To authorize, on an emergency basis, due to congressional review, the Mayor to assemble the W Street Trash Transfer site, Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110, through the use of eminent domain.

Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Congressional Review Emergency Act of 2015

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Congressional Review Emergency Act of 2015".

Sec. 2. Findings.

The Council finds that:

(1) The District of Columbia Water and Sewer Authority ("DC Water") currently operates a site south of N Place, S.E., north of the Anacostia River and between 1st and Canal Streets, S.E. ("DC Water Site").

(2) Pursuant to the Anacostia Waterfront Framework Plan, the District of Columbia plans to dispose of and develop a portion of the DC Water Site so as to leverage other large-scale District investments in the Capitol Riverfront/Near Southeast neighborhood, such as the South Capitol Street Bridge project and Nationals Park thereby serving to accelerate and promote economic vitality as well as enhance economic development in the District of Columbia.

(3) For the planned disposition and development to proceed, it is necessary for DC Water to relocate the functions currently at the DC Water Site.

(4) The District of Columbia and DC Water have entered into a Memorandum of Understanding for DC Water to relocate a portion of the uses from the DC Water Site to a site in Prince Georges County, Maryland.

(5) The District desires to relocate the current DC Water Site uses not being relocated to the Prince Georges County site, including customer care and sewer service operations, to Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site").

(6) The W Street Site is currently occupied by a private trash transfer station.

(7) The trash transfer station is a blighting factor in Brentwood and its surrounding communities.

(8) Residents of Brentwood and the surrounding communities have concerns regarding the noxious fumes that emanate from the trash transfer station and pervasive vermin and have complained that there is an increased incidence of health concerns.

(9) The W Street Site trash transfer station continues to operate as an open air trash transfer station which allows its pungent odors to reach much farther than they would if the facility were closed.

(10) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

(11) The W Street Site will provide an opportunity to construct and establish an updated customer care and sewer service operation for DC Water that is more centrally located within the District of Columbia.

(12) The relocation of DC Water to the W Street Site shall not be considered as a permanent solution to the future use of the site. The permanent future use of the W Street Site should include sustainable economic development and be made in consultation with the surrounding community.

Sec. 3. Exercise of eminent domain.

The Mayor may exercise eminent domain in accordance with the procedures set forth in subchapter II of Chapter 13 of Title 16 of the District of Columbia Official Code to acquire Lots 36, 41 and 802 in Square 3942 and Parcels 0143/107 and 0143/110 for the purposes set forth in section 2.

Sec. 4. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 5. Effective date.

A RESOLUTION

Proposed Resolution 20-846

To declare that the District-owned real property located on the 4200 block of Barnaby Road, S.E., between Bonini Road and Chesapeake Street, S.E., in Washington, D.C., known for tax and assessment purposes as Parcel 238/40, is no longer required for public purposes.

Barnaby Road Parcel 238/40 Surplus Property Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Barnaby Road Parcel 238/40 Surplus Property Declaration Resolution of 2014".

Sec. 2. Findings.

(a) The District is the owner of real property located on the 4200 block of Barnaby Road, S.E., in Washington, D.C., known for tax and assessment purposes as Parcel 238/40 ("Property"). The Property consists of 1.08 acres of unimproved land.

(b) The Property is no longer required for public purposes because the Property is an odd-shaped tract of land that is zoned R-5-A. The Property does not meet the size and zoning criteria for developing and establishing a government center or administrative offices at this location. The Property also does not meet the zoning criteria for developing office or retail buildings. Further, no requests or plans are forthcoming to develop the Property into a park or recreational site. Therefore, the District has determined that the highest and best use of the property is to assemble the property with the adjacent parcels, which are owned by the proposed buyer, for the purposes of completing a residential development for single family homes. A residential development will significantly increase the amount of new housing stock built within the neighborhood. Declaring that the Property is no longer required for public purposes and disposing of it by selling to a third party is the most expedient and cost effective solution to reactivate the property. This transaction will enable a local community development corporation to complete its plans to develop new workforce housing, thus providing new revenue for the District and removing blight from the community.

(c) The District has satisfied the public hearing requirements of section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801(a-1)(4)) ("Act"), by holding the required public hearings on July 9 and October 7, 2013.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 6. Effective date.

This resolution shall take effect immediately.

(c) The proposed disposition shall include the following terms and conditions, in addition to such other terms and conditions as the Mayor deems necessary or appropriate:

(1) The Purchaser shall acquire the Property in its "as is" condition for the sum of $300,000.

(2) The Purchaser shall enter into an agreement requiring the Purchaser to, at a minimum, contract with Certified Business Enterprises for at least 35% of the contract dollar volume of the Project, and shall require at least 20% equity and 20% development participation of Certified Business Enterprises.

(3) The Purchaser shall enter into a First Source Agreement with the District.

(d) All documents that are submitted with this resolution shall be consistent with the real property purchase agreement term sheet transmitted to the Council pursuant to section 1(b-1)(2) of the Act (D.C. Official Code § 10-801(b-1)(2)) .

(e) The Council finds that the Property is no longer required for public purposes.

(f) The Council finds that the Mayor's analysis of economic and other policy factors supporting the disposition of the Property justifies the sale proposed by the Mayor.

(g) The Council approves the disposition of the Property.

Sec 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

A RESOLUTION

Proposed Resolution 20-1081

To declare that the District-owned real property located at 2501 1st Street, N.W., formerly the McMillan Sand Filtration Site, is no longer required for public purposes.

McMillan Surplus Property Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "McMillan Surplus Property Declaration Resolution of 2014".

Sec. 2. Findings.

(a) The District is the owner of the real property located at 2501 1st Street, N.W., known for tax and assessment purposes as Lot 0800 in Square 3128 ("McMillan site"). The McMillan site consists of approximately 1,075,496 square feet of land, of which approximately 453,614 square feet of land will be reserved by the District for a community center, open space, parks, and landscaped areas, as determined by the Mayor. The remaining 621,882 square feet of land ("Property") are the subject of this resolution.

(b) The Property is no longer required for public purposes because the Property's condition cannot viably accommodate a District agency use or other public use without cost prohibitive new construction. The most pragmatic solution for reactivating this space is to declare the Property surplus and dispose of the Property for redevelopment.

(c) The District has satisfied the public hearing requirements of section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

Sec. 6. Effective date.

(g) The Purchaser shall enter into a First Source Agreement with the District.

(h) Pursuant to An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801 *et seq.*) ("Act"), the proposed method of disposition is a public or private sale to the bidder providing the most benefit to the District under section 1(b)(8)(F) of the Act.

A RESOLUTION

Proposed Resolution 20-819

To declare that the District-owned real property, formerly the Stevens School, located at 1050 21st Street, N.W., and known for tax and assessment purposes as Lot 0876 in Square 0073, is no longer required for public purposes.

Stevens School Surplus Property Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Stevens School Surplus Property Declaration Resolution of 2014".

Sec. 2. Findings.

(a) The District is the owner of the real property located at 1050 21st Street, N.W., known for tax and assessment purposes as Lot 0876 in Square 0073 (the "Property"). The Property consists of a building containing approximately 41,800 square feet situated on approximately 30,620 square feet of land.

(b) The Property is no longer required for public purposes because the condition of the vacant building cannot viably accommodate a District agency use or other public use without cost-prohibitive rehabilitation of the historic structure and new construction. The most pragmatic solution for reactivating this space is to declare the Property surplus and dispose of the Property for redevelopment.

(c) The District has satisfied the public hearing requirements of section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801(a-1)(4)) ("Act"), by holding a public hearing on March 12, 2014, at the Charles Sumner School Museum and Archives located at 1201 17th Street, N.W.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 602 (c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 6. Effective date.
This resolution shall take effect immediately.

Fiscal Year 2015 Revised Budget Request Emergency Declaration Resolution of 2014

To declare the existence of an emergency with respect to the need to approve an adjustment to appropriations pursuant to the Omnibus Appropriations Act, 2009.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as "Fiscal Year 2015 Revised Budget Request Emergency Declaration Resolution of 2014".

Sec. 2.(a) The Soccer Stadium Development Act of 2014, as approved by the Committee of the Whole on December 2, 2014 (Committee print of Bill 20-805), will undergo first reading before the Council on December 2, 2014.

(b) Bill 20-805 is subject to funding and needs a funding mechanism to become applicable.

(c) The District has other appropriations needs, including a need for the District of Columbia Auditor to spend carryover funds, the advancement of capital funding for the H Street Bridge capital project, and new capital funding for structural repairs to the John A. Wilson Building.

(d) An adjustment to appropriations, including the use of revenues that would be generated by Bill 20-805, will enable full implementation of Bill 20-805 and meet the needs identified in subsection (c) of this section.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2015 Revised Budget Request Emergency Adjustment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 20-1192

See Emergency D.C. Act 20-581 21 DCStat 733

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Tenant Opportunity to Purchase Act of 1980 to clarify the tenant opportunity to purchase in the case of the sale of multi-unit housing for the purposes of demolition or a notice of discontinuance of housing use.

Tenant Opportunity to Purchase Congressional Review Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Tenant Opportunity to Purchase Congressional Review Emergency Declaration Resolution of 2014".

Sec. 2.(a) Pursuant to the Tenant Opportunity to Purchase Act of 1980, effective September 10, 1980 (D.C. Law 3-86; D.C. Official Code § 42-3404.01 *et seq.*) ("Tenant Opportunity Act"), tenants of multi-unit housing must be given the first opportunity to purchase the property at a price and terms that are in fact a bona fide offer of sale.

(b) The Tenant Opportunity to Purchase Emergency Amendment Act of 2014, effective October 7, 2014, (Act 20-434; 61 DCR 10715) ("Emergency Amendment Act"), defined a bona fide offer of sale in the case of the sale of multi-unit housing for the purposes of demolition or a notice of discontinuance of housing use as a sales price that is less than or equal to the appraised value of the real property.

(c) The Emergency Amendment Act expires on January 5, 2015.

(d) The Tenant Opportunity to Purchase Temporary Amendment Act of 2014, signed by the Mayor on October 17, 2014 (D.C. Act 20-453; 61 DCR 11101) ("temporary legislation"), was transmitted to Congress on November 13, 2014, for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(e) The temporary legislation is projected to become law on December 30, 2014. However, due to adjournment sine die of the 113th Congress, the temporary act is unlikely to become law by that date. Therefore, a congressional review emergency is needed to prevent a gap in the law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Tenant Opportunity to Purchase Congressional Review Emergency Amendment Act of 2014 be adopted after a single reading.

Sec 4. The resolution shall take effect immediately.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Task Orders for Human Care Agreement No. DCRL-2013-H-0039H Approval and Payment Authorization Emergency Declaration Resolution of 2014".

Sec. 2. (a) There exists an immediate need to approve Task Order Nos. T0002 and T0003 for Human Care Agreement No. DCRL-2013-H-0039H with Foundations for Home and Community, Inc. to provide case management and traditional family-based foster care services for children and youth that have been removed from their natural home due to abuse or neglect and to authorize payment for the services received and to be received under that agreement.

(b) On September 27, 2013, the Child and Family Services Agency awarded Human Care Agreement No. DCRL-2013-H-0039H to Foundations for Home and Community, Inc. for a base-year period from October 1, 2013 through September 30, 2014.

(c) The Child and Family Services Agency thereafter exercised option year one of Human Care Agreement No. DCRL-2013-H-0039H and issued Task Order No. T0002 in the not-to-exceed amount of $948,821.79 for the first option-year period from October 1, 2014 through September 30, 2015.

(d) The Child and Family Services Agency thereafter modified Human Care Agreement No. DCRL-2013-H-0039H to include traditional foster care services for one teen parent with one child and issued Task Order No. T0003, which increased the not-to-exceed amount of $948,821.79 to $1,003,636.64 for the first option-year period from October 1, 2014 through September 30, 2015.

(e) Council approval is necessary to allow the continuation of these vital services because these orders increase the value of Human Care Agreement No. DCRL-2013-H-0039H to more than $1 million during a 12-month period.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Task Orders for Human Care Agreement No. DCRL-2013-H-0039H Approval and Payment Authorization Emergency Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 20-1168

See Emergency D.C. Act 20-578 21 DCStat 723

To declare the existence of a second emergency with respect to the need to amend the Animal Control Act of 1979 to clarify that animals at educational institutions are permitted for educational and instructional purposes.

Classroom Animal for Educational Purposes Clarification Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Classroom Animal for Educational Purposes Clarification Emergency Declaration Resolution of 2014".

Sec. 2. (a) There is an immediate need to amend section 9(h) of the Animal Control Act of 1979, effective October 18, 1979 (D.C. Law 3-30; D.C. Official Code § 8-1808(h)), to make clear that animals at educational institutions are permitted for educational and instructional purposes.

(b) The Department of Health has previously notified schools across the District that they must remove animals – such as geckos, frogs, toads, tadpoles, and other species historically used for instructional purposes but not specifically cited in section 9 of the Animal Control Act of 1979 – or the District will seize and destroy them.

(c) This interpretation has caused concern among educators and school administrators and potentially disrupts the teaching and learning opportunities for students.

(d) This second emergency action will prevent classroom and instructional animals from being removed and ensure that the schools can continue teaching sciences and biology with living creatures that are treated and maintained humanely and safely.

(e) This second emergency action is necessary to prevent a gap in the law as the temporary legislation, the Classroom Animal for Educational Purposes Clarification Temporary Amendment Act of 2014, effective May 20, 2014 (D.C. Law 20-104; 61 DCR 5676), expires on December 29, 2014. The permanent measure will not be marked up until the next Council period.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Classroom Animal for Educational Purposes Clarification Second Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Of the total proposals received, 18 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely low-income families making zero to 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout Washington, D.C. Upon approval of the contract by the Council, DCHA will enter into an Agreement to Enter into a Long Term Contract ("ALTSC") with the selected housing providers under the LRSP for housing services provided thereunder.

(c) There exists an immediate need to approve a certain ALTSC with So Others Might Eat, Inc. ("SOME"), under the District of Columbia Housing Authority's Local Rent Supplement Program in order to provide long-term affordable housing units for extremely low-income households in the District of Columbia for units at the Benning Road Project, located at 4414-4430 Benning Road, N.E.

(d) The emergency legislation to approve the contract will authorize an ALTSC between the District of Columbia Housing Authority and SOME with respect to the payment of rental subsidy, and allow the owner to lease the rehabilitated units at the Benning Road Project and

house District of Columbia extremely low-income households with incomes at 30% or less of the area median income.

Local Rent Supplement Program Contract No. 2013-009A Approval Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2013-009A Approval Emergency Declaration Resolution of 2014".

Sec. 2. (a) In 2007, the District passed Title II of the Fiscal Year 2007 Budget Support Act of 2006, effective March 2, 2007 (D.C. Law 16-192; 53 DCR 6899) ("BSA"), to provide funding for affordable housing for extremely low-income households in the District. The BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or those with disabilities, through project-based, tenant-based, and sponsor-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP of behalf of the District.

(b) In April 2013, DCHA participated in a Request for Proposals issued by the District of Columbia Department of Housing and Community Development. Of the total proposals received, 18 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely low-income families making zero to 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout Washington, D.C. Proposed Resolution 20-1190

See Emergency D.C. Act 20-564 21 DCStat 527

To declare the existence of an emergency with respect to the need to amend the Firearms Control Regulations Act of 1975 to permit a person to register a firearm for self-defense in his or her place of business, to provide a Freedom of Information Act exception for pistol registration information, to specify application requirements for applying for a license to carry a concealed pistol, to specify the duration of such licenses and requirements for renewal of licenses, to establish duties of licensees, to provide for revocation of licenses, to create a criminal offense of carrying while consuming alcohol or while impaired, to specify prohibitions on licensees, to establish a Concealed Pistol Licensing Review Board, to provide a Freedom of Information Act exception for license information, to specify penalties for violations, and to require the Mayor to issue rules; and to amend An Act To control the possession, sale, transfer, and use of pistols and other dangerous weapons in the District of Columbia, to provide penalties, to prescribe rules of evidence, and for other purposes to authorize the Chief of Police to issue licenses to carry a concealed pistol to District residents and non-residents provided certain conditions are met.

License to Carry a Pistol Second Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "License to Carry a Pistol Second Emergency Declaration Resolution of 2014".

Sec. 2. (a) On July 24, 2014, the United States District Court for the District of Columbia issued a decision in the case of *Palmer v. District of Columbia*, 2014 WL3702854 (D.D.C. 2014), finding the District's complete ban on the carrying of handguns in public is unconstitutional. This order was made public on July 26, 2014.

(b) The Court's ruling enjoined the District from enforcing local law prohibiting the carrying of firearms in public by District residents, and by non-residents based solely on the fact that they are not residents of the District of Columbia.

(c) On July 28, 2014, the District filed a motion to stay the Court's ruling pending appeal or, in the alternative, for 180 days. The District also asked the Court to grant an immediate stay of its ruling while it evaluated this motion.

(d) In response, on July 29, 2014, the Court granted the District's motion for a stay, for 90 days or until October 22, 2014, in order to allow the Council an opportunity to enact legislation consistent with the *Palmer* ruling.

(e) On September 23, 2014, the Council approved Bill 20-926, the License to Carry a Pistol Emergency Amendment Act of 2014 (D.C. Act 20-447; 61 DCR 10765), which reflected the Council's response to the *Palmer* case, and put into place, on an emergency basis, a scheme for the Chief of Police to issue licenses to carry concealed pistols in the District to both residents and nonresidents.

(f) The License to Carry a Pistol Amendment Act of 2014, passed on 2nd reading on December 17, 2014 (Enrolled version of Bill 20-930), a permanent version of Bill 20-926, was introduced simultaneously with Bill 20-926 in order to allow the public opportunity to comment on the measure with sufficient time for Council approval before the end of the Council Period.

(g) On October 7, 2014, the Council approved Bill 20-965, the License to Carry a Pistol Clarification Emergency Amendment Act of 2014, effective October 9, 2014 (D.C. Act 20-448; 61 DCR 10777), to correct an issue with the applicability of D.C. Act 20-447. Enacting Bill 20-965 was necessary in the interest of public safety and to ensure that carrying a concealed pistol will not be permitted in the District unless a license to do so has been obtained.

(h) On October 7, 2014, the Council also approved Bill 20-927, the License to Carry a Pistol Temporary Amendment Act of 2014, enacted on October 31, 2014 (D.C. Act 20-462; 61 DCR 11814), which enacted, on a temporary basis, the provisions of D.C. Act 20-447, as amended by D.C. Act 20-448.

(i) The permanent legislation has moved through the committee process, and on November 25, 2014, the Committee on the Judiciary and Public Safety approved Bill 20-930, with amendments.

(j) On December 2, 2014, the Committee of the Whole, to which Bill 20-930 was sequentially referred, approved Bill 20-930, with additional amendments.

(k) On December 2, 2014, the Council approved Bill 20-930, as amended by the Committee on the Judiciary and Public Safety and the Committee of the Whole, on 1st reading.

(l) Bill 20-930 is scheduled for 2nd reading on December 17, 2014.

(m) There exists an immediate need to implement the provisions of Bill 20-930, and to supersede D.C. Act 20-447 and D.C. Act 20-462, so that the legislation in place on an emergency basis reflects Bill 20-930 as approved by the Council.

(n) Enacting the License to Carry a Pistol Second Emergency Amendment Act of 2014 immediately will ensure implementation of a licensing scheme and enforcement on an immediate basis that is consistent with the provisions of Bill 20-930, and will continue to ensure that the District has a system in place for law-abiding and qualifying residents and non-residents of the District to apply to carry a concealed pistol in compliance with the Court's order in *Palmer*.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the License to Carry a Pistol Second Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Department of Housing and Community Development Financing for The Grove at Parkside Approval Emergency Declaration Resolution of 2014".

Sec. 2. (a) It is necessary to pass emergency legislation addressing the immediate concerns related to The Grove at Parkside, an affordable residential property development in Ward 7.

(d) The DCHFA Board of Directors ("Board") is scheduled to meet Tuesday, December 16, 2014, to approve the entire financing arrangement for The Grove at Parkside, but their approval is contingent upon the Council approving the DHCD portion of the financing.

(e) Passive Council approval of the DHCD funding will not occur until after the scheduled DCHFA Board meeting.

(f) This emergency legislation addresses immediate concerns by approving the DHCD financing as soon as possible to avoid complicating and delaying the closing and unnecessarily imperiling the financing for the project.

Ticket Sale Regulation Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Ticket Sale Regulation Emergency Declaration Resolution of 2014".

Sec. 2.(a) The Vending Regulation Act of 2009, effective October 22, 2009 (D.C. Law 18-71; D.C. Official Code § 37-131.08), and subsequent amendments do not address the sale of tickets from public space, or ticket scalping.

(b) The Vending Regulations Temporary Amendment Act of 2014, effective May 15, 2014 (D.C. Law 20-103; 61 DCR 5675), addresses this issue; however, it is set to expire on December 24, 2014.

(c) To continue to impose penalties for the sale of tickets from public space, it is necessary to move emergency legislation until permanent legislation can be addressed during the new Council period.

To declare the existence of an emergency with respect to the need to amend the Fiscal Year 2015 Budget Support Act of 2014 to extend the deadline for the University of the District of Columbia to raise $1 million in private donations for the purpose of meeting accreditation standards.

UDC Fundraising Extension Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "UDC Fundraising Extension Emergency Declaration Resolution of 2014".

Sec. 2. (a) The University of the District of Columbia ("UDC") is undergoing the reaccreditation process necessary to maintain its status as an accredited institution of higher education. UDC has identified budgetary challenges that could impede its ability to meet the requirements of the regional higher education accrediting body and is therefore raising private donations to address those needs.

(b) Section 7202 of the Fiscal Year 2015 Budget Support Act of 2014, enacted on September 23, 2014 (D.C. Act 20-424; 61 DCR 9990), established a matching fund that supports and incentivizes UDC to raise private donations towards meeting accreditation standards. The fund authorizes a match from the District to private funds raised by January 1, 2015, in an amount up to $1 million.

(c) This emergency legislation would extend the deadline for UDC to raise funds from January 1, 2015, to April 10, 2015, giving UDC approximately 3 additional months to raise private funds in order to meet its accreditation goals.

(d) This legislation is helpful to the District's only public university. It is necessary for the Council to act now, before the January 1st deadline.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the UDC Fundraising Extension Emergency Amendment Act of 2014 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to clarify the applicability date of the market-based sourcing legislation and the tax sale interest rate to be paid to certain purchasers; and to amend the Fiscal Year 2015 Budget Support Act of 2014 to provide grant-making authority for a specified purpose to the Deputy Mayor for Planning and Economic Development for Fiscal Year 2015.

Market-based Sourcing Inter Alia Clarification Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Market-based Sourcing Inter Alia Clarification Emergency Declaration Resolution of 2014".

Sec. 2. (a) The original legislation, the Fiscal Year Budget Support Act of 2014, enacted on September 23, 2014 (D.C. Act 20-424; 61 DCR 9990), was intended to clarify the tax sale interest rate to be paid to certain purchasers at 1.5%.

(b) The original legislation was intended to be permanent for the tax years beginning after December 31, 2014, and coordinated with the single-sales factor legislation and other franchise tax legislation, all of which are applicable for tax years beginning after December 31, 2014.

(c) If the market-based sourcing provisions are made applicable on October 1, 2014, it will trigger part-year calculations. For example, taxpayers will have to use the cost-of-performance approach for part of the year and the market-based-sourcing approach for part of the year, which will create a compliance burden for both taxpayers and the tax administration.

(d) The original legislation was intended to provide an additional grant award amount to the Washington, DC Economic Partnership for Fiscal Year 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Market-Based Sourcing Inter Alia Clarification Emergency Amendment Act of 2014 be adopted after a single reading.

Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Declaration Resolution of 2014".

Sec. 2. (a) There exists an immediate need to approve the use of eminent domain to acquire Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110.

(b) The District of Columbia Water and Sewer Authority ("DC Water") currently operates a site south of N Place, S.E., north of the Anacostia River and between 1st and Canal Streets, S.E. ("DC Water Site").

(c) Pursuant to the Anacostia Waterfront Framework Plan, the District plans to dispose of and develop a portion of the DC Water site so as to leverage other large-scale District investments in the Capitol Riverfront/Near Southeast neighborhood such as the South Capitol Street Bridge project and Nationals Park thereby serving to accelerate and promote economic vitality and enhance economic development in the District of Columbia.

(d) For the planned disposition and development to proceed, it is necessary for DC Water to relocate the functions currently at the DC Water Site.

(e) The District of Columbia and DC Water have entered into a Memorandum of Understanding for DC Water to relocate a portion of the uses of the DC Water Site to a site in Prince Georges County, Maryland.

(f) To ensure adequate response times to water and sewer emergencies, DC Water must also maintain a site west of the Anacostia River.

(g) The District desires to relocate the current DC Water Site uses not being relocated to the Prince Georges County site, including customer care and sewer service operations, to Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site").

(h) The W Street Site is currently occupied by a trash transfer station.

(i) The trash transfer station is a blighting factor in Brentwood and its surrounding communities.

(j) Residents of Brentwood and the surrounding communities have concerns regarding the noxious fumes that emanate from the trash transfer station and pervasive vermin and have complained that there is an increased incidence of health concerns.

(k) The W Street Site trash transfer station continues to operate as an open air trash transfer station, which allows its pungent odors to reach much farther than they would if the facility were closed.

(l) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Act of 2014 be adopted after a single reading.

A RESOLUTION

Proposed Resolution 20-1154

See Emergency D.C. Act 20-563 21 DCStat 525

To declare the existence of an emergency with respect to the need to exempt the Not-For-Profit Hospital Corporation from certificate-of-need requirements for the establishment of an ambulatory care clinic in Ward 8.

Not-For-Profit Hospital Corporation Certificate of Need Exemption Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, that this resolution be cited as the "Not-For-Profit Hospital Corporation Certificate of Need Exemption Emergency Declaration Resolution of 2014".

Sec. 2. (a) The District of Columbia provides healthy-baby services through a federal grant program known as the Healthy Start Program.

(b) While healthy baby services are needed throughout the District, the need is greatest in Wards 7 and 8. In 2012, Wards 7 and 8 had infant mortality rates of 9.5 and 14.9 infant deaths per thousand, respectively, as compared to an infant mortality rate of 7.9 infant deaths per thousand for the entire city.

(c) The Not-For-Profit Hospital Corporation is a District-owned hospital located in Ward 8 that primarily serves Wards 7 and 8.

(d) The Not-For-Profit Hospital Corporation wishes to expand services in Wards 7 and 8, including the use of mobile health clinics that would serve the entire city and provide services that supplement the Healthy Start Program.

(e) The District's infant mortality remains higher than it should, and the addition of mobile health clinics to provide prenatal care would help reduce the rate of infant mortality.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Not-For-Profit Hospital Corporation Certificate of Need Exemption Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

(b) Due to higher than anticipated utilization and to maintain continuity of care, the cost of the purchase orders for the period from May 2, 2013 through May 1, 2014 totaled $1,101,375.55, necessitating Council approval because they are in excess of $1,000,000 during a 12-month period.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Police Complaints Board Paul Ashton II Confirmation Emergency Declaration Resolution of 2014".

Sec. 2. (a) The Police Complaints Board ("Board") was established by section 5 of the Office of Citizen Complaint Review Establishment Act of 1998, effective March 26, 1999 (D.C. Law 12-208; D.C. Official Code § 5-1104), as an effective and efficient system for the citizens of the District of Columbia to review the Metropolitan Police Department's exercise of police powers.

(b) The Board consists of 5 members, one of whom shall be a member of the Metropolitan Police Department, and 4 of whom shall have no current affiliation with any law enforcement agency. All members of the Board shall be residents of the District of Columbia.

(c) A quorum for the transaction of business consists of 3 members of the Board.

(e) Ms. Margaret Moore, who was serving in holdover capacity on the Board, vacated her seat, leaving the Board without a quorum.

(f) Mr. Paul Ashton II would fill Ms. Moore's vacant seat.

(g) There is an immediate need to confirm Mr. Ashton to ensure that the Board has a quorum to legally conduct business.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Police Complaints Board Paul Ashton II Emergency Confirmation Resolution of 2014 be adopted on an emergency basis.

A RESOLUTION

Proposed Resolution 20-1143

See Emergency D.C. Act 20-569 21 DCStat 711

To declare the existence of an emergency with respect to the need to amend An Act To provide for the abatement of nuisances in the District of Columbia by the Commissioners of said District, and for other purposes to clarify that the posting requirement in section 5a is satisfied by posting the initial vacant or blight determination.

Nuisance Abatement Notice Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Nuisance Abatement Notice Emergency Declaration Resolution of 2014".

Sec. 2. (a) The Nuisance Properties Abatement Reform and Real Property Classification Amendment Act of 2008, effective August, 15, 2008 (D.C. Law 17-216; 55 DCR 7500) ("nuisance act"), created a requirement that all notices specified by the nuisance act be provided by mail and by posting at the subject property. Previously, posting was required only when the registration status of the subject property changed or needed to change.

(b) On October 17, 2014, a judge in the Office of Administrative Hearings dismissed a notice of infraction issued by the Department of Consumer and Regulatory Affairs because, inter alia, the notice failed to satisfy the posting requirement.

(c) Prior to the decision of the Office of Administrative Hearings, the Department of Consumer and Regulatory Affairs had been posting notice at the subject property only when the subject property changed or needed to change.

(d) Without clarifying that the provision should apply only to registration-status changes, the Department of Consumer and Regulatory Affairs will be required to devote considerable resources to posting duplicative notices at a subject property rather than devoting those resources to registering and monitoring other vacant properties. All notices would still be required to be provided by United States mail.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Nuisance Abatement Notice Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 20-1178

See Emergency D.C. Act 20-579 21 DCStat 724

To declare the existence of an emergency with respect to the need to amend An Act To provide for voluntary apprenticeship in the District of Columbia and the Amendments to An Act to Provide for Voluntary Apprenticeship in the District of Columbia Act of 1978 to make technical and conforming amendments to allow the District of Columbia to continue to be recognized by the U.S. Department of Labor to operate as a State Apprenticeship Agency.

Apprenticeship Modernization Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Apprenticeship Modernization Emergency Declaration Resolution of 2014".

Sec. 2. (a) The District of Columbia is currently recognized by the U.S. Department of Labor as able to operate as a State Apprenticeship Agency pursuant to Title 29 CFR, part 29.13, and has been since 1946.

(b) Beginning in 2008, the U.S. Department of Labor began the process of updating the Federal rules governing apprenticeship programs, labor standards for registration, and amending its regulations.

(c) To conform to the new regulations, for Federal purposes, each State Apprenticeship Agency must update its existing apprenticeship statutes and regulations for continued recognition as an apprenticeship registration agency.

(d) The District of Columbia, through its Office of Apprenticeship, Information and Training within the Department of Employment Services, has worked closely with the U.S. Department of Labor, Office of Apprenticeship, to draft mutually agreeable changes to the District's apprenticeship statutes and regulations.

(e) The U.S. Department of Labor has indicated by letter that once the drafted changes are enacted, the District will retain its more than 60 years of recognition as a State Apprenticeship Agency.

(f) The present action, amending the apprenticeship statutory law, is necessary to move forward with conforming the local apprenticeship regulations to the Federal standards.

(g) The U.S. Department of Labor has indicated its preference for immediate action so that all current and new apprenticeship programs approved by the jurisdiction are in compliance with the new Federal standards.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Apprenticeship Modernization Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 20-1185

See Emergency D.C. Res. 20-771 21 DCStat 960

To declare the existence of an emergency with respect to the need to make a finding that the District-owned real property located at 125 O Street, S.E. and 1402 1st Street, S.E., known for tax and assessment purposes as a portion of Lot 805 in Square 744S and a portion of Lot 801 in Square 744SS, is no longer required for public purposes.

125 O Street, S.E. and 1402 1st Street, S.E. Surplus Property Declaration Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "125 O Street, S.E. and 1402 1st Street, S.E. Surplus Property Declaration Emergency Declaration Resolution of 2014".

Sec. 2. (a) The District owns real property located at 125 O Street, S.E. and 1402 1st Street, S.E. ("Property").

(b) The Property is utilized by DC Water for its fleet service and sewer service operations. Currently this operation consists of various low-scale structures and surface parking.

(c) The Anacostia Waterfront Initiative ("AWI") Framework Plan, adopted by former Mayor Anthony Williams and the Council in 2003, is a framework plan to advance the Anacostia River's clean-up, identify opportunities to increase access to the river, target areas for new development, and pioneer innovative green practices in new development.

(d) The AWI Framework Plan determined that the Property would be best served as an important development link for overall redevelopment of the Capitol Riverfront by providing additional mixed-use commercial development that leverages the ongoing public and private investments in the neighborhood as a mixed-use destination.

(e) The Property was under the purview of the Anacostia Waterfront Corporation ("AWC") during the existence of that entity, and has since become part of the Office of the Deputy Mayor for Planning and Economic Development's portfolio.

(f) In 2005, AWC selected Forest City ("Developer") to redevelop the Property and assist with locating suitable sites for the relocation of DC Water fleet service and sewer service operations.

(g) Since 2007, the District has been negotiating with the Developer for the disposition and development of the Property and evaluating potential sites for the relocation of DC Water.

(h) Significant community input has been received on the redevelopment of the Property through outreach and input for the Planned Unit Development ("PUD"). On February 7, 2014, the Zoning Commission approved the PUD for the Property.

(i) The District is working with DC Water to procure suitable relocation sites. Specifically, a suitable site in Prince George's County, Maryland has been identified and is under contract to DC Water for relocation of fleet service operations.

(j) The relocation of DC Water is necessary to move forward with the redevelopment of the Property. Site acquisition in Prince George's County is imminent. Council approval of the disposition ensures that the relocation of DC Water to Prince George's County can occur. Without approval of the surplus declaration, the District risks losing the only site currently available for the relocation of DC Water fleet services.

(k) The Developer has been negotiating with a key anchor tenant to bring significant amenities to the Capital Riverfront neighborhood through the redevelopment of the Property.

(l) The anchor tenant is necessary to bring amenities to the residents of the District, generate tax revenues for the District, and create jobs for District residents.

(m) The anchor tenant will be financing significant tenant improvements on its own behalf, such financing being necessary for the viability of the proposed redevelopment. Without approval of the surplus disposition, the anchor tenant will not be able to commit the necessary capital to make the project viable.

(n) Time is of the essence for the District to acquire a site for the relocation of DC Water fleet services and to receive the necessary commitments of the key anchor tenant.

(o) The proposed resolution will approve the surplus declaration of the Property. The approval of the resolution and the companion disposition will enable the District to acquire a relocation site for DC Water fleet services and the Developer to pursue the necessary commitments from the key anchor tenant.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the 125 O Street, S.E. and 1402 1st Street, S.E. Surplus Property Declaration Emergency Resolution of 2014 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 20-1186

Emergency Declaration Res. 20-770 20 DCStat 958

To declare that the District-owned real property located at 125 O Street, S.E. and 1402 1st Street, S.E., known for tax and assessment purposes as a portion of Lot 805 in Square 744S and a portion of Lot 801 in Square 744SS, is no longer required for public purposes.

125 O Street, S.E. and 1402 1st Street, S.E. Surplus Property Declaration Emergency Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "125 O Street, S.E. and 1402 1st Street, S.E. Surplus Property Declaration Emergency Resolution of 2014".

Sec. 2. Findings.

(a) The real property located at 125 O Street, S.E. and 1402 1st Street, S.E., known for tax and assessment purposes as a portion of Lot 805 in Square 744S and a portion of Lot 801 in Square 744SS ("Property"), consists of approximately 235,130 square feet of land, as determined by the Mayor. The Property is currently improved with several low-scale structures and surface parking that are used by DC Water for light industry uses in connection with their fleet services and sewer services operations.

(b) The Property is no longer required for public purposes because the Property's condition no longer viably accommodates a District agency use or other public use. The most pragmatic solution for activating this space is to relocate the DC Water parking and sewer services operations, declare the Property surplus, and dispose of the Property for redevelopment.

(c) The declaration of the Property as surplus will be conditioned on:

(1) DC Water receiving rights to occupy suitable relocation/replacement property(ies);

(2) Encumbered funding for activities necessary to allow DC Water to relocate to and operate on such relocation/replacement property(ies); and

(3) Approval by an independent engineer procured by DC Water of an operational plan during and after relocation.

(d) Pursuant to section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801 (a-1)(4)) ("Act"), a public hearing was held on November 20, 2014, at the Boilermaker Shops located at 300 Tingey Street, S.E., Unit 140, regarding the finding that the Property is no longer required for public purposes.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 602 (c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02 (c)(3)).

Sec. 6. Effective date.

This resolution shall take effect immediately.

Sec. 4. Approval of disposition.

(a) Pursuant to section 1(b)(8)(C) and section 1(b)(8)(F) of the Act, the Mayor transmitted to the Council a request for approval of the disposition of the Property to the Transferee.

(b) The Council approves the disposition of the Property.

Sec. 5. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 6. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Chief Financial Officer as the fiscal impact statement required by section 602 (c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02 (c)(3)).

A RESOLUTION

Proposed Resolution 20-1176

See Emergency D.C. Res. 20-775 21 DCStat 968

To declare the existence of an emergency with respect to the need to extend the time allowed for the disposition of District-owned real property located at 125 O Street, S.E. and 1402 1st Street, S.E., known for tax and assessment purposes as a portion of Lot 805 in Square 744S and a portion of Lot 801 in Square 744SS.

125 O Street, S.E. and 1402 1st Street, S.E. Property Disposition Extension Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "125 O Street, S.E. and 1402 1st Street, S.E. Property Disposition Extension Emergency Declaration Resolution of 2014".

Sec. 2. (a) The District owns real property located at 125 O Street, S.E. and 1402 1st Street, S.E. ("Property").

(b) The Property is utilized by DC Water for its fleet service and sewer service operations. Currently this operation consists of various low-scale structures and surface parking.

(c) The Anacostia Waterfront Initiative ("AWI") Framework Plan, adopted by former Mayor Anthony Williams and the Council in 2003, is a framework plan to advance the Anacostia River's clean-up, identify opportunities to increase access to the river, target areas for new development, and pioneer innovative green practices in new development.

(d) The AWI Framework Plan determined that the Property would be best served as an important development link for overall redevelopment of the Capitol Riverfront by providing additional mixed-use commercial development that leverages the ongoing public and private investments in the neighborhood as a mixed-use destination.

(e) The Property was under the purview of the Anacostia Waterfront Corporation ("AWC") during the existence of that entity, and has since become part of the Office of the Deputy Mayor for Planning and Economic Development's portfolio.

(f) In 2005, AWC selected Forrest City ("Developer") to redevelop the Property and assist with locating suitable sites for the relocation of DC Water fleet service and sewer service operations.

(g) Since 2007, the District has been negotiating a disposition with the Developer for the disposition and development of the Property and evaluating potential sites for the relocation of DC Water.

(h) Significant community input has been received on the redevelopment of the Property through outreach and input for the Planned Unit Development ("PUD"). On February 7, 2014, the Zoning Commission approved the PUD for the Property.

(i) Prior to transfer of the Property to the Developer, DC Water's fleet service and sewer service operations must be relocated.

(j) The Land Disposition Agreement ("LDA") and supporting documents have been submitted to the Council for approval of the surplus declaration and the disposition of the Property.

(k) The redevelopment of the Property will be completed in multiple phases to allow for the relocation of DC Water in phases. Each phase can close when particular DC Water function units have been relocated. As a result, the Developer can begin construction on the first phase of redevelopment once DC Water fleet services is relocated and while relocation of other DC Water functions is being pursued.

(l) The sequential relocation of DC Water is a condition precedent to the disposition of any portion of the Property in accordance with the LDA.

(m) The complete relocation of DC Water cannot be completed within 2 years.

(n) The required timeline to satisfy the conditions precedent to the disposition of the Property in accordance with the LDA provides for pre-closing obligations that extend beyond the 2-year timeframe authorized by section 1(d) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211: D.C. Official Code § 10-801(d)).

(o) The proposed resolution will permit additional time to satisfy the pre-closing obligations and dispose of the Property and allows the District and the Developer to enter into the LDA and satisfy the pre-closing obligations.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the 125 O Street, S.E. and 1402 1st Street, S.E. Property Disposition Extension Emergency Approval Resolution of 2014 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.

Emergency Declaration Res. 20-774 20 DCStat 966

To approve, on an emergency basis, the extension of the time limit for the disposition of certain District-owned real property located at 125 O Street, S.E. and 1402 1st Street, S.E., known for tax and assessment purposes as a portion of Lot 805 in Square 744S and a portion of Lot 801 in Square 744SS.

125 O Street, S.E. and 1402 1st Street, S.E. Property Disposition Extension Emergency Approval Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "125 O Street, S.E. and 1402 1st Street, S.E. Property Disposition Extension Emergency Approval Resolution of 2014".

Sec. 2. (a) Pursuant to section 1(d) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211: D.C. Official Code § 10-801(d)), and upon consideration of the required timeline to satisfy the conditions precedent to the disposition of certain real property located at 125 O Street S.E. and 1402 1st Street S.E , and comprising approximately 235,130 square feet of land, designated for purposes of taxation and assessment as a portion of Lot 805 in Square 744S and a portion of Lot 801 in Square 744SS ("Property") in accordance with the Land Disposition Agreement ("LDA") and the pre-closing obligations of the Developer and the District contained in the LDA, all of which have been submitted to the Council by the Mayor to demonstrate that this timeline provides for pre-closing obligations extending beyond 2 years, and that the public interest will be better served by permitting this additional time to satisfy the pre-closing obligations and dispose of the Property, the Mayor transmitted to the Council a request for approval of additional time for the disposition of the Property.

(b) The Council approves the additional time requested by the Mayor to dispose of the Property and extends the time period to dispose of the Property to February 7, 2028.

Sec. 3. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 4. Fiscal impact statement.

A RESOLUTION

Proposed Resolution 20-1165

***See* Emergency D.C. Act 20-575 21 DCStat 717**

To declare the existence of an emergency, due to congressional review, with respect to the need to limit the amount of a hardship petition conditional rent increase to 5% of the rent charged, require that a rent adjustment be repaid by a housing provider to a tenant within 21 days of a conditional increase being amended, and allow treble damages when a housing provider files a hardship petition in bad faith.

Rent Control Hardship Petition Limitation Congressional Review Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Rent Control Hardship Petition Limitation Congressional Review Emergency Declaration Resolution of 2014".

Sec. 2. (a) Approximately 79,000 housing units are subject to the Rental Housing Act of 1985, effective July 17, 1985 (D.C. Law 6-10; D.C. Official Code § 42-3500 *et seq.*) ("Act"), accounting for 66% of the rental housing stock in the District.

(b) For units subject to the Act, annual rent increases are limited to a maximum of 10% for most tenants and 5% for seniors and individuals with disabilities.

(c) However, under the hardship petition process, a housing provider can apply to the Rent Administrator at the Department of Housing and Community Development to raise rents by more than the standard increase in order to achieve a 12% rate of return on the housing provider's investment in the building.

(d) The hardship petition requires the housing provider to submit a schedule of income and expenses, which the Rent Administrator can use to calculate a new rent based on the 12% rate of return.

(e) If a hardship petition isn't decided within 90 days, the housing provider may automatically start collecting the rent for which the housing provider originally applied.

(f) Hardship petitions are rarely decided within the 90-day time period, and consequently conditional increases are frequently granted that result in rent increases of 50% to 100%.

(g) These rent increases place a significant burden on low-income renters, increasing the likelihood of displacement.

(h) In one example, tenants of a building in Ward 7 were charged a 34% increase and were threatened with eviction if they did not pay. Tenants were forced to file a lawsuit challenging the increase based on numerous housing code violations and the dispute was prolonged for more than 4 years, during which time the higher rents were paid into a Court-mandated escrow account to the satisfaction of neither side.

(i) Although a conditional increase may be reversed, it is often too late for tenants who have been displaced by rent increases that housing providers were ultimately not authorized to charge.

(j) More than 88 hardship petitions were filed between 2007 and 2013, significantly raising the rent on thousands of residents as a result.

(k) Without swift action by the Council to counter opportunities for abuse, additional tenants could be priced out of their homes.

(l) On October 7, 2014, the Council passed the Rent Control Hardship Petition Limitation Emergency Amendment Act of 2014, to accomplish the purpose set forth above. The emergency legislation expires January 5, 2015. The associated temporary legislation, the Rent Control Hardship Petition Limitation Temporary Amendment Act of 2014, has not completed its 30-day congressional review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(m) This congressional review emergency is necessary to prevent an anticipated gap in the law due to congressional recess.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Rent Control Hardship Petition Limitation Congressional Review Emergency Amendment Act of 2014 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 20-1166

See Emergency D.C. Act 20-576 21 DCStat 720

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Great Streets Neighborhood Retail Priority Areas Approval Resolution of 2007 to clarify the boundaries of the Ward 4 Georgia Avenue Priority Area.

Georgia Avenue Great Streets Neighborhood Retail Priority Area Congressional Review Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Georgia Avenue Great Streets Neighborhood Retail Priority Area Congressional Review Emergency Declaration Resolution of 2014".

Sec. 2. (a) In November 2009, at the request of the 14th Street Block Group, Councilmember Bowser, joined by then-Mayor Adrian Fenty, community stakeholders, and District government agencies, participated in a walk-through along the 14th Street, N.W., corridor from Spring Road to Longfellow Street to begin a strategy for improvements in this section of Ward 4.

(b) The community identified a number of needed safety improvements, including lights, crosswalks, intersections, and stop signs, as well as improvements needed for business façades, vacant properties, new businesses, transportation, and residential properties.

(c) The District's Office of Planning, including Gizachew Andargeh, Malaika Abernathy, and Tarek Bolden, led a small area planning process with a variety of stakeholders, including Advisory Neighborhood Commissioners and civic leaders, property owners, business tenants, residents, and District government agencies, to determine how best to revitalize the corridor over the following 5 to 10 years.

(d) The community engagement process was extensive, with over 50 public meetings held.

(e) The following were active participants and key to the development of the Central 14th Street Vision Plan and Revitalization Strategy Plan: Advisory Neighborhood Commission 4C and 4A, 14th Street Block Group, 16th Street Heights Civic Association, Brightwood Community Association, Friends of 16th Street Heights Parks, Crestwood Civic Association, and business representatives such as members of the 14th Street Uptown Business Association.

(f) This 2 and a half year process resulted in a plan that provides guidance on land use, zoning, urban design, and connectivity and is intended to direct economic growth along 14th Street, N.W., by improving neighborhood retail choices and amenities, specifically targeting 3 distinct commercial nodes.

(g) On October 22, 2012, the Council held a public hearing, and on November 15, 2012, the plan was approved.

(h) To help implement the plan, the Council approved an expansion of the Georgia Avenue Retail Priority Area to include 2 of the 3 distinct commercial nodes, but the legislation inadvertently excluded the 3rd node.

(i) On October 17, 2014, the Council enacted the Georgia Avenue Great Streets Neighborhood Retail Priority Area Emergency Amendment Act of 2014, which accomplished the purpose set forth above. The emergency legislation expires January 6, 2015. The associated temporary legislation, the Georgia Avenue Great Streets Neighborhood Retail Priority Area Temporary Amendment Act of 2014, has not completed its 30-day congressional review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(j) This congressional review emergency is necessary to prevent an anticipated gap in the law due to congressional recess.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Georgia Avenue Great Streets Neighborhood Retail Priority Area Congressional Review Emergency Amendment Act of 2014 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to enact and amend various budget-related provisions of law.

Fiscal Year 2015 Budget Support Second Congressional Review Emergency Declaration Resolution of 2014

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2015 Budget Support Second Congressional Review Emergency Declaration Resolution of 2014".

Sec. 2. (a) On June 24, 2014, the Council passed the Fiscal Year 2015 Budget Support Emergency Act of 2014, effective July 14, 2014 (D.C. Act 20-377; 61 DCR 7598). The act was vetoed by the Mayor on July 11, 2014, and the Council overrode the veto on July 14, 2014. Act 20-377 expired on October 12, 2014.

(b) On June 24, 2014, the Council also passed the Fiscal Year 2015 Budget Support Act of 2014, enacted on September 22, 2014 (D.C. Act 20-424; 61 DCR 9990). The Mayor returned that permanent legislation unsigned, and it is currently undergoing congressional review. It is unclear when the review period will end and, thus, when D.C. Act 20-424 will become law.

(c) On October 7, 2014, the Council passed the Fiscal Year 2015 Budget Support Congressional Review Emergency Act of 2014, effective October 10, 2014 (D.C. Act 20-449; 61 DCR 10915). The Mayor signed that congressional review emergency on October 10, 2014, and it is projected to expire on January 7, 2015.

(d) The congressional review period for the permanent legislation will create a gap in authority between Act 20-449 and D.C. Act 20-424. This gap must be avoided for the proper implementation and balancing of the Fiscal Year 2015 Budget and Financial Plan.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2015 Budget Support Second Congressional Review Emergency Act of 2014 be adopted after a single reading.

Fiscal Year 2015 Budget Support Clarification Congressional Review Emergency Declaration Resolution of 2014

To declare the existence of an emergency with respect to the need to amend the Fiscal Year 2015 Budget Support Act of 2014 to clarify provisions supporting the Fiscal Year 2015 budget.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2015 Budget Support Clarification Congressional Review Emergency Declaration Resolution of 2014".

Sec. 2. (a) On June 24, 2014, the Council also passed the Fiscal Year 2015 Budget Support Act of 2014, enacted on September 23, 2014 (D.C. Act 20-424; 61 DCR 9990). The Mayor returned that permanent legislation unsigned, and it is currently undergoing congressional review.

(b) On October 7, 2014, the Council passed the Fiscal Year 2015 Budget Support Clarification Emergency Amendment Act of 2014, effective November 6, 2014 (D.C. Act 20-461; 61 DCR 11784). The Mayor returned that legislation unsigned, and it is projected to expire on February 4, 2015. It is also projected to be overridden by D.C. Act 20-424, once D.C. Act 20-424 becomes law.

(c) On October 28, 2014, the Council also passed the Fiscal Year 2015 Budget Support Clarification Temporary Amendment Act of 2014, passed on 2nd reading on October 7, 2014 (Enrolled version of Bill 20-958). That legislation has been transmitted to the Mayor.

(d) The congressional review period for the temporary legislation, and the pending end of the review period for D.C. Act 20-424, will create a gap in authority between D.C. Act 20-461 and Bill 20-958. This gap must be avoided for the proper implementation and balancing of the Fiscal Year 2015 Budget and Financial Plan.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2015 Budget Support Clarification Congressional Review Emergency Amendment Act of 2014 be adopted after a single reading.

(c) A Councilmember may move to postpone indefinitely any question pending before the Council. A motion to postpone indefinitely is debatable, and it is in order to debate the merits of the underlying question. Upon adoption of a motion to postpone indefinitely, the question may not be reconsidered unless 2/3rds of Councilmembers present and voting agree to reconsider the question.

(d) A committee chairperson may, without objection, carry over a measure reported by that committee from Council consideration until the next regular legislative meeting. If a measure has been sequentially referred, the committee chairperson of the last-reporting committee may carry over a measure under this subsection.

347. MOTIONS TO LIMIT DEBATE.

(a) Debate may be limited by a motion to close debate or a motion to move the previous question. Neither a motion to close debate nor a motion to move the previous question is debatable.

(b) A Councilmember may move to close debate, which shall require approval of 2/3rds of the Councilmembers present and voting. If a motion to close debate carries, no further debate is in order, except that:

(1) each Councilmember who has not spoken on the pending question may speak for no more than 2 minutes; and

(2) the Chairman may recognize the maker of the pending motion.

(c) A Councilmember may make a motion to move the previous question, which shall require approval of 2/3rds of the Councilmembers present and voting. If a motion to move the previous question carries, no further debate is in order on the pending question, and no further amendments to the main motion are in order absent a motion to reconsider the motion to move the previous question.

348. RECOMMIT

A member may move to recommit a measure pending before the Council to a standing committee. If a majority of Councilmembers present and voting approve a motion to recommit, the Chairman shall refer to the measure to a standing committee or committees in accordance with section 405(b). A motion to recommit is debatable, though debate shall be limited to the desirability of committing the measure to the committee. Debate on the merits of the measure is not in order while a motion to recommit is pending.

F. AMENDMENTS.

351. AMENDMENTS TO BE WRITTEN.

(a) Councilmembers shall endeavor to file with the Secretary amendments to pending measures by noon on the business day before the legislative meeting at which they are to be moved.

(b) If a Councilmember has filed an amendment with the Secretary before the legislative meeting in accordance with subsection (a) of this section, the Secretary shall provide a copy for each Councilmember before the legislative meeting begins. When the measure is to be considered, the Chairman shall recognize the Councilmember for a motion to amend.

(c)(1) If a Councilmember has not filed an amendment with the Secretary in accordance with subsection (a) of this section, the Councilmember shall circulate one copy for each Councilmember and 7 additional copies at the legislative meeting.

(2) A Councilmember shall file an amendment in accordance with subsections (a) and (b) of section 282 within 24 hours of the legislative meeting at which the amendment was offered if the amendment was not previously filed in accordance with subsection (a) of this section.

(d) Before a vote on a measure, oral amendments shall be reduced to writing and read by the General Counsel, and made available for public inspection as soon as practicable.

(e) No amendment may be approved by the Council without a fiscal impact statement presented to the Council, at the time of its consideration, provided that the Chairman may waive these requirements if the Chairman concurs with the Budget Director that there is no adverse fiscal impact.

(f) No amendment to a measure on final reading, including an emergency measure, may be approved by the Council without a legal-sufficiency determination presented to the Council, at the time of its consideration, provided that the Chairman may waive these requirements if the Chairman concurs with the General Counsel that the amendment is legally sufficient.

352. NON-GERMANE AMENDMENTS.

Every amendment proposed to an emergency or temporary measure must be germane to the subject matter of the measure to be amended. A non-germane amendment to a bill requires 2 readings and must be approved by 2/3rds of the members present and voting. To be germane, the amendment is required only to relate to the same subject. It may entirely change the effect of or be in conflict with the spirit of the original motion or measure and still be germane to the subject.

353. FRIENDLY AMENDMENTS.

Without objection, the mover of a motion or a measure may accept a friendly amendment, which, if accepted, shall be voted on simultaneously with the motion or measure. A friendly amendment to a second-degree amendment is not considered a third-degree amendment.

354. AMENDMENT IN THE NATURE OF A SUBSTITUTE.

(a) A notice of intent to move an amendment in the nature of a substitute to a measure at a legislative meeting shall be filed with the Secretary and circulated by noon on the business day before the legislative meeting. The notice shall be accompanied by the proposed amendment in the nature of a substitute.

(b) Whenever an amendment in the nature of a substitute is moved, it shall reflect all substantive changes from the prior version of the legislation (committee print or engrossment) by using strikeovers on the language that is proposed to be deleted from the prior version and an underscore on all new language that is proposed to be added by the amendment in the nature of a substitute.

(c) The mover of an amendment in the nature of a substitute may have a separate amendment considered simultaneously with the amendment in the nature of a substitute.

G. OTHER MOTIONS.

355. DISCHARGE.

The Council may, by a vote of 2/3rds of the members present and voting, discharge a committee from further consideration of a measure that has been referred to the committee. Upon approval of the discharge motion, the Council shall consider the measure as if it had been reported from the committee without amendment or modification or re-refer the measure to another committee.

356. TAKE FROM THE TABLE.

(a) When no question is pending before the Council, a Councilmember may move to take from the table any measure previously tabled during the legislative meeting.

(b) When a measure is pending before the Council, a Councilmember may move to take from the table any amendment to the measure that was previously tabled.

(c) Provided that a Councilmember provided the notice required by section 429(2), the Councilmember may move to take from the table any measure previously tabled.

(d) A motion to take from the table is not debatable and shall be adopted by a majority vote of Councilmembers present and voting.

(e)(1) Upon adoption of a motion to take a question from the table, the question shall be before the Council in the same status as it was when the Council tabled the question.

(2) If the motion to take a question from the table does not occur during the legislative meeting at which the question was tabled, each Councilmember shall be entitled to debate the question as if the last motion adhering to the question was just made.

H. VOTING.

361. FORM OF VOTE.

Voting shall be in the form of "YES", "NO", and "PRESENT". A vote of "PRESENT" shall be deemed the equivalent of an abstention or a non-vote.

362. VOICE VOTES.

Except as provided in section 363, votes on all questions shall be by voice, with the results determined by the Chairman. A Councilmember's vote upon any matter shall be recorded upon request.

363. DEMAND FOR ROLL-CALL VOTE.

Any member, in advance of a vote or immediately thereafter, may demand a roll-call vote.

364. CALLING THE ROLL.

When a roll-call vote is demanded, the Secretary shall call the roll of the Councilmembers in rotating alphabetical order so that the Councilmember whose name is called first is the same member whose name was called second on the next previous vote, and so on through the roll, so that the Councilmember whose name is called last is the same Councilmember whose name was called first on the next previous vote. At the end of the roll call, the names of those who failed to answer can be called again, or the Chairman can ask if anyone entered the room after the Councilmember's name was called. Changes of vote are also permitted at this time, before the result is announced. No Councilmember may vote "pass" more than once on the same amendment or the bill in its entirety. A second vote of "pass" shall be considered a vote of "present."

365. RECORDS OF VOTES.

(a) When a vote on legislation is by voice vote, the Secretary will record all members present as voting "yes" unless there has been a request to be recorded as having voted "no", a member votes "present", or a member has recused himself or herself from voting.

(b) When a roll-call vote is demanded, the Secretary will record the names of those voting "YES", "NO", or "PRESENT". Members will be recorded as absent if they are not in the Chamber when a vote is taken. Voting records are official records of the Council.

(c) After the Chairman has announced the result of a vote, a Councilmember may not change his or her vote.

366. PROXY VOTING PROHIBITED.

No proxy shall be permitted either for the purpose of voting or for the purpose of obtaining a quorum.

367. SUMMONS OF MEMBERS.

(a) Before putting a question to vote, the Chairman may hold open the vote for no more than 2 minutes for the purpose of summoning members who are absent. During that time, the Secretary shall summon the members who are absent from the Chamber. At the Chairman's direction, the Secretary shall call the names of the absent members.

(b) No Councilmember may be summoned more than once at the same legislative meeting.

I. OPEN MEETINGS.

371. OPEN MEETINGS, GENERALLY.

(a) Except as provided in section 375, a meeting of the Council shall be open to the public.

(b) For purposes of this part, a "meeting of the Council" means a gathering of a quorum of the Council for purposes of discussing Council business, whether informal or formal. A meeting of the Council does not include chance meetings, social gatherings, or press conferences. For purposes of these rules, a meeting of the Council does not apply to a gathering of a quorum for a committee.

372. MEETINGS OF COUNCIL DEEMED OPEN.

A meeting of the Council is deemed open if the:

(1) Public is permitted to be physically present;

(2) News media is permitted to be physically present; or

(3) Meeting is televised.

373. NOTICE OF MEETINGS.

(a) Before a meeting of the Council is held, whether open or closed, at least one Councilmember attending the meeting shall notify the Secretary at least 48 hours before the meeting, unless emergency circumstances require less notice.

(b) Notice provided pursuant to this section shall be posted by the Secretary in plain view, the relevant Council office, or on the website of the Council.

(c) A notice for a meeting of the Council provided pursuant to this section shall include the:

(1) Date;

(2) Time;

(3) Location; and

(4) Planned agenda, if applicable, for the meeting.

(d) If a meeting of the Council, or any portion of the meeting, is expected to be closed, the notice shall include, if feasible, a statement of the intent to close the meeting, including the reasons for the closure.

374. RECORD OF MEETINGS.

(a) Except as provided in subsection (e) of this section, all meetings, whether open or closed, shall be recorded electronically. In accordance with section 808, the electronic recording shall be produced and maintained by the Secretary; provided, that if a recording is not possible, detailed minutes of the meetings shall be kept by the Secretary.

(b) Copies of the records shall be provided to the public or any requester at his or her expense.

(c) A copy of the minutes shall be made available to the public or requester no more than 3 business days after the meeting.

(d) A copy of the full record, including any recording or transcript, shall be made available no later than 7 business days after the meeting.

(e) This section shall not apply to administrative meetings, breakfast meetings, open discussions, or other gathering of the Council when no official action is expected to take place; provided, that no official action may be taken at such meetings.

375. EXCEPTIONS TO OPEN MEETINGS.

A meeting of the Council may be closed for the following reasons:

(1) A law or court order requires that a particular matter or proceeding not be public;

(2) To discuss, establish, or instruct a public body's staff or negotiating agents concerning the position to be taken in negotiating the price and other material terms of a contract, including an employment contract, if an open meeting would adversely affect the bargaining position or negotiating strategy of the public body;

(3) To discuss, establish, or instruct a public body's staff or negotiating agents concerning the position to be taken in negotiating incentives relating to the location or expansion of industries or other businesses or business activities in the District;

(4)(A) To consult with an attorney to obtain legal advice and to preserve the attorney-client privilege between an attorney and a public body, or to approve settlement agreements; provided, that, upon request, the public body may decide to waive the privilege.

(B) Nothing herein shall be construed to permit a public body to close a meeting that would otherwise be open merely because the attorney for the public body is a participant;

(5) Planning, discussing, or conducting specific collective-bargaining negotiations;

(6) Preparation, administration, or grading of scholastic, licensing, or qualifying examinations;

(7) To prevent premature disclosure of an honorary degree, scholarship, prize, or similar award;

(8) To discuss and take action regarding specific methods and procedures to protect the public from existing or potential terrorist activity or substantial dangers to public health and safety, and to receive briefings by staff

members, legal counsel, law-enforcement officials, or emergency-service officials concerning these methods and procedures; provided, that disclosure would endanger the public and a record of the closed session is made public if and when the public would not be endangered by that disclosure;

(9) To discuss disciplinary matters;

(10) To discuss the appointment, employment, assignment, promotion, performance evaluation, compensation, discipline, demotion, removal, or resignation of government appointees, employees, or officials, including Councilmembers and staff;

(11) To discuss trade secrets and commercial or financial information obtained from outside the government, to the extent that disclosure would result in substantial harm to the competitive position of the person from whom the information was obtained;

(12) To train and develop members of a public body, including the Council and staff;

(13) To deliberate upon a decision in an adjudication action or proceeding by a public body exercising quasi-judicial functions; and

(14) To plan, discuss, or hear reports concerning ongoing or planned investigations of alleged criminal or civil misconduct or violations of law or regulations, if disclosure to the public would harm the investigation.

ARTICLE IV—LEGISLATION.

A. INTRODUCTION OF LEGISLATION.

401. WHO MAY INTRODUCE.

(a)(1) Only a Councilmember may introduce legislation for consideration by the Council.

(2) At the time a measure is filed with the Secretary, in accordance with section 282, the measure shall be placed on the Council "v" drive or intranet portal.

(b)(1) Proposed legislation transmitted to the Council by the Mayor or an independent agency submitted in appropriate form and in compliance with these Rules shall be introduced by the Chairman, at the request of the Mayor or an independent agency.

(2) Unless proposed legislation by the Mayor or an independent agency has been filed with the Secretary by the second business day before a meeting of the Council, the proposed legislation may not be introduced or considered at the meeting.

(3) Proposed legislation from the Mayor or an independent agency shall be transmitted to the Council by hard copy, email, or any other medium as determined by the Secretary. All confirmation resolutions submitted to the Council by the Mayor shall include a copy of the current resume of the nominee. The Secretary shall place a copy of the proposed legislation on the Council "v" drive or intranet portal.

(4) Legislation transmitted under this subsection shall be filed with the Secretary during normal business hours, as defined by section 101(25).

(5) The Secretary shall determine whether the proposed legislation is in appropriate form and may return any proposed legislation that is not in appropriate form to the Mayor or the independent agency.

402. MANNER OF INTRODUCTION.

(a) A Councilmember may introduce a measure either by:

(1) Reading the short title of the measure, except a ceremonial resolution, during the period of a legislative meeting or a work session of the Committee of the Whole designated for introductions and immediately providing the Secretary the signed original of the bill or resolution; or

(2) Filing the signed original of the measure with the Secretary during normal business hours.

(b) Unless a law specifically provides otherwise, no matter transmitted for a period of Council review before taking effect shall be deemed transmitted to the

Council or the Chairman, and no time period for Council review shall begin to run until the matter has been formally introduced by the Chairman pursuant to subsection (a)(1) of this section.

(c) Whenever a measure would require the Secretary to transmit its text or anything associated with the text to a person, the Councilmember who introduced the measure shall provide the Secretary with the last-known address of the recipient.

(d) Proposed legislation transmitted for introduction by the Mayor or an independent agency shall be addressed to the Chairman and filed with the Secretary. The Secretary shall circulate the measure in accordance with these rules.

403. INTRODUCTION OF EMERGENCY LEGISLATION.

Emergency legislation, emergency declaration resolutions, and temporary legislation may be introduced as provided in sections 401 and 402, or may be introduced at a meeting called to consider the emergency legislation and temporary legislation.

404. READING INTRODUCTIONS.

(a) At each legislative meeting and work session of the Committee of the Whole, during the period designated for introductions, the Secretary shall read the short titles of measures that were introduced pursuant to section 402(a)(2) between the previous reporting period and 10 a.m. of the business day before the legislative meeting or Committee of the Whole work session, and provide the numbers assigned as provided in section 805 and the committee referrals as provided in section 405.

(b) Measures may not be debated or amended when they are read for introduction.

(c) The formal reading of the Secretary's report as provided in subsection (a) of this section may be waived by unanimous consent.

(d) A Councilmember may raise questions regarding a committee referral included in the Secretary's report without a formal reading of the entire Secretary's report.

(e) A Councilmember may introduce no more than 3 measures at a legislative meeting or Committee of the Whole work session.

(f) A Councilmember may speak for no more than 3 minutes on each measure introduced.

(g) Only one Councilmember may speak on each introduced measure; provided, that a Councilmember may yield all or a part of the Councilmember's time provided by this section to another Councilmember.

405. COMMITTEE REFERRAL.

(a)(1) When a measure is introduced before a legislative meeting or Committee of the Whole work session, the Chairman may refer it to the appropriate committee or committees, taking into account standards of germaneness, unless the Council retains the measure. The referral is official unless the Chairman provisionally refers the bill to a committee or committees.

(2) If the Chairman provisionally refers the bill to a committee or committees, the referral shall be deemed official after 3 business days. If the Chairman refers the measure to another committee within the 3-business-day period or any time thereafter, the referral shall not become official until the next regular legislative meeting or Committee of the Whole work session. The Chairman may refer a bill or proposed resolution for comments at any time.

(b) When a bill is introduced by filing it with the Secretary, rather than introducing it at a meeting pursuant to subsection (a) of this section, the Chairman shall refer it to the appropriate committee or committees. Such referral is not official until it is read at a meeting pursuant to section 404.

(c)(1) The Chairman may refer a measure to 2 or more committees for sequential consideration of all or part of the measure, and may refer all or part of the measure to one or more committees for comments.

(2) When there is a sequential referral, the Chairman may make the referral and specify a time period within which one or more of the committees must report the measure. If a committee fails to file a report within the specified time period, the measure shall be deemed discharged from the committee and the Secretary shall provide notice that the measure is ready for subsequent action by another committee or to be agendized for Council consideration.

(c) The Chairman may re-refer a bill or resolution from one committee to another committee and the new referral shall become official at the next legislative meeting or Committee of the Whole work session.

(d) A committee may not consider a measure unless the Chairman has made an official referral.

406. COMMENTS BY EXECUTIVE.

The Executive may comment on any measure. Unless otherwise required by law, neither the Council nor a committee must wait for Executive comments before considering a measure.

407. WITHDRAWAL OF LEGISLATION.

(a) Whenever a rule, regulation, or resolution is proposed for promulgation by an entity other than the Council and is required by law to be approved, disapproved, or reviewed by the Council before its taking effect and would take effect automatically by operation of law, the proposal may be withdrawn formally by the proposer before final Council action or, if the Council takes no action, before any time limit imposed by law. The withdrawal shall render the original proposal a nullity as if it were never proposed. These proposed rules, regulations, and resolutions may be withdrawn only by written request transmitted to the Chairman.

(b) A Councilmember may withdraw any measure before any action has been taken by the committee to which the measure has been referred (i.e., hearing, markup, or vote). A withdrawal shall be filed with the Secretary. A withdrawal shall render the original measure a nullity, as if it were never introduced. If a measure has been introduced by more than one Councilmember, all co-introducers must consent to withdrawal under this subsection.

(c) Notwithstanding subsection (a) of this section, if a Councilmember withdraws a resolution approving or disapproving a contract or reprogramming after the date the contract or reprogramming would otherwise have been deemed approved, the measure shall be deemed approved on the date the resolution is withdrawn, unless it has been deemed approved before that time by operation of law.

B. COUNCIL APPROVAL.

411. CONSENT AGENDA.

(a)(1) The Chairman shall prepare a consent agenda for each legislative meeting that shall include measures that the Chairman believes will be adopted by unanimous vote. The consent agenda shall be approved by the Committee of the Whole at a work session before the legislative meeting for which the agenda was prepared. Without objection, a Councilmember may amend the committee print of a measure without removing the bill or resolution from the consent agenda, if the amendment is filed with the Secretary at or before the Committee of the Whole meeting and circulated to the Councilmembers at the Committee of the Whole meeting.

(2) A Councilmember may remove a measure from the consent agenda at the Committee of the Whole meeting or at the legislative meeting before the vote on the consent agenda.

(3) Measures removed from the consent agenda shall be considered as provided in section 311, except that the Chairman may first consider items removed from the consent agenda.

(4) Before the vote on the consent agenda at a legislative meeting, and without objection from any other Councilmember, a Councilmember may request that a measure on the non-consent agenda be moved to the consent agenda.

(5) Approval of the consent agenda during a legislative meeting will include the unanimous approval of all matters included in the consent agenda. If a Councilmember asks for his or her vote to be recorded on a particular measure, the measure shall be removed from the consent agenda.

(b) A resolution declaring the existence of an emergency and accompanying emergency bill submitted by the Mayor or an independent agency pursuant to section 307(b) shall be included in the consent agenda prepared by the Chairman for the first regularly scheduled legislative meeting that occurs more than 5 business days after the resolution declaring the existence of an emergency and accompanying emergency bill have been filed with the Secretary.

412. EMERGENCY LEGISLATION.

(a)(1) When a Councilmember proposes a measure to be passed immediately due to emergency circumstances, the Council may debate the question of the existence of an emergency and then shall vote on whether emergency circumstances exist.

(2) A Councilmember may debate the merits of a measure to determine whether emergency circumstances exist.

(3) If 2/3rds of the Councilmembers find that emergency circumstances exist, the Council shall consider the measure on its merits.

(b) For the purposes of this section, an "emergency" means a situation that adversely affects the health, safety, welfare, or economic well-being of a person for which legislative relief is deemed appropriate and necessary by the Council, and for which adherence to the ordinary legislative process would result in delay that would adversely affect the person whom the legislation is intended to protect.

(c) Emergency legislation shall take effect, according to its terms, either immediately or at a specific time. Pursuant to section 412(a) of the Charter (D.C. Official Code § 1-204.12(a)), emergency legislation shall be effective law for no more than 90 days.

(d) No emergency measure may be approved by the Council without a legal sufficiency determination presented to the Council at the time of its consideration; provided, that the Chairman may waive these requirements if the Chairman concurs with the General Counsel that the amendment is legally sufficient.

(e) The Chairman may rule out of order an emergency measure that is subject to inclusion in an approved budget and financial plan.

413. TEMPORARY LEGISLATION.

If the Council approves an emergency bill under section 412, the Council may, at the same legislative meeting, consider a temporary bill on first reading without committee referral. The temporary bill must be substantially similar to the emergency bill and may remain effective for no more than 225 days.

414. TECHNICAL-AMENDMENT LEGISLATION.

(a) On an occasional basis, the General Counsel shall prepare a technical-amendment bill for introduction by the Chairman.

(b) Notwithstanding section 501(a), no hearing is required before final adoption of a technical-amendment bill prepared in accordance with this section.

(c) A technical-amendment bill shall contain only amendments to existing law and no amendment included in the technical-amendment bill may make substantive changes to the existing law. Any amendment to the technical-amendment bill must be certified as technical by the General Counsel.

(d) An amendment to a technical-amendment bill that has not been certified as technical by the General Counsel shall be out of order for Council consideration.

415. ENACTMENT LEGISLATION.

(a) On an occasional basis, the General Counsel shall prepare an enactment bill for introduction by the Chairman.

(b) Notwithstanding section 501(a), no hearing is required before final adoption of an enactment bill prepared in accordance with this section.

(c) An enactment bill shall present, for each title of the District of Columbia Official Code proposed to be enacted into positive law, a compilation, restatement, and revision of the general and permanent laws of the District of Columbia that conforms to the understood policy, intent, and purpose of the Council or Congress in the original enactments, with such amendments and corrections as to remove ambiguity, contradictions, and other imperfections, both of substance and of form.

(d) An amendment to an enactment bill that has not been proposed by the General Counsel as an amendment consistent with subsection (c) of this section shall be out of order for Council consideration.

416. VETOED LEGISLATION.

(a) Whenever the Mayor disapproves and returns an act pursuant to section 404(e) of the Charter (D.C. Official Code § 1-204.04(e)), the disapproved act shall be the property of the full Council. The Chairman may solicit comments or recommendations on the disapproved act from a committee or committees. A Councilmember may move for the Council to reenact the disapproved act before the end of the 30-day review period provided in section 404(e) of the Charter. If 2/3rds of the Councilmembers present and voting vote to reenact the act, the act shall become law subject to the provisions of section 602(c) of the Home Rule Act (D.C. Official Code § 1-206.02(c)).

(b) Whenever the Mayor disapproves and returns any item or provision of a budget act pursuant to section 404(f) of the Charter (D.C. Official Code § 1-204.04(f)), the act containing the disapproved item or provision shall be the property of the full Council. The Chairman may solicit comments or recommendations on the disapproved item or provision from a committee or committees. A Councilmember may move for the Council to reenact any disapproved item or provision of the budget act before the end of the 30-day review period provided in section 404(f) of the Charter. If 2/3rds of the Councilmembers present and voting vote to reenact any item or provision of the budget act, the item or provision so reenacted shall be transmitted by the Chairman to the President of the United States.

417. TRANSMISSION OF ACTS.

The Chairman shall transmit adopted acts to the Mayor and enacted acts to the United States Senate and the United States House of Representatives as required by the Charter.

418. EFFECT OF END OF COUNCIL PERIOD.

(a)(1) A measure that has not been finally adopted by the Council before the end of the Council Period in which the measure was introduced lapses without prejudice to the measure's reintroduction in a subsequent Council Period.

(2) If temporary legislation has been passed on first reading pursuant to section 413 at the last legislative meeting in a Council Period, it may be considered on final reading during the next Council Period.

(3) Except as provided in paragraph (4) of this subsection, a matter transmitted by the Mayor or an independent agency for a designated period of Council review that is pending at the end of a Council period shall be in the same status that the matter was at the end of the prior Council period and the legislation assigned a new number. If notice required by these Rules has been given in the prior Council period, no additional notice shall be required before action on the matter.

(4) Except for confirmation resolutions that are pending as of January 2, 2015, confirmation resolutions shall lapse without prejudice to the resolution's reintroduction in a subsequent Council Period.

(b) Legislation that has been finally adopted by the Council during a Council Period shall not lapse simply because any of the following occurs:

(1) Approval or veto by the Mayor;

(2) Approval by operation of law;

(3) Reenactment after a veto;

(4) Submission to referendum; or

(5) Transmittal to Congress.

(c) Records of measures that lapsed at the end of a Council Period may be incorporated by reference in the records of substantially similar measures considered in a later Council Period, including the record of any hearing or roundtable that was held in a prior Council Period.

C. NOTICE AND PUBLICATION OF INTENDED ACTIONS.

421. GENERAL NOTICE BY PUBLICATION OF INTENDED ACTIONS AND HEARINGS.

(a)(1) Except as provided in these Rules, 15 days' notice by publication in the Register is required before Council adoption of a measure.

(2) Abbreviated notice under this subsection may be given upon good cause found and published in the Register with the notice.

(b) Except as provided in these Rules, 15 days' notice by publication in the Register or abbreviated notice published in the Register is required before the conduct of a hearing.

(c) Abbreviated notice under subsection (b) of this section may be given:

(1) For a hearing on a permanent bill for the purpose of rescheduling the hearing when the hearing was previously noticed in the Register.

(2) For a hearing on a resolution, when a hearing is required, upon good cause found and published in the Register with the notice, and when the abbreviated notice provides at least 3 business days' notice; or

(3) For an oversight or investigative hearing, when such notice is posted on the Council website.

(d) No prior notice by publication is required for the adoption of a ceremonial resolution, an emergency bill or resolution, an emergency-declaration resolution, or a resolution adopting Council Rules, appointing Council officers and committee chairpersons and members, or pertaining to the internal operation or organization of the Council.

422. PERSONAL SERVICE OR ACTUAL NOTICE.

Notice by publication is not required if all persons subject to an intended action are named, and in accordance with law, either are served personally or have actual notice of the Council's intended action.

423. METHODS OF NOTICE.

(a) When not otherwise required by these Rules or other provisions of law to be done in specific fashion, notice may be given by:

(1) Publication in the Register;

(2) Publication in one or more newspapers of general circulation;

(3) Mailing notices to a mailing list of organizations and individuals established and maintained by the Secretary;

(4) Use of other news media;

(5) Posting notice in a prominent place in the John A. Wilson Building and other public buildings or posting places;

(6) Facsimile;

(7) E-mail;

(8) Posting on the Council's official website; or

(9) In any other manner directed by the Council.

(b) When notice to the public is required under these Rules, by law, or otherwise, the Secretary shall post the notices on the Council website.

424. NOTICE OF EMERGENCY ACTIONS.

(a) When an emergency measure is to be considered, a notice that includes a statement of the reasons for the emergency and the intended effect of the emergency measure shall be filed, and a draft of the emergency measure and emergency-declaration resolution shall be circulated, by noon on the third business day before the legislative meeting at which the emergency measure is to be considered, unless the nature of the emergency precludes such notice. If the nature of the emergency precludes the notice, the sponsor of the legislation shall circulate and file the measure with the Secretary and take steps to ensure that Councilmembers have notice at the earliest possible time before the meeting at which the emergency measure is to be considered.

(b) Notwithstanding the provisions of subsection (a) of this section, public notice of intended emergency action shall be given before adoption of an emergency bill or resolution by at least one method provided in section 423.

425. NOTICE OF TEMPORARY LEGISLATION.

(a) Each temporary bill adopted pursuant to section 413, shall be circulated and filed with the accompanying emergency measure in accordance with section 424. Following approval on first reading, the Secretary shall publish a notice of intent to adopt the temporary bill on second reading in the Register.

(b) When temporary legislation is to be considered under section 413, the notice of emergency action under section 424 shall include notice of the temporary legislation.

426. NOTICE OF WAIVER OF SECTION 231(C).

(a) A notice of a request to waive section 231(c) shall be filed and circulated no later than noon on the third business day before the legislative meeting at which a measure is to be considered. The notice shall include a rationale for the request.

(b) If a witness asserts a privilege, the presiding member shall inquire into the witness's reasons for claiming the privilege. If the presiding member determines that the claim of privilege is not warranted, the presiding member shall direct the witness to answer the question. A witness's continued claim of privilege in the face of an order by the presiding member to answer a specific question constitutes contumacy by the witness.

D. CENSURE, REPRIMAND, AND EXPULSION PROCEDURES.

651. AD HOC COMMITTEES.

(a) An ad hoc committee shall be established for the purposes of considering evidence of a violation of the Code of Conduct, policy, or law and making recommendations for further action. An ad hoc committee shall be established by request of any 5 members of the Council, or if a member is censured by the Ethics Board.

(b) The ad hoc committee shall be composed of 5 members appointed by the Chairman or, if the Chairman is the subject of the request or Ethics Board sanction,

(c) The committee's proceedings may be conducted in executive session in accordance with section 504. The committee shall permit testimony from both the

member making the request and the member subject to the request and shall determine whether:

(1) Further investigation of the charges is required to determine if a hearing is warranted;

(2) The matter is to be set for a hearing; or

(3) No further action should be taken with respect to the request.

(d) If the committee determines no further action should be taken with respect to the request, the committee shall report that to the Council at its earliest opportunity. If the committee determines that further investigation is required, the committee shall conduct an investigation and report a summary of its proceedings and its findings, along with penalty recommendations, if any, to the Council at its earliest opportunity. The penalty recommendations, if any, may include:

(1) Reprimand;

(2) Censure; or

(3) Expulsion.

(e) If the committee does not report its recommendation and findings to the Council within 90 calendar days of the receipt of the request to convene the committee, the matter shall be sent to the Council for its consideration.

(f) Upon receipt of the report of the committee, or at the expiration of the time for the committee to report to the Council, the Chairman shall place the matter on the Council's agenda to determine whether or not a hearing is warranted. If the Chairman decides to set the matter for a hearing, it shall be scheduled for no sooner than one week after the determination to hear the matter. Written notice of the hearing shall be delivered in person to the member of the Council who is the subject of the request or to the member's Council office at least 48 hours in advance of the scheduled hearing.

(g)(1) The hearing shall be conducted by the Chairman or, if the Chairman is the subject of the hearing, by the Chairman Pro Tempore. At the hearing, the member of the Council who is the subject of the request shall be given the

The member who is the subject of the request may be represented by a person of the member's choice whether or not the person is an attorney at law and may have that representative speak or question witnesses on the member's behalf.

(2) The questioning or cross-examining of witnesses may be reasonably limited by the presiding member.

(3) Testimony shall be taken only from witnesses having direct knowledge of facts or circumstances relevant to the specific charges under consideration.

(4) The rules of evidence and judicial procedure applicable in courts of law shall not be applicable to this hearing, and the procedures shall be generally informal.

(h) Notwithstanding any other provision of this rule, the Chairman, pursuant to an authorizing resolution, may appoint any person or a standing or special committee to perform any investigation authorized by the rule.

654. REPRIMAND.

(a) A reprimand is a formal statement of the Council officially disapproving the conduct of one of its members. A reprimand shall be directed to a particular member of the Council based on a particular action or set of actions that is determined to be in violation of the Council's Rules, law, or policy, but is considered to be not sufficiently serious to require censure. A reprimand is distinguished from censure in that it is not punishment or discipline and, therefore, does not require an investigation or hearing.

(b) The Council may adopt a resolution of reprimand in the same manner as provided for the adoption of any resolution; provided, that the Councilmember who is the subject of the resolution is permitted to speak in his or her defense prior to action on the motion for adoption of the resolution. The fact that the Councilmember who is the subject of a reprimand does not choose to respond to the resolution or does not attend the meeting at which the resolution is to be adopted shall not prevent the Council from adopting the resolution; provided, that the

Councilmember had actual notice of the inclusion of the resolution on the agenda and had a reasonable opportunity to attend the meeting.

655. CENSURE.

(a) Censure is a formal statement of the Council officially disciplining one of its members. It is a punitive action, which serves as a penalty imposed for wrongdoing, but it carries no fine or suspension of the rights of the member as an elected official. Censure should be used for cases in which the Council determines that the violation of law or policy is a serious offense. To protect the overriding principle of freedom of speech, the Council shall not impose censure on any member for the exercise of his or her First Amendment right, no matter how distasteful the expression of that right was to the Council and the District. Nothing in this rule shall be construed to prohibit the Council, as a body, from condemning and expressing its strong disapprobation.

(b)(1) The Council may, by a 2/3rd vote of Councilmembers present and voting, adopt a resolution of censure if it finds, based on substantial evidence, that a Councilmember took an action that amounts to a gross failure to meet the highest standards of personal and professional conduct.

(2) Substantial evidence is proof that a reasonable person would accept as adequate to support a conclusion or decision in favor of censure.

656. EXPULSION.

(a) Expulsion is the most severe punitive action, serving as a penalty imposed for egregious wrongdoing. Expulsion results in the removal of the member. Expulsion should be used for cases in which the Council determines that the violation of law is of the most serious nature, including those violations that substantially threaten the public trust. To protect the exercise of official councilmember duties and the overriding principle of freedom of speech, the Council shall not impose expulsion on any member for the exercise of his or her First Amendment right, no matter how distasteful the expression of that right was to the Council and the District, or in the official exercise of his or her office.

(b)(1) The Council may, by a 5/6 vote of Councilmembers, adopt a resolution of expulsion if it finds, based on substantial evidence, that a Councilmember took an

action that amounts to a gross failure to meet the highest standards of personal and professional conduct.

(2) Substantial evidence is proof that a reasonable person would accept as adequate to support a conclusion or decision in favor of expulsion.

Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) In late 2014, it was reported that the Safeway at 4865 MacArthur Boulevard was offered for sale. In previous store and property sales, Safeway required that a purchaser of its property agree to a covenant prohibiting reuse of the property for a similar or analogous use; that is, that the property may not be used as a grocery store or retail food establishment of any kind. This type of restriction is harmful to residents. And, in the Macarthur Boulevard instance, it is harmful to the residents of the neighborhood as the next closest grocer is approximately 2.5 miles away.

(b) Restrictive covenants and other use restriction policies related to grocery stores are harmful and limit a community's access to fresh food.

(c) Maintaining a grocery store within an urban neighborhood is vital, particularly since many residents rely heavily on walking as a means of access to fresh food.

(d) Seniors and low-income residents especially rely on food retailers in close proximity to their homes as they often face mobility challenges or have limited access to vehicles.

(e) A lack of stores offering healthy food options leads to unhealthy food choices and related health problems.

(f) These restrictive covenants are contrary to the American standard of a free market and open competition.

(g) As development in the District continues and the city sees continued population increases, it is vital that every neighborhood has access to essential grocery-store services. Restrictive covenants undermine food-services competition and the advent of revitalized communities with large and small retailers, including independent butchers and bakeries.

(h) The circumstances described in this section underscore the need for the Council to act to prohibit such restrictive covenants and prevent the creation of food deserts in the District.

(i) Further, this congressional review emergency legislation is necessary to ensure that there is no gap between when the original emergency legislation expires and when the temporary version of this legislation becomes effective.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Grocery Store Restrictive Covenant Prohibition Congressional Review Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1998 to expand the definition of a qualifying medical condition to allow physicians to determine whether a patient would benefit from medical marijuana treatment and to increase the number of living plants a medical marijuana cultivation center can possess at any time.

Medical Marijuana Expansion Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Expansion Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) In 2010, the Council passed the Legalization of Marijuana for Medical Treatment Initiative of 1998, effective February 25, 2010 (D.C. Law 13-315; D.C. Official Code § 7-1671.01 *et seq.*), in order to "ensure that the cultivation, distribution, possession, and use of medical marijuana is properly regulated."

(b) Four years later, the District's medical marijuana program had only 452 registered patients.

(c) On October 21, 2013, during a Committee on Health public roundtable on the medical marijuana program and how the program can be improved 2 primary suggestions emerged from that discussion: (1) Expanding the list of qualifying conditions; and (2) Allowing cultivation centers to possess more living marijuana plants.

(d) At the time, the current law severely limited the qualifying conditions, leaving many District residents suffering unnecessarily from significant pain, seizures, and numerous other conditions that are alleviated by medical marijuana use.

(e) The limits on the number of plants impeded cultivators' ability to provide medical marijuana to patients in a manner other than smoking.

(f) A joint hearing was held on June 12, 2014, between the Committee on the Judiciary and Public Safety and the Committee on Health. There was only one public witness who spoke in opposition to the legislation and the Executive was supportive.

(g) On July 1, 2014, the Judiciary Committee marked up the combined bills and favorably approved them. On September 17, 2014, the Committee on Health marked up the combined bills and favorably approved them.

(h) In light of the significant time for permanent legislation to work its way through the congressional review period and the wrenching testimony of witnesses on conditions they are experiencing, the Council passed emergency legislation, the Medical Marijuana Expansion Emergency Amendment Act of 2014, effective August 15, 2014 (D.C. Act 20-396; 61 DCR 8255). It expired on October 27, 2014.

(i) On October 28, 2014, the Council passed a congressional review emergency, the Medical Marijuana Expansion Congressional Review Emergency Amendment Act of 2014 (D.C. Act 20-0479; 61 DCR 12129). It expires on February 9, 2015.

(j) Temporary legislation, the Medical Marijuana Expansion Temporary Amendment Act of 2014, enacted on October 8, 2014 (D.C. Act 20-396; 61 DCR 8255), was recently re-transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)). It is projected to become law on February 26, 2015.

(k) A second congressional review emergency is needed to prevent a gap in the law as the Department of Health has already begun accepting patient registrations for an expanded range of medical conditions. The permanent legislation is projected to become law on March 10, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Expansion Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Emergency D.C. Bill 21-45 Tabled, March 3, 2015

H Street, N.E., Retail Priority Area Incentive Congressional Review Emergency Declaration Resolution of 2015

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the H Street, N.E., Retail Priority Area Incentive Act of 2010 to include other neighborhood-serving retail uses.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "H Street, N.E., Retail Priority Area Incentive Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) In October of 2014, the Council enacted Bill 20-963, the H Street, N.E., Retail Priority Area Incentive Emergency Amendment Act of 2014, and Bill 20-964, the H Street, N.E., Retail Priority Area Incentive Temporary Amendment Act of 2014 to amend the H Street, N.E., Retail Priority Area Incentive Act of 2010 to include restaurants whose annual alcohol sales do not exceed 20% as eligible retail development projects, and to clarify that, although eligible retail development projects must have direct frontage on a commercial corridor within the H Street, N.E., Retail Priority Area, they are not limited to having direct frontage on the H Street, N.E., corridor from 3rd Street, N.E., to 15th Street, N.E.

(b) Bill 20-963 (the "emergency legislation") was signed by the Mayor on October 24, 2014 (D.C. Act 20-460; 61 DCR 11377) and expired on January 22, 2015. Bill 20-964 (the "temporary legislation") was signed by the Mayor on November 10, 2014 (D.C. Act 20-475; 61 DCR 12121) and will not become effective until March 7, 2015.

(c) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation is law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the H Street, N.E., Retail Priority Area Incentive Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

New Columbia Statehood Initiative, Omnibus Boards and Commissions, and Election Transition Reform Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "New Columbia Statehood Initiative, Omnibus Boards and Commissions, and Election Transition Reform Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) On January 18, 2014, Chairman Phil Mendelson, at the request of the Mayor, introduced Bill 20-71, the Boards and Commissions Reform Act of 2013. That legislation was referred to the Committee of the Whole, which held a hearing on the bill on June 5, 2014, and approved the bill with amendments on October 7, 2014. That bill had 1st and 2nd readings on October 7, 2014 and October 28, 2014.

(b) On October 28, 2014, the Council enacted Bill 20-986, the New Columbia Statehood Initiative, Omnibus Boards and Commissions, and Election Transition Reform Emergency Amendment Act of 2014 on an emergency basis. Emergency action was warranted because it

was important to implement the reforms set forth in Bill 20-71 without delay, particularly given the need to assist the incoming Mayor-elect and Attorney General-elect with their transitions into office.

(c) The emergency legislation expires on February 16th, and the corresponding permanent legislation (D.C. Act 20- 615) has not yet been transmitted for congressional review. The congressional review emergency is necessary to prevent a gap in the law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the New Columbia Statehood Initiative, Omnibus Boards and Commissions, and Election Transition Reform Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 2. (a) In July 2014, the Council passed the Extension of Time to Dispose of the Strand Theater Emergency Amendment Act of 2014, effective July 29, 2014 (D.C. Act 20-394; 61 DCR 8076) ("emergency legislation"), and in October 2014, the Extension of Time to Dispose of the Strand Theater Temporary Amendment Act of 2014, enacted on October 8, 2014 (D.C. These bills amended An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes to extend the time in which the Mayor may dispose of certain District-owned real property located at 5131 Nannie Helen Burroughs Avenue, N.E., known as the Strand Theater.

(b) The emergency legislation expired on October 27, 2014, and the temporary legislation is not projected to become law until February 26, 2015.

To declare the existence of an emergency with respect to the need to amend the Recreation Act of 1994 to clarify that the Department of Parks and Recreation's implementation of its nutritional requirements is not contingent upon the agency's promulgation of unrelated regulations concerning field and facility permitting.

Department of Parks and Recreation Fee-based Use Permit Authority Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Department of Parks and Recreation Fee-based Use Permit Authority Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) In December 2012, the Council enacted D.C. Law 19-280, the Department of Parks and Recreation Fee-based Use Permit Authority Amendment Act of 2012. This law authorized the Department of Parks and Recreation ("DPR") to issue fee-based use permits and made other changes to the agency's permitting process. Additionally, this law enacted Bill 19-930, the Healthy Parks Act, which established nutritional standards for DPR facilities.

(b) Technical amendments to this law inadvertently made the implementation of the nutritional standards contingent upon the agency's adoption of an unrelated set of new regulations concerning permitting that the agency has not yet issued. During the Fiscal Year 2013 oversight process, the agency cited this language in explaining why it has not implemented its nutritional standards.

(c) This emergency legislation clarifies that the nutritional standards for DPR are not contingent upon an unrelated set of rules concerning permitting.

(d) Further, this emergency legislation is necessary to ensure that there is no gap between when the Department of Parks and Recreation Fee-based Use Permit Authority Clarification Temporary Amendment Act of 2014 expires and when the Department of Parks and Recreation Fee-based Use Permit Authority Clarification Amendment Act of 2014 becomes effective.

To declare the existence of an emergency with respect to the need to amend the Wage Theft Prevention Amendment Act of 2014 to exempt an employer from keeping precise time records for bona fide executive, administrative, and professional, as well as certain other, employees; to require an employer or a temporary staffing firm to provide notice regarding payment to an employee in a second language if the Mayor has made available a translation of the sample notice template in that second language and the employer knows that second language to be the employee's primary language or the employee requests notice in that second language; and to require the Mayor to make available, in any language required for a vital document under the Language Access Act of 2004, a translation of the sample template to be used by an employer or a temporary staffing firm when providing notice to an employee regarding payment; and to amend section 2 of An Act To provide for the payment and collection of wages in the District of Columbia to continue to exempt an employer from paying wages to bona fide executive, administrative, and professional employees at least twice during each calendar month; provided, that the employer pays wages to such employees at least once per month..

Wage Theft Prevention Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On July 14, 2014, the Council unanimously passed the Wage Theft Prevention Amendment Act of 2014to prevent employers' failure to pay earned wages through enforcement by the District and to create a private right of action for injured employees.

(b) The Mayor signed the Wage Theft Prevention Amendment Act of 2014 on September 19, 2014 (D.C. Act 20-246; 61 DCR 10157)("Act"), and it is currently under congressional review with a projected law date of February 26, 2015.

(c) Subsequently, on December 2, 2014, the Council passed clarifying and technical corrections to the Act through an emergency measure, the Wage Theft Prevention Correction and Clarification Emergency Act of 2014.

(d) Since the passage of both bills, the Council has identified several unintended consequences of the bills, including the requirement that all employees, including white-collar, salaried employees, be paid at least twice per month, the requirement that employers keep records of the "precise time worked" each day and each workweek by all employees, including those not compensated on an hourly or other unit-of-time basis, and the requirement that an employer provide notice to an employee regarding payment in an employee's primary language, without providing a limit on the languages in which that notice must be furnished.

(e) It was not the Council's intent to require that white-collar, salaried employees be paid at least twice a month or to require an employer to keep records of the precise time worked

by all employees, including those not compensated on an hourly or other unit-of-time basis. Further, requiring notice to be furnished in any language that might be an employee's primary language will be unnecessarily burdensome and costly.

(f) Because the Wage Theft Prevention Amendment Act of 2014 is projected to become District law on February 26, 2015, approval of emergency legislation is necessary to avoid these unintended effects.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Wage Theft Prevention Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

H Street, N.E., Retail Priority Area Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "H Street, N.E., Retail Priority Area Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to amend, on an emergency basis, the Fiscal Year 2015 Budget Support Act of 2014, enacted on September 23, 2014 (D.C. Act 20-424; 61 DCR 9990), and section 4 of the Retail Incentive Act of 2004, effective September 8, 2004 (D.C. Law 15-185; D.C. Official Code § 2-1217.73), to modify the boundaries of the Bladensburg Road, N.E., Retail Priority Area; to repeal the H Street, N.E., Retail Priority Area Incentive Temporary Amendment Act of 2014, enacted on November 10, 2014 (D.C. Act 20-475; 61 DCR 12121); and to amend section 4 of the H Street, N.E., Retail Priority Area Incentive Act of 2010, effective April 8, 2011 (D.C. Law 18-354; D.C. Official Code § 1-325.173), to clarify that restaurants whose annual alcohol sales exceed 20% are not eligible for retail development project grants and to clarify the location of businesses that are eligible to receive retail development project grants.

(b) The Fiscal Year 2015 Budget Support Act of 2014 and subsequent emergency legislation amended the Bladensburg Road, N.E., Retail Priority Area, and included it as part of the H Street, N.E., Retail Priority Area.

(c) The H Street, N.E., Retail Priority Area Incentive Emergency Amendment Act of 2014, effective October 24, 2014 (D. C. Act 20-0460; 61 DCMR 11377), amended the criteria for eligible retail development projects eligible to receive grants.

(d) There is concern about the clarity and accuracy of the language amending the Bladensburg Road, N.E., Retail Priority Area, including it into the H Street, N.E., Retail Priority Area, and amending the criteria for retail development projects to be eligible to receive grants.

(e) This emergency legislation addresses those immediate concerns with new language to effectuate the intent of the Fiscal Year 2015 Budget Support Act of 2014 and the H Street, N.E., Retail Priority Area Incentive Emergency Amendment Act of 2014.

(f) This emergency legislation also contains conforming provisions that amend the Fiscal Year 2015 Budget Support Act of 2014 and repeal the pending H Street, N.E., Retail Priority Area Incentive Temporary Amendment Act of 2014 to ensure the timely effectiveness of this emergency legislation.

(f) There exists an immediate need to pass this measure clarifying the boundaries of the H Street, N.E., Retail Priority Area and eligible retail development projects so that they are in effect before the conclusion of the current grant cycle, which closes February 23, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the H Street, N.E., Retail Priority Area Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend An Act To provide for the abatement of nuisances in the District of Columbia by the Commissioners of said District, and for other purposes to clarify that the posting requirement in section 5a is satisfied by posting the initial vacant or blight determination.

Nuisance Abatement Notice Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Nuisance Abatement Notice Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) The Nuisance Properties Abatement Reform and Real Property Classification Amendment Act of 2008, effective August, 15, 2008 (D.C. Law 17-216; 55 DCR 7500), created a requirement that all notices specified by the nuisance act be provided by mail and by posting at the subject property. Previously, posting was required only when the registration status of the subject property changed or needed to change.

(b) On October 17, 2014, a judge in the Office of Administrative Hearings dismissed a notice of infraction issued by the Department of Consumer and Regulatory Affairs because, inter alia, the notice failed to satisfy the posting requirement.

(c) Prior to the decision of the Office of Administrative Hearings, the Department of Consumer and Regulatory Affairs had been posting notice at the subject property only when the subject property changed or needed to change.

(d) Without clarifying that the provision should apply only to registration-status changes, the Department of Consumer and Regulatory Affairs would be required to devote considerable resources to posting duplicative notices at a subject property rather than devoting those resources to registering and monitoring other vacant properties. All notices would still be required to be provided by United States mail.

(e) In January, the Council enacted the Nuisance Abatement Notice Emergency Amendment Act of 2014, effective January 13, 2015 (D.C. Act 20-569; 62 DCR 1056) ("emergency legislation"), and the Nuisance Abatement Notice Temporary Amendment Act of 2015, signed by the Mayor on February 5, 2015 (D.C. Act 20-622; 62 DCR 1953) ("temporary legislation"), to address the above-referenced issue.

(f) The emergency legislation expires on April 13, 2015. The temporary legislation must complete the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. (g) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation is in effect.

Apprenticeship Modernization Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Apprenticeship Modernization Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) The District of Columbia is currently recognized by the U.S. Department of Labor as able to operate as a State Apprenticeship Agency pursuant to Title 29 CFR, part 29.13, and has been since 1946.

(b) Beginning in 2008, the U.S. Department of Labor began the process of updating the Federal rules governing apprenticeship programs, labor standards for registration, and amending its regulations.

(c) To conform to the new regulations, for Federal purposes, each State Apprenticeship Agency must update its existing apprenticeship statutes and regulations for continued recognition as an apprenticeship registration agency.

(d) The District of Columbia, through its Office of Apprenticeship, Information and Training within the Department of Employment Services, has worked closely with the U.S. Department of Labor, Office of Apprenticeship, to draft mutually agreeable changes to the District's apprenticeship statutes and regulations.

(e) The U.S. Department of Labor indicated by letter that once the drafted changes are enacted, the District will retain its more than 60 years of recognition as a State Apprenticeship Agency.

(f) In January, the Council enacted the Apprenticeship Modernization Emergency Amendment Act of 2015, effective January 13, 2015 (D.C. Act 20-579; 62 DCR 1258) ("emergency legislation"), and the Apprenticeship Modernization Temporary Amendment Act of 2015, signed by the Mayor on February 5, 2015 (D.C. RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Ticket Sale Regulation Congressional Review Emergency Declaration Resolution of 2015".

(b) In January, the Council enacted the Ticket Sale Regulation Emergency Amendment Act of 2014, effective January 13, 2015 (D.C. Act 20-586; 62 DCR 1292) ("emergency legislation"), and the Ticket Sale Regulation Temporary Amendment Act of 2015, signed by the Mayor on February 5, 2015 (D.C. To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Animal Control Act of 1979 to clarify that animals at educational institutions are permitted for educational and instructional purposes.

Classroom Animal for Educational Purposes Clarification Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Classroom Animal for Educational Purposes Clarification Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) There is an immediate need to amend section 9(h) of the Animal Control Act of 1979, effective October 18, 1979 (D.C. Law 3-30; D.C. Official Code § 8-1808(h)), to make clear that animals at educational institutions are permitted for educational and instructional purposes.

(b) The Department of Health has previously notified schools across the District that they must remove animals – such as geckos, frogs, toads, tadpoles, and other species historically used for instructional purposes but not specifically cited in section 9 of the Animal Control Act of 1979 – or the District will seize and destroy them.

(c) This interpretation has caused concern among educators and school administrators and potentially disrupts the teaching and learning opportunities for students.

(d) This bill will prevent classroom and instructional animals from being removed and ensure that the schools can continue teaching sciences and biology with living creatures that are treated and maintained humanely and safely.

(e) This bill is necessary to prevent a gap in the law as the emergency legislation, the Classroom Animal for Educational Purposes Clarification Second Emergency Amendment Act of 2014, effective January 13, 2015 (D.C. Act 20-0578; 62 DCR 1256), expires on April 13, 2015.

(f) Temporary legislation, the Classroom Animal for Educational Purposes Clarification Second Temporary Amendment Act of 2014, enacted on February 5, 2015 (D.C. Act 20-0625; 62 DCR 2257), was transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(g) The temporary legislation may not become law until after the expiration of the emergency legislation; therefore, a congressional review emergency is needed to prevent a gap in the law.

(c) Change Order No. 003 in the amount of $222,212.33 will increase the aggregate value of Contract No. DCAM-13-AE-0138 and Change Orders Nos. 001 through 003 to Contract No. DCAM-13-AE-0138 to $1,148,102.

(d) Council approval of Contract No. DCAM-13-AE-0138 and Change Orders Nos. 001 through 003 to Contract No. DCAM-13-AE-0138 is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because the total expenditure under Contract No. DCAM-13-AE-0138 and Change Orders Nos. 001 through 003 to Contract No. DCAM-13-AE-0138 will be in an amount in excess of $1,000,000 during a 12-month period.

(e) Approval of Contract No. DCAM-13-AE-0138 and Change Orders Nos. 001 through 003 to Contract No. DCAM-13-AE-0138 in the aggregate amount of $1,148,102 is necessary to

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. DCAM-13-AE-0138 and Change Orders Nos. 001 through 003 to Contract No. DCAM-13-AE-0138 Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Proposed Resolution 21-75

See Emergency D.C. Act 21-30 21 DCStat 867

To declare the existence of an emergency with respect to the need to amend the Vending Regulation Act of 2009 to maintain criminal penalties for a violation of the act or a vending regulation.

Vending Regulations Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Vending Regulations Emergency Declaration Resolution of 2015".

Sec. 2.(a) In 2009, the Council enacted the Vending Regulation Act of 2009, effective October 22, 2009 (D.C. Law 18-71; D.C. Official Code § 37-131.01 *et seq.*), which authorized the Mayor to regulate vending in the District and required any proposed rules to be submitted to the Council for review and approval.

(b) On March 8, 2013, the Vending Business License Regulation Resolution of 2013, deemed disapproved on June 22, 2013 (PR20-125), was introduced in the Office of the Secretary to the Council by Chairman Mendelson at the request of the Mayor. The regulations in PR20-125 were adopted in part by the Council with the enactment of the Vending Regulation Emergency Amendment Act of 2013, effective June 19, 2013 (D.C. Act 20-84; 60 DCR 9534), and the subsequent enactment of the Vending Regulation Second Emergency Amendment Act of 2013, effective June 20, 2013 (D.C. Act 20-90; 60 DCR 9551).

(c) On September 20, 2013, the Office of the City Administrator had final rules published in the District of Columbia Register.

(d) The rules proposed in March 2013 inadvertently removed provisions establishing criminal penalties for violations of the vending regulations.

(e) The Council enacted the Vending Regulations Temporary Amendment Act of 2014, effective August 8, 2014 (D.C. Law 20-131; 61 DCR 9138) ("2014 act"), which reinstated criminal penalties for vending violations until March 21, 2015. No legislation has addressed criminal penalties for vending violations other than the 2014 act.

(f) To permit complete enforcement of vending violations and prevent the disruption of lawful vending operations, it is necessary to adopt emergency legislation to maintain criminal penalty provisions for vending violations beyond the March 21 expiration of the 2014 act.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Vending Regulations Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-71

See Emergency D.C. Act 21-13 21 DCStat 840

To declare the existence of an emergency with the respect to the need to amend the Uniform Per Student Funding Formula for Public Schools and Public Charter Schools Act of 1998 to allow the Chancellor, in consultation with the principal and local school advisory team, to direct at-risk student funds.

At-Risk Funding Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "At-Risk Funding Emergency Declaration Resolution of 2015".

Sec. 2. (a) In 1998, the Council passed the Uniform Per Student Funding Formula for Public Schools and Public Charter Schools Act of 1998 (D.C. Law 12-207; D.C. Official Code § 38-2901 *et seq.*) ("Act"), in order to establish a funding Formula to determine annual payments to the District of Columbia Public Schools and annual payments to Public Charter Schools.

(b) In 2013, the Council amended the Act to establish an at-risk funding supplement to existing base funding, to be disbursed at the school level based on the projected enrollment of at risk students.

(c) The 2013 amendment also directed that at least 90% of the at-risk funds allocated to DCPS school-level budgets be spent at the principal's discretion, in consultation with the school's local school advisory team.

(d) Over the past few years, DCPS has identified several programs, interventions, and initiatives that have proven successful in providing additional supports for students, resulting in gains in student achievement, growth in enrollment, and an increase in student and parent satisfaction.

(e) The current law does not enable the Chancellor to fully ensure that all students across DCPS are continuing to access programs and interventions that work.

(f) Further, the turnaround for principals to make budget decisions after receiving their school budget allocations does not allow sufficient time to fully research, analyze, and vet the effectiveness of programs to implement on their own. DCPS' central office is prepared to help guide principals and school communities through this process.

(g) School budgets for school year 2015-2016 are currently being prepared; therefore, this emergency is needed to allow the Chancellor to have more discretion for the utilization of at-risk funds to ensure that money is directed to initiatives that will have the greatest impact for students and that equity in terms of access to programs is maintained.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the At-

Risk Funding Preservation Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-59

See Emergency D.C. Act 21-26 21 DCStat 860

To declare the existence of an emergency with respect to the need to amend the District of Columbia School Reform Act of 1995 to allow a public charter school to offer priority in enrollment to any students who were previously enrolled in the facility where that charter school will operate in the preceding school year; and to amend section 29-412.20 of the District of Columbia Official Code to grant the Attorney General the authority to dissolve a nonprofit corporation organized for the purpose of operating a public charter school if the charter for the public charter school has been revoked, non-renewed, or relinquished.

Public Charter School Priority Enrollment Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Public Charter School Priority Enrollment Emergency Declaration Resolution of 2015".

Sec. 2. (a) On October 27, 2014, D.C. Superior Court Judge Neal Kravitz, in a civil case filed on behalf of the District of Columbia by the Office of the Attorney General ("OAG"), ruled that Dorothy I. Height Community Academy Public Charter School ("CAPCS") had engaged in a pattern of fiscal mismanagement and violated the District of Columbia School Reform Act of 1995, approved April 26, 1996 (110 Stat. 1321; D.C. Official Code § 38-1800.01 *et seq.*) ("SRA") as a result of the CAPCS Board's breach of its fiduciary duties. Based on this litigation the staff of the Public Charter School Board ("PCSB") informed the PCSB that there was a pattern of fiscal mismanagement because CAPCS paid 2 different entities for the same services over the course of at least 2 years, an unreasonable amount of money was paid to Community Action Partners and Charter School Management LLC ("CAPCSM") pursuant to the management agreement given the services that were performed, and staff founds that CAPCS was in violation of the SRA for breach of its fiduciary duties for permitting these payments to have occurred.

(b) On December 15, 2014, the PCSB voted to initiate charter revocation procedures on CAPCS for fiscal mismanagement; on January 27, 2015 the PCSB held a public hearing at CAPCS Amos 5 campus; on February 12, 2015, the PCSB held a special board meeting to vote on charter revocation for CAPCS and postponed the vote; and on February 19, 2015, in a special meeting the PCSB voted to revoked the charter for CAPCS effective June 30, 2015.

(c) After the vote to revoke the charter of CAPCS was taken, the Deputy Mayor for Education released a joint facilities plan in collaboration with Friendship Public Charter Schools, DC Bilingual Public Charter School, and the Chancellor of the District of Columbia Public Schools to provide continuity of education for students who are currently enrolled at one of CAPCS campuses or in its online program. For this plan to successfully ensure that current CAPCS students who would like to continue in the current facility where they enrolled there

needs to be a temporary safeguard in place to create an enrollment priority for students who wish to enroll in the public charter school operating in the school facility those students attended under the administration of CAPCS.

(d) It is the intent of the Council that this preference in enrollment is only for current CAPCS students who wish to enroll in one of the new operating charters that will take over the current CAPCS buildings in school year 2015-2016. This emergency will allow for their enrollment to be prioritized for the first year of operation under the newly authorized charter.

(e) The mandatory dissolution provision will provide OAG with the power to involuntarily dissolve a nonprofit organization operating a public charter school, including the relinquishment of its current assets, if the school's charter is revoked, not renewed, or voluntarily relinquished. This emergency fix is needed in order to address the possibility of CAPCS refusing to voluntarily dissolve as required by the SRA (D.C. Official Code § 38-1802.13a) after having its charter revoked by PCSB on February 19, 2015. If CAPCS, Inc., is not dissolved, students across the 4 CAPCS campuses would not have priority access to the 2 new Friendship campuses.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Public Charter School Priority Enrollment Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Reproductive Health Non-Discrimination Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On December 17, 2014, the Council passed the Reproductive Health Non-Discrimination Amendment Act of 2014, enacted on January 23, 2015 (D.C. Act 20-593; 62 DCR 1337), to ensure that protection of individuals from discrimination by an employer or employment agency on the basis of sex includes protection from discrimination based an individual's or a dependent's reproductive health decision making.

(b) Emergency legislation is needed to clarify that the prohibition of discrimination on the basis of sex shall not be construed to require an employer to provide insurance coverage related to a reproductive health decision.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Reproductive Health Non-Discrimination Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Health Benefit Exchange Authority Establishment Act of 2011 to provide for the financial sustainability of the Health Benefit Exchange Authority.

Health Benefit Exchange Authority Financial Sustainability Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Health Benefit Exchange Authority Financial Sustainability Emergency Declaration Resolution of 2015".

Sec. 2 (a) Pursuant to section 17(b)(1) of the Health Benefit Exchange Authority Establishment Act of 2011 ("Act"), effective March 2, 2012 (D.C. Law 19-94; D.C. Official Code § 31-3171.16(b)(1)), the Health Benefit Exchange Authority ("Authority") was required to "prepare a plan that identifies how the Authority will be financially self-sustaining by January 1, 2015."

(b) Pursuant to section 17(b)(2) of the Act (D.C. Official Code § 31-3171.16(b)(2)), the Authority submitted its "Report to the Mayor and Council of the District of Columbia on Financial Sustainability" on December 13, 2013.

(c) The Authority considered a wide range of options for achieving financial self-sustainability. It adopted a broad-based assessment of all health insurance carriers in the District to assure the lowest percentage assessment possible for the Authority's future funding.

(d) Section 4(e)(1) of the Act (D.C. Official Code § 31-3171.03(e)(1)) provides that "[t]he Authority is authorized to charge, through rulemaking:

(A) User fees;

(B) Licensing fees; and

(C) Other assessments on health carriers selling qualified dental plans or qualified health plans in the District, including qualified health plans and qualified dental plans sold outside the exchanges."

(e) The bill would amend this section to clearly authorize the Authority to assess all health carriers doing business in the District by utilizing the recommended low percentage, broad-based assessment.

(f) Emergency action is required to allow the Authority to proceed with a broad-based assessment of all health carriers doing business in the District to ensure its financial sustainability.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Health

Benefit Exchange Financial Sustainability Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-88

See Emergency D.C. Act 21-34 21 DCStat 873

To declare the existence of an emergency with respect to the need to amend the Testing Integrity Act of 2013 to allow for the use of computers and cell phones during the administration of computer-based Districtwide assessments as outlined in guidance issued by the Office of the State Superintendent of Education, and to clarify that the phrase "the Mayor" includes his or her designated representative.

Testing Integrity Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Testing Integrity Emergency Declaration Resolution of 2015".

Sec. 2. (a) During School Year ("SY") 2014-2015, the District of Columbia Public Schools ("DCPS") and the District's Public Charter Schools are implementing next generation assessments, moving from the D.C. Comprehensive Assessment System ("DC CAS") to the Partnership for Assessment of Readiness for College and Careers ("PARCC") for English/Language Arts, Composition, and Math, from the DC CAS Science to the Next Generation Science Standards ("NGSS") Assessment, and from the DC CAS Alt to the National Center and State Collaborative ("NCSC").

(b) While the DC CAS was administered on paper, the vast majority of students will take the next generation assessments on the computer this school year. Specifically, over 90% of the students taking the PARCC assessment will be doing so through computer-based testing, with all students taking PARCC and the other next generation assessments on the computer by SY 2017-2018.

(c) PARCC is composed of 2 components – a performance based assessment ("PBA") and an end of year ("EOY") assessment. The PBA is designed to be taken approximately 75% through the academic year, and the EOY is designed to be taken approximately 90% through the academic year.

(d) During SY 2014-2015, the testing window for the PBA portion of PARCC begins on March 2, 2015, with 7 local education agencies beginning to test on that day. DCPS will begin to test on March 7, 2015, and most District students will complete the PBA portion of the PARCC between March 23and April 3, 2015.

(e) The Testing Integrity Act of 2013, effective October 17, 2013 (D.C. Law 20-27; D.C. Official Code § 38-771.01 *et seq.*), prohibits individuals with access to Districtwide assessment materials or who are directly involved in the administration of a Districtwide assessment from using cell phones, unapproved electronics, or computer devices during the administration of a Districtwide assessment. Such prohibition effectively prevents the use of computer-based testing in the District.

(f) Additionally the Testing Integrity Act of 2013 prevents the use of cell phones during the administration of a Districtwide assessment. Since many of the computer labs and classrooms being utilized during the administration of PARCC and the other next generation assessments do not have landlines in the room, test administrators, test monitors, or school technology coordinators who may need to contact technology support during the administration of the test will not be able to do so.

(g) Under current law, if technological challenges are encountered during the administration of a computer-based test, and no landlines are present in the classroom in which the test is being administered, an individual would not be able to seek technological support without numerous delays that would prevent the efficient, effective, and timely administration of the assessment.

(h) Thus, it is imperative that the law be amended to allow for computer-based testing and for cell phone use during the testing environment, within a strict set of guidelines issued by the Office of the State Superintendent of Education. Given the fact that PARCC administration begins this week, an emergency exists and requires the amendment of D.C. Law 20-27.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Testing Integrity Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

***See* Emergency D.C. Act 21-35 21 DCStat 874**

To declare the existence of an emergency with respect to the need to amend the State Education Office Establishment Act of 2000 to exempt individual educator evaluation data from public disclosure; and to amend the District of Columbia Administrative Procedure Act to exempt the educator evaluation data from public disclosure.

Educator Evaluation Data Protection Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Educator Evaluation Data Protection Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to enact emergency legislation to amend the State Education Office Establishment Act of 2000, effective October 21, 2000 (D.C. Law 13-176; D.C. Official Code § 38-2601 *et seq.*), to exempt individual educator evaluation data from public disclosure.

(b) The Educator Evaluation Data Collection Temporary Amendment Act of 2014, effective August 8, 2014 (D.C. Law 20-132; 61 DCR 6338) ("Temporary Act"), which amended the State Education Office Establishment Act of 2000 to protect individual educator evaluation data from public disclosure, expires on March 21, 2015.

(c) Under current law, information of a personal nature of District of Columbia Public Schools ("DCPS") educators, including personnel files which consist of individual educator evaluation data, are protected from public disclosure. However, such protection is not offered to teachers in the public charter schools since they are not employees of the District of Columbia government. This lack of protection for public charter school educators creates an inequity across sectors and prevents the sharing of information about the District's public charter school teachers.

(d) If the Temporary Act expires without new protections in place, public charter school educator evaluation data will be subject to public disclosure beginning March 22, 2015. Thus, it is imperative that the law be amended to continue to protect the record of an educator's performance and evaluation, regardless of whether the educator teaches at DCPS or a public charter school.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Educator Evaluation Data Protection Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to approve the exercise of the second option year of Task Order No. CW15546 with AT&T Mobility National Accounts LLC to supply the District with wireless telecommunications products and services and other wireless telecommunication solutions related to enterprise communications and information technology, and to authorize payment for the services received and to be received under the task order.

Task Order No. CW15546 Option Year Two Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Task Order No. CW15546 Option Year Two Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve the exercise of the second option year of Task Order No. CW15546 with AT&T Mobility National Accounts LLC to supply the District with wireless telecommunications products and services and other wireless telecommunication solutions related to enterprise communications and information technology, and to authorize payment for the services received and to be received under the task order.

(b) On August 1, 2012, the District signed a participating addendum to the Western States Contracting Alliance cooperative purchasing agreement between the State of Nevada and AT&T Mobility National Accounts LLC.

(c) On September 25, 2012, pursuant to the cooperative purchasing agreement, the District issued Task Order No. CW15546 ("Task Order"), to AT&T Mobility National Accounts LLC. The initial term of the Task Order was for the period from October 1, 2012, through September 30, 2013, for payment in the not-to-exceed amount of $2,000,000.

(d) Thereafter the District issued Modification No. 1 to the Task Order, exercising option year one effective October 1, 2013 and continuing performance for the period from October 1, 2013, through September 30, 2014, for payment in the not-to-exceed amount of $2,000,000.

(e) On September 19, 2014, the District issued Modification No. 2 to the Task Order, partially exercising option year 2 and continuing performance for the period from October 1, 2014, through November 30, 2014, for payment in the not-to-exceed amount of $333,333.34.

(f) On November 12, 2014, the District issued Modification No. 3 to the Task Order, partially exercising option year 2 and continuing performance for the period from December 1, 2014, through December 30, 2014, for payment in the not-to-exceed amount of $161,111.11.

(g) On December 30, 2014, the District issued Modification No. 4 to the Task Order, partially exercising option year 2 and continuing performance for the period from December 31, 2014 through January 31, 2015, for payment in the not-to-exceed amount of $165,555.55.

(h) Modification No. 5 to the Task Order would continue performance for the remainder of option year 2 from February 1, 2015 through September 30, 2015, for payment in the aggregate not-to-exceed amount of $2,000,000.

(i) Council approval of the exercise of the second option year of Task Order No. CW15546 is necessary pursuant to section 451(b)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code §1-204.51(b)(1)), because exercising the option year for payment in the aggregate not-to-exceed amount of $2,000,000 would increase the contract value to more than $1,000,000 during a 12-month period.

(j) Approval of the exercise of the second option year of Task Order No. CW15546 is necessary to allow the continuation of these vital services. Without this approval, AT&T Mobility National Accounts LLC cannot be paid for services provided in excess of $1,000,000 during option year 2.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Task Order No. CW15546 Option Year Two Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

***See* Emergency D.C. Act 21-19 21 DCStat 852**

To declare the existence of an emergency with respect to the need to amend the Marijuana Possession Decriminalization Amendment Act of 2014 to clarify that, for the purposes of the act, a private club is a place to which the public is invited, but does not include a private residence, and that the prohibition on consumption of marijuana in public is not limited by the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014; and to amend Chapter 28 of Title 47 of the District of Columbia Official Code to require the Mayor to revoke any certificate of occupancy or permit held by an entity that knowingly permits a violation of section 301(a) of the Marijuana Possession Decriminalization Amendment Act of 2014 to occur at the specific address or unit identified in the certificate of occupancy or permit.

Marijuana Possession Decriminalization Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Marijuana Possession Decriminalization Clarification Emergency Declaration Resolution of 2015".

Sec. 2.(a) On March 4, 2014, the Council of the District of Columbia enacted the Marijuana Possession Decriminalization Amendment Act of 2014, effective July 17, 2014 (D.C. Law 20-126; D.C. Official Code § 48-911.01).

(b) Although the Marijuana Possession Decriminalization Amendment Act of 2014 decriminalizes possession or transfer of one or fewer ounces of marijuana, it also makes plain that consumption of marijuana in a public space, which includes any place to which the public is invited, remains subject to criminal penalties.

(c) On November 4, 2014, District of Columbia voters approved the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014, effective February 26, 2015 (D.C. Law 20-153; D.C. Official Code § 48-904 *et seq.*), which legalizes the possession and use of 2 or fewer ounces of marijuana under certain circumstances.

(d) When applied together, the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014 and the Marijuana Possession Decriminalization Amendment Act of 2014 continue to prohibit consumption of marijuana in a public space, including any place to which the public is invited. The measures do not further define a place to which the public is invited. Consequently, it is unclear whether a private club is a place to which the public is invited.

(e) In order to address whether marijuana consumption is permitted in a private club, it is necessary to amend the Marijuana Possession Decriminalization Amendment Act of 2014 to clarify that, for the purposes of the act, a private club is a place to which the public is invited, but does not include a private residence, and that the prohibition on consumption of marijuana in public is not limited by the Legalization of Possession of Minimal Amounts of Marijuana for Personal Use Initiative of 2014.

(f) It is also necessary to amend Chapter 28 of Title 47 of the District of Columbia Official Code to require the Mayor to revoke any license, certificate of occupancy or permit held by an entity that knowingly permits a violation of section 301(a) of the Marijuana Possession Decriminalization Amendment Act of 2014 to occur at the specific address or unit identified in the license, certificate of occupancy, or permit.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Marijuana Possession Decriminalization Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

Chancellor of the District of Columbia Public Schools Salary Adjustment Emergency Declaration Resolution of 2015

To declare the existence of an emergency with respect to the need to approve the salary adjustment for the Chancellor of the District of Columbia Public Schools.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Chancellor of the District of Columbia Public Schools Salary Adjustment Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve a salary adjustment for the Chancellor of the District of Columbia Public Schools, pursuant to section 1052 of the District of Columbia Government Comprehensive Merit Personnel Act of 1978, effective June 10, 1998 (D.C. Law 12-124; D.C. Official Code § 1-610.52).

(b) The legislation would approve an annual salary for the Chancellor of the District of Columbia Public Schools ("DCPS") of $284,000, based on the Chancellor's steady leadership and continued progress of DCPS.

(c) Kaya Henderson was appointed Interim Chancellor of the District of Columbia Public Schools on November 1, 2010, following the resignation of Michelle Rhee. On March 11, 2011, she was nominated to serve as Chancellor of the District of Columbia Public Schools. Chancellor Henderson was unanimously confirmed by the Council on June 21, 2011, and has served as Chancellor continuously since that time.

(d) Over the past 4 years under Chancellor Henderson's leadership, DCPS has realized dramatic improvements towards the goals of increasing District-wide math and reading proficiency, improving the proficiency rates of the DCPS' 40 lowest performing schools, increasing high school graduation rates, increasing student satisfaction, and increasing overall DCPS enrollment.

(e) DCPS has increased audited enrollment to the highest level in over 5 years, with 3 consecutive years of growth. In 2014, DCPS students reached their highest proficiency rates ever in reading and math. Graduation rates have been growing steadily each year with a goal of 75% in 2017. In-seat attendance has increased to 89% and truancy has been reduced by 18%. Since 2011, the results of the National Assessment of Education Progress show District students improved in math and reading and demonstrated the greatest growth of any state in the nation.

(f) Based on the dramatic improvements achieved under the steady leadership of the Chancellor over the last 4 years and the commitment to continuing the progress of DCPS, the Mayor has signed a new contract and made an adjustment to the Chancellor's present salary. This emergency is necessary to reflect the salary adjustment as approved by the Mayor on January 2, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Chancellor of the District of Columbia Public Schools Salary Adjustment Emergency Amendment Act of 2015 be approved after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to approve an agreement to enter into a long-term subsidy contract for a multiyear term of 15 years in support of the District's Local Rent Supplement Program to fund housing costs associated with affordable housing units for Contract No. 2014-LRSP-01A with Girard Street Community Partners, LLC, for affordable housing units at the Girard Street Senior Apartments located at 1545 Girard Street, N.E., and to authorize payment for housing services to be received under the contract.

Local Rent Supplement Program Contract No. 2014-LRSP-01A Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2014-LRSP-01A Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) In 2007, the District passed title II of the Fiscal Year 2007 Budget Support Act of 2006 ("BSA") to provide funding for affordable housing for extremely-low-income households in the District. The passage of the BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely-low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or individuals with disabilities, through project-based, tenant-based and sponsor-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP on behalf of the District.

(b) In April 2014, DCHA participated in a Request for Proposals issued by the Department of Housing and Community Development ("DHCD"). Of the total proposals received, 11 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely-low-income families earning between 0% and 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout the District. Upon approval by the Council, DCHA will enter into an Agreement to Enter into a Long Term Contract ("ALTSC") with the selected housing providers under the LRSP for housing services.

(c) There exists an immediate need to approve a certain ALTSC with Girard Street Community Partners, LLC, under the LRSP in order to provide long-term affordable housing units for extremely- low-income households for units at the Girard Street Senior Apartments located at 1545 Girard Street, N.E.

(d) The emergency legislation to approve the contract will authorize an ALTSC between the DCHA and Girard Street Community Partners, LLC, with respect to the payment of rental subsidies, and allow the owner to lease the rehabilitated units at the Girard Street Senior Apartments and house extremely-low-income households.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Local Rent Supplement Program Contract No. 2014-LRSP-01A Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

(i) Within 10 business days after the seizure, if the property is not subject to an evidentiary hold;

(iii) Within 5 business days after receiving written notice from the prosecutorial authority that the property will not be needed as evidence in a criminal case if the property was subject to an evidentiary hold for a case that was charged by the prosecutorial authority after an arrest.

(2)(A) The written notice shall identify the property seized and the property identification number.

(B) For each item seized, the notice shall also include:

Sec. 105. Contesting forfeiture. **New § 41-305**

(a) An owner may contest the seizure and forfeiture of the property by filing a claim with the District stating his or her interest in the property and intent to contest forfeiture. When filing a claim, the owner may also request interim release of the property or a portion of the property.

The owner may request interim release of the property or of a portion of the property at any time before the District files a libel of information under section 107.

Neither a notarized statement nor additional documentary proof shall be required to make a claim. The owner filing the form provided pursuant to section 104(a)(2)(D), when signed by the owner under penalty of perjury, shall suffice to make a claim of interest and intent under this section.

(c)(1) If the District has on file a return receipt or a sworn document by the District indicating that the owner has received notice as required by section 104 and the owner has not filed a claim under section 104 within 90 days after the receipt of the notice, the District does not need to file a libel of information as required by section 107, but shall determine pursuant to this title whether the property is forfeitable and determine whether the forfeiture is proportional to the seriousness of the violation of District law that gave rise to the forfeiture.

(2) If the District determines that the property is forfeitable, the District shall declare the property forfeited and shall dispose of the property in accordance with section 110.

(3) If the District determines that the seized property, or a portion of the seized property, is not forfeitable, the District shall return the property, or, if applicable, the portion of the property, to its owner as soon as practicable.

(d)(1) If the District does not have on file a return receipt or a sworn document by the District indicating that the owner has received notice as required by section 104 within 180 days after the seizure if the property was not subject to an evidentiary hold or within 180 days after receiving written notice from the prosecutorial authority that the property will not be needed as evidence in a criminal case if the property was subject to an evidentiary hold, the District shall not pursue forfeiture.

(2) If the District is precluded from pursuing forfeiture pursuant to this subsection, the custody of the property, notification, and release to the owner or disposition by the District of the seized property shall be pursuant to sections 408 through 424a of the Revised Statutes of the United States Relating To The District of Columbia (D.C. Official Code §§ 5-119.01 – 5-119.10 and 5-119.12 – 5-119.19), and section 5 of An Act To amend provisions of law relating to personal property coming into the custody of the property clerk, Metropolitan Police Department, and for other purposes, approved September 25, 1962 (76 Stat. 591; D.C. (c)(1) Except as prohibited by subsection (a) of this section, upon an owner's request for interim release of the property, the District shall release the property to the owner without conditions pending the final outcome of a forfeiture proceeding or, if the District alleges compliance with the notice provisions of section 104(a), the District shall file a request for a hearing in accordance with paragraph (3) of this subsection seeking to retain possession of the property or to place conditions on the release of the property pending the final outcome of any forfeiture proceeding.

(2) Nothing in this subsection shall require the District to release a seized vehicle to its owner if the owner cannot demonstrate that the vehicle will be removed from the place at which it was stored by the District in a way that complies with District of Columbia law.

(3)(A) If the District intends to seek to retain possession of the property or to place conditions on the release of the property pending the final outcome of any forfeiture proceedings, the District shall file a request for a hearing with the Court within 5 business days after its receipt of the owner's request for interim release or within 5 business days after receiving written notice from the prosecutorial authority that the property will not be needed as evidence in a criminal case, whichever is later. The District shall not file a request for a hearing while property is being retained as evidence in a criminal case.

(B) A hearing with the Court shall be held as soon as practicable but no later than:

(i) If the seized property includes currency, 5 business days after the District requests an interim release hearing if the owner attests that the seized funds are necessary to either assist the owner in securing counsel of choice in a pending criminal matter related to the seizure or to meet the basic necessities of life, including the purchase of food, payment of utilities, provision of shelter, transportation costs, support of the owner's family, or operation of a lawful business;

(ii) If the seized property includes a motor vehicle, 5 business days after the District requests an interim release hearing; or

(iii) For all other property, 10 business days after the District requests an interim release hearing.

(C) Either party may request a continuance of the hearing of up to 5 business days.

(d)(1) A hearing requested pursuant to subsection (c) of this section need not be held if, before the hearing, the District reaches a written agreement with the owner as to conditions for interim release of the seized property. The District may not request any conditions for interim release if the District failed to provide notice as required by section 104(a)(1)(D), unless the District has demonstrated good cause under section 104(b)(1).

(2) Permissible interim release conditions are limited to the following:

(A) An agreement by the owner to prohibit certain individuals from using seized property;

(B) An agreement by the owner to prohibit the use of the seized property to facilitate illegal conduct;

(C) An agreement by the owner that he or she will not intentionally destroy, substantially damage, dispose of, or transfer title to the property;

(D) An agreement by the owner that he or she will deliver to the District the property subject to forfeiture if and when it is ultimately deemed forfeitable;

(E) If the owner is not indigent, the payment of a bond not to exceed 2.5% of the fair market value of the property, which for a vehicle shall be the bluebook value; and

(F) In the case of a vehicle:

(i) A requirement that the owner present proof of ownership, which the owner may prove by the presentation of the title to the vehicle; and

(ii) An agreement by the owner to maintain valid registration and insurance; or

(G) In the case of currency, an assignment of an interest in other property to the District to secure the fair market value of the property subject to forfeiture proceedings.

(3) If, before the hearing pursuant to subsection (c) of this section, the District reaches an agreement with the owner under subsection (d) of this section, the District shall immediately notify the Court that it withdraws its request for a hearing.

(e)(1) At the hearing, the Court shall determine if the District complied with the notice requirements of section 104 or had good cause particular to the circumstances of the case for failure to comply with section 104.

(2) If the Court concludes that the District did not comply with section 104, it shall deny the District's motion to retain the property and shall order the property released to the owner without conditions pending the final outcome of any forfeiture proceedings.

(f)(1)(A) At the hearing, the burden shall be on the District to establish that the seized property is subject to forfeiture under section 102.

(B) If the property is real property, a motor vehicle, or currency totaling $1000 or less, the District must establish the property is subject to forfeiture by a preponderance of the evidence.

(C) For all other property, the District must establish the property is subject to forfeiture by probable cause.

(2) If the Court concludes that the District has failed to meet its burden under paragraph (1) of this subsection, it shall deny the District's motion to retain the seized property and order the property shall be released to the owner without conditions pending the conclusion of any forfeiture proceedings.

(3)(A) If the Court concludes that the District has met its burden under paragraph (1) of this subsection, the Court shall consider whether there is any condition or combination of conditions, other than retention of seized property, that will reasonably protect the interests of the

District pending the conclusion of the forfeiture proceeding and whether those interests outweigh any countervailing interests of the owner.

(B) If the Court concludes that no condition or combination of conditions will reasonably protect the interests of the District pending the conclusion of the forfeiture proceedings and that those interests outweigh countervailing interests of the owner, the Court shall grant the District's motion to retain the property pending the conclusion of any forfeiture proceedings.

(C) If the Court concludes that a condition or combination of conditions will reasonably protect the interests of the District pending the conclusion of the forfeiture proceeding and that those interests do not outweigh the countervailing interests of the owner, the Court shall deny the District's motion and order the property released to the owner with any condition or combination of conditions necessary to protect the interests of the District pending the conclusion of the forfeiture proceeding, including:

(i) Any condition permitted by subsection (d) of this section; and

(ii) In the case of property other than real property and if the owner is not indigent, the payment of a bond not to exceed 5% of the fair market value of the property, which for a vehicle shall be the bluebook value.

(g)(1) If the owner establishes that there is probable cause that the seized currency is necessary to assist the owner in securing counsel in a pending criminal matter related to the seizure or to meet the basic necessities of life, including the purchase of food, payment of utilities, provision of shelter, transportation costs, support of the owner's family, or operation of a lawful business, the portion of the currency necessary for demonstrated needs shall be returned.

(2) If the District retains possession of the currency or any portion of the currency pending disposition of the forfeiture case, the currency shall continue to be treated in accordance with D.C. Official Code § 23-532.

(h) If the Court orders interim release of seized property with conditions, the order shall specify the official to whom the owner must submit documentation to prove compliance with the conditions.

(i) The District shall refund to the owner the bond the owner paid as a condition of interim release of property pursuant to subsection (d)(2)(E) or subsection (f)(3)(C)(ii) of this section when:

(1) The property has been determined by the Court not to be forfeitable;

(2) The District has decided not to pursue forfeiture; or

(3) If the property is declared forfeited, the owner surrenders the property to the District.

(j) The Court shall issue an order at the conclusion of the hearing or as soon thereafter as practicable unless the parties consent to the delay.

(k)(1) An order granting or denying the District's motion to retain the seized property is a final order for purposes of appeal.

(2) Upon motion of an appealing party, the Court may stay the effect of an order directing release of property pending appeal if the Court finds that:

(A) A substantial question is raised by the appeal;

(B) Irreparable harm is likely to occur to the moving party if the stay is not granted; and

(C) The hardship to the opposing party is outweighed by the threat of irreparable harm to the moving party.

(l)(1) If the District alleges that the owner has violated a condition of interim release, the District shall file a motion with the Court requesting a hearing for the owner to show cause why interim custody should not be revoked pending final forfeiture proceedings. If the condition the owner is alleged to have violated was imposed by agreement pursuant to subsection (d) of this section, the District shall file the motion in court at the time it files the libel of information pursuant to section 107.

(2) At the hearing, if the Court determines the owner violated a condition of interim release:

(A) The owner shall lose custody of the property pending final forfeiture proceedings; and

(B) Where the violation diminishes the value of the property, the owner shall be personally liable for diminished value if the property is ultimately deemed forfeitable; provided, that if the violation makes the property unavailable or entirely without value, the measure of the owner's liability shall be the fair market value of the property.

(m) Nothing in this section shall preclude the owner from seeking any other relief provided by law or regulation.

Sec. 107. Libel of information. **New § 41-307**

(a) If the owner of a seized property makes a claim contesting the seizure pursuant to section 105, the District shall return the property to the owner or file a libel of information seeking forfeiture of the property in Court.

(b)(1) If the owner is not in possession of all of the seized property, the District shall file a libel of information not later than 60 days after the owner has made a claim pursuant to section 105.

(2) If the owner is in possession of all of the seized property, the District shall file a libel of information not later than 90 days after the owner has made a claim pursuant to section 105.

(3) The Court may grant an extension of the time limits set forth in paragraphs (1) and (2) of this subsection upon a showing of good cause particular to the circumstances of the case or upon agreement by the parties.

(c) The District shall include in the libel of information a declaration, and any supporting documentation, to establish that the libel of information has been filed in accordance with the requirements of subsection (b) of this section.

(d) A libel of information seeking forfeiture is barred if it is not filed in accordance with the timing requirements set forth in subsection (b) of this section.

(e) If the property the District seeks to forfeit is real property, the District shall file a notice of the proceeding with the Recorder of Deeds within 10 business days after the libel of information is filed. The notice shall include the legal description of the property and indicate that civil forfeiture is being sought. The Recorder of Deeds shall record the notice against the title of any real property for which civil forfeiture is being sought. Upon resolution of the forfeiture proceeding, the District shall file with the Recorder of Deeds the disposition of the civil forfeiture action within 10 business days after the disposition.

Sec. 108. Forfeiture proceeding. **New § 41-308**

(a) An in rem civil forfeiture matter may be brought by the District against specific property, personal or real, by the filing of a civil libel of information in accordance with section 107.

(b) A party to a forfeiture action has a right to trial by jury.

(c) If the trial has not commenced within 60 days after the filing of the libel of information, the owner may move the court for interim release of the property or of a portion of the property pending the final outcome of the forfeiture proceeding. The court shall schedule a hearing on the request as soon as practicable. The court shall conduct the hearing in accordance with section 106.

(d)(1)(A) The burden of proof shall be on the District to establish that the property is subject to forfeiture under section 102.

(B) The District shall establish that the property is subject to forfeiture by a preponderance of the evidence, except if the property is a motor vehicle or real property, the District shall establish that the property is subject to forfeiture by clear and convincing evidence.

(C) There shall be a rebuttable presumption that currency totaling $1000 or less was not used or intended to be used in furtherance of a forfeitable offense, are not the proceeds of a forfeitable offense, and therefore are not subject to forfeiture under section 102. The government may rebut this presumption with clear and convincing evidence.

(2) A forfeiture of property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party:

(A) Did not have actual knowledge of the offense giving rise to the forfeiture;

(B) Did not consent to the commission of that offense; and

(C) Was not willfully blind to the commission of that offense.

(3) When determining whether an owner was willfully blind to acts or omissions that subjected the property to forfeiture:

(A) A showing of negligence or mistake is insufficient to support a finding that the owner was willfully blind; and

(B) A person’s past criminal behavior shall not form the sole basis for an inference that the owner was willfully blind.

(4) If the property is the primary residence of the owner, in order for the property

to be subject to forfeiture, the District must establish that an owner of the property was convicted of the crime giving rise to the forfeiture.

(e)(1) At any time after the filing of the libel of information, the Court, sua sponte or on motion of the owner, may determine whether the forfeiture is disproportional to the offense giving rise to the forfeiture.

(2) In determining whether the forfeiture is disproportional to the offense, the Court may not consider the value to the District of the property, but shall consider all relevant factors, including:

(A) The gravity of the forfeitable offense, including:

(i) The nature and duration of the forfeitable offense;

(ii) Any direct harm caused to other people as a result of the forfeitable offense;

(B) The fair market value of the property;

(C) The importance of the property to the owner, including the role of the property in the life of the owner or non-culpable members of the owner's family;

(D) The degree to which the forfeitable property was integral to the performance of the forfeitable offense;

(E) Whether the primary use of the property was to commit or attempt to commit a forfeitable offense;

(F) The likelihood that the forfeitable property will be used again to commit similar illegal activity and the availability of other means for the District to address the illegality;

(G) The extent to which the owner of the forfeitable property participated in the forfeitable offense;

(H) The hardship caused by the forfeiture on the owner of the forfeitable property; and

(I) Any other criminal or civil penalties imposed on the owner of the forfeitable property for the same conduct.

(3) If the Court determines the forfeiture is disproportional to the offense giving rise to the forfeiture, the Court shall dismiss the libel of information. In the case of seized currency, the Court may dismiss the libel of information in total or as to the amount it determines to be disproportionate to the offense.

(f)(1) It shall be an affirmative defense to a forfeiture action that:

(A) The owner took reasonable action under the circumstances to prevent or stop the commission of the offense or the involvement of the property in the offense; or

(B) The owner did not take action to prevent or stop the commission of the offense or the property's involvement in the offense because the owner reasonably believed to have done so would have placed the owner or a third party in physical danger.

(2) The owner must establish an affirmative defense in paragraph (1) of this subsection by a preponderance of the evidence.

(g)(1) If the owner acquired his or her interest in the property after the commission of the forfeitable offense and the new owner did not know or had no reason to know of the property's forfeitability, there shall be a rebuttable presumption that the property is not subject to forfeiture.

(2) The government may rebut the presumption in paragraph (1) of this subsection with clear and convincing evidence that the property was proceeds of the forfeitable offense and that the current owner did not provide fair consideration in exchange for his interest in the property.

(h) If the District withdraws a forfeiture action or if the Court finds that property is not subject to forfeiture or otherwise issues a dispositive ruling that results in the termination of the action without an order of forfeiture, all claims of custody or title to the property by the District shall be relinquished. The Court, unless the parties agree otherwise, shall:

(1) Order the property returned to the owner or released from any conditions immediately or, if not immediately feasible, as soon as practicable;

(2) If the District disposed of the property pursuant to section 103(e)(1), determine the fair market value of the property at the time it was seized and award to the owner that value; provided, that if the property was disposed of by sale and the amount for which that property was sold is greater than the determined fair market value, the greater amount shall be awarded to the owner; or

(3) If the court enters a partial order of forfeiture, make any other rulings consistent with this subsection in the interests of justice.

(i) Evidence that was obtained as a result of a violation of the Fourth or Fifth Amendment of the Constitution shall not be admissible.

Sec. 109. Return of property. **New § 41-309**

(a) Property that is returnable under this title shall be returned to the owner.

(b) The owner shall acknowledge receipt and possession of each item of returnable property by reference to the specific property identification number assigned to the item pursuant to section 103(b)(1)(C). No receipt of acknowledgement shall be valid until the owner has viewed the item and confirmed that it is the item seized and returnable and that any returnable items contained within the item are also present and being returned.

(c)(1) No later than 6 months after the property is returned to the owner, the owner of returned property may make a claim against the District for:

(A) Total loss of property caused by the intentional or negligent conduct of the District or its employees;

(B) Any damage caused by the intentional or grossly negligent conduct of the District or its employees; provided, that wear and tear, decay, corrosion, act or omission of a third party other than employee of the District, or act of God shall not be subject to this subparagraph; or

(C) In the case of property disposed of pursuant to section 103(e)(1), the difference between the sale proceeds or compensation for disposal and the fair market value of the property at the time of seizure.

(2) For the purposes of paragraph (1)(B) of this subsection, the term "grossly negligent" shall have the same meaning as the term "gross negligence" as defined in section 5 of An Act To amend provisions of law relating to personal property coming into the custody of the property clerk, Metropolitan Police Department, and for other purposes, approved September 25, 1962 (76 Stat. 591; D.C. Official Code § 5-119.11).

(3) For the purposes of D.C. Official Code § 12-309, damages are sustained on the date the property is returned to the owner.

Note, § 16-1311

Sec. 2. Findings.

The Council finds that:

(1) The District of Columbia Water and Sewer Authority ("DC Water") currently operates a site south of N Place, S.E., north of the Anacostia River and between 1st and Canal Streets, S.E. ("DC Water Site").

(2) Pursuant to the Anacostia Waterfront Framework Plan, the District of Columbia plans to dispose of and develop a portion of the DC Water Site so as to leverage other large-scale District investments in the Capitol Riverfront/Near Southeast neighborhood, such as the South Capitol Street Bridge project and Nationals Park thereby serving to accelerate and promote economic vitality as well as enhance economic development in the District of Columbia.

(3) For the planned disposition and development to proceed, it is necessary for DC Water to relocate the functions currently at the DC Water Site.

(4) The District of Columbia and DC Water have entered into a Memorandum of Understanding for DC Water to relocate a portion of the uses from the DC Water Site to a site in Prince Georges County, Maryland.

(5) The District desires to relocate the current DC Water Site uses not being relocated to the Prince Georges County site, including customer care and sewer service operations, to Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site").

(6) The W Street Site is currently occupied by a private trash transfer station.

(7) The trash transfer station is a blighting factor in Brentwood and its surrounding communities.

(8) Residents of Brentwood and the surrounding communities have concerns regarding the noxious fumes that emanate from the trash transfer station and pervasive vermin

and have complained that there is an increased incidence of health concerns.

(9) The W Street Site trash transfer station continues to operate as an open air trash transfer station which allows its pungent odors to reach much farther than they would if the facility were closed.

(10) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

(11) The W Street Site will provide an opportunity to construct and establish an updated customer care and sewer service operation for DC Water that is more centrally located within the District of Columbia.

(12) The relocation of DC Water to the W Street Site shall not be considered as a permanent solution to the future use of the site. The permanent future use of the W. Street Site should include sustainable economic development and be made in consultation with the surrounding community.

Sec. 3. Exercise of eminent domain.

The Mayor may exercise eminent domain in accordance with the procedures set forth in subchapter II of Chapter 13 of Title 16 of the District of Columbia Official Code to acquire Lots 36, 41 and 802 in Square 3942 and Parcels 0143/107 and 0143/110 for the purposes set forth in section 2.

Sec. 4. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Budget Director as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 5. Effective date.

(a) This act shall take effect following approval by the Mayor (or in the event of veto by the Mayor, action by the Council to override the veto), a 30-day period of congressional review as provided in section 602(c)(1) of the District of Columbia Home Rule Act, approved December

24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)), and publication in the District of Columbia Register.

(b) This act shall expire after 225 days of its having taken effect.

Codification District of Columbia Official Code 2001 Edition

To amend, on an emergency basis, the Rental Housing Conversion and Sale Act of 1980, to clarify that a bona fide offer of sale for a housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party contract, shall be based on current, applicable, matter-of-right zoning regulations or laws, or by an existing right to convert to another use, that the offer may take into consideration the highest and best use of the property, and to establish the right of a tenant organization to a determination of the appraised value of a housing accommodation under certain circumstances.

TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015".

Sec. 2. The Rental Housing Conversion and Sale Act of 1980, effective September 10, 1980 (D.C. Law 3-86; D.C. Official Code § 42-3401.01), is amended as follows:

(a) Section 103 (D.C. Official Code § 42-3401.03) is amended as follows:

Note, § 42-3401.03

(1) New paragraphs (1A) and (1B) are added to read as follows:

"(1A) Beginning January 1, 2014, "appraised value" means the value of a housing accommodation as of the date of the appraisal, based on an objective, independent property valuation, performed according to professional appraisal industry standards.

"(1B) Beginning January 1, 2014, "bona fide offer of sale" means an offer of sale for a housing accommodation or the interest in the housing accommodation, that is either:

"(A) For a price and other material terms that are at least as favorable as those accepted by a purchaser in an arm's length third-party contract; or

"(B) In the absence of an arm's length third-party contract, an offer of sale with a price and other material terms comparable to that at which a willing seller and a willing buyer would sell and purchase the housing accommodation, or the appraised value.".

(2) A new paragraph (12A) is added to read as follows:

"(12A) Beginning January 1, 2014, "matter-of-right" means a land use, development density, or structural dimension to which a property owner is entitled by current zoning regulations or law.".

(b) Section 402 (D.C. Official Code § 42-3404.02) is amended as follows:

Note, § 42-3404.02

(1) Subsection (a) is amended by striking the phrase "Before an owner" and inserting the phrase "Before October 7, 2014, before an owner" in its place.

(2) New subsections (a-1), (a-2), (a-3), and (a-4) are added to read as follows:

"(a-1) Beginning October 7, 2014, before an owner of a housing accommodation may sell the housing accommodation or issue a notice to vacate for purposes of demolition or discontinuance of housing use, the owner shall give the tenant an opportunity to purchase the housing accommodation at a price and terms that represent a bona fide offer of sale.

"(a-2) Beginning January 1, 2014, whenever an offer of sale is made to tenants for a housing accommodation with 5 or more units that is required by subsection (a) or (a-1) of this section before the owner may issue a notice to vacate for purposes of demolition or discontinuance of housing use, and the offer is made in the absence of an arm's-length third-party contract, the following shall apply:

"(1) The sales price contained in the offer of sale shall be less than or equal to a price and other material terms comparable to that at which a willing seller and a willing buyer would sell and purchase the housing accommodation, or the appraised value of the housing accommodation as determined by this subsection.

"(2) An appraised value shall only be based on rights an owner has as a matter-of-right as of the date of the offer, including any existing right an owner may have to convert the property to another use.

"(3) Within the restrictions of paragraph (2) of this subsection, an appraised value may take into consideration the highest and best use of the property.

"(4) The owner of the housing accommodation shall have the burden of proof to establish that an offer of sale under this subsection is a bona fide offer of sale.

"(5)(A) A tenant organization registered according to section 411(1) may challenge the offer presented by an owner of a housing accommodation as not being a bona fide offer of sale, and request a determination of the appraised value of the housing accommodation.

"(B) The tenant organization shall request an appraisal by delivering the request to the Mayor and the owner by hand or by certified mail, within 45 days of receipt of a valid bona fide offer of sale.

"(C)(i) The tenant organization and owner of the housing accommodation shall jointly select an appraiser. If within 14 days after a tenant organization has requested an appraisal, the tenant organization and owner of the housing accommodation have not agreed upon an appraiser, either party may request that the Mayor select an appraiser.

"(ii) A request that the Mayor select an appraiser shall be in writing and delivered by hand or by certified mail to the Mayor and to the owner or tenant organization, respectively.

"(iii) The Mayor shall select the appraiser on a sole source basis within 7 days of receiving the request for an appraiser.

"(D) The tenant organization and owner of the housing accommodation shall pay one-third and two-thirds of the cost of the appraisal, respectively.

"(E)(i) The appraiser shall hold an active license to be a Certified General Real Property Real Estate Appraiser that has been issued by District of Columbia Board of Real Estate Appraisers.

"(ii) The owner shall give the appraiser full, unfettered access to

the property.

"(iii) The owner shall respond within 7 days to any request for information from the appraiser.

"(iv) The tenant organization may give the appraiser information relevant to the valuation of the property.

"(F) The appraisal shall be completed expeditiously according to standard industry timeframes.

"(6) Beginning with the date of a tenant organization request for an appraisal, and for each day thereafter until the tenant organization receives the appraisal, the negotiation period described in section 411(2) shall be extended by one day.

"(7)(A) The determination of the appraised value of the housing accommodation in accordance with this subsection shall become the sales price of the bona fide offer of sale for the housing accommodation, unless:

"(i) The owner and the tenant organization agree upon a different sales price of the housing accommodation; or

"(ii) Within 14 days of the receipt of the appraisal by the owner, the owner elects to withdraw the offer of sale.

"(B) The owner shall withdraw the offer of sale by delivering a letter of withdrawal to the Mayor and a member of the board of directors of the tenant organization, by hand or by certified mail. Upon such election, the owner shall reimburse the tenant organization for its entire share of the cost of the appraisal within 14 days. An owner who withdraws an offer of sale in accordance with this paragraph, shall be precluded from making a subsequent offer of sale to the tenant organization without an arm's-length third party contract, for 6 months from the date of the election to withdraw the offer of sale.

"(8) Within 30 days of the receipt of the appraisal conducted by an appraiser selected by the Mayor according to this subsection, either the tenant organization or the owner of the housing accommodation may appeal the appraisal as being in violation of the requirements of this subsection, to the Superior Court of the District of Columbia for the court to take any appropriate action the court may deem necessary.

"(a-3) Notwithstanding subsections (a-1) and (a-2) of this section, for a tenant organization that before the effective date of the TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015, passed on emergency basis on June 2, 2015 (Enrolled version of Bill 21-222), has registered the tenant organization with the Mayor according to section 411(1), and has requested an appraisal of the housing accommodation by delivering the request to the Mayor and the owner by hand or by certified mail, the following shall apply:

"(1) Beginning January 1, 2014, before an owner of a housing accommodation may sell the accommodation, or issue a notice of intent to recover possession or notice to vacate for purposes of demolition or discontinuance of housing use, the owner shall give the tenant an opportunity to purchase the accommodation at a price and terms that represent a bona fide offer of sale.

"(2) If within 360 days of the date of the issuance of a bona fide offer of sale pursuant to this subsection, an owner has neither sold, or is in the process of selling, the property pursuant to that bona fide offer of sale nor taken possession of the property, the owner shall comply anew with the requirements of this subsection before the owner may again act to sell the housing, or issue a notice of intent to recover possession or notice to vacate for purposes of demolition or discontinuance of housing use.

"(3) For the purposes of this subsection, in the case of multi-unit housing, the term:

"(A)(i) "A bona fide offer of sale" means a sales price that is less than or equal to the appraised value of the real property, multi-unit housing, and any other appurtenant improvements ("property") plus, except as provided in sub-subparagraph (ii) of this subparagraph, the amount of liens existing before the sale or transfer; provided, that the liens shall be satisfied by the seller in the sale or transfer transaction.

"(ii) If the seller and the purchaser agree that the purchaser shall assume the liens, if any, a bona fide offer of sale means a sale price that is less than or equal to the appraised value of the property less the amount of any lien assumed by the purchaser.

"(B)(i) "Appraised value" means an objective property valuation based on the current state of the property and existing zoning, building, and occupancy permits that is no more than 6 months older than the date of issuance of the offer of sale that has been determined by 2 independent appraisals performed by 2 appraisers qualified to perform multi-unit appraisals.

"(ii) Of the 2 appraisers required by sub-subparagraph (i) of this subparagraph, one shall be selected by the owner and one shall be selected by the tenant. If the appraisers fail to agree upon a fair market value, the owner and the tenant shall jointly select and pay a third appraiser, whose appraisal shall be binding, or agree to take an average of the 2 appraisals.

"(C) "Multi-unit housing" means housing with 5 or more units.

"(a-4) Subsection (a-3) shall expire on October 9, 2015.".

Note, § 42-3404.11

(c) Section 411(4) (D.C. Official Code § 42-3404.11(4)) is amended by striking the phrase "the owner has not sold or contracted for the sale of the accommodation" and inserting the phrase "the owner has not sold or contracted for the sale of the accommodation, or in the case of an offer of sale given for the purposes of demolition or discontinuance of housing use, has not issued a notice to vacate for demolition or discontinuance of housing use, pursuant to section 501(g) or section 501(i) of the Rental Housing Act of 1985, effective July 17, 1985 (D.C. A RESOLUTION

Proposed Resolution 21-95

To declare the sense of the Council that the District of Columbia supports the principles of the Biophilic Cities Network and commits to promoting, learning about, and sharing biophilic programs and projects with other participating municipalities, to supporting urban biodiversity, and to creating opportunities for all District residents to connect with nature.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council on Biophilic Cities Resolution of 2015".

Sec. 2. The Council finds that:

(1) Evidence demonstrates that people are happiest, emotionally and physically healthiest, and most productive, when working and living in close proximity to nature.

(2) Research shows that exposure to nature can reduce stress, aid recovery from illness, enhance cognitive skills, improve academic performance, and aid in moderating the effects of Attention Deficit Hyperactivity Disorder, autism, and other child illnesses.

(3) The District has a rich and unique natural heritage, including a diversity of ecosystems that provide benefits to District residents and the animal species we share it with.

(4) Greening neighborhoods has been shown to reduce crime, strengthen community connections, and increase walkability.

(5) All District residents, especially children, in every neighborhood, should have direct experience with nature.

(6) In an increasingly urbanized world, cities provide vital natural habitat to animal species that may otherwise perish.

(7) Leading universities, urban thinkers, citizens, corporations, and innovative governments around the world are developing nature-based approaches to design, urban planning, and governance that support human and environmental health.

(8) The Biophilic Cities Network includes a loose confederation of cities from all over the world whose leaders strive to recognize the important connection between humans and the natural world. Participating municipalities include Birmingham, Brisbane, Milwaukee, New York City, Perth, Philadelphia, Phoenix, Portland, Oslo, San Francisco, Singapore, Vitoria-Gasteiz, and Wellington.

(9) A biophilic city is a city of abundant nature, where residents, young and old, have rich daily contact with the natural environment no matter where they reside; where larger natural areas and deeper natural experiences are an easy walk, bike, or transit ride away; and where the urban environment allows for and fosters connections with diverse flora and fauna. In biophilic cities, residents recognize, respect, are curious about, and actively care for the nature

around them, and they spend extensive time outside learning about, enjoying, and participating in the natural world.

(10) In biophilic cities, leaders and elected officials give nature and natural capital a central place in their decision-making, and evaluate their planning and development decisions by the extent to which nature is restored and protected, and connections with the natural environment are enhanced. Leaders and residents of biophilic cities recognize that proximity to nature makes for more desirable communities and provides numerous benefits to all.

(11) A biophilic city recognizes the important role cities play in protecting and increasing biodiversity in a world where biodiversity is greatly threatened.

(12) A commitment to becoming a biophilic city with abundant and accessible nature will support the District's goals for a sustainable DC, environmental literacy plans, and an enhanced science, technology, engineering, and mathematics curriculum in schools.

(13) By joining the Biophilic Cities Network, the District will demonstrate international leadership on the environment and local commitment to the well-being and health of its residents.

Sec. 3. It is the sense of the Council that the District supports the principles of the Biophilic Cities Network and commits to:

(1) Working to protect and restore nature;

(2) Creating opportunities for new connections to the natural world wherever possible;

(3) Sharing information and insights about biophilic tools, techniques, programs, and projects successfully applied in the District; and

(4) Assisting other cities in becoming more biophilic through technical expertise and political and professional support for efforts to protect and expand urban nature.

Sec. 4. The Chairman shall transmit copies of this resolution, upon its adoption, to the Mayor, the City Administrator, and the Director of the District Department of the Environment.

Sec. 5. This resolution shall take effect immediately upon the first date of publication in the District of Columbia Register.

Change Order No. 10 to Contract No. GF-2010-C-0030 Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Change Order No. 10 to Contract No. GF-2010-C-0030 Approval and Payment Authorization Emergency Declaration Resolution of 2015"

Sec. 2. (a) There exists an immediate need to approve Change Order No. 10 to Contract No. GF-2010-C-0030 with Parkinson/Forrester UDC Student Center JV, LLC for the construction of the New Student Center, University of the District of Columbia, Van Ness Campus, and to authorize payment in the aggregate amount of $3,975,633.00 for the goods and services received and to be received under the change order.

(b) On January 21, 2011, the University of the District of Columbia awarded Contract No. GF-2011-C-0030 in the amount of $29,899,000.00 to Parkinson/Forrester UDS Student Center JV, LLC for the New Student Center, University of the District of Columbia, Van Ness Campus.

(c) On January 26, 2015, the University of the District of Columbia approved Change Order No. 10 to Contract No. GF-2011-C-0030 in the amount of $3,975,633.00 for additional work to be performed by Parkinson/Forrester UDC Student Center JV, LLC during the construction of the New Student Center, University of the District of Columbia, Van Ness Campus.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in Section 2 constitute emergency circumstances making it necessary that the

To declare the existence of an emergency with respect to the need to increase the number of living marijuana plants that a cultivation center can possess at any time.

Medical Marijuana Supply Shortage Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Supply Shortage Emergency Declaration Resolution of 2015".

Sec. 2. (a) This emergency is necessary to address the supply shortage of medical marijuana in the District of Columbia.

(b) With the passage of the Medical Marijuana Expansion Amendment Act of 2014, effective March 10, 2015 (D.C. Law 20-189; 62 DCMR 3818), the medical marijuana program is growing by 200 patients a month.

(c) The District's medical marijuana program allows for 10 medical marijuana cultivation centers to be registered to cultivate, possess, and distribute medical marijuana. However, due to unforeseen circumstances, only 5 cultivation centers are registered with the District of Columbia and only 3 are operational at this time.

(d) As there is a 500 marijuana plant limit, the cultivation centers in the District are not equipped to meet the demand of the more than 2,700 patients that have registered for the medical marijuana program.

(e) According to the Drug Policy Alliance, the substantial increase in patients participating in the medical marijuana program has led to a situation where patient demand is far greater than the supply of medical marijuana in the District.

(f) The supply shortage has caused the 3 registered dispensaries that are operating in the District to either set restrictions on how much medical marijuana a patient may buy or they have had to close, leaving patients no options to purchase medical marijuana.

(g) Due to the shortage, patients are forced to buy marijuana off the black market to meet their needs, which is illegal and is a major safety concern.

(h) The Department of Health has indicated that allowing the 5 cultivation centers to increase their production from 500 marijuana plants to 1000 marijuana plants will solve the current supply shortage issue.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Supply Shortage Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need for the Council to urge immediate action by the Zoning Commission for the District of Columbia to revise and finalize the zoning regulations to limit pop-up expansion of row houses.

Sense of the Council in Support of a Limitation on Pop-ups Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council in Support of a Limitation on Pop-ups Emergency Declaration Resolution of 2015".

Sec. 2. (a) The need for emergency action by the Zoning Commission for the District of Columbia exists because issues have arisen regarding certain pop-ups. They have caused property rights disputes; such as, they reduce the efficacy of rooftop solar panels, they lead to a reduction in already limited off-street parking, they cause damage to the foundations of neighboring homes, and by their inordinate height, they obstruct neighboring chimneys, a potential carbon monoxide and fire hazard.

(b) Other adverse effects regarding pop-ups that need to be studied and may need further regulation are issues of reduced air quality, of flooding, and other water damage.

(c) Many residents testified that there are pop-ups that are aesthetically incompatible in size, scale, architecture, and setback with the neighborhood character in which they are constructed.

(d) There may also be a need to study the effects of incompatible pop-ups on the value of homes and the desirability of new residents to move into particular neighborhoods.

(e) It is clear that more regulations are required to settle pop-up issues for residential neighborhoods District-wide.

(f) It is urgent that regulations be finalized by the Zoning Commission for the District of Columbia.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sense of the Council in Support of a Limitation on Pop-ups Emergency Resolution of 2015 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-132

Emergency Declaration Res. 21-85 21 DCStat 1528

To declare, on an emergency basis, the sense of the Council that the Zoning Commission for the District of Columbia should take immediate action to revise and finalize the zoning regulations to limit pop-up expansion of row houses.

Sense of the Council in Support of a Limitation on Pop-ups Emergency Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council in Support of a Limitation on Pop-ups Emergency Resolution of 2015".

Sec. 2. The Council finds that:

(1) On March 30, 2015, the Zoning Commission for the District of Columbia ("Zoning Commission") voted to reduce the allowable height of conversions ("pop-ups") in R-4 districts from 40 feet to 35 feet, but comprehensive regulations are needed to address the issues that ensue from pop-ups, and often the increased number of units in a dwelling, on a District-wide basis.

(2) Many residents who testified before the Zoning Commission on January 15, 2015, opposed pop-ups and were in favor of the height restrictions.

(3) Many residents testified that there are pop-ups that are aesthetically incompatible, for example, in size, scale, architecture, and setback with the neighborhood character in which they are constructed.

(4) Certain pop-ups have caused property rights disputes, such as:

(A) By blocking the sun, they reduce the efficacy of rooftop solar panels;

(B) By increased occupancy, they reduce already limited off-street parking;

(C) They obstruct neighboring chimneys, a potential carbon monoxide and fire hazard; and

(D) They cause damage to the foundations of neighboring homes.

(5) Every option in law and rule should be studied so that the law and rules that are established will promote the health and safety of our current residents and those to come, safeguard the value and character of District neighborhoods, including our historic row house neighborhoods, attract new residents as a result, and respect the property rights of property owners, both homeowners and developers.

(6) It is the policy of the District to promote access to and the integrity of safe and quality housing and neighborhoods for all District residents.

Sec. 3. It is the sense of the Council that the Zoning Commission should act immediately to finalize zoning regulations that address the pending issues set forth in this resolution.

Sec. 4. Transmittal.

The Chairman shall transmit a copy of this resolution, upon its adoption, to the Zoning Commission and the Mayor.

Sec. 5. This resolution shall take effect immediately.

Soccer Stadium Development Technical Clarification Emergency Declaration Resolution of 2015

To declare the existence of an emergency with respect to the need to make technical and clarifying amendments to the Soccer Stadium Development Act of 2014.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Soccer Stadium Development Technical Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On December 17, 2014, the Council unanimously approved the Soccer Stadium Development Act of 2014, effective March 11, 2015 (D.C. Law 20-233; 62 DCR 438) and accompanying emergency legislation that enabled the District to assemble land for the development of a Soccer Stadium for D.C. United at Buzzard's Point in Southwest.

(b) On December 17, 2014, the Council also unanimously approved a financing package to accompany the stadium legislation through a revised budget request act that provided funding to acquire the necessary land and other costs relevant to the project.

(c) The Office of the Attorney General has recommended several technical amendments to ensure compliance with the Home Rule Act and streamline the procurement process while still comporting with the intent of the original authorizing legislation.

(d) The Deputy Mayor for Planning and Economic Development has begun negotiations with D.C. United and property owners at the proposed stadium site to make minor changes to previously approved agreements, including provisions that better protect the District from financial and operational risk and more robust community benefit requirements that would not increase the District's financial obligations.

(e) In order for the relevant contracts, ground leases, and development agreements to be finalized, it is critical that these technical and clarifying amendments be made as quickly as possible on an emergency basis. This will allow for this important project to remain on schedule for completion as the Council originally intended.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Soccer Stadium Development Technical Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To amend, on an emergency basis, due to congressional review, the Minimum Wage Act Revision Act of 1992 to exempt an employer from keeping precise time records for bona fide executive, administrative, and professional, as well as certain other, employees; to require an employer or a temporary staffing firm to provide notice regarding payment to an employee in a second language if the Mayor has made available a translation of the sample notice template in that second language and the employer knows that second language to be the employee's primary language or the employee requests notice in that second language; and to require the Mayor to make available, in any language required for a vital document under the Language Access Act of 2004, a translation of the sample template to be used by an employer or a temporary staffing firm when providing notice to an employee regarding payment; and to amend section 2 of An Act To provide for the payment and collection of wages in the District of Columbia to continue to exempt an employer from paying wages to bona fide executive, administrative, and professional employees at least twice during each calendar month; provided, that the employer pays wages to such employees at least once per month.

Wage Theft Prevention Clarification Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Clarification Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) In 2014, the Council passed the Wage Theft Prevention Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-157; 62 DCR 3603)("Act").

(b) Subsequently, the Council passed clarifying and technical corrections to the Act through an emergency measure, the Wage Theft Prevention Correction and Clarification Emergency Act of 2014, effective December 29, 2014 (D.C. Act 20-544; 62 DCR 243), and corresponding temporary legislation, the Wage Theft Prevention Correction and Clarification Temporary Amendment Act of 2014, effective March 13, 2015 (D.C. Law 20-240; 62 DCR 4511).

(c) Since passage of these measures, several unintended consequences impacting salaried workers have been identified, including the requirement that all employees, including white-collar, salaried employees, be paid at least twice per month, the requirement that employers keep records of the "precise time worked" each day and each workweek by all employees, including those not compensated on an hourly or other unit-of-time basis, and the requirement that an employer provide notice to an employee regarding payment in an employee's primary language, without providing a limit on the languages in which that notice must be furnished.

(d) It was not the Council's intent to require that white-collar, salaried employees be paid at least twice a month or to require an employer to keep records of the precise time worked

by all employees, including those not compensated on an hourly or other unit-of-time basis. Further, requiring notice to be furnished in any language that might be an employee's primary language will be unnecessarily burdensome and costly.

(e) In response, the Council passed further clarifying and technical corrections through an emergency measure, the Wage Theft Prevention Clarification Emergency Amendment Act of 2015, effective February 26, 2015 (D.C. Act 21-8; 62 DCR 2669) (the "emergency legislation") and corresponding temporary legislation, the Wage Theft Prevention Clarification Temporary Amendment Act of 2015, enacted on March 27, 2015 (D.C. Act 21-38; 62 DCR 4552) (the "temporary legislation").

(f) The emergency legislation is set to expire on May 27, 2015. The temporary legislation is not projected to become law until June 4, 2015.

(g) It is important that the provisions of the emergency legislation continue in effect, without interruption, until the temporary legislation is law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Wage Theft Prevention Clarification Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "H Street, N.E., Retail Priority Area Clarification Congressional Review Emergency Declaration Resolution of 2015".

Act 21-0006; 62 DCMR 2474) ("emergency legislation"). This bill would modify the boundaries of the Bladensburg Road, N.E., Retail Priority Area. In addition, this bill would amend the H Street, N.E., Retail Priority Area Incentive Act of 2010 to clarify that restaurants whose annual alcohol sales exceed 20% are not eligible for retail development project grants and to clarify the location of businesses that are eligible to receive retail development project grants.

(b) The emergency legislation expires on April 22, 2015, before the temporary legislation, the H Street, N.E. Retail Priority Area Clarification Temporary Amendment Act of 2015, enacted on March 30, 2015 (D.C. Act 21-0037; 62 DCR 4550), is projected to become law, on June 4, 2015.

(c) It is important to prevent a gap in the law until the temporary legislation is in effect.

To declare the existence of an emergency with respect to the need to approve Human Care Agreement No. RM-15-HCA-MHRS-107-AMH-BY4-SC with Anchor Mental Health Association, Inc. for mental health rehabilitation services and to authorize payment for the services received and to be received under the agreement.

Human Care Agreement No. RM-15-HCA-MHRS-107-AMH-BY4-SC Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Human Care Agreement No. RM-15-HCA-MHRS-107-AMH-BY4-SC Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve Human Care Agreement ("HCA") No. RM-15-HCA-MHRS-107-AMH-BY4-SC with Anchor Mental Health Association, Inc. ("Anchor") for mental health rehabilitation services for eligible District residents, and to authorize payment for the services received and to be received under the agreement.

(b) On October 1, 2014, the Department of Behavioral Health awarded HCA No. RM-15-HCA-MHRS-107-AMH-BY4-SC to Anchor for a base-year period of October 1, 2014 through September 30, 2015 and 4 option years, in the not-to-exceed amount of $695,500.00 for the base year.

(c) Due to higher than anticipated demand for services, especially Supported Employment services, an additional $490,075.00 in services is required during the base year.

(d) The aggregate value of the services provided and to be provided during the base year of HCA No. RM-15-HCA-MHRS-107-AMH-BY4-SC exceeds the $1 million threshold under section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51).

(e) Approval of HCA No. RM-15-HCA-MHRS-107-AMH-BY4-SC is necessary to allow mental health rehabilitation services to continue uninterrupted and to avoid disruption in care from transferring individuals to other mental health providers.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Human Care Agreement No. RM-15-HCA-MHRS-107-AMH-BY4-SC Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-96

To declare the sense of the Council to call upon Gerawan Farming to cease violating California state and federal laws relating to labor relations, anti-discrimination, and minimum wage/hour compliance.

Sense of the Council Regarding Gerawan Farming Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council Regarding Gerawan Farming Resolution of 2015".

Sec. 2. The Council finds that:

(1) The violations of California and federal labor laws by the 5,000 employee Gerawan Farming agricultural corporation, one of the nation's largest grape and tree fruit producers, epitomizes the agricultural industry's defiance of farm workers' rights to organize and negotiate union contracts, despite California's 1975 Agricultural Labor Relations Act that guarantees those rights.

(2) Since 1990, when Gerawan Farming farm workers voted in favor of the United Farm Workers of America ("UFW") in a state-conducted secret-ballot election, the last major organizing drive under the leadership of Cesar Chavez, Gerawan Farming has thwarted farm worker efforts to negotiate a union contract.

(3) In 2013, farm workers at Gerawan Farming invoked a California law that allows neutral, state-appointed mediators to decide union contracts when employers refuse to sign them, and in late 2013, the state Agricultural Labor Relations Board ("ALRB") ordered that the three-year contract was to take immediate effect.

(4) Since farm workers requested a state mediator, the ALRB general counsel has filed five complaints – tantamount to indictments – accusing Gerawan Farming of "illegally excluding some of its farm workers from the benefits of a [union contract]", illegally "instigating and encouraging the gathering of signatures" on petitions to decertify the UFW, "unlawfully interrogating workers about their union activities" and conducting surveillance of workers, "failing to bargain in good faith with its employees' union", "intimidating [employees] in the exercise of their right to participate in negotiations", and "failing" to implement the state-issued union contract.

(5) Under the contract terms set by the state mediator, between July 2013 and July 2014 most Gerawan Farming farm workers would have earned approximately $1,480 in additional money each, based on a 54-hour work week, plus additional pay increases and benefits scheduled to take effect over the duration of the agreement.

(6) Gerawan Farming's refusal to implement the union contract means its roughly 5,000 employees have not been paid many millions of dollars they are owed from July 2013 to July 2014, and many millions of dollars more over the duration of the contract

(7) Gerawan Farming's first attempt to decertify the UFW in September 2013 was dismissed by the ALRB regional director after an investigation exposed "a large number of forged signatures" and "significant unlawful assistance by the employer in the circulation of the petition." A second petition was dismissed by the regional director, who cited recent outstanding complaints against Gerawan Farming for serious and repeated violations of the law, so much so that "a free and uncoerced" election was "impossible."

(8) Gerawan Farming products are readily available in grocery stores across the District.

Sec. 3. It is the sense of the Council that:

(1) Gerawan Farming meet such basic standards of conduct as refraining from violating state and federal laws regarding labor relations, anti-discrimination, and minimum wage and hour requirements, and to respect the legal rights of its employees.

(2) Gerawan Farming come into compliance with the laws of the State of California and the federal government with respect to all business conducted with any District government agency, commission, or office.

Sec. 4. The Chairman shall transmit copies of this resolution, upon its adoption, to the Governor of the State of California, the Attorney General of the State of California, the Fresno County District Attorney, and the California Agricultural Labor Relations Board.

Sec. 5. This resolution shall take effect immediately upon the first date of publication in the District of Columbia Register.

Proposed Resolution 21-144

***See* Emergency D.C. Act 21-64 21 DCStat 1443**

To declare the existence of an emergency with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1999 to provide an exception to allow a cultivation center to operate in a Retail Priority Area if the applicant had an application pending or approved before to the effective date of the law establishing or expanding a Retail Priority Area.

Medical Marijuana Cultivation Center Exception Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Cultivation Center Exception Emergency Declaration Resolution of 2015".

Sec. 2. (a) Since January 2015, there have been more than 6 news articles discussing the shortage of medical marijuana in the District of Columbia. Specifically, in February 2015, the Washington Post ran a story called "D.C.'s medical marijuana shortage: A little noticed crisis amid legalization." The article brought media attention to the fact that while the District of Columbia permits medical marijuana usage that allowance is of no value for the roughly 2700 patients whose physicians have recommended its usage. As the article states, "[t]here isn't enough pot to go around."

(b) The Legalization of Marijuana for Medical Treatment Initiative of 1999 placed reasonable, albeit strict, limitations on where cultivation centers could open and operate.

(c) The chronic shortage is due, in part, to the limited number of cultivation centers operating in the District.

(d) Only 3 cultivation centers have been able to provide medical marijuana to dispensaries despite the fact that 10 licenses have been awarded.

(e) In 2012, the Council further limited choice when it prohibited cultivation centers from opening in a Retail Priority Area ("RPA"). Since the Medical Marijuana Cultivation Center Emergency Amendment Act of 2012, the Council has approved 4 new RPAs and, as a result, has unintentionally compounded the medical marijuana supply problem by barring cultivation centers from opening and operating.

(f) There is an affected cultivation center operator seeking to open and operate at 6523 Chillum Place, N.W. That cultivation center operator sought and applied for a Certificate of Occupancy from the Department of Consumer and Regulatory Affairs ("DCRA"). On June 18, 2013, the operator was informed by DCRA's Office of the Zoning Administrator that its proposed medical marijuana cultivation center "is allowed as a matter of right use" because it was located in a C-M-1 Industrial District.

(g) Unbeknownst to the cultivation center, the Zoning Administrator's June 18, 2013, letter only referred to the legal conditions of zoning at the time of its issuance and only applied to zoning regulations, not those of the Department of Health, which delegated to DCRA the

responsibility of determining whether an application complies with the RPA requirement of the medical marijuana program.

(h) In 2013, 6523 Chillum Place, N.W., was not located in a RPA. The change in designation did not occur until December 17, 2014, when the Council approved Bill 20-721, the U Street/14th Street, N.W., and Georgia Avenue Great Streets Neighborhood Retail Priority Amendment Act of 2014, which became law on May 2, 2015.

(i) Requiring the cultivation center operator to identify another location and to begin the Certificate of Occupancy process again would further exacerbate the District's medical marijuana supply problem given that it takes up to 23 weeks to bring a marijuana plant from cutting to harvest-ready bud.

(j) The proposed amendment allows cultivation centers that find themselves in a similar legislative or regulatory posture to open and operate a cultivation center in a Retail Priority Area only if their application was approved before the establishment or expansion of a Retail Priority Area. This is a narrow exception to the prohibition against cultivation centers opening and operating in Retail Priority Areas.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Cultivation Center Exception Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to approve Delivery Order No. CW33024 under Montgomery County, Maryland Contract No. 1041647 with Morton Salt, Inc. ("Morton") and to authorize payment for the goods received and to be received under the delivery order.

Delivery Order No. CW33024 under Montgomery County, Maryland Contract No. 1041647 Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Delivery Order No. CW33024 under Montgomery County, Maryland Contract No. 1041647 Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve Delivery Order No. CW33024 and modifications thereto (including all associated Purchase Orders) issued by the District Office of Contracting and Procurement ("OCP"), on behalf of the District Department of Public Works ("DPW"), under a Montgomery County, Maryland under Montgomery County, Maryland Contract No. 1041647 and to authorize payment for the goods received and to be received under the delivery order.

(b) DPW is responsible for administering the District's Snow Removal and Deicing Program. Each year, the District participates with other local jurisdictions in Maryland and Virginia in a Cooperative Purchase Agreement ("Agreement") to purchase its supply of road deicing salt. Under the Agreement, the Montgomery County, Maryland Department of General Services ("Montgomery County") serves as the lead entity. Each jurisdiction submits its anticipated annual requirements to Montgomery County and, during the procurement process, Montgomery County acts as the soliciting agent for the participating jurisdictions. Participating jurisdictions are grouped in zones and Montgomery County awards the contracts by zone. Upon award of the contracts, each participating jurisdiction can either: (1) place orders for road deicing salt under the Montgomery County contract directly with an awarded contractor; or (2) enter into and administer its own contract with an awarded contractor for the purchase and delivery of its annual requirements.

(c) On July 28, 2014, Montgomery County issued an Invitation for Bids on behalf of the members of the Metropolitan Washington Council of Governments Purchasing Group for the purchase of their respective estimated known and future annual requirements for road deicing salt.

(d) On October 2, 2014, Montgomery County awarded Contract No. 1041647 to Morton for the District's requirements for the base period of one year, from October 2, 2014, through

October 1, 2015, with 3 one-year option periods, in the total estimated contract amount of $2,222,000.00.

(e) Between November 2014 and February 2015, OCP issued purchase orders totaling $1,644,120.00 under Montgomery County Contract No. 1041647. OCP anticipates spending the remaining $577,880.00 of the estimated contract amount for road deicing salt during Fiscal Year 2015.

(f) Council approval is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because the expenditures under the contract are in an amount in excess of $1 million during a 12-month period.

(g) Approval is necessary to allow the continuation of these vital services. Without this approval, Morton cannot be paid more than $1 million for the goods received or to be received under the delivery order.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Delivery Order No. CW33024 under Montgomery County, Maryland Contract No. 1041647 Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Youth Employment Act of 1979 to authorize the Mayor to provide employment or work readiness training for no fewer than 10,000 and no more than 21,000 youth participants 14 to 24 years of age.

Youth Employment and Work Readiness Training Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Youth Employment and Work Readiness Training Emergency Declaration Resolution of 2015".

Sec. 2. (a) The economy of the District of Columbia continues to show improvement, but, as of December 2014, the District's 7.3% unemployment rate for adults remains one of the highest in the nation.

(b) Many District youth continue to face barriers to employment and lack the skills to secure sustainable, long-term jobs.

(c) The Mayor is committed to investing in young people and part of that commitment is building a better pathway for young people to secure skills training for sustainable jobs in the District of Columbia.

(d) District youth up to the age of 24 continue to struggle to find employment in the District of Columbia, particularly in economically distressed wards and communities.

(e) Expanding jobs and job training opportunities for District youth will do much to strengthen the District's local economy.

(f) The District's youth employment programs have demonstrated that a job can be a life-changing experience that teaches a youth the responsibility of work, shapes attitudes, and leads to a productive work life.

(g) For the youth employment program to succeed in program year 2015, which is to begin in June 2015, it is desirable to extend enrollment to youth ages 14 to 24 years old.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Youth Employment and Work Readiness Training Emergency Amendment Act of 2015 be adopted after a single reading.

Modification No. M0005 to Sole Source Contract No. CW26699 Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modification No. M0005 to Sole Source Contract No. CW26699 Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve Modification No. M0005, for a period of performance from April 1, 2015, through June 30, 2015, in an amount totaling $5,900,145.00, to Contract No. CW26699 between the Department of Corrections and Unity Health Care, Inc. for comprehensive medical, mental health, pharmacy, and dental services for inmates housed at the Central Detention Facility and the Correctional Treatment Facility, and to exempt the purchase of these services from section 2346 of the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, effective October 20, 2005 (D.C. Law 16-33; D. C. Official Code § 2-218.46).

(b) Due to the current contract's expiration on March 31, 2015, and to maintain continuity of these vital services, the extension of Contract No. CW26699 from April 1, 2015, through June 30, 2015, in the amount of $5,900,145.00 is needed until a long-term contract can be put in place. Unity Health Care, Inc. is the only company available that requires no start-up time and is capable of continuing these services without interruption, thereby necessitating Council approval.

(c) Approval of the Modification No. M0005 is required to ensure continuity and avoid interruption of the comprehensive medial, mental health, pharmacy, and dental services for inmates.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modification No. M0005 to Sole Source Contract No. CW26699 Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to increase certain appropriations in the Fiscal Year 2015 Budget Request Act pursuant to the District of Columbia Appropriations Act, 2015.

Fiscal Year 2015 Second Revised Budget Request Adjustment Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2015 Second Revised Budget Request Adjustment Emergency Declaration Resolution of 2015".

Sec. 2. (a) On December 30, 2014, the Office of the Chief Financial Officer (OCFO) released a quarterly revised revenue estimate that showed an $83.4 million decrease in certified revenues. This estimate was revised by the OCFO on February 27, 2015 to include the certified revenue increase of $36.5 million. This leaves a budget gap of approximately $46.9 million.

(b) This gap is partially offset by an existing operating margin of $5.2 million and additional TIF revenue savings of $2.3 million. This leaves an overall budget gap of $39.4 million that needs to be resolved for the budget to remain in balance for Fiscal Year 2015.

(c) In order to resolve this gap and address structural budget issues in Fiscal Year 2016 and beyond, the Mayor identified savings of $87.8 million and the Council identified additional savings of $20.5 million in Fiscal Year 2015. $39.4 million of this savings amount will be used to solve the gap with another $68 million being carried over into Fiscal Year 2016. These actions will leave an operating margin of $0.5 million.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2015 Second Revised Budget Request Emergency Adjustment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to approve the salary adjustment for the Chancellor of the District of Columbia Public Schools.

Chancellor of the District of Columbia Public Schools Salary Adjustment Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Chancellor of the District of Columbia Public Schools Salary Adjustment Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) Kaya Henderson was appointed Interim Chancellor of the District of Columbia Public Schools ("DCPS") on November 1, 2010, following the resignation of Michelle Rhee. On March 11, 2011, she was nominated to serve as Chancellor of the District of Columbia Public Schools. Chancellor Henderson was unanimously confirmed by the Council on June 21, 2011, and has served as Chancellor continuously since that time.

(b) Over the past 4 years under Chancellor Henderson's leadership, DCPS has realized dramatic improvements towards the goals of increasing District-wide math and reading proficiency, improving the proficiency rates of the DCPS' 40 lowest-performing schools, increasing high school graduation rates, increasing student satisfaction, and increasing overall DCPS enrollment.

(c) DCPS has increased audited enrollment to the highest level in over 5 years, with 3 consecutive years of growth. In 2014, DCPS students reached their highest proficiency rates ever in reading and math. Graduation rates have been growing steadily each year with a goal of 75% in 2017. In-seat attendance has increased to 89% and truancy has been reduced by 18%. Since 2011, the results of the National Assessment of Education Progress show District students improved in math and reading and demonstrated the greatest growth of any state in the nation.

(d) Based on the dramatic improvements achieved under the steady leadership of the Chancellor over the last 4 years and the commitment to continuing the progress of DCPS, the Mayor signed a new contract and made an adjustment to the Chancellor's salary to $284,000.

(e) On March 3, 2015, the Council passed emergency legislation, the Chancellor of the District of Columbia Public Schools Salary Adjustment Emergency Amendment Act of 2015, effective March 3, 2015 (D.C. Act 21-0027; 62 DCR 4527), to effectuate this change. It was retroactive to January 2, 2015, and expired on April 2, 2015.

(f) Temporary legislation, the Chancellor of the District of Columbia Public Schools Salary Adjustment Temporary Amendment Act of 2015, enacted on March 30, 2015 (D.C. Act 21-40; 62 DCR 4558) and transmitted to Congress for the 30-day review period

required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)). It is projected to become law on June 4, 2015.

(g) A congressional review emergency with retroactive applicability is needed to prevent a gap in the law as the Chancellor has already begun receiving the adjusted salary. The permanent legislation was included as part of the Fiscal Year 2016 Budget Support Act of 2015, Bill 21-157, which was recently approved by the Council on first reading.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Chancellor of the District of Columbia Public Schools Salary Adjustment Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

License to Carry a Pistol Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "License to Carry a Pistol Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) On December 17, 2014, the Council passed the License to Carry a Pistol Amendment Act of 2014, enacted on February 6, 2015 (D.C. Act 20-621; 62 DCR 1944). On March 6, 2015, this measure was transmitted to Congress for a 60-day period of congressional review.

(b) On December 17, 2014, the Council also passed the License to Carry a Pistol Second Emergency Amendment Act of 2015, effective January 6, 2015 (D.C. Act 20-564; 62 DCR 866).

(c) D.C. Act 20-564 expired on April 6, 2015; however, D.C. Act 20-621 is not projected to become law until June 16, 2015. A congressional review emergency is necessary to ensure that the provisions of the emergency legislation continue in effect, without further interruption, until the permanent measure becomes law.

Proposed Resolution 21-137

To declare the sense of the Council in support of amendments to the inclusionary zoning regulations, Chapter 26 of Title 11 of the District of Columbia Municipal Regulations, which require new and rehabilitated residential developments to include housing units permanently affordable to low- and moderate-income residents in exchange for permitting housing developers to obtain additional zoning density as a matter of right, to increase the availability of affordable housing.

Sense of the Council in Support of Improving Inclusionary Zoning Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council in Support of Improving Inclusionary Zoning Resolution of 2015".

Sec 2. The Council finds that:

(1) The District of Columbia housing and rental market is among the most expensive in the country.

(2) Many of the District's residents spend greater than 30% of their annual income on housing costs.

(3) The Inclusionary Zoning ("IZ") regulations of the District of Columbia, Chapter 26 of Title 11 of the District of Columbia Municipal Regulations, are a critical component of the city's overall strategy to create affordable housing units. The regulations require developers constructing new residential units to include a certain number of affordable units to be rented or sold at a price below market rate. The regulations create 2 levels of affordability: 80% of Area Median Income ("AMI") and 50% of AMI. Prices are calibrated so that an individual earning either 80% or 50% AMI will spend between 38 to 41% of his or her annual income on housing. To offset the cost to developers of these mandates, developers are provided with bonus density, enabling the construction of an increased number of units above what the applicable zoning regulations would otherwise permit.

(4) As of May 2014, 477 IZ units in 57 projects throughout the District have been constructed, are under construction, or are planned. Of these, 78% of the units are priced at the 80% AMI level; the remaining 22% of units are priced at the 50% AMI level. According to 2013 data from the U.S. Census Bureau, the Washington, D.C. area had the highest median income in the United States at $90,149. AMI includes income data from Maryland and Virginia residents, in addition to District residents.

(5) Many District residents earn below 80% AMI and are in need of affordable housing options.

(6) IZ can be a more effective tool to the extent that the IZ regulations are revised to require developers to produce more affordable units and at deeper affordability levels.

Such revisions, however, must not be so significant as to discourage, or make financially unfeasible, future residential development plans.

(7) Construction of residential units is at an all-time high in the District. The sooner any revision is made to the IZ regulations, the greater the impact that revision will have.

Sec. 3. (a) For the reasons set forth in section 2, it is the sense of the Council that the Zoning Commission and the Mayor must revise the Inclusionary Zoning regulations, Chapter 26 of Title 11 of the District of Columbia Municipal Regulations, to accomplish the following objectives:

(1) Increase the number of Inclusionary Zoning units produced overall;

(2) Increase the number of units produced that are affordable for lower income households;

(3) Set maximum rent, purchase price, and eligibility thresholds in a manner that ensures affordability for an adequate pool of applicants;

(4) Achieve greater affordability by lowering the upper affordability limits for moderate income households;

(5) Ensure that the zoning density bonus needed to support the cost of IZ units is available and usable, by allowing greater flexibility within the parameters of the Comprehensive Plan and offering additional bonus density as necessary to compensate for increased affordability; and

(6) Clarify the intended role for qualified nonprofits, the Mayor, and the District of Columbia Housing Authority in exercising the right of first refusal to purchase and then rent units to low-income and very-low-income residents.

Heat Wave Safety Emergency Declaration Resolution of 2015

To declare the existence of an emergency with respect to the need to prohibit the electric company from shutting off service when the heat index is forecasted to be 95 degrees Fahrenheit or above.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as "Heat Wave Safety Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to protect District residents who are vulnerable to health impairments that may be caused by periods of extreme heat and who may be unable to cool their homes if their electricity is shut off.

(b) District law prohibits utilities from disconnecting their service when the forecast predicts the temperature will be 32 degrees Fahrenheit or below during the following 24 hours.

(c) Exposure to extreme heat is more likely than extreme cold to cause people to experience negative health consequences, including death; yet the District does not prohibit the disconnection of electricity during or directly preceding periods of extreme heat analogous to the prohibition on disconnections during or directly preceding periods of extreme cold.

(d) Enacting a prohibition on the disconnection of electricity during or directly preceding periods of extreme heat will provide a measure of security for District residents without creating undue hardship for the electric company.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Heat Wave Safety Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-174

See Emergency D.C. Act 21-95 21 DCStat 1484

To declare the existence of an emergency with respect to the need to amend, on an emergency basis, the Rental Housing Conversion and Sale Act of 1980, to clarify that a bona fide offer of sale for a housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party contract, is based on current, applicable, matter-of-right zoning regulations or laws, or by an existing right to convert to another use, that the offer may take into consideration the highest and best use of the property, and to establish the right of a tenant organization to a determination of the appraised value of a housing accommodation under certain circumstances.

TOPA Bona Fide Offer of Sale Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "TOPA Bona Fide Offer of Sale Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to amend sections 103, 402, and 411 of the Rental Housing Conversion and Sale Act of 1980 ("the Act" or "TOPA"), to clarify that a bona fide offer of sale for a housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party contract, is based on current, applicable, matter-of-right zoning regulations or laws, or by an existing right to convert to another use. Further, there is an immediate need to clarify TOPA that a bona fide offer of sale may take into consideration the highest and best use of the property; and finally, to establish the right of a tenant organization to request a determination of the appraised value of a housing accommodation under certain circumstances.

(b) Last September 23, 2014, in an attempt to clarify the term "bona fide offer of sale", and thereby preserve the TOPA rights of the residents at Museum Square and other similarly situated tenants, the Council passed Act 20-434, the Tenant Opportunity to Purchase Emergency Amendment Act of 2014. Law 20-166, the Tenant Opportunity to Purchase Temporary Amendment Act of 2014, the substantively identical temporary version of the emergency bill, went into effect on February 26, 2015, and will expire on October 9, 2015.

(c) Unfortunately, both acts were drafted too broadly and inadvertently covered all TOPA sales, and not just those occurring without a third-party contract, like at Museum Square. As a result, all TOPA sales retroactive to January 1, 2014, were suddenly required to have included two appraisals of the housing accommodation. Due to concerns of the title insurance industry, this all-encompassing retroactive appraisal requirement has stalled a significant number of transactions in the residential real estate market for previous and current TOPA sales. As a result, the collection of recordation taxes has been adversely affected, which in turn has had the potential of reducing funding available to the Housing Production Trust Fund.

(d) These new emergency and temporary bills are being moved to expeditiously remedy this situation and were drafted in consultation with many stakeholders from all sides of the issue over a period of many weeks.

(1) These bills replace the relevant section of TOPA law, D.C. Official Code § 42-3404.02, and essentially return this subsection to its pre-emergency and pre-temporary language. This means that TOPA will no longer require all TOPA sales to have two appraisals, regardless of whether there is a third-party offer.

(2) These bills require that a bona fide offer of sale for a building with 5 or more units based on a landlord's intention to demolish or discontinue housing use, in the very limited circumstance where there is no third-party offer, must be based on current, applicable, matter-of-right laws and regulations, or by an existing right to convert to another use. The offer may take into consideration the highest and best use of the property. This requirement ensures that a bona fide offer of sale will be based on the present value of the property, and not some speculative future value.

(3) These bills protect the elderly residents of Museum Square and other similarly situated tenants by including a retroactive provision for housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party.

(4) These bills establish a tenant right to request an appraisal, if the tenants believe that an offer, in the absence of a third-party offer, is too high. They direct tenants to jointly select an appraiser with the landlord, but if they cannot agree, then the appraiser is selected by DHCD's Conversion and Sale Administrator. The cost of the appraisal is split 66/33 between the landlord and tenant (roughly $40-$65 per tenant). The time the appraisal takes is added to the negotiation period allowed tenants.

(5) These bills grandfather-in tenant organizations that, prior to the effective date of the TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015, have registered the tenant organization with the Mayor and have reasonably relied upon Act 20-434, the Tenant Opportunity to Purchase Emergency Amendment Act of 2014, and Law 20-166, the Tenant Opportunity to Purchase Temporary Amendment Act of 2014, by requesting an appraisal of their housing accommodations as required under those bills.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

***See* Emergency D.C. Act 21-79 21 DCStat 1472**

To declare the existence of an emergency with respect to the need to approve Option Year 4 of Contract No. DCKT-2010-E-0112 with WM Recycle America, LLC to continue to provide the District with recycling services and to authorize payment for the services received and to be received under the contract.

Modification No. 14, Option Year 4 of Contract No. DCKT-2010-E-0112 with WM Recycle America, LLC Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Modification No. 14, Option Year 4 of Contract No. DCKT-2010-E-0112 with WM Recycle America, LLC Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve Option Year 4 of Contract No. DCKT-2010-E-0112 ("Contract") with WM Recycle America, LLC to continue to provide the District with recycling services and to authorize payment for the services received and to be received under this contract.

(b) On May 3, 2010, the District Office of Contracting and Procurement ("OCP"), on behalf of the District Department of Public Works ("DPW"), entered into a requirements contract with WM Recycle America, LLC ("Contractor") to transport, process, and market recyclables collected through the District's residential recycling collection program and DPW's collection facilities located at the Fort Totten and Benning Road Transfer Stations. The initial term of the Contract was from the date of award, for a period of one year, with 4 one-year option periods. Payments under the contract are based on the monthly net purchase price per ton of the recyclables. If the monthly net purchase price is positive, the Contractor must pay the District the amount equal to the difference between the Monthly Price Index, which is based on the first published market values for the materials in the recyclable stream for the month in which the recyclables are purchased from the District, and the purchase price bid by the Contractor. If the monthly net purchase price is negative, then the District must pay an amount equal to the difference to the Contractor. During the base year, May 3, 2010, through May 2, 2011, the Contractor paid the District a total of $130,591 for the recyclables collected.

(c) By Modification No. 4, dated May 2, 2011, the District exercised Option Year 1 for the period from May 3, 2011, through May 2, 2012, for an estimated quantity of 25,000 tons of recyclables, at a purchase price per ton of $87.50 (without the monthly price adjustment). The Contractor paid the District a total of $389,783 for the recyclables collected during Option Year 1.

(d) By Modification No. 5, dated April 25, 2012, the District exercised Option Year 2 for the period from May 3, 2012, through May 2, 2013, for an estimated quantity of 25,000 tons of

recyclables, at a purchase price of $90 per ton (without monthly price adjustment). The District paid the Contractor a total of $438,903 for the recyclables collected during Option Year 2.

(e) By Modification No. 7, dated May 1, 2013, the District exercised Option Year 3 for the period from May 3, 2013, through May 2, 2014, for an estimated quantity of 25,000 tons of recyclables, at a purchase price per ton of $92.75 (without monthly price adjustment). The District paid the Contractor a total of $760,948 for recyclables collected during Option Year 3.

(f) By Modification No. 10, the District exercised Option Year 4, for the period from May 3, 2014, through May 2, 2015, for an estimated quantity of 25,000 tons of recyclables at a purchase price per ton of $95.50 (without monthly price adjustment).During Option Year 4, the estimated quantity of recyclables processed by the Contractor has increased from 25,000 tons to 33,000 tons. In addition, the market value of the goods has decreased resulting in an increase in the estimated annual amount of the contract. As of February 2015, DPW has issued payments to the contractor totaling $855,114.25. OCP anticipates that the estimated contract amount for Option Year 4 will increase to $1.2 million.

(g) Council approval is required pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51), because the expenditures under the Contract are in an amount in excess of over $1 million during a 12-month period.

(h) Approval is necessary to allow the continuation of these vital services. Without this approval, WM Recycle America, LLC cannot be paid for services provided in excess of $1 million.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modification No.14, Option Year 4 of Contract No. DCKT-2010-E-0112 with WM Recycle America, LLC Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-159

***See* Emergency D.C. Act 21-75 21 DCStat 1465**

To declare the existence of an emergency with respect to the need to amend the District of Columbia Comprehensive Plan Act of 1984 Land Use Element Amendment Act of 1984 to extend by 45 days the Council review period for the Southwest Neighborhood small area action plan.

Extension of Review Period for the Southwest Small Area Plan Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Extension of Review Period for the Southwest Small Area Plan Emergency Declaration Resolution of 2015".

Sec. 2. (a) On May 28, 2015, the Committee of the Whole held a public hearing on PR 21-127, the Southwest Neighborhood Plan Approval Resolution of 2015. At the hearing, multiple Councilmembers raised questions regarding provisions of the Southwest Neighborhood Plan ("Plan"), the meaning of which is not clear as those provisions are currently drafted.

(b) As a result of the hearing, the Committee of the Whole has engaged with the General Counsel to the Council to determine whether the Council has the power to clarify the provisions of the Plan within a committee report or, alternatively, within the Plan itself. The committee seeks guidance from the General Counsel because D.C. Official Code § 1-306.03, which governs small area action plans, does not provide a definitive answer to these questions.

(c) By operation of D.C. Official Code § 1-306.03, PR 21-127 will be deemed approved on June 18, 2015 if no action is taken by the Council, which does not provide the committee with enough time to obtain legal advice and respond accordingly.

(d) An extension of the review period by 45 days is necessary to ensure that the General Counsel has sufficient time to opine on the legal question regarding amendments to the Plan, and that the Council then may take appropriate action before the plan is deemed approved.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Small Area Plan Emergency Amendment Act of 2015 be adopted after a single reading.
