Just looked at the proposed rule. It looks as though it is actually governed by DDOT and the point of contact is given at Alice Kelly, Manager, Policy Branch, Policy, Planning and Sustainability Administration, District Department of Transportation. SK- do you know Alice or anyone in DDOT Policy Branch. Happy to reach out if you don't have a contact.

TI – I think this is you but could you please reach out to someone at DCRA about the proposed regs for title 13. The comment period is supposed to end on Monday but it has been delayed several times in the past 3 years. Please find out if they are on schedule or will the period will be extended again.

Please do not share the email/letter from Don with DCRA.

Thanks

Happy Tuesday Don!

I hope you had a great weekend. Sorry for the delayed response. [REDACTED] and I am just getting back into the office today. If you are available Thursday to meet, that would be awesome. I am crazy backed up today [REDACTED] and we have our budget mark up tomorrow so it will be another hectic day.

Also, could you give me a bit more information about DCRA delaying the responses to the proposed changes. What specifically are they looking to change (what's the subject matter)?

If Thursday doesn't work, I can also meet on Friday. I look forward to hearing from you.

Schannette

Happy Thursday!

I hope you are having a great week. I am writing to follow up to your email from about two weeks ago regarding the Constituent Services Fund. I know you stated you were going to be sending a check last week and I just wanted to make sure I didn't miss it. We have been having some issues with the mail and I since I was expecting your letter, I wanted to reach out.

If you haven't sent it yet, that is totally fine. I just wanted to confirm that because of the issues we've been having.

Thank you again very much for your donation.

Schannette,

This is an old friend Don MacCord and I am collecting a significant amount of contributions for the Constituent Service Fund and need to know who to have the checks made out to. Also please add me to any lists or events going forward you think I should participate in and I will make sure to come through on all fronts. I will bring the check by late next week and look forward to helping in anyway I can going forward.
