**Attachment to Federal Grants**

**Agency Name: District Department of the Environment (KG)**

| | Grant Name | Grant Number | Estimated Balance 09/30/13 | Estimated FY 2014 Award | Federal Agency Awarding the Grant | Subaward (pass-through) | Purpose |
|---|---|---|---|---|---|---|---|
| | | | | | | | |
| | CHESAPEAKE BAY IMPLEMENTATION FED | 4AE00X | 400,000.00 | 400,000.00 | US Environmental Protection Agency | pass-through | Expenditures for public, environmental education and coordinations with regional partners on Chesapeake Bay and Anacostia River issues. |
| | CWA 106(Water Quality/Sec106 | 4AE00Y | | 710,000.00 | US Environmental Protection Agency | pass-through | The purpose of the CWA program is to effectively implement the statutory requirements of CWA,Sec. 106, as amended. The program is designed to provide funds to conduct activities that are not assignable to specific site but support the District Water Quality Control Division-wide pp specific response program. |
| | ENFACTMT SOURCE IMPLEMENTATION FY14 | 4AE00Z | 366,941.00 | 120,000.00 | US Environmental Protection Agency | pass-through | A program to prevent and control pollutants from nonpoint sources. |
| | FY14 NCBO/Anac Tributary Partnership | 4AE07A | 31,435.00 | 100,000.00 | US Environmental Protection Agency | pass-through | Expenditures for characterization activities, preliminary assessments, site inspections, and investigations at brownfield properties on the CERCLIS National Priorities List. Funds will also be used to close-out hazardous waste sites that are found to require no further remediation. |
| | CWSRF(Fed Sh/ Rnl & Accts/DWSRF) | 4AE09A | 179,534.77 | 350,686.00 | US Environmental Protection Agency | pass-through | Flood activities designed to reduce nutrient and sediment loads. Diet cause or contribute to the impairment of water quality in the Anacostia, Chesapeake Bay and its tidal tributaries. This grant will help achieve and maintain the water quality standards established to protect human health of the Chesapeake Bay ecosystem. |
| | SUMMER AIR MONITORING | 4AE0AM | 113,500.00 | 113,216.00 | US Environmental Protection Agency | pass-through | Monitors the emission of chemical matter in the ambient air in the district. |
| | Data - CTCCAP | 4JE00Q | 2,250.00 | 5,725.00 | US Treas | | Funding to support adoption of the new Flood Insurance Rate Maps (FIRMs) in the District of Columbia. |
| | Watersheds Mgt Trade Wash'n Lucas AP | 4JE00T | - | 386,539.99 | Wiley Corp. of Engineers | pass-through | This grant is issued under a Cooperative Agreement (CA) with the U. S. Department of Defense under which the USACE is reimbursed for technical review and comments and other related activities for Investigations Reinvestment Projects at Lucas and Formerly Used Defense Sites (FUDS) in the District of Columbia. |
| | ENVIRONMENTAL EDUCATION GRANTS | 4JE00U | 10,000.00 | 10,000.00 | US Environmental Protection Agency | pass-through | To promote public awareness and participation in citizens. The State Indoor Radon grant (SIRG) program provides brochures, technical assistance and training to citizens, local officials, contractors and realtors on radon testing and/or mitigation techniques. Also, to provide information to stakeholders to sensitize radon activities and their effectiveness in the District. |
| | CCITY-2020 GRANT CORE - CITY | 4JE01F | 550,000.00 | 525,000.00 | US Environmental Protection Agency | pass-through | Funding to support the implementation of the District's lead accreditation, certification and permitting programs. Enforces the District's lead laws. |
| | ENFACTMT SOURCE IMPLEMENTATION FY 2014 | 4JE0AE | | 120,000.00 | US Environmental Protection Agency | pass-through | A program to prevent and control pollutants from nonpoint sources. |
| | Grants for Anacostia Restoration Processes | 4JE0AT | 150,000.00 | 150,000.00 | US Department of Interior | pass-through | The goal of this program is to educate District of Columbia residents about the history, ecology, and conservation of the District's aquatic resources, and train youth to enjoy fishing safely. Activities include: Fishing clinics, Fishing Skills and Resource Education Center programs, exhibits, educational materials and open houses, Square Foot Habitat and Fish Habitat Improvement programs, and angler education clinics. |
| | CWA - 319 Grant | 4JE0AX | 4,250.00 | 4,325.00 | US Treas | | Funding to support adoption of the new Flood Insurance Rate Maps (FIRMs) in the District of Columbia. |
| | Data - Sec 6 AP 2014 | 4JE0AY | | 8,000.00 | US Treas | pass-through | Implement the CAP 1108 work plan based on the Memorandum of Agreement (MOA) and Management Plan. Continue Support with organizations for outreach (& material), coordination, publication development, and training activities. |
| | ENFACTMT SOURCE IMPLEMENTATION FY14 | 4JE0AZ | | 270,000.00 | US Environmental Protection Agency | pass-through | A program to prevent and control pollutants from nonpoint sources. |
| | ENFACTMT SOURCE IMPLEMENTATION - 604b - 319 FY2014 | 4JE0AZ | | 150,000.00 | US Environmental Protection Agency | pass-through | This project will provide assistance to DC's District Dept. of the Environment to meet Sec 604(b) and 319 requirements of the Clean Water Act (CWA). Northeast Anchor: 3d Wednesday Sunday in Dec(4x302) and CPS 42 past 5E. The new monitoring network will ensure that the District and other federal and tribal co-pollution control agencies for the revised NAAQS require the establishment of a new near roadway monitoring network to ensure that the District's monitoring network is in full compliance with the standards as well as to protect human health and the environment. |
| | Public-SET SURVEY FOR AMERICAN Life | 4JE0TE | - | 42,335.43 | US Treas | pass-through | Push-net survey for young-of-year American Shad, Blueback Herring, and Alewife in the Potomac River estuary and mapping. Funded under the Atlantic Coastal Fisheries Cooperative Management Act. |
| | WATERSHED/WORK CONTRA | 4JE0UP | 9,000.00 | 2,700,000.00 | US Environmental Protection Agency | pass-through | Among watershed-wide water quality standards and monitoring, planning, prioritizing, and restoring impaired waters and wetlands. |
| | WATERSHED/NPS IMPLEMENTATION FUNDING | 4JE0VL | | 150,000.00 | US Environmental Protection Agency | pass-through | Assist the District of Columbia in developing and implementing approved Section 604(b) water quality management planning activities. |
| | DOE REDUCTION CONTRA | 4JE0VP | | 1,049,741.00 | US Environmental Protection Agency | pass-through | Assists the implementation of energy conservation programs and development of policies. |
| | CCITY-2020 GRANT - CWSRF | 4JE0W2 | | 100,000.00 | US Environmental Protection Agency | pass-through | To establish and enhance the four elements of Sec 35 of the SAFE Act: Section 129(a), State Response Programs, including enhancement of existing programs of sites, including activities: Assistance, education, voluntary and agreements. |
| | ENVIRONTMN ENHANCEMENT | 4JE0X6 | | 10,000.00 | US Environmental Protection Agency | pass-through | Funds will be used to support contract management and oversight services to fully support the District's endeavors to implement projects in the Commencement of its Investment Facilities as authorized by the Appropriations Act of 1997. |
| | CWA - 319 Grant | 4JE0YL | | 10,000.00 | US Treas | pass-through | Funding to support adoption of the new Flood Insurance Rate Maps (FIRMs) in the District of Columbia. |
| | Data - Sec 6 AP 2015 | 4JE0ZA | | 37,000.00 | US Department of Wildlife | pass-through | Implement the CAP 1108 work plan based on the Memorandum of Agreement (MOA) and Management Plan. Continue Support with organizations for outreach (& material), coordination, publication development, and training activities. |
| | FY2015 ENDANGERED - DISTRIBUTION | 4JE0ZM | | 400,000.00 | US Department of Wildlife | pass-through | Funding to help coordination of all historical projects to ensure that all sites and signatures are completed with and that projects are constructed and maintained. |
| | FY2015 ENDANGERED - FISHES | 4JE0ZN | | 398,000.00 | US Department of Wildlife | pass-through | The objectives of this grant are to: 1. investigate spent fish distribution and abundance; 2. collect and analyze invertebrate, plankton, and submerged aquatic vegetation data in relation to fish spawning habitat; 3. collect and analyze data on fishery preferences; 4. capture, spawn, and stock Striped Bass and Atlantic Sturgeon; and 5. begin a recreational angler reporting program. |
| | WATERSHED MNG TOOL WASH'N LUCAS AP | 4JE0ZP | | 100,000.00 | Wiley Corp. of Engineers | pass-through | This grant is issued under a Cooperative Agreement (CA) with the U. S. Department of Defense under which the USACE is reimbursed for technical review and comments and other related activities for Investigations Reinvestment Projects at Lucas and Formerly Used Defense Sites (FUDS) in the District of Columbia. |
| | HAZARDOUS WASTE MANAGEMENT | 4JE0WM | | 750,000.00 | US Environmental Protection Agency | State | To support the underpinning preparations, implementation, and enforcement activities of the transport, treatment, storage and disposal of hazardous waste, which will reduce waste generation, promote environmentally sound handling and ensure proper management of waste and remediate pollution at facilities. |
| | UNDERGROUND ENVIRONMENTAL PROG | 4JE0WP | | 300,000.00 | US Environmental Protection Agency | pass-through | Underground Storage Tank Management Program Underground Storage Tank (UST) regulatory program as set forth in Subtitle I of the Solid Waste Disposal Act (SWDA). |
| | WSHD-HYDR MAN ACRES | 4JE0WR | | 20,000.00 | US Department of Wildlife | pass-through | To provide technical assistance to the citizens of Columbia and their use of the District's water and land resources. Also, to provide assistance to the Commission will conduct surveys that address the three major areas of species protected, county, |
| | ENFACTMT SOURCE IMPLEMENTATION FY15 | 4JE0XA | | 264,000.00 | US Environmental Protection Agency | pass-through | A program to prevent and control pollutants from nonpoint sources. |
| | FY15 HAZ/SOLID WASTE MANAGEMENT - STATE/LOC | 4JE0XT | | 710,000.00 | US Environmental Protection Agency | State | The Performance Partnership grant provides funding to ensure RCRA initiatives as authorized by Congress and implemented in existing resources. Specifically, the grant supports the management of generators of hazardous waste in the District and the implementation of the Hazardous Waste Permit Program. The grant also supports the implementation of the HWMA regulations by conducting inspections of Pesticide Use and Application sites, investigating cases for enforcement, maintaining certification and training programs for Pesticide Applicators and Applicators, and registering of pesticide products used in the District. |
| | CWA - 319 GRANT WORK | 4JE0XU | | 10,000.00 | US Environmental Protection Agency | pass-through | Funds will be used to support contract management and oversight services to fully support the District's endeavors to implement projects in the Commencement of existing water facilities as authorized in the Safe Drinking Water Act. |
| | UNDERGROUND STORAGE TANKS | 4JE0XV | | 250,700.00 | US Environmental Protection Agency | State | The Underground Storage Tank/Leaking Underground Storage Tank Branch maintains regulatory oversight of underground storage tank installation and removal of USTs and the investigation of release and cleanup. |
| | ENVIRONMENTAL CONTRACTUAL | 4JE0YM | | 5,000.00 | US Department of Wildlife | pass-through | Funds will be used to support Contractual Services Program Activities, and its compliance with Cooperative Agreement Work Program. |
| | ENVIRONMENTAL | 4JE0YN | | 500,000.00 | US Department of Wildlife | pass-through | Funds will be used to support the District's statistical information on the status and distribution of mammal, amphibian, reptile and invertebrate species of special concern and to support the development of comprehensive Wildlife Management Plan for the District of Columbia. |
| | WATER MAN GRA | 4JE0YP | | 5,000,000.00 | US Environmental Protection Agency | pass-through | Funds will be used to support the District's water management activities. |
| | ENFORCEMENT FUNDING PROGRAM | 4JE0YT | | 170,000.00 | US Department of Wildlife | pass-through | To continue regional wildlife conservation issues with the input and involvement of multiple parties, as mandated by the reauthorization language of the State Wildlife Action Plans, using a funding mechanism that is equitable to all Northeast States and the District of Columbia. |
| | Grants for Anacostia Historic Restorations | 4JE0UB | - | 10,000.00 | US Department of Wildlife | pass-through | The purpose of this project is to upgrade and improve the Fort Dupont Ice Arena Fishing and Resource Education Center. Activities conducted under this grant will ensure the Center is in good condition, safe, environmentally friendly, comfortable, and attractive facility for people to learn about the District's fisheries and aquatic resources. |
| | CWSGP - FY 2014 | 4JE0UC | - | 10,370,987.00 | US Health & Human Services | pass-through | CWSGP is funding by the Federal Department of Health and Human Services (HHS) and helps communities develop and implement drinking water. The amount of people that the grant can serve is based on the planned budget/the average dollar amount of benefit payments made |
| | CCITY-ENERGY PROGRAM | 4DTN1E | - | 289,551.00 | US Dept. of Energy | State | SEP is funded by the US Department of Energy (DOE) and helps States develop long-range energy plans, priorities and program funding to adopt emerging renewable energy and energy efficiency technologies. |
| | CCITY-ENTMT-No Ch & PROGRAM | 4DTN1F | - | 9,000.00 | US Dept. of Energy | pass-through | ENTMT is funded by the US Department of Energy (DOE) and helps States develop long-range energy plans, priorities and program funding to adopt emerging renewable energy and energy efficiency technologies. |
| | ENVIRONMENTAL ASSISTANCE | 4DTN1G | 51,884.00 | 201,000.00 | US Dept. of Energy | pass-through | The purpose of the ASAP is to increase the energy efficiency of dwellings owned or occupied by low-income persons, reduce their residential energy expenditures, and improve their health and safety. |
