WHEREAS, the location currently being favored as the new site of the Government Printing Office is outside the District of Columbia; and

WHEREAS, the relocation of this agency to a site outside of the District appears to be adverse to the interests of the District of Columbia Government and her citizens, causing a loss to the District of numerous job opportunities, potential revenue, and causing some of her citizens the inconvenience of having to travel many miles a day to and from work; and

WHEREAS, The President of the United States has urged the District of Columbia Government and other Federal Agencies to make Washington a model city which among other things will provide adequate job opportunities for her residents and be the seat of the Federal Government; and

WHEREAS, removing the Government Printing Office from the District will tend to defeat both of these goals; and

WHEREAS, The Mayor of the City of Washington, The Redevelopment Land Agency, The Washington Board of Trade, The Central Labor Council and many other governmental, labor, business, civic and community groups favor retention of the Government Printing Office with the District of Columbia;

NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:

Section 1. The Council strongly opposed the removal of the Government Printing Office from the District of Columbia, and, in support of retaining this agency within the District, the Council pledges whatever reasonable steps are required of it to cooperate with any agency to attain this goal.

Section 2. The Council strongly urges the Director of General Services Administration, Lawson B. Knott, Jr., to take all reasonable and necessary steps to assist the Public Printer in solving the pressing problems of space and logistics while retaining the Government Printing Office within the District of Columbia.

Section 3. The Council strongly urges Mr. Knott and the Public Printer to relocate this facility of Federal lands available within the District or on other available tax exempt land within the District of Columbia which the General Services Administration may purchase so as not to remove even more land from the District tax rolls.

Section 4. The Council strongly urges that the decision concerning the relocation of this agency be made with the following guidelines as basic criteria: a) The site selection should be such as to maximize job opportunities and job proximity for the poor, underemployed, and residents of decayed neighborhoods, and b) The site selection should be made to assist and, if possible, be a focal point for the revitalization and rejuvenation of one of Washington's slum areas.

Section 5. The Secretary of the Council transmit this Resolution as the sense of the Council to the following asking their cooperation of their offices:

- i. The President of The United States
- ii. The Director of the General Services Administration

Councilman J. C. Turner

Presents the following Resolution:

WHEREAS, the Hacker's Review Board is an agency of the District of Columbia Government created by Commissioners' Organization Order No. 107 (as amended) whose functions include hearing appeals on adverse decisions on applications for hacker's licenses and hearing complaints against licensed hackers; and

WHEREAS, the Hacker's Review Board is composed of two employees of the District of Columbia Government, two compensated attorneys, and a compensated member of the Citizens' Traffic Board, but no member or representative of the class of public vehicle drivers who come within the Board's jurisdiction; and

WHEREAS, the District of Columbia Government through the City Council has been formally requested to expand the membership of said Board to include a representative from the class of drivers whom the Board regulates; and

WHEREAS, it in no way appears that such expansion of said Board would harm the interest of the District of Columbia or any concerned interest but would, instead, provide a fairer and more democratic form of appeal and review;

NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:

Section 1. The Council favors the expansion of the Hacker's Review Board to include at least one member from the class of drivers whom the Board regulates.

Section 2. The Council requests the Commissioner under whom the Board functions to expand the Board by the addition of at least one driver member and that said member be compensated in like manner as other non-government employee members.

Section 3. That the Secretary to the Council transmit this Resolution to the Commissioner of the District of Columbia.

Councilman Turner Presents the following Resolution:

WHEREAS, the cafeteria workers in the School lunch program are paid less than the prevailing wages for similar employees in the District of Columbia, and

WHEREAS, the present system of paying workers entirely from School lunch receipts results in artificially low pay for the workers and poor food for the children, and

WHEREAS, an agreement as to higher wages has been reached between the Union and the Board of Education, and

WHEREAS, a change in legislation to permit use of general funds to pay salaries is required before such increased salary can be put into effect by the Board of Education,

NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:

1. The Council supports the higher wage proposals for cafeteria workers which has been negotiated with the Board of Education.
2. That the Council supports appropriate legislative change to permit general funds to be used to finance the increase in salaries.
