The Honorable Brandon T. Todd
Councilmember, Ward 4
Chairman, Government Operations Committee
DC Council
1350 Pennsylvania Ave, NW Suite
Washington, DC 20004

Dear Chairman Todd:

In preparation for the DC Council Government Operations Committee performance oversight hearing for the Executive Office of the Mayor (EOM), please find attached our responses to the questions submitted by your office.

We look forward to the hearing on February 7, 2019 at 11:00 AM.

Sincerely,

John Falcicchio
Chief of Staff to Mayor Muriel Bowser

1. Please provide, as an attachment to your answers, a current organizational chart for your agency with the number of vacant and filled FTEs marked in each box. Include the names of all senior personnel, if applicable. Also include the effective date on the chart.

See attachment #1

2. Please provide, as an attachment, a Schedule A for your agency which identifies all employees by title/position, current salary, fringe benefits, and program office as of January 10, 2019. The Schedule A also should indicate any vacant positions in the agency. Please do not include Social Security numbers.

See attachment #2

3. (a) For fiscal year 2018, please list each employee whose salary was \$110,000 or more. For each employee listed provide the name, position title, salary, and amount of any overtime and/or bonus pay.

See attachment #3

- (b) For fiscal year 2019, please list each employee whose salary is or was \$110,000 or more. For each employee listed provide the name, position title, salary, and amount of any overtime and/or bonus pay as of the date of your response.

See attachment #4

4. For fiscal year 2019 (to date), please list each employee separated from the agency with separation pay. State the amount and number of weeks of pay. Also, for each, state the reason for the separation.

Last Name	First Name	Agency	Separation Weeks
Campbell	Detrick	EOM	4
Khader	Mohammed	EOM	2

- 5. Please list all pending lawsuits that name your agency as a party. Please identify which cases on the list are lawsuits that potentially expose the city to significant liability in terms of money and/or change in practices. The Committee is not asking for your judgment as to the city's liability; rather, we are asking about the extent of the claim. For those claims identified, please include an explanation about the issues for each case.**

The Executive Office of the Mayor (EOM) is often named in lawsuits that primarily concern the actions of other District agencies. Conducting due diligence, OAG may send EOM litigation holds indicating that its files or actions may be at issue or that the Mayor was named in her official capacity. EOM is able to follow up with the Committee and OAG if the Committee has any follow-up questions concerning a particular suit.

Cases in which EOM is the primary defendant:

Beth Gouse v. District of Columbia, 1:17-cv02566 RDM

Plaintiff alleges that the District of Columbia discriminated against her on the basis of race and sex in violation of the Civil Rights Act of 1964 and the District of Columbia Human Rights Act, and retaliated against her for engaging in protected EEO activity.

Cases in which EOM is not the primary defendant, but has received litigation holds:

- **District of Columbia v. Digi Media, 2016 CA 006471 B**

The District of Columbia filed a lawsuit against Digi Media for unlawfully erecting large outdoor digital signs around the District.

- **Petworth Holdings et al. v. Muriel Bowser, et al., District Court for the District of Columbia, Case No. 1:18-cv-00003 (case stayed)**

This is active litigation that was filed in January 2018. Plaintiff alleges that the Boards and Commissions Reform Act of 2013, which amended the Retail Services Station Act, constituted a regulatory taking of their property by preventing them from tearing down the service station and selling the land for new construction.

- **Current Area Residents East of the River, et al. v. District of Columbia, et al., Civil Action No. 18-872 (D.D.C.)**

Plaintiffs are three District residents and C.A.R.E., an organization comprised of African-American District residents living east of the Anacostia River. They allege defendants have maintained a land-use and economic development policy of favoring a “creative class” (millennials who are college educated) over “legacy DC residents” (African-Americans who are economically disadvantaged). Plaintiffs allege this dynamic has led to the exodus of economically disadvantaged African-American families from their neighborhoods and assert the following claims: geographic discrimination in violation of the Fifth Amendment and District of Columbia Human Rights Act (DCHRA); age and source of income discrimination in violation of Title VI of the Civil Rights Act of 1964 (Title VI) and the DCHRA; disparate impact in violation of the Fair

Housing Act and the DCHRA; violation of plaintiffs' First Amendment right of freedom of association and rights under the Establishment Clause; racial animus in violation of Title VI; and conspiracy to violate their Title VI rights.

- **Black Lives Matter, D.C., et al. v. Muriel Bowser, et al., Civil Action No. 2018 CA 003168 B**

Plaintiffs filed for injunctive relief against the District alleging that the District have unreasonably delayed implementation of Title II(G) of the Neighborhood Engagement Achieves Results (NEAR) Act of 2016.

- **M.J., et al. v. the District of Columbia, et al., Civil Action No. 18-1901 (EGS) (D.D.C.)**

This litigation seeks a declaration that the Defendants have failed to comply with mandates of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and the Medicaid Act.

- **Proctor v. D.C., 1:18-cv-00701**

The litigation challenges the District's application of its Protocol for the Disposition of Property Found on Public Space and Outreach to Displaced Persons.

6. **(a) In table format, please provide the following information for fiscal years 2017 and 2019 (to date), regarding your agency's use of cellular phones and mobile devices: (1) individuals (by name and title/position) authorized to carry and use such devices; (2) total annual expense (FY) for each individual's use; and (3) justification for such use (per person). If the list is more than one page in length, you may provide it as an attachment.**

See attachment #5.

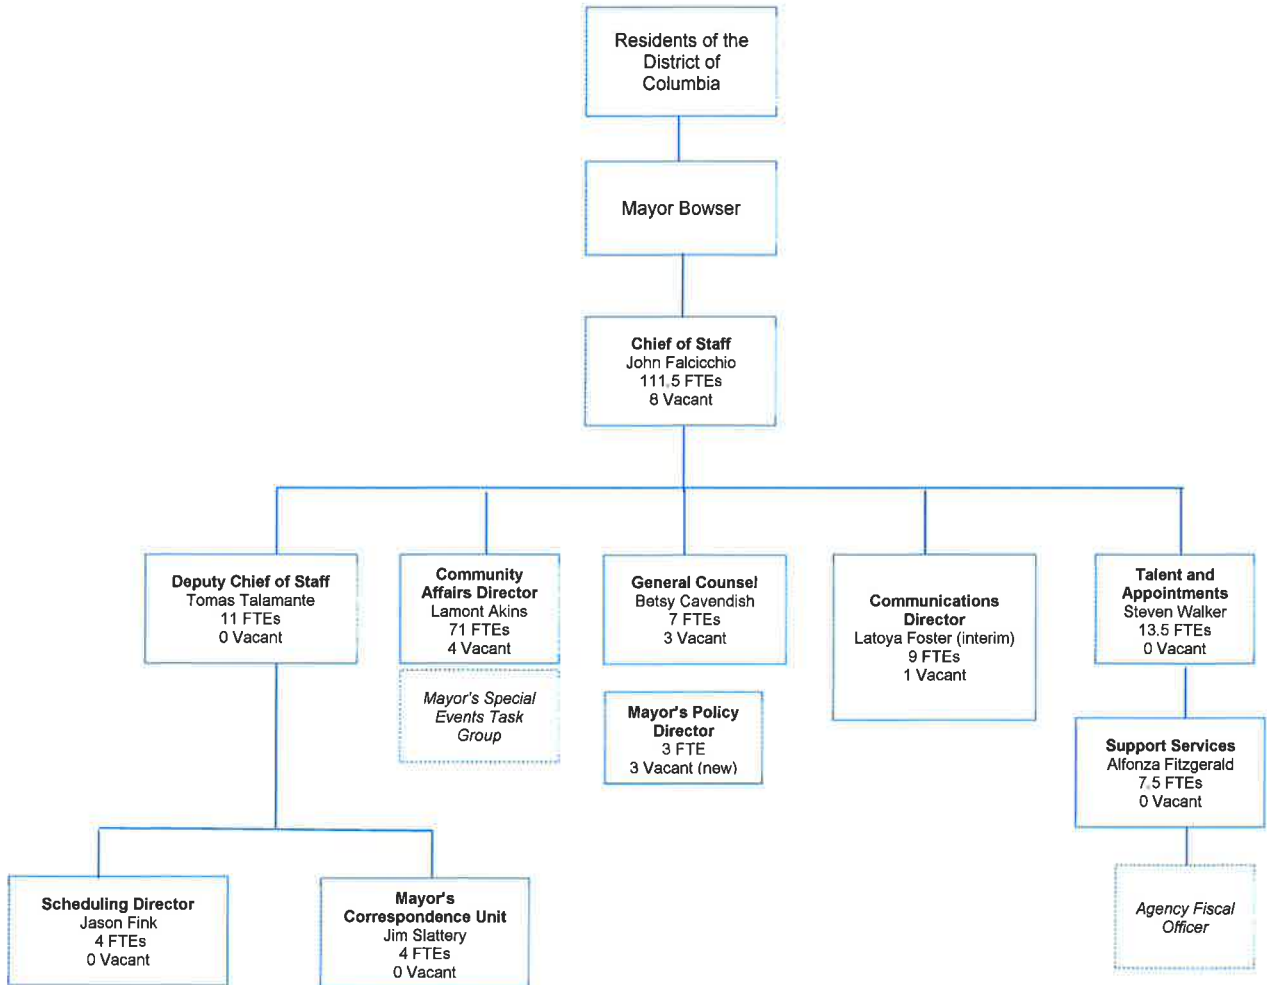

7. **Please provide and itemize, as of January 10, 2019, the current number of When Actually Employed (WAE), term, and contract personnel within your agency. If your agency employs WAE or term personnel, please provide, in table format, the name of each employee, position title, the length of his or her term, the date on which he or she first started with your agency, and the date on which his or her current term expires.**
