Barbara,

We have never heard from [REDACTED] and we are doing work for [REDACTED] and [REDACTED] and are doing ceiling work and just need to have access after hours. Please provide us with the information needed for us to complete the work for [REDACTED] and [REDACTED]. I am not sure what [REDACTED] has to do with us doing ceiling work.

Best Regards,

Greg Miller

Subject: Contact for after hours Work at Metro Center Station

Hi Barbara,

Please allow me to introduce Don MacCord and Greg Miller from Digi Outdoor Media. They are doing installation work on the Homer and Woodies Buildings around the Metro Center station and are hoping to get in touch with the right person at Metro to access the station entrances overnight to help complete their work on the buildings. They'll be able to better explain exactly the work they'll be doing to determine who is the best contact.

Thank you,  
Tom
