Jack and Schannette,

Sorry we missed you and I hope your trip to Cuba was fantastic. Let's catch up in the near future and Jack remember we would love to have your son as and intern this year with Digi. Our new office at 64 NY Ave will be completed first of June and we are ready to have a great year. Jack son would be a great addition to the team.

Warmest Regards,

Happy Saturday Don,

Sorry I missed your email. Jack and I went to Cuba last week and both came back a bit under the weather. I have been home since Wednesday and am finally coming up for air. I hate that we missed your dinner but THAN YOU VERY MUCH for inviting us.

See you soon.
