Hey!

I have not. I presume ORA is reviewing every subtitle we suggested for FIS purposes – either ruling it clean, or identifying the cost. Figuring it's clean, and then figuring the chairman includes it in the draft committee print of the BSA...

Thks!!! Have you asked Yesim to “bless” this? Like I told you, we met with her and Steve last month. She was very sympathetic. I’m confident the sales of the gas station properties in the past several years have been too sporadic (only two) and I don’t believe the CFO has used revenues from this transfer tax to balance the budget. I had also met with Jen Budoff separately before the markup.

P/S: Talked to Justin after your markup. He said he would communicate to the CFO that the Mayor supports the repeal of this transfer tax.
