

Responses to Committee of the Whole (COW)
FY2019 – FY2020 Performance Oversight Hearing Questions

1. Please provide, as an attachment to your answers, a current organizational chart for your agency with the number of vacant and filled FTEs marked in each box. Include the names of all senior personnel. Also include the effective date on the chart.

See Attachment.

2. Please provide, as an attachment, a Schedule A for your agency which identifies all employees by title/position, current salary, fringe benefits, and program office as of February 1, 2020. The Schedule A also should indicate all vacant positions in the agency. Please do not include Social Security numbers.

See Attachment.

3. Please list as of February 1 all employees detailed to or from your agency, if any, anytime this fiscal year (up to the date of your answer). For each employee identified, please provide the name of the agency the employee is detailed to or from, the reason for the detail, the date the detail began, and the employee’s actual or projected date of return.

No employees of the University were detailed.

4. (a) For fiscal year 2019, please list each employee whose salary was \$125,000 or more. For each employee listed provide the name, position title, salary, and amount of any overtime and any bonus pay.

10. For fiscal years 2019 and 2020 (through January 31), please list, in chronological order, all intra-District transfers to or from the agency. Give the date, amount, and reason for the transfer.

With respect to Intra-District transfers to or from UDC for the fiscal years 2019 and 2020 (through January 31st), UDC traditionally does not participate in the Intra-District MOU process in the same manner as other District agencies. UDC only sends or receives funds through the DC Treasury for the entities listed below. This is due to the fact that the financial systems that UDC and the District operate are independent of each other. The District operates under the SOAR system whereas UDC operates under the Banner system. These two systems do not interface with each other. It should be noted, however, that UDC does have agreements with other District agencies. The agreements are listed below and also captured in the response to question #15.

16. D.C. Law requires the Mayor and the Chief Financial Officer to submit to the Council, simultaneously with a proposed budget submission, actual copies of all agency budget enhancements requests, such as the “Form B” for all District agencies (See D.C. Code § 47-318.05a). In order to help the Committee understand agency needs, and the cost of those needs for your agency, please provide, as an attachment to your answers, all budget enhancement requests submitted by your agency to the Mayor or Chief Financial Officer as part of the budget process for fiscal years 2018, 2019, and 2020.

UDC’s FY2018 budget includes an increase of \$5,728,162 to support the University’s ability to maintain and enhance existing programs, and allow for the planning and implementation of promising new academic programs. The budget also includes an increase of \$480,000 to support elder law programs at law clinics.

In FY19, UDC requested \$14.2M in recurring and \$2.6M in 1-time funds to address talent attraction and retention, expansion of our workforce programs, growth of sustainability urban farm efforts, modernize IT and begin funding early retirement. The University received \$4.7M in recurring and \$4.7M in 1-time funds which were used to begin addressing talent attraction and retention, approve new leases at 4250 and 4225 Connecticut Ave and address the antiquated IT infrastructure.

In FY20, UDC requested \$22.3M to address talent attraction and retention, expansion of our workforce programs, growth of sustainability urban farm efforts, modernize IT and shortages in facility operating costs. The University received \$2.8M in recurring and \$4.7M in 1-time funds which will be used to address talent attraction and retention and continued modernization of the IT infrastructure

17. Please list all currently open capital projects for your agency (as of January 31st) including those projects that are managed or overseen by another agency or entity. Include a brief description of each, the total estimated cost, expenditures to date, the start and completion dates, and the current status of the project. Also, indicate which projects are experiencing delays and which require additional funding.

(See table on next page.)

UG706C Project Description:							
<p>The University of the District of Columbia (UDC) has one Capital pool project, UG706C, from which several sub-projects are executed. The project is used to renovate the Van Ness Campus and facilities at other locations within the University of the District of Columbia system (UDC), including the University's College of Arts and Sciences, School of Business and Public Administration, School of Law, School of Engineering and Applied Science, College of Agriculture, Urban Sustainability, & Environmental Sciences, and the Community College sites at Bertie Backus and PR Harris. The scope of work may include addressing much needed renovations to classrooms, academic laboratories, athletic facilities, auditoriums, faculty and administrative offices, and material storage areas. The scope of work may also include upgrades to the mechanical, electrical, and structural systems, installation of energy management systems and monitoring equipment, and new energy efficient windows throughout the Van Ness Campus. The projects are designed and constructed with enhancing campus sustainability as a primary objective.</p>							
<p>*The University has requested a budget of \$663.5M over the next 6 years. The purpose of that funding is to address the need for capital projects associated with the approved Equity Imperative Strategic plan and continued infrastructure upgrades, as well as new construction and swing space requirements.</p>							
Project: UG706C - Active Subproject Status Report							
* Estimated/Actual Construction dates are for current or next phase of subproject.							
Project Title	Description	Total Estimated Cost	Total Obligation to Date	Total Expenditures to Date	Construction Start Date ^a	Construction Completion Date ^a	Status
Mechanical and Electrical Systems and IT Upgrades	Complete renovation and/or replacement of mechanical, electrical, and distribution systems throughout the University System. Scope includes installation of energy management and monitoring equipment as well as HVAC systems replacement and electrical and plumbing upgrades.	\$82M	\$29,056,148	\$23,832,346	April 2015	September 2025	Installation of Energy Metering equipment for Van Ness Campus is completed. The MEP assessment is complete. Several MEP upgrade projects are currently in design development. Completion of all MEP work requires additional funding.
Acquisition and Renovation of 4250 Connecticut Avenue	Purchase the building at 4250 Connecticut Avenue and reconstruct the interior to accommodate the College of Arts and Sciences (CAS) and the College of Agriculture, Urban Sustainability and Environmental Sciences (CAUSES).	\$75M	\$4,975,045M	\$3,728,006	January 2019	September 2024	The University is currently leasing the building and working on a purchase agreement that is expected to be completed this spring. Some interior spaces have been renovated and are being used by the College of Arts and Sciences (CAS) and the College of Agriculture, Urban Sustainability & Environmental Sciences (CAUSES).
Strategic Plan Project: Backus Site Development	UDCCC Campus Development. Phase I renovation was approximately 45,000 sf and was completed in FY11. Phase II renovations included the east Academic wing and PEPCO power upgrade. Phase III completed the Auditorium. Phase IV is currently in the design and construction contract procurement stage and includes the construction of kitchens for CAUSES.	\$36.84M	\$14,174,019	\$12,533,383	March 2016	December 2020	Phase I construction is complete. Phase II Renovations for Auditorium is completed. Phase IV is in design development (student kitchen and classroom). The commercial kitchen construction work is awarded and work has started. (This cost does not include the estimated \$30M cost to construct a new Community College building at Backus).
Strategic Plan Project: Relocate the University's Main Library from bldg #44 to bldg 338/39	Relocate the University's Main Library from the existing space in bldg 41 to renovated space in bldg 38/39. This includes moving the existing cafeteria out of bldg 38 to the new Student Center and designing and building completely new library spaces.	\$8M	\$69,486	\$31,875	October 2020	September 2021	This project is currently in the design development phase. Construction is expected to begin this fall, beginning with developing swing space for the library stacks. The project will be completed in two phases of construction.
Campus Wide Window Efficiency Upgrade and Roof Replacement	Replacement of exterior windows campus wide to address the deterioration and inefficiency of the existing windows.	\$12.5M	\$3,186,843	\$1,814,854	August 2015	June 2020	The project to replace the windows in Buildings #46E and #46W has been awarded and work is scheduled to begin in February 2020. Completion of all window replacements requires additional funding.
Campus Wide Paver Restoration & Irrigation System Improvements	Extension of the Plaza Deck renovation to include the remaining paved areas at the Van Ness Campus. Project will further increase campus green space and improve the irrigation system.	\$36M	\$4,594,025	\$3,703,603	January 2017	September 2021	The contract to design the next phase of the plaza renovation has been awarded and the design work has started. It is expected that a construction contract will be awarded this summer.
Athletic Facilities Renovations	Additional renovations will expand on the first phase of renovations that included the aquatic center and upgraded mechanical systems and locker rooms. Additional upgrades in 2020 will include replacing the gymnasium bleachers and flooring, replacing the tennis courts, and additional mechanical system upgrades.	\$30M	\$7,301,344	\$6,670,307	May 2019	March 2021	The new gymnasium floor has been replaced and the new bleachers have been installed. The design for the replacement of the primary athletic field will be completed in February 2020 and construction is expected to begin this summer. The secondary athletic field will be constructed once the temporary trailers occupied by DCPS on the site are removed. Completion of all athletic facility improvements requires additional funding.

21. (a) Please describe the agency’s procedures for investigating allegations of sexual harassment committed by or against its employees.
(b) If different, please describe the agency’s procedures for investigating allegations of misconduct.

The following are the relevant sections of the University Anti-Discrimination and Harassment Policy that sets forth procedures for investigating allegations of harassment and misconduct.

A. University Complaint Procedure for Employees

1. Reporting Complaints

If an individual who believes that he or she has been the victim of discrimination or harassment in employment decides that he or she wishes to file a complaint, the person must notify the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator that he/she wishes to initiate the formal complaint procedure. An employee may file a complaint with an EEO Counselor at another District agency if so desired.

2. Required Information

A complaint must be in writing and shall include the relevant name(s), date(s), and time(s), a detailed description of the allegations of discrimination or harassment, the type of discrimination or harassment being raised, the names of any witnesses to the discrimination or harassment, requested corrective action or remedies and any other relevant information on which the complaint is based. The complainant must sign the complaint and be willing to have their identity disclosed to the respondent, if necessary.

3. Filing Timelines

b. Complaints Dealing with Sexual Harassment

Sexual harassment complaints by employees adhere to the same procedure as stated in Part IX, Section A. The timelines for such complaints, however, are different. A complainant may file a sexual harassment complaint with the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator or directly with D.C. Office of Human Rights within one year of the alleged incident. If the complaint is filed with the University, it shall have sixty (60) calendar days to resolve the complaint before it is referred to the D.C. Office of Human Rights at <http://ohr.dc.gov/complaint>.

4. Investigation of Complaints

During the course of the University Complaint Procedure, it shall be the responsibility of the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator to discuss with the complainant the options available under this procedure.

The EO Officer/Title IX Coordinator/Section 504-ADA Coordinator will conduct the investigations of all sexual harassment (including sexual assault/sexual violence) and discrimination complaints regarding employment related issues. During the investigation, the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator will:

- i. Formally apprise the respondent of the charge of discrimination or harassment, in writing.
- ii. Elicit from the respondent an explanation of what occurred from his/her perspective.
- iii. Arrange for interim relief for the complainant, if appropriate.
- iv. Provide both parties with the opportunity to provide information and identify witnesses.
- v. Investigate the allegations by conducting interviews or gathering other relevant information.
- vi. Attempt in a non-legalistic, non-threatening manner to facilitate a solution acceptable to both the complainant and the respondent.

5. Resolution of Complaints

The EO Officer/Title IX Coordinator/Section 504-ADA Coordinator evaluates allegations and evidence to determine if it is more likely than not that the alleged conduct in the complaint occurred. The findings of the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator are memorialized in a written report.

At the conclusion of any investigation, the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator shall conduct an exit interview with the parties and issue exit letters notifying the parties of the outcome.

If the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator believes that there is sufficient evidence to support a violation of this policy, the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator will submit a written report of the investigation and recommendations to the Vice President for Human Resources (or designee) for disciplinary action and relief for the complainant, as appropriate after the conclusion of the investigation. The Vice President for Human Resources (or designee) will subsequently administer disciplinary sanctions and relief for the complainant (as appropriate) in consultation with the responsible Vice President.

If the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator believes there is not sufficient evidence to support a violation of this policy, the complainant and respondent will be so advised in writing.

As stated above in Section IX.A.4., the investigation shall be completed within thirty (30) calendar days; if additional time is necessary, the parties will be notified, in writing, of the reasons for the delay, the length of the delay, and kept informed of its status.

A confidential, written summary of the investigation and the actions taken under this complaint procedure will be prepared by the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator for the University's use and, together with any other documentation, maintained in an "EO" file in the Office of Human Resources for at least seven (7) years in accordance with the University's record retention policy and applicable law.

6. Filing with External Agencies

Upon receipt of the exit letter, the complainant may, if he/she is unhappy with the outcome, file a formal complaint with the D.C. Office of Human Rights (<http://ohr.dc.gov/complaint>) within fifteen (15) calendar days after the exit interview with the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator. A respondent does not have the option to move a charge of harassment to the D.C. Office of Human Rights, pursuant to DC law.

During the extension period described in Section IX.A.4., the complainant may demand an exit letter at any time, and the EO Officer/Title IX Coordinator/Section 504-ADA Coordinator shall provide an exit letter upon such a demand. In addition, during the extension period, the complainant may file a formal complaint with the D.C. Office of Human Rights, notwithstanding whether the exit letter has been demanded or issued. If there is an extension period, a formal complaint to the D.C. Office of Human Rights shall be filed by the complainant during the extension period or within fifteen (15) calendar days after the exit interview is conducted, whichever is earlier. Formal complaints filed beyond this time period shall be deemed untimely filed and dismissed as such by the D.C. Office of Human Rights.

The University encourages faculty and staff (including student-employees) to utilize the internal complaint process prior to filing an external complaint. However, staff and faculty may file with the U.S. Equal Employment Opportunity Commission (EEOC) (www.eeoc.gov) or, for disability complaints, the U.S. Department of Education, Office for Civil Rights (OCR) (www.ed.gov/ocr). Faculty and staff may file with the EEOC or OCR. The EEOC and OCR have their own filing timeframes which may be found on their respective websites, but generally are within 180 days of the alleged act of discrimination.

- i. Arrange for interim relief for the complainant, if appropriate.
- ii. Provide both parties with the opportunity to provide information and identify witnesses.

(c) List and describe each allegation received by the agency in FY 2019 and FY 2020 (as of January 31) and the resolution of each as of the date of your answer

24. (a) Please describe how your agency manages and limits its mobile, voice, and data costs, including cellular phones and mobile devices.

Devices are assigned when such possession is necessary to perform related work duties or enhance the performance of said duties. Furthermore, mobile devices are assigned to persons that are very frequently away from their assigned office such as maintenance personnel and University administrators, yet have a necessity to maintain constant contact with their business units. University employees who need to be available during off hours are also provided mobile devices to ensure they can be contacted in the event of emergency situations. This includes, but is not limited to, maintenance and Information Services and Management personnel.

The authorization to use mobile platforms is managed in each department by the appropriate Director, Vice President or Dean and the overall allocation of devices is audited annually by the Office of Information Services and Management, in coordination with the Office of the Chief Operating Officer. The acquisition and management of all mobile devices is conducted exclusively by the Office of Information Services and Management.

- (b) In table format if the answer is more than 20 lines, and as an attachment, please provide the following information for fiscal years 2019 and 2020 (through January 31), regarding your agency's use of cellular phones and mobile devices: (1) individuals (by name and title/position) authorized to carry and use such devices; (2) total annual expense (FY) for each individual's use; and (3) justification for such use (per person). If the list is more than 20 individuals, group the answer by program, giving the total number of FTEs for that program as well as the number of cellular phones and mobile devices.

25. (a) Does your agency have or use one or more government vehicle? If so, for fiscal years 2019 and 2020 (through January 31), please list any vehicle the agency owns, leases, or has assigned to it. You may group the vehicles by category (e.g., 15 sedans, 33 pick-up trucks, three transport buses, etc.; and (6) what employee discipline resulted, if any.

Yes, the University of the District of Columbia has more than one government vehicle. For fiscal years 2019 and 2020, the university has a total of 20 vehicles which includes 7 sedans, 3 SUV's, 1 station wagon, 1 dump Truck, 4 passenger vans, 2 cargo vans, 1 light duty box truck, and 1 food truck.

- (b) Please list all vehicle accidents involving your agency's vehicles for fiscal years 2018, 2019, and 2020 (through January 31). Provide: (1) a brief description of each accident; (2) the type of vehicle involved; (3) the name and title/position of the driver involved; (4) the justification for using such vehicle; and (5) whether there was a finding of fault and, if so, who was determined to be at fault.

On September 21, 2018, The Office of Public Safety was notified that Officer Anthony Menendez was driving a University vehicle to the DC Inspection station. While leaving out of the parking garage (Van Ness-Campus), the officer cut the wheel right and accidentally made contact with the speed limit sign resulting in minor damage to the vehicle. Officer Thompson filed report #UDCPD-2018-09-21-16644.

On November 9, 2018, Officer Videra Washington was in route to the UDC-CC, as she was pulling out of Van Ness she scraped the pillar beside the vehicle causing a small scratch at the top of the rear door driver's side. Sergeant Scott Thompson was immediately notified, at the time he filed the police report #UDCPD-2018-11-09-19834.

On July 19, 2019, The Office of Public Safety was notified that Sergeant Matthew Knight was operating a University vehicle where he was parked in a legal parking space at the 800 block of North Capitol Street N.W. Mr. Knight was struck on the driver's side front quarter panel wheel well. There were no injuries involved and minor damages to the vehicle. A police report was filed
UDCPD-2019-07-12-13734. (case pending)

On August 13, 2019, The Office of Public Safety was notified that Mr. Leroy Palmer, a University employee was involved in an accident while exiting a BP service station on Minnesota and Pennsylvania Ave, SE. A police report was filed with MPD and UDC Police. (case pending)

On October 18, 2019, The Office of Public Safety was notified that Officer Menendez was involved in an accident while driving in the 4600 block of Connecticut Ave NW. Mr. Menedez was struck by another driver that ran a stop sign. This resulted in a total loss of the University vehicle. Mr Menedez was treated at the hospital for minor injuries, the other driver suffered no injuries. A MPD and UDC Police report was filed. (case pending)

26. Please list every lawsuit against the agency that was settled or decided by a trial court in FY 2019 and FY 2020 to date. Briefly describe each and the sanction, if any.

There were not any lawsuits settled or decided by a trial court.

27. D.C. Law requires the Mayor to pay certain settlements and judgements from agency operating budgets if the settlement is less than \$10,000 or results from an incident within the last two years (see D.C. Code § 2-402(a)(3)). Please itemize each charge-back to your agency for a settlement or judgment pursuant to D.C. Code § 2-402.

The Board of Trustees of the University of the District of Columbia is the body corporate established by the Council of the District of Columbia to govern the affairs of the University as described in the University's enabling legislation, which includes the ability of the Board of Trustees to sue and be sued. See D.C. Code § 38-1202.01(a). As such, the Board of Trustees is sui juris and is subject to claims independent of the District of Columbia and, and, as a result, maintains its own contingent liability fund. Accordingly, the University has not operationalized any charge-backs of settlements.

28. (a) D.C. Law prohibits chauffeurs, take-home vehicles, and the use of SUVs (see D.C. Code §§ 50-203 and 50-204). Is your agency in compliance with this law?

Yes, the University of the District of Columbia is in compliance with this law.

(b) Please explain all exceptions, if any, and provide the following: (1) type of vehicle (make, model, year); (2) individuals (name/position) authorized to use the vehicle; (3) jurisdictional residence of the individual (e.g., Bowie, MD); and (4) justification for the chauffeur or take-home status.

None.

(c) Please explain all exceptions, if any, and provide the following: (1) type of vehicle (make, model, year); (2) individuals (name/position) authorized to have the vehicle; (3) jurisdictional residence of the individual (e.g., Bowie, MD); and (4) justification for the chauffeur or take-home status.

N/A.

29. In table format, please provide the following information for fiscal years 2019 and 2020 (through January 31) regarding your agency's authorization of employee travel: (1) each trip outside the region on official business or agency expense; (2) individuals (by name and title/position) who traveled outside the region; (3) total expense for each trip (per person, per trip, etc.); (4) what agency or entity paid for the trips; and (5) justification for the travel (per person and trip).

31. What efforts has your agency made in the past year to increase transparency? Explain.

The University has worked diligently to enhance relationships with members of the surrounding community, representatives from local ANCs, students, faculty and staff. We have added resources to our Office of External Affairs focused on community relations and government affairs. Our Office of Communications has focused on providing information via *Legacy* magazine, social media, UDC’s television station, and the University’s website. Newly created pages share the *Equity Imperative* strategic plan and present the President’s Three-Year Report, which is also distributed to the general public via email and at various meetings, including Town Halls, where administrative and budgetary information is shared, comments are gathered from the community, and questions are answered. We continue to host ANC-3F monthly meetings at UDC, and a Weekly Calendar of Events is distributed broadly via email to spread news about the many activities and opportunities offered by the University.

Equity Imperative 3.0 Campaign – This campaign was designed to inform and engage all constituents on information about the management and progress of the University as it executes its strategic plan, *The Equity Imperative*. The campaign, led by President Mason, has enabled members of the DC community to engage with the University either in person or through events that have been live-streamed. Updates were provided during these sessions regarding enrollment, retention, programs, and fiscal matters. Questions were welcomed and information was downloadable afterwards through the website.

Focus Groups – Multiple focus groups have been conducted internally and externally to inform strategies to improve services and better understand needs and concerns of constituents and develop our *Finding Your Possible* marketing campaign.

32. What efforts will your agency be making to increase transparency? Explain.

We will be continuing the above actions, as well as launching our *Finding Your Possible* marketing campaign. Signage near our Van Ness, 801 North Capitol, Berie Backus, and Old Congress Heights campuses are being changed. We are working with key external constituents to better disseminate University news and announcements to alumni, donors, and other key stakeholders. The University will spread advertising and marketing throughout the District and improve programming on our cable TV channel. The University is also strengthening relationships with community stakeholders and will be working with them on our 10-year campus master plan for Van Ness in 2020.

33. Please identify any legislative requirements that your agency lacks sufficient resources to properly implement. Explain.

There are no legislative requirements that the University lacks sufficient resources to properly implement.

34. Please identify any statutory or regulatory impediments to your agency's operations.

There are no statutory or regulatory impediments to the University's operations. The University constantly reviews its internal DCMR regulations and updates where necessary.

35. Did your agency receive any FOIA requests in fiscal year 2019? If yes, did the agency file a report of FOIA disclosure activities with the Secretary of the District of Columbia? If available, please provide a copy of that report as an attachment. Also state here the total cost incurred by your agency for each fiscal year 2018, 2019, and 2020 (as of January 31) related to FOIA.

Yes, see report attached.

36. For purposes CBE agency compliance purposes, what is your agency's current adjusted expendable budget; how much has been spent with SBEs; and what percent of your agency's expendable budget was spent with SBEs? Further, where SBEs were not available, how much has been spent with CBEs, and what percent of CBE spending, relative to your current expendable budget? How many CBE waivers (including dollar amount) did the agency submit? What efforts has the agency taken to reduce the number of CBE waivers submitted? What is the CBE spending goal for your agency per the DSLBD SBE Opportunities Guide (Green book)? Give this answer for fiscal years 2018, 2019 and 2020 (through January 31).

*Amounts pending revision due to Fiscal Year Rollover of Capital Funds			

What efforts has the agency taken to reduce the number of CBE waivers submitted?

The University's Office of Strategic Sourcing and Procurement has been committed to ensuring the success of the Certified Business Enterprise (CBE) program, continually educating and equipping the University's community with the tools necessary to utilize the CBE Market. The University has implemented a Certified Business Enterprise (CBE) awareness program as part of the University's Professional Development Training to promote SBE/CBE procurements by Contract Specialists, end-users, cardholders, and support staff. The awareness program provides instruction on how to identify CBE suppliers, to include through commodity lookups on DSLBD's CBE database and through the D.C. Supply Schedule, and clarifies the University's sourcing requirements under the D.C. Code. The Office of Strategic Sourcing and Procurement audits transactions for compliance, and implements additional training requirements or corrective action as necessary.

37. Please provide, as an attachment, a copy of your agency's current annual performance plan as submitted to the Office of the City Administrator.

See Attachment.

38. (a) What are your agency's key performance indicators and what has been your agency's performance (for each of these KPIs) in fiscal year (or calendar year) 2018, 2019, and 2020 (through the first quarter).

Fiscal Year 2020 KPIs

1. Enrollment - **Target:** 4679
2. Completer (Graduates) - **Target:** 849
3. Workforce Certificates Awarded - **Target:** 1450

Fiscal Year 2019 KPIs

1. Enrollment - **Target:** 4500 - **Actual:** We met this goal in Fiscal year 2019, our enrollment was 4,500 students.
2. Completers (Graduates) - **Target:** 833 - **Actual:** Our graduate number increased by 80 students, even though we missed our target by 51 students in FY19, 782 students received a degree while in FY 2018 702 students received a degree.
3. Workforce Certificates Awarded - **Target:** 1350. **Actual:** 1346

Fiscal Year 2018 KPIs

1. 45% Retention Rate. The University exceeded the target and achieved a 54% retention rate.
2. 90% Community College Persistence Rate for late-start cohort. This target was achieved.
3. 25% Increase in Workforce Pathway Programs

Fiscal Year 2017 KPIs

1. 10% increase in Community College and Flagship Associate in Science program offerings. The University exceeded its FY17 goal, achieving a 20% increase in Community College and Flagship Associate in Science program offerings.
2. 20% increase in progression rate. The University did not meet this KPI, because the University

is working to increase students progressing within one academic year; we are working to increase our full-time/part-time mix; we have a large part-time population, and it is often difficult for part-time students to progress within one academic year.

3. 10-12% increase in retention. We exceeded that goal, achieving an 11% increase in retention.

(b) What KPIs have been dropped (or changed) since 2018? List each specifically and explain why it was dropped or changed.

No KPIs have been dropped since 2015. The “Assess and Coordinate Academic Program System” KPI was put on hold due to change in leadership of our branch campus. It has now been included in the FY 17 KPIs “Advanced Academy and Advanced Teaching and Learning Strategic Objectives.”

39. What are your top five priorities for the agency? Please provide a detailed explanation for how the agency expects to achieve or work toward these priorities in fiscal years 2019 and 2020.

The fiscal year 2020 top priorities will focus on the following areas:

- **Academic Planning**

- This will be a comprehensive review of quality, marketability, structure, scheduling, and degree pipelines and pathways. The Office of the Chief Academic Officer will pursue a significant opportunity to reorganize its academic programming. The reorganization will position UDC to award degrees that support careers of the future, meet the objectives of the Equity Imperative and increase our competitiveness locally, regionally and globally.
- As the only public university in the nation's capital, and the only exclusively urban emerging-research land grant university in the U.S., we must maintain the most strategic academic structure and program inventory necessary to advance teaching, learning, research and engagement. The academic planning process will be multi-phased and will involve input from stakeholders (faculty, staff, chairs, deans, and other constituent groups).

- **All American Talent Maximization System**

- This initiative will begin with several planning processes this semester. It envisions the rethinking of public education to enable the closure of the so-called "achievement gap." Its components will include different ways of identifying naturally talented students regardless of race or socio-economic status; a rigorous Strengths Summer for high-potential students; a teaching training institute with a focus on math education, pedagogy, applied research methods, and student support; and a C-16 Equity Academy in partnership with Anacostia High School. **Equity Imperative 3.0 - "Pathways to Possible" Campaign**
 - This is our annual campaign to push for an increase in our budget. We have been relatively successful in the past two years, but each year requires even greater effort. The campaign will involve all willing Firebirds, from students to the Board of Trustees, as well as our supporters and friends across the District.

- **Institutional Capacity & Readiness Task Force**

- Undergirding all we do is the ability to implement plans and deliver on our commitments. Success in that regard can involve everything from information systems, facilities planning, customer service, and extraordinary effort. We are identifying weaknesses and developing means to improve each day.

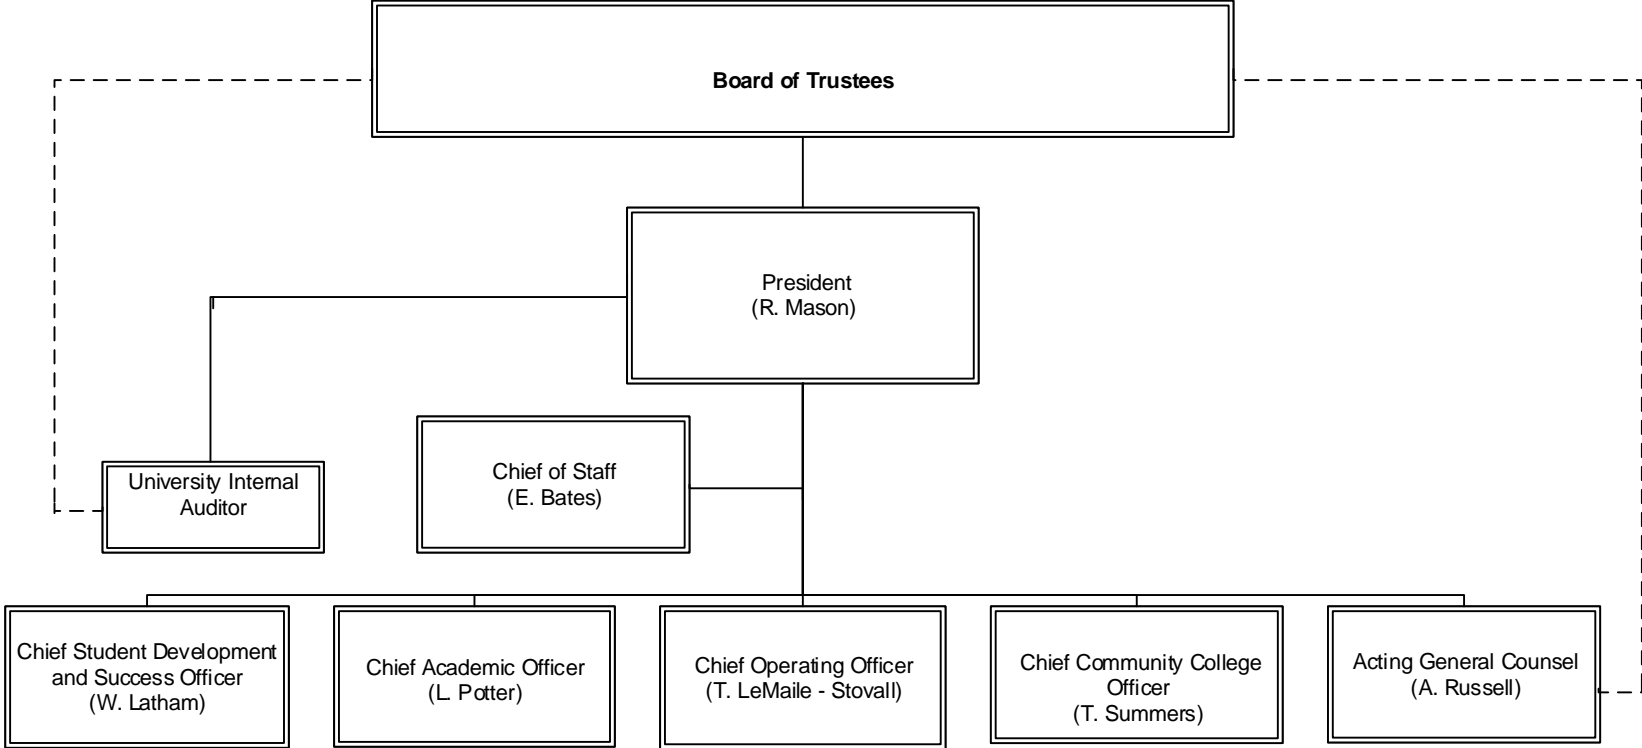

- **Campus Master Plan**

- Every ten years, we have to assess where we are in terms of our physical footprint and relations to our neighbors. Our current Campus Master Plan expires in December 2020 and the planning process to create a new Master Plan is underway. Our campuses have changed dramatically in the past few years and will change even more over the next ten years. We are excited about planning the vision for our future.

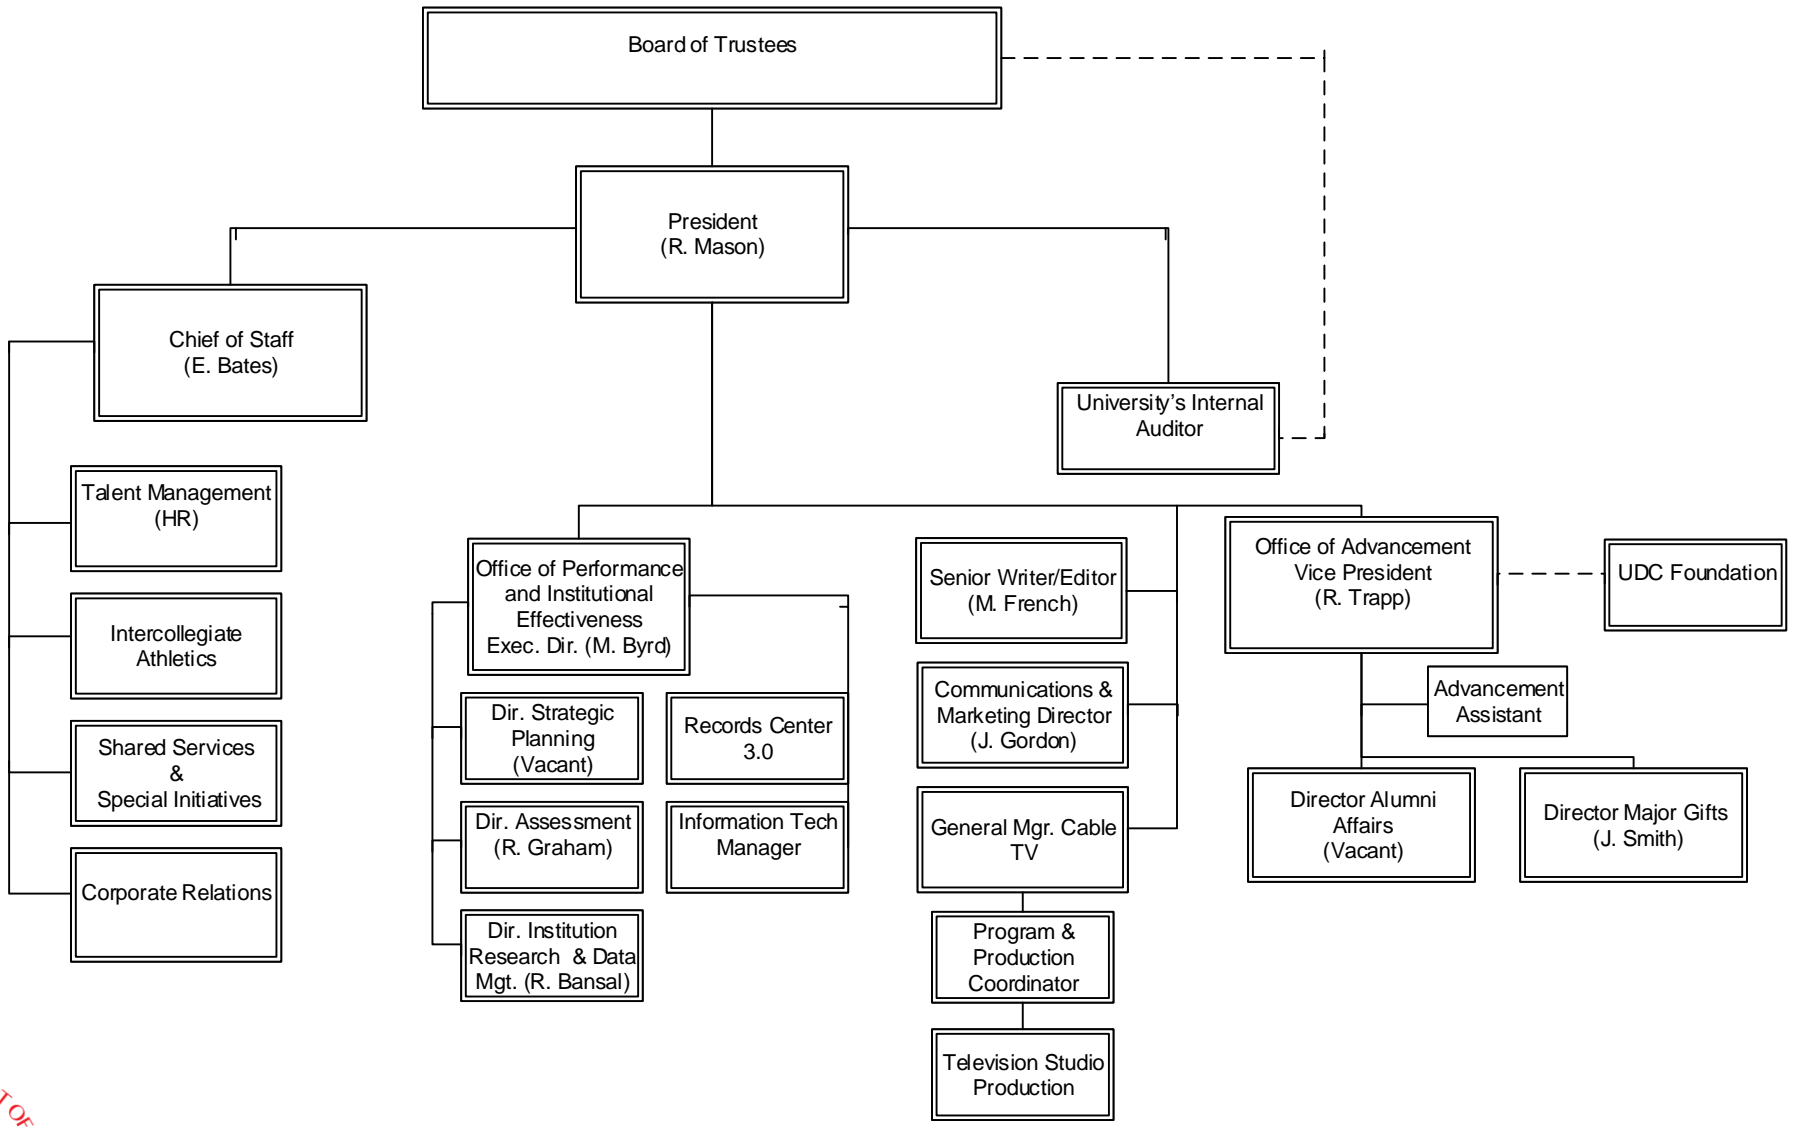

- **Court the Vote**

This is a nonpartisan initiative to register new voters, and get out the vote in the 2020 election. It is also an opportunity to engage our students in civic and citizenship activities. It is primarily student-led, includes partnerships with local high schools, and is intended to grow into a network of universities across the nation.
