A PROPOSED RESOLUTION

_____

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

_____

To declare the existence of an emergency with respect to the need to approve the reprogramming request of Fiscal Year 2020 capital funds in the amount of $1,000,000 from the Paid Family Leave IT Application project to the DGS 2021 Inauguration Reviewing Stands project.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Inauguration Reviewing Stands Project Reprogramming Emergency Declaration Resolution of 2020".

Sec. 2. (a) The Executive submitted this reprogramming to the Council in order to transfer Fiscal Year 2020 capital funds in the amount of $1,000,000 from the Paid Family Leave IT Application project (PFL08C) to the DGS Inauguration Reviewing Stands project (PL9ISC).

(b) The District government has committed to construct three reviewing stands for the 2021 Presidential Inauguration, as it has done for previous inaugurations. The design specifications provided by the U.S. Secret Service have been updated and the project timeline requires DGS to complete planning, design and pre-construction activities in the remaining months of Fiscal Year 2020 at a projected cost of $1,000,000 in order for timely construction.

(c) The funds are available due to revised cost projections for the PFL IT project.

(d) Immediate Council approval of this reprogramming is necessary in order for DGS to complete construction of the inauguration reviewing stands in time for the 2021 Presidential inauguration.

34   Sec. 3. The Council of the District of Columbia determines that the circumstances

35 enumerated in section 2 constitute emergency circumstances making it necessary that the

36 Inauguration Reviewing Stands Project Reprogramming Emergency Approval Act of 2020 be

37 adopted after a single reading.

38   Sec. 4. This resolution shall take effect immediately.
