COMMITTEE ON EDUCATION**

To: Chairman Phil Mendelson
From: Councilmember David Grosso 
Re: Requests for the Additional July 28, 2020 Legislative Meeting
Date: July 23, 2020

At the request of the Mayor, this memo is to request that the following emergency measures be placed on the agenda for the Additional July 28, 2020 Legislative Meeting:

- Military Road School Modernization/Renovation Project Reprogramming Emergency Declaration Resolution of 2020
- Military Road School Modernization/Renovation Project Reprogramming Emergency Approval Act of 2020

There exists immediate need for Council approval of this reprogramming in order for DGS to have the available funds to acquire the Military Road School in a timely manner. The District government has a significant need to purchase the Military Road School to help solve for the Ward 4 overcrowding problem at nearby schools and expand early childhood offerings.

The Executive submitted this reprogramming to the Council in order to transfer Fiscal Year 2020 funds in the amount of \$8,376,301 from Paid Family Leave IT Application funds (PFL08C) to the DGS Military Road School Modernization/Renovation Project (YY1MLC). The funds are available due to revised cost projections for the PFL IT project.

Draft copies of the legislation are attached. If you have any questions, please contact my Committee Director, Akeem Anderson at (202) 724-8061 or aanderson@DCCOUNCIL.US.
