

Alcoholic Beverage Regulation Administration

The Adjudication Division is responsible for supporting the ABC Board's adjudication function by performing administrative duties and informing licensees, Advisory Neighborhood Commissions and the public about the protest process. Adjudication staff monitors the status of protest hearing and settlement agreements and notifies the parties and the public of the ABC Board decisions. The Adjudication staff works in conjunction with the General Counsel and staff to ensure the enactment of the ABC Board decisions and orders. In addition, staff works with the Compliance/Enforcement staff to ensure that reports are submitted in timely fashion and that ABRA investigators are prepared to testify at Board hearings.

Alcoholic Beverage Regulation Administration

The Licensing Division issues new and renewal licenses to liquor stores, grocery stores, restaurants, hotels, nightclubs, and other establishments that manufacture, distribute, sell or serve alcoholic beverages in the District of Columbia. This program provides customer services directly to the general public, the business community, Advisory Neighborhood Commissions, and community groups and associations, among others.

Alcoholic Beverage Regulation Administration

The Enforcement Division conducts regulatory and voluntary agreement compliance inspections, conducts underage compliance checks, conducts joint investigations as needed with the Metropolitan Police Department (MPD), Fire and Emergency Medical Services Department, (FEMS), the Office of Tax and Revenue (OTR), the Department of Consumer and Regulatory Affairs (DCRA), and others; and conducts various inspections associated with the licensing and adjudicatory processes such as final, compliance, placard, special event, and financial audit investigations. The program also participates in Neighborhood Core Meetings, meetings and briefings with MPD Districts, police roll calls, and other activities in order to facilitate interagency cooperation and knowledge sharing on matters of common concern.

Enforcement Division

Chief, Enforcement

Alcoholic Beverage Regulation Administration

The Agency Management Program provides for administrative support to achieve operational and programmatic results. This program is standard for all agencies using performance-based budgeting. In addition, the Records Management component provides file, document and database information to ABRA staff, the Alcohol Beverage and Control (ABC) Board and the general public so that they can receive accurate information and files. The Public Information Officer (PIO) is responsible for planning, developing, and communicating the agency's programs, policies, and activities, as well as externally to the general public through news media, various constituencies, and municipal entities for the agency. The PIO is responsible for providing leadership and direction for program operations including, but not limited to records management, community resources, and communications.

6. Please list and describe all employee training provided in FY14 and FY15, to date. In addition, please list and describe all proposed employee training for the remainder of FY15.

Response: The attached is a spreadsheet which includes all employee training provided in FY14 and FY15, to date.

Proposed employee training for the remainder of FY15 include GBLT Cultural Competency for all employees.

In addition, required training for all ABRA Management Supervisory Service (MSS) employees includes the following mandatory courses within the Change Management and Transition mini-series (offered through SkillSoft) for all ABRA Managers.

The course titles are: (1) *Managing for Rapid Change and Uncertainty*; (2) *Preparing for Organizational Change* and (3) *Embracing Organizational Change* and (4) *Managing Stress*.

ABRA will adhere to this mandate for all MSS employees.
