Jack,

I hope you are doing well. David just let us know about the WTEF ball this Friday and we jump on a table and would love to have anyone from your office come. We have 3 available seats and just let us know if you guys or your team is interested.

On another note please let me know if your son is still interested in interning this summer. We have set aside a spot for him and think he would be a great addition to our marketing and creative team.

Warmest Regards,
