August 8, 1969
Enactment Date

Regulation

of the
District of Columbia

TITLE Regulation to Amend the Commissioners' Standard for Requirements to Include Payment of the Social Security Tax When Housekeeper Service is Required

Mrs. Polly Shackleton Presents the following regulation:

1 WHEREAS, the Commissioners' Standard for Requirements,
2 Commissioners' Order No. 58-1084, dated July 8, 1958, as amended,
3 provides for paying for the services of a housekeeper when such
4 service is required for an aged or disabled person to remain in the
5 community, or to maintain a home for dependent children; and
6

7 WHEREAS, under the provisions of 26 U.S.C. 3101, 3102,
8 and 3111, a tax to pay for Social Security disability and retirement
9 benefits is imposed on the wages of employees, to be matched by the
10 employer and paid to Internal Revenue Service quarterly; and
11

12 WHEREAS, the public assistance recipient is in fact the
13 employer of the housekeeper when such service is required, but because
14 of age or disability, placing responsibility on him to send the required
15 amount to Internal Revenue Service would cause undue hardship; and
16

17 WHEREAS, pursuant to paragraphs 83 and 84 of Section 402
18 of Reorganization Plan No. 3 of 1967, the District of Columbia Council
19 is authorized to establish rules and regulations to carry out the pro-
20 visions of the District of Columbia Public Assistance Act of 1962, and
21 to approve regulations under which shall be determined the amount of
22 public assistance which any person shall receive.

TITLE Regulation to establish policy concerning action by the Department of Public Welfare when a client refuses admission to or inspection of his home.

Polly Shackleton Presents the following regulation:

1 WHEREAS, on June 17, 1968, Judge Howard F. Corcoran of the U. S.
2 District Court for the District of Columbia, in the case of Stewart, et al., v.
3 Washington, et al., Civil Action 432-68, ruled that the Board of Commissioners
4 had not duly promulgated regulations establishing the policy of the Department
5 of Public Welfare that an applicant or recipient is ineligible for assistance who
6 refuses to admit a representative of the Department to his home, or on admittance,
7 refuses to permit him to inspect the dwelling;

8
9 WHEREAS, according to Federal requirements for State agencies
10 administering public assistance programs, applicants and recipients will be
11 relied upon as the primary source of information upon which the agency's de-
12 cision is made about their eligibility, such persons should be permitted latitude
13 in deciding the time and place for submitting such information; and

14
15 WHEREAS, pursuant to paragraph 83 of 402 of Reorganization Plan #3
16 of 1967, the District of Columbia Council is authorized to establish rules and
17 regulations to carry out the provisions of the District of Columbia Public Assistance
18 Act of 1962.

Regulation No. 69-37

Referred to this office for review was the above-referenced regulation, passed by the District of Columbia Council on September 16, 1969, and on that date submitted to you for approval and signing.

The regulation establishes a policy for the Department of Public Welfare with respect to refusal by welfare applicants and recipients to permit representatives of the Department to enter their homes or to inspect the premises. The regulation prohibits the Department from taking any adverse action for such refusal and requires the Department to inform applicants and recipients that no adverse action will be taken against them for such refusal. The regulation was initiated by the Department and has its support.

There is no legal objection to approving the above-referenced regulation.

Regulation of the District of Columbia

TITLE BUILDING CODE REGULATION (AUTOMATIC FIRE DOORS)

Reverend Jerry A. Moore, Jr. Presents the following regulation:

WHEREAS, there is a need to change fire door standards to improve public protection;

NOW, THEREFORE, BE IT ENACTED by the District of Columbia Council.

Section 1. Section 3-945 of the 1961 Building Code of the District of Columbia is hereby amended by deleting the existing subsections (a) and (c) substituting in lieu thereof the following new subsections:

"(a) An automatic fire door is a fire door or other opening protective so constructed and arranged that if opened, it shall close when it is subjected to:

- (1) a temperature of 135°F, or
(2) a predetermined rate of temperature rise, or
(3) smoke or other products of combustion.

"(c) No hardware, wedges, fusible links, or ties shall be permitted to hold doors open when they are required to be self-closing, and only such approved devices as are described under sub-heading (a) above shall be permitted in the case of automatic fire doors.

Section 2. Section 3-949 of the 1961 Building Code of the District of Columbia is hereby amended by deleting the existing Section 3-949 in its entirety and substituting in lieu thereof the following new Section 3-949:

"Section 3-949. Closing Devices. (a) Approved door closers shall be provided on each leaf of swinging doors required to be self-closing. A coordinating device to insure closing of the inactive leaf ahead of the active leaf shall be provided when necessary for proper operation of the doors and where pairs of doors are required to be self-closing. Where doors may be equipped for push and pull function, single or double acting checking floor hinges may be used.

"(b) All fire exit doors which open onto enclosed exit stairs or exit passageways, or which are installed to provide fire or smoke barriers across corridors, shall be self-closing and be so maintained, or shall be automatic doors which will close upon activation by an approved fail-safe device which will operate when subjected to one of the following two combinations:

- (1) a temperature of 135°F, or other products of combustion.
- (2) a predetermined rate of temperature rise or smoke or other products of combustion.

Where a fire alarm system is provided or required, the detection device described above shall be connected to this system in an approved manner that will cause an alarm to be signaled when the device is activated or, conversely, the device to be activated when the alarm is signaled. The interpretation of this subsection shall be that each leaf of each door in an opening shall be provided with both a thermal and a smoke detecting device."

Section 3. This regulation shall take effect immediately upon enactment.

SUBJECT: Regulation No. 69-38, relating to automatic fire doors.

Regulation No. 69-38, enacted by the District of Columbia Council on October 21, 1969, has been referred to this office for review. The regulation enacted by the Council pursuant to the authority contained in the Act of June 14, 1878 (D. C. Code, sec. 1-228) and section 402(5) of Reorganization Plan No. 3 of 1967, amends sections 3-945 and 3-949 of the Building Code to permit additional categories of automatic fire doors.

Although the Council has not incorporated in the Regulation all of the technical amendments recommended by this Office in my memorandum to the Secretary to the Council dated September 30, 1969, I offer no objection to approval of Regulation No. 69-38.

From Reverend Jerry Moore

Date October 7, 1969

Subject Automatic Fire Doors.

At the request of the Corporation Counsel some editorial changes have been made in the regulation on automatic devices to close doors in case of fires. I concur in these requests. No other changes have been made in the regulation and the favorable report from the previous meeting still stands. On this basis, I move for adoption of this regulation.

Date: September 30, 1969

SUBJECT: Proposed amendment to sections 3-945 and 3-949 of
the Building Code of the District of Columbia, re-
lating to fire doors.

By memorandum dated September 19, 1969, you referred to me for comment a proposed regulation amending sections 3-945 and 3-949 of the Building Code of the District of Columbia, relating to standards for automatic fire doors. I have reviewed this regulation and find it to be legally unobjectionable.

However, I note that the quotation marks are omitted at the end of the quoted amendment in section 1, and that in the revised section 3-949 proposed by section 2 the subsection designation "(a)" should follow the heading "Closing Devices" rather than precede it.

FROM: Hubert B. Pair 
Acting Corporation Counsel, D. C.

Date: October 30, 1969

SUBJECT: Repeal of ABC residency requirement.

Regulation No. 69-43, adopted by the District of Columbia Council on October 21, 1969, repeals section 2-132 of the District of Columbia Regulations. Section 2-132 of the Alcoholic Beverage Control Regulations requires that an applicant for an alcoholic beverage license shall have been a resident of or gainfully employed in the District of Columbia for at least one year immediately preceding the filing of the application for a license.

The requirement of a one year's period of residence or work experience in the District upon applicants for ABC licenses does not result from any provision of the governing statute, but was established as a matter of policy by the Board of Commissioners. Accordingly, there is no legal objection to its repeal by approval of Regulation No. 69-43.

Secretary of the District of

Department, Corporation Counsel, D.C.

FROM: Hubert B. Pair ^{tt. 37}
Acting Corporation Counsel, D.C.

Date: September 30, 1969

SUBJECT: Repeal of ABC residency requirement.

The attached regulation repeals section 2-132 of the Alcoholic Beverage Control Regulations which requires that an applicant for a license shall have been a resident of or gainfully employed in the District of Columbia for at least one year immediately preceding the filing of the application for a license. This provision does not result from any requirement of the governing statute and, accordingly, there is no legal objection to its repeal.

I wish to point out, however, that the citations appearing in the "whereas" clause and in section 1 of the regulation are incorrect. There is no Title 2 of the Alcoholic Beverage Control Regulations. Rather, these regulations are set forth in title 2 of the District of Columbia Regulations. I suggest, therefore, that the words "Title 2, Section 132" in the preamble, and the words "Section 132 of Title 2" in section 1 of the regulation, be revised in both instances to read "Section 2-132".

I suggest further the addition of a second "whereas" clause in the preamble of the regulation to delineate the authority of the Council to issue said regulation. I recommend the following language:

"WHEREAS, pursuant to paragraph 215 of section 402 of Reorganization Plan No. 3 of 1967, the District of Columbia Council is authorized to prescribe, make, alter, and amend rules and regulations under D. C. Code, sec. 25-107."

Finally, I recommend that the proposed section 2 of the regulation be revised. ABC regulations do not take effect immediately upon enactment but, pursuant to section 7 of the District of Columbia Alcoholic Beverage Control Act (D. C. Code, sec. 25-107), five days after being published in any daily newspaper of general circulation in the District of Columbia. Accordingly, I suggest that section 2 of the regulation be rewritten as follows:

"Section 2. This regulation shall become effective five days after adoption and publication as required by law."

Subject Repeal of ABC residency requirement

The Alcoholic Beverage Control Regulations require that a person live or work in the District for one year before he may receive an ABC license.

The original purpose of this regulation was to facilitate a check of the person's background. This is now done through the FBI's national reporting system and the regulation is no longer necessary.

The ABC Board through the Mayor has requested this repeal and my committee supports it.

Regulation No. 69-44, enacted by the District of Columbia Council on October 21, 1969, has been referred to this office for review. The regulation enacted by the Council pursuant to the authority contained in the Act of June 14, 1878 (D. C. Code, sec. 1-228) and section 402(5) of Reorganization Plan No. 3 of 1967, amends various sections of the District of Columbia Building Code to permit the construction of open plan area type schools.

The Council has incorporated in the Regulation technical amendments recommended by this Office in my memorandum to the Secretary to the Council dated September 30, 1969. I accordingly recommend approval of Regulation No. 69-44.

Subject Open Plan Areas

At the request of the Corporation Counsel some editorial changes have been made in the regulation on open plan areas in public schools. I concur in these requests. No other changes have been made in the regulation and the favorable report from the previous meeting still stands. On this basis, I move for adoption of this regulation.

Subject Building Code Amendments on Open Plan Areas

This series of amendments to the Building Code will permit the design of open plan areas in schools. Open plan areas are a new concept in education. Essentially, they are large open spaces that can be subdivided to give teachers more flexibility. This will provide suitable spaces for team teaching and other group educational practices. Educators say teaching in this manner is more responsive to the needs of the individual student. Instead of having only one or very few activities to choose from, he will have several. In this way, he can be placed in a group that corresponds to his skill level or interest. Educators say it is virtually impossible to operate such programs in a conventional classroom. The open plan concept was designed to meet the needs of these new educational programs. Granville Woodson, Director of the Board of Education's Department of Buildings and Grounds says that all new D. C. schools are being planned with such areas and many old buildings will be modernized to include them. Until the building code is changed, however, this will be impossible.

The amendments were proposed by the Board of Education, approved by the Building Code Advisory Committee and recommended for Council approval by Julian R. Dugas, the Director of Economic Development, and Deputy Mayor Thomas W. Fletcher.

The Government Operations Committee held a public hearing on July 26 on this series of amendments. Six witnesses spoke and all favored the amendments. A representative of the Fire Department said there were no safety objections since adequate posting of exits and seating arrangements is required. Representatives from the Department of Licenses and Inspections, the Building Code Advisory Committee, the Architectural Division of the Department of General Services, the Board of Education's Department of Buildings and Grounds and the D. C. Chamber of Commerce all spoke in favor of the amendments.

I recommend that the Council approve these amendments.
