Placement and Monitoring 9

9. Please provide the following for youth committed to DYRS:

a. The total number of committed youth monitored by GPS in FY14, FY15, and FY16, to date;
See below.

b. The percentage of committed youth monitored by GPS in FY14, FY15, and FY16, to date;

	Total instances of GPS	Total unique committed youth with GPS	Percentage of committed youth
FY14	1253	500	75%
FY15	823	358	68%
FY16	179	136	40%

c. The cost to the agency of the electronic monitoring system in FY14, FY15, and FY16 to date;

FY14 \$395,418.00, FY15 \$253,238.50, and FY16 \$46,305.00 to date

d. The way in which the agency utilizes electronic monitoring data;

Electronic monitoring and GPS are not used in isolation of programming, supports, and services from the agency. The agency uses electronic monitoring data to make decisions about dedicating resources, staffing, and programming in the community to help ensure success.

And a description of all crimes committed by committed youth monitored by GPS in FY14, FY15, and FY16, to date.

DYRS reports arrests by calendar year to be consistent with other city justice agencies, including MPD. Calendar year 2016 data not available as of January 13, 2016.
