The Administrative Services Division is responsible for: human resources; contracting and procurement; information technology; nutrition services; risk management; and support services.

The Recreation Services Division is responsible for: aquatics; community recreation; parks; sports health and fitness; and community programs (including but not limited to early-middle childhood and seasonal camps; environmental programs; senior programming; teens; therapeutic recreation, and program registration).

There were no significant changes made to the organizational chart during the previous year.

What steps are taken to ensure that all agency employees are meeting individual job requirements? What steps are taken when an employee does not meet individual job requirements?**

DPR conducts annual performance evaluations in compliance with Chapter 14 of the District Personnel Manual. The employee’s manager creates, completes, and discusses the evaluation tool with the employee. DPR provides training related to performance management, including an employee-coaching component. Managers are responsible for monitoring and coaching employees throughout the year to meet their individual job requirements.

In the event that an employee is not meeting their job requirements, the agency considers placing the employee on a Performance Improvement Plan (PIP). A PIP may be established for 30, 60, or 90 days. After each 30-day interval a discussion takes place regarding progress and, if necessary, areas of needed improvement.

Most of DPR’s mobile equipment is acquired through upgrades, which incur zero expense of non-recurring costs to the agency. The monthly recurring cost for each type of device is below:

DPR receives a wide variety of customer feedback. For example, DPR received an 85.1 percent satisfaction rating through customer service surveys for FY18. ▪ **How has the agency changed its practices as a result of such feedback?**

The comments received from customers are shared with DPR managers in order to address any issues or concerns that might affect a guest’s experience at a specific location or program. For example, the Barry Farm Recreation Center in Ward 8, DPR had limited computers within the facility for public use. However, through community and stakeholder engagement, DPR responded by adding brand new computer stations within the computer lab with internet accessibility. Additionally, positive feedback is also shared so that staff can be recognized for their performance.

D. PROGRAM-SPECIFIC QUESTIONS

I. Personnel and Customer Service

37. In FY 2017, DPR distributed a new Customer Service Handbook to DPR employees and started providing training on the Handbook. How many DPR employees have been trained on this new Handbook, and does DPR have any metrics indicating that DPR customer service has improved in FY 2018 and FY 2019 to date?

To date, a majority of DPR's Customer Service Representatives (CSR) have been trained on the agency's Customer Services standards as outlined in the Handbook. DPR plans to have ongoing training to continuously ensure that staff members are utilizing the proper customer service standards. In addition to these efforts, the DC Office of Human Rights provided

agency-wide training on Cultural Sensitivity and Language Access Services to staff. Other CSR training programs that will focus on conflict resolution and critical thinking are being developed for FY19. DPR also plans to develop ‘Conversational Spanish’ classes for CSRs, which is intended to help enhance our services to the District’s Spanish speaking population.

In FY18, DPR recorded an 85.1 percent positive customer satisfaction rating from customer surveys. In Q1 of FY19, DPR recorded an 83.2 percent positive customer satisfaction rating. With the continued customer service training, DPR hopes to increase these ratings.

38. Given the significant effort DPR made in FY 2016 and FY 2017 to reclassify FTEs to correct their Schedule A position listings, does DPR foresee further significant reclassifications in the upcoming budget cycle?

DPR does not foresee any major reclassification of positions.

39. Does DPR give preference to DCPS school leagues or teams for the use of their facilities, especially when the league/team’s normal facilities are closed for renovations or construction?

DPR is committed to assist DCPS school leagues and teams to provide use at recreational facilities and amenities. As part of DPR's permits regulations, DPR has a prioritization protocol to determine which organizations have higher priority for available space during site planning and open permit registration windows. This includes:

1. DPR-sponsored activities
2. DPR Partners with written agreement
3. DCPS/Charter School Programs
4. Youth Non-profit Organizations with over 75% of participants residing in the District
5. Adult Non-profit Organizations with over 75% of participants residing in the District
6. Other organizations, groups, or individuals for private use that are based in the District

After the registration window closes for a season, available space is reserved on a first come, first serve basis.

DPR is in communication with DCPS partners and is able to consider requests when normal facilities are closed. If another DCPS facility is not available, DPR considers the impact to DPR programming and works with DCPS Central Office to accommodate accordingly.

40. In FY 2018 and FY 2019 to date, how many times have DPR facilities, including swimming pools, opened late or closed? Please break down by facility and provide the length of each delay and why it occurred.

Please see the following attachments:

- “Question 40 – Aquatic Centers Delays Report”
- “Question 40 – Recreation Centers Delays Report”

- **Has the Office for Labor Relations and Collective Bargaining finalized a new collective bargaining agreement to help decrease the number of delayed openings and closures, as recommended by the Committee in its FY 2017 and FY 2018 Budget Reports?**

DPR has been working with OLRCB on language for a new agreement, which includes the opportunity for DPR managers to have earlier call-in times by employees when employees will be out on emergency leave. DPR believes that an earlier call-in will help eliminate calls after the start of tour-of-duty, which results in late openings. Currently, OLRCB is still in the process of finalizing a negotiated contract.

- 41. What progress did DPR make in FY 2018 in preparing necessary updates to DPR’s Master Facility Plan? When will the updated Plan be completed?**

DPR has been working internally to update its inventory and conduct new analysis on level of service standards and recreation needs across the District, using the most recent demographic projections by the Office of Planning. The agency has held internal meetings across every department to identify high-level goals and priorities to be considered in future planning for the agency. DPR has also met with an interagency group that included OP, DME, DCPL, and DGS to discuss other facilities master planning underway.

In 2019, a new Statewide Comprehensive Outdoor Recreation Plan (SCORP) is due to the National Park Service, which will identify goals and priorities related to outdoor recreation for the next five years. A citywide survey and community meetings will be held on this plan in spring 2019. This plan will be integrated into DPR’s updated Master Facilities Plan which is slated to be completed by the end of 2020.

- 42. Please provide a list of the outstanding maintenance requests for all DPR facilities, including the date each request was submitted.**

Please see attachment “Question 42 – Open Maintenance Tickets with DGS.”

- 43. Please provide a cost estimate for opening one recreation center in each Ward on Sundays. Please provide the overall cost estimate, as well as an explanation of the costs, below.**

In order to properly implement the expanded hours and ensure the agency is meeting staffing standards (such as the CBA requirement for two consecutive days off), DPR would require 40 new FTEs. The total cost for this expansion would be \$2.1 million.

II. Policies and Programming

- 44. Please provide a list of DPR programming and attendance in FY 2018 broken down by ward, facility, gender, and age group.**

Please see attachment “Question 44 – DPR Program Enrollment Listing FY18.”

- **What progress has DPR made in developing 2-year site plans for each facility?**

In FY18, DPR streamlined the community engagement and program selection model for all DPR sites. The new process involves multiple divisions working together, including Community Recreation, Community Programs, and Permits, to review programmatic data and provide the best possible approach for laying the foundation needed for developing site plans that will accurately reflect the needs of each unique community. DPR has continued to align staff skills and abilities to programs, and has plans to create a baseline for programming for each type of site facility that will also guide our work in developing individual site plans.

- **How does DPR identify gaps in programming at different DPR facilities?**

DPR uses data from needs assessments, community meetings, and inquiries from the public to understand community programmatic needs. In addition, DPR’s new program selection model requires bi-annual community engagement efforts, primarily led by the Community Recreation division, to gather community input on program offerings. Quarterly, the Community Programs division also evaluates program offerings on a citywide level to support program equity in the city. Using this information, DPR then works to identify resources to address and fill program gaps as much as possible.

- **What are the reasons that DPR would cancel or discontinue programming at a DPR facility? Please provide a list of programs that have been discontinued in FY 2018 and FY 2019, to date, and provide the reason each program was discontinued.**

Programs are generally cancelled for low enrollment and/or attendance. DPR reviews enrollment and attendance rates during each registration cycle and will cancel programs if the appropriate registration threshold has not been met.

DPR typically offers many of the same programs at each facility each season, and strives to maintain the same level of programs and services each program season. Customers generally know which locations they can visit for certain programs and come to expect that those programs will be available. DPR will only discontinue a program offering at a DPR facility if over the course of numerous seasons/years, the program has proven to be unsuccessful and has not had the enrollment necessary to keep that offering at that center. For example, in FY17, DPR discontinued our tween summer offering due to the low enrollment observed over the course of 3-4 summers.

In FY18 and in FY19 to date, DPR has not discontinued any program offerings.

- **What new programming ideas have emerged from the Teen Town Halls and other outreach to teens that DPR has conducted in FY 2017 and FY 2018, to date? Have these new programs led to a rise in teen participation in DPR programming?**

In FY18, DPR hosted five (5) Teen Focus Groups. Using the data gathered from those focus groups, DPR developed a variety of program and special event ideas. Teen participants indicated that they enjoyed recreational trips in and around the city. Some of the trips organized following the focus groups included tubing/skiing, zip-lining, white water rafting, plays, and other off-site cultural art experiences.

Additionally, DPR introduced a few new events for teens. This included DPR's "Law and Order" event, which educated teens on their rights, marijuana laws, and other DC laws that impact their daily lives. The event was attended by over 150 teens. In FY19 to date, DPR has also offered a "Girls Night In" event with workshops centered around self-care, identity, and self-confidence. DPR is also working closely with the Mayor's Office on LGBTQ Affairs to develop the LGBTQ Teen Nights for FY19.

- 45. How does DPR enforce the nutrition standards and food marketing requirements set forth in the "Department of Parks and Recreation Fee-based Use Permit Authority Amendment Act of 2012"?**

Through the Summer Meals Program and the At-Risk Afterschool Meals Program administered by the Capital Area Food Bank and Child Care Resources, DPR follows required nutrition requirements as set forth by the "Department of Parks and Recreation Fee-based Use Permit Authority Amendment Act of 2012." For example, nutritional standards are incorporated in the food-vendor contract for the Summer Meals Program.

- 46. Please describe improvements made to DPR's online database of programming in FY 2018 and FY 2019, to date. Can residents now see the availability of DPR's amenities in real-time?**

Yes, residents can view availability of DPR's amenities in real time online. If a space is available and within the seasonal rotation, reservations for most multipurpose rooms, fields and courts can be immediately requested and purchased by residents.

Additionally, DPR continues to make improvements to our Recreational Management System and enhancement to benefit residents and make it easier to register for programming online. For example, the user experience has been increased with pictures to guide the customer to their programming group and online descriptions to help complete registration. The agency has also created a new Program Registration and Documentation Office to oversee administrative tasks for program registration. This office will increase accuracy and availability of program offerings and increase customer service support for DC residents. Finally, DPR has standardized its seasonal schedule to secure timely program planning and registration dates.

47. Please provide an update on DPR’s Greenhouse Cooperative. Where are the greenhouses funded through this program located and how many are operational? How many residents are participating in programming at each location?

The DPR Greenhouse Cooperative program is in the pilot phase. Non-profit partners and school organizations grow seedlings in exchange for providing DPR programs free seedlings and on site program help. In FY18, DPR had six non-profit and school organizations participate in the greenhouse cooperative. The agency is developing bylaws and best practices for the program based the FY18 experiences. DPR is planning to expand with more partners in FY19.

DPR has four greenhouses participating in the DPR Greenhouse Cooperative:

Location	Ward	Number of Residents	Status
Lederer Gardens	Ward 7	No Participants	Site was offline in FY18 for renovations. DPR plans to utilize the space for agency programming in FY19.
Twin Oaks	Ward 4	No Participants	Site was offline in FY18 for renovations. DPR plans to utilize the space for agency and partner programming in FY19.
Arboretum Recreation Center	Ward 5	20 Residents	DPR has a intergenerational program at this location
Theodore Hagans Recreation Center	Ward 5	10 residents	Program in pilot phase.

48. The previous committee chair made a recommendation that DPR work with the National Park Service (NPS) to develop a streamlined system for transferring underutilized NPS small parks to the District so that they can be better maintained and fully used as community resources. Has DPR explored this recommendation and what progress has been made, if any?

Yes, the agency has been in conversations with NPS to explore additional sites to enter into cooperative management agreements, though NPS has expressed some concerns regarding full transfers of authority of new properties. However, both agencies are waiting for federal legislation to be passed in order for this type of agreement to move forward. Last month, Senator Lisa Murkowski introduced the Federal Lands package, which incorporates this authority clarification. If and when this passes, DPR and NPS can engage in concrete discussions on which sites make sense for this type of agreement.

49. Given the lack of a Senior Center in Wards 2, 3, and 4 west of Rock Creek, what efforts has DPR made to make senior programming available to seniors in these parts of the District?

In FY18, DPR hired a Senior Programs Specialist for Chevy Chase Community Center and has implemented the following programs:

- Functional Fitness
- Pilates
- Yoga
- Intro to Dance
- Chair Fit
- Current Events
- Cell Phones for Seniors
- Music and Melodies
- Cranium Crunch

In addition to these programs, a few special events have been offered to seniors including a monthly speaker series and Movie Fridays.

DPR has continued to offer senior activities at a number of centers in Wards 2, 3, and 4, including Guy Mason, Stead, Fort Stevens, Emery, and Riggs LaSalle. These activities include social luncheons, book clubs, special events, and fitness classes.

Finally, in FY18 and FY19 to date, DPR has begun the recruitment process for a Senior Services Manager. This manager would be responsible for senior services across the city and would be tasked with ensuring equitable senior services offerings across the District.

III. Health and Environment

50. How is DPR promoting and growing the community gardens program? How many new community gardens did DPR open in FY 2018?

Currently, DPR has 35 community gardens and five partner urban farms. To support community gardeners, DPR offers around 100 free adult education classes and events throughout the year. In FY18, the Urban Gardens Division delivered eight new events, programs and initiatives. Services and programming offered in FY18 included but not limited to free youth, adult, senior, returning citizen focusing on topics such as entrepreneurship programming, production farming, value added process, and markets.

Additionally, DPR partnered with Office of the State Superintendent of Education (OSSE) to launch the “Growing Food, Growing Communities” program that matched gardeners on community garden waiting lists with empty school gardens to give people a temporary place to garden over the summer, matching approximately 100 residents with 24 school gardens.

To expand available gardening spaces in FY18, DPR built the Kelly Miller Farm, a one-acre farm in Ward 7. The agency partnered with five non-profit organizations to offer free programming at this site. This represents a new multi-partner model for large urban farm projects that will not only increased capacity to reach and engage community members.

Additionally, DPR opened one community garden at the Marvin Gaye Community Garden in Ward 7. In FY19, DPR is working with several partners and funding sources to build between two and five additional gardens and farms.

- **Does DPR work with DGS to identify District-owned properties that would be suitable sites for community gardens?**

In FY18, DPR worked with DGS to help identify DPR land for the public land leasing initiative for the 2014 Urban Farm and Food Security Act. DPR has been unable to commit any land to this program at this time.

51. How has DPR expanded the urban beekeeping program in FY 2018?

DPR added one new beekeeping site at the Kelly Miller Farm and updated access to the Trinidad Recreation Center rooftop to allow more space for beehives.

52. How many residents participated in the Community Compost Cooperative Network in FY 2018? How many composting sites were established in FY 2018 and what is the total number of sites? Approximately how much organic waste did the program divert from the solid waste stream in FY 2018?

An estimated 1,000 DC residents participated in our compost cooperative program in FY18. DPR hosts 48 active compost cooperative sites across the District. In FY18, DPR built two new compost bins and activated seven (7) new sites. An estimated 276 tons of organized material (garden waste and food) were processed in FY18. In FY19, DPR plans to active another nine (9) compost cooperative sites as well as develop an app to assist with collecting new data on this program.

- **Does DPR coordinate with DPW to send some of the leaves being collected by DPW to community composting sites?**

Yes, DPR coordinated with DPW in FY18 to develop a system to deliver leaves collected by DPW to community composting sites. We are currently partnering to deliver shredded Christmas trees to composting sites.

53. How many meals did DPR serve in FY 2018 as part of the Summer Food Service Program? How does that compare with the number of meals served in FY 2017, FY 2016, and FY 2015? How many sites did DPR sponsor as part of the program?

Fiscal Year	Number of Sites	Meals Served
FY 2015	193	719,422
FY 2016	192	530,160
FY 2017	176	438,092
FY 2018	184	408,507

In FY18, DPR was able to increase the number of locations as compared to FY17; however, there is a decline in meals served. The reason for the decline in meals served consists of many factors such as the changing demographics, increased levels of income, which prevent program participation, and a reduction in site participation.

Some non-DPR sites did not have the finances to support a summer camp program and in some instances there was a reduction in programming capacity as locations were serving fewer children. Other scenarios were that some locations did not offer a summer camp program for the full summer season.

- **How does DPR work with its food vendor to ensure that the food tastes good and is of high quality? Does DPR do any child satisfaction surveys related to the food served through the Summer Food Service Program?**

DPR works closely with the summer meals food vendor by hosting food tasting events featuring samplings of the proposed summer menu options prior to the start of the program. The attendees for the food tasting event were children 18 years and under that visit the site from local neighborhood schools. During this event, the food vendor and DPR Management solicit feedback from the children on the quality and taste of the summer meals menu options food samplings. OSSE's Program Specialist works closely to support DPR to ensure that the Summer Meals Food Service Program menu selections are USDA approved and is of high quality and most importantly that it tastes good to ensure that children will consume the meals.

- **What challenges do children face in accessing the Summer Food Service Program, and how could DPR's program be improved to reach more children?**

DPR works closely with OSSE to reduce challenges that children may face in accessing the Summer Food Service Program and is dedicated to improving standards and participation and did so in FY18 by:

1. Providing a larger variety of food menu options. The menu was modified to improve food quality and have available options for food allergies in response to customer feedback in previous years. DPR hosted a taste-testing event and children were invited from local area schools to taste summer meals samplings. Child satisfaction surveys were collected and used to finalize the summer meals menu options. OSSE provided free giveaways that advertised the summer meals program and locations by texting a number and entering their zip code, which would display sites in close proximity. DPR also used social media, bus/bus shelters ads, and local radio ads to increase awareness among youth through an improved marketing strategy.
2. Participating in DHS's "Passport to Work Community Engagement Series" event, where TANF residents visited DPR's Nutrition Services

office at the Emery Heights Community Center and were provided information summer meal feeding locations and hours of operation. DPR also participated in the Annual Truck Touch event at RFK stadium and served 300 free summer meals to youth while OSSE provided social media Instagram photo boards, and free giveaways that advertised the summer meals program.

3. Working with DHS in FY18 to provide healthy nutritious summer meals to a local area hotel shelters. DPR provided training and support to site staff. DPR also partnered with DOH, DC SNAP Ed, in FY18, to pilot a nutrition education sessions to summer campers at five (5) DPR locations. This partnership was important to the summer meals program as the Nutrition Education classes focused on the summer meals menu items to help encourage children to eat different fruits and vegetables. Quite often children are not exposed to certain types of food at home and may not elect to eat these foods they are not familiar with unless they are encouraged. DPR plans to expand to additional sites and continue with this partnership.

54. How many children and meals were served at DPR facilities in FY 2018 as part of the At-Risk Afterschool Meals Program? How many DPR locations participate in the program?

In FY18, DPR served 60,292 meals to youth as part of the At-Risk Afterschool Meals program at 22 DPR locations.

- **Of the meals served through this Program, how many are hot meals and how many are ready-to-eat snacks (i.e. granola bars)?**

A total of 33,061 meals served through the At-Risk Afterschool Program that was a fresh/hot meal that is provided by the Capital Area Food Bank (CAFB) in FY18. A total of 27,231 shelf stable meals, ready-to-eat snacks were served in FY18 by the Child Care Resources (CCR).

- **How many children participate in afterschool programs at DPR facilities and do not receive meals through the At-Risk Afterschool Meals Program?**

In FY18, DPR had a total of 199 children participate in afterschool programs that did not receive meals through the At-Risk Afterschool Meals Programs. Of those, 199 participants, 56 did not receive meals due to the fact that their afterschool program was at a location that did not qualify for the afterschool meals program.

55. The Healthy Parks Amendment Act of 2018, introduced on February 6, 2018, proposes several expansions to DPR programming. Please provide separate spending plans for implementing the following provisions of the bill:

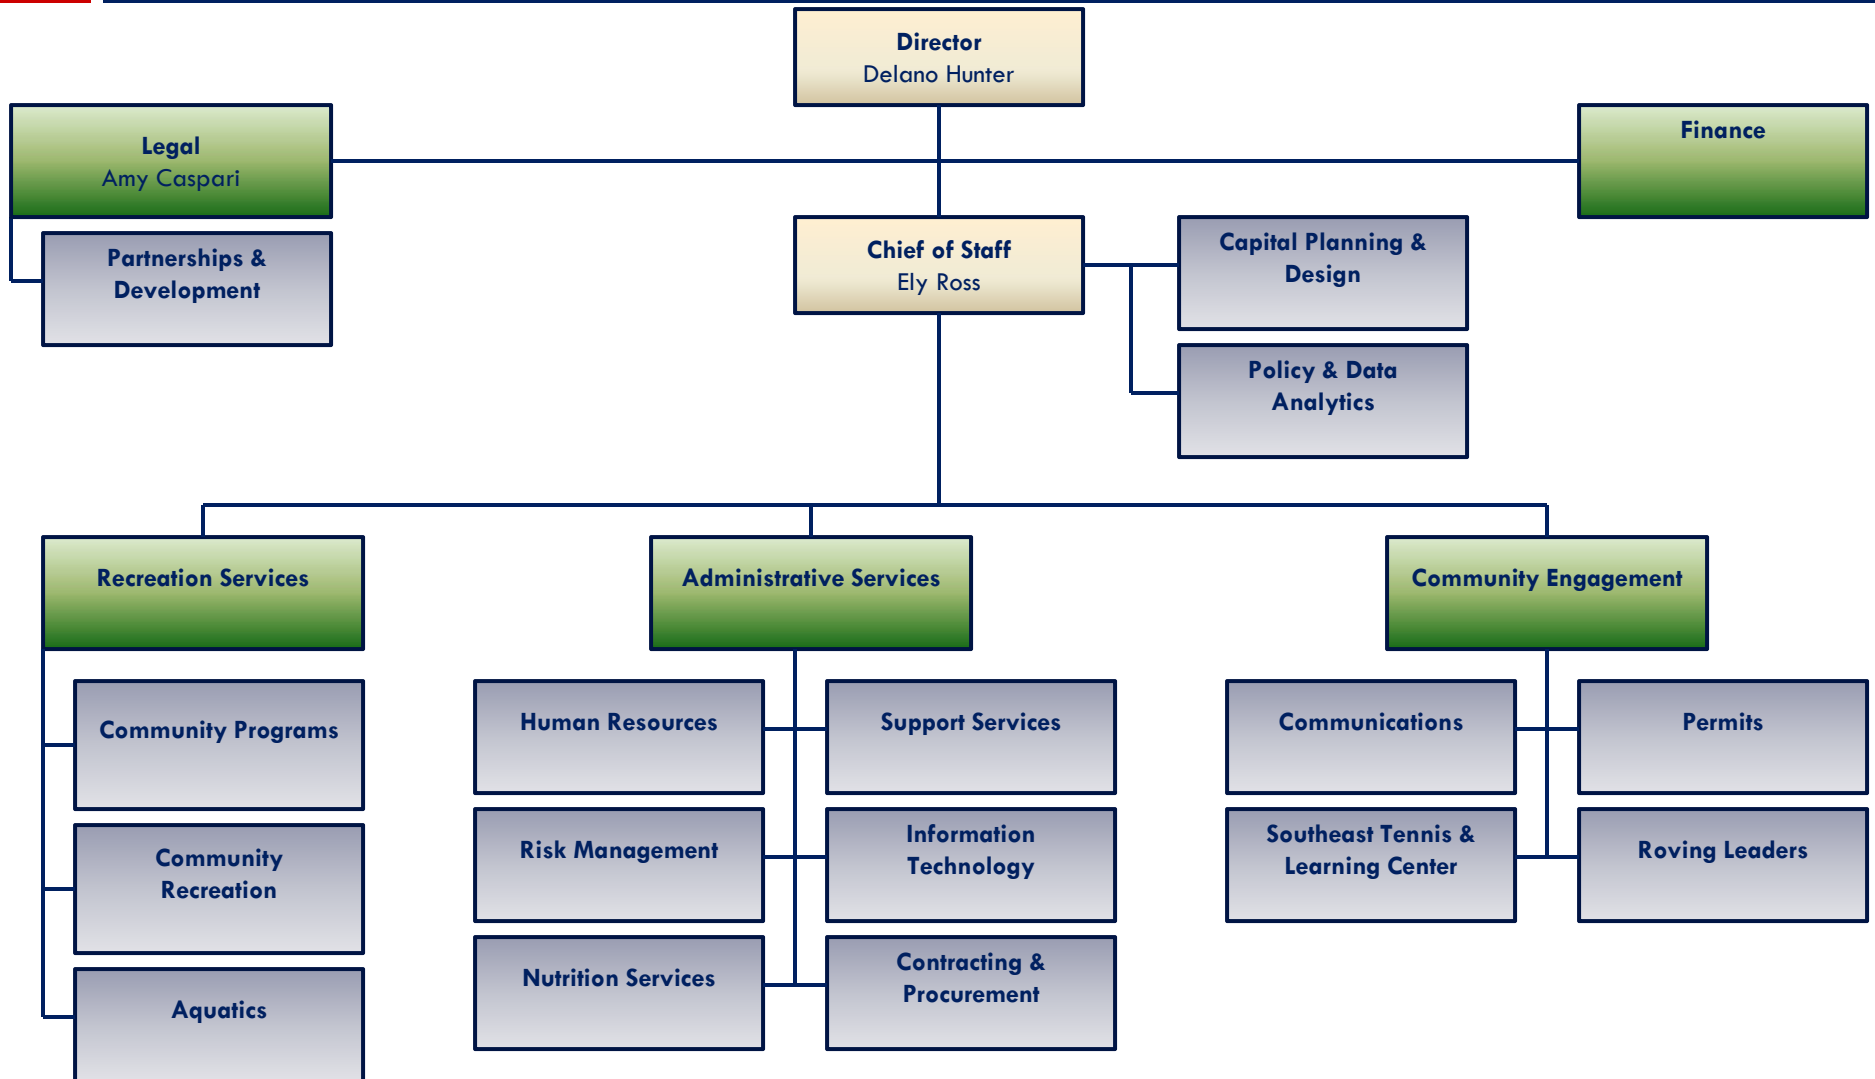

- **Offering supper meals through the At-Risk Afterschool Meals Program at all eligible DPR facilities to children in DPR afterschool programs and other eligible children;**

Please see attachment “Question 55 – Tentative At-Risk Afterschool Meals Program.”

- **Creating a mobile meal truck pilot to distribute meals as part of the Summer Food Service Program.**

This provision was been omitted in the final version of the Act.

Description

3 class workshop series about creating and preserving native habitats
DC residents joined the Washington DC Department of Parks Recreation Environmental Programs Division in a day of nature storytelling through photography. Led by a local DC award-winning International League of Conservation Photographer, participants learned the basics of technical skills for nature photography to compose short compelling conservation and nature stories for social media/blogs through an immersive, hands-on field experience.

Brought DC youth ages out of the city for the day to experience the beauty of the outdoors at Camp Riverview. Activities included a bird of prey exhibit, zip line, environmental education through a storm water explorer's model and hike, geocaching game, rock climbing, and nature themed arts and crafts, among others. As part of the Ward 8 Initiative, brought youth out of the city for the day to experience the beauty of the outdoors at Camp Riverview. Activities included a zip line, rock wall, water play, environmental education through a storm water explorer's model, and geocaching game, among others.

Installed (2) Pollinator Gardens in Wards 4 and 7 to further improve DC's ecosystem by taking advantage of currently underutilized park spaces and transforming them into a network of natural sites brimming with native and non-invasive flowering plants attractive and beneficial to native pollinators. Interpretive signage was installed at each site providing passive education. Additionally, educational programs complemented the work completed by summer conservation corps members and staff volunteers. DPR partnered with Rock Creek Conservancy and Casey Trees to provide physical improvements (rain garden maintenance, pollinator garden installation, and invasive exotic plant removal) to DPR properties through the summer youth work program Rock Creek Conservation Corps, which serves young adults from DC.

Series of bike rides with a partner, Lime Bikes, through park spaces.

In 2018, DPR hosted its first Agri-business series, highlighting some of DC's leading entrepreneurs in the food and urban agriculture industries to teach 2-hour long workshops on career pipeline and small business startup strategies based on their own entrepreneurial experiences and successes.

DPR hosted a discussion featuring DC based farmers, gardeners and land workers and their food and gardening stories in Washington, DC

This camp was designed to give campers a birds eye view of our great city, while using our top-notch public transportation system to navigate

A month-long series comprised of specialized culinary workshops

A month-long series comprised of specialized culinary workshops

In FY 18, DPR hosted three new and innovative pop-up events at small parks in the District as a part of a 14 event series delivered to activate small and under-utilized parks by bringing engaging activities directly to neighborhoods that encourage people to improve their community by connecting with each other, their city, and the outdoors. One of these performances featured a funk-ensemble at Duke Ellington Park in coordination with The Golden Triangle during lunch.

This program was part of the Mayoral Ward 8 Initiative and provided teens late-night programs to participate in each Friday night during the summer months.

Successfully developed and implemented the "Growing Food, Growing Community" program in partnership with OSSE.

DPR hosted an urban gardening summit for Ward 7's third grade students at Lederer Youth Gardens. A DPR and DCPS organized field trip for nearly from three different DCPS elementary schools to engage in greening activities, such as planting and seeding, site-seeing DC watersheds, painting, butter-making, solar cooking and more.

This program was part of the Mayoral Ward 8 Initiative and allowed for a free camping experience for constituents from Ward 8 and constituents living in shelters around the city

This event educated teens on their rights, marijuana laws, and other DC laws that impact their daily lives. It included various workshops, a panel discussion, and a musical performance.

This program was part of the Mayoral Ward 8 Initiative and provided teens late-night programs to participate in each Friday night during the summer months.

DPR lead a garden and farm tour at seven gardens and farms located in Ward 7, Washington DC. Constituents were able to tour the interior of each space (East Capital Farm, Lincoln Heights Community Orchard, Lederer Youth Gardens, Dix Street Garden, Marvin Gaye Community Garden, The Farm at Kelly Miller, The Pride Joy Garden by the First Baptist Church of Deanwood), met and interacted with the leaders in each space and corresponded about further volunteering and support strategies.

DPR hosted a curated dialogue with Urban Gardeners to better gauge programming needs in the future and discuss feedback of past food and gardening workshops offered through DPR's contracts.

PREAMBLE

This Agreement is entered into between the District of Columbia (hereinafter referred to as the Employer) and the American Federation of Government Employees, District of Columbia Locals (hereinafter referred to as the Union).

The Employer and the Union recognize the need to provide efficient service to the public and to maintain and increase the quality of service. Both parties further agree to the need for establishing and maintaining a sound labor-management relationship and mutually agree to continue working toward this goal. Each side has been afforded the opportunity to put forth all its proposals and to bargain in good faith. Both parties agree this Agreement expresses the results of their negotiations. Each party declares without reservation the contents of the Agreement. Therefore, to ensure the stability of the Agreement, no new provisions shall be proposed during the term of this Agreement, unless provided for elsewhere in this Agreement or such proposal is entertained by mutual agreement of the parties.

The Preamble is intended to provide the background and purpose of the collective bargaining agreement. Alleged violations of the Preamble per se will not be cited as contract violations.

ARTICLE 1 RECOGNITION

The District of Columbia Government (Metropolitan Police Department, Office of Planning, Office of Energy, Department of Administrative Services, Department of Recreation and Parks, and Department of Human Services), pursuant to the appropriate Employer recognition, certifications of the Public Employee Relations Board (PERB) and its predecessor, the Board of Labor Relations, hereby recognizes for the purposes of collective bargaining the following American Federation of Government Employees, District of Columbia Locals: 383, 2737, 2741, 3406, 3444 and 3871.

ARTICLE 2 GOVERNING LAWS AND REGULATIONS

SECTION 1:

In the event any D.C. Government-wide rule or regulation or Department rule, issuance or policy is in conflict with this Agreement, the terms of this Agreement shall prevail.

SECTION 2:

Except in emergency situations, the Department will consult with the Union prior to implementing any Department-wide rule, regulation or policy which is in conflict with this Agreement.

ARTICLE 3
UNION SECURITY AND DUES DEDUCTION

SECTION 1:

The terms and conditions of this Agreement shall apply to all employees in the bargaining unit without regard to Union membership. Employees covered by this Agreement have the right to join or refrain from joining the Union.

SECTION 2:

The Employer agrees to deduct Union dues from each employee's bi-weekly pay upon authorization of D.C. Form 277. Union dues withholding authorization may be canceled upon written notification to the Union and the Department thirty (30) days prior to each annual anniversary date (effective date) of this Agreement, regardless of the provisions of D.C. Form 277. When Union dues are canceled, the Department shall withhold a service fee in accordance with Section 3 of this Article. This provision shall supersede any other dues deduction agreement in effect prior to the effective date of this Agreement.

SECTION 3:

Because the Union is responsible for representing the interests of all bargaining unit employees without discrimination and without regard to Union membership, Management agrees to deduct a service fee from each non-Union member's bi-weekly pay, without written authorization. Upon the showing of the Local Union that sixty percent (60%) of the eligible employees in the bargaining unit for which it has certification, are Union members, the Department shall begin withholding, not later than the second pay period after this Agreement becomes effective and the showing of sixty percent (60%) is made, a service fee applicable to all employees in the bargaining unit(s) who are not Union members. The service fee and/or Union dues withheld shall be transmitted to the Union, minus a collection fee of five cents (\$.05) per deduction per pay period. The service fee withholding shall continue for the duration of this Agreement. Payment of dues or service fees through wage deductions shall be implemented in accordance with procedures established by the Department and this Article. Employees who enter the bargaining unit where a service fee is in effect shall have the service fee or Union dues withheld by the appropriate Department after the sixty percent (60%) showing is made.

SECTION 4:

The service fee applicable to non-Union members shall not exceed the amount of the Union dues. Payment of dues or service fees shall not be a condition of employment.

SECTION 5:

When a service fee is not in effect, the Union may require that an employee who does not pay dues or service fee shall pay all reasonable costs incurred by the Union in representing such employee(s) in grievance, adverse actions or appeal proceedings in accordance with the provisions of the Comprehensive Merit Personnel Act (CMPA).

SECTION 6:

The Union shall indemnify, defend and otherwise hold the Department harmless for any good faith errors, or omissions in carrying out the provisions of this Article.

SECTION 7:

When an employee is permanently separated from the bargaining unit, he/she will submit a request to have Union dues or service fee deductions canceled. Upon request, on a quarterly basis, Management will provide the Union with a list of names of bargaining unit members.

ARTICLE 4

SECTION 1:

- A. Officers, stewards, and all other official representatives are authorized to perform Union duties during duty hours and will suffer no loss of pay, no adversarial action, no retaliatory action or loss of any other benefits as a result thereof. A Union representative may be required to leave his/her assigned work area to transact permissible labor-management business. When it becomes necessary for an officer or steward to transact permissible labor-management business away from th

assigned work area during work hours, the officer or steward must request and receive permission from his/her immediate supervisor. If the immediate supervisor is unavailable, permission shall be requested from the next level Management official.

Before entering a work area other than his/her own, a Union representative shall request from the appropriate supervisor of his/her desire to visit or meet and confer with an employee in that work area. If the supervisor is unable to grant the request, the representative will be advised of an appropriate time to meet with the employee.

SECTION 6:

The Union will be consulted prior to any change in shift assignments of duly appointed stewards. The Union will be consulted prior to the organization of new shifts that would affect the members of the unit. The Union will have the right to select a steward for each newly organized shift. In the event a shop steward is detailed or reassigned, he/she will be given reasonable time to complete all pending matters in which he/she is involved.

SECTION 7:

Management agrees to inform all new or rehired employees to the Union's exclusive recognition and to have them introduced to their shop steward when they are assigned to a duty post. The shop steward will be given an opportunity to meet with the new employee.

SECTION 8:

During orientation of new employees or when new employees come on board, the Union president or his/her designee shall be granted up to one (1) hour for the purpose of informing employees of the Union's exclusive recognition, union benefits, and employee rights under the negotiated agreement as well as distribution of any Union related materials.

SECTION 9:

The Employer agrees, upon request, to notify the Union of new employees in the bargaining unit listed by organization unit with title and grade.

SECTION 10:

Upon request, the Employer agrees to provide the Union with a list in alphabetical order, of all employees in the Department. The list shall contain name, job title, grade, date of employment, job status, date of NTE for temporary/term employees, when applicable, and CBU codes.

SECTION 11:

Each Local shall notify the Office of Labor Relations and Collective Bargaining (OLRCB) in advance of Union sponsored training, with the names of the Union officials and stewards who are to attend. The Employer shall grant official time, up to forty (40) hours, for stewards and officers and up to eighty (80) hour each for the local president and one (1) designee from January 1 through December 31 of each year. It is understood that these hours pertain to the positions described and not individuals.

ARTICLE 5
LABOR-MANAGEMENT RELATIONS

SECTION 1 - CONSULTATION AND COMMUNICATION:

The parties agree that consultation and communication on working conditions matters should be maintained at all levels between the Union and Management.

SECTION 2 - LABOR-MANAGEMENT RELATIONS COMMITTEE:

c. When either party has agreed to furnish to the other party information relevant to a topic discussed in the Labor-Management Relations Committee, the information shall be provided within fifteen (15) working days. The fifteen working day time limit may be waived upon mutual agreement.

SECTION 3 - LEVEL MEETINGS:

When preparing the agenda called for in this Section, Management and Union will provide space on the agenda for appropriate issues which may arise after the agenda is submitted. If the parties mutually agree that other meetings are necessary, such meetings shall be scheduled to discuss the specific issue(s).

SECTION 4:

The Department Director may meet quarterly with Local President and the Executive Board in his/her Department provided either party furnishes the other an itemized agenda fifteen (15) working days prior to the meeting.

ARTICLE 6
EMPLOYEE RIGHTS

SECTION 1:

SECTION 3:

The parties agree that employees and Management shall maintain mutual respect. Therefore, to the extent possible, communication pertaining to employee guidance should be made in an atmosphere that avoids public embarrassment.

SECTION 4:

It is understood that the employees in the bargaining unit shall have full protection of all Articles in this Agreement as long as they remain in the bargaining unit.

SECTION 5:

The terms of this Agreement do not preclude any bargaining unit employee from bringing matters of a personal concern to the attention of the appropriate officials of Management and/or the Union.

SECTION 6:

Employees may be granted administrative leave when requested to attend scheduled meetings with Management officials outside the Department, officials of the Executive Branch, the D.C. City Council, or other appropriate authorities.

The employee receiving such a request is responsible for immediately informing the appropriate Management official in advance of the request. The employee is also responsible for informing the official of its source, as well as submitting a written request.

SECTION 7:

Employees elected to Union office which takes them away from their employment with the Department may, at the written request of the employee and the Union at least thirty (30) working days in advance, be granted a leave of absence without pay. The leave of absence shall not exceed one (1) year. Contributions for continued benefits shall be paid by the Union.

SECTION 8:

A labor representative of the appropriate bargaining unit will be given the opportunity to be present at any examination of an employee by a Management official in connection with an investigation (1) if disciplinary action could result, and (2) the employee requests representation.

If a Union representative is not available, the employee will be given a reasonable amount of time to obtain representation.

Employees requested to reply to proposed disciplinary actions will be informed of their right to have present a Union representative or representative of their choosing if the employee so desires.

ARTICLE 7
CLASSIFICATION AND POSITION DESCRIPTION

SECTION 1 - CLASSIFICATION:

An employee may request a review of his/her classification in terms of title, series, grade or description with his/her supervisor. Such a request must be presented orally or in writing to the supervisor. If the review does not settle the matter, the employee may request a review through the D.C. Office of Personnel, using the District Personnel procedures.

Any appeal of a classification action shall be processed exclusively in accordance with the grievance procedure outlined in the District Personnel Manual.

SECTION 2 - POSITION DESCRIPTIONS:

ARTICLE 30
GRIEVANCE PROCEDURE

SECTION 1 - PURPOSE:

A. The purpose of this grievance procedure is to establish an effective procedure for the fair, expeditious and orderly adjustment of grievances. Grievances may be settled informally at any step of the process. Therefore, the parties or their authorized representatives have the authority to settle a grievance at any stage of the grievance procedure.

B. Most grievances arise from misunderstandings or disputes which can be settled promptly and satisfactorily on an informal basis at the immediate supervisory level. The Employer and the Union agree that every effort will be made by Management and the aggrieved party(ies) to settle grievances at the lowest possible level. Inasmuch as dissatisfactions and disagreements arise occasionally among people in any work situation, the filing of a grievance shall not be construed as reflecting unfavorably on an

employee's good standing, his/her performance, or his/her loyalty or desirability to the organization. Reasonable time during working hours will be allowed for employees and the Union representative to discuss, prepare for and present grievances, including attendance at meetings with Employer officials.

C. All time limits may be extended by mutual consent.

SECTION 2 - SCOPE:

A grievance is any alleged violation of this Agreement or applicable provision of the Compensation Agreement, or any misapplication or misinterpretation of Personnel rules, regulations or statutes that affect terms and conditions of employment. It is agreed that EEO complaints shall not be grievable.

SECTION 3 - PRESENTATION OF GRIEVANCES:

A. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level.

B. Grievances not responded to by Management in a timely manner may be advanced to the next level by the Union.

C. Categories of Grievances:

1. **PERSONAL** - A grievance of a personal nature requires the consent of the aggrieved employee at Step 2 of this procedure even if the Grievant is represented by his/her Union. In the case of an individual Grievant proceeding without Union representation, the Union must be given an opportunity to be present and offer its views at any meeting held to adjust the grievance.

2. **GROUP** - A grievance involving a number of employees in the unit may be filed at whatever step resolution is possible.

3. **UNION/CLASS** - A grievance involving employees in the bargaining unit may be filed and signed by the Union President or designee directly at Step 3 of the grievance procedure. Grievances so filed will be processed only if the issue raised is common to bargaining unit employees. A class grievance must contain all information specified in Section 4 of the grievance procedure and the Administrator or his/her designee shall respond in writing within twenty-one (21) working days of receipt.

SECTION 4 - PROCEDURAL STEPS/PERSONAL AND GROUP GRIEVANCES:

A. STEP 1:

Grievances (except Adverse Action and Union/Class) shall first be taken up orally or in writing by the concerned employee or Union representative with the appropriate Employer representative in an attempt to settle the matter. Grievances must be presented within twenty (20) work days from the date the employee or Union became aware of the grievance. The Union representative must be present if the employee so desires. However, if an employee(s) presents a grievance directly to the Employer for adjustment consistent with the term of this Agreement, the Union shall have an observer present. The Employer representative shall communicate the decision within ten (10) working days from the presentation of the grievance. The Employer shall present a written response when the grievance is presented in writing and an oral response when the case is presented orally.

B. STEP 2:

If the matter is not satisfactorily settled at Step 1 of the presentation of grievance, the employee(s) or the Union representative may, within ten (10) working days, submit the matter in writing to the next level Employer representative. The Employer representative will meet with the Union representative and the aggrieved employee(s) within five (5) working days after receipt of the grievance. The Employer representative shall give the employee(s) and the Union her/his written response within five (5) working days after the meeting.

The grievance at this and at every further step shall contain:

1. A statement of the specific provision(s) of the Agreement alleged to be violated.
2. The date(s) on which the alleged violation occurred.
3. A brief description of how the alleged violation occurred.
4. The specific remedy or adjustment sought.
5. Authorization by the employee if Union representation is desired.

Should the grievance not contain the required information, the Grievant or Union representative shall be so notified and given fifteen (15) working days from receipt of notification to resubmit the grievance. Failure to resubmit the grievance within the fifteen (15) day period shall void the grievance.

C. STEP 3:

If the grievance is not settled at Step 2, the employee(s) or the Union may within ten (10) working days forward the grievance to the Department Head for further consideration. The Department Head will review the grievance, consult with the employee(s) and the Union, and give the employee(s) and the Union his/her written answer within ten (10) working days after receipt of the grievance.

D. STEP 4:

If the grievance is not satisfactorily settled at Step 3, the Union may refer the matter to arbitration.

SECTION 5 - ADVERSE ACTION GRIEVANCES:

A. STEP 1:

A grievance which involves an adverse action, a removal or reduction in grade based on unacceptable performance shall be presented in writing by the concerned employee and the Union representative with the Agency Head within forty-five (45) calendar days of the final notice of action. The Employer will have fifteen (15) working days in which to answer the complaint in writing.

B. STEP 2:

If the matter is not satisfactorily settled at Step 4, the Union can invoke arbitration within twenty (20) working days of receipt of the Employer's decision at the Step 4 level.

The Union may, prior to the implementation of the penalty, request that the deciding official consider delay of the implementation of the decision pending the outcome of the arbitration. The Union and Management agree that such arbitrations will be scheduled and heard within 30 days after the Agency Head's decision to delay implementation. A withdrawal of the arbitration or delay in scheduling of such arbitration by the Union will result in the immediate implementation of the penalty. If the Agency Head denies the request to consider the delay of the implementation of the penalty, then Steps 1 and 2 of this Section shall apply.

SECTION 6 - UNION/CLASS GRIEVANCES:

STEP 1: The Employer and the Local President or his/her designee will meet within five (5) working days after receipt of the grievance to discuss the grievance.

STEP 2: The Department Head shall give the Local President his/her written response within ten (10) working days after the meeting. If the grievance is not settled by this method, the Union may refer the matter to arbitration. Nothing herein will preclude

either party from attempting to settle such grievances informally at the appropriate level.

SECTION 7 - ARBITRATION:

A. SELECTION OF AN ARBITRATOR: The parties agree that a panel of arbitrators will be selected by the parties within thirty (30) working days of the signing of this Agreement to hear arbitrations. The panel will consist of seven (7) arbitrators who will be selected alternately to hear cases.

B. A committee of Union representatives and Management officials that are party to this agreement will meet quarterly to review the status of grievances, the selection of arbitrators and other issues related to this grievance procedure.

C. When mutually agreed by both parties, the following expedited arbitration procedures shall be used:

1. The arbitration will be held within thirty (30) working days of the request to arbitrate.

2. There shall be no stenographic record of the proceedings.

3. The hearing shall be conducted by the Arbitrator in whatever manner that will most expeditiously permit full presentation of the evidence and arguments of the parties. The Arbitrator shall make appropriate minutes of the proceedings. Normally, the hearing shall be completed within one (1) day. In unusual circumstances and for good cause shown, the Arbitrator may schedule an additional hearing to be held within seven (7) days.

4. There shall be no posthearing briefs.

5. Time of Award - The award shall be rendered promptly by the Arbitrator and unless otherwise agreed by the parties, no later than seven (7) days from the date of the closing of the hearing.

6. Form of Award - The award shall be in writing and shall be signed by the Arbitrator. If the Arbitrator determines that an opinion is necessary, it shall be in summary form.

D. The parties agree that arbitrations not heard under the expedited arbitration procedure will be scheduled and heard within ninety (90) days unless the parties mutually agree to extend the time limits.

SECTION 8 - GENERAL:

1. Witnesses shall be sequestered upon request of either party.
2. If either party desires a verbatim record of the proceedings, it may order such record. The party desiring the record shall make the record available to the other party and pay full costs of the transcript. Upon mutual agreement, the expenses may be shared.
3. The parties shall request that the arbitration award be in writing and set forth the Arbitrator's findings, reasoning and conclusions, within thirty (30) days after the conclusion of the hearing. Time limits may be extended by mutual agreement except in the case of expedited arbitrations.
4. The Arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement through the award.
5. The Arbitrator's award shall be binding upon both parties. Nothing in this Section prevents either party from appealing an award pursuant to the negotiated grievance procedure, in accordance with D.C. Code §1-605.2. Either party may submit the award for reconsideration by filing an Arbitration Review Request with the Public Employee Relations Board (PERB) within the time prescribed by law and regulation. Whenever an Arbitrator's decision is appealed, the decision shall remain in effect pending the outcome of the appeal process.
6. A statement of the Arbitrator's fee and expenses shall accompany the award. The fee and expense of the Arbitrator shall be born by the losing party. In cases where it is unclear whether or not a party has lost the case, the Arbitrator will make the determination.
7. Any dispute over the application of an Arbitrator's award, the Arbitrator shall retain jurisdiction.

SECTION 9 - APPEAL AND GRIEVANCE OPTIONS:

An aggrieved employee affected by a removal or reduction in grade based on unacceptable performance, or adverse action may at his/her option raise the matter under a statutory appellate procedure or the negotiated grievance procedure, but not both.

For the purpose of this Section and employee shall be deemed to have exercised his/her option under this Section when the employee files a notice of appeal under the appellate procedure or files a grievance in writing under the negotiated grievance procedure.

SECTION 10 - QUESTIONS OR GRIEVABILITY:-

In the event either party should assert a grievance non-grievable or non-arbitrable, the original grievance shall be considered amended to include this issue. Any dispute of grievability or arbitrability shall be referred to arbitration as a threshold issue(s).

ARTICLE 31

Section 2 – Subcommittees:

The parties may mutually agree to establish subcommittees of the LMCs to study problems and conditions.

Nothing herein shall be construed to limit the Union's right to request impact and effects bargaining over any proposed organizational changes.

Section 5 - Labor-Management Meetings:

- A. In mutual recognition of the parties' joint desire to discuss and resolve matters of concern at the lowest possible level, the Union steward and first-level supervisor, should meet periodically for the purpose of meaningful consultation and communication on the problems and policies of the organization in their working unit, and if appropriate, the steward may meet with supervisors of a higher level. Such meetings between supervisors and stewards shall be on duty time, shall be brief, and shall cover matters of concern between them and appropriate to their relationship.

**ARTICLE 3
ADMINISTRATION OF LEAVE**

Except as otherwise provided in this Agreement or the corresponding Compensation Agreement, the parties shall adhere to all applicable law and District government rules and regulations in the administration of leave. Annual leave must be requested reasonably in advance except in an emergency (unanticipated event). Employer's decision to grant or deny annual leave shall be made within 72 hours of the request, excluding Saturdays, Sundays, holidays, and any other day that the District government is closed and will be based solely on mission (including coverage) requirements. Except in emergency situations, the Employer shall not consider the reason for the annual leave request in making the leave determination. If requested by the employee, the supervisor shall discuss the reason for the denial of any request, and discuss when the employee will be able to take the requested leave. Requests for annual leave shall be approved when possible.

**ARTICLE 4
ALTERNATIVE WORK SCHEDULES**

Section 1 – Definitions:

A. Except as provided in this Article, the professional workday for full-time employees shall consist of eight (8) hours of work within a 24-hour period. The normal hours of work shall be consecutive except that they may be interrupted by a lunch period.

B. Professional Workweek:

Attorneys work a professional work week on a salaried basis consisting of a minimum of forty (40) hours. The normal workweek for full-time attorneys shall consist of five (5) consecutive days, at least eight (8) hours of work, Monday through Friday. Management may vary the workweek of attorneys in order to meet work load requirements or emergency situations and must provide the employees with at least a two (2) day advance notice, if possible. Attorneys are exempt from the overtime restrictions under the Fair Labor Standards Act. However, in the event an employee is asked to work more than 8 hours per day or 40 hours per week, management will attempt to give as much notice as possible and reasonably consider any request for compensatory time covered elsewhere in this agreement.

Section 2 Fair Labor Standards Act:

Attorneys are excluded from the overtime provisions of the Fair Labor Standards Act (FLSA) and no overtime pay or compensatory time is authorized for work performed unless authorized elsewhere in this Agreement.

Section 3 Flexible/Alternative Work Schedules:

Employer shall maintain, to the extent already in effect, or establish at least the following three Alternative Work Schedules (AWS) for covered employees: (1) a Flexible Work Schedule, (2) a Compressed Work Schedule, and (3) a Flexiplace/Telecommuting Schedule, including Ad Hoc Telecommuting. AWS may be combined, except that a Compressed Work Schedule may only be combined with Ad Hoc Telecommuting. The existing AWS policies of all agencies are hereby incorporated by reference into this Agreement provided that they include the three AWS described in this Section. In the event that any agency does not currently have an AWS policy that includes the three AWS described in this Section, the OAG Office Order # 2015-03 shall apply until such time as the agency establishes its policy. The normal work hours shall be adjusted, consistent with a supervisor's discretion set forth in the applicable Office Order or other governing policy, rule, regulation or law to allow for AWS schedules, with appropriate adjustments in affected leave. In deciding whether to grant an employee's request to use an alternative work schedule, the employee's supervisor shall consider, but is not limited to the following factors:

- A. The demands of the requesting individual's work;
- B. The need to maintain adequate staffing to handle unanticipated matters or cover

matters that are handled by the Office, Unit, Section, or Division, even if that assignment is not assigned to the requesting employee;

- (1) The needs of the work unit, including the need to ensure sufficient staffing levels during core hours and availability of office staff or government officials;
- (2) Whether granting an AWS request results in the denial of annual or sick leave to other members of the Office, Unit, Section, or Division;
- (3) The past performance of the requesting individual;
- (4) Equitable sharing of Office functions;
 - a. Whether work assignments can be performed effectively and efficiently by an employee on the type of AWS being requested;
 - b. Whether the requested AWS places an undue burden on others covered by this Office Order within a particular Unit, Section, or Division; and
 - c. Any other factor that may affect the quality or quantity of work accomplished by the Office, Unit, Section or Division.

Such schedules maybe appropriate where:

1. It is cost effective;
2. It increases employee morale and productivity; or
3. It better serves the needs of the public.

The Union shall be given advance notice when flexible/alternative work schedules are proposed and shall be given the opportunity to consult. A flexible/alternative work schedule shall not affect the existing leave system. Leave will continue to be earned at the same number of hours per pay period as for employees on five (5) day, forty (40) hour schedules and will be charged on an hour-by-hour basis.

Section 4 Flexiplace/Telecommuting:

Supervisors may permit employees to use flexiplace/telecommuting plans. Employees participating in flexiplace/telecommuting plans must be accessible and available during their entire tour of duty and for recall to physically appear in the office. Employees should make every effort to report as soon as possible, generally within 2 hours. Employees are solely responsible for completing assigned work after appropriate management review and shall comply with management's requirements with regard to advance review of drafts prior to a final deadline.

Section 5 Supervisor's Authority:

An attorney's request for AWS shall not be unreasonably denied. An immediate supervisor must provide written justification for the denial of an AWS request. An attorney may seek review of the denial of an alternative work schedule to the manager of his/her immediate supervisor. OAG employees may appeal a manager's denial of his/her AWS request to the Attorney General. Agency employees may appeal a manager's denial of his/her AWS request to the Director of the MOLC. A supervisor may require AWS participants to provide additional information about conformance with their approved tours, such as the use of sign-in sheets, or other time accountability systems or methods.

Section 6 Impact and Effect Bargaining:

The Attorney General shall not change its existing AWS Office Order # 2015-03 without advance notice to the union and an opportunity to engage in impact and effects bargaining. Agencies shall not implement an alternate work schedule policy without advance notice to the union, an opportunity to engage in impact and effects bargaining and an opportunity to make substantive suggestions to any AWS policy before the policy's effective date.

**ARTICLE 5
EMPLOYEE ASSISTANCE PROGRAM**

Section 1 – General:

The parties recognize that alcoholism, drug abuse, and emotional and mental illness are health problems that may affect job performance. To this end, the Employer will, at least annually, make employees aware of the District's Employee Assistance Program (DPM Chapter 20B, Section 2050, EAP) and available services provided under it. The provisions of the DPM govern except as provided below.

Section 2 - Use of Sick Leave:

Employees undergoing a prescribed program of treatment for alcoholism, drug abuse, emotional illness, or mental illness will be allowed to use available sick leave for this purpose on the same basis as any other illness with appropriate documentation of attendance.

**ARTICLE 6
UNION STEWARDS/OFFICAL TIME**

Section 1 - Number of Stewards:

A. The Union may designate, other than the Chief Steward, no more than five (5) stewards, or one (1) steward for every fifty (50) bargaining unit employees, whichever is greater.

B. The Union will endeavor, whenever possible, to limit the number of Union Representatives working in the same division, to a number that will not cause a significant work disruption in that work unit.

Section 2 - Designation of Representatives:

A. Union Officers, Stewards and Other Representatives

1. Union Officers and Stewards: The Union agrees to provide the Employer and the Office of Labor Relations and Collective Bargaining (OLRCB) with a written list of its officers and stewards within two (2) workdays after the date this Agreement is executed and within five (5) working days after each general election.
2. Other Representatives: The Union will also notify the Employer and OLRCB, in writing, of other Union representatives who may request official time, along with a description of their individual Union assignments.

B. Changes in the list will be submitted to the Employer's designated official(s) at least two (2) workdays prior to the assumption of representational responsibilities by any new officers, stewards or other representatives. If a Union official is not on the list of designated representatives and is needed prior to the two (2) days notice, the Union President shall notify the Employer's designated official(s) by phone and/or e-mail before the official will be recognized. The Employer shall recognize any Union official designated pursuant to this section.

C. The Employer will not recognize any Union official or representative who is not listed as required or for whom notification was not provided in accordance with this section.

D. Except where explicitly provided, this Agreement shall not be interpreted in any manner that interferes with the Union's right to designate representatives of its own choosing on any particular representational matter.

E. The Union will be notified prior to any change in tours of duty of duly appointed Stewards. The Union shall also be notified prior to the organization of tours of duty that would affect the members of the unit.

F. Employer recognizes that the Union may designate employee members, selected or appointed to a Union office or delegated to a Union function and agrees that, upon request, the employee may be granted annual leave or leave without pay for the period of time required to be away from his/her job. Such requests will be submitted as far in advance as possible, but not less than one (1) working day prior to the day the leave is to begin in the event the leave request is eight (8) hours or less, or five (5) working days in advance, in the event the leave request exceeds eight (8) hours. The Union shall be notified of a disapproval of leave in writing together with the Employer's justification. Leave contemplated under this article shall not be denied except for good cause.

Section 3 - Performance Appraisals:

A. No Union representative will be disadvantaged in the assessment of his/her performance based on his/her participation in Union activities and/or use of official time to conduct labor-management business authorized by this Agreement. However, performance problems unrelated to participation in Union activities and/or the use of official time may be addressed in accordance with other relevant provisions of this Agreement.

B. At the beginning of the rating year or when the Union representative is initially appointed, workload and performance expectations will be established that consider the actual use of official time and the impact on performance of the duties of the employee's position. Additionally, the designated supervisor and the Union representative will meet at least quarterly to discuss needed adjustments to workload and representational needs.

Section 4 - Official Time for Representational Activity:

A. B. For the purpose of this Article, "representational functions" means those authorized activities undertaken by employees on behalf of other employees or the Union pursuant to representational rights under the terms of this Agreement and District of Columbia law. Examples of activities for which reasonable amounts of official time will be authorized include:

B. Official time for Union representatives should be requested on the approved "Official Time Report" form. The Union representative will request authorization for official time from his or her supervisor in advance and as is consistent with workload requirements except when circumstances do not allow for advance approval (e.g., unscheduled meetings called by management where the Union's attendance is requested; or representation of employees in investigatory interviews; or circumstances where the employee might be subject to discipline). Failure to properly request and obtain approval of official time may result in disciplinary action depending on the circumstances.

F. Management shall not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Employer agrees that such permission for release shall not be unreasonably delayed or denied. Workload needs will be balanced with official time needs prior to approval based on the following standard: official time requests shall be granted unless they hinder the accomplishment of essential workload requirements that cannot otherwise be accommodated.

G. All affected employees (e.g., grievants, representatives, witnesses, and appellants) whose presence has been determined to be necessary, by either the Union or the Employer, as the case may be, at relevant proceedings (including hearings, meetings, arbitrations, oral replies, or other labor-management business) will receive necessary official/duty time to participate in and travel to and from the proceedings.

B. In cases of alleged abuse of official time by the Union, or alleged improper restriction of official time or discrimination by the Employer, the parties shall endeavor to resolve the matter at the lowest possible level. If efforts to resolve the matter between the first line supervisor and the Union official or representative fail, then the party alleging the abuse or improper restriction shall bring the matter to the attention of the appropriate management and Union representatives. The Employer will use its best efforts to provide a variety of appropriate continuing legal education opportunities, including ongoing access to online training opportunities and legal ethics training opportunities, throughout each year at no cost to employees to enable employees to meet their continuing legal education requirements under the Legal Service Act.

Section 3 - Requests for Continued Training:

The Employer may consider requests for continued training of Employees and may provide time or expense assistance to Employees. Continued training opportunities shall be afforded Employees on a fair and impartial basis to the maximum extent possible. Employees shall be promptly informed of a denial of a training request together with the reason for the denial. The parties agree that the program needs of the Employer are paramount in providing training to Bargaining Unit Employees.

ARTICLE 22 EMPLOYEE RIGHTS

Section 1 – Respect in the Workplace:

It is the intent of the Mayor, the Attorney General, and the Union that all employees both within the bargaining unit and outside shall be treated with fairness and dignity.

Section 2 - Employee Rights:

A. All Union employees have the right, and shall be protected in the free exercise of that right without fear of penalty or reprisal:

- (1) to organize a labor organization free from interference, restraint, or coercion;
- (2) to form, join, or assist any labor organization;
- (3) to bargain collectively through representatives of their own choosing; and
- (4) to refrain from any or all such activities under subsections (1), (2), and (3) of this subsection, except to the extent that such right may be affected by an agreement requiring membership in a labor organization as a condition of employment as authorized in D.C. Official Code § 1-617.11 (2012 Supp.) ("Employee Rights").

B. Employee Rights shall extend to participation in the management of the Union and acting for it in the capacity of a Union representative, including representation of its views to the officials of the Mayor, the Attorney General, D.C. Council and Congress.

Section 3 - Employee Grievances:

An individual employee may present a grievance at any time to the Employer without the intervention of the Union; provided, however, that the Union is afforded at least forty-eight (48) hours advance notice by the Employer to be present and to offer its view when requested by an employee at any meeting held to resolve the grievance. Any employee or group of employees who present a personal grievance to the Employer may not do so under the name, or by representation, of the Union. Resolutions of grievance must be consistent with the terms of this Agreement.

Section 4 - Conflicts of Interest:

This Agreement does not authorize participation in the management of or acting as a representative of a labor organization by any employee if the participation or activity would result in a conflict of interest, a breach of legal ethics, or otherwise be incompatible with applicable law or with the official duties of the employee.

Section 5 - Campaigns or Drives - Solicitation of Employees in the Bargaining Unit:

A. Definition: For the purpose of this Article, solicitation of employees in the bargaining unit means OAG or District government approved solicitations which have been announced in generally published OAG or D.C. government directives.

B. Participation: Contributions from employees in the bargaining unit and participation by employees in the unit to solicit contributions shall be voluntary. There shall be no discrimination against

any employee in the unit for non-participation or for any level of contributions. An employee in the bargaining unit may be requested to volunteer or solicit for contributions. Absent a volunteer, management will request the Union to assist in providing the needed volunteer. Consistent with District government ethics rules, regulations and law, no management or supervisory employee shall participate in any direct solicitation of employees in the bargaining unit who are under his/her supervision except for occasional office functions.

ARTICLE 23 SABBATICAL/EXTENDED LEAVE

It is management policy to allow attorneys to apply for an extended time away from work for community service, education, travel or other outside interests in a non-pay status. To be eligible for a sabbatical, an attorney must have both: 1) been employed within the District legal service for seven years, and 2) received a performance evaluation of at least Successful, or an equivalent rating, in every category for the rating period which immediately precedes the application for sabbatical/extended leave. An attorney who receives a Needs Improvement or a Fails Expectation, or an equivalent rating, in any category is ineligible. At any time after completion of the attorney's seventh anniversary with the District legal service and each successive seven years after return from a sabbatical, the attorney may request up to one (1) year of leave as sabbatical. Attorneys who elect to take a sabbatical will return to a comparable position with the OAG or the District agency in which they worked prior to the sabbatical.

Section 1 – Process:

Application for sabbatical should be submitted to the attorney's immediate supervisor no later than 120 days before the proposed leave is to commence. The immediate supervisor shall review each application and send a recommendation to approve or disapprove the request to the Attorney General or agency director within 30 days of the submission of the request.

Section 2 – Supervisor's Authority:

Sabbaticals may be taken for any purpose. However, the reason for the request may be taken into consideration by the employee's supervisor in determining whether to approve the request. Final decision on request for sabbatical is in the sole discretion of the Mayor or Attorney General, as applicable, who, in his/her discretion, may set limits on the number of attorneys who shall be approved for a sabbatical in any one year. If an employee asks for the reason for the denial, a supervisor must provide a written justification for the denial. The denial of an application for sabbatical/extended leave is not grievable.

Section 3 – Potential Loss of Benefits and Insurance Premiums:

Attorneys understand that an extended leave of absence in a non-pay status may impact his or her retirement and other benefits with the District of Columbia. Attorneys also understand that they are required to pay their portion of any insurance premiums while in a non-pay status. Attorneys shall inform themselves of the District of Columbia rules and regulations applicable to

an extended leave of absence in a non -pay status before submitting the request for sabbatical. Under no circumstances is the management required to allow attorneys to use leave intermittently to avoid the loss of benefits while the attorney is on sabbatical.

ARTICLE 24 REASSIGNMENTS, PROMOTIONS, DETAILS

Section 1 – Promotions:

The criteria and selection process for line attorney promotions are contained in OAG Office Order number 2007-36, entitled Promotion Policy for Legal Service Attorneys in the Office of the Attorney General. Notwithstanding any other provision in this Agreement or in promotion policies and office orders, an attorney who is rated qualified for a promotion and assigned a promotion ranking number but not promoted in the rating period for which he or she is first qualified shall be promoted in rank order before attorneys who are later qualified for promotion, unless the Employer can demonstrate that a substantial reason exists for deviating from this provision.

Section 3 - The Promotions Ranking Committee:

A. The Promotions Ranking Committee (PRC) shall be comprised of Employer representatives (i) from each division in OAG or (ii) selected by the Mayor's Office of Legal Counsel for each subordinate agency. The PRC will rank all promotion candidates office-wide in accordance with procedures outlined in the Office Order establishing the PRC. The PRC shall be governed by the specific provisions set forth in applicable District of Columbia laws and regulations.

B. Management will provide a copy of the current list and it shall provide an updated copy as changes are made.

Section 4 – Grievance on Failure to Comply with Process:

Attorneys may not grieve a failure to obtain a promotion or failure to appear on a list of candidates recommended for promotion. The decision on whether to grant a promotion is within the sole and unreviewable discretion of the Attorney General or agency head, as applicable. However, attorneys may grieve management's alleged failure to comply with the process outlined in Office Order number 2007-36, later orders or section 2 above.

Section 5 – Filling Vacancies:

A. Whenever an attorney vacancy exists within OAG or at a subordinate agency, other than a temporary opening, in any existing job classification or as the result of the development or establishment of a new job classification, Employer shall provide a copy to the Union which shall post such vacancy notice on all Union bulletin boards. The Employer shall also post the announcement electronically through the use of agency-wide e-mail no later than ten (10) working days prior to the closing date. The Employer may also reject all candidates on the list and may request a new list.

Section 7 - Additional Duties:

Issues involving changed or additional duties assigned to an employee, within his/her present position, shall be considered in accordance with District government position classification guidelines set forth in the District Personnel Manual and any other applicable District of Columbia law.

ARTICLE 25

Section 5 - Audits:

In the event employee requests an audit of pay and benefit records because of errors made in their computation, Employer shall complete such audit and transmit the results to the requesting employee within ten (10) business days or shall provide the employee a reason why additional time is required and shall give a projected date of completion.

**ARTICLE 26
GENERAL PROVISIONS**

Section 1 - Work Rules:

Employees will be advised of verbal and written work rules that they are required to follow. The Employer agrees that proposed new written work rules and the revision of existing written work rules shall be subject to notice and consultation with the Union.

Section 2 – Identification Device:

The Employer agrees that the employee has a right to participate and identify with the Union as his/her representative in collective bargaining matters. Therefore, the Employer agrees that such identification devices as emblems, buttons and pins supplied by the Union to the employees within the bargaining unit may be worn on their clothing except when appearing in court or before any administrative tribunal or other government agency on behalf of the Employer.

Section 3 - Distribution of Agreement:

Section 4 – Office Space:

Employer determines space, division and section allocation, as well as what offices are available for bargaining unit employees. Employer will afford the Union the advance opportunity to consult over the design of new office space at each step of the design process. The parties acknowledge that this does not interfere with management's final authority to determine the final design.

**ARTICLE 27
COMPUTATION OF TIME**

All time frames referenced in this Agreement shall be interpreted as business days, unless otherwise specified.

**ARTICLE 28
GRIEVANCE AND ARBITRATION PROCEDURES**

Section 1 – Definitions:

A grievance under this section is an allegation that the other party has violated a provision of this Agreement. RIFs, furloughs, disciplinary actions and performance rating appeals are excluded from the definition of grievance under this section and such disciplinary actions and ratings are not subject to challenge, review or arbitration under the grievance and arbitration procedures of this section. The grievability of disciplinary actions and performance evaluations is governed by other parts of this Agreement and the Compensation Agreement.

Section 2 – Performance Ratings:

Any performance rating may be appealed within thirty (30) calendar days of receipt by the employee to a three-person committee established by the Attorney General or the Mayor's Office of Legal Counsel. The committee shall be empowered to review the basis for a direct

supervisor's rating, conduct a hearing, receive written briefs, and issue a written decision which shall approve, modify, or reject a performance rating. Any decision by the Committee shall be appealable to the Attorney General or agency head, as applicable, within thirty (30) calendar days of receipt of the decision by the employee. The Attorney General's decision or agency head's decision, as applicable, shall be final and no further appeal shall be allowed under this Agreement. If the committee does not act within thirty (30) calendar days of the appeal, the evaluation may be appealed to the Attorney General or the agency head, as applicable who shall issue a decision within fifteen (15) calendar days thereafter. If the Attorney General or agency head, as applicable, does not act within fifteen (15) calendar days, unsatisfactory evaluations may be appealed under the provisions of this Article within fifteen (15) calendar days. The Attorney General and the Mayor's Office of Legal Counsel shall establish procedures for appeals under this Article to the committee and to the Attorney General and agency head, respectively.

Section 3 – General Provisions:

Any grievance that may arise between the parties involving an alleged violation of this Agreement shall be settled as described in this Article unless otherwise agreed to in writing by the Union President and the Attorney General or agency head, as applicable, or his/her designee.

Section 4 – Information Requests:

Both parties shall provide all information determined to be reasonable and needed by the other party for processing of a grievance after a request by the other party within a reasonable amount of time.

Section 5 – Procedure:

A. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Grievances must be filed at the lowest level where resolution is possible. Therefore, all grievances shall ordinarily be presented to the immediate supervisor unless it is clear that the immediate supervisor does not have authority to deal with the grievance and that it should be filed elsewhere. The Union may request a face-to-face meeting with the appropriate management representative who is delegated authority to deal with the grievance at each step. The parties agree to endeavor to engage in productive meetings to resolve a grievance.

B. Nothing in this Agreement shall be construed as precluding discussion between an employee, the Union and the appropriate supervisor over a matter of interest or concern to any of them prior to the initiation of a grievance. Once a matter has been made the subject of a grievance under this procedure, nothing herein shall preclude any party (the Union, the Employer or the Employee) from attempting to resolve the grievance informally at the appropriate level.

Step 1: The employee and/or the Union shall take up the grievance, in writing, with the employee's immediate supervisor within fifteen (15) business days from the date of the occurrence or when the employee or the Union knew or should have known of the occurrence. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the name of the grievant or grievants, the contract provisions allegedly

violated, the basic facts, issues, or concerns giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The supervisor shall address the matter and shall respond, in writing, to the Steward and/or the employee within fifteen (15) business days after the receipt of the grievance.

Step 2: If the grievance has not been settled, or the supervisor has failed to respond, it may be presented in writing by the Union to the second level supervisor within ten (10) business days after the Step 1 response is due or received, whichever is sooner. The second level supervisor shall respond to the Union in writing within ten (10) business days after receipt of the written grievance.

Step 3: If the grievance is still unresolved, or the supervisor has failed to respond, it may be presented in writing by the Union to the Attorney General or agency head, as applicable, or his/her designee, within twenty (20) working days after the Step 2 response is due or received, whichever is sooner. The Attorney General or agency head, as applicable, or his/her designee, shall respond in writing to the Union within twenty (20) business days after receipt of the written grievance.

Step 4: If the grievance is still unresolved, or the Attorney General, or agency head, as applicable, or his/her designee has failed to respond, the Union may by written notice request arbitration within twenty (20) business days after the reply at Step 3 is due or received whichever is sooner.

A grievance filed by the Union on a matter involving more than one division within OAG, may be filed with the Attorney General or his/her designee at Step 3. The grievance must be filed within fifteen (15) business days from the date of the occurrence giving rise to the grievance or when the Union knew or should have known of the occurrence.

When mutually agreed by the parties, grievances on the same matter on behalf of two (2) or more employees may be processed as a single grievance for the purpose of resolving all the grievances.

A grievance filed by the Union which does not seek personal relief for a particular employee or a group of employees, but rather expresses the Union's disagreement with management's interpretation or application of the Agreement and which seeks an institutional remedy shall be filed at Step 3 within fifteen (15) business days from the date of the occurrence or when the Union knew or should have known of the occurrence to the extent reasonably possible.

A grievance filed by the Employer should be filed directly with the Union President within fifteen (15) business days from the date of the occurrence or when the Employer knew or should have known of the occurrence giving rise to the grievance. The Union President shall have fifteen (15) business days to respond. If the Employer's grievance is still unresolved, or the Union President or his/her designee has failed to respond, the Employer may by written notice request arbitration within twenty (20) business days after the Union's reply is due or received whichever is sooner.

A grievance concerning a continuing violation of this Agreement may be filed at any time during the existence of the alleged violation of this Agreement.

Section 6 - Selection of the Arbitrator:

The arbitration proceeding shall be conducted by an arbitrator selected by the Employer and the Union. The Federal Mediation and Conciliation Service (FMCS) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) calendar days after receipt of the list by both parties. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the FMCS guidelines unless modified by this Agreement.

Section 7 – Authority of the Arbitrator:

The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined exclusively to the interpretation or application of the express provisions of this Agreement at issue between the Union and the Employer consistent with applicable law and regulation. He/she shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; or to impose on either party a limitation or obligation not explicitly provided for in this Agreement. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Employer, subject to either party's appeal rights to the Public Employee Relations Board and the Superior Court of the District of Columbia.

Section 8 - Decision of the Arbitrator:

The arbitrator shall be requested to render his/her decision in writing within thirty (30) calendar days after the conclusion of the arbitration hearing.

Section 9 - Expenses of the Arbitrator:

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

Section 10 - Time Off For Grievance Hearings:

The employee, Union Steward and/or Union representative shall, upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 4 of Article 6 on Union Stewards.

Section 11 – Time Limits:

All time limits following the initiation of any grievance set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if the request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and/or 2 of the procedure described in this Article.

Section 12 – Termination of Grievance:

A grievance shall terminate when either party terminates its own grievance, when both parties consent or for failure to meet contractual time limits. The termination of a grievance shall not prejudice either party from reinstating a grievance at a later date.

Section 13 – Exclusions:

Matters not within the jurisdiction of the Employer will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement or the Compensation Agreement.

**ARTICLE 29
DISCIPLINE AND DISCHARGE**

Section 1 -- Disciplinary Actions:

A. Assistant Attorneys General ("AAG") in the bargaining unit are appointed to serve the District of Columbia consistent with the provisions of the Legal Service Act. An AAG may be subject to disciplinary action, including reprimand, suspension (with or without pay), reduction in grade or step, or removal for unacceptable performance or for any reason that is not arbitrary or capricious. Disciplinary actions shall be processed in accordance with Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Employer shall provide the Employee with ten (10) calendar days advance notice, consistent with the notice provisions of Chapter 36 of the D.C. Personnel Regulations, of any proposed discipline, with the exception of summary removal. The proposed notice of discipline will also be sent to the Union.

B. Notwithstanding Section 1A herein, the Attorney General or an agency head, may summarily suspend or remove a bargaining unit member, in accordance with Sections 1616 and 1617 of the DPM, when the employee's conduct:

1. Threatens the integrity of government operations;
2. Constitutes an immediate hazard to the agency, to other District employees, or to the employee; or

3. Is detrimental to public health, safety, or welfare.

C. Upon request, an employee subject to any disciplinary action shall be allowed access to his or her office, at a mutually agreeable time, to retrieve personal items.

D. If there is no appeal pursuant to the provisions herein, the Attorney General's decision or agency head's decision, as applicable, shall be the final agency decision.

Section 2 -- Appeal Procedures:

After the Attorney General or agency head issues an administrative decision in accordance with §3614, Chapter 36 of the D.C. Personnel Regulations, the Union, on behalf of the Employee, may appeal the Attorney General's or agency head's suspensions of ten days or more, including demotions and terminations, within ten (10) business days of the Attorney General's or agency head's decision. This time limit may be extended by mutual consent of the parties, but if not so extended, must be strictly observed. An appeal to the nonbinding arbitrator shall stay the time limits for invoking a review by the Mayor under Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Attorney General's or the agency head's decision in connection with a suspension of less than ten days or any other corrective action is final and not subject to appeal.

Section 3 -- Stay of Disciplinary Action:

The filing of an appeal shall not serve to stay or delay the effective date of the Attorney General's or agency head's final administrative decision.

Section 4 -- Standard of Review and Authority of the Arbitrator:

A. The arbitrator's jurisdiction and authority and opinion shall be confined exclusively to suspensions of ten days or more, and shall be an advisory, nonbinding decision concerning whether the Employer's decision to discipline is: (1) a result of the Employee's unacceptable performance, (2) for any reason that is not arbitrary or capricious in accordance with § 106.56(a) of the Legal Service Act, or (3) both.

B. The arbitrator does not have authority to modify, amend, or rescind any disciplinary action or to impose any back-pay or other financial obligation on the Employer resulting from the disciplinary action.

Section 5 -- Time Limits:

All time limits set forth, in this Article must be strictly observed. If the Union fails to pursue any step within the time limit then it shall have no further right to continue the appeal.

Section 6 -- Extension of Time Limits:

All time limits set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time

period provided for in any step, the next step may be invoked. However, if a party fails to pursue any step within the time limit, then he/she shall have no further right to continue the grievance. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if such request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and or 2 of the procedure described in this Article.

Section 7 -- Substitution of Binding Arbitration Procedures:

In the event that the Council of the District of Columbia legislatively establishes a binding arbitration process concerning discipline and discharge for any unit employees in the Legal Service, the parties agree to reopen negotiations solely to rescind this Article to the extent of any conflict and incorporate the binding arbitration process into this Agreement to the maximum extent possible.

**ARTICLE 30
SAVINGS CLAUSE**

SECTION 1:

In the event any article, section or portion of this Agreement is held to be invalid and unenforceable by any court or other authority of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the decision; and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated article, section or portion thereof to the extent possible.

SECTION 2:

The terms of this Agreement supersede any subsequently enacted D.C. laws, District Personnel Manual (DPM) regulations, or departmental rules concerning non-compensation covered herein for the term of this agreement.

**ARTICLE 31
INCORPORATION OF COMPENSATION AGREEMENT TERMS**

The terms and conditions of the Compensation Agreement between the District of Columbia and the American Federation of Government Employees, Local 1403, AFL-CIO, effective October 1, 2017, through September 30, 2020 (Compensation Agreement), are incorporated by reference into this Agreement. The provisions of the Compensation Agreement shall control to the extent of any inconsistency.

RemedyForce Ticketing System and Inventory Management

DPR deskside and call center IT support has implemented OCTO's ticketing system for meeting specific KPI's and SLA's for computer, phone, email, and server support documentation. Remedyforce also documents asset management of district-issued equipment to include phones, computers, and tablets.

For all staff members, should they have an IT issue or question, they are advised to contact the OCTOhelps Call Center where a ticket can be submitted for resolution of phone support, dispatch for onsite Technician help, or triage to OCTO group for further assistance. The Remedyforce System displays transparent dashboard that is customized towards Parks and Recreation problem tickets, problematic Recreation sites, and data used to help streamline IT processes to reduce price and time for DPR staff. This system is used to create surveys for DPR customers. Also used to gather and analyze response data.

FY2018 Performance Accountability Report

The Performance Accountability Report (PAR) measures each agency's performance for the fiscal year against the agency's performance plan and includes major accomplishments, updates on initiatives, and key performance indicators (KPIs).

Mission

The mission of the Department of Parks and Recreation (DPR) is to enhance the quality of life and wellness of District of Columbia residents and visitors by providing equal access to affordable and quality recreational services, and by organizing meaningful programs, activities and events.

Summary of Services

DPR provides a wide range of recreational activities to individuals and groups of all ages throughout the District of Columbia, including aquatics, athletics, fitness, urban camps, therapeutic recreation, environmental education and food and nutrition programs. To offer such diversified activities and services, DPR promotes recreation and leisure at over 931 acres of parkland, 73 recreation and community centers, 34 aquatic facilities, and several additional recreational facilities including playgrounds, athletic fields and play courts.

FY18 Top Accomplishments

What is the accomplishment that your agency wants to highlight?	How did this accomplishment impact residents of DC?	How did this accomplishment impact your agency?
<p>CAPRA Re-Accreditation In FY18, DPR is went through its reaccreditation with the Commission for Accreditation of Park and Recreation Agencies (CAPRA). CAPRA standards for national accreditation provide an authoritative assessment tool for park and recreation agencies, while providing assurance to the public that the agency meets national standards of best practice. CAPRA accreditation is a five-year cycle that includes three phases: development of the agency self-assessment report, the on-site visitation, and the Commission's review and decision. Out of 151 standards, DPR met all 37 mandatory standards and 96% of the non-mandatory standards.</p>	<p>By being CAPRA Accredited, DPR is able to show residents that they are receiving high quality and well-administered recreational programs and services with approved professional practices.</p>	<p>By going through the CAPRA Accreditation process, DPR has increased its efficiency, enhanced staff morale, and promoted an environment for regular review of operations, policies and procedures, and continual improvement.</p>
<p>Tech Lounges In FY18, DPR piloted a new initiative to create tech lounges at DPR centers across the District. The agency is proud to report that it exceeded its goal by constructing a total of eight (8) lounges. The tech lounges are more comfortable and vibrant than traditional computer labs, with bigger screens, and faster internet speeds; making them destinations for technology, learning and fun as opposed to just a place to check email.</p>	<p>Residents in several communities now have access to a new amenity that connects them to technology. It has become a place for residents to learn more about technology and a safe space for youth to congregate.</p>	<p>The agency has a new amenity to provide residents with recreational tech programming and services.</p>
<p>Mayor Bowser's Ward 8 Initiative In the summer of FY18, DPR offered an enrichment camp at Savoy ES, serving over 200 youth. The agency offered numerous rolling events, such as the DPR fun wagon, rock climbing wall, movie nights, and more throughout the Ward.</p>	<p>Ward 8 residents of all ages were served by DPR's numerous mobile events, and over 200 youth were served in a free 6 week enrichment camp.</p>	<p>With this initiative, DPR gained valuable knowledge about the potential benefits and challenges with offering programming in DCPS facilities. This will serve as a good foundation in FY19 when DPR is planning to expand to other DCPS facilities.</p>

2018 Strategic Initiatives

Title	Description	Complete to Date	Status Update	Explanation
Aquatic Facilities and Programs (3 Strategic initiatives)				
Expand Aquatic Program by Increasing	DPR will assess current water aerobic programs and develop a plan to increase the number of program offerings. To engage and encourage more seniors to participate, DPR will also work and partner with senior and assisted living centers to better utilize aquatic programs and facilities. In FY 18, DPR will pilot three (3) new aquatic aerobic programs.	Complete	In Q4, DPR offered 17 water aerobics programs at 8 outdoor pools.	

Develop a SwimDC Plan to Diversify Swimming Population	To attract and retain minority swimmers, DPR will collaborate with partners and organizations to develop a new action plan, SwimDC, in FY 18. This initiative will provide a platform for representatives to attend community, school, and social events in under-served communities, on a monthly basis, to discuss the importance and benefits of swimming and to encourage registering for DPR aquatic programming.	25-49%	In Quarter 4, DPR began engaging with a Master Swim Team to discuss a potential partnership to expand adult swimming in Ward 7 and 8. Through this potential partnership, DPR is looking to expand swimming opportunities to minority populations across the river.	DPR is still engaging with potential partners.
Increase Lifeguard Training Program Candidates	DPR will offer more lifeguard training and begin a training academy to retain potential candidates. This includes offering additional lifeguard trainings within DCPS high schools to attract a larger, and more qualified, candidate base from which DPR can hire. This increase in lifeguard training programs will help ensure that a successful pool of seasonal lifeguards are available for summer and career hiring within the aquatics division. In FY 18, DPR will offer ten (10) new training academies within select indoor and DCPS locations.	Complete	In FY19, DPR hosted 24 lifeguard training academies, resulting in 205 participants receiving lifeguard certifications. This provided the agency with new candidates for seasonal and career lifeguard positions.	

COMMUNICATIONS (1 Strategic Initiative)

Develop strategic communications plan to increase participation in fitness opportunities, environmental programming, and signature special events	To promote DPR and Mayor Bowser’s FitDC campaign, increase awareness of environmental and conservation programming, and signature special events, DPR will develop a strategically, geo-targeted communications plan in FY 18. Utilizing data collected in recent fiscal years, DPR will develop specific tactics to promote awareness of fitness and environmental programming in areas that are under-utilized and various DPR signature events. Additionally, DPR will increase efforts by developing new on-screen marketing initiatives designed to rejuvenate DPR’s efforts to engage with residents that are currently not being reached by the agency.	Complete	In FY18, DPR implemented an integrated marketing plan for fitness, special events, and environmental programs. Using its new DPR.EVENTS page and social media outlets, DPR increased community engagement. For example, DPR increased special event participation by 48%, connected residents to nature. The Mayor’s FitDC campaign brought focus to the importance of health and fitness to residents.

DIRECTOR’S OFFICE (1 Strategic Initiative)

<p>Complete self-assessment report for national accreditation.</p>	<p>In 2013, DPR received its first national accreditation from the National Recreation and Parks Association. DC became one of 150 jurisdictions in the country to receive this highly recognized and peer reviewed honor. In FY 18, DPR will begin the reaccreditation process by completing a self-assessment report of 151 industry standards for the agency's reaccreditation.</p>	<p>Complete</p>	<p>DPR has completed and submitted its self-assessment report to the Commission of Accreditation of Parks and Recreation Agencies (CAPRA) for re-accreditation.</p>	
<p>Human Resources (1 Strategic Initiative)</p>				
<p>Expanded Training Opportunities</p>	<p>DPR is dedicated in providing learning and development opportunities for staff. Building on the success of FY 17, DPR will be launching a new training academy in FY 18 hosting a minimum of 10 training sessions, which will focus on professional development and safety trainings, such as Incident Reporting and Active Shooter Preparedness, and the creation of a new managers training series.</p>	<p>75-99%</p>	<p>In Q4, DPR has been finalizing the Training Academy pilot and online policy training series. DPR plans to launch both in FY19.</p>	<p>DPR is in the process of finalizing its training academy pilot and final preparations for the online policy training.</p>
<p>INFORMATION TECHNOLOGY (1 Strategic Initiative)</p>				
<p>Installation of new technology lounges</p>	<p>DPR is dedicated in providing modern and engaging environments for educational and leisure tech activities. Many facilities have small computer labs that are not designed with ergonomic places to work and study. Having such lounges would create comfortable work and education spaces that community residents could use. In FY 18, DPR will install two (2) new tech lounges that features relaxed and ergonomic furniture and creative workspaces that accommodate a variety of tech appliances including stationary computers, laptops, and tablets.</p>	<p>Complete</p>	<p>In Quarter 1, DPR has exceeded the initiative goal by renovating three (3) new tech lounges across the District. DPR plans to build on this success and renovate up to five (5) additional tech lounges.</p>	
<p>Parks Policy and Programs (2 Strategic initiatives)</p>				
<p>Develop New Environmental Program Enhancements and Partnerships</p>	<p>In FY 18, DPR will develop four (4) new environmental curriculum and build new partnerships with schools to expand two (2) environmental programs for District youth. <p>Create more opportunities for residents to experience small parks in the District.</p>	<p>The District has one of the most robust park systems in the country. To connect DC residents, and particularly youth, to the natural environment, DPR will develop and pilot a new geocaching program at parks throughout the city. Additionally, DPR will introduce two (2) new and engaging events at various small parks across the city in FY 18. Events will include, but not limited to, a new music program and technology innovation events that focus on the environment.</p>	<p>Complete</p>	<p>In Quarter 4, DPR continued its geocaching program pilot and yoga classes at the Petworth meditation garden. Additionally, DPR hosted 13 events to activate small parks. Events included, but weren't limited to, a sustainable clothing swap event, Caribbean musical fitness events, brass bands, a small park festival at Marvin Gay, and multicultural heritage events.</p>	
<p>Partnerships and Donations (3 Strategic initiatives)</p>				
<p>Strengthen Partnerships & Development Outreach</p>	<p>In FY 18, DPR will strengthen partnership and development outreach through a three pronged plan to improve planning, procure materials for outreach, and new reporting. Specifically, DPR will develop new outreach literature to educate individuals and organizations about service opportunities; purchase DPR promotional items for events to increase visibility and encourage partnerships or volunteerism; and create an annual plan and report to provide polished in-depth outreach documents.</p>	<p>75-99%</p>	<p>In FY18, DPR focused on partnerships outreach by creating new outreach materials and participating in outreach meetings. As a result, the agency has been able to bring in new partners and sponsors to complement the agency's work. Additionally, to attract new corporate sponsors, DPR will host an open house/breakfast meeting with potential sponsors with links to sports and recreation, DC Business Improvement Districts, etc., and will develop a tier structure for corporate involvement. DPR will grow and coordinate 12 new sponsor relationships, secure \$150,000 in support through both in-kind and monetary contributions, and create a template for special event agreements.</p>	<p>Complete</p>	<p>DPR has continued its robust outreach with potential corporate sponsors to support DPR programs and events, which has led to two (2) new sponsorships and securing over \$250,000 of in-kind donations in Quarter 3.</p>	
<p>Expand Partnership Opportunities</p>	<p>In FY 18, DPR will streamline the partnership process to include review and vetting process with DPR program managers, scheduled site visits and monitoring, and program outcome evaluation through biannual partner reports. Additionally, DPR will collect program data from partners for annual report and tracking goals. DPR will recruit 12 new programmatic partnerships and 5 new park partners including "Friends Of" and "Adopt A Park" partners.</p>	<p>Complete</p>	<p>In Quarter 3, DPR cultivated nine (9) new programmatic partners and two (2) new park partners. Additionally, DPR is engaging with partners for city initiatives including the Office of the Clean City and Sustainable DC.</p>	

PERMIT SERVICES (3 Strategic initiatives)				
Pilot a recreation user account management system.	Throughout the year, DPR serves more than 1.5 million visitors in recreation centers and aquatic facilities. In an effort to modernize and standardize the check-in process at DPR facilities, the agency will research and implement a client-management system. This may include the use of scanning identification cards, such as a DC One Card, driver’s license, or other form of identification. The purpose of the system will be to expedite, automate, and accurately count visitors. In FY 18, in addition to implementing the new process, DPR will train staff and develop procedures for site check-in.	Complete	DPR piloted a new customer check in system, utilizing a "Fun Pass", at two aquatic facilities. This allows customers to scan in at the front desk, as opposed to manually signing in. The agency plans to expand this system to all aquatic facilities in FY19.	
Develop Outreach Plan for Fee Based Use Permits.	In 2016, new regulations were passed to allow DPR to issue fee-based use permits. With this new authority, individuals and organizations have the ability to request a DPR fee-based use permit to generate revenue on DPR properties, as long as the activity is aligned with DPR’s mission. To educate the general public about this new service opportunity in FY 18, DPR will develop an outreach plan with a focus on targeting fitness instructors, food-service providers, and other organizations that would provide a public-benefit by operating at a DPR facility.	Complete	A new application process and fee structure for organizations that charge their participants, as well as concessions, has been fully set up within DPR’s permit request system. DPR currently has some fee-based use permit holders offering programs in facilities across the District.	
Make it Easier for the Public to Submit Permit Requests	DPR is committed to providing excellent customer service to District residents. In FY 18, to further educate customers on DPR’s new recreation management system, facility calendar features, and new permit procedures, DPR will create new “how to” guides, webinars, and video trainings that can be accessed online through DPR’s website and social media outlets.	50-74%	DPR is in the process of creating informational videos that teach residents how to utilize permits and sign up for programs. That information will be shared via all of DPR’s media outlets, such as social media, website, and TV where possible.	Video content has been outlined and confirmed but has yet to be recorded and published.
Planning and Design (3 Strategic initiatives)				
Identify one (1) outdoor “Fitness Dead Zone” and install outdoor fitness equipment to meet community demand.	DPR has identified a couple of locations in Ward 8 in need of outdoor fitness equipment. To meet this important need and reduce the “Fitness Dead Zone,” DPR will work with DGS to initiate and construct new outdoor fitness equipment at one of these locations in Ward 8 in FY 18.	25-49%	While DPR has identified the location, the agency is currently investigating ways to fund (including grants) not only the outdoor fitness equipment, but all necessary amenities for the site. Potential grants are available but will not be awarded until Q2 FY19.	Agency is currently investigating ways to fund the project.

<p>Pilot and Install "Pedestrian Counters" at three (3) DPR recreation centers.</p>	<p>DPR has identified three (3) locations within our inventory that will benefit from pedestrian counters. These accurately count traffic that enters the facility, empowering DPR to make more accurate decisions on program offerings and number of users at a facility. The people counting solution provides actionable information that will help DPR to make better data informed decisions. In FY 18, DPR will pilot and install these counters.</p>	<p>75-99%</p>	<p>The two people counter systems at Marvin Gaye and Palisades are up and running. Funding was not identified for Kenilworth this FY. DPR has installed two pedestrian counters at the Marvin Gaye and Palisades recreation centers. DPR is looking for resources to install a third counter.</p>	<p>DPR is still looking for additional resources to install the third pedestrian counter</p>
<p>Access to Bike Trails</p>	<p>In FY 18, DPR will work with the District Department of Transportation (DDOT) and community groups to promote and provide access to various bike trails across the District. To encourage increased usage of various trails, DPR will work with DDOT, federal agencies, and community partners to provide maps with suggest biking routes from select recreation centers to various trails and will participate in two (2) events with community partners that promote biking on these trails.</p>	<p>Complete</p>	<p>In Quarter 3, DPR held a second ride with LimeBike. DPR is looking to plan a third event in the coming months. DPR has also continued to have conversations with Capital Bikeshare on additional rides and DDOT on its trail maps. In Q4, DPR will begin distributing bike maps at its recreation centers.</p>	

Recreation Centers and Programs (8 Strategic initiatives)

<p>Implement a new process for summer camp registration.</p>	<p>DPR currently uses a first-come, first-served system for summer camp registration, which makes it difficult for some DC families to utilize summer camp programs. In FY18, DPR will explore and implement solutions to increase summer camp access for more DC residents, which could include but may not be limited to: increasing capacity; developing a lottery system; and/or creating wait lists.</p>	<p>Complete</p>	<p>In Quarter 2, DPR implemented its new wait list feature for summer camp registration. Over 450 campers have signed up on the wait list with 13 camp offerings. As available slots becomes available, DPR contacts the next constituent on the waitlist to see if there is still interest in the camp and complete their enrollment.</p>	
--	---	-----------------	--	--

<p>Develop a comprehensive plan to reduce programmatic gaps throughout the Department of Parks and Recreation's facilities.</p>	<p>In FY 17, DPR collected information (such as customer surveys, community workshop forums, pop-up demonstrations, etc.) to study current program offerings versus community feedback about what programs they would like to have at their neighborhood recreation center. In FY 18, DPR will use this data to begin the process of developing and implementing site plans to better inform the decision-making process for selecting programs at each recreation center.</p>	<p>Complete</p>	<p>DPR has completed the recreation program plan, and has begun implementing a new process for program selection. This process includes identifying programmatic gaps within communities and across the District, and is implemented prior to each program season. By utilizing the recreation program plan, program data, and customer feedback, DPR is making strategic decisions on its program offerings.</p>	
<p>Creating designated space specifically for Teens 13 – 18 to participate in quality youth development programming.</p>	<p>In FY 17, DPR identified potential locations to increase teen programming with dedicated space at existing recreation centers and/or repurposing under-utilized field houses. In FY 18, DPR will implement new and expanded teen programming at the locations identified in FY 17. New and expanded programs could include, but are not limited to: social recreation, sports, health and fitness, character and leadership development along with college prep and career building programs.</p>	<p>Complete</p>	<p>With the creation of the new Tech Lounge at Deanwood, DPR has started hosting its Supreme Teens program in the space.</p>	
<p>Pilot New Platforms to Connect Seniors with Technology</p>	<p>In FY 18, DPR will design and pilot the "Pathways to Senior Empowerment Lifestyle and Performance Suite" in order to connect seniors with program offerings across all 8 Wards. The digital lifestyle and performance suite will provide seniors with a platform to learn about upcoming events, programs, and activities offered by DPR and outside entities. Additionally, the suite will provide an opportunity to educate and empower seniors with various technology, such as social media, online trainings, etc.</p>	<p>Complete</p>	<p>In FY 18, through a new program pilot, DPR connected seniors to technology. Throughout the year, DPR provided training on computers, social media, and smart phones at over four (4) locations across the city. Through these programs, senior participants are learning skills to be more technologically proficient.</p>	
<p>Expand FitDC to Include Personalized Fitness Training Routine</p>	<p>In FY 18, FitDC will expand DPR's health and wellness programs by incorporating the B.A.S.E. (Build Assess Support Extend) model. Using this model, DPR will assist participants with researching and building individual fitness and nutrition programs, goal setting, and provide support through larger community fitness and wellness events. Additionally, DPR will launch a Fit Point initiative to provide incentives for customers to utilize DPR facilities and programs.</p>	<p>75-99%</p>	<p>DPR has finalized its selection on the fitness routines to be filmed and posted online. This includes a list of machine weight and body weight exercises. DPR is finalizing the schedule of the filming for these videos and plans to complete in FY 2019.</p>	<p>DPR is making the final preparations for filming of the videos.</p>

<p>Develop a New Program Quality Measuring Tool</p>	<p>In FY 18, DPR will develop new procedures to guide and measure the development, implementation, and evaluation of programs through a standards based approach. It will provide staff with a user-friendly tool that will increase the quality of program implementation and provide managers with a systemic approach to evaluating the alignment of program implementation with participant outcomes.</p>	<p>25-49%</p>	<p>DPR is still in the process of determining the feasibility of the potential new tool. In FY 2019, DPR will be forming a new Program Quality Team that will assume the responsibility of reviewing the feasibility of a new tool and potential implementation to all programs.</p>	<p>DPR is in the process of determining the feasibility of the potential new tool and will be hiring new staff to focus on program quality evaluations.</p>
<p>Expand Destination DPR Program</p>	<p>To provide District youth recreational opportunities outside of an urban environment, DPR created a Destination DPR program. By taking youth outside of the city, DPR is providing youth exposure to new recreational and cultural experiences otherwise not experienced in DC. In FY 18, DPR will expand the program by organizing 7 trips to various activities, such as fishing, hiking, and visits to National Parks.</p>	<p>Complete</p>	<p>In Quarter 4, DPR completed a total of eleven (11) trips, bringing the total number of trips to twelve (12). Trips year included fishing, college tours, historical landmarks, a Broadway theater trip, and an inter-generational trip with youth and seniors.</p>	
<p>Develop plan to create and administer grants for community based walks and runs throughout the city.</p>	<p>In an effort to promote continued health and wellness, DPR will administer grants to an organization(s) to promote and execute neighborhood based community walks and runs. The events will occur monthly in each ward of the city. DPR will look to pair these events with expanded fitness offerings throughout the city in FY 18.</p>	<p>Complete</p>	<p>DPR awarded the grants to the winning organizations that hosted neighborhood run/walks across the District.</p>	
<p>Special Events (2 Strategic initiatives)</p>				
<p>Increase Attendance and Participation at Signature DPR Events</p>	<p>DPR will gather data on the attendance of DPR signature events and discover what are the major factors that drive people to attend. The Agency will then use these findings to strategically target promotional efforts in an effort to raise awareness and interest in signature events. In FY 18, DPR will increase participation at DPR signature events by 25%.</p>	<p>Complete</p>	<p>DPR.events is now the primary method for advertising events and collecting event data. This allowed DPR to target promotional efforts for special events that occurred in Q4, including signature events, such as Recreation Day, Chuck Brown Day, and DPR Puppy Cup.</p>	

Increase Attendance and Participation at Rolling Events	DPR will develop a strategy to coordinate the promotion of rolling events (such as movie nights, rock climbing wall, fun wagon, skate mobile, etc.). The agency will weave these new strategies into existing marketing platforms to ensure events get increased exposure on social media and other promotional platforms. In FY 18, DPR will increase participation at DPR rolling events by 25%.	Complete	In Quarter 4, DPR, in partnership with DMGEO, providing 134 rolling events, including movie nights, teen nights, game nights, and other activities targeted to at-risk youth. Additionally, DPR provided its mobile recreation amenities, including the Fun Wagon, Skatemobile, rock wall, and obstacle courses.	
SUPPORT SERVICES (1 Strategic Initiative)				
Develop and implement an Inventory Management System	DPR will work with OCTO to develop and implement a new management system to inventory all goods (furniture and supplies) coming in and going out of the DPR warehouse. This system would allow staff to track all goods being stored. In addition the management software systems will make it possible to digitally manage stock in a more cost effective way. The management system can also provide report of items that need to be surplus/auctioned if not claimed for use within a period of time. In addition would allow the agency to track spending and waste. In FY 17, DPR identified the system requirements, cost estimates and developed a project plan. In FY 18, DPR will identify funding and implement the new system.	75-99%	DPR began its warehouse relocation in Q4. As part of this move, DPR will be reinstalling its inventory system. Warehouse relocation is expected to be complete by the end of October 2018.	DPR is in the final stages of its warehouse relocation and expects to be completed by the end of October.
Volunteers (1 Strategic Initiative)				
Develop and initiate a targeted plan to utilize volunteers effectively to increase impact on DPR program and event outcomes.	To increase the volunteer impact to the agency, DPR will organize and/or recruit individual volunteer groups for 12 beautification service days, 10 DPR special events, high school student volunteers engaged in 4 service days and 5 DPR special events, and corporate groups engaging in 5 service days or events in FY 18.	Complete	In Quarter 4, DPR coordinated six (6) volunteer beautification events, partnered with other organizations (such as the Redskins and ServeDC) for 4 service events, and provided 63 volunteers for four (4) recreation center events.
