Subject: Re: comment period

Happy Friday.

It hi I your meeting was a joke. I can't get any information about it. Sorry. M

Have a great weekend.

Schannette

> [REDACTED]. After a closer look it seems that [REDACTED] is making up stories the
the legislation page is uses is from May 2011 and the council reaffirmed the current code on March 28
2014. I think he is being silly and just trying to cause problems. I have included the sill pdf file he
included in the email.

Chris Taberietis has found out about the project and is kicking and screaming. Please keep you ears open if you hear anything which I believe you will and we are going to hire David Wilmot to solve any problems that come up. Do you mind if I give you a call [REDACTED] around 3:00est.

> Sorry I have not gotten in to see you. [REDACTED] I have everything we discussed and will deliver it to you next week. How are things coming on the new sign regulations and can we please get these pushed out until early next year. This is vital to our business and the significant taxes that Digi will generate. Look forward to seeing you next week.

> Yes, the comment period officially closes today. However, we will be issuing a press release about this today - I hope - to explain that in light of the recent Supreme Court decision in Reed v the Town of Gilbert, Arizona the city will be re-reviewing the proposed regulations. Comments will continue to be accepted as we review the impact of the SCOTUS ruling on our current and proposed sign regulations.
