Jack –

Got a call from someone in your office about a meeting with you and Councilman McDuffie about the sound studio project (presumably the one we submitted to OP3 two weeks ago?). I'm confused – the project is not in Councilman McDuffie's Ward?? Did you call the meeting? The Fire Station on RI Avenue (a second, separate project we submitted to OP3) is in his Ward but not the sound studio one. Please let me know your thoughts and thanks very much.

Have a great weekend!

Jason
