26. 207 Auch																						In partnership with the Public Library Association, DC Public Library (DCPL) will identify seven public libraries to receive training, mentoring, equipment and financial support to create programs for community members to digitize and presenve their personal and family collections. Modeld after DCPL's successful Memory Lab, the resulting personal archiving stations will allow libraries to loster deeper community regagement and expand staff and patror expertise in personal archiving. The cohort of participants will contribute to an emerging network of libraries with personal archiving organism, and the
