On Monday, April 6, 2020, Councilmember Mary M. The hearing will begin at 2:00 PM in Room 123 of the John A. Wilson Building, 1350 Pennsylvania Avenue, N.W.

B23-641 would make several changes to the District's existing performance parking zones in order to give the Mayor more flexibility when setting rates in the zones. The bill would amend the Performance Parking Pilot Zone Act of 2008 to allow the Mayor to set temporary parking rates in a performance parking zone for a set duration of time when anticipating a special event; would raise the limit of the amount the Mayor may increase curbside parking fees in a performance parking zone during any one month period; would raise the limit on the amount the Mayor may increase parking fees in a performance parking zone over a three month period; would remove the cap on the maximum hourly rate the Mayor may set in a performance parking zone; would allow the Mayor to adjust parking rates in performance parking zones in real time based on demand; and would require the Mayor to publish data on curbside usage on a public website
