Happy Friday!

I just wanted to follow up to see if you've heard anything yet from Mayor-elect Bowser's office yet.

I know they are quite busy at this time, but I just thought I would check in before the week closes.

Thanks,

████████

Hi Schannette,

Thank you very much for contacting me today regarding your efforts to help schedule a meeting with Mayor-Elect Bowser.  I know that this will be a very busy time for her office, but we were hoping to schedule time for her to meet with Exelon's ████████ when her schedule will allow.  I will be the only person accompanying ████████ to the meeting.

Given the holidays and the busy schedule Mayor-Elect Bowser has, we will work to make arrangements for ████████ to be available when she will have time.  At this point, I think it will be more efficient to work with a couple of dates that will work for Mayor-Elect Bowser's schedule and we'll go from there.  Please let me know if you have additional questions.
