5. **Please list all pending lawsuits that name your agency as a party. Please identify which cases on the list are lawsuits that potentially expose the city to significant liability in terms of money and/or change in practices. The Committee is not asking for your judgment as to the city's liability; rather, we are asking about the extent of the claim. For those claims identified, please include an explanation about the issues for each case.**

The Executive Office of the Mayor is often named in lawsuits that OAG primarily assigns with other District agencies, as the Mayor is included in her official capacity. Below is a list of lawsuits for which the Office of the Attorney General has sent EOM litigation holds indicating that its files or actions are at issue or has involved EOM in the litigation. This list may not be exhaustive for the reasons described above and EOM is able to follow up with OAG if the Committee has any follow-up questions concerning a particular suit.

5. Please list all pending lawsuits that name your agency as a party. Please identify which cases on the list are lawsuits that potentially expose the city to significant liability in terms of money and/or change in practices. The Committee is not asking for your judgment as to the city's liability; rather, we are asking about the extent of the claim. For those claims identified, please include an explanation about the issues for each case.

The Executive Office of the Mayor is often named in lawsuits that OAG primarily assigns with other District agencies, as the Mayor is included in her official capacity. Below is a list of lawsuits for which the Office of the Attorney General has sent EOM litigation holds indicating that its files or actions are at issue or has involved EOM in the litigation. This list may not be exhaustive for the reasons described above and EOM is able to follow up with OAG if the Committee has any follow-up questions concerning a particular suit.

1. *Partnership for Civil Justice Fund v. DC*, D.C. Superior Court Civil Action No. 2016 CA 005752 B

PCJF has received some responsive materials and the case now primarily concerns attorneys' fees.
