Rusty . . . Good afternoon. I want to keep you informed about the status of matters with NSE Consulting. The written request for an opinion from Ellen Efros, the General Counsel of the Council, was provided to her yesterday. We are hopeful for a quick turnaround of her response. In addition, I have included the provision that you and I discussed into NSE's standard agreement (see provision 1(e) on the attached). Take a look at the agreement and see if there are any other areas where you believe revisions are necessary. Thanks. Bill
