

RESOLUTION NO. 69-60

July 15, 1969

Date Adopted

Resolution

of the

District of Columbia City Council

TITLE Resolution Supporting Redistributing the Functions of the Department of Public Welfare's Office of Investigations

Mrs. Polly Shackleton Presents the following Resolution:

WHEREAS, the Director of the District of Columbia Department of Public Welfare took the position before the Senate Appropriations Subcommittee that the functions of the Department of Public Welfare's Office of Investigations and Collections be redistributed;

WHEREAS, recent H.E.W. rulings require a simplified method of determining eligibility and the separation of eligibility from social services;

WHEREAS, court decisions striking down the substitute parent rule, not allowing the investigations to enter the home without the client's permission, and removing the residence requirement would seem to obviate the need to continue a large investigative staff.

WHEREAS, the City Council's Health and Welfare Committee has worked closely with the Department of Public Welfare as the City Council is responsible for promulgating its regulations and approving its budget;

WHEREAS, last fall, in reviewing the Department of Public Welfare's 1970 budget, the Council expressed great concern about the overlapping services resulting from the intake and eligibility determination procedures in the Public Assistance program;

WHEREAS, the requested increases of 23 positions and \$54,000 for a new eligibility-determinations branch in the Public Assistance Division and of \$100,000 for the Office of Investigations and Collections were not allowed by the Council and, furthermore, the Department was instructed to take 23 unfilled positions from OIC and assign them to the Public Assistance Division, to fulfill H.E.W. requirements for receiving Federal grants.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the District of Columbia that:

WHEREAS, the interests of the District of Columbia will be better served by closing the street so as to allow the development of the site and by providing as much open space in the closed part of G Street as is reasonably possible; and

WHEREAS, the District of Columbia Council having considered the proposed closing is of the opinion that said part of said street should be closed; and

WHEREAS, the Public Space Committee has recommended (1) that the applicant be required to pay the sum of \$34,700 as the fair market value of the southerly portion of G Street, N.W., abutting Lots 35, 36, 832, 833, and 836, in Square 566, and that said \$34,700 be deposited into the Treasury of the United States; and (2) that the applicant shall pay the sum of \$2,800 representing the depreciated value of the existing public facility located within the southerly half of G Street,
