Medium	271	191	130
Low	276	212	147
No assessment	5	3	2

*DYRS did not specifically track data of homeless youth in years past, as case managers dealt with the issues as they arose. Anecdotally this happened infrequently; however, we are currently tracking this data. To understand the procedures in place for assisting homeless youth, please see the main document, Agency Operations, Number 5.
