3, 2015, the Council passed the Wage Theft Prevention Clarification Emergency Amendment Act of 2015, effective February 26, 2015 (D.C. Act 21-8; 62 DCR 2669) (the "initial emergency legislation"), and, on March 3, 2015, the Council passed the Wage Theft Prevention Clarification Temporary Amendment Act of 2015, effective June 4, 2015 (D.C. Law 21-2; 62 DCR 4552) (the "initial temporary legislation").

(e) Following the passage of the initial emergency legislation and the initial temporary legislation, it also has come to the Council's attention that the Act inadvertently deleted language allowing employees in the building and construction industry to bargain to waive the paid-leave requirements of the Accrued Sick and Safe Leave Act of 2008, effective May 13, 2008 (D.C. Law 17-152; D.C. Official Code § 32-131.01 *et seq*.), through a bona fide collective bargaining agreement from those paid-leave requirements, regardless of whether the agreement addresses sick leave. Blanket exemption of this group of employees from the paid-leave requirements was not the Council's intent.

(f) To prevent the provisions of the initial emergency legislation and the initial temporary legislation from expiring and to clarify that building and construction industry employees are not exempt from the paid-leave requirements of the Act, the Council, on January 5, 2016, passed the Wage Theft Prevention Clarification Emergency Amendment Act of 2016, effective January 27, 2016 (D.C. Act 21-291; 63 DCR 1207) (the "Emergency Act"), and, on February 2, 2016, passed the Wage Theft Prevention Clarification Temporary Amendment Act of 2016, enacted on February 18, 2016 (D.C. Act 21-322; 63 DCR 2220) (the "Temporary Act").

(g) The Emergency Act will expire on April 26, 2016, 3 days before the Temporary Act is projected to become law. A congressional review emergency is necessary to ensure that the provisions of the Emergency Act continue in effect, without interruption, until the Temporary Act becomes law.

Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Congressional Review Emergency Declaration Resolution of 2016

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to revise the salary limitation for the Chancellor of the District of Columbia Public Schools and to authorize the provision of certain employment benefits to the Chancellor.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) Kaya Henderson was appointed Interim Chancellor of the District of Columbia Public Schools ("DCPS") on November 1, 2010. On March 11, 2011, she was nominated to serve as Chancellor of DCPS and was unanimously confirmed by the Council on June 21, 2011. She has served as Chancellor continuously since that time.

(b) Over the past 5 1/2 years under Chancellor Henderson's leadership, DCPS has realized dramatic improvements toward the goals of increasing District-wide math and reading proficiency, improving the proficiency rates of DCPS' lowest-performing schools, increasing high school graduation rates, improving student satisfaction, and increasing DCPS' overall enrollment.

(c) According to the National Assessment of Education Progress's 2015 Trial Urban District Assessment results, DCPS continues to be the fastest-improving urban school district in the country. DCPS students grew by 8 points in 4th grade reading over the 2013 test, representing the biggest increase of any school district and the largest increase in the history of the 4th grade reading test. DCPS students also saw a 4-point increase in 4th grade math scores.

(d) The percentage of DCPS high school students who graduate in 4 years has increased by 6 percentage points, from 58% to 64%. Last school year, 52% more students took Advanced Placement exams compared to 5 years ago. Student satisfaction at DCPS has also vastly improved, going from 65% when Chancellor Henderson started in the role to 83% at the end of school year 2014-2015.

(e) Under Chancellor Henderson's leadership, DCPS has increased its audited enrollment with 4 consecutive years of growth, enrolling the highest number of students in over 5 years. DCPS is on track to meet its goal of enrolling more than 50,000 students by 2017.

(f) Based on the dramatic improvements achieved under the steady leadership of the Chancellor over the last 5 1/2 years and the commitment to continuing the progress of DCPS, the Mayor has signed a new contract that increases the Chancellor's present salary and provides for certain employment benefits.

(g) There is an immediate need to approve the salary and benefits provided under the contract in order to ensure the retention of the Chancellor and to allow for the prompt payment

of the negotiated salary. The Chancellor's previous contract has expired, and the new contract was signed effective January 2, 2016.

(h) On February 2, 2016, the Council passed the Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Emergency Amendment Act of 2016, effective February 18, 2016 (D.C. Act 21-313; 63 DCR 2197) ("Emergency Act"). It expired on April 1, 2016.

(i) Temporary legislation, the Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Temporary Amendment Act of 2016, enacted on March 3, 2016 (D.C. Act 21-323; 63 DCR 3652), was recently transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)). It is projected to become law on April 28, 2016, 27 days after the expiration of the Emergency Act.

(j) A congressional review emergency is needed to prevent a gap in the law as the Chancellor has already begun receiving the salary and benefits agreed to under the new contract and as provided in the Emergency Act.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Chancellor of the District of Columbia Public Schools Salary and Benefits Approval Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

***See* Emergency D.C. Act 21-371 21 DCStat 3195**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to clarify that a District government attorney, hearing officer, or administrative law judge who is required to be a member of the District of Columbia Bar as a prerequisite of employment shall file a Certificate of Good Standing from the Committee on Admissions of the District of Columbia Court of Appeals with the Department of Human Resources by December 15 of each year, to allow an attorney employed by the Council of the District of Columbia to file a Certificate of Good Standing with the Office of the Secretary to the Council of the District of Columbia, to allow the Director of the Department of Human Resources or the Secretary to the Council of the District of Columbia to verify good standing through electronic means, to clarify that the Director of the Department of Human Resources and the Secretary to the Council of the District of Columbia shall publish in the District of Columbia Register, on an annual basis, a list of all attorneys, hearing officers, and administrative law judges who have not met the Certificate of Good Standing filing requirement, and to authorize the Secretary to the Council of the District of Columbia to issue policy directives regarding timing, waiver, and notice of the Certificate of Good Standing filing requirement.

Certificate of Good Standing Filing Requirement Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Certificate of Good Standing Filing Requirement Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) On December 17, 2014, the Council passed the District Government Certificate of Good Standing Filing Requirement Amendment Act of 2014, effective March 13, 2015 (D.C. Law 20-241; 62 DCR 1335) (the "2014 Act"), which clarified that hearing officers and administrative law judges are required to file a Certificate of Good Standing if their employment requires that they be members of the District of Columbia Bar. Previously, the law required only attorneys to file such certificates, but it was discovered in 2014 that certain administrative law judges and hearing officers were allegedly presiding over their cases without being in good standing with the District of Columbia Bar. In order to close this loophole, the Council passed the 2014 Act.

(b) Additionally, the 2014 Act transferred responsibility for collecting Certificates of Good Standing from the District's Department of Human Resources ("DCHR") to the Board of Ethics and Government Accountability ("BEGA"). However, enforcement and regulatory authority remains with the DCHR. Thus, the 2014 Act created a bifurcated process in which one agency, BEGA, acts solely as a repository for the Certificates of Good Standing, but another agency, DCHR, is responsible for ensuring that attorneys, hearing officers, and administrative law judges comply with the law and is the agency with rulemaking authority. In order to streamline the process and to prevent duplicity, it is necessary to transfer collection authority back to DCHR.

(c) Further, section 881 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective July 25, 2002 (D.C. Law 14-182; D.C. Official Code § 1-608.81) (the "1978 Act"), requires attorneys employed by an independent agency to file certificates of good standing with DCHR if they meet the applicable requirements. The 1978 Act, confusingly, and incorrectly, defines the Council of the District of Columbia as an "independent agency."

(d) Accordingly, the 1978 Act required attorneys employed by the Council of the District of Columbia to file their Certificates of Good Standing with DCHR, which falls under the executive branch of the District government. This violates the spirit of separation of powers, as it requires legislative branch employees to report to an agency overseen by the executive branch. Thus, on January 5, 2016, the Council passed the Certificate of Good Standing Filing Requirement Emergency Amendment Act of 2016, effective January 27, 2016 (D.C. Act 21-289; 63 DCR 1202) (the "emergency legislation"), and on February 2, 2016, passed the Certificate of Good Standing Filing Requirement Temporary Amendment Act of 2016, enacted on February 18, 2016 (D.C. Act 21-320; 63 DCR 2215) (the "temporary legislation"), to clarify that an attorney employed by the Council of the District of Columbia who is required to file a Certificate of Good Standing shall file his or her certificate with the Office of the Secretary to the Council of the District of Columbia and not with DCHR.

(e) In order to further aid DCHR and the Office of the Secretary to the Council of the District of Columbia in streamlining this process, and to reduce the burden on the District of Columbia Court of Appeals, DCHR, and the Office of the Secretary to the Council of the District of Columbia, the emergency legislation and the temporary legislation further allow DCHR and the Office of the Secretary to the Council of the District of Columbia to verify the good standing of attorneys, hearing officers, and administrative law judges through electronic means.

(f) The emergency legislation will expire on April 26, 2016, 3 days before the temporary legislation is projected to become law. A congressional review emergency is necessary to ensure that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation becomes law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Certificate of Good Standing Filing Requirement Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Director of the Homeland Security and Emergency Management Agency Salary Approval Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Director of the Homeland Security and Emergency Management Agency Salary Approval Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) There is an immediate need to pass the Director of the Homeland Security and Emergency Management Agency Salary Approval Congressional Review Emergency Amendment Act of 2016 to approve a salary increase for Christopher Geldart to correspond with his skills, experience, and accomplishments as the director of the Homeland Security and Emergency Management Agency.

(b) This bill is necessary to prevent a gap in the law as the emergency legislation, the Director of the Homeland Security and Emergency Management Agency Salary Approval Emergency Amendment Act of 2016, effective March 23, 2016 (D.C. Act 21-353; 63 DCR 4641), expires on April 1, 2016.

(c) The Director of the Homeland Security and Emergency Management Agency Salary Approval Temporary Amendment Act of 2016, passed on 1st reading on March 1, 2016 (Engrossed version of Bill 21-0637) will be on the agenda for the April 5, 2016, legislative meeting for final reading, but it will not become law until after the expiration of the emergency legislation. This congressional review emergency legislation is therefore necessary to prevent a gap in the law.

To declare the existence of an emergency with respect to the need to amend the National Capital Revitalization Corporation and Anacostia Waterfront Corporation Reorganization Act of 2008 to clarify that certain contracts for development of Square 3128 are exempt from portions of the Procurement Practices Reform Act of 2010.

DMPED Procurement Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "DMPED Procurement Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) The McMillan Reservoir Slow Sand Filtration Site ("McMillan Site") was conveyed to the District by the federal government in 1987.

(b) In March 2006, the District transferred jurisdiction of the property to the National Capital Revitalization Corporation ("NCRC") and NCRC selected Vision McMillan Partners ("VMP") to develop the McMillan Site in 2007. NCRC was largely exempt from the District's procurement laws, which at that time were set forth in the District of Columbia Procurement Practices Act of 1985, effective February 21, 1986 (D.C. Law 6-85; D.C. Official Code § 2-301.01 *et seq*.).

(c) In January 2008, the Council passed the National Capital Revitalization Corporation and Anacostia Waterfront Corporation Reorganization Act of 2008, effective March 26, 2008 (D.C. Law 17-138; D.C. Official Code § 2-1225.01 *et seq*.) (the "Act"), legislation that dissolved the NCRC and transferred its projects to the District under the authority of the Deputy Mayor for Planning and Economic Development ("DMPED"). In order to transition the former NCRC projects to DMPED with minimal disruption, section 201(b) of the Act (D.C. Official Code § 2-1225.11(b)) provided that NCRC contracts transferred to DMPED would continue to be exempt from the District of Columbia Procurement Practices Act of 1985.

(d) By 2009, DMPED and VMP began execution of a series of changes to the original deal, eventually resulting in an agreement that the District would prepare the McMillan site's infrastructure, and VMP would have the exclusive right to negotiate and purchase the resulting development pads.

(e) In 2010, the Council passed the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-351.01 *et seq*.), which supplanted the majority of the District's procurement law contained in the District of Columbia Procurement Practices Act of 1985. At that time, however, the exemption from District procurement laws in section 201(b) of the Act was not updated to reflect the existence of a new body of procurement law.

(f) In 2014, the Council approved 3 resolutions authorizing the Mayor to dispose of property at the McMillan Site to VMP for redevelopment into a combination of healthcare facilities, apartment buildings, townhouses, a recreational center, and open green space. In November 2015, the Council approved a resolution to extend the authority provided by those resolutions to provide the District and VMP the time necessary to complete preparations of the McMillan Site for transfer to VMP.

(g) As a result of the realignment of duties between the District and VMP culminating in the planned unit development approved in 2014 by Zoning Commission Order No. Z.C. 13-14, the infrastructure work necessary to prepare the site for development is set to begin. The agreement between the District and VMP is such that the District bears financial responsibility for the infrastructure work and site preparation required to ready the McMillan Site for delivery to VMP. Under the agreement, VMP will perform the work on behalf of the District.

(h) Given the outdated exemption reference in the NCRC reorganization law to the District of Columbia Procurement Practices Act of 1985, there is ambiguity as to whether there is legal authority for the District to move forward with the necessary contracts between VMP and the District to complete the work. Those contracts are set to begin coming to the Council for approval this spring.

(i) Providing an exemption for the McMillan project from the Procurement Practices Reform Act of 2010 will clarify that DMPED and VMP may still move forward with the contracts as contemplated, which, because of the nature of the development agreement, do not allow for competition because VMP is performing the work associated with the pre-development costs paid by the District.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the DMPED Procurement Clarification Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Business Improvement Districts Sunset Repeal Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Business Improvement Districts Sunset Repeal Emergency Declaration Resolution of 2016".

(b) Without timely action, the BID act shall expire in May. Emergency legislation is necessary to repeal the undesired expiration of the BID act.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Business Improvement Districts Sunset Repeal Emergency Amendment Act of 2016 be adopted after a single reading.

A RESOLUTION

Proposed Resolution 21-619

See Emergency D.C. Act 21-367 21 DCStat 3190

To declare the existence of an emergency with respect to the need to amend the Education Licensure Commission Act of 1976 to clarify requirements for postsecondary educational institutions providing degree-granting or non-degree-granting online programs or courses that are authorized to operate under a reciprocity agreement.

Higher Education Licensure Commission Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Higher Education Licensure Commission Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District of Columbia seeks to ensure that a wide array of postsecondary learning opportunities are available for our residents. Across the country, at least 7 million students are using online technology to access postsecondary courses. Postsecondary online distance education expands learning opportunities by providing flexible, accessible methods for acquiring new skills and fulfilling degree requirements.

(b) The rapid growth of distance education has brought to the forefront the need to provide a coherent and comprehensive structure that focuses on consumer protection and security while maintaining the unique features of online distances learning. Students in online distance education programs require stronger protections because they are completing their courses and programs outside the visibility of traditional oversight and monitoring structures. Many other states have already taken steps to protect their residents, and the District must move forward to keep up with best practices in postsecondary licensing.

(c) To address this need, the Council passed the Higher Education Licensure Commission Amendment Act of 2015, effective February 27, 2016 (D.C. Law 21-74; to be codified at § 38-1301 *et seq.*), which provided the Higher Education Licensure Commission ("HELC") with the authority to license distance education programs and enter into reciprocity agreements with other jurisdictions regarding licensing online distance education programs, which would result in ensuring security and consumer protections while making the process and costs for providing distance education far less involved.

(d) Since then, the HELC has been preparing its application to enter into the State Authorization Reciprocity Agreement ("SARA"). However, in preparing the application to enter into SARA, the HELC learned that it is statutorily prohibited from complying with the SARA membership requirements because the HELC cannot authorize any educational institution to operate in the District if the institution's title contains the words "United States, federal, American, national, or civil service, or any other words which might reasonably imply an

official connection with the government of the United States, . . . or the government of the District of Columbia[.]" (D.C. Official Code § 38-1309(c-1)).

(e) In order to join SARA, the HELC must agree to abide by SARA policies and procedures, which include not imposing additional regulatory requirements on SARA-approved institutions that want to provide distance education in the District. Therefore, this emergency legislation would provide a waiver from the naming prohibition for any postsecondary educational institutions providing degree-granting or non-degree-granting online instruction to residents of the District through an online presence that is authorized to operate under a reciprocity agreement.

(f) The HELC's SARA application will be reviewed on June 9, 2016 and must be submitted 6 weeks before that date. Without this emergency legislation, the HELC's SARA application will not be accepted because the HELC cannot comply with both its statutory mandate to prohibit the authorization of education institutions with prohibited names to operate in the District, while also upholding SARA's requirement that the District not impose additional regulatory requirements on SARA-approved institutions.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Higher Education Licensure Commission Clarification Emergency Amendment Act of 2016 be adopted after a single reading.

(b) Prosecuting the possession and distribution of synthetic drugs is a key component in combating the public health issue evidenced by increased overdoses and related emergency medical services transports in the District.

(c) The Revised Synthetics Abatement and Full Enforcement Drug Control Emergency Amendment Act of 2016 will reform the existing classification system in a way that enhances the effectiveness of prosecutions for the possession and distribution of synthetic drugs.

To declare the existence of an emergency with respect to the need to amend the District of Columbia Election Code of 1955 to change the procedures for presidential primary ballot access and clarify that the approved political party's presidential primary plan shall be transmitted to the Board of Elections no later than 24 hours after March 16; and to amend the Board of Ethics and Government Accountability Establishment and Comprehensive Ethics Reform Amendment Act of 2011 to eliminate the requirement to file with the Director of Campaign Finance and with the principal campaign committee, if applicable, reports of receipts and expenditures 8 days before the June 2016 primary election.

Primary Election Filing Requirement Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Primary Election Filing Requirement Emergency Declaration Resolution of 2016".

Sec. 2. (a) Section 5(b)(2) of the District of Columbia Election Code of 1955, approved August 12, 1955 (69 Stat. 700; D.C. Official Code § 1-1001.05(b)(2)), allows each political party to determine its own rules for ballot access.

(b) The next primary election will take place on June 14, 2016. Under current law, candidates must submit their petitions to the District of Columbia Board of Elections by March 16, 2016, to be listed on the ballot.

(c) The Democratic political party's plan stipulates that, if the candidate chooses to file with the political party in lieu of collecting signatures, the candidate's registration with the political party must be submitted by 7:00 p.m. on March 16. This party plan was approved by the Board of Elections.

(d) However, this registration deadline is beyond the closing time of the Board of Elections at 5:00 p.m. Therefore, the political party transmitted the certification on March 17.

(e) This emergency legislation clarifies that the political party, for purposes of the June 14, 2016, primary election, is permitted 24 hours after March 16 to transmit the certification, while recognizing that the political party's rules do not supersede the deadline under section 5(b)(2) (D.C. Official Code § 1-1001.05(b)(2)).

(f) Section 309 of the Board of Ethics and Government Accountability Establishment and Comprehensive Ethics Reform Amendment Act of 2011, effective April 27, 2012 (D.C. Law 19-124; D.C. Official Code § 1-1163.09), requires the treasurer of each political committee, political action committee, and independent expenditure committee to file reports of receipts and expenditures with the Director of Campaign Finance and, if applicable, with the principal campaign committee.

(g) Section 309(b) (D.C. Official Code § 1-1163.09(b)) prescribes mandatory filing dates in the 7 months preceding the date on which, and in each year during which, an election is held for the office sought, including the 10th day of June and 8 days before an election.

(h) This year, a primary election will be held on June 14, 2016. Reports of receipts and expenditures must therefore be filed on both June 6, 2016, and June 10, 2016.

(i) The additional filing on June 6, 2016, is unnecessary and will unduly burden filers and cause administrative redundancy for the Office of Campaign Finance. By enforcing the later deadline of June 10, 2016, the Office of Campaign Finance will be able to collect all relevant information in order to carry out its monitoring and auditing responsibilities.

(j) This emergency legislation eliminates the requirement for the filing of receipts and expenditures 8 days before only the June 14, 2016, primary election. The requirement will remain in effect for subsequent elections.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Primary Election Filing Requirement Emergency Amendment Act of 2016 be adopted after a single reading.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "District of Columbia Board of Elections Michael D. Gill Confirmation Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District of Columbia Board of Elections ("Board") is a 3-member, independent agency that convenes to consider and vote on election administration, ballot access, and voter registration matters.

(b) Section 3 of the District of Columbia Election Code of 1955, approved August 12, 1955 (69 Stat. 699; D.C. (e) On March 10, 2016, the Committee on the Judiciary held a public roundtable to consider Mr. Gill's nomination.

(f) As there is only one permanent member of the Board and no permanent Executive Director, it is necessary to confirm Mr. Gill on an emergency basis.

(g) Without this action, the Board will lack sufficient direction and be unable to adequately prepare for the June 2016 primary election and the November 2016 general election.

Sec. 2. (a) The District of Columbia Board of Elections ("Board") is a 3-member, independent agency that convenes to consider and vote on election administration, ballot access, and voter registration matters.

(e) On March 10, 2016, the Committee on the Judiciary held a public roundtable to consider Mr. Bennett's nomination. During the public roundtable, the Committee noted Mr. Bennett's pending nomination to the Board of Governors of the United States Postal Service and the concerns – were he to be confirmed by the United States Senate – that his nomination might implicate D.C. (f) As there is only one permanent member of the Board and no permanent Executive Director, it is necessary to confirm Mr. Bennett on an emergency basis.

(g) Many issues related to compliance with federal law, efficient vote tabulation, and equipment procurement remain unresolved. Without this action, the Board will lack sufficient leadership to solve these issues and will be unable to adequately prepare for the June 2016 primary election and the November 2016 general election.

Sense of the Council Regarding the 2011 Surplus Review of Groups Hospitalization and Medical Services, Inc. Emergency Declaration Resolution of 2016

To declare the existence of an emergency with respect to the need to declare the sense of the Council regarding the 2011 surplus review of Group Hospitalization and Medical Services, Inc.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council Regarding the 2011 Surplus Review of Groups Hospitalization and Medical Services, Inc. Emergency Declaration Resolution of 2016".

Sec. 2. (a) Emergency legislation is necessary to immediately express the sense of the Council regarding the long-delayed 2011 surplus review of Group Hospitalization and Medical Services, Inc. ("GHMSI") under the Medical Insurance Empowerment Amendment Act of 2008 ("MIEAA").

(b) It has been 7 years since the Council enacted MIEAA to hold GHMSI accountable to its community reinvestment obligation and 3½ years since the District of Columbia Court of Appeals determined that the Department of Insurance, Securities, and Banking ("DISB") had failed to complete the surplus review as required by MIEAA. It has been more than a year since GHMSI filed a reinvestment plan and DISB has not issued a final order on the merits of that plan. In addition, it is now nearly 2½ years past the deadline for completion of the surplus review set by the District of Columbia Court of Appeals.

(c) These years of delay in implementing MIEAA have created the opportunity for Maryland, Virginia, and Congress to enact laws that undermine the District's authority as GHMSI's primary regulator, which in turn undermines the authority of the Council.

(d) The DISB Commissioner testified before the Committee on Business, Consumer, and Regulatory Affairs ("Committee") on October 7, 2015, October 28, 2015, and February 29, 2016, that a decision would be issued soon. At the February 29, 2016, hearing, members of the Committee advised DISB that they expected a prompt decision regarding the review of the 2011 surplus.

(e) To date, DISB has not issued a final order. This delay has allowed other jurisdictions to challenge the District's authority and has denied the public $56 million in excess surplus that by law was required to be dedicated to community health reinvestment.

(f) It is urgent that there be no further delay and that DISB promptly develop and order GHMSI to implement a plan for dedicating $56 million in excess 2011 surplus to community health reinvestment under MIEAA.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sense

of the Council Regarding the 2011 Surplus Review of Group Hospitalization and Medical Services., Inc. Emergency Resolution of 2016 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-632

Emergency Declaration Res. 21-461 21 DCStat 3307

To declare, on an emergency basis, the sense of the Council that the Department of Insurance, Securities, and Banking should promptly develop and order Group Hospitalization and Medical Services, Inc. to implement a plan for reinvesting $56 million in excess 2011 surplus pursuant to the Medical Insurance Empowerment Amendment Act of 2008.

Sense of the Council Regarding the 2011 Surplus Review of Group Hospitalization and Medical Services, Inc. Emergency Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council Regarding the 2011 Surplus Review of Group Hospitalization and Medical Services, Inc. Emergency Resolution of 2016".

Sec. 2. The Council finds that:

(1) Group Hospitalization and Medical Services, Inc. ("GHMSI"), a subsidiary of CareFirst BlueCross BlueShield, is the District's only nonprofit hospital and medical services corporation, which was chartered by Congress in 1939 as a charitable and benevolent institution.

(2) On December 16, 2008, following a determination by the Committee on Public Services and Consumer Affairs that "deep uncertainty surrounding CareFirst's degree of dedication to its charitable public health mission" compelled the enactment of legislation to provide "a framework to ensure that CareFirst meets it public health obligation to the community," the Council unanimously enacted the Medical Insurance Empowerment Amendment Act of 2008, effective March 25, 2009 (D.C. Law 17-369; 56 DCR 1346) ("MIEAA").

(3) MIEAA requires the Department of Insurance, Securities, and Banking ("DISB") to review GHMSI's surplus at least every 3 years to determine if it is excessive. If it is determined to be excessive, DISB must order GHMSI to submit a fair and equitable plan for dedicating the portion of the excess attributable to the District for community health reinvestment.

(4) MIEAA further requires that if GHMSI fails to submit a plan as ordered, DISB shall deny rate increases for 12 months, or issue such orders as are necessary to enforce MIEAA, including developing a plan and ordering GHMSI to implement it.

(5) On October 29, 2010, DISB determined that GHMSI's 2008 surplus of $687 million was not excessive under MIEAA and ordered a subsequent review by July 31, 2012.

(6) On September 13, 2012, following an expedited petition for review of the October 29, 2010 decision, the District of Columbia Court of Appeals ("Court") unanimously determined that DISB had failed to apply MIEAA, as mandated by the Council, and remanded the case for the next surplus review, to be completed no later than 3 years from the date of the previous order.

(7) On December 30, 2014, DISB determined that GHMSI's 2011 surplus was excessive by $268 million over the target of $696 million (721% Risk Based Capital) ("RBC") and ordered GHMSI to submit a plan for dedicating $56 million of that excess attributable to the District to community health reinvestment by February 13, 2015, subsequently amended to March 16, 2015.

(8) On March 16, 2015, GHMSI submitted a plan claiming that its surplus was not excessive and that, in any case, it had already reinvested $56 million.

(9) One week after GHSMI submitted its plan to DISB, on March 23, 2015, Virginia enacted a law prohibiting GHMSI from reinvesting excess surplus pursuant to the Commissioner's order without the approval of the Virginia State Corporation Commission.

(10) One month after GHMSI submitted its statement to DISB, on April 14, 2015, Maryland enacted a law prohibiting GHMSI from reinvesting excess surplus pursuant to the Commissioner's order without the approval of the Commissioner of the Maryland Insurance Administration.

(11) On April 28, 2015, the Court denied petitions for review of the December 30, 2014 order by DISB. The Court determined that the petition was not ripe for review because DISB had "not yet determined whether the community health reinvestment plan submitted by GHMSI is 'fair and equitable'" under MIEAA.

(12) On December 18, 2015, Congress amended GHMSI's charter to prohibit it from reinvesting excess surplus without the agreement of the District, Maryland, and Virginia, but expressly exempted the pending 2011 surplus review from this requirement.

(13) On March 1, 2016, GHMSI reported a 2015 surplus of $960 million (882% RBC). This shows that a reinvestment of the $56 million ordered by the DISB would result in a surplus of $904 million (829% RBC), which far exceeds the target surplus of 721% RBC established by the December 30, 2014 order by DISB.

(14) To date, the Commissioner has not issued a final order in the 2011 GHMSI surplus review under MIEAA.

(15) It has been 7 years since the Council enacted MIEAA, and its intent to hold GHMSI accountable has never been effectuated, which undermines the Council's legislative authority.

(16) It has been more than 2 years since the date the Court determined that the remanded proceeding should be completed.

(17) It has been more than a year since GHMSI filed a reinvestment plan, and DISB has not issued a final order on the merits of that plan.

(18) During the delay, Maryland, Virginia, and Congress have taken steps to limit the District's authority as the GHMSI's primary regulator, which undermines the District's home rule.

(19) The delay means that $56 million in excess surplus funds have not yet been devoted to community health reinvestment as they should have been.

Sec. 3. It is the sense of the Council that DISB should promptly bring the 2011 surplus review to a conclusion by:

(1) Within 20 days of the effective date of this resolution, publishing notice of the agency's intent in the District of Columbia Register to develop a community reinvestment plan for $56 million in excess GHMSI 2011 surplus consistent with MIEAA;

(2) Allowing public comment on a community reinvestment plan until 30 days after publication of notice in the District of Columbia Register; and

(3) Approving the plan within 45 days of the deadline for public comment and ordering GHMSI to implement that plan within 30 days.

Sec. 4. The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor and the Commissioner of the Department of Insurance, Securities, and Banking.

Sec. 5. This resolution shall take effect immediately.

See Emergency D.C. Act 21-372 21 DCStat 3198

To declare the existence of an emergency with respect to the need to amend the Fiscal Year 1997 Budget Support Act of 1996 and section 24-225 of the District of Columbia Municipal Regulations to include civic associations as an entity for which the Mayor is authorized to waive or reduce public space permit fees, except for application fees.

Civic Associations Public Space Permit Fee Waiver Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Civic Associations Public Space Permit Fee Waiver Emergency Declaration Resolution of 2016".

Sec. 2. (a) Section 603a of the Fiscal Year 1997 Budget Support Act of 1996, effective December 2, 2011 (D.C. Law 19-48; D.C. Official Code § 10-1141.03a), authorizes the Mayor to waive or reduce permit fees, except for application fees, for the use of public space, public rights of way, and public structures for projects that:

(1) Are conducted by a Business Improvement District or Community Improvement District;

(2) In the Mayor's determination, serve a public benefit;

(3) Do not impose costs on the District government; and

(4) Do not involve commercial sponsorship.

(b) Under current law, public space permit fees are calculated by block face, resulting in substantial permit fees even for modest projects. While Business Improvement Districts and Community Improvement Districts may seek a waiver of these fees, civic associations are not eligible for a fee waiver despite their similar function.

(c) This emergency legislation redresses this issue by authorizing the Mayor to waive public space permit fees for civic associations, thereby removing a significant financial barrier to the implementation of projects that provide a public benefit, and encouraging the critical role that civic associations play in enhancing the District's public space. Moving this measure on an emergency basis will allow the Executive to consider waiver requests in time for the summer, whereas a permanent version of the bill may not become effective by then, due to congressional review.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Civic Associations Public Space Permit Fee Waiver Emergency Amendment Act of 2016 be adopted after a single reading.

The Borrower shall have no claims for damages or for any other legal or equitable relief against the District, its elected or appointed officials, officers, employees, or agents as a consequence of any failure to issue any Bonds for the benefit of the Borrower.

(b) The District reserves the right to issue the Bonds in the order or priority it determines in its sole and absolute discretion. The District gives no assurance and makes no representations that any portion of any limited amount of bonds or other obligations, the interest on which is excludable from gross income for federal income tax purposes, will be reserved or will be available at the time of the proposed issuance of the Bonds.

(c) The District, by adopting this resolution or by taking any other action in connection with financing, refinancing, or reimbursing costs of the Project, does not provide any assurance that the Project is viable or sound, that the Borrower is financially sound, or that amounts owing on the Bonds or pursuant to the Loan will be paid. Neither the Borrower, any purchaser of the Bonds, nor any other person shall rely upon the District with respect to these matters.

Sec. 15. Expiration.

If any Bonds are not issued, sold, and delivered to the original purchaser within 3 years of the date of this resolution, the authorization provided in this resolution with respect to the issuance, sale, and delivery of the Bonds shall expire.

Sec. 16. Severability.

If any particular provision of this resolution or the application thereof to any person or circumstance is held invalid, the remainder of this resolution and the application of such provision to other persons or circumstances shall not be affected thereby. If any action or inaction contemplated under this resolution is determined to be contrary to the requirements of applicable law, such action or inaction shall not be necessary for the purpose of issuing of the Bonds, and the validity of the Bonds shall not be adversely affected.

Sec. 17. Compliance with public approval requirement.

This approval shall constitute the approval of the Council as required in section 147(f) of the Internal Revenue Code of 1986, approved October 22, 1986 (100 Stat. 2635; 26 U.S.C. § 147(f)), and section 490(k) of the Home Rule Act, for the Project to be financed, refinanced, or reimbursed with the proceeds of the Bonds. This resolution approving the issuance of the Bonds for the Project has been adopted by the Council after a public hearing held at least 14 days after publication of notice in a newspaper of general circulation in the District.

Sec. 18. Transmittal.

The Secretary to the Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 19. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

Sec. 20. Effective date.

This resolution shall take effect immediately.

See Emergency D.C. Act 21-400 21 DCStat 3211

To declare the existence of an emergency with respect to the need to amend section 47-2844 of the District of Columbia Official Code to enable the Mayor to suspend or revoke the business license of any business engaged in the buying or selling of a synthetic drug and to enable the Chief of Police to seal a business licensee's premises for up to 96 hours for the buying or selling of a synthetic drug; and to amend the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 to designate the sale of a synthetic drug as a per se imminent danger to the health or safety of District residents and provide for an administrative hearing after the sealing of a business licensee's premises.

Sale of Synthetic Drugs Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, that this resolution may be cited as the "Sale of Synthetic Drugs Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to amend section 47-2844 of the District of Columbia Official Code to enable the Mayor to suspend or revoke the business license of any business engaged in the buying or selling of a synthetic drug and to enable the Chief of Police to seal a business licensee's premises for up to 96 hours for the buying or selling of a synthetic drug; and to amend the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 to designate the sale of a synthetic drug as a per se imminent danger to the health or safety of District residents and provide for an administrative hearing after the sealing of a business licensee's premises.

(b) On June 30, 2015, the Council of the District of Columbia passed the Sale of Synthetic Drugs Emergency Amendment Act of 2015, effective July 10, 2015 (D.C. Act 21-100; 62 DCR 9689). This emergency legislation expired on October 8, 2015.

(c) The Council passed identical temporary legislation, the Sale of Synthetic Drugs Temporary Amendment Act of 2015, effective October 21, 2015 (D.C. Law 21-34; 62 DCR 10898), on July 14, 2015. This temporary legislation will expire on June 2, 2016.

(d) The permanent version of this legislation, the Sale of Synthetic Drugs Amendment Act of 2015, as introduced on July 18, 2015 (Bill 21-0261), is pending in the Committee on the Judiciary. The Committee held a hearing on the bill on September 16, 2015.

(e) In order to prevent a gap in the law before the permanent legislation moves forward, it is necessary to pass this identical emergency and temporary legislation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sale of Synthetic Drugs Emergency Amendment Act of 2016 be adopted after a single reading.

Proposed Resolution 21-685

***See* Emergency D.C. Act 21-403 21 DCStat 3217**

To declare the existence of an emergency with respect to the need to amend various acts to repeal outdated and unnecessary mandates for audits and other reports required of the District of Columbia Auditor.

Repeal of Outdated and Unnecessary Audit Mandates Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Repeal of Outdated and Unnecessary Audit Mandates Emergency Declaration Resolution of 2016".

Sec. 2. (a) Three exists a need to approve emergency legislation to repeal and modify several mandates for audits and other reports required of the District of Columbia Auditor.

(b) The permanent version of this legislation, the Repeal of Outdated and Unnecessary Audit Mandates Amendment Act of 2016, passed on 2nd reading on April 19, 2016 (Enrolled version of Bill 21-377) (the "permanent legislation"), has not yet been transmitted for congressional review. Making most provisions of the permanent legislation effective sooner than the time needed for congressional review would allow the District of Columbia Auditor to better plan for audits necessary for the remainder of 2016 and going forward for 2017.

(c) The permanent legislation repeals or modifies numerous statutory mandates, but importantly does not reduce the District of Columbia Auditor's broad authority and discretion to audit any account, including those affected by the bill.

(d) One of the mandates repealed by the permanent legislation – for the audit of an inactive fund related to telephone solicitations – amends Title 22 of the District of Columbia Official Code, necessitating a 60-day congressional review period for the permanent legislation rather than the 30-day review.

(e) Because 2016 is a presidential election year, Congress is likely to have fewer days in session than usual – pushing the congressional review period for the permanent legislation well in to September.

(f) Making the provisions of the permanent legislation – other than those that are subject to appropriations – effective immediately will enable the District of Columbia Auditor to free up important resources to provide better and more useful work for the Council of the District of Columbia and the public.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Repeal of Outdated and Unnecessary Audit Mandates Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to order the closing of a portion of the public alley system in Square 342, bounded by Massachusetts Avenue, N.W., 10th Street, N.W., K Street, N.W., and 11th Street, N.W., in Ward 2.

Closing of a Public Alley in Square 342, S.O. 14-21629, Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of a Public Alley in Square 342, S.O. 14-21629, Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to close a portion of the public alley system in Square 342, S.O. 14-21629.

(b) The purpose of the alley closing is to facilitate the redevelopment of a parcel of land and the development of a new hotel one block from the Convention Center, in the Mount Vernon neighborhood. Lots 53 and 809, located within Square 342, are currently improved with 2 4-story 19th century buildings. Lots 4 and 5, also located within Square 342, are covered by a surface parking lot. Directly across the street from Square 342, to the west and south, are high-density mixed-use commercial buildings. The applicant is Jemal's Bulldog LLC.

(c) The proposed hotel will be constructed over the top of the existing alley, making continued access to that alley impossible. However, the alley system in Square 342 also includes a 12-foot-wide through-block public alley running east-west, as well as an 11-foot-wide north-south public alley.

(d) The Council has passed a permanent version of this legislation, the Closing of a Public Alley in Square 342, S.O. 14-21629, Act of 2016, enacted on May 4, 2016 (D.C. Act 21-387; 63 DCR ____). Making the closing effective sooner than congressional review will allow would enable the project to proceed without the risk of delay.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of a Public Alley in Square 342, S.O. 14-21629, Emergency Act of 2016 be adopted after a single reading.

***See* Emergency D.C. Act 21-402 21 DCStat 3216**

To declare the existence of an emergency with respect to the need to amend Chapter 18 of Title 47 of the District of Columbia Official Code to clarify the franchise tax rates so that they correspond with existing law regarding tax reform procedure and priority.

Franchise Tax Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Franchise Tax Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) As part of the Tax Revision Commission Implementation Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-155; 62 DCR 3601), the District triggered step reductions to the unincorporated and incorporated business franchise tax rate in addition to a number of other revisions to the District's tax code.

(b) The tax triggers, set forth at D.C. Official Code § 47-181, codified the step reductions and reduced the unincorporated and incorporated business franchise tax rate in 0.2 % increments. Thus, the unincorporated and incorporated business franchise tax rate would reduce from 9.4 % to 9.2 %, and in subsequent triggers from 9.2 % to 9.0 %.

(c) Although the tax reform procedure and priority in D.C. Official Code § 47-181 is clear, a corresponding amendment to the unincorporated and incorporated business franchise tax rate, codified at D.C. Official Code § 47-1807, is necessary to accurately reflect the tax reform procedure and implementation.

(d) The Council adopted an identical fix in the Fiscal Year 2016 Budget Support Clarification Emergency Amendment Act of 2016, effective January 27, 2016 (D.C. Act 21-292; 63 DCR 1211). However, that provision, which went into effect on January 27, 2016, expired on April 26, 2016. As such, it is necessary to pass an emergency measure to continue this clarification until the permanent fix is adopted.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Franchise Tax Clarification Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend An Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes to clarify agency responsibilities with regard to school attendance, to deem an absence of a minor student from a public school unexcused where the school does not obtain an explanation for the absence from the student's parent or guardian verifying the reason for an absence within 5 days after a student's return to school, to prohibit the suspension, expulsion, or unenrollment of a minor from a public school due to an unexcused absence or due to a late arrival to school, to clarify attendance reporting requirements for public, independent, private, and parochial schools, to revise the protocol for a law enforcement officer who comes in contact with a minor and has reasonable grounds to believe the minor is truant, to revise the educational institution referral requirement for the Child and Family Services Administration, the Court Social Services Division of the Superior Court of the District of Columbia, and the Office of the Attorney General Juvenile Section to only include unexcused full school day absences with regard to attendance, to provide educational institutions with discretion on referrals if a student's 10th or 15th unexcused absence is accrued within the final 10 school days of the school year, and to require the State Superintendent of Education to provide written notice to each public, independent, private, or parochial school outlining the attendance and reporting requirements by July 1 of each year; to amend the District of Columbia School Reform Act of 1995 to conform it to the prohibitions against expulsion and suspension provided in An Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes and the Pre-k Enhancement and Expansion Amendment Act of 2008; and to amend Chapter 21 of Subtitle A of Title 5 of the District of Columbia Municipal Regulations to repeal the requirement that a public school notify the Metropolitan Police Department after each occurrence of a student's 10th unexcused absence, to require that an educational institution obtain an explanation for a student's absence within 5 days of the student's return to school, and to amend the terms "truancy rate" and "chronic absenteeism."

School Attendance Clarification Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "School Attendance Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) Over the past 5 years, the Council of the District of Columbia has passed 3 laws – D.C. Law 18-242, the Safe Children and Safe Neighborhoods Educational Neglect Mandatory Reporting Amendment Act of 2010; D.C. Law 19-141, the South Capitol Street Memorial Amendment Act of 2012; and D.C. Law 20-17, the Attendance Accountability Amendment Act of 2013 – with the goal of reducing chronic truancy.

(b) Schools have implemented the various mandates from the 3 different bills over the past 2 years and have worked diligently to reduce the truancy epidemic in the District. Such efforts have started to result in an annual reduction in truancy in both public education sectors

and has shed light on additional areas that need to be addressed in order to continue in a positive trend.

(c) To address the issues that have been raised through implementation of the 3 laws mentioned above, Chairman Mendelson and Councilmember Grosso introduced Bill 21-508, the School Attendance Clarification Amendment Act of 2015 on December 1, 2015. The various items in Bill 21-508 have been identified through the work of the Truancy Taskforce's policy committee. In some cases, the changes in Bill 21-508 reflect the actual practice occurring in the District, and in other cases the changes allow schools and the various District agencies (e.g. the Child and Family Services Administration, Office of the Attorney General, and the Court Social Services Division) to target resources to those students who need them most as the District continues to identify ways to combat not just truancy but chronic absenteeism.

(d) On January 21, 2016, the Committee of the Whole and the Committee on Education held a joint public hearing on Bill 21-508, and on February 24, 2016, the Committee on Education marked up Bill 21-508. As the bill is a product of collaboration and extensive feedback from the District of Columbia Public Schools, the public charter school sector, the private school sector, and the various District agencies involved with combating truancy in the District, the Committee of the Whole print, which was marked up on April 19, 2016, was virtually identical to the version marked up by the Committee on Education.

(e) On April 19, 2016, Bill 21-508 was adopted unanimously by the Council on first reading and is up for second reading on May 3, 2016. However, the bill will not become law until the summer, making it difficult for schools to plan for the upcoming changes in school year 2016-2017. Various provisions in Bill 21-508 will require schools to make changes to their data systems, parent handbooks, and attendance policies. In order for schools to have these changes in place when school starts, they must have ample notice and implementation time, especially since some of the schools in the District start in early August. Thus, an immediate need exists for this legislation, which mirrors verbatim the language in the permanent version.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the School Attendance Clarification Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1999 to allow any applicant that received notification on July 25, 2014, that its medical marijuana cultivation center was eligible for registration to modify its application, to allow a holder of a cultivation center registration that owns or has a valid lease for the real property adjacent to its existing cultivation center to expand its facility into that adjacent real property for purposes of increasing production of marijuana plants, not to exceed the authorized limit, and to increase the number of living plants a cultivation center may possess at any time to 1,000.

Medical Marijuana Cultivation Center Expansion Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Cultivation Center Expansion Emergency Declaration Resolution of 2016".

Sec. 2. (a) This emergency is necessary to allow holders of cultivation center registrations that own or have valid leases for the real property immediately adjacent to, and located within the same physical structure as, their existing cultivation centers to expand their facilities into that adjacent real property for purposes of increasing production not to exceed the authorized limit. This emergency will also increase the number of living plants medical marijuana cultivation centers may possess at any time to 1,000.

(b) Pursuant to the Medical Marijuana Expansion Emergency Amendment Act of 2014, effective July 29, 2014 (D.C. Act 20-396; 61 DCR 8255), and the Medical Marijuana Expansion Temporary Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-163; 61 DCR 10753), the District increased the number of plants that a cultivation center could possess from 95 to 500 plants.

(c) To accommodate this growth, the District's cultivation centers must increase production, which for some registrants may necessitate expanding the physical size of their facilities, and for all facilities will require the ability to possess more than the current allotment of 500 living plants at any time.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Cultivation Center Expansion Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend section 103 of Title 18 of the District of Columbia Municipal Regulations to repeal the requirement that every person who has never been issued a driver license must provide documentation that they have successfully completed an approved course of driver instruction before issuance of a provisional permit or driver license.

Mandatory Driver Instruction Regulation Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Mandatory Driver Instruction Regulation Emergency Declaration Resolution of 2016".

Sec. 2. (a) In January 2016, the Department of Motor Vehicles ("DMV") announced its intention to implement rules on May 1, 2016, mandating that "before receiving their first driver license, all new drivers, regardless of age, must successfully complete a DC DMV approved course in driver education that consists of 30 hours of classroom instruction and eight hours of behind-the-wheel instruction."

(b) The DMV has approved 15 private companies to provide the driver instruction courses in the District, with rates that range from $375 to $499 for 10 hours of instruction – amounting to approximately $1,000 for the total 30 or more mandated hours of driving instruction -- resulting in high costs to District residents seeking to obtain a provisional permit or driver license.

(c) 20% of District residents make less than $23,000 a year, meaning that a low-income resident would have to spend more than half a month's income on driver instruction.

(d) Until 2009, public schools in the District provided driver instruction funded in part by a fee added to driver license applications, but there is currently no low-cost or free option for a District resident seeking driver instruction.

(e) By not providing a low-cost or free option, the DMV's mandatory driver instruction rules will effectively prevent many low-income District residents from having equal access to provisional permits or driver licenses.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Mandatory Driver Instruction Regulation Emergency Amendment Act of 2016 be adopted after a single reading.

(b) On September 18, 2015, the Office of the Chief Financial Officer executed Task Order 1 under Contract No. CFOPD-15-C-064A in the amount of $399,584. On April 4, 2016, the amount of Task Order 1 was reduced to $306,055.

(e) Proposed Task Order 4 is in the amount of $1,376,791.

(f) Council approval is necessary because proposed Task Order 4 is in excess of $1 million and it increases the overall expenditures under Contract No. CFOPD-15-C-064A to more than $1 million during a 12-month period. Council approval is further necessary to allow the continuation of these vital services and to allow Bert Smith & Company to continue performance under the contract.

To declare the existence of an emergency with respect to the need to approve the Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS between the Department of Behavioral Health and the Foundation for Contemporary Mental Health for methadone maintenance and counseling treatment services to eligible District residents and to authorize payment for the services received and to be received under the agreement.

Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve the Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS between the Department of Behavioral Health ("DBH") and the Foundation for Contemporary Mental Health ("Foundation") for methadone maintenance and counseling treatment services to eligible District residents.

(b) DBH anticipates an influx of about 400 new clients due to the unanticipated end of services by a current methadone provider in May. In addition, unexpected technical glitches in the electronic medical record and billing and claims system prevent a determination of Medicaid eligibility for enrolled clients and jeopardize the confidentiality of medical records as required by law during transfer of clients. This will delay the projected federal Medicaid reimbursements to support local dollars. To maintain continuity of care, the cost of the Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS ending September 30, 2016, must be increased to $1,060,000, thereby necessitating Council approval.

(c) Approval of Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS is required to allow methadone maintenance and counseling treatment services to continue uninterrupted and to avoid disruption in care from transferring about 700 clients now served by the Foundation to other methadone treatment providers.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Human Care Agreement RM-15-HCA-SATS-008-FCM-BY4-CPS Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Amendment and Change Orders to Contract No. DCAM-14-NC-0046B Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Amendment and Change Orders to Contract No. DCAM-14-NC-0046B Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve the Amendment for Partial Exercise of Option Year 002 to Contract No. DCAM-14-NC-0046B, and Change Order Nos. 001 through 006, inclusive, to that Amendment with Kramer Consulting, P.C. to provide program management services for the Department of Parks and Recreation's (the "Department's") capital construction portfolio and to authorize payment in the aggregate not-to-exceed amount of $2,454,680 for the goods and services received and to be received during option year 2 of the contract.

(b) The Department awarded the underlying contract to Kramer to provide program management services for the Department's capital construction portfolio, which was submitted to the Council and approved pursuant to CA20-0345. Subsequently, the Department exercised the first of the 2 one-year options to extend the term of the contract; that action was also submitted to the Council and approved pursuant to CA21-0014. Thereafter, the Department partially exercised the second of the 2 option years by issuing the Amendment for Partial Exercise of Option Year 002, which extended the contract term through November 15, 2015 and authorized the expenditure of an amount not to exceed $75,000. Change Order No. 001 to the Amendment increased the not-to-exceed amount for option year 2 to $250,000. Thereafter, Change Order Nos. 002 and 003 to the Amendment extended the contract term through February 15, 2016 and increased the not-to-exceed amount for option year 2 to $750,000, respectively. Change Order No. 004 to the Amendment extended the contract term through March 31, 2016 and increased the not-to-exceed amount for option year 2 to $995,000. Change Order No. 005 to the Amendment extended the contract term through May 15, 2016. The aggregate contract amount of the Amendment for Partial Exercise of Option Year 002, and Change Order Nos. 001 through 005 to that Amendment, was $995,000; thus, Council approval was not required.

(c) The Department now seeks to issue Change Order No. 006, which will extend the contract term through September 30, 2016, fully exercising option year 2, and increase the not-to-exceed amount of option year 2 to $2,454,680.

(d) Council approval of the Amendment for Partial Exercise of Option Year 002, and Change Order Nos. 001 through 006, inclusive, to that Amendment is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because the Amendment and the change orders will increase contract amount by more than $1,000,000 during a 12-month period.

(e) Approval of the Amendment for Partial Exercise of Option Year 002, and Change Order Nos. 001 through 006, inclusive, to that Amendment is necessary to allow the continuation of these vital services. Without this approval, Kramer Consulting, P.C. cannot be paid for services provided in excess of $1,000,000 during option year 2 of the contract, from October 1, 2015 to September 30, 2016.

Sec. 3. Proposed Resolution 21-770

To approve an agreement to enter into a long-term subsidy contract for15 years in support of the District's Local Rent Supplement Program to fund housing costs associated with affordable housing units for Contract No. 2014-LRSP-07A with South Capitol Improvements, LLC, for program units located at 4001 South Capitol Street, S.W.

Local Rent Supplement Program Contract No. 2014-LRSP-07A Approval Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2014-LRSP-07A Approval Resolution of 2016".

Sec. 2. (a) In 2007, the District passed title II of the Fiscal Year 2007 Budget Support Act of 2006 ("BSA") to provide funding for affordable housing for extremely low-income households in the District. The passage of the BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or those with disabilities, through project-based, tenant-based and sponsored-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP on behalf of the District.

(b) In April 2014, DCHA participated in a Request for Proposals issued by the District of Columbia Department of Housing and Community Development. Of the total proposals received, 12 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely low-income families making from 0% to 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout Washington, D.C. Upon approval of the agreement to enter into a long-term subsidy contract ("ALTSC") by the Council, DCHA will execute the agreement with the selected housing providers under the LRSP.

(c) There exists an immediate need to approve the ALTSC with South Capitol Improvements, LLC, in order to provide long-term affordable housing units for extremely low-income households in the District for units located at 4001 South Capitol Street, S.W.

(d) The Council's approval authorizes the ALTSC between DHCA and South Capitol Improvements, LLC, with respect to the payment of rental subsidy, and allows the owner to lease 20 newly constructed units at South Capitol Multifamily and house District of Columbia extremely low-income households with incomes at 30% or less of the area median income.

Sec. 3. Pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), and section 202 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-352.02), the Council approves the ALTSC with South Capitol Improvements, LLC, for the creation of 20 affordable housing units, in an initial amount not to exceed $240,960 annually.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to DCHA and the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Contract No. CFOPD-11-C-040 Extension Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve multiyear Modification 12 of Contract No. CFOPD-11-C-040 with eFunds Corporation to continue to provide electronic benefits transfer services to the Office of the Chief Financial Officer on behalf of the Office of Finance and Treasury and to authorize payment for the services received and to be received under the contract.

(b) On April 13, 2016, the Office of the Chief Financial Officer executed Modification 11 under Contract No. CFOPD-11-C-040, which partially exercised the multiyear option period from April 14, 2016, through July 13, 2016, in the amount of $250,000.

Sec. 3. A RESOLUTION

Proposed Resolution 21-800

***See* Emergency D.C. Act 21-427 21 DCStat 3254**

To declare the existence of an emergency with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1999 to provide certain medical marijuana cultivation center applicants with the ability to relocate to another election ward.

Medical Marijuana Cultivation Center Relocation Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Cultivation Center Relocation Emergency Declaration Resolution of 2016".

Sec. 2. (a) The Council passed the Medical Marijuana Cultivation Center Amendment Act of 2013, effective December 13, 2013 (D.C. Law 20-59; 60 DCR 15484) ("Act"), which amended the Legalization of Marijuana for Medical Treatment Initiative of 1999 to limit the number of medical marijuana cultivation centers and dispensaries that may locate in any election ward to 6.

(b) In 2015, 4 cultivation centers applied for the last available license in Ward 5, handing in their applications on the same day with the understanding that the applications would be processed, and the final registration awarded, on a first-come, first-serve basis. Instead, the Department of Health awarded the license based on other criteria.

(c) The District of Columbia Office of Administrative Hearings recently determined that the Department of Health's process in ascertaining which cultivation center would be awarded the final registration for Ward 5 was arbitrary, capricious, or was otherwise not in accordance with the law.

(d) Currently, applicants cannot modify the proposed cultivation center location on their applications subsequent to submission of that application. By allowing the affected applicants to modify the location listed on their pending application with the Department of Health, a new location for their cultivation center, in a different election ward, may be selected without forfeiting the "active" status of their application.

(e) This emergency legislation will permit cultivation centers applicants who were unable to secure the final license in Ward 5 due to an unclear process to change the location on their application and keep their "active" status as they continue to find a suitable location elsewhere within the District of Columbia.

(f) This legislation shall not result in the registration of more than 6 cultivation centers to operate within a single election ward established by the Council in section 4 of the Redistricting Procedure Act of 1981, effective March 16, 1982 (D.C. Law 4-87; D.C. Official Code § 1-1041.03).

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Cultivation Center Relocation Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

(c) OCP now proposes Modification No. 2 to Contract No. DCHT-2016-C-0003 to increase the amount of Contract DCHT-2016-C-0003 by $475,000, increasing Contract Nos. DCHT-2015-C-0003, DCHT-2016-C-0003, and DCHT-2016-C-0008 to the not to exceed amount of $1,465,000.

(e) Approval is necessary to allow the continuation of these vital services. Without this approval, Universal Home Healthcare, Inc., cannot be paid for services provided in excess of $1 million.

not-to-exceed amount of $3,088,228.17 for the period from March 16, 2016, through June 30, 2016.

(h) Modification No. M024 was administrative in nature and did not increase the value of the human care agreement.

(i) By Modification No. M025, the District proposes to exercise the remainder of the second option year for the period from July 1, 2016, through December 11, 2016 in the not-to-exceed amount of $4,733,359.10, making the total not-to-exceed amount for option year two $10,563,472.10.

(j) Council approval is necessary because, as a result of Modification Nos. M021 and M023 and proposed Modification No. M025, the value of the human care agreement is increased to be more than $1 million during a 12-month period.

(k) Approval is necessary to allow the continuation of these vital services. Without this approval, The National Center for Children and Families cannot be paid for services provided in excess of $1 million.

(l) The Modifications to Human Care Agreement No. DCRL-2013-H-0039A Approval and Payment Authorization Emergency Act of 2016, effective April 27, 2016 (D.C. Act 21-363; 63 DCR 6832), referred to a proposed Modification No. M023, but it did not expressly approve, or expressly authorize payment for, Modification No. M025. The Modifications to Human Care Agreement No. DCRL-2013-H-0039A Approval and Payment Authorization Clarification Emergency Act of 2016 would supersede the Modifications to Human Care Agreement No. DCRL-2013-H-0039A Approval and Payment Authorization Emergency Act of 2016 by explicitly approving Modification Nos. M020, M021, M023, and proposed Modification No. M025.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modifications to Human Care Agreement No. DCRL-2013-H-0039A Approval and Payment Authorization Clarification Emergency Act of 2016 be adopted after a single reading.

First Amendment to the Washington Metropolitan Area Transit Authority Capital Funding Agreement Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "First Amendment to the Washington Metropolitan Area Transit Authority Capital Funding Agreement Emergency Declaration Resolution of 2016".

(b) On July 1, 2010, the Office of Contracting and Procurement, on behalf of the District Department of Transportation, executed the multiyear CFA with the WMATA to provide capital funding for a capital improvement program from July 1, 2010, through June 30, 2016, in the ceiling amount of $397,314,000.

To declare the existence of an emergency with respect to the need to approve Change Order Nos. 007 through 012 to Contract No. DCAM-13-CS-0136 with Smoot Gilbane II Joint Venture for design-build services for the Roosevelt High School modernization, and to authorize payment for the goods and services received and to be received under these change orders.

Change Order Nos. 007 through 012 to Contract No. DCAM-13-CS-0136 Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Change Order Nos. 007 through 012 to Contract No. DCAM-13-CS-0136 Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2.(a) There exists an immediate need to approve Change Order Nos. 007 through 012 to Contract No. DCAM-13-CS-0136 with Smoot Gilbane II Joint Venture for the modernization of Roosevelt High School in the aggregate amount of $1,737,232, and to authorize payment for the goods and services received and to be received under these change orders.

(b) The underlying contract was previously approved by the Council (CA20-0277) and Change Order No. 001 was also approved by the Council (CA20-0424). The Department of General Services then submitted, and the Council approved, Change Order No. 002 through Change Order No. 006. Thereafter, the Department issued Change Order No. 007 ($0), Change Order No. 008 ($450,00), Change Order No. 009 ($0), Change Order No. 010 ($200,000), and Change Order No. 011 ($349,000). The aggregate value of these change orders was less than $1 million; thus, Change Orders Nos. 007 through 011 did not require Council approval.

(c) Change Order No. 012 will cause the aggregate value of the change orders issued, after the Council's last approval of Change Orders Nos. 002 through 006, to exceed $1,000,000 and require Council approval pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51).

(d) Approval of Change Order Nos. 007 through 012 is necessary to compensate Smoot Gilbane II Joint Venture for work completed and to be completed under these change orders.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Change Order Nos. 007 through 012 to Contract No. DCAM-13-CS-0136 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Contract No. CW40550 Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve Contract No. CW40550 with Riva Modeling Systems, Inc., to provide information technology services supporting the Asset Management Program, including Modification No. 0001 to that contract, and to authorize payment in the total amount of $1,395,000 for the goods and services received and to be received under the contract as modified by Modification No. 0001.

(b) On December 4, 2015, the Office of Contracting and Procurement awarded Contract No. CW40550 to Riva Modeling Systems, Inc. to provide information technology services supporting the Asset Management Program for the period from December 4, 2015 to December 3, 2016 in the amount of $880,000.00.

(c) Modification No. 0001 proposes to increase the total amount of the contract to $1,395,000.00 during that same 12-month period.

(d) Council approval of Contract No. CW40550 and Modification No. 0001 to the contract is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because they involve the expenditure of more than $1,000,000 during a 12-month period.

(e) Approval of Contract No. CW40550 and Modification No. 0001 to the contract, is necessary to allow the continuation of these vital services. Without this approval, Riva Modeling Systems, Inc., cannot be paid for services provided in excess of $1 million during the contract period from December 4, 2015 through December 3, 2016.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. CW40550 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-818

***See* Emergency D.C. Act 21-428 21 DCStat 3255**

To declare the existence of an emergency with respect to the need to amend the Minimum Wage Act Revision Act of 1992 to progressively increase the minimum wage to $15 an hour by 2020, beginning in 2021 to increase the minimum wage during each successive year pursuant to the Consumer Price Index, to progressively increase the tipped minimum wage to $5 an hour by 2020, and beginning in 2021 to increase the tipped minimum wage during each successive year pursuant to the Consumer Price Index; and to amend the Living Wage Act of 2006 to provide that the minimum wage requirements of the Minimum Wage Act Revision Act of 1992 shall apply to contracts and agreements for government assistance if the minimum wage is higher than the living wage.

Fair Shot Minimum Wage Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fair Shot Minimum Wage Emergency Declaration Resolution of 2016".

Sec. 2. (a) The Fair Shot Minimum Wage Emergency Amendment Act of 2016, passed on 1st reading on June 7, 2016 (Engrossed version of Bill 21-712) ("Fair Shot Act"), still must have a second reading, complete the District legislative process, and complete the 30-day congressional review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(b) Congress, both the House and Senate, is set to adjourn in mid-July and not reconvene until early September. The congressional recess means a longer than usual congressional review period. As a result, the Fair Shot Act is unlikely to become law until near the end of 2016.

(c) It is important that this ground-breaking law be in place earlier than year's end to provide surety to employers and employees of the mandated progressive increases.

(d) The next scheduled adjustment to the minimum hourly wage is July 1, 2016.

(e) It is important that the requirement that the Mayor publish each adjustment to the minimum hourly wage and make bulletins of the information available to employers be law as soon as possible so that it applies to the upcoming July 1, 2016 increase.

Sec. 3. The Council of the District of Columbia determines that circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fair Shot Minimum Wage Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

AN ACT

Bill 21-620
Act 21-412
effective
June 13, 2016

To authorize the Mayor to use designated funds, appropriated for the purpose of developing replacement shelter facilities for the DC General Family Shelter and for the apartments used for temporary shelter at 1433 and 1435 Spring Road, N.W., to acquire specified parcels of land, including through the use of eminent domain, and to construct 7 new facilities, in Wards 1, 3, 4, 5, 6, 7, and 8, to provide temporary shelter for families experiencing homelessness.

District of Columbia Official Code 2001 Edition

Homeless Shelter Replacement Act of 2016

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Homeless Shelter Replacement Act of 2016".

Note, § 4-754.01

Sec. 2. The Council finds that:

(1) On a given night in the District, more than 7,000 men, women, and children experience homelessness.

(2) Each day, the DC General Family Shelter houses approximately 250 families experiencing homelessness.

(3) The DC General Family Shelter is antiquated and inadequate, and its current conditions limit the District's ability to provide necessary services and support to families experiencing homelessness.

(4) Best practices suggest that children and families do best when short-term housing is provided in smaller-scale, service-enriched, community-based settings, and it is therefore in the best interest of the District to replace the DC General Family Shelter with a series of facilities throughout the District that provide temporary shelter.

(5) The apartments used by the District to provide temporary shelter to families experiencing homelessness at 1433 and 1435 Spring Road, N.W. (the "Spring Road Shelter"), are antiquated and in need of replacement, and the District's lease of those apartments is expiring.

(6) In order to close the DC General Family Shelter and replace the Spring Road Shelter, the District needs to construct new facilities that are safe and dignified spaces for families experiencing homelessness.

(7) It is in the best interest of the District to construct these new temporary-shelter facilities on District-owned land, in part to avoid the disruption to the provision of services in the continuum of care that would accompany the eventual expiration of leases.

(8) The new shelter facilities will be constructed on District-owned land; however, for 2 sites, the District will need to acquire the necessary property; doing so will advance the important goals of ensuring that the District owns the land on which each of the facilities is constructed and that each of the facilities is located in a different Ward, which in turn

will allow the District to provide small-scale, community-based temporary housing services throughout the District.

Sec. 3. (a) The Council authorizes the Mayor to use designated funds, as provided in this section, to provide temporary shelter for families experiencing homelessness by acquiring land, including through the use of eminent domain if necessary, and constructing 6 facilities containing DC General Family Shelter replacement units, as defined in section 2(11A) of the Homeless Services Reform Act of 2005, effective October 22, 2005 (D.C. Law 16-25; D.C. Official Code § 4-751.01(11A)), to replace the DC General Family Shelter, and one facility containing apartment-style units, as defined in section 2(3) of the Homeless Services Reform Act of 2005, effective October 22, 2005 (D.C. Law 16-25; D.C. Official Code § 4-751.01(3)), as follows:

(B) Construct a facility to provide temporary shelter for families experiencing homelessness containing 29 2- and 3-bedroom apartment-style units on the land to be acquired by the District pursuant to subparagraph (A) of this paragraph; provided, that, notwithstanding the requirements of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-351.01 *et seq*.), the District may contract with the current property owner for the construction of the facility specified in this subparagraph as part of an agreement to acquire the land; provided further, that if no agreement can be reached with the current property owner for the construction of the facility specified in this subparagraph, the contract for the construction of the facility shall be awarded pursuant to a request for proposals to be issued by the Department of General Services;

Sec. 1001. Short title.

This subtitle may be cited as the "Bonus Pay and Special Awards Pay Emergency Act of 2016".

Sec. 1002. Bonus pay and special awards pay; generally.

(a) Unless authorized pursuant to this subtitle, no funds shall be used to support the categories of bonus pay or special awards pay. The prohibition on the use of funds under this subtitle shall include funds appropriated to any agency, department, unit, or instrumentality of the District of Columbia government, and, unless specifically authorized in a grant agreement, any funds disbursed by the District through a grant.

(b) Notwithstanding subsection (a) of this section, an agency, department, unit, or instrumentality of the District of Columbia government may use funds to support the categories of bonus pay or special awards pay if the agency, department, unit, or instrumentality establishes a Performance Based Rewards Program pursuant to section 1003 and meets the other requirements of this subtitle.

Sec. 1003. Bonus pay and special awards pay; Performance Based Rewards Program.

(a) In order to use funds for bonus pay or special awards pay, a District agency, department, unit, or instrumentality shall establish a Performance Based Rewards Program ("Program") that is approved by the personnel authority for the relevant agency, department, unit, or instrumentality.

(b) A Program established pursuant to this subtitle shall include detailed regulations for the payment of bonus pay or special awards pay to employees that, at a minimum:

(1) Limit the authorization period for bonus pay and special awards pay to the fourth quarter of the fiscal year;

(2) Limit the issuance of bonus pay or special awards pay to a one-time basis, without any promise or suggestion of continuing payments;

(3) Limit the issuance of bonus pay or special awards pay to employees on an individual basis, and not to a group or class of employees unless each of the employees in the group or class individually warrants such payment;

(4) Require any issuance of bonus pay or special awards pay to be based on performance, with the employee having exceeded the expectations of the supervisor or employer;

(5) Require that an employee have had a performance evaluation, in writing, no earlier than 90 days before the issuance of a bonus pay or special awards pay;

(6) Require written justification for the bonus pay or special awards pay by the employee's immediate supervisor or the head of the agency, department, unit, or instrumentality

(7) Cap the amount of bonus pay or special awards pay that can be received at 10% of the employee's base rate of pay or, for an employee paid at an hourly rate, an amount not to exceed 10% of the employee's wages for the 12 months preceding the award; and

(8) Limit the availability of any bonus pay or special awards pay to one payment per calendar year and prohibit an employee from receiving bonus pay and special awards pay within the same calendar year.

(c) Any Program for an Executive branch agency, department, unit, or instrumentality, including an independent agency, shall be approved by the District of Columbia Human Resources Department before its implementation.

Sec. 1004. Bonus pay and special awards pay; reporting requirements.

In addition to any other requirements under this subtitle, any payment of bonus pay or special awards pay made pursuant to section 1002(b) shall be followed, within 60 days of the payment, by notification in writing to the relevant personnel authority of the issuance of the payment and a description of the basis for the payment that includes the employee's name, title, salary, payment amount, and a detailed justification for the payment.

(2) The Fiscal Year 2017 Local Budget Act of 2016, enacted on June 15, 2016 (D.C. Act 21-414; 63 DCR 8786), provides funding to allow the Archives to relocate to a site that meets several criteria outlined in a report commissioned by the Department of General Services, which found that the preferred alternative would be a stand-alone, purpose-built, new facility requiring approximately 135,000 gross building square feet.

(2) The Archives building is to be a mix of high-quality, environmentally controlled storage space, and several thousand square feet of space for the public to access the Archives, office space, and meeting space.

(3) The District desires to relocate the Archives to a new facility to be developed on Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site") that, combined, comprise approximately 147,000 square feet.

(8) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

The Rent Administrator shall accord an expedited review process for these petitions and shall issue and publish a final decision within 90 days after the petition has been filed.

"(2) In the case of any petition filed under this subsection as to which a final decision has not been rendered by the Rent Administrator at the end of 90 days from the date of filing of the petition and as to which the housing provider is not in default in complying with any information request made under section 216, the rent charged adjustment requested in the petition may be conditionally implemented by the housing provider at the end of the 90-day period; provided, that the conditional rent increase for an affected unit shall not exceed 5% of the rent charged.

"(3) A conditional rent charged adjustment shall be subject to subsequent modification by the final decision of the Rent Administrator on the petition. If a hearing has been held on the petition, the Rent Administrator shall, by order served upon the parties at least 10 days before the expiration of the 90 days, make a provisional finding as to the rent charged adjustment justified by the order, if any. Except to the extent modified by this section, the adjustment procedures of section 216 shall apply to any adjustment.

"(4) If the Rent Administrator denies the requested rent increase or approves a rent increase that is less than the amount of the conditional rent increase charged by the housing provider, the housing provider shall refund to the tenant within 21 calendar days of the Rent

Administrator's order any rent paid in excess of the amount approved by the Rent Administrator, except that the tenant may elect within 14 calendar days of the Rent Administrator's order to apply the amount of the refund as a credit against future rental payments.".

Note, § 42-3502.12

(b) Section 212(c) (D.C. Official Code § 42-3502.12(c)) is amended to read as follows:

"(c)(1) At the housing provider's election, instead of any adjustment authorized by section 206(b), the rent charged for an accommodation may be adjusted through a hardship petition under this section. A RESOLUTION

Proposed Resolution 21-838

***See* Emergency D.C. Act 21-462 21 DCStat 3595**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend section 103 of Title 18 of the District of Columbia Municipal Regulations to repeal the requirement that every person who has never been issued a driver license must provide documentation that they have successfully completed an approved course of driver instruction prior to issuance of a provisional permit or driver license.

Mandatory Driver Instruction Regulation Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Mandatory Driver Instruction Regulation Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) In January 2016, the Department of Motor Vehicles ("DMV") announced its intention to implement rules on May 1, 2016, mandating that "before receiving their first driver license, all new drivers, regardless of age, must successfully complete a DC DMV approved course in driver education that consists of 30 hours of classroom instruction and eight hours of behind-the-wheel instruction."

(b) The DMV has approved 15 private companies to provide the driver instruction courses in the District, with rates that range from $375 to $499 for 10 hours of instruction – amounting to approximately $1,000 for the total 30 or more mandated hours of driving instruction – resulting in high costs to District residents seeking to obtain a provisional permit or driver license.

(c) 20% of District residents make less than $23,000 a year, meaning that a low-income resident would have to spend more than half a month's income on driver instruction.

(d) Until 2009, public schools in the District provided driver instruction funded in part by a fee added to driver license applications, but there is currently no low-cost or free option for a District resident seeking driver instruction.

(e) By not providing a low-cost or free option, the DMV's mandatory driver instruction rules will effectively prevent many low-income District residents from having equal access to provisional permits or driver licenses.

(f) Further, this congressional review emergency legislation is necessary to ensure that there is no gap between when the Mandatory Driver Instruction Regulation Emergency Amendment Act of 2016, effective May 19, 2016 (D.C. Act 21-401; 63 DCR 7921), expires on August 17, 2016, and when the Mandatory Driver Instruction Regulation Temporary Amendment Act of 2016, passed on 2nd reading on June 7, 2016 (Enrolled version of Bill 21-745), becomes effective.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Mandatory Driver Instruction Regulation Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

See Emergency D.C. Act 21-464 21 DCStat 3738

To declare the existence of an emergency with respect to the need to approve Contract No. CW38874 with Public Consulting Group, Inc. to provide administrative services to the Department of Healthcare Finance and other District of Columbia agencies in accordance with federal statutory requirements, including Modification Nos. 0003 and 0004 to that contract, and to authorize payment in the total amount of $1,288,090 for the goods and services received and to be received pursuant to the contract and the modifications.

Contract No. CW38874 Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Contract No. CW38874 Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists a need to approve proposed Contract No. CW38874 with Public Consulting Group, Inc. to provide administrative services to the Department of Healthcare Finance and other District of Columbia agencies in accordance with federal statutory requirements, including Modification Nos. 0003 and 0004 to that contract, and to authorize payment in the total amount of $1,288,090 for the goods and services received and to be received under the contract as modified by Modification Nos. 0003 and 0004.

(b) The District awarded Contract No. CW38874 to Public Consulting Group, Inc. on September 9, 2015 in the amount of $944,510.00 for the period September 13, 2015 through September 12, 2016. On June 13, 2016, Modification No. 0004 was executed, increasing the contract amount of Contract No. CW38874 by $50,000. Modification No. 0003 proposes to increase the contract amount of Contract No. CW38874 by an additional $293,580. The total contract amount for the period from September 13, 2015 through September 12, 2016 will be $1,288,090.

(c) Council approval of Contract No. CW38874 and Modification Nos. 0003 and 0004 to the contract is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because they involve the expenditure of more than $1 million during a 12-month period.

(d) Approval of Contract No. CW38874 and Modification Nos. 0003 and 0004 to the contract is necessary to allow the continued provision of these vital goods and services. Without this approval, Public Consulting Group, Inc. cannot be paid for goods and services provided in excess of $1 million during the contract period from September 13, 2015 through September 12, 2016.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the

Contract No. CW38874 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend Title III of the Washington Metropolitan Area Transit Regulation Compact, known as the Washington Metropolitan Area Transit Authority Compact, to provide that the Secretary of the United States Department of Transportation appoints the federal government representatives to the Board of Directors of the Washington Metropolitan Area Transit Authority.

Washington Metropolitan Area Transit Authority Compact Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Washington Metropolitan Area Transit Authority Compact Emergency Declaration Resolution of 2016".

Sec. 2. (a) The federal government has changed the appointing authority for federal appointees to the Washington Metropolitan Area Transit Authority Compact ("WMATA Compact") from the Administrator of General Services to the Secretary of the United States Department of Transportation.

(b) Each jurisdiction member of the WMATA Compact agreed to have this legislation passed effective July 1, which is the start of WMATA's new fiscal year.

(c) To ensure that our law is current and that the District is in concert with Virginia and Maryland, which have already revised their legislation, with an effective date of July 1, it is important that the Council enact its own legislation as soon as possible.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Washington Metropolitan Area Transit Authority Compact Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-837

***See* Emergency D.C. Act 21-461 21 DCStat 3593**

To declare the existence of an emergency with respect to the need to establish that it shall be unlawful for the owner or operator of a grocery store to impose a restrictive land covenant or use restriction on the sale, or other transfer, or lease of real property used as a grocery store that prohibits the subsequent use of the property as a grocery store.

Grocery Store Restrictive Covenant Prohibition Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Grocery Store Restrictive Covenant Prohibition Emergency Declaration Resolution of 2016".

Sec. 2. (a) In late 2014, it was reported that the Safeway at 4865 MacArthur Boulevard was offered for sale. In previous store and property sales, Safeway required that a purchaser of its property agree to a covenant prohibiting reuse of the property for a similar or analogous use; that is, that the property may not be used as a grocery store or retail food establishment of any kind. This type of restriction is harmful to residents. And, in the Macarthur Boulevard instance, it is harmful to the residents of the neighborhood as the next closest grocer is approximately 2.5 miles away.

(b) Restrictive covenants and other use restriction policies related to grocery stores are harmful and limit a community's access to fresh food.

(c) Maintaining a grocery store within an urban neighborhood is vital, particularly since many residents rely heavily on walking as a means of access to fresh food.

(d) Seniors and low-income residents especially rely on food retailers in close proximity to their homes as they often face mobility challenges or have limited access to vehicles.

(e) A lack of stores offering healthy food options leads to unhealthy food choices and related health problems.

(f) These restrictive covenants are contrary to the American standard of a free market and open competition.

(g) As development in the District continues and the city sees continued population increases, it is vital that every neighborhood has access to essential grocery-store services. Restrictive covenants undermine food-services competition and the advent of revitalized communities with large and small retailers, including independent butchers and bakeries.

(h) The circumstances described in this section underscore the need for the Council to act to prohibit such restrictive covenants and prevent the creation of food deserts in the District.

(i) Further, this emergency legislation is necessary as the temporary legislation currently in effect, the Grocery Store Restrictive Covenant Prohibition Temporary Act of 2015, effective January 30, 2016 (D.C. Law 21-54; 62 DCR 15595), will expire on September 11, 2016, and the

permanent legislation, the Grocery Store Restrictive Covenant Prohibition Act of 2015, as introduced on February 3, 2015 (Bill 21-60), has not yet been enacted by the Council.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Grocery Store Restrictive Covenant Prohibition Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Retail Services Station Act of 1976 to provide that certain prohibitions on discontinuing or converting to another use a full service retail service station shall not apply to a retail service station for which an application was on file with the Zoning Commission between May 2, 2015, and August 1, 2015.

Gas Station Advisory Board Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Gas Station Advisory Board Emergency Declaration Resolution of 2016".

Sec. 2. (a) In October 2014, the Council enacted the New Columbia Statehood Initiative and Omnibus Boards and Commissions Reform Amendment Act of 2014, effective May 2, 2015 (D.C. Law 20-271; 62 DCR 1884) ("Act").

(b) Part 2 of Title II of the Act increased the prohibitions against conversion of a full-service retail service station by adding the prohibition that such a station cannot be discontinued or converted into any other use without a waiver.

(c) It is important to protect the integrity of doing business in and with the District by protecting those businesses that were in the process of converting their property or business into a non-service station enterprise before the Act became law.

(d) The Council enacted emergency and temporary legislation at the end of 2015 to address this issue to provide that a retail service station that submitted an application with the Zoning Commission between May 2, 2015, and August 1, 2015, and was awaiting a decision by the Zoning Commission expected before the end of 2016, would not be impacted by the added prohibitions of the Act ("2015 law").

(e) The temporary legislation, the Gas Station Advisory Board Temporary Amendment Act of 2015, effective January 30, 2016 (D.C. Law 21-60; 62 DCR 15610), will expire on September 11, 2016.

(f) It is important that the provisions of the temporary legislation remain in effect so that any applications that were submitted to the Zoning Commission pursuant to the 2015 law will not be adversely impacted by the expiration of the temporary legislation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Gas Station Advisory Board Emergency Amendment Act of 2016 be adopted after a single reading.

(b) The initial contract with RSC Electrical & Mechanical Contractors, Inc. was approved by the Council (CA20-0497) ("Contract") with an established not-to-exceed value of $3 million and 2 one-year options to extend the term of the Contract. In Fiscal Year 2015, all work under the Contract was awarded and released through individual project task orders, based on a competitive bidding process, as set forth in Section 1.2 of the Contract. Task orders could be issued up to the maximum not-to-exceed amount of $3 million.

(c) The base year of the Contract ended on September 30, 2015. In Fiscal Year 2016, the Department of General Services partially exercised Option Year 1, bilaterally, with a not-to-exceed amount of $975,000. Council approval is now required for the full exercise of Option Year 1 via Change Order No. 005 to extend the term of the contract through the end of Fiscal Year 2016, pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), and notwithstanding the requirements of section 202 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-352.02). The terms and conditions of the Contract have not changed, and the not-to-exceed value of Option Year 1 would be increased to $5 million. The full exercise of Option Year 1 is bilateral.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the

Exercise of Option Year 1 via Change Order No. 005 to Contract No. DCAM-14-NC-0133C Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend Chapter 7 of Title 25 of the District of Columbia Official Code to clarify the penalties for sale to minors violations and the failure to ascertain the legal drinking age violations.

Sale to Minors Penalty Clarification Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sale to Minors Penalty Clarification Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) The current language in D.C. Official Code §§ 25-781(f) and 25-783(c) needed to be amended to eliminate existing confusion among licensed establishments cited for selling alcoholic beverages to a minor or for failing to check identification to clarify how the Alcoholic Beverage Control Board determines the penalties for subsequent sale to a minor and the failure to check identification violations.

(b) The Council enacted the Sale to Minors Penalty Clarification Emergency Amendment Act of 2016, effective May 19, 2016 (D.C. Act 21-398; 63 DCR 7912) ("emergency legislation") and the Sale to Minors Penalty Clarification Temporary Amendment Act of 2016, enacted on June 29, 2016 (D.C. Act 21-432; 63 DCR 9284) ("temporary legislation"), to clarify the law for licensed establishments and to avoid any adverse impact on the Alcoholic Beverage Control Board when it imposes a penalty on an establishment that has violated the law which remedied the above-referenced issues.

(c) The emergency legislation expires on August 17, 2016 and the temporary legislation must complete the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)), and will not become law until after the emergency legislation has expired.

(d) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation is in effect.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sale to Minors Penalty Clarification Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend section 47-2844 of the District of Columbia Official Code to enable the Mayor to suspend or revoke the business license of any business engaged in the buying or selling of a synthetic drug and to enable the Chief of Police to seal a business licensee's premises for up to 96 hours for the buying or selling of a synthetic drug; and to amend the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 to designate the sale of a synthetic drug as a per se imminent danger to the health or safety of District residents and provide for an administrative hearing after the sealing of a business licensee's premises.

Sale of Synthetic Drugs Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sale of Synthetic Drugs Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) This bill is necessary to prevent a gap in the law as the temporary legislation, the Sale of Synthetic Drugs Temporary Amendment Act of 2016, enacted on June 30, 2016 (D.C. Act 21-444; 63 DCR 9314), is pending congressional review.

(b) Emergency legislation, the Sale of Synthetic Drugs Emergency Amendment Act of 2016, effective May 19, 2016 (D.C. Act 21-400; 63 DCR 7916), will expire on August 17, 2016.

(c) The temporary legislation will not become law until after the expiration of the emergency legislation; therefore, a congressional review emergency is needed to prevent a gap in the law.

To declare the existence of an emergency, due to Congressional review, with respect to the need to amend An Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes to clarify agency responsibilities with regard to school attendance, to deem an absence of a minor student from a public school unexcused where the school does not obtain an explanation for the absence from the student's parent or guardian verifying the reason for an absence within 5 days after a student's return to school, to prohibit the suspension, expulsion, or unenrollment of a minor from a public school due to an unexcused absence or due to a late arrival to school, to clarify attendance reporting requirements for public, independent, private, and parochial schools, to revise the protocol for a law enforcement officer who comes in contact with a minor and has reasonable grounds to believe the minor is truant, to revise the educational institution referral requirement for the Child and Family Services Administration, the Court Social Services Division of the Superior Court of the District of Columbia, and the Office of the Attorney General Juvenile Section to only include unexcused full school day absences with regard to attendance, to provide educational institutions with discretion on referrals if a student's 10th or 15th unexcused absence is accrued within the final 10 school days of the school year, and to require the State Superintendent of Education to provide written notice to each public, independent, private, or parochial school outlining the attendance and reporting requirements by July 1 of each year; to amend the District of Columbia School Reform Act of 1995 to conform it to the prohibitions against expulsion and suspension provided in An Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes and the Pre-k Enhancement and Expansion Amendment Act of 2008; and to amend Chapter 21 of Subtitle A of Title 5 of the District of Columbia Municipal Regulations to repeal the requirement that a public school notify the Metropolitan Police Department after each occurrence of a student's 10th unexcused absence, to require that an educational institution obtain an explanation for a student's absence within 5 days of the student's return to school, and to amend the terms "truancy rate" and "chronic absenteeism."

School Attendance Clarification Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "School Attendance Clarification Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) Over the past 5 years, the Council of the District of Columbia has passed 3 laws with the goal of reducing chronic truancy: D.C. Law 18-242, the Safe Children and Safe Neighborhoods Educational Neglect Mandatory Reporting Amendment Act of 2010; D.C. Law 19-141, the South Capitol Street Memorial Amendment Act of 2012; and D.C. Law 20-17, the Attendance Accountability Amendment Act of 2013.

(b) Schools have implemented the various mandates from the 3 different bills over the past 2 years and have worked diligently to reduce the truancy epidemic in the District. Such efforts have started to result in an annual reduction in truancy in both public education sectors

and has shed light on additional areas that need to be addressed in order to continue in a positive trend.

(c) To address the issues that have been raised through implementation of the 3 laws referenced in subsection (a) of this section, Chairman Mendelson and Councilmember Grosso introduced Bill 21-508, the School Attendance Clarification Amendment Act of 2015 on December 1, 2015. The various items in Bill 21-508 have been identified through the work of the Truancy Taskforce's policy committee. In some cases, the changes in Bill 21-508 reflect the actual practice occurring in the District, and in other cases the changes allow schools and the various District agencies (e.g. the Child and Family Services Administration, Office of the Attorney General, and the Court Social Services Division) to target resources to those students who need them most as the District continues to identify ways to combat not just truancy but chronic absenteeism.

(d) On January 21, 2016, the Committee of the Whole and the Committee on Education held a joint public hearing on Bill 21-508, and on February 24, 2016, the Committee on Education marked up Bill 21-508. As the bill is a product of collaboration and extensive feedback from the District of Columbia Public Schools, the public charter school sector, the private school sector, and the various District agencies involved with combating truancy in the District, the Committee of the Whole print, which was marked up on April 19, 2016, was virtually identical to the version marked up by the Committee on Education.

(e) On May 3, 2016, Bill 21-508 was adopted unanimously by the Council on final reading and the bill was signed by the Mayor on June 1, 2016 (D.C. Act 21-411; 63 DCR 8207). The bill was transmitted on Congress on June 13, 2016, and is projected to become law on September 15, 2016.

(f) The Council anticipated that Bill 21-508 would not become law until after the start of school year 2016-2017, making it difficult for schools to make the necessary changes to their attendance systems, student handbooks, and attendance policies to comply with the law. Therefore, on May 3, 2016, the Council passed the School Attendance Clarification Emergency Amendment Act of 2016, effective May 3, 2016, (D.C. Act 21-410; 63 DCR 8202), to provide schools with ample notice and implementation time. The emergency legislation mirrors verbatim the language in the permanent version. The emergency legislation expires on August 30, 2016, 16 days before the permanent bill is projected to become law.

(g) A congressional review emergency is needed to prevent a gap in the law. Many schools in the District begin classes in early August and thus will already be implementing the new requirements of Bill 21-508, when the emergency measure expires.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the School Attendance Clarification Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-849

***See* Emergency D.C. Act 21-475 21 DCStat 3747**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1999 to allow a holder of a cultivation center registration that owns or has a valid lease for the real property adjacent to its existing cultivation center to expand its facility into that adjacent real property for purposes of increasing production of marijuana plants not to exceed the authorized limit, and to increase the number of living plants a cultivation center may possess at any time to 1000.

Medical Marijuana Cultivation Center Expansion Congressional Review Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Cultivation Center Expansion Congressional Review Emergency Declaration Resolution of 2016".

Sec. 2. (a) Enactment of the Medical Marijuana Cultivation Center Expansion Emergency Amendment Act of 2016, effective May 19, 2016 (D.C. Act 21-396; 63 DCR 7908) ("Emergency Act"), enables the District to increase the number of live marijuana plants to assuage the demand for medical marijuana in medical marijuana distribution centers.

(b) The District is currently experiencing higher demand for medical marijuana than there is capacity to produce.

(c) The Emergency Act enables existing cultivation centers to expand the size of their facilities when they have leaseholds for adjacent real property.

(d) The Emergency Act also authorizes the possession of up to a maximum of 1000 live marijuana plants for all cultivation centers.

(e) New congressional review emergency legislation is necessary to prevent a gap in the law between the expiration of the Emergency Act, which expires on August 17, 2016, and the effectiveness of temporary legislation, the Medical Marijuana Cultivation Center Expansion Temporary Amendment Act of 2016, enacted on June 29, 2016 (D.C. Act 21-431; 63 DCR 9282), which has yet to become law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Cultivation Center Expansion Congressional Review Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-857

See Emergency D.C. Act 21-483 21 DCStat 3764

To declare the existence of an emergency with respect to the need to amend the Rental Housing Act of 1985 to limit the amount of a hardship petition conditional rent increase to 5% of the rent charged, and to require that a rent adjustment be repaid by a housing provider to a tenant within 21 days of a conditional increase being amended.

Rent Control Hardship Petition Limitation Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Rent Control Hardship Petition Limitation Emergency Declaration Resolution of 2016".

Sec. 2. (a) The District's rent control regime is established by the Rental Housing Act of 1985; approximately 79,000 housing units are subject to the law, accounting for 66% of the rental housing stock in the District.

(b) For units subject to rent control, annual rent increases are limited to a maximum of 10% for most tenants and 5% for seniors and individuals with disabilities. However, under the hardship petition process, a housing provider can apply to the Rent Administrator at the Department of Housing and Community Development to raise rents by more than the standard increase in order to achieve a 12% rate of return on the housing provider's investment in the building. The hardship petition requires the housing provider to submit a schedule of income and expenses, which the Rent Administrator can use to calculate a new rent based on the 12% rate of return.

(c) If a hardship petition is not decided within 90 days, the housing provider may automatically start collecting the entire rent for which the housing provider originally applied. As hardship petitions are rarely decided within the 90-day time period, conditional increases are frequently granted that result in rent increases of 50% to 100%.

(d) These rent increases place a significant burden on low-income renters, increasing the likelihood of displacement and homelessness. For example, tenants of a building in Ward 7 were charged a 34% increase and were threatened with eviction if they did not pay the rent increase. Tenants were forced to file a lawsuit challenging the increase based on numerous housing code violations, and the dispute was prolonged for more than 4 years. During this time the higher rents were required to be paid into a court-mandated escrow account.

(e) Although a conditional increase may ultimately be reversed, it is often too late for tenants who have been displaced by rent increases that housing providers were ultimately not authorized to charge. More than 88 hardship petitions were filed between 2007 and 2013, significantly raising the rent on thousands of District residents.

(f) Without swift action by the Council to counter opportunities for abuse of the hardship petition process, additional tenants will likely be priced out of their homes.

(g) This legislation would extend the authority of the Rent Control Hardship Petition Limitation Temporary Amendment Act of 2015, effective January 9, 2016 (D.C. Law 21-49; 62

DCR 13990), which will expire on August 21, 2016. D.C. Law 21-49 is identical to legislation moved in Council Period 20 by then Councilmember Bowser.

(h) On March 17, 2015, permanent legislation, the Rent Control Hardship Petition Limitation Amendment Act of 2015 (Bill 21-146), was introduced by Councilmember Bonds along with Councilmembers Silverman, Nadeau, and Cheh. The bill was referred to the Committee on Housing and Community Development and a hearing on the bill was held on May 26, 2015.

(i) After a wait of 4 months, the Committee on Housing and Community Development received from the Department of Housing and Community Development data on the past 5 years of hardship petitions, upon which informed policy decisions may be made in support of the permanent version of this bill. The data will be analyzed over the summer, which will allow the committee to mark-up the permanent version of this legislation in the fall.

(j) It is necessary to move this emergency legislation so there will not be a gap in the law until the legislative process is completed for Bill 21-146.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Rent Control Hardship Petition Limitation Emergency Amendment Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

(b) The District of Columbia Housing Finance Agency ("HFA") has submitted an amended eligibility resolution for the bonds (HFA21-20) that will assist the development team in acquiring and constructing the Emory Beacon Center.

(c) The Council passively approved a previous financing resolution submitted by the HFA for this project (HFA20-15) in an amount not to exceed $20,760,000.

(d) The amended eligibility resolution is necessary to reflect the HFA's increase in bond financing available to Emory Beacon of Light, Inc., from $20,760,000 to $26,000,000.

(e) The Emory Beacon Center is a mixed-use project that will include 100% of the residential rental units set aside for low-income and moderate-income households. The project also includes retail space to support the community economic development under the Georgia Avenue Great Streets Redevelopment Plan.

(f) The current submission will be passively approved by the Council in October, 2016, a month after Emory Beacon of Light, Inc., is planning on closing on the property. That delay has the potential of lengthening the development timeline for the project. The increased costs associated with these issues could represent a significant economic hardship for the church.

(g) To prevent an unintended delay in the development of this project, the Council must approve the submission on an emergency basis.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Emory Beacon Center Mortgage Revenue Bond Financing Emergency Approval Resolution of 2016 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.

Wage Theft Prevention Correction and Clarification Emergency Declaration Resolution of 2016

To declare the existence of an emergency with respect to the need to clarify and improve the laws prohibiting wage theft and the enforcement of those laws.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Correction and Clarification Emergency Declaration Resolution of 2016".

Sec. 2. (a) There existed a need to amend the amendments made by the Wage Theft Prevention Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-157; 61 DCR 10157), to clarify when certain provisions shall take effect, clarify who may bring an action on behalf of an employee, amend criminal penalties, clarify when amounts in the Wage Theft Prevention Fund may be spent, authorize the Mayor to issue rules, and clarify how the Mayor shall make certain information available to manufacturers.

(b) In late 2015, the Council enacted the Wage Theft Prevention Correction and Clarification Emergency Amendment Act of 2015, effective October 27, 2015 (D.C. Act 21-188; 62 DCR 13764), and the Wage Theft Prevention Correction and Clarification Temporary Amendment Act of 2015, effective January 30, 2016 (D.C. (c) The temporary legislation expires on September 11, 2016.

(d) It is important that the provisions of the temporary legislation continue in effect, without interruption, until permanent legislation is in effect.

Public Charter School Board Donald Soifer Confirmation Emergency Declaration Resolution of 2016

To declare the existence of an emergency with respect to the need to confirm the reappointment of Mr. Donald Soifer to the Public Charter School Board.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Public Charter School Board Donald Soifer Confirmation Emergency Declaration Resolution of 2016".

Sec. 2. (a) Section 2214 of the District of Columbia School Reform Act of 1995, approved April 26, 1996 (110 Stat. 1321; D.C. Official Code § 38-1802.14) ("School Reform Act"), established the Public Charter School Board ("PCSB") as a 7-member board with the purposes of authorizing new school charters, monitoring the success of charter schools under its jurisdiction, and ensuring that the public charter schools under its authority are in compliance with the terms of their charters and applicable laws. The PCSB is currently the District's only charter school authorizing authority and oversees 114 schools on 62 campuses.

(b) On May 4, 2016, Chairman Mendelson introduced, at the request of the Mayor, PR21-722, the Public Charter School Board Donald Soifer Confirmation Resolution of 2016, to confirm Donald Soifer to the PCSB for a 4-year term, ending February 24, 2020.

(c) The Committee on Education held a public roundtable on PR21-722 on June 9, 2016. (d) Section 2214(a)(5)(B) of the School Reform Act provides that members of the PCSB shall be eligible to be reappointed for one 4-year term beyond their initial term of appointment. (e) Mr. Soifer has served as a PCSB member since December 2008. His first term ran from December 8, 2008, to February 24, 2012, and the Council reappointed him for a second term, which ran from February 24, 2012, to February 24, 2016. Therefore, Mr. Soifer's reappointment to a third term requires the Council to confirm his nomination notwithstanding the term limits imposed by section 2214(a)(5)(B) of the School Reform Act.

(f) It is the opinion of the Committee on Education, the Mayor's Office of Legal Counsel, the Deputy Mayor for Education, and the Public Charter School Board that Mr. Soifer is a dedicated and highly qualified member of the PCSB. He has not missed a regularly scheduled board meeting in his 8 years of service and remains heavily engaged with charter applicants and authorized schools. His nomination has support from both the public and government entities. Therefore, the Committee on Education recommends that Mr. Soifer be confirmed to serve for a third and final term.

(g) Mr. Soifer's appointment requires emergency action to allow for the necessary quorum for the PCSB meetings that provide for the governance and oversight of all authorized public charter schools. When PCSB members are in hold-over status, there is less legitimacy to

their role on the board. Mr. Soifer's term expired on February 24, 2016, and he has since been serving in a hold-over status. The Committee on Education believes that prior to Council recess it is imperative to move this nomination on an emergency basis.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Public Charter School Board Donald Soifer Confirmation Emergency Act of 2016 be approved after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to extend certain adjustments made to the Fiscal Year 2016 Budget and Financial Plan through the remainder of Fiscal Year 2016.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as "Fiscal Year 2016 Revised Budget Request Adjustment Extension Emergency Declaration Resolution of 2016".

Sec. 2. (a) On October 6, 2015, the Council passed the Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment Temporary Act of 2015, effective January 21, 2016 (D.C. Law 21-48; 62 DCR 13979) (the "Act"), which will expire on August 21, 2016.

(b) The Act consists of substantial adjustments to budget authority for both Fiscal Year 2015 and Fiscal Year 2016.

(c) The adjustments made by the Act to the Fiscal Year 2016 budget must be extended through the end of Fiscal Year 2016 in order to continue the legal authority for the revised budget and ensure a balanced budget and a clean Comprehensive Annual Financial Report for Fiscal Year 2016.

To declare the existence of an emergency with respect to the need to approve an agreement to enter into a long-term subsidy contract for 15 years in support of the District's Local Rent Supplement Program to fund housing costs associated with affordable housing units for Contract No. 2013-LRSP-04A with Beacon Center Housing, LLC, for Local Rent Supplement Program units at The Beacon Center, located at 6100 and 6104 Georgia Avenue, N.W., and to authorize payment for housing services to be received under the contract.

Local Rent Supplement Program Contract No. 2013-LRSP-04A Approval and Payment Authorization Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2013-LRSP-04A Approval and Payment Authorization Emergency Declaration Resolution of 2016".

Sec. 2. (a) In 2007, the District passed Title II of the Fiscal Year 2007 Budget Support Act of 2006 ("BSA") to provide funding for affordable housing for extremely low-income households in the District. The passage of the BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or those with disabilities, through project-based, tenant-based, and sponsored-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP on behalf of the District.

(b) In April 2013, DCHA participated in a Request for Proposals issued by the District of Columbia Department of Housing and Community Development ("DHCD"). Of the total proposals received, 18 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely low-income families making between 0% and 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout the District. Upon approval of the contract by the Council, DCHA will enter into an agreement to enter into a long-term subsidy contract ("ALTSC") with the selected housing providers under the LRSP for housing services provided under the contract.

(c) There exists an immediate need to approve the ALTSC with Beacon Center Housing, LLC, under the District of Columbia Housing Authority's Local Rent Supplement Program in order to provide long-term affordable housing units for extremely low-income households in the District for units at The Beacon Center, located at 6100 and 6104 Georgia Avenue, N.W.

(d) The emergency legislation to approve the contract will authorize an ALTSC between the District of Columbia Housing Authority and Beacon Center Housing, LLC, with respect to

the payment of rental subsidy, and allow the owner to lease the rehabilitated units at The Beacon Center and house District of Columbia extremely low-income households with incomes at 30% or less of the area median income.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Local Rent Supplement Program Contract No. 2013-LRSP-04A Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend section 3209 of Title 17 of the District of Columbia Municipal Regulations to create an exemption to the requirement that an individual engaged in the practice of interior design be licensed for individuals participating in certain charitable fundraising events.

Interior Design Charitable Event Regulation Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Interior Design Charitable Event Regulation Emergency Declaration Resolution of 2016".

Sec. 2. (a) In May 2008, the Department of Consumer and Regulatory Affairs ("DCRA") published a regulation, defining the "practice of interior design" as "providing or offering to provide consultations, preliminary studies, drawings, specifications, or any related service for the design analysis, programming, space planning, or aesthetic planning of the interior of buildings, using specialized knowledge of interior construction, building systems and components, building codes, fire and safety codes, equipment, materials, and furnishings, in a manner that will protect and enhance the health, safety, and welfare of the public whether one or all of these services are performed either in person or as the directing head of an organization."

(b) The result of this regulation is that it is considered unlawful for any person who is not licensed as an interior designer to engage in the practice of interior design, regardless of whether the individual is volunteering his or her services at a charitable fundraising event.

(c) DC Design House, Inc. is a nonprofit organization that, since 2008, has organized a design show house fundraising event in the District for the sole benefit of Children's National Health System, raising roughly $1.5 million for the hospital over 8 years.

(d) DC Design House, Inc. has recently become aware that the interior designers who volunteer at the annual fundraising event may be violating DCRA's regulations, and therefore the organization may not be able to find enough volunteers to hold this year's fundraising event, which is currently planned for October 2016.

(e) It is necessary to pass this emergency exemption to the requirement that an individual engaged in the practice of interior design be licensed so that DC Design House, Inc. is able to find enough volunteers to hold its charitable event this year.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Interior Design Charitable Event Regulation Emergency Amendment Act of 2016 be adopted after a single reading.

Closing of Public Streets and Dedication of Land for Street and Alley Purposes in and abutting Squares 3953, 3954, 4024, 4025, and Parcel 143/45, S.O. 14-20357, Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of Public Streets and Dedication of Land for Street and Alley Purposes in and abutting Squares 3953, 3954, 4024, 4025, and Parcel 143/45, S.O. 14-20357, Emergency Declaration Resolution of 2016".

Sec. 2. (a) The portions of 14th Street, N.E., shown on the Surveyor's plat filed under S.O. 14-20357, are unnecessary for street purposes.

(b) On June 15, 2016 the Council's Committee of the Whole held a public hearing on the closing of these portions of 14th Street, N.E.

(c) The Council is moving a separate measure to close these portions of 14th Street, N.E., as permanent legislation; however, because of the Council's impending recess, no work would be able to begin until after a second reading in late September and congressional review thereafter.

(d) This emergency legislation is necessary to permit the project to proceed without unnecessary and undue delay.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of Public Streets and Dedication of Land for Street and Alley Purposes in and abutting Squares 3953, 3954, 4024, 4025, and Parcel 143/45, S.O. 14-20357, Emergency Act of 2016 be adopted after a single reading.

First Amendment to the Washington Metropolitan Area Transit Authority Multi-Jurisdictional Capital Funding Agreement Approval Emergency Declaration Resolution of 2016

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "First Amendment to the Washington Metropolitan Area Transit Authority Multi-Jurisdictional Capital Funding Agreement Approval Emergency Declaration Resolution of 2016".

Sec. 2. (a) There exists an immediate need to approve the First Amendment to the Capital Funding Agreement between the Washington Metropolitan Area Transit Authority ("WMATA"), the State of Maryland, the District of Columbia, Arlington County, Virginia, Fairfax County, Virginia, the City of Alexandria, Virginia, the City of Fairfax, Virginia, and the City of Falls Church, Virginia ("CFA") to provide additional capital funding for a one-year extension to a capital improvement program for the WMATA transit system, from July 1, 2016, to June 30, 2017.

(b) On July 1, 2010, the Office of Contracting and Procurement, on behalf of the District Department of Transportation, executed the multiyear CFA to provide capital funding for a capital improvement program from July 1, 2010, through June 30, 2016, in the ceiling amount of $397,314,000.

(c) A first amendment is now necessary to extend the CFA to June 30, 2017, and to increase the District of Columbia's allocated contribution amount for WMATA Fiscal Year 2017 by $92.1 million for a total District ceiling amount under the CFA of $489,414,000.

(d) Council approval is necessary because these modifications increase the contract by more than $1 million during a 12-month period.

(e) Approval is necessary to allow the continuation of these vital improvements. Without Council approval, WMATA cannot be paid for services provided in excess of $1 million for the contract period July 1, 2016, through June 30, 2017.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the First
