

Attachment III-Federal Grants					
Agency Name: District Department of the Environment (KG0)					
Grant Name	Estimated Balance into FY 2016	Estimated FY 2016 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
CHESAPEAKE BAY IMPLEMENTATION-FY11		773,545.06	U.S. Environmental Protection Agency	On-Going	Educates the public on watershed protection and coordinates with regional partners on Chesapeake Bay and Anacostia River issues.
CORE PROGRAM COOPERATIVE		110,562.86	U.S. Environmental Protection Agency	On-Going	The purpose of the CORE program is to effectively implement the statutory requirements of CERCLA Sections 121(F) for State Involvement. The program provides funds to conduct activities that are not assignable to specific site but support the District Department of the Environment site-specific response program.
CHESAPEAKE BAY REG & ACCOUNTABILITY		698,023.03	U.S. Environmental Protection Agency	On-Going	Fund activities designed to reduce nutrient and sediment loads that cause or contribute to the impairment of water quality standards in the Chesapeake Bay and its tidal tributaries. This work will help achieve and maintain the water quality necessary to improve the aquatic system health of the Chesapeake Bay ecosystem.
CLEAN VESSEL ACT PUMPOUT PROGRAM		19,400.00	U.S. Dept. of Interior - Fish & Wildlife Service	On-Going	Clean Vessel Act Pump out Program- To purchase a pump out boat and using it to prevent boat sewage from entering the waters of the District of Columbia.
NONPOINT SOURCE IMPLEMENTATION FY 2013		100,000.00	U.S. Environmental Protection Agency	On-Going	A program to prevent and control pollution from non-point sources
PUSH-NET SURVEY FOR AMERICAN SH		47,783.17	U.S. Dept. of Commerce - NOAA	On-Going	Push-net survey for young-of-year American Shad, production of yolk-sac American shad fry, and American eel trapping. Funded under the Atlantic Coastal Fisheries Cooperative Management Act.
AIR POLLUTION CONTROL		1,239,047.58	U.S. Environmental Protection Agency	On-Going	Ensures the implementation of and compliance with the District's air quality program.
AIR TOXICS MONITORING - FY 14		27,000.00	U.S. Environmental Protection Agency	On-Going	The grant enables the District Department of the Environment to provide support for the National Air Toxics Trend Site (NATTS) in Washington, DC. The site is part of a 27-site national network of air monitoring stations.
CDC CHILDHOOD LEAD POISONING GRANT		346,935.54	Dept. of Health & Human Services -CDC	On-Going	Grant funds are to be used for Childhood lead poisoning prevention activities. The grant will be used to close a significant screening gap in the District of Columbia which is known to be a jurisdiction at significant risk of containing hazardous lead exposures, primarily due to the age of its housing stock and to the disproportionately high poverty rate of its residents/

Attachment III-Federal Grants					
Agency Name: District Department of the Environment (KG0)					
Grant Name	Estimated Balance into FY 2016	Estimated FY 2016 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
HAZARDOUS AND TOXIC WASTE CLEAN UP		527,802.24	Dept. of Defense -Army Corp of	On-Going	This grant is issued under a Cooperative Agreement (CA) with the U. S. Department of Defense under which the DDOE is reimbursed for technical review and comments and other related activities for Installation Restoration Projects at active and Formerly Used Defense Sites (FUDS) in the District of Columbia.
LEAKING UNDERGROUND STORAGE TANK		446,568.68	U.S. Environmental Protection A	On-Going	Implementation of an effective Leaking Underground Storage Tank (LUST) regulatory program as set forth in Subtitle 1 of the Solid Waste Disposal act as amended.
NONPOINT SOURCE IMPLEMENTATION-FY14		250,000.00	U.S. Environmental Protection A	On-Going	A program to prevent and control pollution from non-point sources
UNDERGROUND STORAGE TANK		278,146.62	U.S. Environmental Protection A	On-Going	The Underground Storage Tank/Leaking Underground Storage Tank Branch monitors compliance with regulations related to the installation and removal of USTs and the operations of existing tank systems.
AMBIENT AIR MONITORING		202,482.29	U.S. Environmental Protection A	On-Going	Measures the amount of particle matter in the ambient air in the District.
Carter Barron Green Infrastructure Retrofits		500,000.00	U.S. Environmental Protection A	On-Going	Retrofit an 11-acre site with green infrastructure to restore natural hydrology, prevent flooding and erosion, and protect habitat of the endangered Hay Spring amphipod
CONSTRUCTION MANAGEMENT		200,189.06	U.S. Environmental Protection A	On-Going	To Provide the District of Columbia with on-site construction management and oversight services to fully support the District's endeavors to accomplish construction and improvements of its wastewater facilities as authorized by the Appropriations Act of 1997.
FEMA - CTP/CAP		45,000.00	U.S. FEMA	On-Going	Funding to support adoption of the new Flood Insurance Rate Maps (FIRMS) in the District of Columbia.
FEMA - DC CAP SSSE		19,000.00	U.S. FEMA	On-Going	Implement the CAP-SSSE work plan based on the District of Columbia's 5 year Floodplain Management Plan. Contract Support with organizations for outreach (& materials), workshops, publication development and training support.
HAZARDOUS WASTE MANAGEMENT		245,901.16	U.S. Environmental Protection A	On-Going	To support the development/implementation of the District of Columbia's program controlling the generation, transport, treatment, storage and disposal of hazardous waste, which will reduce waste generation, increase hazardous waste recycling, and ensure proper management of waste and petroleum products at facilities.

Attachment III-Federal Grants					
Agency Name: District Department of the Environment (KG0)					
Grant Name	Estimated Balance into FY 2016	Estimated FY 2016 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
STATE INDOOR RADON		129,009.82	U.S. Environmental Protection Agency	On-Going	To conduct radon outreach and education to citizens. The State Indoor Radon grant (SIRG) program provides brochures, technical assistance via a telephone hotline, an information website, and assistance with testing and/or mitigation validation. The state also partners with stakeholders to conduct radon activities and leverage additional funds.
NONPOINT SOURCE IMPLEMENTATION-FY15		300,000.00	U.S. Environmental Protection Agency	On-Going	A program to prevent and control pollution from non-point sources
SAFE DRINKING WATER		39,250.99	U.S. Environmental Protection Agency	On-Going	To Provide the District of Columbia with on-site construction management and oversight services to fully support the District's endeavors to accomplish construction and improvements of drinking water facilities as authorized in the Safe Drinking Water Act.
WATER QUALITY MANAGEMENT PLANNING		100,000.00	U.S. Environmental Protection Agency	On-Going	Assist the District of Columbia in carrying out EPA approved Section 604(b) water quality management planning activities.
AQUATIC RESOURCE EDUCATION PROGRAM		404,851.80	U.S. Dept. of Interior - Fish & Wildlife Service	New	This goal of this program is to educate District of Columbia students and citizens about the biology, ecology, and conservation of the District's aquatic resources, and train youth to enjoy fishing safely and ethically. It is accomplished through Aquatic Resource Education Center programs, exhibits, educational materials and open houses; Aquatic WILD facilitator training, a pilot mini-grants program; and angler education clinics.
AQUATIC RESOURCES CENTER MAINTENANCE		33,000.00	U.S. Dept. of Interior - Fish & Wildlife Service	New	The purpose of this project is to operate and maintain the District of Columbia's Aquatic Resources Education Center. Activities conducted under this grant will ensure the Center is in good working condition and provides a safe, comfortable, and attractive facility for people to learn about the District's fisheries and aquatic resources.
STATE RESPONSE GRANT		255,726.84	U.S. Environmental Protection Agency	New	Perform program development activities to establish and enhance the four elements of their Brownfield Section 128(a) State Response Program; establish and maintain public records of sites including activities related to institutional controls; and site-specific assessments.
FEMA - CTP/CAP		115,000.00	U.S. FEMA	New	Funding to support adoption of the new Flood Insurance Rate Maps (FIRMS) in the District of Columbia.

Attachment III-Federal Grants					
Agency Name: District Department of the Environment (KG0)					
Grant Name	Estimated Balance into FY 2016	Estimated FY 2016 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
FEMA - DC CAP SSSE		69,558.90	U.S. FEMA	New	Implement the CAP-SSSE work plan based on the District of Columbia's 5 year Floodplain Management Plan. Contract Support with organizations for outreach (& materials), workshops, publication development and training support.
FISHERIES MANAGEMENT COORDINATION		434,029.21	U.S. Dept. of Interior - Fish & Wildlife Service	New	This project funds coordination of all Federal Aid projects to assure that all rules and regulations are complied with and that projects are conducted in a timely manner.
FISHERIES MANAGEMENT STUDIES		656,328.86	U.S. Dept. of Interior - Fish & Wildlife Service	New	The objectives of this grant are to: 1. investigate sport fish distribution and abundance; 2. collect and analyze invertebrate, plankton, and submerged aquatic vegetation data in relation to sport fish populations; 3. investigate blue catfish dietary preferences; 4. capture, spawn, and stock American shad; 5. analyze angler use data; and 6. begin a recreational angler records program.
HAZARDOUS AND TOXIC WASTE CLEAN UP		160,849.88	Dept. of Defense -Army Corp of	New	This grant is issued under a Cooperative Agreement (CA) with the U. S. Department of Defense under which the DDOE is reimbursed for technical review and comments and other related activities for Installation Restoration Projects at active and Formerly Used Defense Sites (FUDS) in the District of Columbia.
STATE LEAD GRANT /404G - (ENF)		414,938.73	U.S. Environmental Protection A	New	Lead Abatement and Enforcement - Runs the District's lead accreditation, certification and permitting programs. Enforces the District's lead laws.
MIGRATORY BIRD SURVEY		78,860.97	U.S. Dept. of Interior - Fish & Wildlife Service	New	To document the bird populations in the District of Columbia and their use of the District's water and land area. The District Department of the Environment will conduct surveys that address the three major areas of species presence; counts, distribution, and monitoring.
NONPOINT SOURCE IMPLEMENTATION-FY16		336,887.02	U.S. Environmental Protection A	New	A program to prevent and control pollution from non-point sources

Attachment III-Federal Grants					
Agency Name: District Department of the Environment (KG0)					
Grant Name	Estimated Balance into FY 2016	Estimated FY 2016 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
PERFORMANCE PARTNERSHIP (PESTICIDE)		175,945.76	U.S. Environmental Protection Agency	New	This Performance Partnership grant provides funding to ensure RCRA initiatives as outlined by US EPA are implemented including conducting inspections for compliance and enforcement of generators of hazardous waste in the District and entering compliance and enforcement information into EPA's RCRAINFO management system. It also supports the implementation of the FIFRA regulations by conducting inspections of Pesticide Operators and Applicators for compliance and enforcement, conducting certification and training for Pesticide Operators and Applicators and registering all pesticide products and devices used in the District.
PRE-REMEDIAL RESPONSE PROGRAM		226,021.47	U.S. Environmental Protection Agency	New	To conduct site characterization activities, preliminary assessments, site inspections, and remedial investigations at potential sites for the National Priorities List. Funds will also be used to clean up hazardous waste sites that are found to pose hazards to human health.
WATER POLLUTION CONTROL		1,264,545.98	U.S. Environmental Protection Agency	New	Setting and enforcing water quality standards, and monitoring, assessing, protecting, and restoring water quality and aquatic resources.
WILDLIFE SURVEY FY15		227,306.43	U.S. Dept. of Interior - Fish & Wildlife Service	New	The objective of this grant is to collect additional information on the status and distribution of mammal, amphibian, reptile and invertebrate species of greatest conservation need, and to develop a Comprehensive Weed Management Plan for the District of Columbia.
INDIRECT COST RATE		3,872,623.57	U.S. Environmental Protection Agency	New	Indirect Cost Recovery
NORTHEAST WILDLIFE TEAMWORK STRATEGY		12,500.00	U.S. Dept. of Interior - Fish & Wildlife Service	On-Going	To address regional wildlife conservation issues with the input and involvement of multiple parties involved in the creation and implementation of the State Wildlife Action Plans, using a funding mechanism that is equitable to all Northeast States and the District of Columbia.
LIHEAP - FY 2016		10,400,000.00	Dept. of Health & Human Services	New	LIHEAP is funded by the federal Department of Health and Human Services (HHS) and helps eligible District residents pay heating and cooling bills. The amount of people that this grant can serve is based on the allotted budget/the average dollar amount of benefit payments made.
STATE ENERGY PROGRAM		261,450.18	U.S. Dept. of Energy	On-Going	SEP is funded by the US Department of Energy (DOE) and assists the District in addressing its energy priorities and program funding to adopt emerging renewable energy and energy efficiency technologies.
STATE HEATING OIL & PROPANE		7,230.24	U.S. Dept. of Energy	On-Going	SHOPP is funded by the US Department of Energy (DOE) and collects heating oil and pricing data during the heating season

Attachment III-Federal Grants					
Agency Name: District Department of the Environment (KG0)					
Grant Name	Estimated Balance into FY 2016	Estimated FY 2016 Award	Federal Agency Awarding the Grant	New/On-going	Purpose
WEATHERIZATION ASSISTANCE		525,290.13	U.S. Dept. of Energy	On-Going	The purpose of the WAP is to increase the energy efficiency of dwellings owned or occupied by low-income persons, reduce their total residential expenditures, and improve their health and safety.
Total	\$0	\$26,578,594			

Attachment III-Federal Payments					
Agency Name:					
	FY 2015 Payment	FY 2016 Payment	Change	New/On-going	Purpose
		750,000	750,000	New	Federal payment to the District of Columbia for development of a climate change adaptation plan to identify climate risks to the District of Columbia, vulnerabilities, and mitigation options
		1,000,000	1,000,000	New	Federal payment to the District of Columbia for the expansion of the D.C. Department of Energy's EnergySmart D.C. Solar Initiative
