Committee on the Judiciary  
Performance Oversight Hearing  
Pre-Hearing Questions and Answers**

**Placement and Monitoring 2, 3, 4**

2. For FY14, FY15, and FY16, to date, please provide the aggregate number of youth, the average length of stay for youth, and the percentage of the total committed youth population that were placed for any portion of the fiscal year in each of the following placement categories:
  - a. The Youth Services Center;  
*See below*
  - b. The New Beginnings Youth Development Center;  
*See below*
  - c. A secure community placement in the District of Columbia;  
*Community placements are settings that allow youth to go to school, work, and attend other community services and obligations. At this time, DYRS uses no secure community placements.*
  - d. A non-secure community placement in the District of Columbia;  
*Includes group homes, foster care, family home, independent living, and abscondence.*
  - e. A residential treatment facility in the District of Columbia;  
*Includes in-patient substance abuse treatment and hospital placement.*
  - f. A secure out-of-the-District placement; and  
*Includes residential treatment centers, hospital, in-patient substance abuse treatment.*
  - g. A non-secure out-of-the-District placement.  
*Includes group homes, foster care, family home, independent living, and abscondence.*
