	State Arts Agency Partnership Agreement	0	704,734	National Endowment for the Ar C		The State Partnership Grant Program makes the arts available in more communities than the National Endowment for the Arts could do through direct grants. State Partnership Grants great extend the federal reach and impact, translating national leadership into local benefit. State Arts Agencies work cooperatively with the Arts Endowment to achieve common goals and outcomes by addressing priorities identified at the state level as well as the NEA outcomes.
