Ms. Werner,

I represent the National Association of Regulatory Utility Commissions (NARUC) with regard to the Digi Media signs that have been placed in front of the windows of their office at 1101 Vermont Avenue, NW. We were told that Digi Media is seeking to circumvent the Superior Court litigation by a legislative amendment that would permit their electronic signs even though they violate DC Code and regulations. I reviewed the Signs Appendix Regulation Emergency Amendment Act of 2016 on line, but that does not appear to favor Digi Media. In fact, it appears to further preclude their electronic signs.

Please let me know if there is other legislation that is proposed that would be advantageous to Digi Media.

Thank you,

Dennis Davison
