RESOLUTION NO. 71-4

January 5, 1971
Date Adopted

Resolution
of the
District of Columbia City Council

TITLE INSURANCE: RESOLUTION CALLING UPON THE COMMISSIONER TO LOWER PERFORMANCE & BID BOND REQUIREMENTS WITH RESPECT TO DISTRICT OF COLUMBIA PUBLIC CONTRACTS

Mr. Philip J. Daugherty Presents the following Resolution:

- 1 WHEREAS, participation in the construction industry by minority group
- 2 members is disproportionately small in the District of Columbia,
- 3
- 4 WHEREAS, inability to obtain required bonding is a principal reason for the
- 5 lack of full participation by minority group contractors in public construction
- 6 projects,
- 7
- 8 WHEREAS, such contractors often cannot obtain the required bonding at
- 9 present because their past inability to obtain such bonding has hindered them in
- 10 gaining experience on major construction projects,
- 11
- 12 WHEREAS, unnecessarily high bonding requirements imposed by the District
- 13 Government tend to perpetuate this cycle;
- 14
- 15 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:
- 16
- 17 Section 1. The District of Columbia Council commends to the Mayor's attention
- 18 the provision of Title 1 of the District of Columbia Code, Section 1-804a(a)(1), which
- 19 gives the Mayor authority to require a performance bond "in such amount as he
- 20 shall deem adequate for protection of the District of Columbia" with respect to
- 21 public contracts exceeding \$2,000.
- 22
- 23 Section 2. The District of Columbia Council, believing that performance
- 24 bonds lower in amount than those presently required would still be adequate for the
- 25 protection of the District of Columbia, urges the Mayor to exercise his authority
- 26 under Section 1-804a(a)(1) so as to reduce the required amount for such bonds in all
- 27 appropriate cases.
- 28
- 29 Section 3. The District of Columbia Council also urges that the Mayor exercise
- 30 his authority to reduce bid bond requirements for such projects as come within his
- 31 authority.
- 32
- 33 Section 4. This Resolution shall become effective immediately upon passage.

Resolution
of the
District of Columbia City Council

TITLE RESOLUTION DISAPPROVING ANY RULE AMENDMENT OR BYLAW OF AN INSURANCE RATING BUREAU WHICH USES INCONSISTENT METHODS OF ACCOUNTING

Mr. Philip J. Daugherty Presents the following Resolution:

1 WHEREAS, the District of Columbia Council finds that a uniform system of account-
2 ing for rate making purposes by a bureau making fire rate filings with the Superintendent
3 of Insurance is necessary to the true determination of the underwriting experience of
4 those companies represented by a bureau, and

5
6 WHEREAS, the District of Columbia Council in its report on Insurance adopted
7 November 24, 1970 found that profits of insurance companies as used for rate making
8 purposes are made to appear in a minimized form by companies' practice of calculating
9 premiums on an accrual basis of accounting while calculating expenses, such as
10 commissions, on a cash basis, and also by omitting from calculations the affect of
11 inflation on premium dollar volume, and

12
13 WHEREAS, Reorganization Plan No. 3 of 1967 transferred to the District of Columbia
14 Council the function of approving agreements, bylaws, rules, and regulations and
15 amendments thereto of a rating bureau making fire rate filings with the Superintendent of
16 Insurance.

17
18 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:

19
20 Section 1. Any agreement, bylaw, rule, regulation, or amendment thereto of any
21 rating bureau making rate filings within the scope of Chapter 14 of Title 35 of the
22 District of Columbia Code is disapproved which permits a system of accounting for rate
23 making purposes which calculates expenses on a cash basis and premiums on an accrual
24 basis, or premiums on a cash basis and expenses on an accrual basis.

25
26 Section 2. Any agreement, bylaw, rule, regulation, or amendment thereto of any
27 rating bureau making rate filings within the scope of Chapter 14 of Title 35 of the
28 District of Columbia Code is disapproved which permits an estimate of the effects of
29 inflation on incurred or paid losses in any period, and which does not for the same
30 period fully reflect the effects of inflation on the sales of insurance and premiums earned
31 or written.
