Question 1: How is the agency using the funding the Committee on Health gave for Club Memory? How is it spent? Are we doing anything to evaluate Club Memory?

Club Memory is a supportive social group for people with mild cognitive impairment or early stage dementia and their care partners. Club Memory funding is administered by IONA Senior Services, and operated by Sibley Memorial Hospital. The Committee on Health allocated \$383,000 in one-time funding in FY2020, which has been combined with a \$500,000 reoccurring budget for Alzheimer's programming.

FY2020 Alzheimer's Program Budget & Expenditures as of Jan. 2020		
Services	Budget	Expenditure YTD
Money Management	\$207,656.00	\$62,445.70
Dementia Navigators	\$205,956.00	\$69,641.96
Club Memory	\$423,388.00	\$139,452.06
Club Memory Early Onset	\$46,000.00	\$0
Total	\$ 883,000.00	\$ 271,539.72

Note: The early onset has no expenditures due to hiring delays from grantee. However, a part-time staff person has been hired as of March 6, 2020. The grantee is projected to spend the full amount of the grant in FY20.

Attached are a customer survey template (combined for Club Memory and Dementia Navigators) that is completed every summer by the program participants to evaluate how the program is doing, and findings from the program evaluation conducted in September 2019. The work of the focus groups and their impact has been selected for a presentation at the NIA National Research Summit on Care, Services, and Supports for Persons with Dementia and Their Caregivers in Bethesda, Maryland in March 2020.

DACL monitors the Club Memory Program regularly through monthly invoicing, site visits, and tracking the number of unduplicated clients served. As of January 2020, Club Memory has served 364 people.

Question 2: What was the budget that was allocated for JW King Residence and Benning Park? What has been spent, and how will they spend?

The Committee on Health allocated one-time funds of \$10,000 for senior events at JW King Senior Center and Benning Park Community Center Apartments. DACL awarded this funding to our lead agency grantee in Ward 7, East River Family Strengthening Collaborative. The grantee is planning events at both sites in the spring and summer of 2020.
