

Attachment III-Federal Grants							
Agency Name: Department of Energy and Environment							
Grant Number - SOAR	Grant Name	Estimated Balance into FY 2017	Estimated FY 2017 Award	Federal Agency Awarding the Grant	New/On-going	Purpose	
11EVCB	CHESAPEAKE BAY IMPLEMENTATION - FY11	Not Available	550,000.00	U.S. Environmental Protection Agency	On-going	Educates the public on watershed protection and coordinates with regional partners on Chesapeake Bay and Anacostia River issues.	
11EVCP	CORE PROGRAM COOPERATIVE	Not Available	114,265.67	U.S. Environmental Protection Agency	On-going	The purpose of the CORE program is to effectively implement the statutory requirements of CERCLA Sections 121(F) for State Involvement. The program provides funds to conduct activities that are not assignable to specific site but support the DOEE site-specific response program.	
11EVRA	CHESAPEAKE BAY REG & ACCOUNTABILITY - FY11	Not Available	675,000.00	U.S. Environmental Protection Agency	On-going	Fund activities designed to reduce nutrient and sediment loads that cause or contribute to the impairment of water quality standards in the Chesapeake Bay and its tidal tributaries. This work will help achieve and maintain the water quality necessary to improve the aquatic system health of the Chesapeake Bay ecosystem.	
13EVTS	PUSH-NET SURVEY FOR AMERICAN SHAD	Not Available	62,167.22	U.S. Dept. of Commerce - NOAA	On-going	Push-net survey for young-of-year American Shad, production of yolk-sac American shad fry, and American eel trapping. Funded under the Atlantic Coastal Fisheries Cooperative Management Act.	
14EVAT	AIR TOXICS MONITORING - FY 14	Not Available	45,909.46	U.S. Environmental Protection Agency	On-going	The grant enables the DOEE to provide support for the National Air Toxics Trend Site (NATTS) in the District of Columbia. The site is part of a 27-site national network of air monitoring stations.	
14EVCD	CDC CHILDHOOD LEAD POISONING GRANT	Not Available	346,023.21	Dept. of Health & Human Services - CDC	On-going	Grant funds are to be used for Childhood lead poisoning prevention activities. The grant will be used to close a significant screening gap in the District of Columbia which is known to be a jurisdiction at significant risk of containing hazardous lead exposures, primarily due to the age of its housing stock and to the disproportionately high poverty rate of its residents.	
14EVNI	NONPOINT SOURCE IMPLEMENTATION - FY14	Not Available	125,000.00	U.S. Environmental Protection Agency	On-going	A program to prevent and control pollution from non-point sources.	
15EVCA	CONSTRUCTION MANAGEMENT	Not Available	227,257.09	U.S. Environmental Protection Agency	On-going	To provide the District of Columbia with on-site construction management and oversight services to fully support the District's endeavor to accomplish construction and/or improvement of its waste facilities as authorized in the Appropriations Act of 1997.	
15EVIR	STATE INDOOR RADON - FY15	Not Available	91,147.62	U.S. Environmental Protection Agency	On-going	To conduct radon outreach and education to citizens. The State Indoor Radon grant (SIRG) program provides brochures, technical assistance via a telephone hotline, an information website, and assistance with testing and/or mitigation validation. The state also partners with stakeholders to conduct radon activities and leverage additional funds.	
15EVNI	NONPOINT IMPLEMENTATION - FY15	Not Available	275,000.00	U.S. Environmental Protection Agency	On-going	A program to prevent and control pollution from non-point sources.	
15EVPP	PERFORMANCE PARTNERSHIP (PESTICIDE) - FY15	Not Available	180,142.57	U.S. Environmental Protection Agency	On-going	This Performance Partnership grant provides funding to ensure RCRA initiatives as outlined by US EPA are implemented including conducting inspections for compliance and enforcement of generators of hazardous waste in the District and entering compliance and enforcement information into EPA's RCRAINFO management system. It also supports the implementation of the FIFRA regulations by conducting inspections of Pesticide Operators and Applicators for compliance and enforcement, conducting certification and training for Pesticide Operators and Applicators and registering all pesticide products and devices used in the District.	
15EVSD	SAFE DRINKING WATER	Not Available	25,250.79	U.S. Environmental Protection Agency	On-going	To provide the District of Columbia with on-site construction management and oversight services to fully support the District's endeavors to accomplish construction and improvements of drinking water facilities as authorized in the Safe Drinking Water Act.	
16EVAE	AQUATIC RESOURCE EDUCATION PROGRAM	Not Available	434,875.09	U.S. Dept. of Interior - Fish & Wildlife Service	On-going	This goal of this program is to educate District of Columbia students and citizens about the biology, ecology, and conservation of the District's aquatic resources, and train youth to enjoy fishing safely and ethically. It is accomplished through Aquatic Resource Education Center programs, exhibits, educational materials and open houses; Aquatic WILD facilitator training, a pilot mini-grants program; and angler education clinics.	
16EVAM	AMBIENT AIR MONITORING	Not Available	261,182.49	U.S. Environmental Protection Agency	On-going	Measures the amount of particle matter in the ambient air in the District.	
16EVBG	STATE RESPONSE GRANT	Not Available	308,912.89	U.S. Environmental Protection Agency	On-going	Perform program development activities to establish and enhance the four elements of their Brownfield Section 128(a) State Response Program; establish and maintain public records of sites including activities related to institutional controls; and site-specific assessments.	
16EVFC	FEMA - CTP / CAP - FY16	Not Available	45,000.00	U.S. FEMA	On-going	Funding to support adoption of the new Flood Insurance Rate Maps (FIRMS) in the District of Columbia.	

Attachment III-Federal Grants							
Agency Name: Department of Energy and Environment							
Grant Number - SOAR	Grant Name	Estimated Balance into FY 2017	Estimated FY 2017 Award	Federal Agency Awarding the Grant	New/On-going	Purpose	
16EVFE	FEMA - DC CAP SSSE - FY16	Not Available	19,000.00	U.S. FEMA	On-going	Implement the CAP-SSSE work plan based on the District of Columbia's 5 year Floodplain Management Plan. Contract Support with organizations for outreach (& materials), workshops, publication development and training support.	
16EVFS	FISHERIES MANAGEMENT STUDIES - FY16	Not Available	431,239.48	U.S. Dept. of Interior - Fish & Wildlife Service	On-going	The objectives of this grant are to: (1) investigate sport fish distribution and abundance; (2) collect and analyze invertebrate, plankton, and submerged aquatic vegetation data in relation to sport fish populations; (3) investigate blue catfish dietary preferences; (4) capture, spawn, and stock American shad; (5) analyze angler use data; and (6) begin a recreational angler records program.	
16EVHT	HAZARDOUS AND TOXIC WASTE CLEAN UP	Not Available	678,623.90	Dept. of Defense - Army Corp of Engineers	On-going	This grant is issued under a Cooperative Agreement (CA) with the U. S. Department of Defense under which the DOEE is reimbursed for technical review and comments and other related activities for Installation Restoration Projects at active and Formerly Used Defense Sites (FUDS) in the District of Columbia.	
16EVNI	NONPOINT SOURCE IMPLEMENTATION - FY16	Not Available	510,000.00	U.S. Environmental Protection Agency	On-going	A program to prevent and control pollution from non-point sources.	
17EVAP	AIR POLLUTION CONTROL	Not Available	1,173,730.53	U.S. Environmental Protection Agency	New	Planning, developing, establishing, improving and maintaining adequate programs for the prevention and control of air pollution or implementation of national primary and secondary air quality standards.	
17EVAT	AIR TOXICS MONITORING - FY17	Not Available	37,041.76	U.S. Environmental Protection Agency	New	The Grant enables the DOEE to provide support for the National Air Toxics Trend Site (NATTS) in the District of Columbia. The site is part of a 27-site national network of air monitoring stations established to fulfill the need for long-term monitoring data and to track trends in ambient air toxics levels to facilitate measuring progress toward emission and risk reduction natural gas.	
17EVCB	CHESAPEAKE BAY IMPLEMENTATION - FY17	Not Available	805,760.52	U.S. Environmental Protection Agency	New	Educates the public on watershed protection and coordinates with regional partners on Chesapeake Bay and Anacostia River issues.	
17EVFC	FEMA - CTP / CAP - FY17	Not Available	115,000.00	U.S. FEMA	New	Funding to support adoption of the new Flood Insurance Rate Maps (FIRMS) in the District of Columbia.	
17EVFE	FEMA - DC CAP SSSE - FY17	Not Available	56,765.41	U.S. FEMA	New	Implement the CAP-SSSE work plan based on the District of Columbia's 5 year Floodplain Management Plan. Contract Support with organizations for outreach (& materials), workshops, publication development and training support.	
17EVFM	FISHERIES MANAGEMENT COORDINATION - FY17	Not Available	457,491.66	U.S. Dept. of Interior - Fish & Wildlife Service	New	This project funds coordination of all Federal Aid projects to assure that all rules and regulations are complied with and that projects are conducted in a timely manner.	
17EVFS	FISHERIES MANAGEMENT STUDIES - FY17	Not Available	231,277.62	U.S. Dept. of Interior - Fish & Wildlife Service	New	The objectives of this grant are to: (1) investigate sport fish distribution and abundance; (2) collect and analyze invertebrate, plankton, and submerged aquatic vegetation data in relation to sport fish populations; (3) investigate blue catfish dietary preferences; (4) capture, spawn, and stock American shad; (5) analyze angler use data; and (6) begin a recreational angler records program.	
17EVHW	HAZARDOUS WASTE MANAGEMENT - FY17	Not Available	273,570.61	U.S. Environmental Protection Agency	New	To support the development/implementation of the District of Columbia's program controlling the generation, transport, reduction, storage and disposal of hazardous waste recycling which will reduce waste generation, and increase hazardous waste recycling.	
17EVLP	STATE LEAD GRANT ENFORCEMENT / 404G	Not Available	469,963.76	U.S. Environmental Protection Agency	New	Lead Abatement and Enforcement - Runs the District's lead accreditation, certification and permitting programs. Enforces the District's lead laws.	
17EVLU	LEAKING UNDERGROUND STORAGE TANK	Not Available	475,781.94	U.S. Environmental Protection Agency	New	To support corrective action programs that address releases from underground storage tanks.	
17EVMB	MIGRATORY BIRD SURVEY - FY17	Not Available	87,188.77	U.S. Dept. of Interior - Fish & Wildlife Service	New	To document the bird populations in the District of Columbia and their use of the District's water and land area. The Department of Energy and Environment will conduct surveys that address the three major areas of species presence; counts, distribution, and monitoring.	
17EVNI	NONPOINT SOURCE IMPLEMENTATION - FY17	Not Available	466,257.43	U.S. Environmental Protection Agency	New	A program to prevent and control pollution from non-point sources.	
17EVRA	CHESAPEAKE BAY REG & ACCOUNTABILITY - FY17	Not Available	930,665.20	U.S. Environmental Protection Agency	New	Fund activities designed to reduce nutrient and sediment loads that cause or contribute to the impairment of water quality standards in the Chesapeake Bay and its tidal tributaries. This work will help achieve and maintain the water quality necessary to improve the aquatic system health of the Chesapeake Bay ecosystem.	
17EVST	UNDERGROUND STORAGE TANK - FY17	Not Available	297,111.90	U.S. Environmental Protection Agency	New	Funding for the development and implementation of underground storage tank (UST) programs and for leak prevention, compliance and other activities authorized by the Energy Policy Act (EPACT) of 2005, Public Law 105-276, and EPA's annual appropriations acts.	

Attachment III-Federal Grants							
Agency Name: Department of Energy and Environment							
Grant Number - SOAR	Grant Name	Estimated Balance into FY 2017	Estimated FY 2017 Award	Federal Agency Awarding the Grant	New/On-going	Purpose	
17EVWP	WATER POLLUTION CONTROL	Not Available	1,265,503.35	U.S. Environmental Protection Agency	New	Setting and enforcing water quality standards, and monitoring, assessing, protecting, and restoring water quality and aquatic resources.	
17EVWQ	WATER QUALITY MANAGEMENT - FY17	Not Available	100,000.00	U.S. Environmental Protection Agency	New	Grant agreement will assist in carrying out EPA approved Section 604(b) water quality management planning activities.	
17EVWS	WILDLIFE SURVEY - FY17	Not Available	174,081.64	U.S. Dept. of Interior - Fish & Wildlife Service	New	The objective of this grant is to collect additional information on the status and distribution of mammal, amphibian, reptile and invertebrate species of greatest conservation need, and to develop a Comprehensive Weed Management Plan for the District of Columbia.	
17IDCR	INDIRECT COST RECOVERY - FY17	Not Available	3,848,083.35	U.S. Environmental Protection Agency	New	Tracking of Indirect cost recovery expenses for the agency.	
81EVWT	NE WILDLIFE TEAMWORK STRATEGY	Not Available	12,500.00	U.S. Dept. of Interior - Fish & Wildlife Service	On-going	To address regional wildlife conservation issues with the input and involvement of multiple parties involved in the creation and implementation of the State Wildlife Action Plans, using a funding mechanism that is equitable to all Northeast States and the District of Columbia.	
91EVAR	AQUATIC RESOURCES CENTER MAINTENANCE	Not Available	33,000.00	U.S. Dept. of Interior - Fish & Wildlife Service	On-going	The purpose of this project is to operate and maintain of the District of Columbia's Aquatic Resources Education Center. Activities conducted under this grant will ensure the Center is in good working condition and provides a safe, comfortable, and attractive facility for people to learn about the District's fisheries and aquatic resources.	
LIAE17	LIHEAP GRANT - FY17	Not Available	10,435,086.07	Dept. of Health & Human Services	New	LIHEAP is funding by the federal Department of Health and Human Services (HHS) and helps eligible District residents pay heating and cooling bills. The amount of people that this grant can serve is based on the allotted budget / the average dollar amount of benefit payments made.	
SEP015	STATE ENERGY PROGRAM	Not Available	255,284.56	U.S. Dept. of Energy	On-going	SEP is funded by the US Department of Energy (DOE) and assists the District in addressing its energy priorities and program funding to adopt emerging renewable energy and energy efficiency technologies.	
SHOP12	STATE HEATING OIL & PROPANE	Not Available	7,354.02	U.S. Dept. of Energy	On-going	SHOPP is funded by the US Department of Energy (DOE) and collects heating oil and pricing data during the heating season.	
WAP014	WEATHERIZATION ASSISTANCE - FY14	Not Available	522,210.22	U.S. Dept. of Energy	On-going	The purpose of the WAP is to increase the energy efficiency of dwellings owned or occupied by low-income persons, reduce their total residential expenditures, and improve their health and safety.	
Total			\$0	\$	27,936,707.80
