TOPA Bona Fide Offer of Sale Clarification Congressional Review Emergency Amendment Act of 2015

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "TOPA Bona Fide Offer of Sale Clarification Congressional Review Emergency Amendment Act of 2015".

Sec. 2. The Rental Housing Conversion and Sale Act of 1980, effective September 10, 1980 (D.C. Law 3-86; D.C. Official Code § 42-3401.01), is amended as follows:

Note, § 42-3401.03

"(A) For a price and other material terms that are at least as favorable as those accepted by a purchaser in an arm's length third-party contract; or

"(B) In the absence of an arm's length third-party contract, an offer of sale with a price and other material terms comparable to that at which a willing seller and a willing buyer would sell and purchase the housing accommodation, or the appraised value.".

"(12A) Beginning January 1, 2014, "matter-of-right" means a land use, development density, or structural dimension to which a property owner is entitled by current zoning regulations or law.".

Note, § 42-3404.02

(1) Subsection (a) is amended by striking the phrase "Before an owner" and inserting the phrase "Before October 7, 2014, before an owner" in its place.

(2) New subsections (a-1), (a-2), (a-3), and (a-4) are added to read as follows:

"(a-1) Beginning October 7, 2014, before an owner of a housing accommodation may sell the housing accommodation or issue a notice to vacate for purposes of demolition or discontinuance of housing use, the owner shall give the tenant an opportunity to purchase the housing accommodation at a price and terms that represent a bona fide offer of sale.

"(a-2) Beginning January 1, 2014, whenever an offer of sale is made to tenants for a housing accommodation with 5 or more units that is required by subsection (a) or (a-1) of this section before the owner may issue a notice to vacate for purposes of demolition or discontinuance of housing use, and the offer is made in the absence of an arm's-length third-party contract, the following shall apply:

"(1) The sales price contained in the offer of sale shall be less than or equal to a price and other material terms comparable to that at which a willing seller and a willing buyer would sell and purchase the housing accommodation, or the appraised value of the housing accommodation as determined by this subsection.

"(2) An appraised value shall only be based on rights an owner has as a matter-of-right as of the date of the offer, including any existing right an owner may have to convert the property to another use.

"(3) Within the restrictions of paragraph (2) of this subsection, an appraised value may take into consideration the highest and best use of the property.

"(4) The owner of the housing accommodation shall have the burden of proof to establish that an offer of sale under this subsection is a bona fide offer of sale.

"(5)(A) A tenant organization registered according to section 411(1) may challenge the offer presented by an owner of a housing accommodation as not being a bona fide offer of sale, and request a determination of the appraised value of the housing accommodation.

"(B) The tenant organization shall request an appraisal by delivering the request to the Mayor and the owner by hand or by certified mail, within 45 days of receipt of a valid bona fide offer of sale.

"(C)(i) The tenant organization and owner of the housing accommodation shall jointly select an appraiser. If within 14 days after a tenant organization has requested an appraisal, the tenant organization and owner of the housing accommodation have not agreed upon an appraiser, either party may request that the Mayor select an appraiser.

"(ii) A request that the Mayor select an appraiser shall be in writing and delivered by hand or by certified mail to the Mayor and to the owner or tenant organization, respectively.

"(iii) The Mayor shall select the appraiser on a sole source basis within 7 days of receiving the request for an appraiser.

"(D) The tenant organization and owner of the housing accommodation shall pay one-third and two-thirds of the cost of the appraisal, respectively.

"(E)(i) The appraiser shall hold an active license to be a Certified General Real Property Real Estate Appraiser that has been issued by District of Columbia Board of Real Estate Appraisers.

"(ii) The owner shall give the appraiser full, unfettered access to the property.

"(iii) The owner shall respond within 7 days to any request for information from the appraiser.

"(iv) The tenant organization may give the appraiser information relevant to the valuation of the property.

"(F) The appraisal shall be completed expeditiously according to standard industry timeframes.

"(6) Beginning with the date of a tenant organization request for an appraisal, and for each day thereafter until the tenant organization receives the appraisal, the negotiation period described in section 411(2) shall be extended by one day.

"(7)(A) The determination of the appraised value of the housing accommodation in accordance with this subsection shall become the sales price of the bona fide offer of sale for the housing accommodation, unless:

"(i) The owner and the tenant organization agree upon a different sales price of the housing accommodation; or

"(ii) Within 14 days of the receipt of the appraisal by the owner, the owner elects to withdraw the offer of sale.

"(B) The owner shall withdraw the offer of sale by delivering a letter of withdrawal to the Mayor and a member of the board of directors of the tenant organization, by hand or by certified mail. Upon such election, the owner shall reimburse the tenant organization for its entire share of the cost of the appraisal within 14 days. An owner who withdraws an offer of sale in accordance with this paragraph, shall be precluded from making a subsequent offer of sale to the tenant organization without an arm's-length third party contract, for 6 months from the date of the election to withdraw the offer of sale.

"(8) Within 30 days of the receipt of the appraisal conducted by an appraiser selected by the Mayor according to this subsection, either the tenant organization or the owner of the housing accommodation may appeal the appraisal as being in violation of the requirements of this subsection, to the Superior Court of the District of Columbia for the court to take any appropriate action the court may deem necessary.

"(a-3) Notwithstanding subsections (a-1) and (a-2) of this section, for a tenant organization that before the effective date of the TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015, effective June 25, 2015 (D.C. "(1) Beginning January 1, 2014, before an owner of a housing accommodation may sell the accommodation, or issue a notice of intent to recover possession or notice to vacate for purposes of demolition or discontinuance of housing use, the owner shall give the tenant an opportunity to purchase the accommodation at a price and terms that represent a bona fide offer of sale.

"(2) If within 360 days of the date of the issuance of a bona fide offer of sale pursuant to this subsection, an owner has neither sold, or is in the process of selling, the property pursuant to that bona fide offer of sale nor taken possession of the property, the owner shall comply anew with the requirements of this subsection before the owner may again act to sell the housing, or issue a notice of intent to recover possession or notice to vacate for purposes of demolition or discontinuance of housing use.

"(3) For the purposes of this subsection, in the case of multi-unit housing, the term:

"(A)(i) "A bona fide offer of sale" means a sales price that is less than or equal to the appraised value of the real property, multi-unit housing, and any other appurtenant improvements ("property") plus, except as provided in sub-subparagraph (ii) of this subparagraph, the amount of liens existing before the sale or transfer; provided, that the liens shall be satisfied by the seller in the sale or transfer transaction.

"(ii) If the seller and the purchaser agree that the purchaser shall assume the liens, if any, a bona fide offer of sale means a sale price that is less than or equal to the appraised value of the property less the amount of any lien assumed by the purchaser.

"(B)(i) "Appraised value" means an objective property valuation based on the current state of the property and existing zoning, building, and occupancy permits that is no more than 6 months older than the date of issuance of the offer of sale that has been determined by 2 independent appraisals performed by 2 appraisers qualified to perform multi-unit appraisals.

"(ii) Of the 2 appraisers required by sub-subparagraph (i) of this subparagraph, one shall be selected by the owner and one shall be selected by the tenant. If the appraisers fail to agree upon a fair market value, the owner and the tenant shall jointly select and pay a third appraiser, whose appraisal shall be binding, or agree to take an average of the 2 appraisals.

"(C) "Multi-unit housing" means housing with 5 or more units.

"(a-4) Subsection (a-3) shall expire on October 9, 2015.".

(c) Section 411(4) (D.C. To declare the existence of an emergency with respect to the need to approve measures that are necessary to support action taken on the District's Fiscal Year 2016 Budget and Financial Plan.

Fiscal Year 2016 Budget Support Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2016 Budget Support Emergency Declaration Resolution of 2015".

Sec. 2. (a) The Fiscal Year 2016 Budget Support Act of 2015 contains various measures necessary to support the Fiscal Year 2016 Budget and Financial Plan.

(b) There are several time-sensitive provisions contained in the Fiscal Year 2016 Budget Support Act of 2015 that need to be in place in advance of October 1, 2015.

(c) Other provisions in the emergency bill will retain the October 1, 2015, applicability date as provided in the permanent legislation, but should be enacted prior to October 1, 2015, to allow agencies and stakeholders to prepare for implementation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2016 Budget Support Emergency Act of 2015 be adopted after a single reading.

***See* Emergency D.C. Act 21-121 21 DCStat 1700**

To declare the existence of an emergency with respect to the need to institute a moratorium on the construction or operation of any additional facilities that provide automobile painting services in Ward 5.

Ward 5 Paint Spray Booth Moratorium Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Ward 5 Paint Spray Booth Moratorium Emergency Declaration Resolution of 2015".

Sec. 2. (a) It is necessary to place a moratorium on the establishment of new and renewed paint spray booths within Ward 5.

(b) This emergency legislation addresses the immediate and longstanding concerns of residents who are adversely affected by the noxious fumes emanating from already existing paint spray booth operators. Not all operators are in compliance with current law and even those that are, due to the low threshold of certain regulations, persistently pollute the air with such fumes.

(c) There are several pending permit applications in Ward 5 under consideration before the Department of the Environment. The possible granting of these permits will exacerbate the problem by adding new operators within a ward with an already high concentration and disproportionate number of such operators.

(d) The effects of the fumes have a negative impact on economic development and property value within the ward, as well as the quality of life of its residents.

(e) The Council previously enacted legislation entitled the Air Quality Amendment Act of 2014, effective September 9, 2014, (D.C. Law 20-135; 61 DCR 6767). One of the purposes of this law is to combat toxic odors. Even with this, however, the complaints from residents due to such odors caused by paint spray booths remain frequent and steady.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Ward 5 Paint Spray Booth Moratorium Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-219

See Emergency D.C. Act 21-100 21 DCStat 1674

To declare the existence of an emergency with respect to the need to amend section 47-2844 of the District of Columbia Official Code to enable the Mayor to suspend or revoke the business license of any business engaged in the buying or selling of a synthetic drug and to enable the Chief of Police to seal a business licensee's premises for up to 96 hours for the buying or selling of a synthetic drug; and to amend the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 to designate the sale of a synthetic drug as a per se imminent danger to the health or safety of District residents and provide for an administrative hearing after the sealing of a business licensee's premises.

Sale of Synthetic Drugs Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sale of Synthetic Drugs Emergency Declaration Resolution of 2015".

Sec. 2. (a) The sale of prohibited synthetic drugs in the District of Columbia has continued despite enforcement by multiple District agencies. Prohibited synthetic drugs have the potential for life-threatening harm of users, and users in the District and nationwide have experienced severe health consequences for their use.

(b) Enactment of the Sale of Synthetic Drugs Emergency Amendment Act of 2015, passed on emergency basis on June 30, 2015 (Enrolled version of Bill 21-259), will enable the District to immediately seal the premises of, or levy a fine against, a business engaging in the sale of synthetic drugs, which presents an imminent health, safety, and welfare risk to the residents of the District.

(c) Determination of whether a product is a "synthetic drug" would be based on a number of factors, including:

(1) The product is not suitable for its marketed use (such as powders being marketed as "glass cleaner");

(2) The business selling the product does not sell the products used for the product's marketed use (such as a liquor store selling "plant food");

(3) The product contains labeling not typically found on products used for its marketed use (such as "Not for human consumption," "100% legal," "Must be 18 years or older to purchase");

(4) The product is significantly more expensive than products used for its marketed use or resembles an illegal drug; or

(5) The business or any of its employees was warned by a District government agency that a product it was selling was a synthetic drug.

(d) The proposed legislation would allow the District to seal the premises of an offending business, issue heavy fines, and require an administrative hearing within a few days of the event. Because violators of this increased enforcement scheme would face significant financial penalties, it may dissuade other businesses from engaging in the same prohibited behavior.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sale of Synthetic Drugs Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-186

See Emergency D.C. Act 21-103 21 DCStat 1680

To declare the existence of an emergency with respect to the need to approve Change Order Nos. 002 through 004 to Contract No. DCAM-14-CS-0104 with GCS, Inc., for design-build services for the St. Elizabeths Chapel renovation, and to authorize payment in the aggregate amount of $1,177,427 for the goods and services received and to be received under these change orders.

Change Order Nos. 002 through 004 to Contract No. DCAM-14-CS-0104 Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Change Order Nos. 002 through 004 to Contract No. DCAM-14-CS-0104 Approval and Payment Authorization Emergency Declaration Resolution of 2015".

(b) Contract No. DCAM-14-CS-0104 was previously approved by the Council (CA20-0310) and Change Order No. 001 was also approved by the Council (CA20-0423). Thereafter, the Department of General Services issued Change Order No. 002 ($45,124) and Change Order No. 003 ($171,520). The aggregate value of these change orders was less than $1 million; thus, Change Order Nos. 002 and 003 did not require Council approval.

(c) Change Order No. 004 ($960,783) will cause the aggregate value of the change orders issued, after the Council's last approval of Change Order No. 001, to exceed the $1 million threshold pursuant to section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51).

(d) Approval of Change Order Nos. 002 through 004 in the aggregate amount of $1,177,427 is necessary to compensate GCS, Inc., for work completed and to be completed pursuant to Change Order Nos. 002 through 004 to Contract No. DCAM-14-CS-0104 for design-build services for the St. Elizabeths Chapel renovation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Change Order Nos. 002 through 004 to Contract No. DCAM-14-CS-0104 Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

The Department of General Services recently issued Modification No. 10, which exercised Option Year 3 in the amount of $22,986,000 and was approved by the Council as CA21-39.

(c) Modification No. 11 increases the not-to-exceed value of Option Year 2 of Contract No. DCAM-12-NC-0031 by $4,650,038.93, which exceeds the $1 million threshold set forth in section 451 of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Sec. 2. A RESOLUTION

Proposed Resolution 21-297

***See* Emergency D.C. Act 21-151 21 DCStat 1865**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Rental Housing Conversion and Sale Act of 1980 to clarify that a bona fide offer of sale for a housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party contract, shall be based on current, applicable, matter-of-right zoning regulations or laws, or by an existing right to convert to another use, and that the offer may take into consideration the highest and best use of the property, and to establish the right of a tenant organization to a determination of the appraised value of a housing accommodation under certain circumstances.

TOPA Bona Fide Offer of Sale Clarification Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "TOPA Bona Fide Offer of Sale Clarification Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to amend sections 103, 402, and 411 of the Rental Housing Conversion and Sale Act of 1980 ("the Act" or "TOPA"), to clarify that a bona fide offer of sale for a housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party contract, shall be based on current, applicable, matter-of-right zoning regulations or laws, or by an existing right to convert to another use. Further, there is an immediate need to clarify TOPA that a bona fide offer of sale may take into consideration the highest and best use of the property; and finally, to establish the right of a tenant organization to request a determination of the appraised value of a housing accommodation under certain circumstances.

(b) Last September 23, 2014, in an attempt to clarify the term "bona fide offer of sale", and thereby preserve the TOPA rights of the residents at Museum Square and other similarly situated tenants, the Council passed Act 20-434, the Tenant Opportunity to Purchase Emergency Amendment Act of 2014. Law 20-166, the Tenant Opportunity to Purchase Temporary Amendment Act of 2014, the substantively identical temporary version of the emergency bill, went into effect on February 26, 2015, and will expire on October 9, 2015.

(c) Unfortunately, both acts were drafted too broadly and inadvertently covered all TOPA sales, and not just those occurring without a third-party contract, like at Museum Square. As a result, all TOPA sales retroactive to January 1, 2014, were suddenly required to have included two appraisals of the housing accommodation. Due to concerns of the title insurance industry, this all-encompassing retroactive appraisal requirement has stalled a significant number of transactions in the residential real estate market for previous and current TOPA sales. As a result, the collection of recordation taxes has been adversely affected, which in turn has had the potential of reducing funding available to the Housing Production Trust Fund.

(d) This emergency bill is being moved to expeditiously remedy this situation, was drafted in consultation with many stakeholders from all sides of the issue over a period of many weeks, and will fill a gap in effectiveness between the previous emergency act, the TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015, effective June 25, 2015 (D.C. Act 21-95; 62 DCR 9225), that will expire on September 23, 2015, and the temporary legislation, the TOPA Bona Fide Offer of Sale Clarification Temporary Amendment Act of 2015, enacted on July 2, 2015 (D.C. Act 21-98; 62 DCR 9456).

(1) The emergency and temporary bills replace the relevant section of TOPA law, D.C. Official Code § 42-3404.02, and essentially return this subsection to its pre-emergency and pre-temporary language. This means that TOPA will no longer require all TOPA sales to have 2 appraisals, regardless of whether there is a third-party offer.

(2) These bills require that a bona fide offer of sale for a building with 5 or more units based on a landlord's intention to demolish or discontinue housing use, in the very limited circumstance where there is no third-party offer, must be based on current, applicable, matter-of-right laws and regulations, or by an existing right to convert to another use. The offer may take into consideration the highest and best use of the property. This requirement ensures that a bona fide offer of sale will be based on the present value of the property, and not some speculative future value.

(3) These bills protect the elderly residents of Museum Square and other similarly situated tenants by including a retroactive provision for housing accommodation with 5 or more units, for purposes of demolition or discontinuance of housing use, made in the absence of an arm's length third-party.

(4) These bills establish a tenant right to request an appraisal, if the tenants believe that an offer, in the absence of a third-party offer, is too high. They direct tenants to jointly select an appraiser with the landlord, but if they cannot agree, then the appraiser is selected by DHCD's Conversion and Sale Administrator. The cost of the appraisal is split 66/33 between the landlord and tenant (roughly $40-$65 per tenant). The time the appraisal takes is added to the negotiation period allowed tenants.

(5) These bills grandfather-in tenant organizations that, prior to the effective date of the TOPA Bona Fide Offer of Sale Clarification Emergency Amendment Act of 2015, have registered the tenant organization with the Mayor and have reasonably relied upon Act 20-434, the Tenant Opportunity to Purchase Emergency Amendment Act of 2014, and Law 20-166, the Tenant Opportunity to Purchase Temporary Amendment Act of 2014, by requesting an appraisal of their housing accommodations as required under those bills.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the TOPA Bona Fide Offer of Sale Clarification Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-283

See Emergency D.C. Act 21-130 21 DCStat 1851

To declare the existence of an emergency, due to congressional review, with respect to the need to prohibit the electric company from shutting off service when the heat index is forecasted to be 95 degrees Fahrenheit or above.

Heat Wave Safety Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Heat Wave Safety Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to protect District residents who are vulnerable to health impairments that may be caused by periods of extreme heat and who may be unable to cool their homes if their electricity is shut off.

(b) District law prohibits utilities from disconnecting their service when the forecast predicts the temperature will be 32 degrees Fahrenheit or below during the following 24 hours.

(c) Exposure to extreme heat is more likely than extreme cold to cause people to experience negative health consequences, including death; yet the District does not prohibit the disconnection of electricity during or directly preceding periods of extreme heat analogous to the prohibition on disconnections during or directly preceding periods of extreme cold.

(d) Enacting a prohibition on the disconnection of electricity during or directly preceding periods of extreme heat will provide a measure of security for District residents without creating undue hardship for the electric company.

(e) Further, this congressional review emergency legislation is necessary to ensure that there is no gap in legal authority between the expiration of the Heat Wave Safety Emergency Amendment Act of 2015 on September 15, 2015, and the effective date of the Heat Wave Safety Temporary Amendment Act of 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Heat Wave Safety Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-127

To approve as a small area action plan the proposed Southwest Neighborhood Plan.

Southwest Neighborhood Plan Approval Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Southwest Neighborhood Plan Approval Resolution of 2015".

Sec. 2. Pursuant to section 4(c)(4) of the District of Columbia Comprehensive Plan Act of the 1984 Land Use Element Amendment Act of 1984, effective March 16, 1985 (D.C. Law 5-187; D.C. Official Code § 1-306.03(c)(4)), the Mayor transmitted to the Council the proposed Southwest Neighborhood Plan, dated March 27, 2015 ("Plan").

Sec. 3. The Council finds that:

(1) The Plan area, located in Ward 6, is bordered on the north by I-395, to the west by Maine Avenue, S.W., to the east by South Capitol Street, and to the south by P Street, S.W.

(2) Several of the recommendations for the Plan area contained in the Comprehensive Plan have been completed or are underway, including the restoration of 4th Street, S.W., and the replacement of Waterside Mall. In addition, significant change has happened in and around Southwest since the adoption of the Comprehensive Plan in 2006, necessitating the creation of a small area action plan to guide both growth and preservation at the neighborhood level in the Southwest community.

(3) The Office of Planning commenced the process of developing the Plan with a public kickoff in September of 2013. The proposed Plan was published and made available to the public on November 21, 2014, and a Mayoral hearing was conducted on January 28, 2015.

(4) The purpose of the Plan is to provide a community-based strategy and an urban-design, land-use, and neighborhood-preservation framework to enhance parks and pedestrian and street connections, integrate community amenities, enhance transportation choices, and accommodate and guide the direction of future growth in the Southwest neighborhood. The Plan also provides land-use guidance, as well as design guidelines for new development throughout the neighborhood. The Plan envisions creating a thriving, active environment that preserves and enhances the Southwest Neighborhood's culture and character.

(5) The Plan documents the community-based process and records the shared vision and guiding principles that were collectively developed to serve as the foundation for the Plan's key opportunity areas and recommendations.

(6) The Plan is informed by existing conditions, land use, and market analysis, and incorporates a broad range of planning techniques and practical solutions to achieve the District's goals and objectives.

(7) The Plan outlines strategies under 7 core concepts, as follows:

(A) Model Community – remain an exemplary model of equity and inclusion that retains diversity of races, ages, and income levels as the neighborhood continues to grow and change;

(B) Modernist Gem – promote the preservation of Southwest's unique architectural legacy and support new development that reflects the form and rhythm of the historic fabric, reinforcing the neighborhood's architectural legacy;

(C) Green Oasis – improve and enhance existing parks and green spaces, incorporating sustainable best practices and improved environmental performance;

(D) Arts and Culture – position Southwest to flourish as a premier arts and cultural destination, creating synergies between existing cultural assets and attracting new and creative uses and arts-related activities;

(E) Thriving Town Center – develop 4th Street, S.W., as the town center of neighborhood-serving retail and high-quality public realm;

(F) Optimized District Parcels – anticipate future demands on District-controlled parcels, allowing for the use of public resources to benefit the greater community and encouraging high-quality design, while meeting District needs; and

(G) Vibrant Connections – create vibrant connections that support an active and attractive environment, accommodate multiple transportation modes, increase mobility and safety within the community, and provide ease of access to adjacent neighborhoods and the Waterfront.

(8) The Plan includes an implementation table to define each recommendation as near-, mid-, or long-term, and to identify the agency, community partner, or civic organization primarily responsible for the implementation of each recommendation.

(9) Once approved, the Plan will provide supplemental guidance to the Zoning Commission and other District agencies in carrying out the policies of the Comprehensive Plan.

(10) These findings are further explained in the committee report accompanying this resolution.

Sec. 4. The Plan, as submitted, is approved by the Council as a small area action plan.

Sec. 5. The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 6. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-175

To declare that the District-owned real property located at 908 Wahler Place, S.E., in Washington, D.C., most commonly known as the Draper School, and known for tax and assessment purposes as Lot 0801 in Square 5926, is no longer required for public purposes.

Draper School Surplus Property Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Draper School Surplus Property Declaration Resolution of 2015".

Sec. 2. Findings.

(a) The District is the owner of the real property located at 908 Wahler Place, S.E., known for tax and assessment purposes as Lot 0801 in Square 5926 (the "Property"). The Property consists of a building containing approximately 54,800 square feet situated on approximately 206,222 square feet of land.

(b) The District has not used the Property as a District of Columbia traditional public school since before 2008. The most viable option for the site is for its continued use as an educational facility for students in the District. Declaring that the Property is no longer required for public purposes and disposing of it under a long-term ground lease or other method is the most expedient and cost-effective solution to maintain the Property, allow the District to retain long-term fee simple ownership of the Property, and provide the citizens of the District with outstanding educational services.

(c) The District has satisfied the public hearing requirements of section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801(a-1)(4)) (the "Act"), by holding a public hearing on April 30, 2015.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 602(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(3)).

Sec. 6. Effective date.

This resolution shall take effect immediately.

Proposed Resolution 21-294

***See* Emergency D.C. Act 21-150 21 DCStat 1863**

Closing of Public Streets adjacent to Squares 603S, 605, 607, 661, 661N, and 665, and in U.S. Reservations 243 and 244, S.O. 13-14605, Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of Public Streets adjacent to Squares 603S, 605, 607, 661, 661N, and 665, and in U.S. Reservations 243 and 244, S.O. 13-14605, Emergency Declaration Resolution of 2015".

Sec. 2. (a) On December 17, 2014, the Council unanimously approved the District of Columbia Soccer Stadium Development Act of 2014, effective March 11, 2015 (D.C. Law 20-233; to be codified at D.C. Official Code § 10-1651.01 *et seq.*) (the "Act"), as well as accompanying emergency legislation, that enabled the District to acquire land and pay costs necessary for the development of a soccer stadium for D.C. United at Buzzard Point.

(b) On June 30, 2015, consistent with the Act, as amended by the Soccer Stadium Development Technical Clarification Emergency Amendment Act of 2015, effective May 8, 2015 (D.C. Act 21-59; 62 DCR 5962), the Council approved purchase agreements to acquire 3 parcels at Buzzard Point, a sales agreement for a related land swap with Pepco, a revised land development agreement for development of the site, and a ground lease for the stadium to operate. The land development agreement requires that the District obtain site control by September 30, 2015.

(c) On June 30, 2015, the Council also approved on first reading Bill 20-200, the Closing of Public Streets adjacent to Squares 603S, 605, 607, 661, 661N, and 665, and in U.S. Reservations 243 and 244, S.O. 13-14605, Act of 2015, which would order the closing of several streets that currently run between the parcels, the closure of which is necessary to assemble the parcels into a single site.

(d) Because of the upcoming congressional recess, and the Council's recess, Bill 20-200, approved on second reading on July 14, 2015, may not be transmitted for the standard 30-day congressional review period until September 2015.

(e) The proposed legislation is necessary to order the closures and allow for easements for utility relocations during the summer before the September 30, 2015 site-control deadline.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of Public Streets adjacent to Squares 603S, 605, 607, 661, 661N, and 665, and in U.S. Reservations 243 and 244, S.O. 13-14605, Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-279

***See* Emergency D.C. Act 21-149 21 DCStat 1862**

To declare the existence of an emergency with respect to the need to approve an agreement to enter into a long-term subsidy contract for 15 years in support of the District's Local Rent Supplement Program to fund housing costs associated with affordable housing units for Contract No. 2014-LRSP-02 with Square 50 Affordable Housing, LLC, for Local Rent Supplement Program units located at 1211 23rd Street, N.W., and to authorize payment for housing services received and to be received under the contract.

Local Rent Supplement Program Contract No. 2014-LRSP-02 Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Local Rent Supplement Program Contract No. 2014-LRSP-02 Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. In 2007, the District passed Title II of the Fiscal Year 2007 Budget Support Act of 2006 ("BSA") to provide funding for affordable housing for extremely low-income households in the District. The passage of the BSA created the Local Rent Supplement Program ("LRSP"), a program designed to provide affordable housing and supportive services to extremely low-income District residents, including those who are homeless or in need of supportive services, such as elderly individuals or those with disabilities, through project-based, tenant-based, and sponsored-based LRSP affordable housing units. The BSA provided for the District of Columbia Housing Authority ("DCHA") to administer the LRSP on behalf of the District.

Sec. 3. In April 2014, DCHA participated in a Request for Proposals issued by the District of Columbia Department of Housing and Community Development ("DHCD"). Of the total proposals received, 12 developers were chosen to work with DCHA and other District agencies to develop affordable housing and permanent supportive housing units for extremely low-income families making 0 – 30% of the area's median income, as well as the chronically homeless and individuals with mental or physical disabilities throughout the District. Upon approval of the contract by the Council, DCHA will enter into an agreement to enter into a long-term contract ("ALTSC") with the selected housing providers under the LRSP for housing services provided under the contract.

Sec. 4. (a) There exists an immediate need to approve the ALTSC with Square 50 Affordable Housing, LLC, under the District of Columbia Housing Authority's Local Rent Supplement Program in order to provide long-term affordable housing units for extremely low-income households in the District for units at The West End, located at 1211 23rd Street, N.W.

(b) The emergency legislation to approve the contract will authorize an ALTSC between the District of Columbia Housing Authority and Square 50 Affordable Housing, LLC, with respect to the payment of a rental subsidy, and allow the owner to lease the rehabilitated units at The West End and house District of Columbia extremely low-income households with incomes at 30% or less of the area median income.

Sec. 5. The Council of the District of Columbia determines that the circumstances enumerated in section 4 constitute emergency circumstances making it necessary that the Local Rent Supplement Program Contract No. 2014-LRSP-02 Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Sec. 6. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-299

See Emergency D.C. Act 21-136 21 DCStat 1857

To declare the existence of an emergency with respect to the need to approve the disposition by lease of District-owned real property located at 1351 Nicholson Street, N.W., commonly known as the Old Brightwood School and designated for tax and assessment purposes as Lot 0846 in Square 2794.

1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Emergency Declaration Resolution of 2015".

Sec. 2. (a) On March 1, 2001, the Community Academy Public Charter School, Inc. ("CAPCS") entered into a lease agreement with the District to lease the property located at 1351 Nicholson Street, N.W. (Lot 0846, Square 2794), which is improved by the Old Brightwood School, for a period of twenty years.

(b) On February 19, 2015, the District of Columbia Public Charter School Board ("PCSB") voted to revoke the charter of CAPCS at the end of the 2014-2015 school year, with the revocation to occur as of July 1, 2015. In order to ensure that the students currently enrolled at CAPCS schools are not displaced, PCSB and the Deputy Mayor for Education worked to identify other entities that would be willing and able to assume control over the various CAPCS campuses. Friendship Public Charter School, Inc. ("Friendship PCS") agreed to take over the CAPCS campus located at 1351 Nicholson Street, N.W. (the "Nicholson Street Property") and is stepping in as an assignee of the lease CAPCS had with the District.

(c) Friendship PCS currently operates nine charter campuses in the District and will expand to eleven with the inclusion of the campus at Nicholson Street and CAPCS's Armstrong campus. Of the campuses currently operated by Friendship PCS and tiered on the Public Charter School Board's Performance Management Framework, three are Tier 1 schools and three are Tier 2 schools. Friendship PCS plans to achieve this same level of excellence at the Nicholson Street and Armstrong campuses.

(d) In assuming the lease for the Nicholson Street Property from CAPCS, Friendship PCS has agreed to shoulder responsibility for a $22 million bond that CAPCS originally had for the online campus located at the Nicholson Street campus. This bond was set to default on June 30, 2015 due to CAPCS's charter being revoked and its inability to pay for the bond. In accepting responsibility for this $22 million bond, Friendship PCS seeks to combine the $22 million bond with its current bond assets and is looking to close on these consolidated bonds by the end of August 2015.

(e) A condition of Friendship PCS's ability to close is the approval by the Council of Friendship PCS's assumption of the Nicholson Street Property lease from CAPCS. Thus,

emergency circumstances exist that necessitate the immediate approval of the District's lease with Friendship PCS as an assignee of the original lease between the District and CAPCS for the Nicholson Street Property. If Friendship PCS is delayed in closing on the bond consolidation, it runs the risk of incurring a higher interest rate in the fall, thereby potentially costing the public charter school hundreds of thousands of dollars in additional annual payments.

(f) On May 18, 2015, Bill 21-201, the "1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Act of 2015" was introduced by Chairman Mendelson at the request of the Mayor. The Committee of the Whole held a hearing on July 6, 2015 on Bill 21-201. This bill will be marked up on July 14, 2015 by the Committee of the Whole, with first reading also occurring on July 14, 2015, but it will not come before the Council for a second reading until late September 2015, after the Council returns from summer recess. Because Friendship PCS needs this legislation to be approved fully before it can close, an immediate need exists to approve this emergency in addition to the permanent version of this legislation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the 1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Emergency Act of 2015 be adopted after a single reading.

A RESOLUTION

Proposed Resolution 21-298

See Emergency D.C. Act 21-152 21 DCStat 1870

To declare the existence of an emergency with respect to the need to approve the disposition by lease of District-owned real property located at 4095 Minnesota Avenue, N.E., commonly known as the Woodson School and designated for tax and assessment purposes as Lot 0813 in Square 5078.

4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Emergency Declaration Resolution of 2015".

Sec. 2. (a) On May 26, 2000, Friendship Public Charter School, Inc. ("Friendship PCS") entered a lease agreement with the District to lease the property located at 4095 Minnesota Avenue, N.E. (Lot 0813, Square 5078) for a period of twenty years. In 2009, the lease was amended to extend it for an additional ten years, giving the lease a total duration of thirty years. Friendship PCS seeks to amend the lease again to extend it for another ten years, for a total of forty years. The amended lease would also include an option for a twenty-five year renewal.

(b) On April 14, 2015, the Council of the District of Columbia approved Resolution 21-77, the Friendship Public Charter School, Inc. Revenue Bonds Project Approval Resolution of 2015. Resolution 21-77 authorized and provided for the issuance, sale, and delivery of District revenue bonds to Friendship PCS in an amount not to exceed $70 million. Having received this bond financing, Friendship PCS now requests an extension of its 4095 Minnesota Avenue, N.E. lease.

(c) Additionally, on February 19, 2015, the District of Columbia Public Charter School Board ("PCSB") voted to revoke the charter of Community Academy Public Charter School, Inc. ("CAPCS") at the end of the 2014-2015 school year, with the revocation to occur as of July 1, 2015. In order to ensure that the students currently enrolled at CAPCS schools are not displaced, PCSB and the Deputy Mayor for Education worked to identify other entities that would be willing and able to assume control over the various CAPCS campuses. Friendship PCS agreed to take over the CAPCS campus located at 1351 Nicholson Street, N.W. (the "Nicholson Street Property"), as well as CAPCS's Armstrong property, and is stepping in as an assignee of the lease CAPCS had with the District for the Nicholson Street Property.

(d) Friendship PCS currently operates nine charter campuses in the District and will expand to eleven with the inclusion of the campus at Nicholson Street and CAPCS's Armstrong campus. Of the campuses currently operated by Friendship PCS and tiered on the Public Charter School Board's Performance Management Framework, three are Tier 1 schools and three are Tier 2 schools. Friendship PCS plans to achieve this same level of excellence at the Nicholson Street and Armstrong campuses.

(e) In assuming the lease for the Nicholson Street Property from CAPCS, Friendship

PCS has agreed to shoulder responsibility for a $22 million bond that CAPCS originally had for the online campus located at the Nicholson Street Property. This bond was set to default on June 30, 2015 due to CAPCS's charter being revoked and its inability to pay for the bond. In accepting responsibility for this $22 million bond, Friendship PCS seeks to combine the $22 million bond with its current bond assets, most of which Friendship PCS acquired through Resolution 21-77, and is looking to close on these consolidated bonds by the end of August 2015.

(f) A condition of its ability to close is the approval by the Council of the District of Columbia of the extension of Friendship PCS's lease for the property at 4095 Minnesota Ave. N.E. Thus, emergency circumstances exist that necessitate the immediate approval of the extension of the District's lease with Friendship PCS for the 4095 Minnesota Avenue, N.E. property. If Friendship PCS is delayed in closing on the bond consolidation, it runs the risk of incurring a higher interest rate in the fall, thereby potentially costing the public charter school hundreds of thousands of dollars in additional annual payments.

(g) On May 18, 2015, Bill 21-204, the "4095 Minnesota Avenue, N.E. Woodson School Lease Amendment Act of 2015" was introduced by Chairman Mendelson at the request of the Mayor. The Committee of the Whole held a hearing on July 6, 2015 on Bill 21-204. This bill will be marked up on July 14, 2015 by the Committee of the Whole, with first reading also occurring on July 14, 2015, but it will not come before the Council for a second reading until late September 2015, after the Council returns from summer recess. Because Friendship PCS needs this legislation to be approved fully before it can close, an immediate need exists to approve this emergency in addition to the permanent version of this legislation.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the 4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to approve the reprogramming request of $2,400,000 in local funds within the Department of General Services for Facilities Operations.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Reprogramming $2,400,000 in Local Funds within the Department of General Services Approval Emergency Declaration Resolution of 2015".

Sec. 2. A RESOLUTION

Proposed Resolution 21-124

To declare that the District-owned real property located at 965 Florida Avenue, N.W., and known for tax and assessment purposes as Parcel 1102 in Square 2873, is no longer required for public purposes.

965 Florida Avenue, N.W., Surplus Property Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "965 Florida Avenue, N.W., Surplus Property Declaration Resolution of 2015".

Sec. 2. Findings.

(a) The District is the owner of the real property located at 965 Florida Avenue, N.W., known for tax and assessment purposes as Parcel 1102 in Square 2873 ("Property"). The Property consists of approximately 63,418 square feet of land.

(b) The Property is no longer required for public purposes because the Property's condition cannot viably accommodate a District agency use or other public use without cost-prohibitive new construction. The most pragmatic solution for reactivating this space is to declare the Property surplus and dispose of the Property for redevelopment.

(c) The District has satisfied the public hearing requirements of section 1(a-1)(4) of An Act Authorizing the sale of certain real estate in the District of Columbia no longer required for public purposes, approved August 5, 1939 (53 Stat. 1211; D.C. Official Code § 10-801(a-1)(4)) ("Act"), by holding a public hearing on December 1, 2014, at DCHFA Auditorium, located at 815 Florida Avenue, N.W.

Sec. 3. Pursuant to section 1(a-1) of the Act, the Council finds that the Property is no longer required for public purposes.

Sec. 4. Transmittal.

The Council shall transmit a copy of this resolution, upon its adoption, to the Mayor.

Sec. 5. Fiscal impact statement.

The Council adopts the fiscal impact statement in the committee report as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

Sec. 6. Effective date.

This resolution shall take effect immediately.

(1) At the time of the filing of a request for modification the District is the residence of the obligor, the individual obligee, or the child for whose benefit the support order is issued; or

(2) Even if the District is not the residence of the obligor, the individual obligee, or the child for whose benefit the support order is issued, the parties consent in a record or in open court that the tribunal of the District may continue to exercise jurisdiction to modify its order.

(2) Its order is not the controlling order.

(c) If a tribunal of another state has issued a child-support order pursuant to the Uniform Interstate Family Support Act or a law substantially similar to that Act which modifies a child-support order of a tribunal of the District, a tribunal of the District shall recognize the continuing, exclusive jurisdiction of the tribunal of the other state.

(d) A tribunal of the District that lacks continuing, exclusive jurisdiction to modify a child-support order, may serve as an initiating tribunal to request a tribunal of another state to modify a support order issued in that state.

(e) A temporary support order issued ex parte or pending resolution of a jurisdictional conflict does not create continuing, exclusive jurisdiction in the issuing tribunal.

Sec. 206. Continuing jurisdiction to enforce child-support order. **Note, New § 46-352.06**

(a) A tribunal of the District that has issued a child-support order consistent with the law of the District may serve as an initiating tribunal to request a tribunal of another state to enforce:

(2) A money judgment for arrears of support and interest on the order accrued before a determination that an order of a tribunal of another state is the controlling order.

(b) A tribunal of the District having continuing jurisdiction over a support ordermay act as a responding tribunal to enforce the order.

Sec. 207. Determination of controlling child-support order.

Note, New § 46-352.07

(a) If a proceeding is brought under this act and only one tribunal has issued a child-support order, the order of that tribunal controls and must be recognized.

(b) If a proceeding is brought under this act, and 2 or more child-support orders have been issued by tribunals of the District, of another state, or a foreign country with regard to the same obligor and same child, a tribunal of the District having personal jurisdiction over both the obligor and individual obligee shall apply the following rules and by order shall determine which order controls and must be recognized:

(1) If only one of the tribunals would have continuing, exclusive jurisdiction under this act, the order of that tribunal controls.

(2) If more than one of the tribunals would have continuing, exclusive jurisdiction under this act:

(A) An order issued by a tribunal in the current home state of the child controls; or

(B) If an order has not been issued in the current home state of the child, the order most recently issued controls.

(3) If none of the tribunals would have continuing, exclusive jurisdiction under this act, the tribunal of the District shall issue a child-support order, which controls.

(c) If 2 or more child-support orders have been issued for the same obligor and same child, upon request of a party who is an individual or that is a support enforcement agency, a tribunal of the District having personal jurisdiction over both the obligor and the obligee who is an individual shall determine which order controls under subsection (b) of this section. The request may be filed with a registration for enforcement or registration for modification pursuant to Title 6, or may be filed as a separate proceeding.

(d) A request to determine which is the controlling order must be accompanied by a copy of every child-support order in effect and the applicable record of payments. The requesting party shall give notice of the request to each party whose rights may be affected by the determination.

(e) The tribunal that issued the controlling order under subsection (a), (b), or (c) of this section has continuing jurisdiction to the extent provided in section 205 or 206.

(f) A tribunal of the District that determines by order which is the controlling order under subsection (b)(1) or (2) or (c) of this section, or that issues a new controlling order under subsection (b)(3) of this section, shall state in that order:

(1) The basis upon which the tribunal made its determination;

(2) The amount of prospective support, if any; and

(3) The total amount of consolidated arrears and accrued interest, if any, under all of the orders after all payments made are credited as provided by section 209.

(g) Within 30 days after issuance of an order determining which is the controlling order, the party obtaining the order shall file a certified copy of it in each tribunal that issued or registered an earlier order of child support. A party or support enforcement agency obtaining the order that fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the controlling order.

(h) An order that has been determined to be the controlling order, or a judgment for consolidated arrears of support and interest, if any, made pursuant to this section must be recognized in proceedings under this act.

Sec. 208. Child-support orders for 2 or more obligees. **Note, New § 46-352.08**

In responding to registrations or petitions for enforcement of 2 or more child-support orders in effect at the same time with regard to the same obligor and different individual obligees, at least one of which was issued by a tribunal of another state or a foreign country, a tribunal of the District shall enforce those orders in the same manner as if the orders had been issued by a tribunal of the District.

Sec. 209. Credit for payments. **Note, New § 46-352.09**

A tribunal of the District shall credit amounts collected for a particular period pursuant to any child-support order against the amounts owed for the same period under any other child-support order for support of the same child issued by a tribunal of the District, another state, or a foreign country.

Sec. 210. Application of act to nonresident subject to personal jurisdiction. **Note, New § 46-352.10**

A tribunal of the District exercising personal jurisdiction over a nonresident in a proceeding under this act, under other law of the District relating to a support order, or recognizing a foreign support order, may receive evidence from outside the District pursuant to section 316, communicate with a tribunal outside the District pursuant to section 317, and obtain discovery through a tribunal outside the District pursuant to section 318. In all other respects, Titles 3 through 6 do not apply, and the tribunal shall apply the procedural and substantive law of the District.

(b) If requested by the responding tribunal, a tribunal of the District shall issue a certificate or other document and make findings required by the law of the responding state. If the responding tribunal is in a foreign country, upon request the tribunal of the District shall specify the amount of support sought, convert that amount into the equivalent amount in the

foreign currency under the applicable official or market exchange rate as publicly reported, and provide any other documents necessary to satisfy the requirements of the responding foreign tribunal.

Sec. 305. Duties and powers of responding tribunal. **Note, New § 46-353.05**

(a) When a responding tribunal of the District receives a petition or comparable pleading from an initiating tribunal or directly pursuant to section 301(b), it shall cause the petition or pleading to be filed and notify the petitioner where and when it was filed.

(b) A responding tribunal of the District, to the extent not prohibited by other law, may do one or more of the following:

(1) Establish or enforce a support order, modify a child-support order, determine the controlling child-support order, or determine parentage of a child;

(2) Order an obligor to comply with a support order, specifying the amount and the manner of compliance;

(3) Order income withholding;

(4) Determine the amount of any arrearages, and specify a method of payment;

(5) Enforce orders by civil or criminal contempt, or both;

(6) Set aside property for satisfaction of the support order;

(8) Order an obligor to keep the tribunal informed of the obligor's current residential address, electronic-mail address, telephone number, employer, address of employment, and telephone number at the place of employment;

(d) A responding tribunal of the District may not condition the payment of a support order issued under this act upon compliance by a party with provisions for visitation.

(e) If a responding tribunal of the District issues an order under this act, the tribunal shall send a copy of the order to the petitioner and the respondent and to the initiating tribunal, if any.

(f) If requested to enforce a support order, arrears, or judgment or modify a support order stated in a foreign currency, a responding tribunal of the District shall convert the amount stated in the foreign currency to the equivalent amount in dollars under the applicable official or market exchange rate as publicly reported.

If a petition or comparable pleading is received by an inappropriate tribunal of the District, the tribunal shall forward the pleading and accompanying documents to an appropriate tribunal of the District or of another state and notify the petitioner where and when the pleading was sent.

Sec. 307. Duties of support enforcement agency. **Note, New § 46-353.07**

(a) In a proceeding under this act a support enforcement agency of the District, upon request:

(1) Shall provide services to a petitioner residing in a state;

(2) Shall provide services to a petitioner requesting services through a central authority of a foreign country as described in section 102(6)(A) or (D); and

(3) May provide services to a petitioner who is an individual not residing in a state.

(b) A support enforcement agency of the District that is providing services to the petitioner shall:

(1) Take all steps necessary to enable an appropriate tribunal of the District, another state, or a foreign country to obtain jurisdiction over the respondent;

(2) Request an appropriate tribunal to set a date, time, and place for a hearing;

(3) Make a reasonable effort to obtain all relevant information, including information as to income and property of the parties;

(4) Within 2 days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of notice in a record from an initiating, responding, or registering tribunal, send a copy of the notice to the petitioner;

(5) Within 2 days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of communication in a record from the respondent or the respondent's attorney, send a copy of the communication to the petitioner; and

(6) Notify the petitioner if jurisdiction over the respondent cannot be obtained.

(c) A support enforcement agency of the District that requests registration of a child-support order in the District for enforcement or for modification shall make reasonable efforts:

(1) To ensure that the order to be registered is the controlling order; or

(2) If 2 or more child-support orders exist and the identity of the controlling order has not been determined, to ensure that a request for such a determination is made in a tribunal having jurisdiction to do so.

(d) A support enforcement agency of the District that requests registration and enforcement of a support order, arrears, or judgment stated in a foreign currency shall convert the amounts stated in the foreign currency into the equivalent amounts in dollars under the applicable official or market exchange rate as publicly reported.

(e) A support enforcement agency of the District shall issue or request a tribunal of the District to issue a child-support order and an income-withholding order that redirect payment of

current support, arrears, and interest if requested to do so by a support enforcement agency of another state pursuant to section 319.

(f) This act does not create or negate a relationship of attorney and client or other fiduciary relationship between a support enforcement agency or the attorney for the agency and the individual being assisted by the agency.

Sec. 308. Duty of Office of the Attorney General. **Note, New § 46-353.08**

The Office of the Attorney General may determine that a foreign country has established a reciprocal arrangement for child support with the District and take appropriate action for notification of the determination.

Sec. 309. Private counsel. **Note, New § 46-353.09**

An individual may employ private counsel to represent the individual in proceedings authorized by this act.

Sec. 310. Duties of Office of the Attorney General as state information agency. **Note, New § 46-353.10**

(a) The Office of the Attorney General is the state information agency under this act.

(b) The state information agency shall:

(1) Compile and maintain a current list, including addresses, of the tribunals in the District which have jurisdiction under this act and any support enforcement agencies in the District and transmit a copy to the state information agency of every other state;

(2) Maintain a register of names and addresses of tribunals and support enforcement agencies received from other states;

(3) Forward to the appropriate tribunal in the District all documents concerning a proceeding under this act received from another state or a foreign country; and

(4) Obtain information concerning the location of the obligor and the obligor's property within the District not exempt from execution, by such means as postal verification and federal or state locator services, examination of telephone directories, requests for the obligor's address from employers, and examination of governmental records, including, to the extent not prohibited by other law, those relating to real property, vital statistics, law enforcement, taxation, motor vehicles, driver's licenses, and social security.

Sec. 311. Pleadings and accompanying documents. **Note, New § 46-353.11**

(a) In a proceeding under this act, a petitioner seeking to establish a support order, to determine parentage of a child, or to register and modify a support order of a tribunal of another state or a foreign country must file a petition. Unless otherwise ordered under section 312, the petition or accompanying documents must provide, so far as known, the name, residential address, and social security numbers of the obligor and the obligee or the parent and alleged parent, and the name, sex, residential address, social security number, and date of birth of each child for whose benefit support is sought or whose parentage is to be determined. Unless filed at the time of registration, the petition must be accompanied by a copy of any support order known

to have been issued by another tribunal. The petition may include any other information that may assist in locating or identifying the respondent.

(b) The petition must specify the relief sought. The petition and accompanying documents must conform substantially with the requirements imposed by the forms mandated by federal law for use in cases filed by a support enforcement agency.

Sec. 312. Nondisclosure of information in exceptional circumstances. **Note, New § 46-353.12**

If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of specific identifying information, that information must be sealed and may not be disclosed to the other party or the public. After a hearing in which a tribunal takes into consideration the health, safety, or liberty of the party or child, the tribunal may order disclosure of information that the tribunal determines to be in the interest of justice.

Sec. 313. Costs and fees. **Note, New § 46-353.13**

(a) The petitioner may not be required to pay a filing fee or other costs.

(b) If an obligee prevails, a responding tribunal of the District may assess against an obligor filing fees, reasonable attorney's fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. The tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or responding state or foreign country, except as provided by other law. Attorney's fees may be taxed as costs, and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of support owed to the obligee has priority over fees, costs, and expenses.

(c) The tribunal shall order the payment of costs and reasonable attorney's fees if it determines that a hearing was requested primarily for delay. In a proceeding under Title 6, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

Sec. 314. Limited immunity of petitioner. **Note, New § 46-353.14**

(a) Participation by a petitioner in a proceeding under this act before a responding tribunal, whether in person, by private attorney, or through services provided by the support enforcement agency, does not confer personal jurisdiction over the petitioner in another proceeding.

(b) A petitioner is not amenable to service of civil process while physically present in the District to participate in a proceeding under this act.

(c) The immunity granted by this section does not extend to civil litigation based on acts unrelated to a proceeding under this act committed by a party while physically present in the District to participate in the proceeding.

Sec. 315. Nonparentage as defense. **Note, New § 46-353.15**

A party whose parentage of a child has been previously determined by or pursuant to law may not plead nonparentage as a defense to a proceeding under this act.

Sec. 316. Special rules of evidence and procedure. **Note, New § 46-353.16**

(a) The physical presence of a nonresident party who is an individual in a tribunal of the District is not required for the establishment, enforcement, or modification of a support order or the rendition of a judgment determining parentage of a child.

(b) An affidavit, a document substantially complying with federally mandated forms, or a document incorporated by reference in any of them, which would not be excluded under the hearsay rule if given in person, is admissible in evidence if given under penalty of perjury by a party or witness residing outside the District.

(c) A copy of the record of child-support payments certified as a true copy of the original by the custodian of the record may be forwarded to a responding tribunal. The copy is evidence of facts asserted in it, and is admissible to show whether payments were made.

(d) Copies of bills for testing for parentage of a child, and for prenatal and postnatal health care of the mother and child, furnished to the adverse party at least 10 days before trial, are admissible in evidence to prove the amount of the charges billed and that the charges were reasonable, necessary, and customary.

(e) Documentary evidence transmitted from outside the District to a tribunal of the District by telephone, telecopier, or other electronic means that do not provide an original record may not be excluded from evidence on an objection based on the means of transmission.

(f) In a proceeding under this act, a tribunal of the District shall permit a party or witness residing outside the District to be deposed or to testify under penalty of perjury by telephone, audiovisual means, or other electronic means at a designated tribunal or other location. A tribunal of the District shall cooperate with other tribunals in designating an appropriate location for the deposition or testimony.

(g) If a party called to testify at a civil hearing refuses to answer on the ground that the testimony may be self-incriminating, the trier of fact may draw an adverse inference from the refusal.

(h) A privilege against disclosure of communications between spouses does not apply in a proceeding under this act.

(i) The defense of immunity based on the relationship of husband and wife or parent and child does not apply in a proceeding under this act.

(j) A voluntary acknowledgment of paternity, certified as a true copy, is admissible to establish parentage of the child.

Sec. 317. Communications between tribunals. **Note, New § 46-353.17**

A tribunal of the District may communicate with a tribunal outside the District in a record or by telephone, electronic mail, or other means, to obtain information concerning the laws, the legal effect of a judgment, decree, or order of that tribunal, and the status of a proceeding. A

tribunal of the District may furnish similar information by similar means to a tribunal outside the District.

Sec. 318. Assistance with discovery. **Note, New § 46-353.18**

A tribunal of the District may:

(1) Request a tribunal outside the District to assist in obtaining discovery; and

(2) Upon request, compel a person over which it has jurisdiction to respond to a discovery order issued by a tribunal outside the District.

Sec. 319. Receipt and disbursement of payments. **Note, New § 46-353.19**

(a) A support enforcement agency or tribunal of the District shall disburse promptly any amounts received pursuant to a support order, as directed by the order. The agency or tribunal shall furnish to a requesting party or tribunal of another state or a foreign country a certified statement by the custodian of the record of the amounts and dates of all payments received.

(b) If neither the obligor, nor the obligee who is an individual, nor the child resides in the District, upon request from the support enforcement agency of the District or another state, the support enforcement agency of the District or a tribunal of the District shall:

(1) Direct that the support payment be made to the support enforcement agency in the state in which the obligee is receiving services; and

(2) Issue and send to the obligor's employer a conforming income-withholding order or an administrative notice of change of payee, reflecting the redirected payments.

(c) The support enforcement agency of the District receiving redirected payments from another state pursuant to a law similar to subsection (b) of this section shall furnish to a requesting party or tribunal of the other state a certified statement by the custodian of the record of the amount and dates of all payments received.

TITLE 4. ESTABLISHMENT OF SUPPORT ORDER OR DETERMINATION OF PARENTAGE. **Subchapter IV**

Sec. 401. Establishment of support order. **Note, New § 46-354.01**

(a) If a support order entitled to recognition under this act has not been issued, a responding tribunal of the District with personal jurisdiction over the parties may issue a support order if:

(1) The individual seeking the order resides outside the District; or

(2) The support enforcement agency seeking the order is located outside the District.

(b) The tribunal may issue a temporary child-support order if the tribunal determines that such an order is appropriate and the individual ordered to pay is:

(1) A presumed father of the child;

(2) Petitioning to have his paternity adjudicated;

(3) Identified as the father of the child through genetic testing;

(4) An alleged father who has declined to submit to genetic testing;

(5) Shown by clear and convincing evidence to be the father of the child;

(6) An acknowledged father as provided by D.C. Official Code §§ 16-909.01 to 16-909.05;

(7) The mother of the child; or

(8) An individual who has been ordered to pay child support in a previous proceeding and the order has not been reversed or vacated.

(c) Upon finding, after notice and opportunity to be heard, that an obligor owes a duty of support, the tribunal shall issue a support order directed to the obligor and may issue other orders pursuant to section 305.

Note, New § 46-354.02

Sec. 402. Proceeding to determine parentage.

A tribunal of the District authorized to determine parentage of a child may serve as a responding tribunal in a proceeding to determine parentage of a child brought under this act or a law or procedure substantially similar to this act.

Subchapter V, Note, New § 46-355.01

TITLE 5. ENFORCEMENT OF SUPPORT ORDER WITHOUT REGISTRATION.

Sec. 501. Employer's receipt of income-withholding order of another state.

An income-withholding order issued in another state may be sent by or on behalf of the obligee, or by the support enforcement agency, to the person defined as the obligor's employer under the D.C. Child Support Enforcement Amendment Act of 1985, effective February 24, 1987 (D.C. Law 6–166; D.C. Official Code § 46-201 *et seq*.) without first filing a petition or comparable pleading or registering the order with a tribunal of the District.

Note, New § 46-355.02

Sec. 502. Employer's compliance with income-withholding order of another state.

(a) Upon receipt of an income-withholding order, the obligor's employer shall immediately provide a copy of the order to the obligor.

(b) The employer shall treat an income-withholding order issued in another state which appears regular on its face as if it had been issued by a tribunal of the District.

(c) Except as otherwise provided in subsection (d) of this section and section 503, the employer shall withhold and distribute the funds as directed in the withholding order by complying with terms of the order which specify:

(1) The duration and amount of periodic payments of current child support, stated as a sum certain;

(2) The person designated to receive payments and the address to which the payments are to be forwarded;

(3) Medical support, whether in the form of periodic cash payment, stated as a sum certain, or ordering the obligor to provide health insurance coverage for the child under a policy available through the obligor's employment;

(4) The amount of periodic payments of fees and costs for a support enforcement agency, the issuing tribunal, and the obligee's attorney, stated as sums certain; and

(5) The amount of periodic payments of arrearages and interest on arrearages, stated as sums certain.

(d) An employer shall comply with the law of the state of the obligor's principal place of employment for withholding from income with respect to:

(1) The employer's fee for processing an income-withholding order;

(2) The maximum amount permitted to be withheld from the obligor's income; and

(3) The times within which the employer must implement the withholding order and forward the child-support payment.

Sec. 503. Employer's compliance with 2 or more income-withholding orders. **Note, New § 46-355.03**

If an obligor's employer receives 2 or more income-withholding orders with respect to the earnings of the same obligor, the employer satisfies the terms of the orders if the employer complies with the law of the state of the obligor's principal place of employment to establish the priorities for withholding and allocating income withheld for 2 or more child-support obligees.

Sec. 504. Immunity from civil liability. **Note, New § 46-355.04**

An employer that complies with an income-withholding order issued in another state in accordance with this title is not subject to civil liability to an individual or agency with regard to the employer's withholding of child support from the obligor's income.

Sec. 505. Penalties for noncompliance. **Note, New § 46-355.05**

An employer that willfully fails to comply with an income-withholding order issued in another state and received for enforcement is subject to the same penalties that may be imposed for noncompliance with an order issued by a tribunal of the District.

Sec. 506. Contest by obligor. **Note, New § 46-355.06**

(a) An obligor may contest the validity or enforcement of an income-withholding order issued in another state and received directly by an employer in the District by registering the order in a tribunal of the District and filing a contest to that order as provided in Title 6, or otherwise contesting the order in the same manner as if the order had been issued by a tribunal of the District.

(b) The obligor shall give notice of the contest to:

(1) A support enforcement agency providing services to the obligee;

(2) Each employer that has directly received an income-withholding order relating to the obligor; and

(3) The person designated to receive payments in the income-withholding order or, if no person is designated, to the obligee.

Sec. 507. Administrative enforcement of orders. **Note, New § 46-355.07**

(a) A party or support enforcement agency seeking to enforce a support order or an income-withholding order, or both, issued in another state or a foreign support order may send the documents required for registering the order to a support enforcement agency of the District.

(b) Upon receipt of the documents, the support enforcement agency, without initially seeking to register the order, shall consider and, if appropriate, use any administrative procedure authorized by the law of the District to enforce a support order or an income-withholding order, or both. If the obligor does not contest administrative enforcement, the order need not be registered. If the obligor contests the validity or administrative enforcement of the order, the support enforcement agency shall register the order pursuant to this act.

TITLE 6. REGISTRATION, ENFORCEMENT, AND MODIFICATION OF SUPPORT ORDER. **Subchapter VI**

SUBTITLE A. REGISTRATION FOR ENFORCEMENT OF SUPPORT ORDER. **Part A**

(5) Except as otherwise provided in section 312, the name and address of the obligee and, if applicable, the person to whom support payments are to be remitted.

(b) On receipt of a request for registration, the registering tribunal shall cause the order to be filed as an order of a tribunal of another state or a foreign support order, together with one copy of the documents and information, regardless of their form.

(c) A petition or comparable pleading seeking a remedy that must be affirmatively sought under other law of the District may be filed at the same time as the request for registration or later. The pleading must specify the grounds for the remedy sought.

(d) If two or more orders are in effect, the person requesting registration shall:

(1) Furnish to the tribunal a copy of every support order asserted to be in effect in addition to the documents specified in this section;

(2) Specify the order alleged to be the controlling order, if any; and

(3) Specify the amount of consolidated arrears, if any.

(e) A request for a determination of which is the controlling order may be filed separately or with a request for registration and enforcement or for registration and modification. (b) A registered support order issued in another state or a foreign country is enforceable in the same manner and is subject to the same procedures as an order issued by a tribunal of the District.

(c) Except as otherwise provided in this act, a tribunal of the District shall recognize and enforce, but may not modify, a registered support order if the issuing tribunal had jurisdiction.

Sec. 604. Choice of law. **Note, New § 46-356.04**

(a) Except as otherwise provided in subsection (d) of this section, the law of the issuing state or foreign country governs:

(1) The nature, extent, amount, and duration of current payments under a registered support order;

(2) The computation and payment of arrearages and accrual of interest on the arrearages under the support order; and

(3) The existence and satisfaction of other obligations under the support order.

(b) In a proceeding for arrears under a registered support order, the statute of limitation of the District, or of the issuing state or foreign country, whichever is longer, applies.

(c) A responding tribunal of the District shall apply the procedures and remedies of the District to enforce current support and collect arrears and interest due on a support order of another state or a foreign country registered in the District.

(d) After a tribunal of the District or another state determines which is the controlling order and issues an order consolidating arrears, if any, a tribunal of the District shall prospectively apply the law of the state or foreign country issuing the controlling order, including its law on interest on arrears, on current and future support, and on consolidated arrears.

SUBTITLE B. CONTEST OF VALIDITY OR ENFORCEMENT.

Part B

Sec. 605. Notice of registration of order.

Note, New § 46-356.05

(a) When a support order or income-withholding order issued in another state or a foreign support order is registered, the registering tribunal of the District shall notify the nonregistering party. The notice must be accompanied by a copy of the registered order and the documents and relevant information accompanying the order.

(b) A notice must inform the nonregistering party:

(1) That a registered support order is enforceable as of the date of registration in the same manner as an order issued by a tribunal of the District;

(2) That a hearing to contest the validity or enforcement of the registered order must be requested within 20 days after notice unless the registered order is under section 707;

(3) That failure to contest the validity or enforcement of the registered order in a timely manner will result in confirmation of the order and enforcement of the order and the alleged arrearages; and

(4) Of the amount of any alleged arrearages.

(c) If the registering party asserts that 2 or more orders are in effect, a notice must also:

(1) Identify the 2 or more orders and the order alleged by the registering party to be the controlling order and the consolidated arrears, if any;

(2) Notify the nonregistering party of the right to a determination of which is the controlling order;

(3) State that the procedures provided in subsection (b) of this section apply to the determination of which is the controlling order; and

(4) State that failure to contest the validity or enforcement of the order alleged to be the controlling order in a timely manner may result in confirmation that the order is the controlling order.

(d) Upon registration of an income-withholding order for enforcement, the support enforcement agency or the registering tribunal shall notify the obligor's employer pursuant to the D.C. Child Support Enforcement Amendment Act of 1985, effective February 24, 1987 (D.C. Law 6–166; D.C. Official Code § 46-201 *et seq*.).

Sec. 606. Procedure to contest validity or enforcement of registered support order.

Note, New § 46-356.06

(a) A nonregistering party seeking to contest the validity or enforcement of a registered support order in the District shall request a hearing within the time required by section 605. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrearages pursuant to section 607.

(b) If the nonregistering party fails to contest the validity or enforcement of the registered support order in a timely manner, the order is confirmed by operation of law.

(c) If a nonregistering party requests a hearing to contest the validity or enforcement of the registered support order, the registering tribunal shall schedule the matter for hearing and give notice to the parties of the date, time, and place of the hearing.

Sec. 607. Contest of registration or enforcement. **Note, New § 46-356.07**

(a) A party contesting the validity or enforcement of a registered support order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

(1) The issuing tribunal lacked personal jurisdiction over the contesting party;

(2) The order was obtained by fraud;

(3) The order has been vacated, suspended, or modified by a later order;

(4) The issuing tribunal has stayed the order pending appeal;

(5) There is a defense under the law of the District to the remedy sought;

(6) Full or partial payment has been made;

(7) The statute of limitation under section 604 precludes enforcement of some or all of the alleged arrearages; or

(8) The alleged controlling order is not the controlling order.

(b) If a party presents evidence establishing a full or partial defense under subsection (a) of this section, a tribunal may stay enforcement of a registered support order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered support order may be enforced by all remedies available under the law of the District.

(c) If the contesting party does not establish a defense under subsection (a) of this section to the validity or enforcement of a registered support order, the registering tribunal shall issue an order confirming the order.

Sec. 608. Confirmed order. **Note, New § 46-356.08**

Confirmation of a registered support order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

SUBTITLE C. REGISTRATION AND MODIFICATION OF CHILD-SUPPORT ORDER OF ANOTHER STATE. **Part C**

Sec. 609. Procedure to register child-support order of another state for modification. **Note, New § 46-356.09**

A party or support enforcement agency seeking to modify, or to modify and enforce, a child-support order issued in another state shall register that order in the District in the same manner provided in sections 601 through 608 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or later. The pleading must specify the grounds for modification.

Sec. 610. Effect of registration for modification. **Note, New § 46-356.10**

A tribunal of the District may enforce a child-support order of another state registered for purposes of modification, in the same manner as if the order had been issued by a tribunal of the District, but the registered support order may be modified only if the requirements of section 611 or 613 have been met.

Sec. 611. Modification of child-support order of another state. **Note, New § 46-356.11**

(a) If section 613 does not apply, upon petition a tribunal of the District may modify a child-support order issued in another state which is registered in the District if, after notice and hearing, the tribunal finds that:

(1) The following requirements are met:

(A) Neither the child, nor the obligee who is an individual, nor the obligor resides in the issuing state;

(B) A petitioner who is a nonresident of the District seeks modification; and

(C) The respondent is subject to the personal jurisdiction of the tribunal of the District; or

(2) The District is the residence of the child, or a party who is an individual is subject to the personal jurisdiction of the tribunal of the District, and all of the parties who are individuals have filed consents in a record in the issuing tribunal for a tribunal of the District to modify the support order and assume continuing, exclusive jurisdiction.

(b) Modification of a registered child-support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of the District and the order may be enforced and satisfied in the same manner.

(c) A tribunal of the District may not modify any aspect of a child-support order that may not be modified under the law of the issuing state, including the duration of the obligation of support. If 2 or more tribunals have issued child-support orders for the same obligor and same child, the order that controls and must be so recognized under section 207 establishes the aspects of the support order which are nonmodifiable.

(d) In a proceeding to modify a child-support order, the law of the state that is determined to have issued the initial controlling order governs the duration of the obligation of support. The obligor's fulfillment of the duty of support established by that order precludes imposition of a further obligation of support by a tribunal of the District.

(e) On the issuance of an order by a tribunal of the District modifying a child-support order issued in another state, the tribunal of the District becomes the tribunal having continuing, exclusive jurisdiction.

(f) Notwithstanding subsections (a) through (e) of this section and section 201(b), a tribunal of the District retains jurisdiction to modify an order issued by a tribunal of the District if:

(1) One party resides in another state; and

(2) The other party resides outside the United States.

Sec. 612. Recognition of order modified in another state. **Note, New § 46-356.12**

If a child-support order issued by a tribunal of the District is modified by a tribunal of another state which assumed jurisdiction pursuant to the Uniform Interstate Family Support Act, a tribunal of the District:

(1) May enforce its order that was modified only as to arrears and interest accruing before the modification;

(2) May provide appropriate relief for violations of its order which occurred before the effective date of the modification; and

(3) Shall recognize the modifying order of the other state, upon registration, for the purpose of enforcement.

Note, New § 46-356.13

Sec. 613. Jurisdiction to modify child-support order of another state when individual parties reside in the District.

(a) If all of the parties who are individuals reside in the District and the child does not reside in the issuing state, a tribunal of the District has jurisdiction to enforce and to modify the issuing state's child-support order in a proceeding to register that order.

(b) A tribunal of the District exercising jurisdiction under this section shall apply the provisions of Titles 1 and 2, this title, and the procedural and substantive law of the District to the proceeding for enforcement or modification. Titles 3, 4, 5, 7, and 8 do not apply.

Note, New § 46-356.14

Sec. 614. Notice to issuing tribunal of modification.

Within 30 days after issuance of a modified child-support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction.

Part D

SUBTITLE D. REGISTRATION AND MODIFICATION OF FOREIGN CHILD-SUPPORT ORDER.

Note, New § 46-356.15

Sec. 615. Jurisdiction to modify child-support order of foreign country.

(a) Except as otherwise provided in section 711, if a foreign country lacks or refuses to exercise jurisdiction to modify its child-support order pursuant to its laws, a tribunal of the District may assume jurisdiction to modify the child-support order and bind all individuals subject to the personal jurisdiction of the tribunal whether the consent to modification of a child-support order otherwise required of the individual pursuant to section 611 has been given or whether the individual seeking modification is a resident of the District or of the foreign country.

(b) An order issued by a tribunal of the District modifying a foreign child-support order pursuant to this section is the controlling order.

Note, New § 46-356.16

Sec. 616. Procedure to register child-support order of foreign country for modification.

A party or support enforcement agency seeking to modify, or to modify and enforce, a foreign child-support order not under the Convention may register that order in the District under

sections 601 through 608 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or at another time. The petition must specify the grounds for modification.

Sec. 703. Relationship of Office of the Attorney General to United States central authority.

The Office of the Attorney General is recognized as the agency designated by the United States central authority to perform specific functions under the Convention.

Note, New § 46-357.04

Note, New § 46-357.05

Sec. 705. Direct request.

(a) A petitioner may file a direct request seeking establishment or modification of a support order or determination of parentage of a child. In the proceeding, the law of the District applies.

(b) A petitioner may file a direct request seeking recognition and enforcement of a support order or support agreement. In the proceeding, sections 706 through 713 apply.

(c) In a direct request for recognition and enforcement of a Convention support order or foreign support agreement:

(1) A security, bond, or deposit is not required to guarantee the payment of costs and expenses; and

(2) An obligee or obligor that in the issuing country has benefited from free legal assistance is entitled to benefit, at least to the same extent, from any free legal assistance provided for by the law of the District under the same circumstances.

(d) A petitioner filing a direct request is not entitled to assistance from the Office of the Attorney General.

(e) This title does not prevent the application of laws of the District that provide simplified, more expeditious rules regarding a direct request for recognition and enforcement of a foreign support order or foreign support agreement.

Sec. 706. Registration of Convention support order.

Note, New § 46-357.06

(a) Except as otherwise provided in this title, a party who is an individual or a support enforcement agency seeking recognition of a Convention support order shall register the order in the District as provided in Title 6.

(b) Notwithstanding sections 311 and 602(a), a request for registration of a Convention support order must be accompanied by:

(2) A record stating that the support order is enforceable in the issuing country;

(3) If the respondent did not appear and was not represented in the proceedings in the issuing country, a record attesting, as appropriate, either that the respondent had proper notice of the proceedings and an opportunity to be heard or that the respondent had proper notice of the support order and an opportunity to be heard in a challenge or appeal on fact or law before a tribunal;

(4) A record showing the amount of arrears, if any, and the date the amount was calculated;

(5) A record showing a requirement for automatic adjustment of the amount of support, if any, and the information necessary to make the appropriate calculations; and

(6) If necessary, a record showing the extent to which the applicant received free legal assistance in the issuing country.

(c) A request for registration of a Convention support order may seek recognition and partial enforcement of the order.

(d) A tribunal of the District may vacate the registration of a Convention support order without the filing of a contest under section 707 only if, acting on its own motion, the tribunal finds that recognition and enforcement of the order would be manifestly incompatible with public policy.

(e) The tribunal shall promptly notify the parties of the registration or the order vacating the registration of a Convention support order.

Sec. 707. Contest of registered convention support order.

Note, New § 46-357.07

(a) Except as otherwise provided in this title, sections 605 through 608 apply to a contest of a registered Convention support order.

(b) A party contesting a registered Convention support order shall file a contest not later than 30 days after notice of the registration, but if the contesting party does not reside in the United States, the contest must be filed not later than 60 days after notice of the registration.

(c) If the nonregistering party fails to contest the registered Convention support order by the time specified in subsection (b) of this section, the order is enforceable.

(d) A contest of a registered Convention support order may be based only on grounds set forth in section 708. The contesting party bears the burden of proof.

(e) In a contest of a registered Convention support order, a tribunal of the District:

(1) Is bound by the findings of fact on which the foreign tribunal based its jurisdiction; and

(2) May not review the merits of the order.

(f) A tribunal of the District deciding a contest of a registered Convention support order shall promptly notify the parties of its decision.

(g) A challenge or appeal, if any, does not stay the enforcement of a Convention support order unless there are exceptional circumstances.

Sec. 708. Recognition and enforcement of registered convention support order.

Note, New § 46-357.08

(a) Except as otherwise provided in subsection (b) of this section, a tribunal of the District shall recognize and enforce a registered Convention support order.

(b) The following grounds are the only grounds on which a tribunal of the District may refuse recognition and enforcement of a registered Convention support order:

(1) Recognition and enforcement of the order is manifestly incompatible with public policy, including the failure of the issuing tribunal to observe minimum standards of due process, which include notice and an opportunity to be heard;

(2) The issuing tribunal lacked personal jurisdiction consistent with section 201;

(3) The order is not enforceable in the issuing country;

(4) The order was obtained by fraud in connection with a matter of procedure;

(5) A record transmitted in accordance with section 706 lacks authenticity or integrity;

(6) A proceeding between the same parties and having the same purpose is pending before a tribunal of the District and that proceeding was the first to be filed;

(7) The order is incompatible with a more recent support order involving the same parties and having the same purpose if the more recent support order is entitled to recognition and enforcement under this act in the District;

(8) Payment, to the extent alleged arrears have been paid in whole or in part;

(9) In a case in which the respondent neither appeared nor was represented in the proceeding in the issuing foreign country:

(A) If the law of that country provides for prior notice of proceedings, the respondent did not have proper notice of the proceedings and an opportunity to be heard; or

(B) If the law of that country does not provide for prior notice of the proceedings, the respondent did not have proper notice of the order and an opportunity to be heard in a challenge or appeal on fact or law before a tribunal; or

(10) The order was made in violation of section 711.

(c) If a tribunal of the District does not recognize a Convention support order under subsection (b)(2), (4), or (9) of this section:

(1) The tribunal may not dismiss the proceeding without allowing a reasonable time for a party to request the establishment of a new Convention support order; and

(2) The Office of the Attorney General shall take all appropriate measures to request a child-support order for the obligee if the application for recognition and enforcement was received under section 704.

Sec. 709. Partial enforcement.

Note, New § 46-357.09

If a tribunal of the District does not recognize and enforce a Convention support order in its entirety, it shall enforce any severable part of the order. An application or direct request may seek recognition and partial enforcement of a Convention support order.

Sec. 710. Foreign support agreement.

Note, New § 46-357.10

(a) Except as otherwise provided in subsections (c) and (d) of this section, a tribunal of the District shall recognize and enforce a foreign support agreement registered in the District.

(b) An application or direct request for recognition and enforcement of a foreign support agreement must be accompanied by:

(1) A complete text of the foreign support agreement; and

(2) A record stating that the foreign support agreement is enforceable as an order of support in the issuing country.

(c) A tribunal of the District may vacate the registration of a foreign support agreement only if, acting on its own motion, the tribunal finds that recognition and enforcement would be manifestly incompatible with public policy.

(d) In a contest of a foreign support agreement, a tribunal of the District may refuse recognition and enforcement of the agreement if it finds:

(1) Recognition and enforcement of the agreement is manifestly incompatible with public policy;

(2) The agreement was obtained by fraud or falsification;

(3) The agreement is incompatible with a support order involving the same parties and having the same purpose in the District, another state, or a foreign country if the support order is entitled to recognition and enforcement under this act in the District; or

(4) The record submitted under subsection (b) of this section lacks authenticity or integrity.

(e) A proceeding for recognition and enforcement of a foreign support agreement must be suspended during the pendency of a challenge to or appeal of the agreement before a tribunal of another state or a foreign country.

Sec. 711. Modification of convention child-support order. **Note, New § 46-357.11**

(a) A tribunal of the District may not modify a Convention child-support order if the obligee remains a resident of the foreign country where the support order was issued unless:

(1) The obligee submits to the jurisdiction of a tribunal of the District, either expressly or by defending on the merits of the case without objecting to the jurisdiction at the first available opportunity; or

(2) The foreign tribunal lacks or refuses to exercise jurisdiction to modify its support order or issue a new support order.

(b) If a tribunal of the District does not modify a Convention child-support order because the order is not recognized in the District, section 708(c) applies.

Sec. 712. Personal information; limit on use. **Note, New § 46-357.12**

Personal information gathered or transmitted under this title may be used only for the purposes for which it was gathered or transmitted.

Sec. 713. Record in original language; English translation. **Note, New § 46-357.13**

A record filed with a tribunal of the District under this title must be in the original language and, if not in English, must be accompanied by an English translation.

TITLE 8. INTERSTATE RENDITION

Subchapter VIII, Note, New § 46-358.01

Sec. 801. Grounds for rendition.

(a) For purposes of this title, "governor" includes an individual performing the functions of governor or the executive authority of a state covered by this act.

(b) The Mayor may:

(1) Demand that the governor of another state surrender an individual found in the other state who is charged criminally in the District with having failed to provide for the support of an obligee; or

(2) On the demand of the governor of another state, surrender an individual found in the District who is charged criminally in the other state with having failed to provide for the support of an obligee.

(c) A provision for extradition of individuals not inconsistent with this act applies to the demand even if the individual whose surrender is demanded was not in the demanding state when the crime was allegedly committed and has not fled therefrom.

Sec. 802. Conditions of rendition. **Note, New § 46-358.02**

(a) Before making a demand that the governor of another state surrender an individual charged criminally in the District with having failed to provide for the support of an obligee, the Mayor may require a prosecutor of the District to demonstrate that at least 60 days previously the obligee had initiated proceedings for support pursuant to this act or that the proceeding would be of no avail.

(b) If, under this act or a law substantially similar to this act, the governor of another state makes a demand that the Mayor surrender an individual charged criminally in that state with having failed to provide for the support of a child or other individual to whom a duty of support is owed, the Mayor may require a prosecutor to investigate the demand and report whether a proceeding for support has been initiated or would be effective. If it appears that a proceeding would be effective but has not been initiated, the Mayor may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.

(c) If a proceeding for support has been initiated and the individual whose rendition is demanded prevails, the Mayor may decline to honor the demand. If the petitioner prevails and the individual whose rendition is demanded is subject to a support order, the governor may decline to honor the demand if the individual is complying with the support order.

To authorize, on an emergency basis, the Mayor to assemble the W Street Trash Transfer site, Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110, through the use of eminent domain.

Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Act of 2015

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Act of 2015".

Sec. 2. Findings.

The Council finds that:

(1) The District of Columbia Water and Sewer Authority ("DC Water") currently operates a site south of N Place, S.E., north of the Anacostia River and between 1st and Canal Streets, S.E. ("DC Water Site").

(2) Pursuant to the Anacostia Waterfront Framework Plan, the District of Columbia plans to dispose of and develop a portion of the DC Water Site so as to leverage other large-scale District investments in the Capitol Riverfront/Near Southeast neighborhood, such as the South Capitol Street Bridge project and Nationals Park, thereby serving to accelerate and promote economic vitality as well as enhance economic development in the District of Columbia.

(3) For the planned disposition and development to proceed, it is necessary for DC Water to relocate the functions currently at the DC Water Site.

(4) The District of Columbia and DC Water have entered into a Memorandum of Understanding for DC Water to relocate a portion of the uses from the DC Water Site to a site in Prince Georges County, Maryland.

(5) The District desires to relocate the current DC Water Site uses not being relocated to the Prince Georges County site, including customer care and sewer service operations, to Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site").

(6) The W Street Site is currently occupied by a private trash transfer station.

(7) The trash transfer station is a blighting factor in Brentwood and its surrounding communities.

(8) Residents of Brentwood and the surrounding communities have concerns regarding the noxious fumes that emanate from the trash transfer station and pervasive vermin, and have complained that there is an increased incidence of health concerns.

(9) The W Street Site trash transfer station continues to operate as an open air trash transfer station, which allows its pungent odors to reach much farther than they would if the facility were closed.

(10) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

(11) The W Street Site will provide an opportunity to construct and establish an updated customer care and sewer service operation for DC Water that is more centrally located within the District of Columbia.

(12) The relocation of DC Water to the W Street Site shall not be considered as a permanent solution to the future use of the site. The permanent future use of the W Street Site should include sustainable economic development and be made in consultation with the surrounding community.

Sec. 3. Exercise of eminent domain.

The Mayor may exercise eminent domain in accordance with the procedures set forth in subchapter II of Chapter 13 of Title 16 of the District of Columbia Official Code to acquire Lots 36, 41 and 802 in Square 3942 and Parcels 0143/107 and 0143/110 for the purposes set forth in section 2.

Sec. 4. Fiscal impact statement.

The Council adopts the fiscal impact statement of the Budget Director as the fiscal impact statement required by section 4a of the General Legislative Procedures Act of 1975, approved October 16, 2006 (120 Stat. 2038; D.C. Official Code § 1-301.47a).

"3900.2. The intent of the BWC Program is to promote accountability and transparency, foster improved police-community relations, and ensure the safety of both MPD members ("members") and the public.

"3900.3. In addition to these regulations, the Chief of Police of MPD may issue policy directives to members; those policy directives shall be published on the Department's website at http://mpdc.dc.gov/page/written-directives-general-orders.

"3900.4. Members shall successfully complete MPD-offered or approved BWC training before being issued a BWC.

"3900.6. Members may record First Amendment assemblies for the purpose of documenting violations of law and police actions, as an aid to future coordination and deployment of law enforcement units, and for training purposes; provided, that recording First Amendment assemblies shall not be conducted for the purpose of identifying and recording the presence of participants who are engaged in lawful conduct.

"3900.7. Members shall not create BWC recordings when they are at a school and are engaged in non-critical contacts with students or mediating minor incidents involving students. For purposes of this subsection, "school" means a facility devoted to primary or secondary education.

"3900.9. Members may review their BWC recordings or BWC recordings that have been shared with them to assist in initial report writing, except in cases involving a police shooting.

"3900.10. The Mayor may, on a case-by-case basis in matters of significant public interest and after consultation with the Chief of Police, the United States Attorney's Office for the District of Columbia, and the Office of the Attorney General, release BWC recordings that would otherwise not be releasable pursuant to a FOIA request. Examples of matters of significant public interest include officer-involved shootings, serious use of force by an officer, and assaults on an officer requiring hospitalization.

"3901 RETENTION OF BODY-WORN CAMERA RECORDINGS

"3902.2. The Department shall make BWC recordings available to law enforcement or investigatory agencies, such as the Office of the Inspector General and the Office of the District of Columbia Auditor, pursuant to the officers' or agencies' official duties. Nothing in this subsection shall be construed to limit those entities' authority under existing law. The cost of any required redactions shall be borne by the Department.

"3902.3. A FOIA request for a BWC recording shall only be submitted to MPD.

"3902.4. The Department shall make unredacted BWC recordings available to the appropriate oversight committee or committees of the Council of the District of Columbia upon request of the committee or committees. BWC recordings in the possession of the Council shall not be publicly disclosed.

"(3) Access to the unredacted BWC recording would not jeopardize the safety of any other subject.

"(b)(1) To receive a copy of a BWC recording viewed pursuant to paragraph (a) of this subsection, an individual shall file a FOIA request with the Department; provided, that there shall be no cost to the individual for the production of the BWC recording.

"3902.7. The Department shall engage academic institutions and organizations to analyze the BWC Program; provided, that any such relationships shall require the protection of any information or unredacted BWC recordings.

"3902.8. The Department shall, through a policy directive, develop procedures to implement this section and District law.

"3903 BODY-WORN CAMERA AUDITS AND DATA PROTECTION

"3903.1. The Department shall conduct audits of the BWC Program to assess the following, at a minimum:

"3903.4. The Department shall strictly control access to BWC recordings and shall identify each member who accesses BWC recordings. The Department shall perform quarterly audits of member access to BWC recordings.

"3903.5. A member who makes a BWC recording shall not have access to delete that recording.

"3903.6. The deletion of any BWC recording shall be tightly restricted and shall require written justification for the deletion.

"3903.7. If it is discovered through review, audit, or inspection that a member did not record a required event, the Department shall require the member to provide written justification for the failure to record.

To declare the existence of an emergency, due to congressional review, with respect to the need to amend the Legalization of Marijuana for Medical Treatment Initiative of 1999 to allow any applicant that received notification on July 25, 2014, that its medical marijuana cultivation center was eligible for registration to modify its application, to allow a holder of a cultivation center registration that owns or has a valid lease for the real property adjacent to its existing cultivation center to expand its facility into that adjacent real property for purposes of increasing production of marijuana plants, not to exceed the authorized limit, and to increase the number of living plants a cultivation center may possess at any time to 1000.

Medical Marijuana Cultivation Center Expansion Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Medical Marijuana Cultivation Center Expansion Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) Enactment of the Medical Marijuana Cultivation Center Expansion Emergency Amendment Act of 2015, effective July 20, 2015 (D.C. Act 21-104; 62 DCR 9965) (“Emergency Act”), enables the District to increase the number of live marijuana plants to assuage the demand for medical marijuana in medical marijuana distribution centers.

(b) The District is currently experiencing higher demand for medical marijuana than there is capacity to produce.

(c) The Emergency Act enables existing cultivation centers to expand the size of their facilities when they have leaseholds for adjacent real property.

(d) The Emergency Act also authorizes twice the number of live marijuana plants, up to a maximum of 1000, for all cultivation centers.

(e) New emergency legislation is necessary to prevent a gap in the law between the expiration of the Emergency Act, which expires on October 18, 2015, and the effectiveness of temporary legislation, the Medical Marijuana Cultivation Center Expansion Temporary Amendment Act of 2015, enacted on July 21, 2015 (D.C. Act 21-0145; 62 DCR 10896), which is expected to become law on October 22, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Medical Marijuana Cultivation Center Expansion Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

See Emergency D.C. Act 21-162 21 DCStat 2201

To declare the existence of an emergency, due to congressional review, with respect to the need to adjust certain allocations requested in the Fiscal Year 2015 Budget Request Act of 2014 pursuant to the Omnibus Appropriations Act, 2009.

Fiscal Year 2015 Second Revised Budget Request Adjustment Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2015 Second Revised Budget Request Adjustment Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) On May 27, 2015, the Council passed the Fiscal Year 2015 Second Revised Budget Request Emergency Adjustment Act of 2015, effective June 17, 2015 (D.C. Act 21-76; 62 DCR 8815) ("Act 21-76"). Act 21-76 was signed by the Mayor on June 17, 2015 and expired on September 15, 2015.

(b) On June 10, 2015, the Council passed the Fiscal Year 2015 Budget Request Temporary Adjustment Act of 2015, effective September 17, 2015 (D.C. Act 21-94; 62 DCR 9221) ("Act 21-94"), a temporary version of Act 21-76. The Mayor signed that temporary legislation on June 25, 2015. Due to the congressional review period, the temporary legislation did not take effect until September 17, 2015.

(c) Acts 21-76 and 21-94 consist of substantial adjustments to existing budget authority upon which the approved Fiscal Year 2016 Budget and Financial Plan were based.

(d) The congressional review period for Act 21-94 has created a funding and authority gap upon the expiration of Act 21-76. This gap must be addressed to ensure the proper implementation and balancing of both the Fiscal Year 2015 Budget and the Fiscal Year 2016 Budget and Financial Plan.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2015 Second Revised Budget Request Congressional Review Emergency Adjustment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-313

***See* Emergency D.C. Act 21-157 21 DCStat 2186**

To declare the existence of an emergency, due to congressional review, with respect to the need to amend section 47-2844 of the District of Columbia Official Code to enable the Mayor to suspend or revoke the business license of any business engaged in the buying or selling of a synthetic drug and to enable the Chief of Police to seal a business licensee's premises for up to 96 hours for the buying or selling of a synthetic drug; and to amend the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 to designate the sale of a synthetic drug as a per se imminent danger to the health or safety of District residents and provide for an administrative hearing after the sealing of a business licensee's premises.

Sale of Synthetic Drugs Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sale of Synthetic Drugs Congressional Review Emergency Declaration Resolution of 2015."

Sec. 2. (a) There is an immediate need to amend section 47-2844 of the District of Columbia Official Code to enable the Mayor to suspend or revoke the business license of any business engaged in the buying or selling of a synthetic drug and to enable the Chief of Police to seal a business licensee's premises for up to 96 hours for the buying or selling of a synthetic drug; and to amend the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985 to designate the sale of a synthetic drug as a per se imminent danger to the health or safety of District residents and provide for an administrative hearing after the sealing of a business licensee's premises.

(b) This bill is necessary to prevent a gap in the law as the emergency legislation, the Sale of Synthetic Drugs Emergency Amendment Act of 2015, effective July 10, 2015 (D.C. Act 21-0100; 62 DCR 9689), expires on October 8, 2015.

(c) Temporary legislation, the Sale of Synthetic Drugs Temporary Amendment Act of 2015, enacted on July 31, 2015 (D.C. Act 21-0146; 62 DCR 10898), was transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(d) The temporary legislation may not become law until after the expiration of the emergency legislation; therefore, a congressional review emergency is needed to prevent a gap in the law.

(e) The Committee on the Judiciary held a hearing on the permanent legislation, the Sale of Synthetic Drugs Amendment Act of 2015, as introduced on June 18, 2015 (Bill 21-0261), on September 16, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Sale of Synthetic Drugs Congressional Review Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-337

***See* Emergency D.C. Act 21-160 21 DCStat 2195**

To declare the existence of an emergency with respect to the need to amend the Rental Housing Act of 1985 to limit the amount of a hardship petition conditional rent increase to 5% of the rent charged, and to require that a rent adjustment be repaid by a housing provider to a tenant within 21 days of a conditional increase being amended.

Rent Control Hardship Petition Limitation Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Rent Control Hardship Petition Limitation Emergency Declaration Resolution of 2015".

Sec. 2. (a) The District's rent control regime is established by the Rental Housing Act of 1985; approximately 79,000 housing units are subject to the law, accounting for 66% of the rental housing stock in the District.

(b) For units subject to rent control, annual rent increases are limited to a maximum of 10% for most tenants and 5% for seniors and individuals with disabilities.

(c) However, under the hardship petition process a housing provider can apply to the Rent Administrator at the Department of Housing and Community Development to raise rents by more than the standard increase, in order to achieve a 12% rate of return on the housing provider's investment in the building.

(d) The hardship petition requires the housing provider to submit a schedule of income and expenses, which the Rent Administrator can use to calculate a new rent based on the 12% rate of return.

(e) If a hardship petition is not decided within 90 days, the housing provider may automatically start collecting the entire rent for which the housing provider originally applied.

(f) As hardship petitions are rarely decided within the 90-day time period, conditional increases are frequently granted that result in rent increases of 50% to 100%.

(g) These rent increases place a significant burden on low-income renters, increasing the likelihood of displacement and homelessness.

(h) For example, tenants of a building in Ward 7 were charged a 34% increase and were threatened with eviction if they did not pay the rent increase. Tenants were forced to file a lawsuit challenging the increase based on numerous housing code violations, and the dispute was prolonged for more than 4 years. During this time the higher rents were required to be paid into a court-mandated escrow account.

(i) Although a conditional increase may ultimately be reversed, it is often too late for tenants who have been displaced by rent increases that housing providers were ultimately not authorized to charge.

(j) More than 88 hardship petitions were filed between 2007 and 2013, significantly raising the rent on thousands of District residents.

(k) Without swift action by the Council to counter opportunities for abuse of the hardship petition process, additional tenants will likely be priced out of their homes.

(l) Emergency and temporary legislation was moved in Council Period 20, by Councilmember Bowser, to deal with these issues. As permanent legislation was not completed during Council Period 20, and the temporary legislation will expire on October 9, 2015, additional emergency legislation is necessary so there will not be a gap in the law.

(m) On March 17, 2015, permanent legislation, Bill 21-146, the Rent Control Hardship Petition Limitation Amendment Act of 2015, was introduced by Councilmember Bonds along with Councilmembers Silverman, Nadeau, and Cheh. The bill was referred to the Committee on Housing and Community Development, and a hearing on the bill was held on Tuesday, May 26, 2015. The Committee will soon mark up Bill 21-146 and send it to the full Council for consideration.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Rent Control Hardship Petition Limitation Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend the Education Licensure Commission Act of 1976 to change the name of the Education Licensure Commission to the Higher Education Licensure Commission, to extend authority to the commission to require institutions physically located outside the District of Columbia offering postsecondary degree-granting or non-degree-granting online programs or courses to District of Columbia residents physically in the District to be licensed in the District, to permit members of the commission to serve in a hold-over capacity for no more than 180 days after expiration of their second full consecutive term, to provide the commission with the authority to enter into reciprocity agreements with regards to online courses, and to authorize the commission to impose alternative sanctions for violations of provisions of the act or regulations promulgated under the authority of the act; to amend the District of Columbia Government Comprehensive Merit Personnel Act of 1978 to increase the annual compensation of members of the Higher Education Licensure Commission from $4,000 to $8,000; to amend the State Education Office Establishment Act of 2000 to designate the Office of the State Superintendent of Education the state portal agency for state authorization reciprocity; and to amend the Office of Administrative Hearings Establishment Act of 2001 to make a conforming amendment.

Higher Education Licensure Commission Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Higher Education Licensure Commission Emergency Declaration Resolution of 2015".

Sec. 2. (a) The District of Columbia seeks to ensure that a wide array of post-secondary learning opportunities is available for our residents. Across the country, at least 7 million students are using online technology to access post-secondary courses. Post-secondary online distance education expands learning opportunities by providing flexible, accessible methods to acquiring new skills and fulfilling degree requirements.

(b) The rapid growth of distance education has brought to the forefront the need to provide a coherent and comprehensive structure that focuses on consumer protection and security while maintaining the unique features of online distances learning. Students in online distance education programs require stronger protections because they are completing their courses and programs outside of the visibility of traditional oversight and monitoring structures. Many other states have already taken the step to protect their residents and the District must move forward to keep up with best practices in post-secondary licensing.

(c) Since the current Education Licensure Commission law does not specifically require schools outside of the District offering online distance education programs to District residents to be licensed, District residents are left unprotected against unethical practices by false or misleading postsecondary entities. Therefore, a need exists to protect District residents who may

be unable to assess the legitimacy, quality, or legality of a post-secondary educational institution.

(d) Currently, over 100 postsecondary institutions outside of the District are already providing distance education to District residents and have inquired with the Education Licensure Commission about getting licensed. Until the changes proposed in this emergency legislation are made, there is no guidance that the Education Licensure Commission can provide to these institutions and no basic standards or safeguards that the Education Licensure Commission can require of these institutions.

(e) Furthermore, District-based postsecondary institutions that are engaging in distance education in other jurisdictions must navigate multiple state licensing requirements that are both cumbersome and costly. The changes in this emergency legislation will allow the Education Licensure Commission to enter into reciprocity agreements with other jurisdictions regarding licensing online distance education programs, which would result in ensuring security and consumer protections while making the process and costs for providing distance education far less involved. The Education Licensure Commission has already entered into a State Authorization Reciprocity Agreement ("SARA"), per authority provided by the Education Licensure Commission Temporary Amendment Act of 2014 (D.C. Law 20-239) ("Temporary Act"), which expires on October 24, 2015, but cannot maintain the SARA if the Temporary Act expires.

(f) Without this emergency legislation, private and public higher education institutions in the District, including the University of the District of Columbia ("UDC"), will have to pay fees to each state to conduct online learning programs in their respective states. This is extremely expensive and burdensome for the District's institutions of higher learning. Thus, this emergency legislation, through the SARA, will save both UDC and the District's private higher education institutions in the District tens of thousands of dollars in fees in the coming months.

(g) This emergency legislation is necessary to prevent a gap in the law as the Temporary Act expires on October 24, 2015. The permanent version of this law, the Higher Education Licensure Commission Amendment Act of 2015 (B21-295), was introduced on July 8, 2015, and referred to the Committee on Education, which will hold a public hearing on October 1, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Higher Education Licensure Commission Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to amend the Fiscal Year 2016 Budget Support Act of 2015, the Fiscal Year 2016 Budget Support Emergency Act of 2015, and various other acts to clarify provisions supporting the Fiscal Year 2016 budget.

Fiscal Year 2016 Budget Support Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2016 Budget Support Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On June 30, 2015, the Council passed the Fiscal Year 2016 Budget Support Act of 2015, enacted on August 11, 2015 (D.C. Act 21-148; 62 DCR 10905) ("Act 21-148"). Act 21-148 was signed by the Mayor on August 11, 2015, was transmitted to Congress on September 9, 2015, and has a projected law date of October 22, 2015.

(b) At the June 30, 2015 Legislative Meeting, the Council also adopted the Fiscal Year 2016 Budget Support Emergency Act of 2015, effective July 27, 2015 (D.C. Act 21-127; 62 DCR 10201) ("Act 21-127"), an emergency version of Act 21-148. Act 21-127 was signed by the Mayor and became effective on July 27, 2015.

(c) Since the Council's adoption of Acts 21-127 and 21-148, it has been discovered that several provisions within these measures are in need of technical corrections or further clarification. As such, the Fiscal Year 2016 Budget Support Clarification Emergency Amendment Act of 2015 makes the following changes:

(1) Clarifies the scope of the District of Columbia Auditor's review of the summer youth jobs program to include multiple years;

(2) Adds a residency requirement to the Kids Ride Free program at the request of the Mayor;

(3) Repeals the subject-to-appropriations clause for section 302(b) of the Sustainable DC Omnibus Amendment Act of 2014, effective December 17, 2014 (D.C. Law 20-142; 62 DCR 1243);

(4) Repeals the subject-to-appropriations clause for the Food Policy Council and Director Establishment Act of 2014, effective March 10, 2015 (D.C. Law 20-191; 62 DCR 3820);

(5) Repeals the subject-to-appropriations clause for section 103(c) of the Sustainable Solid Waste Management Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-154; 62 DCR 3600);

(6) Clarifies that the Combined Reporting Clarification subtitle (section 7182 of the Fiscal Year 2016 Budget Support Act of 2015, enacted on August 11, 2015 (D.C. Act 21-148; 62 DCR 10905), applies starting in tax year 2016;

(7) Renames the WMATA Momentum Fund as the WMATA Operations Support

Fund, and correspondingly modifies the scope of the fund to include extraordinary or unanticipated operating or capital needs of WMATA that arise outside of WMATA's regular inter-jurisdictional subsidy allocation formulae;

(8) Clarifies administrative requirements related to tax sales;

(9) Clarifies that a uniform interest rate applies to delinquent vault rents; and

(10) Clarifies provisions of the Accrued Paid Sick and Safe Leave Act of 2008, effective May 13, 2008 (D.C. Law 17-152; D.C. Official Code § 32-131.01 *et seq*.), with regard to substitute teachers and substitute aides.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2016 Budget Support Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with the respect to the need amend An Act To amend the Act entitled "An Act to classify the officers and members of the Fire Department of the District of Columbia, and for other purposes", approved June 20, 1906, and for other purposes, to permit members of the Fire and Emergency Medical Services Department that worked overtime hours during the 2013 Presidential Inauguration to be paid for work performed.

Fire and Emergency Medical Services Department Presidential Inauguration Pay Rectification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fire and Emergency Medical Services Department Presidential Inauguration Pay Rectification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On June 5, 2012, the Council adopted the Fiscal Year 2013 Budget Support Act of 2012, effective September 20, 2012 (D.C. Law 19-168; 59 DCR 8025). Section 3023 of that legislation provided an exemption from the allowable overtime hours that Fire and Emergency Medical Services Department ("Department") members were permitted to work during the 2013 Presidential Inauguration. Specifically, the legislation exempted pay periods 1 and 2 from the overtime restrictions set forth at D.C. Official Code § 5-405.

(b) This exemption from overtime hours was subsequently amended, following the recommendation of the Office of the Chief Financial Officer, as it was believed that the incorrect pay periods were identified in D.C. Law 19-168. Thus, on March 1, 2013 the Council adopted emergency legislation in order to remedy the perceived error. The Department of Fire and Emergency Medical Services Inaugural Overtime Clarification Emergency Act of 2013, effective March 1, 2013 (D.C. Act 20-20; 60 DCR 3976), changed the applicable pay periods for the exemption from pay periods 1 and 2 to pay periods 2 and 3.

(c) Complicating this legislative history further, the Department issued a Special Order on January 14, 2013—midway through the period for which the exemption was to apply—implementing the "waiver of the Overtime Implementation Act."

(d) It is now apparent that the pay periods provided in the law for the exemption, both as originally put forth and as amended, were incorrect.

(e) Regardless of the error in applicable pay periods, the Department, without statutory authorization and contrary to its own Special Order, ordered 6 members of the Department to work beyond the statutory cap for overtime. These 6 individuals, despite having served during the 2013 Presidential Inauguration, have not yet been paid for the hours worked in excess of the cap. Having exceeded the hour cap also triggers compensation at time-and-a-half.

(f) After 2½ years, it is important for the District to finally resolve this issue and for the Office of Pay and Retirement Services to pay these 6 individuals for work performed. The

accompanying emergency removes any statutory barrier that may be perceived as preventing payment to these individuals.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fire and Emergency Medical Services Department Presidential Inauguration Pay Rectification Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Sexual Assault Victim Rights Task Force Report Extension Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sexual Assault Victim Rights Task Force Report Extension Emergency Declaration Resolution of 2015".

Sec. 2. (a) Title II of the Sexual Assault Victims' Rights Act of 2014, effective November 20, 2014 (D.C. Law 20-139; D.C. Official Code § 4-561.01 *et seq*.) ("Act") requires the Office of Victim Services and Justice Grants to establish a Sexual Assault Victim Rights Task Force ("Task Force") to study nationally recognized best practices and develop recommendations regarding:

(1) The development and implementation of an effective mechanism for submitting, tracking, and investigating complaints regarding the handling of, or response to, a sexual assault report or investigation by any agency or organization involved in the response;

(2) Whether a need exists for additional sexual assault victim advocates;

(3) Whether a need exists to expand the right to a sexual assault victim advocate beyond the hospital and law enforcement interview settings, such as meetings and conversations with prosecutors; and

(4) Whether a need exists to expand the right to a sexual assault victim advocate to juvenile sexual assault victims.

(b) The Act requires the Task Force to submit its report of the results of its assessments, developments, and recommendations to the Council and the Sexual Assault Response Team by September 30, 2015.

(c) The Task Force has met monthly since October 2014 and is now primarily considering its recommendations relating to juvenile sexual assault victims.

(d) The Task Force has committed to producing a draft report for public comment by October 14, 2015, and to holding an open meeting no later than November 18, 2015.

(e) The emergency act would extend the date by which the Task Force must submit its report to January 31, 2016, to enable it to complete consideration of its recommendations and to finalize the report following the open meeting.

To declare the existence of an emergency with respect to the need to establish a qualified ABLE Program, to be known as the ABLE Program Trust, pursuant to the requirements of the federal Stephen Beck, Jr., Achieving a Better Life Experience Act of 2014 to exempt from income taxation the earnings on deposits made to an ABLE Program Trust by an eligible individual to assist the individual with certain expenses related to the individual's blindness or disability.

ABLE Program Trust Establishment Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "ABLE Program Trust Establishment Emergency Declaration Resolution of 2015".

Sec. 2. (a) According to the 2012 Disability Status Report of the District of Columbia, 11.5% of District residents have a disability. Of these residents, 13,100 working-age people with disabilities received Supplementary Security Income ("SSI") benefits.

(b) Eligibility for public benefits, such as SSI, do not allow a person to possess more than $2,000 in cash savings or retirement funds. A person with a disability must therefore forego accumulating savings or planning for the future in order to remain eligible for public benefits.

(c) In 2014, the federal Stephen Beck Jr., Achieving a Better Life Experience Act of 2014 ("ABLE Act") was enacted and mandated that states provide people with disabilities and their families the opportunity to create tax-exempt savings accounts. Since enactment of the federal ABLE Act, 41 states have pending or signed legislation establishing ABLE programs in their jurisdictions.

(d) Without this emergency legislation, District residents with a disability cannot possess a savings account in excess of $2,000 and therefore cannot have access to personal finances in case of an emergency of for long-term plans.

(e) This emergency is necessary to enable District residents with a disability to establish an ABLE account of up to $100,000 and therefore enable these residents and their families to create more opportunities to live independently and provide access to work and wealth without relegating people to government benefits alone.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the ABLE Program Trust Establishment Emergency Act of 2015 be adopted after a single reading.

Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment Emergency Declaration Resolution of 2015".

Sec. 2. (a) On June 30, 2015, the Office of the Chief Financial Officer released a quarterly revised revenue estimate that showed a $117.2 million increase in certified revenues. This revenue increase was reduced by $49 million to satisfy a required allocation for a Fire and Emergency Medical Services Department settlement, as required by section 7092(b)(l)(A) of the Fiscal Year 2016 Budget Support Act of 2015. This reduction leaves an unallocated revenue balance of $68.2 million available for expenditure. Pursuant to the proposed Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment Emergency ct of 2015, $57.6 million of this $68.2 million amount will go directly towards the repayment of Fiscal Year 2015 contingency cash, which was accessed in order to cover the cost of the Department of Healthcare Finance Medicaid disallowance. The remaining $10.6 million will be retained as fund balance and carried over into Fiscal Year 2016 to cover various initiatives.

(b) The Office of Tax and Revenue recently received funds related to a settlement payment in the *District of Columbia v. Expedia, Inc. et. al.* (Nos. 14-CV-308, 14-CV-309) case in the amount of $73,631,296.57. The Fiscal Year 2015 Budget Support Act of 2014 (Title IV, Subtitle P of D.C. Pursuant to the proposed Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment Emergency Act of 2015, $17.7 million in funds that otherwise would have been deposited into the WMATA Momentum Fund will be carried over into Fiscal Year 2016 to cover various initiatives.

(c) Of the $28.3 million to be carried over into Fiscal Year 2016 pursuant to the proposed Fiscal Year 2015 and Fiscal Year 2016 Revised Budget Request Adjustment

Emergency Act of 2015, $23.3 million will be spent on an urgently needed and comprehensive legislative, administrative, and budgetary agenda to address crime in the District.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Contract No. DCPL-2015-C-0034 Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve multiyear Contract DCPL-2015-C-0034 with Gilbane Building Company for design-build services for a new Cleveland Park library and test fits for the interim Cleveland Park library. The period of performance is 685 calendar days.

(b) On December 8, 2014, the District of Columbia Public Library ("DCPL") issued a request for proposals for a contractor to provide Phase 1 of the design-build services for the interim and new Cleveland Park library as part of a 2-step selection process.

(c) On March 17, 2015, the Technical Evaluation Panel compiled the Step 2 report recommending issuing the award to Gilbane Building Company and transmitted the results of the report to the DCPL Chief Procurement Officer. The Chief Procurement Officer, after performing her own independent assessment of each offeror, recommended that the contract be awarded to Gilbane Building Company, the highest-scored offeror in Step 2 selection process.

(d) The not-to-exceed total expenditure under this multiyear contract with Gilbane Building Company is in the amount of $2,674,032 for phases 1 and 2 of the contract.

(e) Council approval is necessary to allow the performance and payment for these vital services by Gilbane Building Company through an award of this multiyear contract.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. DCPL-2015-C-0034 Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

A RESOLUTION

Proposed Resolution 21-352

***See* Emergency D.C. Act 21-184 21 DCStat 2221**

To declare the existence of an emergency with respect to the need to amend the Day Care Policy Act of 1979 to establish a pilot, community-based Quality Improvement Network that will allow children and families to benefit from early, continuous, intensive, and comprehensive child development and family-support engagement services, including educational, health, nutritional, behavioral, and family-support services.

Early Learning Quality Improvement Network Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Early Learning Quality Improvement Network Emergency Declaration Resolution of 2015".

Sec. 2. (a) The District of Columbia leads the nation in providing high-quality pre-K to 3- and 4-year olds. In order to ensure that the District's youngest children are prepared when they enter our pre-K programs, a need exists to increase the quality child care and services that our 0-3 year old population receives.

(b) Currently, 3,542 children ages 0-3 years receive child care subsidy in the District of Columbia, and of those children, 38% come from families with no income, 63% come from families whose incomes are under 100% of the federal poverty level ("FPL"), and 75% come from families whose incomes are under 130% of the FPL. These are generally the District's most vulnerable residents who need comprehensive services and a continuity of care to ensure that they are poised to succeed when they enter pre-K and kindergarten.

(c) In order to address the needs of the population discussed in subsection (b) of this section and their families, the Office of the State Superintendent of Education ("OSSE") is creating a pilot Early Learning Quality Improvement Network ("QIN") composed of child development facilities that will serve as hubs to provide quality improvement technical assistance and comprehensive services to licensed child development centers and licensed child development homes. The child development centers and child development homes will provide low-income infants and toddlers high-quality, full-day, full-year comprehensive early learning and development services, including health, mental health, nutrition, and family engagement support, and a continuum of care.

(d) The pilot QIN will allow the District to demonstrate the effectiveness of an evidence-based model of infant and toddler child care to support children's learning and development outcomes. Federal studies of use of the Early Head Start standards have shown improved cognitive skills and social development by the age of 3 years. Thus, better preparation of the District's youngest children will allow them to be more successful later in school, as well as lead to long-term positive social and educational outcomes.

(e) Under current District law, children receiving child care subsidy are not guaranteed continuity of care, as their subsidy status is linked to their guardian's employment status. Thus, if a parent loses his or her job, his or her child will lose subsidy and thus child care. This disruption is particularly detrimental to these children, as they are often the population with the greatest need for consistency and continuity. Thus, a need exists to allow the children in the pilot QIN to continue to receive child care subsidy, and therefore child care, in spite of the employment status of their guardian.

(f) In August 2014, OSSE applied for a federal Department of Health and Human Services ("HHS") grant to support the QIN. This federal grant requires recipients to provide continuity of care for children participating in the QIN. To date, OSSE has heard from the HHS that we are in the fundable range and thus anticipate receiving the federal grant, thereby further elevating the need for this legislation.

(g) Additionally, the federal HHS grant requires recipients to provide children enrolled in the QIN free child care and comprehensive services. Under current District law, this is not possible. While a child's family may receive subsidy to cover his or her child care, the law still requires the parent to pay for a portion of the child care based on a sliding scale adjusted for the guardian's income level. Therefore, in order to fulfill the requirement of the federal grant, as well as to ensure that the District's most vulnerable population has access to complete and comprehensive health, mental health, nutrition, and family engagement services, a need exists for the children included in the pilot QIN to be exempt from the payment requirement sections of the Day Care Policy Act of 1979.

(h) The permanent version of legislation to implement the QIN, the Early Learning Quality Improvement Network Amendment Act of 2015, as introduced on June 22, 2015 (Bill 21-271) was referred to the Committee on Education. The Committee on Education held a public hearing on the bill on October 1, 2015, and is expected to move the bill soon.

(i) This emergency legislation is necessary to prevent a gap in the law as the Early Learning Quality Improvement Network Temporary Amendment Act of 2014, effective March 13, 2015 (D.C. Law 20-238; 62 DCR 1326), expires on October 24, 2015. There will be 400 children enrolled in QIN by the end of October and it is important that this program continues for those children.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Early Learning Quality Improvement Network Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to order the closing of a portion of the public alley system in Square 369, bounded by M Street, N.W., 9th Street, N.W., L Street, N.W., and 10th Street, N.W., in Ward 2.

Closing of a Public Alley in Square 369, S.O. 13-07989, Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of a Public Alley in Square 369, S.O. 13-07989, Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to close a portion of the public alley system in Square 369, S.O. 13-07989.

(b) The alley closing will facilitate the development of a new mixed-use development project that includes the adaptive reuse of 8 historic buildings and their incorporation into a new 12-story mixed-use development, consisting of 2 Marriott hotels with ground-floor retail service uses (Phase I) and a residential building (Phase II). The alley-closing legislation requires the recordation of a covenant establishing new portions of the alley system by easement, accessing L Street, N.W., and 9th Street, N.W., and the applicant agrees to maintain such new portions of the alley system established by easement.

(c) The alley closing has received letters of no objection from all reviewing District agencies and utilities and is supported by Advisory Neighborhood Commission 2F.

(d) On September 22, 2015, the Council voted unanimously on first reading to enact the Closing of a Public Alley in Square 369, S.O. 13-07989, Act of 2015, passed on 2nd reading on October 6, 2015 (Enrolled version of Bill 21-217), permanent legislation to close the alley. Given the decision to go forward with the closing, there is no benefit to further delay. Securing the alley-closing approval is essential for the applicant to move forward in a timely manner with the development. Making the closing effective sooner will enable the project to proceed without the risk of delay.

Sec. 3 The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of a Public Alley in Square 369, 13-07989, Emergency Act of 2015 be adopted after a single reading.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of a Public Alley in Square 197, S.O. 15-23895, Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to close a portion of the public alley system in Square 197, S.O. 15-23895.

(b) The alley closing will facilitate the development of a new office building that will serve as the headquarters building for Fannie Mae and will include ground-floor retail use. The alley-closing legislation requires the recordation of a covenant establishing an easement of between 5 feet and 8 feet in width to widen the existing north-south alley at the ground level to provide a continuous 20-foot wide passageway at grade to the public. In addition, the development will have a positive fiscal impact on the District of Columbia through the generation of substantial new property tax revenues as well as substantial sales and business tax revenues.

(c) The alley closing has received letters of no objection from all reviewing District agencies and utilities and is supported by Advisory Neighborhood Commission 2B.

(d) On September 22, 2015, the Council voted unanimously on first reading to enact the Closing of a Public Alley in Square 197, S.O. 15-23895, Act of 2015, passed on 2nd reading on October 6, 2015 (enrolled version of Bill 21-240), permanent legislation to close the alley. To declare the existence of an emergency with respect to the need to amend An Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes to clarify that, for purposes of determining whether the referral of a minor student 14 years of age through 17 years of age to the Court Social Services Division of the Superior Court of the District of Columbia and to the Office of the Attorney General Juvenile Section for the accrual of 15 unexcused absences during School Year 2015-2016 is required, the term unexcused absence may mean an unexcused full school day absence.

Truancy Referral Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Truancy Referral Emergency Declaration Resolution of 2015".

Sec. 2. (a) Over the past 5 years, the Council of the District of Columbia has passed 3 laws: the Safe Children and Safe Neighborhoods Educational Neglect Mandatory Reporting Amendment Act of 2010, effective October 26, 2010 (D.C. Law 18-242; 57 DCR 7555); the South Capitol Street Memorial Amendment Act of 2012, effective June 7, 2012 (D.C. Law 19-141; 59 DCR 3083); and the Attendance Accountability Amendment Act of 2013, effective September 19, 2013 (D.C. Law 20-17; 60 DCR 14501); with the goal of reducing chronic truancy.

(b) In particular, the Attendance Accountability Amendment Act of 2013 requires educational institutions to refer minor students 14 through 17 years of age to the Court Social Services ("CSS") Division of the Superior Court of the District of Columbia and to the Office of the Attorney General ("OAG") Juvenile Section after the student has accrued 15 unexcused absences within a school year. The goal of this mandate was to facilitate interagency coordination and to ensure that students who continuously miss full days of school receive the services and interventions that they need.

(c) However, students who miss more than 20% of the school day, and thus are not "present," as defined by section 2199 of Title 5-A of the District of Columbia Municipal Regulations, are being counted as absent. Because many of the District's high schools operate on a block schedule, this results in a student being considered absent if he or she misses one period of the school day even though he or she may be present the rest of the school day. If this occurs on 15 or more days, the student is referred to CSS and OAG, as the statute requires a referral after 15 unexcused absences. Thus, a student may be referred to CSS or OAG even though he or she has not been chronically truant but instead has been chronically tardy. This has resulted in over-referrals to CSS, thereby saturating the system and diverting limited resources away from those students and families that are truly in need of CSS or OAG intervention.

(d) Chronic truancy is inherently different from chronic tardiness. Chronic truancy involves continual and complete absence from school, often signaling other issues, whether they be social, emotional, mental, familial, or academic, in a child's life, and thus necessitates a myriad of interventions from various District agencies. Chronic tardiness, on the other hand, may signal that a student needs aid in getting to school but does not necessitate serious intervention, such as referral to CSS and OAG.

(e) Without this immediate change, chronic truancy and chronic tardiness will continue to be conflated, thereby resulting in students who are not truly truant being identified as such and leading to their involvement with the juvenile justice system. While schools should work with youth who display a pattern of chronic tardiness, such behavior does not rise to the level of requiring a referral to the courts or to OAG. Thus, an emergency exists to clarify that for the purposes of CSS and OAG referral, an educational institution may ignore the "80/20" rule and consider an unexcused absence to be an unexcused full school day absence.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Truancy Referral Emergency Amendment Act of 2015 be adopted after a single reading.

Wage Theft Prevention Correction and Clarification Emergency Declaration Resolution of 2015

To declare the existence of an emergency with respect to the need to clarify and improve the laws prohibiting wage theft and the enforcement of those laws.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Wage Theft Prevention Correction and Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists a need to amend the amendments made by the Wage Theft Prevention Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-157; 61 DCR 10157) ("Wage Theft Act"), to clarify when certain provisions shall take effect, clarify who may bring an action on behalf of an employee, amend criminal penalties, clarify when amounts in the Wage Theft Prevention Fund may be spent, authorize the Mayor to issue rules, and clarify how the Mayor shall make certain information available to manufacturers.

(b) These changes will enhance the ability of the District to enforce laws prohibiting wage theft, thus protecting victims of employers who fail to perform the basic obligation of paying employees for work completed.

(c) As a result of the need to make these necessary technical corrections to the Wage Theft Act, the Council previously enacted the Wage Theft Prevention Correction and Clarification Emergency Amendment Act of 2014, enacted on December 29, 2014 (D.C. Act 20-544; 62 DCR 243)("emergency legislation"), and the Wage Theft Prevention Correction and Clarification Temporary Amendment Act of 2014, effective March 13, 2015 (D.C. Law 20-240; 62 DCR 4511) ("temporary legislation").

(d) The temporary legislation is set to effective October 24, 2015. This emergency legislation is necessary to make sure there is no gap in the law until a permanent bill can be adopted by the Council.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Wage Theft Prevention Correction and Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to approve an extension of time to dispose of District-owned real property located at 5131 Nannie Helen Burroughs Avenue, N.E., known as the Strand Theater.

Extension of Time to Dispose of the Strand Theater Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Extension of Time to Dispose of the Strand Theater Emergency Declaration Resolution of 2015".

Sec. 2. (a) On June 16, 2008, the Deputy Mayor for Planning and Economic Development awarded Washington Metropolitan Community Development Corporation ("Developer"), exclusive rights to negotiate to redevelop the District-owned real property located at 5131 Nannie Helen Burroughs Avenue, N.E., known for tax and assessment purposes as Lot 801 in Square 5196 ("Strand Theater"), along with an adjacent developer-owned property, as part of a commercial-use project that will include vibrant, street-front retail, a community and office space, and off-street parking.

(b) The Mayor has recently allocated an additional $1 million to improve the physical structure of Strand Theater to make it more attractive to potential tenants. An affordable housing project has been approved across the street, which will also increase the site's marketability. The closing on the property will not occur by October 6, 2015, the date upon which the Mayor's authority to dispose of the property expires under the Extension of Time to Dispose of the Strand Theater Temporary Amendment Act of 2014, effective February 26, 2015 (D.C. Law 20-162; 62 DCR 3608).

(c) The proposed legislation will extend the Mayor's authority to dispose of the property until October 6, 2016, to allow the parties to meet the closing and pre-development deadlines.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Extension of Time to Dispose of the Strand Theater Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to establish that it shall be unlawful for the owner or operator of a grocery store to impose a restrictive land covenant or use restriction on the sale, or other transfer, or lease of real property used as a grocery store that prohibits the subsequent use of the property as a grocery store.

Grocery Store Restrictive Covenant Prohibition Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Grocery Store Restrictive Covenant Prohibition Emergency Declaration Resolution of 2015".

Sec. 2. (a) In late 2014, it was reported that the Safeway at 4865 MacArthur Boulevard was offered for sale. In previous store and property sales, Safeway required that a purchaser of its property agree to a covenant prohibiting reuse of the property for a similar or analogous use; that is, that the property may not be used as a grocery store or retail food establishment of any kind. This type of restriction is harmful to residents. And, in the Macarthur Boulevard instance, it is harmful to the residents of the neighborhood as the next closest grocer is approximately 2.5 miles away.

(b) Restrictive covenants and other use restriction policies related to grocery stores are harmful and limit a community's access to fresh food.

(c) Maintaining a grocery store within an urban neighborhood is vital, particularly since many residents rely heavily on walking as a means of access to fresh food.

(d) Seniors and low-income residents especially rely on food retailers in close proximity to their homes as they often face mobility challenges or have limited access to vehicles.

(e) A lack of stores offering healthy food options leads to unhealthy food choices and related health problems.

(f) These restrictive covenants are contrary to the American standard of a free market and open competition.

(g) As development in the District continues and the city sees continued population increases, it is vital that every neighborhood has access to essential grocery-store services. Restrictive covenants undermine food-services competition and the advent of revitalized communities with large and small retailers, including independent butchers and bakeries.

(h) The circumstances described in this section underscore the need for the Council to act to prohibit such restrictive covenants and prevent the creation of food deserts in the District.

(i) Further, this emergency legislation is necessary as the Grocery Store Restrictive Covenant Prohibition Temporary Act of 2014, which is currently in effect, will expire on October 18, 2015, and the permanent version of this emergency legislation has not yet been enacted by the Council.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Grocery Store Restrictive Covenant Prohibition Emergency Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to institute a moratorium on the issuance of permits for the construction or operation of automobile paint spray booths in Ward 5; provided, that the moratorium shall not apply to permits for automobile paint spray booths that meet certain conditions.

Ward 5 Paint Spray Booth Conditional Moratorium Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Ward 5 Paint Spray Booth Conditional Moratorium Emergency Declaration Resolution of 2015".

Sec. 2. (a) It is necessary to place a moratorium on the issuance of permits to construct and the issuance and renewal of permits to operate automobile paint spray booths within Ward 5 that do not meet certain standards.

(b) This emergency legislation addresses the immediate and longstanding concerns of residents who are adversely affected by the noxious and possibly injurious fumes emanating from already existing automobile paint spray booth operators. Not all operators are in compliance with current law and even those that are, due to the low threshold of certain regulations, persistently pollute the air with such fumes.

(c) There are several pending automobile paint spray booth permit applications in Ward 5 under consideration before the District Department of the Environment. The possible granting of these permits will exacerbate the problem by adding new operators within a ward with an already high concentration of such operators.

(d) The effects of the noxious and possibly injurious fumes emanating from automobile paint spray booths have a negative impact on property values within the ward, as well as the quality of life of its residents.

(e) The Council previously enacted the Air Quality Amendment Act of 2014, effective September 9, 2014 (D.C. Law 20-135; 61 DCR 9968). One of the purposes of this law is to combat toxic odors. Despite that enactment, however, the complaints from residents due to such odors caused by automobile paint spray booths remain frequent and steady.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Ward 5 Paint Spray Booth Moratorium Emergency Act of 2015 be adopted after a single reading.

RESOLVED, BY COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "N Street Village, Inc. Tax and TOPA Exemption Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) In October 2014, the Council enacted the N Street Village, Inc. Tax and TOPA Exemption Amendment Act of 2014, effective March 11, 2015 (D.C. Law 20-229; 62 DCR 4500) ("Act").

(b) The applicability clause in the Act inadvertently included the entire bill, but the TOPA exemption need not be subject to funding.

(c) The renovation project has been approved by the Housing Finance Agency and the Department of Housing and Community Development for tax credits with a pending closing of late October. Part of the transaction includes a long -erm lease to a tax credit entity that without this emergency measure would trigger the tenants opportunity to purchase obligations pursuant to the Rental Housing Conversion and Sale Act of 1980, effective September 10, 1980 (D.C. (d) Emergency legislation is necessary to clarify that the applicability clause applies only to the provisions with a fiscal effect that have not been funded in a budget and financial plan.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Extension of Time to Dispose of Property Located at Sixth and E Streets, S.W. Emergency Declaration Resolution of 2015".

Sec. 2. (a) The District owns real property located at the northeast corner of Sixth and E Streets, S.W., known for tax and assessment purposes as Lot 0036 in Square 0494 ("Property") for the construction of a mixed-use development, which was approved by the Council pursuant to the Fourth/Sixth and E Streets, S.W., Property Disposition Approval Resolution of 2009, effective November 3, 2009 (Res. 18-290; 56 DCR 8799).

(b) E Street Development Group, LLC, a joint venture led by Potomac Investment Properties and CityPartners ("Developer") was selected in 2009, through a competitive RFP process, to redevelop property located at 4th and E Streets, S.W., and 6th and E Streets, S.W.

(c) The redevelopment was planned to include the construction of a new fire station (the "Fire Station") for Engine Company 13 within a mixed-use building and a new mixed-use commercial project on the site of the existing fire station.

(d) Phase 1 of the project is under construction and slated to deliver by early 2016. However, due to permit and weather delays, the Fire Station will not achieve final completion (Phase 2) under the current timeline by November 3, 2015.

(b) On September 25, 2015, by Modification No. 11, the Office of the Deputy Mayor for Planning and Economic Development, on behalf of the Department of Energy and Environment, exercised a partial option of option year 5 of Contract No. DDOE-2010-SEU-0001 to provide sustainable energy services for the period from October 1 through October 31, 2015, in a not-to-exceed amount of $990,000.

To declare the existence of an emergency with respect to the need to approve Modification Nos. M0005 and M0006 to Task Order No. CW30657 against GSA Federal Supply Schedule Contract No. GS-35F-0688R with On Point Technology, Inc. to supply, maintain, support, and modify the District On-Line Compensation System and to authorize payment for the goods and services received and to be received under the task order.

Modification Nos. M0005 and M0006 to Task Order No. CW30657 against GSA Federal Supply Schedule Contract No. GS-35-F-0688R Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, that this resolution may be cited as the "Modification Nos. M0005 and M0006 to Task Order No. CW30657 against GSA Federal Supply Schedule Contract No. GS-35-F-0688R Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve Modification Nos. M0005 and M0006 to Task Order No. CW30657 (the "Task Order") issued by the District of Columbia (the "District") Office of Contracting and Procurement ("OCP"), on behalf of the District Department of Employment Services ("DOES"), against GSA Federal Supply Schedule Contract No. GS-35F-0688R and to authorize payment for the goods and services received, and to be received, under these modifications to the Task Order.

(b) On August 8, 2014, OCP awarded the Task Order to On Point Technology, Inc. ("On Point") to maintain, support and modify DOES's automated unemployment compensation benefits system, known as the District On-Line Compensation System. OCP issued the Task Order against On Point's GSA Federal Supply Contract No. GS-35F-0688R. The period of performance under the Task Order was 30 days, from August 11, 2014 through September 11, 2014, and the Task Order was in the not-to-exceed contract amount of $355,391.00.

(c) By Modification No. M0001, dated September 10, 2014, OCP extended the term of the Task Order, which was then in the form of a Letter Contract, from September 11, 2014 through October 31, 2014 and increased the not-to-exceed amount of the Task Order to $939,595.57.

(d) By Modification No. M0003, dated October 21, 2014, OCP extended the term of the Task Order from October 31, 2014 through November 6, 2014 and increased the not-to-exceed amount of the Task Order to $998,016.02.

(e) On November 4, 2014, after receiving Council approval, OCP definitized the Task Order and partially awarded the base year for the 10-month period from August 11, 2014 through June 23, 2015 because On Point's Federal Supply Contract No. GS-35F-0688R was set to expire on June 23, 2015. The not-to-exceed amount for the entire base year of the Task Order was $4,264,690.00.

(f) On June 16, 2015, by Modification No. PO-0007, GSA exercised option period 2 of On Point's Federal Supply Contract No. GS-35F-0688R for the 5-year period of performance from June 24, 2015 through June 23, 2020.

(g) By Modification No. M0004, dated June 15, 2015, OCP modified the period of performance for the base year of the Task Order to be August 11, 2014 through August 10, 2015, in the not-to-exceed amount of $4,323,110.52.

(h) By Modification No. M0005, dated August 5, 2015, OCP partially exercised option year one of the Task Order and extended the term of the Task Order for the period from August 11, 2015 through October 10, 2015, in the not-to-exceed amount of $619,985.10.

(i) By proposed Modification No. M0006, OCP intends to exercise the remainder of option year one of the Task Order to extend the term of the Task Order for the period from October 11, 2015 through August 10, 2016, in the not-to-exceed amount of $4,435,278.00.

(j) Council approval of Modification Nos. M0005 and M0006 to the Task Order is necessary pursuant to section 451(b)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 803; D.C. Official Code § 1-204.51(b)(1)), because the expenditures under the modifications to the Task Order are in an amount in excess of $1,000,000 during a 12-month period.

(k) Approval of Modification Nos. M0005 and M0006 to the Task Order is necessary to allow the continuation of these vital services. Without this approval, On Point cannot be paid for goods and services provided in excess of $1,000,000.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modification Nos. M0005 and M0006 to Task Order No. CW30657 against GSA Federal Supply Schedule Contract No. GS-35-F-0688R Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

Proposed Resolution 21-358

***See* Emergency D.C. Act 21-154 21 DCStat 2180**

To declare the existence of an emergency with respect to the need to authorize the Fire and Emergency Medical Services Department to contract with third parties to provide supplemental pre-hospital medical care and transportation for Basic Life Support calls for service.

Emergency Medical Services Contract Authority Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Emergency Medical Services Contract Authority Emergency Declaration Resolution of 2015".

Sec. 2. (a) Under existing law, the Fire and Emergency Medical Services Department ("FEMS") is required to provide pre-hospital medical care and transportation in the District.

(b) The District's current emergency medical services call volume is at a historic high and increases every month.

(c) The high call volume for emergency medical services provided by FEMS is having an impact on FEMS's availability to respond to all emergencies.

(d) Often patient transports are used for lower priority services provided by FEMS, with many requiring only a Basic Life Support ("BLS") level of care.

(e) Emergency response units are required to remain out-of-service while transporting and transferring low-acuity patients to a hospital's care. The average time at the hospital ranges from 45 to 56 minutes and impedes FEMS personnel's ability to fully prepare for the next emergency call.

(f) As a result, there are times when there are no ambulances available to respond to emergencies.

(g) Council approval of emergency legislation allowing FEMS to contract with third parties to provide BLS transport services will allow FEMS to respond to all calls, including critical and time-sensitive calls for service.

(h) Additionally, each third-party contractor is required to provide a quarterly report to the Council so that the Council may evaluate the effectiveness of the services rendered.

(i) FEMS will provide, within 4 months after the date of a contract award, a report to the Council that includes its efforts to educate the public on requesting emergency services and a synopsis of statistics related to personnel training, patient fees, and ambulance services.

(j) The Office of Unified Communications will provide, within 4 months after the date of a contract award, a report on average dispatch times and how the office re-routes non-emergency calls.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the

Emergency Medical Services Contract Authority Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Proposed Resolution 21-408

See Emergency D.C. Act 21-218 21 DCStat 2290

To declare the existence of an emergency, due to congressional review, with respect to the need to authorize the disposition by lease of District-owned real property located at 1351 Nicholson Street, N.W., commonly known as the Old Brightwood School and designated for tax and assessment purposes as Lot 0846 in Square 2794.

1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) On March 1, 2001, the Community Academy Public Charter School ("CAPCS") entered into a lease agreement with the District to lease the property located at 1351 Nicholson Street, N.W. (Lot 0846, Square 2794), which is improved by the Old Brightwood School, for a period of twenty years.

(b) On February 19, 2015, the District of Columbia Public Charter School Board ("PCSB") voted to revoke the charter of CAPCS at the end of the 2014-2015 school year, with the revocation effective as of July 1, 2015. In order to ensure that the students enrolled at CAPCS schools were not displaced, PCSB and the Deputy Mayor for Education worked to identify other entities that would be willing and able to assume control over the various CAPCS campuses. Friendship Public Charter School, Inc. ("Friendship PCS") agreed to take over the CAPCS campus located at 1351 Nicholson Street, N.W. (the "Nicholson Street Property") and stepped in as an assignee of the lease CAPCS had with the District.

(c) In assuming the lease for the Nicholson Street Property from CAPCS, Friendship PCS agreed to shoulder responsibility for a $22 million bond that CAPCS originally had for the online campus located at the Nicholson Street campus. This bond was set to default on June 30, 2015 due to CAPCS's charter being revoked and its inability to pay for the bond. In accepting responsibility for this $22 million bond, Friendship PCS combined the $22 million bond with its current bond assets and closed on these consolidated bonds in September 2015.

(d) A condition of Friendship PCS's ability to close was the approval by the Council of the District of Columbia of Friendship PCS's assumption of the Nicholson Street Property lease from CAPCS. Friendship PCS was scheduled to close on its bond consolidation in late August/early September 2015. Thus, on July 14, 2015, the Council passed the 1351 Nicholson Street, N.W., Old Brightwood School Lease Emergency Amendment Act of 2015, effective July 31, 2015 (D.C. Act 21-136; 62 DCR 10874) (the "emergency legislation").

(e) On September 22, 2015, the Council passed the 1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Act of 2015, enacted on October 16, 2015 (D.C. Act 21-169; 62 DCR 13750) (the "permanent legislation"). On October 23, 2015, the permanent

legislation was transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(f) The emergency legislation expired on October 29, 2015; however the permanent legislation is not expected to become law until December 21, 2015. A congressional review emergency is necessary to ensure that the provisions of the emergency legislation continue in effect, without further interruption, until the permanent legislation becomes law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the 1351 Nicholson Street, N.W., Old Brightwood School Lease Amendment Congressional Review Emergency Act of 2015 be adopted after a single reading.

To declare the existence of an emergency, due to congressional review, with respect to the need to authorize the disposition by lease of District-owned real property located at 4095 Minnesota Avenue, N.E., commonly known as the Woodson School and designated for tax and assessment purposes as Lot 0813 in Square 5078.

4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Congressional Review Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Congressional Review Emergency Declaration Resolution of 2015".

Sec. 2. (a) On May 26, 2000, Friendship Public Charter School, Inc. ("Friendship PCS") entered a lease agreement with the District to lease the property located at 4095 Minnesota Avenue N.E. (Lot 0813, Square 5078) for a period of twenty years. In 2009, the lease was amended to extend it for an additional ten years, giving the lease a total duration of thirty years. Friendship PCS seeks to amend the lease again to extend it for another ten years, for a total of forty years. The amended lease would also include an option for a twenty-five year renewal.

(b) On April 14, 2015, the Council of the District of Columbia approved Resolution 21-77, the Friendship Public Charter School, Inc. Revenue Bonds Project Approval Resolution of 2015. Resolution 21-77 authorized and provided for the issuance, sale, and delivery of District revenue bonds to Friendship PCS in an amount not to exceed $70 million. Having received this bond financing, Friendship PCS now requests an extension of its 4095 Minnesota Avenue, N.E. lease.

(c) Additionally, on February 19, 2015, the District of Columbia Public Charter School Board ("PCSB") voted to revoke the charter of Community Academy Public Charter School ("CAPCS") at the end of the 2014-2015 school year, with the revocation effective as of July 1, 2015. In order to ensure that the students currently enrolled at CAPCS schools are not displaced, PCSB and the Deputy Mayor for Education worked to identify other entities that would be willing and able to assume control over the various CAPCS campuses. Friendship PCS agreed to take over the CAPCS campus located at 1351 Nicholson Street, N.W. (the "Nicholson Street Property"), as well as CAPCS's Armstrong property, and is stepping in as an assignee of the lease CAPCS had with the District for the Nicholson Street Property.

(d) In assuming the lease for the Nicholson Street Property from CAPCS, Friendship PCS agreed to shoulder responsibility for a $22 million bond that CAPCS originally had for the online campus located at the Nicholson Street Property. This bond was set to default on June 30, 2015 due to CAPCS's charter being revoked and its inability to pay for the bond. In accepting responsibility for this $22 million bond, Friendship PCS combined the $22 million bond with its current bond assets, most of which Friendship PCS acquired through Resolution

21-77, and closed on these consolidated bonds in September 2015.

(e) A condition of Friendship PCS's ability to close was the approval by the Council of the District of Columbia of the extension of Friendship PCS's lease for the property at 4095 Minnesota Ave. N.E. Friendship PCS was scheduled to close on their bond consolidation in late August/early September 2015. Thus, on July 14, 2015, the Council passed the 4095 Minnesota Avenue, N.E., Woodson School Lease Emergency Amendment Act of 2015, effective August 11, 2015 (D.C. Act 21-152; 62 DCR 11446) (the "emergency legislation").

(f) On September 22, 2015, the Council passed the 4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Act of 2015, enacted on October 16, 2015 (D.C. Act 21-170; 62 DCR 13752) (the "permanent legislation"). On October 23, 2015, the permanent legislation was transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(g) The emergency legislation will expire on November 9, 2015; however, the permanent legislation is not expected to become law until December 21, 2015. A congressional review emergency is necessary to ensure that the provisions of the emergency legislation continue in effect until the permanent legislation becomes law.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the 4095 Minnesota Avenue, N.E., Woodson School Lease Amendment Congressional Review Emergency Act of 2015 be adopted after a single reading.

Proposed Resolution 21-410

See Emergency D.C. Act 21-201 21 DCStat 2245

To declare the existence of an emergency with respect to the need to amend the Street and Alley Closing and Acquisition Procedures Act of 1982 to allow for the temporary naming of an adopted or sponsored Department of Parks and Recreation athletic field in honor of a current or former professional sports player and to permit the District to display the logo of an entity sponsoring or adopting a Department of Parks and Recreation athletic field on signage at the field; and to amend the Recreation Act of 1994 to clarify that certain entities, including a nonprofit organization, may adopt or sponsor a Department of Parks and Recreation program, site, facility, field, or operation.

Athletic Field Naming and Sponsorship Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Athletic Field Naming and Sponsorship Emergency Declaration Resolution of 2015".

Sec. 2. (a) On September 16, 2015, Chairman Phil Mendelson and Councilmembers Evans, Allen, and Cheh, introduced the Athletic Field Naming and Sponsorship Amendment Act of 2015, passed on 1st reading on November 3, 2015 (Engrossed version of Bill 21-340) (the "permanent legislation"). The permanent legislation was referred to the Committee of the Whole, which held a hearing on it on October 13, 2015, and reported it favorably on October 20, 2015.

(b) The permanent legislation was passed on first reading on November 3, 2015. Its second reading may not occur until at least 14 days thereafter. The legislation then would need to be signed by the Mayor and transmitted to Congress for the 30-day review period required by section 602(c)(1) of the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 813; D.C. Official Code § 1-206.02(c)(1)).

(c) The District of Columbia is presently attempting to enter into a philanthropic partnership with the Washington Nationals baseball club to renovate a Department of Parks and Recreation athletic field slated for completion by March 1, 2016.

(d) Based on the schedule for enactment of the permanent legislation, it does not seem likely that the District will have the authority to enter in to this partnership in sufficient time for the required agreements to be executed and the field renovations to occur.

(e) It is therefore important that emergency legislation authorize the District to enter into this partnership before the permanent legislation becomes effective.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the

Athletic Field Naming and Sponsorship Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

Fiscal Year 2016 Second Budget Support Clarification Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Fiscal Year 2016 Second Budget Support Clarification Emergency Declaration Resolution of 2015".

Sec. 2. (a) On June 30, 2015, the Council passed the Fiscal Year 2016 Budget Support Act of 2015, effective October 22, 2015 (D.C. Law 21-36; 62 DCR 10905) ("Act 21-248"). Act 21-248 was signed by the Mayor on August 11, 2015, was transmitted to Congress on September 9, 2015, and became effective on October 22, 2015.

(b) At the June 30, 2015 Legislative Meeting, the Council also adopted the Fiscal Year 2016 Budget Support Emergency Act of 2015, effective July 27, 2015 (D.C. Act 21-127; 62 DCR 10201) ("Act 21-127"), an emergency version of Act 21-148. Act 21-127 was signed by the Mayor and became effective on July 27, 2015.

(c) Following the Council's adoption of Acts 21-127 and 21-148, it was discovered that several provisions within these measures were in need of technical corrections or further clarification. On September 22, 2015, the Council adopted the Fiscal Year 2016 Budget Support Clarification Emergency Amendment Act of 2015, effective October 16, 2015 (D.C. Act 21-164; 62 DCR 13734) ("Act 21-164") and approved a corresponding temporary measure, the Fiscal Year 2016 Budget Support Clarification Temporary Amendment Act, passed on 2nd reading on November 3, 2015 (Engrossed version of Bill 21-396), on first reading.

(d) Since the Council's adoption of D.C. Act 21-164, additional necessary clarifications or other changes to the law have come to the Council's attention, necessitating the adoption of the revisions contained in the Fiscal Year 2016 Second Budget Support Clarification Emergency Amendment Act of 2015, including:

(1) Necessary clarifications to the District's license-to-carry-a-pistol law;

(2) Provisions authorizing the Board of Review of Anti-Deficiency Violations to access records and materials to perform the Board's investigatory functions;

(3) Modifications to the District's combined reporting provisions;

(4) Revisions to the structure of the District's parking-meters program;

(5) Clarification to the application of the cost-of-living computation as it pertains to the standard deduction; and

(6) Other technical revisions.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Fiscal Year 2016 Second Budget Support Clarification Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to the amend the Homeless Services Reform Act of 2005 to authorize the Mayor to place a family that does not have a safe-housing alternative in a temporary interim eligibility placement pending a determination of eligibility for shelter and an assessment of the supportive services necessary to assist the family in obtaining sustainable permanent housing, to authorize the Mayor to provide shelter to a family in a private rooms meeting certain minimum standards and constructed for the purpose of closing the District of Columbia General Family Shelter, to add an expedited appeals process for a family that is denied eligibility for shelter following an interim eligibility placement, and to provide that a family may continue in an interim eligibility placement pending the outcome of an appeal of a denial of eligibility for shelter.

Interim Eligibility and Minimum Shelter Standards Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Interim Eligibility and Minimum Shelter Standards Emergency Declaration Resolution of 2015".

Sec. 2. (a) The Department of Human Services ("DHS") seeks to codify its current practice of temporarily placing a family seeking shelter into shelter before making a final eligibility determination.

(b) Specifically, DHS seeks to codify this practice at the start of "hypothermia season" in order to allow for a more thorough review of a family's circumstances and housing options in order to distinguish more fully those families that are entitled to shelter.

(c) This emergency legislation would codify the Department's existing practice and establish an appeals process for a family ultimately determined to be ineligible for shelter during an interim eligibility placement.

(d) This legislation also would authorize the Mayor to utilize private rooms rather than apartment-style units as shelter for families.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Interim Eligibility and Minimum Shelter Standards Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to enact the Uniform Interstate Family Support Act, as revised with amendments officially adopted by the National Conference of Commissioners on Uniform State Laws to ensure that the amendments will be in effect prior to January 1, 2016.

Uniform Interstate Family Support Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Uniform Interstate Family Support Emergency Declaration Resolution of 2015".

Sec. 2. (a) On November 23, 2007, the United States signed the Convention on the International Recovery of Child Support and Other Forms of Family Maintenance at the Hague.

(b) In order to implement the Convention, the Uniform Law Commission drafted the 2008 Amendments to the Uniform Interstate Family Support Act, to be adopted by every state.

(c) On September 29, 2014, the President signed the Preventing Sex Trafficking and Strengthening Families Act, approved September 9, 2014 (Pub. L. No. 113-183; 128 Stat. 1919), which required that the 2008 Amendments to the Uniform Interstate Family Support Act be in effect in each state and the District of Columbia, no later "than the 1st day of the 1st calendar quarter beginning after the close of the 1st regular session of the State legislature that begins after the date of enactment of this Act", provided that, if a state has a 2-year legislative session, "each year of the session shall be deemed to be a separate regular session of the State legislature."

(d) In order to ensure adoption in all states, the Office of Child Support Enforcement in the United States Department of Health and Human Services issued an Action Transmittal which requires states to have the 2008 Revised Uniform Interstate Family Support Act in effect by January 1, 2016, as a prerequisite for continued federal financial support for child support enforcement and Temporary Assistance for Needy Families ("TANF").

(e) On September 17, 2015, Juanita Devine, the Regional Program Manager for Region III of the federal Office of Child Support Enforcement, wrote Benidia Rice, the Director of the Child Support Services Division of the Office of the Attorney General for the District of Columbia, a letter stating that "[a] State must have an approved State IV-D plan in order to receive federal funding under Title IV-D of the [Social Security] Act" and that "a State plan disapproval would result in immediate suspension of all Federal payments for the State's child support enforcement program." She noted that for Fiscal Year 2013, the federal share for the District's IV-D program, including incentive payments, was $19,912,823. She also noted that an approved IV-D plan is a condition for eligibility for a TANF block grant and that, for Fiscal Year 2013, the TANF block grant to the District was $92,609,815.

(f) The Committee on the Judiciary held a hearing on the permanent legislation, the Uniform Interstate Family Support Act of 2015, passed on 1st reading on November 3, 2015 (Engrossed version of B21-0245), on October 8, 2015, and marked up the bill on October 28, 2015.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Uniform Interstate Family Support Emergency Act of 2015 be adopted after a single reading.

Closing of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128, S.O. 13-09432, Emergency Declaration Resolution of 2015

To declare the existence of an emergency with respect to the need to order the closing of portions of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128 in Ward 5.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128, S.O. 13-09432, Emergency Declaration Resolution of 2015".

Sec. 2. There exists an immediate need to approve emergency legislation to close those portions of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128, which are paper streets that traverse the site of the former McMillan Sand Filtration Plant in Ward 5. The McMillan site is owned by the District, and the Office of the Deputy Mayor for Planning and Economic Development is actively overseeing its redevelopment into a mix of residential, commercial, and recreational uses. Emergency legislation to close the streets within McMillan site is necessary to permit the immediate subdivision of the property into townhome, commercial, multifamily, and District parcels. Subdivision is necessary to ensure that the needed permits can be obtained, the land disposition and development agreements can be executed, and the complex horizontal and vertical development activities can be completed according to the project schedule and within the disposition authority provided for in the McMillan Townhomes Parcel, Commercial Parcel, and Multifamily Parcels Disposition Extension Approval Resolution of 2015, effective November 3, 2015 (Res. 21-253; 62 DCR _____). The development project was approved by the Council pursuant to the McMillan Residential Townhomes Parcel Disposition Approval Resolution of 2014, effective December 2, 2014 (Res. 20-705; 62 DCR 1091), the McMillan Residential Multifamily Parcels Disposition Approval Resolution of 2014, effective December 2, 2014 (Res. 20-706; 62 DCR 1094), and the McMillan Commercial Parcel Disposition Approval Resolution of 2014, effective December 2, 2014 (Res. 20-707; 62 DCR 1097). Making the street closings effective sooner than congressional review otherwise would allow will enable the project to proceed without the risk of delay.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of Franklin Street, N.W., Evarts Street, N.W., and Douglas Street, N.W., in Square 3128, S.O. 13-09432, Emergency Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Day Care Policy Act of 1979 to address the growing needs for foster parents and support the foster care community by extending eligibility for subsidized child care to foster parents who may no longer be working but have some form of verifiable income, teen parents under 21 years of age who themselves are in foster care or wards of the District, and foster parents who are not working but who are enrolled in a verified job training or education program.

Foster Care Extended Eligibility Emergency Declaration Resolution of 2015

RESOLVED,BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Foster Care Extended Eligibility Emergency Declaration Resolution of 2015".

Sec. 2. (a) The District of Columbia leads the nation in providing high-quality pre-K to over 70% of the District's 3-year olds and over 90% of the District's 4-year olds. In order to ensure that the District's youngest children are prepared when they enter our pre-K programs, a need exists to increase the level of high-quality child care and services that our 0-3 year old population receives.

(b) Currently, 3,542 children ages 0-3 receive a child care subsidy in the District of Columbia, and of those children, 215 live with foster parents that seek support through subsidized child care services. These are generally some of the District's most vulnerable residents who need comprehensive services and a continuity of care to ensure that they are poised to succeed when they enter pre-K and Kindergarten.

(c) In order to address the needs of the population discussed in subsection (b) of this section and their families, the Office of the State Superintendent of Education is expanding the eligibility for subsidized child care to 3 specific cohorts of the foster care population: foster parents who may no longer be working but have some form of verifiable income; teen parents under 21 years of age who themselves are in foster care or wards of the District; and foster parents who are not working but who are enrolled in a verified job training or education program.

(d) Under current District law, children receiving a child care subsidy are not guaranteed continuity of care, as their subsidy status is linked to their foster parent's employment status. Thus, if a foster parent loses his or her job or has retired his or her foster child will either not be eligible for the subsidy or will lose the subsidy and thus child care. This disruption is particularly detrimental to these children, as they are often the population with the greatest need for consistency and continuity. Thus, a need exists to allow the children in foster homes to continue to receive a child care subsidy, and therefore child care, despite the employment status of their foster parent.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Foster Care Extended Eligibility Emergency Amendment Act of 2015 be adopted after a single reading.

Sense of the Council Supporting a "Build First" Model of Reinvestment in Greenleaf Public Housing Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Sense of the Council Supporting a "Build First" Model of Reinvestment in Greenleaf Public Housing Resolution of 2015".

Sec. 2. The Council finds that:

(1) Greenleaf public housing, located in Southwest D.C., makes up 455 important units of public housing, much of which is dedicated to senior and disabled residents and multiple-bedroom family housing. Greenleaf public housing includes Greenleaf Gardens, Greenleaf Senior, Greenleaf Extension, and Greenleaf Addition, all located in Ward 6.

(2) The District of Columbia Housing Authority ("DCHA") has initiated a planning process for the reinvestment and replacement of Greenleaf public housing.

(3) The Greenleaf and surrounding Southwest community share significant concerns regarding potential displacement of current Greenleaf public housing residents as part of the DCHA future redevelopment.

(4) The Office of Planning, as part of its extensive small area plan process, recognized these concerns and included recommendations in its Southwest Neighborhood Plan, which the Council approved on July 14, 2015.

(5) The Neighborhood Plan recommends developing a strategy for keeping current residents in the community during and after construction and redevelopment, including identifying potential "Build First" sites.

(6) The Southwest community, including Advisory Neighborhood Commission 6D, the Southwest Neighborhood Assembly, and the Southwest Community Benefits Coordinating Committee, has expressed a strong desire to support a "Build First" model for Greenleaf public housing replacement.

(7) In light of DCHA's status as an independent public agency, and recognizing the importance of protecting the needs of the Greenleaf and Southwest community, the Council makes a statement on the issue.

Sec. 3. It is the sense of the Council that DCHA should prioritize and develop a "Build First" model of reinvestment in Greenleaf public housing to better preserve this important housing availability and the Southwest community that currently calls it home.

***See* Emergency D.C. Act 21-241 21 DCStat 2309**

To declare the existence of an emergency with respect to the need to amend Chapter 46 of Title 47 of the District of Columbia Official Code to clarify the real property tax abatement for Lot 72 in Square 5041 and Lot 811 in Square 5056.

Parkside Parcel E and J Mixed-Income Apartments Tax Abatement Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Parkside Parcel E and J Mixed-Income Apartments Tax Abatement Emergency Declaration Resolution of 2015".

Sec. 2. (a) It is necessary to pass emergency legislation to address the immediate concerns related to a residential property development in Ward 7.

(b) In December 2012, the Council passed the Parkside Parcel E and J Mixed-Income Apartments Tax Abatement Act of 2012, effective April 20, 2013 (D.C. Law 19-255; 60 DCR 987), which amended Chapter 46 of Title 47 of the District of Columbia Official Code to abate the imposition of taxes on certain real property, Lot 808, Square 5041 and Lot 811, Square 5056, known as the Parkside Parcel E and J Mixed-Income Apartments, a development located in the Parkside neighborhood in Ward 7.

(c) In December 2014, the Council passed the Parkside Parcel E and J Mixed-Income Apartments Tax Abatement Temporary Amendment Act of 2014, effective April 30, 2015 (D.C. Law 20-251; 62 DCR 1876). The temporary legislation will expire on December 11, 2015.

(d) The tax abatement allowed an annual real property tax abatement equal to the amount of the real property taxes assessed and imposed up to a total maximum amount for both lots of $600,000 per year for 10 property tax years, commencing at the beginning of the first month following the date of the issuance of a final certificate of occupancy.

(e) When the Council passed the bill, Parkside Residential, LLC owned parcels E and J. The company has since partnered with additional entities for the development, creating a new ownership entity.

(f) The emergency and temporary legislation modified the language of the tax abatement to include only references to the square and lots for development in lieu of the names of developers and development projects. The legislation also changed the 10-year $600,000 per year real property tax abatement for both lots into a 10-year $300,000 per year real property tax abatement for each lot. These changes were made in light of the then pending closing on the property.

(g) The developer has closed on Lot 72, formerly Lot 808, and construction has begun. Emergency legislation is necessary to continue the tax abatements and ensure that the language of the tax abatement remains consistent with the existing financing.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Parkside Parcel E and J Mixed-Income Apartments Tax Abatement Emergency Amendment Act of 2015 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to amend the Animal Control Act of 1979 to clarify that animals at educational institutions are permitted for educational and instructional purposes.

Classroom Animal for Educational Purposes Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Classroom Animal for Educational Purposes Emergency Declaration Resolution of 2015".

Sec. 2. (a) There is an immediate need to amend section 9(h) of the Animal Control Act of 1979, effective October 18, 1979 (D.C. Law 3-30; D.C. Official Code § 8-1808(h)), to make clear that animals at educational institutions are permitted for educational and instructional purposes.

(b) The Department of Health has previously notified schools across the District that they must remove animals – such as geckos, frogs, toads, tadpoles, and other species historically used for instructional purposes but not specifically cited in section 9 of the Animal Control Act of 1979 – or the District will seize and destroy them.

(c) To address this concern, the Council enacted the Classroom Animal for Educational Purposes Clarification Second Temporary Act of 2015 on April 30, 2015. Since its passage, a number of schools have obtained and maintained animals on the school premises to provide teaching and learning opportunities for students.

(d) Because a number of schools already maintain animals on their premises, this emergency action is necessary to prevent classroom and instructional animals from being removed and ensure that the schools can continue providing teaching and learning opportunities for students with living creatures that are treated and maintained humanely and safely.

(e) This emergency action is necessary to prevent a gap in the law as the temporary legislation that is currently in effect, the Classroom Animal for Educational Purposes Clarification Second Temporary Amendment Act of 2015, effective April 30, 2015 (D.C. Law 20-255; 62 DCR 2257), expires on December 11, 2015. The permanent version of this emergency measure, the Educational and Instructional Animals Clarification Amendment Act of 2015, has not yet been passed by the Council.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Classroom Animal for Educational Purposes Emergency Amendment Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to order the closing of a portion of the public alley system in Square 70, bounded by 22nd Street, N.W., N Street, N.W., 21st Street, N.W., New Hampshire Avenue, N.W., and M Street, N.W., in Ward 2.

Closing of a Public Alley in Square 70, S.O. 15-23283, Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Closing of a Public Alley in Square 70, S.O. 15-23283, Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve emergency legislation to close a portion of the public alley system in Square 70, S.O. 15-23283.

(b) The alley is owned by the 1255 22nd Street Limited Partnership ("the Applicant") and is located at the northeast corner of 22nd Street, N.W., and Ward Place, N.W., in Ward 2. The Applicant's property includes Lots 193 and 194; the alley is located along the eastern edge of Lot 193. Lot 193 contains a seven-story office building that is vacant except for a Post Office, and Lot 193 contains a parking lot.

(c) The Applicant intends to convert the office space into residential units and build a connecting nine-story residential building on the site of the existing parking lot. As part of the development plans, the Applicant will maintain public access over the existing 30-foot-wide alley, by way of a tunnel-like passage, created by the construction of the building, with a width of 30 feet and a height of 16 feet.

(d) The Applicant will dedicate a perpetual easement over the closed portion of the alley to allow continued access to the new residential units, as well as to the rear of two properties fronting on N Street, N.W., that abut the alley (Lots 153 and 192).

(e) A permanent version of this legislation passed first reading unanimously on November 3, 2015 and will be considered by the Council on second reading on December 1, 2015. Making the closing effective sooner than congressional review would allow will enable the project to proceed without the risk of delay.

Sec. 3. The Council of the District of Columbia determines the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Closing of a Public Alley in Square 70, S.O. 15-23283, Emergency Act of 2015 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to approve multiyear Contract No. DCPL-2016-C-0005 with Smoot/Gilbane III MLK, A Joint Venture, to provide Construction Manager At-Risk services for the renovation of the Martin Luther King Jr. Memorial Library from the date of award through December 31, 2019.

Proposed Multiyear Contract No. DCPL-2016-C-0005 Approval Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Proposed Multiyear Contract No. DCPL-2016-C-0005 Approval Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve multiyear Contract DCPL-2016-C-0005 with Smoot/Gilbane III MLK, A Joint Venture, for Construction Manager At-Risk ("CMAR") services for the renovation of the Martin Luther King Jr. Memorial Library ("MLK Library"). The period of performance is from the date of award through December 31, 2019.

(b) On April 30, 2015, the District of Columbia Public Library ("DCPL") issued a Request for Proposals for a contractor to provide Phase 1 of CMAR services for the renovation of the MLK Library as part of a 2-step source selection process ("selection process"). On August 28, 2015, the Technical Evaluation Panel compiled the Step 2 report recommending award to Smoot/Gilbane III MLK, A Joint Venture, the highest-scored offeror after Step 2 presentations, and transmitted the results to the DCPL Chief Procurement Officer. The Chief Procurement Officer, after performing her own independent assessment of each offeror, recommends that the subject contract for Design-Build Services be awarded to Smoot/Gilbane III MLK, A Joint Venture, the highest-scored offeror in the Step 2 selection process.

(c) The estimated total expenditure under this multiyear delivery of services contract with Smoot/Gilbane III MLK, A Joint Venture, is $9,072,102 for Phase One of the contract.

(d) DCPL now seeks Council approval of this multiyear contract consisting of a performance period from the date of award through December 31, 2019.

(e) Council approval is necessary to allow the performance of and payment for these vital services for the term of this multiyear contract.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Proposed Multiyear Contract No. DCPL-2016-C-0005 Approval Emergency Act of 2015 be adopted after a single reading.

Contract No. DCKV-2007-C-0001 Extension Approval and Payment Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Contract No. DCKV-2007-C-0001 Extension Approval and Payment Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve the extension of Contract No. DCKV-2007-C-0001 with Industrial Bank, N.A. to provide secondary collections services for photo enforcement, parking, and moving tickets and to authorize payment for the services received and to be received under the contract.

(b) On September 30, 2015, the Office of the Chief Financial Officer executed Modification No. 30, extending Contract No. DCKV-2007-C-0001 from October 1, 2015, through November 30, 2015, in the amount of $700,000.

(c) Proposed Modification No. 31 will extend Contract No. DCKV-2007-C-0001 from December 1, 2015, through March 31, 2016, in the amount of $1.4 million. This modification also provides that the District may further extend the period of this contract for up to 3 2-month option periods, each in the amount of $700,000. If all options are exercised, the not-to-exceed amount of the 12-month extension will be $4.2 million.

(d) Council approval is necessary because these modifications increase the contract to one of more than $1 million during a 12-month period, and to allow the continuation of these vital services and Industrial Bank, N.A. to continue to perform under the contract.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Contract No. DCKV-2007-C-0001 Extension Approval and Payment Authorization Emergency Act of 2015 be adopted after a single reading.

A RESOLUTION

Proposed Resolution 21-455

See Emergency D.C. Act 21-227 21 DCStat 2303

To declare the existence of an emergency with respect to the need to amend the Business Improvement Districts Act of 1996 to clarify that the business improvement district shall submit a plan to the Mayor to request to extend its charter for a period of 5 years.

Business Improvement Districts Charter Renewal Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Business Improvement Districts Charter Renewal Emergency Declaration Resolution of 2015".

Sec. 2. (a) In 2014, the Council passed the Business Improvement Districts Amendment Act of 2014, effective February 25, 2015 (D.C. Law 20-161; D.C. Official Code § 2-1215.01 *et seq.)* ("Act"). The Act modernized the law concerning business improvement districts ("BID").

(b) The Act inadvertently changed the way that a BID's charter was extended. The inadvertent change requires the Board and the membership of a BID to first approve a BID plan and then submit it to the Mayor requesting that its operations be extended for 5 years. Historically, BID plans were approved and submitted to the Mayor in accordance with the BID's bylaws. The change in the charter renewal procedure that was made in the Act altered the timing and administrative burden of a BID applying to renew its charter. The change will have a negative impact on the BIDs, especially on smaller neighborhood BIDs.

(c) The Adams Morgan BID is in the process of organizing its plan to renew its charter and without this technical amendment, the Act would require the BID to meet a higher threshold and would add uncertainty to its renewal extension process.

(d) Emergency legislation is necessary to expeditiously return the BID charter renewal procedure to the way it had been since 2002, when the first BID term extension took place.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Business Improvement Districts Charter Renewal Emergency Amendment Act of 2015 be adopted after a single reading.

Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Declaration Resolution of 2015".

Sec. 2. (a) There exists an immediate need to approve the use of eminent domain to acquire Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110.

(b) The District of Columbia Water and Sewer Authority ("DC Water") currently operates a site south of N Place, S.E., north of the Anacostia River and between 1st and Canal Streets, S.E. ("DC Water Site").

(c) Pursuant to the Anacostia Waterfront Framework Plan, the District plans to dispose of and develop a portion of the DC Water Site so as to leverage other large-scale District investments in the Capitol Riverfront/Near Southeast neighborhood such as the South Capitol Street Bridge project and Nationals Park thereby serving to accelerate and promote economic vitality and enhance economic development in the District of Columbia.

(d) For the planned disposition and development to proceed, it is necessary for DC Water to relocate the functions currently at the DC Water Site.

(e) The District of Columbia and DC Water have entered into a Memorandum of Understanding for DC Water to relocate a portion of the uses of the DC Water Site to a site in Prince Georges County, Maryland.

(f) To ensure adequate response times to water and sewer emergencies, DC Water must also maintain a site west of the Anacostia River.

(g) The District desires to relocate the current DC Water Site uses not being relocated to the Prince Georges County site, including customer care and sewer service operations, to Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site").

(h) The W Street Site is currently occupied by a trash transfer station.

(i) The trash transfer station is a blighting factor in Brentwood and its surrounding communities.

(j) Residents of Brentwood and the surrounding communities have concerns regarding the noxious fumes that emanate from the trash transfer station and pervasive vermin, and have complained that there is an increased incidence of health concerns.

(k) The W Street Site trash transfer station continues to operate as an open air trash transfer station, which allows its pungent odors to reach much farther than they would if the facility were closed.

(l) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Emergency Act of 2015 be adopted after a single reading.

Encouraging Foster Children To Have Connections with Siblings Emergency Declaration Resolution of 2015

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Encouraging Foster Children To Have Connections with Siblings Emergency Declaration Resolution of 2015".

Sec. 2. (a) Title IV-E of the Social Security Act, approved June 17, 1980 (P.L. 96-272; 42 USC § 670 *et seq.*) ("Title IV-E"), provides federal funds to states and the District of Columbia for foster care and guardianship and adoption assistance programs.

(b) Section 209 of the Preventing Sex Trafficking and Strengthening Families Act, approved September 29, 2014 (128 Stat. 1941; 42 U.S.C. §§ 671 and 675), requires states and the District, as a condition of receiving Title IV-E funds, to encourage the placement of foster children with siblings by including in the category of a sibling individuals who would have been considered a sibling but for the termination or disruption of parental rights.

(c) For the District to be eligible for Title IV-E funding, it must enact legislation by January 1, 2016, that encourages the placement of foster children with siblings.

(d) Emergency legislation is necessary to ensure that the District of Columbia maintains compliance with the federal requirements and continues to be eligible for Title IV-E funding.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Encouraging Foster Children To Have Connections with Siblings Emergency Amendment Act of 2015 be adopted after a single reading.

(d) The Chief Financial Officer may, without regard to any act or resolution of the Council now existing or adopted after the effective date of this act, designate an Escrow Agent under the Escrow Agreement. The Chief Financial Officer may execute and deliver the Escrow Agreement, on behalf of the District and in the Chief Financial Officer's official capacity, containing the terms that the Chief Financial Officer considers necessary or appropriate to carry out the purposes of this act. A special account entitled "Special Escrow for Payment of District of Columbia Fiscal Year 2016 General Obligation Tax Revenue Anticipation Notes" is created and shall be maintained by the Escrow Agent for the benefit of the owners of the notes as stated in the Escrow Agreement. (3) The District covenants that it shall levy, maintain, or enact taxes due and payable during August 1, 2016, through September 30, 2016, to provide for payment in full of the principal of, and interest on, the notes when due. exceeds 100% of the aggregate amount of principal of and interest on the notes payable at their maturity.

(h) The Chief Financial Officer shall, in the full exercise of the authority granted the Chief Financial Officer under the Home Rule Act and under any other law, take actions as may be necessary or appropriate to ensure that the principal of and interest on the notes are paid when due, including, but not limited to, seeking an advance or loan of moneys from the United States Treasury if available under then current law. This action shall include, without limitation, the deposit of available funds with the Escrow Agent as may be required under section 483 of the Home Rule Act, this act, and the Escrow Agreement. Without limiting any obligations under this act or the Escrow Agreement, the Chief Financial Officer reserves the right to deposit available funds with the Escrow Agent at his or her discretion.

(i) There are provided and approved for expenditure sums as may be necessary for making payments of the principal of, and interest on, the notes, and the provisions of the District of Columbia Appropriations Act, 2016, if enacted prior to the effective date of this act, relating to short-term borrowings are amended and supplemented accordingly by this section, as contemplated in section 483 of the Home Rule Act.

(k) In addition to the security available for the holders of the notes, the Chief Financial Officer is hereby authorized to enter into agreements, including any agreement calling for payments in excess of $1 million during fiscal year 2016, with a bank or other financial institution to provide a letter of credit, line of credit, or other form of credit enhancement to secure repayment of the notes when due. The obligation of the District to reimburse the bank or financial institution for any advances made under any such credit enhancement shall be a general obligation of the District until repaid and shall accrue interest at the rate of interest established by the Chief Financial Officer not in excess of 15% per year until paid.

(l) The Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. The contracts or other arrangements also may be entered into by the District in connection with, or incidental to, entering into or maintaining any agreement that secures the notes. The contracts or other arrangements shall contain whatever payment, security, terms, and conditions as the Chief Financial Officer may consider appropriate and shall be entered into with whatever party or parties the Chief Financial Officer may select, after giving due consideration, where applicable, to the creditworthiness of the counterparty or counterparties including any rating by a nationally recognized rating agency or any other criteria as may be appropriate. In connection with, or incidental to, the issuance or holding of the notes, or entering into any contract or other arrangement referred to in this section, the District may enter into credit enhancement or liquidity agreements, with payment, interest rate, termination date, currency, security, default, remedy, and any other terms and conditions as the Chief Financial Officer determines. (b) The defeasance escrow agent shall not invest the defeasance escrow account in any investment callable at the option of its issuer if the call could result in less than sufficient moneys being available for the purposes required by this section.

(c) The moneys and direct obligations referred to in subsection (a)(1) of this section may include moneys or direct obligations of the United States of America held under the Escrow Agreement and transferred, at the written direction of the Chief Financial Officer, to the defeasance escrow account.

Sec. 9. Additional debt and other obligations.

(a) The District reserves the right at any time to: borrow money or enter into other obligations to the full extent permitted by law; secure the borrowings or obligations by the pledge of its full faith and credit; secure the borrowings or obligations by any other security and pledges of funds as may be authorized by law; and issue bonds, notes, including Additional Notes, or other instruments to evidence the borrowings or obligations. No borrowings or other obligations, including Additional Notes, shall be entered into that would require an immediate set-aside and deposit under section 7(g) applied as of the date of the issuance.

(b)(1) The District may issue Additional Notes pursuant to section 472 of the Home Rule Act that shall mature on or before September 30, 2016, and the District shall covenant to set aside and deposit under the Escrow Agreement, receipts and other available funds for payment of the principal of, and the interest on, the Additional Notes issued pursuant to section 472 of the Home Rule Act on a parity basis with the notes.

(3) Any covenants relating to any Additional Notes shall have equal standing and be on a parity with the covenants made for payment of the principal of, and the interest on, the notes.

(4) If Additional Notes are issued pursuant to section 472 of the Home Rule Act, the provisions of section 7 shall apply to both the notes and the Additional Notes and increase the amounts required to be set aside and deposited with the Escrow Agent.

(5) As a condition precedent to the issuance of any Additional Notes, the Chief Financial Officer shall deliver a signed certificate certifying that the District is in full compliance with all covenants and obligations under this act and the Escrow Agreement, that no set-aside and deposit of receipts pursuant to section 7(g) applied as of the date of issuance is required, and that no set-aside and deposit will be required under section 7(g) applied immediately after the issuance.

Sec. 10. Tax matters.

The Chief Financial Officer shall not take any action or omit to take any action, or invest, reinvest, or accumulate any moneys in a manner, that will cause the interest on the notes to be includable in gross income for federal income tax purposes or, if the notes were issued as non-AMT notes, to be treated as an item of tax preference for purposes of the federal alternative minimum tax. The Chief Financial Officer also shall take all actions necessary to be taken so that the interest on the notes will not be includable in gross income for federal income tax purposes or, if the notes were issued as non-AMT notes, be treated as an item of tax preference for purposes of the federal alternative minimum tax.

(a) If a proceeding is brought under this act and only one tribunal has issued a child-support order, the order of that tribunal controls and must be recognized.

(b) If a proceeding is brought under this act, and 2 or more child-support orders have been issued by tribunals of the District, of another state, or a foreign country with regard to the same obligor and same child, a tribunal of the District having personal jurisdiction over both the obligor and individual obligee shall apply the following rules and by order shall determine which order controls and must be recognized:

(1) If only one of the tribunals would have continuing, exclusive jurisdiction under this act, the order of that tribunal controls.

(2) If more than one of the tribunals would have continuing, exclusive jurisdiction under this act:

(A) An order issued by a tribunal in the current home state of the child controls; or

(B) If an order has not been issued in the current home state of the child, the order most recently issued controls.

(3) If none of the tribunals would have continuing, exclusive jurisdiction under this act, the tribunal of the District shall issue a child-support order, which controls.

(c) If 2 or more child-support orders have been issued for the same obligor and same child, upon request of a party who is an individual or that is a support enforcement agency, a tribunal of the District having personal jurisdiction over both the obligor and the obligee who is an individual shall determine which order controls under subsection (b) of this section. The request may be filed with a registration for enforcement or registration for modification pursuant to Title 6, or may be filed as a separate proceeding.

(d) A request to determine which is the controlling order must be accompanied by a copy of every child-support order in effect and the applicable record of payments. The requesting party shall give notice of the request to each party whose rights may be affected by the determination.

(e) The tribunal that issued the controlling order under subsection (a), (b), or (c) of this section has continuing jurisdiction to the extent provided in section 205 or 206.

(f) A tribunal of the District that determines by order which is the controlling order under subsection (b)(1) or (2) or (c) of this section, or that issues a new controlling order under subsection (b)(3) of this section, shall state in that order:

(1) The basis upon which the tribunal made its determination;

(2) The amount of prospective support, if any; and

(3) The total amount of consolidated arrears and accrued interest, if any, under all of the orders after all payments made are credited as provided by section 209.

(g) Within 30 days after issuance of an order determining which is the controlling order, the party obtaining the order shall file a certified copy of it in each tribunal that issued or registered an earlier order of child support. A party or support enforcement agency obtaining the order that fails to file a certified copy is subject to appropriate sanctions by a tribunal in which

the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the controlling order.

(h) An order that has been determined to be the controlling order, or a judgment for consolidated arrears of support and interest, if any, made pursuant to this section must be recognized in proceedings under this act.

Sec. 208. Child-support orders for 2 or more obligees. **New § 46-352.08**

In responding to registrations or petitions for enforcement of 2 or more child-support orders in effect at the same time with regard to the same obligor and different individual obligees, at least one of which was issued by a tribunal of another state or a foreign country, a tribunal of the District shall enforce those orders in the same manner as if the orders had been issued by a tribunal of the District.

Sec. 209. Credit for payments. **New § 46-352.09**

A tribunal of the District shall credit amounts collected for a particular period pursuant to any child-support order against the amounts owed for the same period under any other child-support order for support of the same child issued by a tribunal of the District, another state, or a foreign country.

Sec. 210. Application of act to nonresident subject to personal jurisdiction. **New § 46-352.10**

In all other respects, Titles 3 through 6 do not apply, and the tribunal shall apply the procedural and substantive law of the District.

Sec. 211. Continuing, exclusive jurisdiction to modify spousal-support order. **New § 46-352.11**

(b) A tribunal of the District may not modify a spousal-support order issued by a tribunal of another state or a foreign country having continuing, exclusive jurisdiction over that order under the law of that state or foreign country.

(c) A tribunal of the District that has continuing, exclusive jurisdiction over a spousal-support order, may serve as:

(f) This act does not create or negate a relationship of attorney and client or other fiduciary relationship between a support enforcement agency or the attorney for the agency and the individual being assisted by the agency.

Sec. 308. Duty of Office of the Attorney General. **New § 46-353.08**

The Office of the Attorney General may determine that a foreign country has established a reciprocal arrangement for child support with the District and take appropriate action for notification of the determination.

Sec. 309. Private counsel. **New § 46-353.09**

An individual may employ private counsel to represent the individual in proceedings authorized by this act.

Sec. 310. Duties of Office of the Attorney General as state information agency. **New § 46-353.10**

(a) The Office of the Attorney General is the state information agency under this act.

Sec. 311. Pleadings and accompanying documents. **New § 46-353.11**

(a) In a proceeding under this act, a petitioner seeking to establish a support order, to determine parentage of a child, or to register and modify a support order of a tribunal of another state or a foreign country must file a petition. Unless otherwise ordered under section 312, the petition or accompanying documents must provide, so far as known, the name, residential address, and social security numbers of the obligor and the obligee or the parent and alleged parent, and the name, sex, residential address, social security number, and date of birth of each child for whose benefit support is sought or whose parentage is to be determined. Unless filed at the time of registration, the petition must be accompanied by a copy of any support order known to have been issued by another tribunal. The petition may include any other information that may assist in locating or identifying the respondent.

(b) The petition must specify the relief sought. The petition and accompanying documents must conform substantially with the requirements imposed by the forms mandated by federal law for use in cases filed by a support enforcement agency.

Sec. 312. Nondisclosure of information in exceptional circumstances. **New § 46-353.12**

If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of specific identifying information, that information must be sealed and may not be disclosed to the other party or the public. After a hearing in which a tribunal takes into consideration the health, safety, or liberty of the party or child, the tribunal may order disclosure of information that the tribunal determines to be in the interest of justice.

Sec. 313. Costs and fees. **New § 46-353.13**

(a) The petitioner may not be required to pay a filing fee or other costs.

(b) If an obligee prevails, a responding tribunal of the District may assess against an obligor filing fees, reasonable attorney's fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. The tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or responding state or foreign country, except as provided by other law. Attorney's fees may be taxed as costs, and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of support owed to the obligee has priority over fees, costs, and expenses.

(c) The tribunal shall order the payment of costs and reasonable attorney's fees if it determines that a hearing was requested primarily for delay. In a proceeding under Title 6, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

(a) Participation by a petitioner in a proceeding under this act before a responding tribunal, whether in person, by private attorney, or through services provided by the support enforcement agency, does not confer personal jurisdiction over the petitioner in another proceeding.

(c) The immunity granted by this section does not extend to civil litigation based on acts unrelated to a proceeding under this act committed by a party while physically present in the District to participate in the proceeding.

Sec. 316. Special rules of evidence and procedure. **New § 46-353.16**

(a) The physical presence of a nonresident party who is an individual in a tribunal of the District is not required for the establishment, enforcement, or modification of a support order or the rendition of a judgment determining parentage of a child.

(b) An affidavit, a document substantially complying with federally mandated forms, or a document incorporated by reference in any of them, which would not be excluded under the hearsay rule if given in person, is admissible in evidence if given under penalty of perjury by a party or witness residing outside the District.

(c) A copy of the record of child-support payments certified as a true copy of the original by the custodian of the record may be forwarded to a responding tribunal. The copy is evidence of facts asserted in it, and is admissible to show whether payments were made.

(d) Copies of bills for testing for parentage of a child, and for prenatal and postnatal health care of the mother and child, furnished to the adverse party at least 10 days before trial, are admissible in evidence to prove the amount of the charges billed and that the charges were reasonable, necessary, and customary.

(e) Documentary evidence transmitted from outside the District to a tribunal of the District by telephone, telecopier, or other electronic means that do not provide an original record may not be excluded from evidence on an objection based on the means of transmission.

(f) In a proceeding under this act, a tribunal of the District shall permit a party or witness residing outside the District to be deposed or to testify under penalty of perjury by telephone, audiovisual means, or other electronic means at a designated tribunal or other location. A tribunal of the District shall cooperate with other tribunals in designating an appropriate location for the deposition or testimony.

(g) If a party called to testify at a civil hearing refuses to answer on the ground that the testimony may be self-incriminating, the trier of fact may draw an adverse inference from the refusal.

(1) Request a tribunal outside the District to assist in obtaining discovery; and

(2) Upon request, compel a person over which it has jurisdiction to respond to a discovery order issued by a tribunal outside the District.

New § 46-353.19

Sec. 319. Receipt and disbursement of payments.

(a) A support enforcement agency or tribunal of the District shall disburse promptly any amounts received pursuant to a support order, as directed by the order. The agency or tribunal shall furnish to a requesting party or tribunal of another state or a foreign country a certified statement by the custodian of the record of the amounts and dates of all payments received.

(b) If neither the obligor, nor the obligee who is an individual, nor the child resides in the District, upon request from the support enforcement agency of the District or another state, the support enforcement agency of the District or a tribunal of the District shall:

(1) Direct that the support payment be made to the support enforcement agency in the state in which the obligee is receiving services; and

(2) Issue and send to the obligor's employer a conforming income-withholding order or an administrative notice of change of payee, reflecting the redirected payments.

(c) The support enforcement agency of the District receiving redirected payments from another state pursuant to a law similar to subsection (b) of this section shall furnish to a requesting party or tribunal of the other state a certified statement by the custodian of the record of the amount and dates of all payments received.

(1) The individual seeking the order resides outside the District; or

(2) The support enforcement agency seeking the order is located outside the District.

(b) The tribunal may issue a temporary child-support order if the tribunal determines that such an order is appropriate and the individual ordered to pay is:

(1) A presumed father of the child;

(2) Petitioning to have his paternity adjudicated;

(3) Identified as the father of the child through genetic testing;

(4) An alleged father who has declined to submit to genetic testing;

New § 46-355.01

Sec. 501. Employer's receipt of income-withholding order of another state.

(c) Except as otherwise provided in subsection (d) of this section and section 503, the employer shall withhold and distribute the funds as directed in the withholding order by complying with terms of the order which specify:

Sec. 505. Penalties for noncompliance. **New § 46-355.05**

An employer that willfully fails to comply with an income-withholding order issued in another state and received for enforcement is subject to the same penalties that may be imposed for noncompliance with an order issued by a tribunal of the District.

Sec. 506. Contest by obligor. **New § 46-355.06**

(b) Upon receipt of the documents, the support enforcement agency, without initially seeking to register the order, shall consider and, if appropriate, use any administrative procedure

authorized by the law of the District to enforce a support order or an income-withholding order, or both. If the obligor does not contest administrative enforcement, the order need not be registered. If the obligor contests the validity or administrative enforcement of the order, the support enforcement agency shall register the order pursuant to this act.

Sec. 605. Notice of registration of order. **New § 46-356.05**

(a) When a support order or income-withholding order issued in another state or a foreign support order is registered, the registering tribunal of the District shall notify the nonregistering party. The notice must be accompanied by a copy of the registered order and the documents and relevant information accompanying the order.

(b) A notice must inform the nonregistering party:

(1) That a registered support order is enforceable as of the date of registration in the same manner as an order issued by a tribunal of the District;

(2) That a hearing to contest the validity or enforcement of the registered order must be requested within 20 days after notice unless the registered order is under section 707;

(3) That failure to contest the validity or enforcement of the registered order in a timely manner will result in confirmation of the order and enforcement of the order and the alleged arrearages; and

(4) Of the amount of any alleged arrearages.

(c) If the registering party asserts that 2 or more orders are in effect, a notice must also:

(1) Identify the 2 or more orders and the order alleged by the registering party to be the controlling order and the consolidated arrears, if any;

(2) Notify the nonregistering party of the right to a determination of which is the controlling order;

(3) State that the procedures provided in subsection (b) of this section apply to the determination of which is the controlling order; and

(4) State that failure to contest the validity or enforcement of the order alleged to be the controlling order in a timely manner may result in confirmation that the order is the controlling order.

(d) Upon registration of an income-withholding order for enforcement, the support enforcement agency or the registering tribunal shall notify the obligor's employer pursuant to the D.C. Child Support Enforcement Amendment Act of 1985, effective February 24, 1987 (D.C. Law 6–166; D.C. Official Code § 46-201 *et seq*.).

Sec. 606. Procedure to contest validity or enforcement of registered support order. **New § 46-356.06**

(a) A nonregistering party seeking to contest the validity or enforcement of a registered support order in the District shall request a hearing within the time required by section 605. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrearages pursuant to section 607.

(b) If the nonregistering party fails to contest the validity or enforcement of the registered support order in a timely manner, the order is confirmed by operation of law.

(c) If a nonregistering party requests a hearing to contest the validity or enforcement of the registered support order, the registering tribunal shall schedule the matter for hearing and give notice to the parties of the date, time, and place of the hearing.

Sec. 607. Contest of registration or enforcement. **New § 46-356.07**

(a) A party contesting the validity or enforcement of a registered support order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

(1) The issuing tribunal lacked personal jurisdiction over the contesting party;

(2) The order was obtained by fraud;

(3) The order has been vacated, suspended, or modified by a later order;

(4) The issuing tribunal has stayed the order pending appeal;

(5) There is a defense under the law of the District to the remedy sought;

(6) Full or partial payment has been made;

(7) The statute of limitation under section 604 precludes enforcement of some or all of the alleged arrearages; or

(8) The alleged controlling order is not the controlling order.

(b) If a party presents evidence establishing a full or partial defense under subsection (a) of this section, a tribunal may stay enforcement of a registered support order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered support order may be enforced by all remedies available under the law of the District.

(c) If the contesting party does not establish a defense under subsection (a) of this section to the validity or enforcement of a registered support order, the registering tribunal shall issue an order confirming the order.

Sec. 608. Confirmed order. **New § 46-356.08**

Confirmation of a registered support order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

SUBTITLE C. REGISTRATION AND MODIFICATION OF CHILD-SUPPORT ORDER OF ANOTHER STATE. **New Part C**

Sec. 609. Procedure to register child-support order of another state for modification. **New § 46-356.09**

A party or support enforcement agency seeking to modify, or to modify and enforce, a child-support order issued in another state shall register that order in the District in the same manner provided in sections 601 through 608 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or later. The pleading must specify the grounds for modification.

Sec. 610. Effect of registration for modification. **New § 46-356.10**

A tribunal of the District may enforce a child-support order of another state registered for purposes of modification, in the same manner as if the order had been issued by a tribunal of the District, but the registered support order may be modified only if the requirements of section 611 or 613 have been met.

Sec. 611. Modification of child-support order of another state. **New § 46-356.11**

(a) If section 613 does not apply, upon petition a tribunal of the District may modify a child-support order issued in another state which is registered in the District if, after notice and hearing, the tribunal finds that:

(1) The following requirements are met:

(A) Neither the child, nor the obligee who is an individual, nor the obligor resides in the issuing state;

(B) A petitioner who is a nonresident of the District seeks modification; and

(C) The respondent is subject to the personal jurisdiction of the tribunal of the District; or

(2) The District is the residence of the child, or a party who is an individual is subject to the personal jurisdiction of the tribunal of the District, and all of the parties who are individuals have filed consents in a record in the issuing tribunal for a tribunal of the District to modify the support order and assume continuing, exclusive jurisdiction.

(b) Modification of a registered child-support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of the District and the order may be enforced and satisfied in the same manner.

(c) A tribunal of the District may not modify any aspect of a child-support order that may not be modified under the law of the issuing state, including the duration of the obligation of support. If 2 or more tribunals have issued child-support orders for the same obligor and same child, the order that controls and must be so recognized under section 207 establishes the aspects of the support order which are nonmodifiable.

(d) In a proceeding to modify a child-support order, the law of the state that is determined to have issued the initial controlling order governs the duration of the obligation of support. The obligor's fulfillment of the duty of support established by that order precludes imposition of a further obligation of support by a tribunal of the District.

(e) On the issuance of an order by a tribunal of the District modifying a child-support order issued in another state, the tribunal of the District becomes the tribunal having continuing, exclusive jurisdiction.

(f) Notwithstanding subsections (a) through (e) of this section and section 201(b), a tribunal of the District retains jurisdiction to modify an order issued by a tribunal of the District if:

(1) One party resides in another state; and

(2) The other party resides outside the United States.

Sec. 612. Recognition of order modified in another state. **New § 46-356.12**

If a child-support order issued by a tribunal of the District is modified by a tribunal of another state which assumed jurisdiction pursuant to the Uniform Interstate Family Support Act, a tribunal of the District:

(1) May enforce its order that was modified only as to arrears and interest accruing before the modification;

(2) May provide appropriate relief for violations of its order which occurred before the effective date of the modification; and

(3) Shall recognize the modifying order of the other state, upon registration, for the purpose of enforcement.

Sec. 613. Jurisdiction to modify child-support order of another state when individual parties reside in the District. **New § 46-356.13**

(a) If all of the parties who are individuals reside in the District and the child does not reside in the issuing state, a tribunal of the District has jurisdiction to enforce and to modify the issuing state's child-support order in a proceeding to register that order.

(b) A tribunal of the District exercising jurisdiction under this section shall apply the provisions of Titles 1 and 2, this title, and the procedural and substantive law of the District to the proceeding for enforcement or modification. Titles 3, 4, 5, 7, and 8 do not apply.

Sec. 614. Notice to issuing tribunal of modification. **New § 46-356.14**

Within 30 days after issuance of a modified child-support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction.

SUBTITLE D. REGISTRATION AND MODIFICATION OF FOREIGN CHILD-SUPPORT ORDER. **New Part D**

Sec. 615. Jurisdiction to modify child-support order of foreign country. **New § 46-356.15**

(a) Except as otherwise provided in section 711, if a foreign country lacks or refuses to exercise jurisdiction to modify its child-support order pursuant to its laws, a tribunal of the District may assume jurisdiction to modify the child-support order and bind all individuals subject to the personal jurisdiction of the tribunal whether the consent to modification of a child-support order otherwise required of the individual pursuant to section 611 has been given or whether the individual seeking modification is a resident of the District or of the foreign country.

(b) An order issued by a tribunal of the District modifying a foreign child-support order pursuant to this section is the controlling order.

Sec. 616. Procedure to register child-support order of foreign country for modification. **New § 46-356.16**

A party or support enforcement agency seeking to modify, or to modify and enforce, a foreign child-support order not under the Convention may register that order in the District under sections 601 through 608 if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or at another time. The petition must specify the grounds for modification.

(a) A petitioner may file a direct request seeking establishment or modification of a support order or determination of parentage of a child. In the proceeding, the law of the District applies.

(b) A petitioner may file a direct request seeking recognition and enforcement of a support order or support agreement. In the proceeding, sections 706 through 713 apply.

(c) In a direct request for recognition and enforcement of a Convention support order or foreign support agreement:

(1) A security, bond, or deposit is not required to guarantee the payment of costs and expenses; and

(2) An obligee or obligor that in the issuing country has benefited from free legal assistance is entitled to benefit, at least to the same extent, from any free legal assistance provided for by the law of the District under the same circumstances.

(d) A petitioner filing a direct request is not entitled to assistance from the Office of the Attorney General.

(e) This title does not prevent the application of laws of the District that provide simplified, more expeditious rules regarding a direct request for recognition and enforcement of a foreign support order or foreign support agreement.

Sec. 706. Registration of Convention support order. **New § 46-357.06**

(a) Except as otherwise provided in this title, a party who is an individual or a support enforcement agency seeking recognition of a Convention support order shall register the order in the District as provided in Title 6.

(c) A request for registration of a Convention support order may seek recognition and partial enforcement of the order.

(d) A tribunal of the District may vacate the registration of a Convention support order without the filing of a contest under section 707 only if, acting on its own motion, the tribunal finds that recognition and enforcement of the order would be manifestly incompatible with public policy.

(e) The tribunal shall promptly notify the parties of the registration or the order vacating the registration of a Convention support order.

Sec. 707. Contest of registered convention support order. **New § 46-357.07**

(a) Except as otherwise provided in this title, sections 605 through 608 apply to a contest of a registered Convention support order.

(c) If the nonregistering party fails to contest the registered Convention support order by the time specified in subsection (b) of this section, the order is enforceable.

(d) A contest of a registered Convention support order may be based only on grounds set forth in section 708. The contesting party bears the burden of proof.

(e) In a contest of a registered Convention support order, a tribunal of the District:

(1) Is bound by the findings of fact on which the foreign tribunal based its jurisdiction; and

(2) May not review the merits of the order.

(f) A tribunal of the District deciding a contest of a registered Convention support order shall promptly notify the parties of its decision.

(g) A challenge or appeal, if any, does not stay the enforcement of a Convention support order unless there are exceptional circumstances.

Sec. 708. Recognition and enforcement of registered convention support order. **New § 46-357.08**

(a) Except as otherwise provided in subsection (b) of this section, a tribunal of the District shall recognize and enforce a registered Convention support order.

(b) The following grounds are the only grounds on which a tribunal of the District may refuse recognition and enforcement of a registered Convention support order:

(1) Recognition and enforcement of the order is manifestly incompatible with public policy, including the failure of the issuing tribunal to observe minimum standards of due process, which include notice and an opportunity to be heard;

(2) The issuing tribunal lacked personal jurisdiction consistent with section 201;

(3) The order is not enforceable in the issuing country;

(4) The order was obtained by fraud in connection with a matter of procedure;

(5) A record transmitted in accordance with section 706 lacks authenticity or integrity;

(6) A proceeding between the same parties and having the same purpose is pending before a tribunal of the District and that proceeding was the first to be filed;

(7) The order is incompatible with a more recent support order involving the same parties and having the same purpose if the more recent support order is entitled to recognition and enforcement under this act in the District;

(8) Payment, to the extent alleged arrears have been paid in whole or in part;

(9) In a case in which the respondent neither appeared nor was represented in the proceeding in the issuing foreign country:

(A) If the law of that country provides for prior notice of proceedings, the respondent did not have proper notice of the proceedings and an opportunity to be heard; or

(B) If the law of that country does not provide for prior notice of the proceedings, the respondent did not have proper notice of the order and an opportunity to be heard in a challenge or appeal on fact or law before a tribunal; or

(10) The order was made in violation of section 711.

(c) If a tribunal of the District does not recognize a Convention support order under subsection (b)(2), (4), or (9) of this section:

(1) The tribunal may not dismiss the proceeding without allowing a reasonable time for a party to request the establishment of a new Convention support order; and

(2) The Office of the Attorney General shall take all appropriate measures to request a child-support order for the obligee if the application for recognition and enforcement was received under section 704.

Sec. 709. Partial enforcement. **New § 46-357.09**

If a tribunal of the District does not recognize and enforce a Convention support order in its entirety, it shall enforce any severable part of the order. An application or direct request may seek recognition and partial enforcement of a Convention support order.

Sec. 710. Foreign support agreement. **New § 46-357.10**

(a) Except as otherwise provided in subsections (c) and (d) of this section, a tribunal of the District shall recognize and enforce a foreign support agreement registered in the District.

(b) An application or direct request for recognition and enforcement of a foreign support agreement must be accompanied by:

(1) A complete text of the foreign support agreement; and

(2) A record stating that the foreign support agreement is enforceable as an order of support in the issuing country.

(c) A tribunal of the District may vacate the registration of a foreign support agreement only if, acting on its own motion, the tribunal finds that recognition and enforcement would be manifestly incompatible with public policy.

(d) In a contest of a foreign support agreement, a tribunal of the District may refuse recognition and enforcement of the agreement if it finds:

(1) Recognition and enforcement of the agreement is manifestly incompatible with public policy;

(2) The agreement was obtained by fraud or falsification;

(3) The agreement is incompatible with a support order involving the same parties and having the same purpose in the District, another state, or a foreign country if the support order is entitled to recognition and enforcement under this act in the District; or

(4) The record submitted under subsection (b) of this section lacks authenticity or integrity.

(e) A proceeding for recognition and enforcement of a foreign support agreement must be suspended during the pendency of a challenge to or appeal of the agreement before a tribunal of another state or a foreign country.

Sec. 711. Modification of convention child-support order. **New § 46-357.11**

(a) A tribunal of the District may not modify a Convention child-support order if the obligee remains a resident of the foreign country where the support order was issued unless:

(1) The obligee submits to the jurisdiction of a tribunal of the District, either expressly or by defending on the merits of the case without objecting to the jurisdiction at the first available opportunity; or

(2) The foreign tribunal lacks or refuses to exercise jurisdiction to modify its support order or issue a new support order.

(b) If a tribunal of the District does not modify a Convention child-support order because the order is not recognized in the District, section 708(c) applies.

Sec. 712. Personal information; limit on use. **New § 46-357.12**

Personal information gathered or transmitted under this title may be used only for the purposes for which it was gathered or transmitted.

Sec. 713. Record in original language; English translation. **New § 46-357.13**

A record filed with a tribunal of the District under this title must be in the original language and, if not in English, must be accompanied by an English translation.

(b) The Mayor may:

(1) Demand that the governor of another state surrender an individual found in the other state who is charged criminally in the District with having failed to provide for the support of an obligee; or

(2) On the demand of the governor of another state, surrender an individual found in the District who is charged criminally in the other state with having failed to provide for the support of an obligee.

(c) A provision for extradition of individuals not inconsistent with this act applies to the demand even if the individual whose surrender is demanded was not in the demanding state when the crime was allegedly committed and has not fled therefrom.

Sec. 802. Conditions of rendition. **New § 46-358.02**

(a) Before making a demand that the governor of another state surrender an individual charged criminally in the District with having failed to provide for the support of an obligee, the Mayor may require a prosecutor of the District to demonstrate that at least 60 days previously the obligee had initiated proceedings for support pursuant to this act or that the proceeding would be of no avail.

(b) If, under this act or a law substantially similar to this act, the governor of another state makes a demand that the Mayor surrender an individual charged criminally in that state with having failed to provide for the support of a child or other individual to whom a duty of support is owed, the Mayor may require a prosecutor to investigate the demand and report whether a proceeding for support has been initiated or would be effective. If it appears that a proceeding would be effective but has not been initiated, the Mayor may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.

(c) If a proceeding for support has been initiated and the individual whose rendition is demanded prevails, the Mayor may decline to honor the demand. If the petitioner prevails and the individual whose rendition is demanded is subject to a support order, the governor may decline to honor the demand if the individual is complying with the support order.

To authorize, on a temporary basis, the Mayor to assemble the W Street Trash Transfer site, Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110, through the use of eminent domain.

Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Temporary Act of 2015

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 Eminent Domain Authorization Temporary Act of 2015".

Sec. 2. Findings.

The Council finds that:

(1) The District of Columbia Water and Sewer Authority ("DC Water") currently operates a site south of N Place, S.E., north of the Anacostia River and between 1st and Canal Streets, S.E. ("DC Water Site").

(2) Pursuant to the Anacostia Waterfront Framework Plan, the District of Columbia plans to dispose of and develop a portion of the DC Water Site so as to leverage other large-scale District investments in the Capitol Riverfront/Near Southeast neighborhood, such as the South Capitol Street Bridge project and Nationals Park, thereby serving to accelerate and promote economic vitality as well as enhance economic development in the District of Columbia.

(3) For the planned disposition and development to proceed, it is necessary for DC Water to relocate the functions currently at the DC Water Site.

(4) The District of Columbia and DC Water have entered into a Memorandum of Understanding for DC Water to relocate a portion of the uses from the DC Water Site to a site in Prince Georges County, Maryland.

(5) The District desires to relocate the current DC Water Site uses not being relocated to the Prince Georges County site, including customer care and sewer service operations, to Lots 36, 41, and 802 in Square 3942 and Parcels 0143/107 and 0143/110 ("W Street Site").

(6) The W Street Site is currently occupied by a private trash transfer station.

(7) The trash transfer station is a blighting factor in Brentwood and its surrounding communities.

(8) Residents of Brentwood and the surrounding communities have concerns regarding the noxious fumes that emanate from the trash transfer station and pervasive vermin, and have complained that there is an increased incidence of health concerns.

(9) The W Street Site trash transfer station continues to operate as an open air trash transfer station, which allows its pungent odors to reach much farther than they would if the facility were closed.

(10) Since August 2012, the District Department of the Environment has conducted at least 37 inspections and issued 8 notices of infractions to the W Street Site trash transfer station.

(11) The W Street Site will provide an opportunity to construct and establish an updated customer care and sewer service operation for DC Water that is more centrally located within the District of Columbia.
