TITLE Resolution Creating the Position of Director, Response to Educational Needs Project (RENP) of the District of Columbia Public Schools

Councilman Stanley J. Anderson Presents the following Resolution:

1 WHEREAS, pursuant to Section 402 (244) of Reorganization Plan No. 3
2 of 1967, the Council is vested with the responsibility of approving the classification
3 of new positions under Section 5(b) of the Teachers' Salary Act of 1955, as amended;
4 and
5
6 WHEREAS, the Board of Education has recommended that the position of
7 Director, Response to Educational Needs Project, Salary Class 5, be established;
8 and
9
10 WHEREAS, the Council agrees that such position should be established.
11
12 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council
13 that:
14
15 Section 1. The Council hereby approves the creation of the position of
16 Director, Response to Educational Needs Project (RENP), Salary Class 5.
17
18 Section 2. The incumbent of this position will be responsible to the
19 Assistant Superintendent, Anacostia Project, for planning, developing, implementing
20 and evaluating all aspects of the Response to Educational Needs Project (RENP).
21 The Director will be responsible for organizing the community served by the Project
22 around educational activities and instituting innovative educational practices in
23 RENP schools. He will exercise both administrative and technical control over
24 Project operations through two major organizational components -- Instructional
25 Programs and Community Organization. The Director will establish operating policies
26 and procedures, develop program plans and budget justifications, regulate the
27 expenditure of Project funds, as well as supervise and train the RENP staff, interpret
28 Project objectives for local community residents and educational personnel in
29 participating schools and carry on a continuing program of research and evaluation
30 to determine the effectiveness of RENP in achieving its objectives.
31
32 Section 3. This resolution shall take effect immediately upon passage.

Resolution

of the

District of Columbia City Council

TITLE Resolution Creating the Position of Associate Director, Instructional Programs, Response to Educational Needs Project (RENP) of the District of Columbia Public Schools

Councilman Stanley I. Anderson Presents the following Resolution:

1 WHEREAS, pursuant to Section 402 (244) of Reorganization Plan No. 3
2 of 1967, the Council is vested with the responsibility of approving the classification
3 of new positions under Section 5(b) of the Teachers' Salary Act of 1955, as amended;
4 and

5
6 WHEREAS, the Board of Education has recommended that the position of
7 Associate Director, Instructional Programs, Response to Educational Needs Project,
8 Salary Class 6, be established; and

9
10 WHEREAS, the Council agrees that such position should be established.

11
12 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:

13
14 Section 1. The Council hereby approves the creation of the position of
15 Associate Director, Instructional Programs, Response to Educational Needs Project,
16 Salary Class 6.

17
18 Section 2. Under the supervision of the Director, Response to Educational
19 Needs Project, the incumbent of this position will serve as Associate Director of the
20 Project's Educational Programs component. He will be directly responsible for providing
21 a basic educational program which responds to the perceptual, cognitive and
22 psychological needs of learners at all grade levels (pre-school through twelve) in the
23 eighteen Anacostia area schools serviced by RENP. Supervising a staff of clinical
24 psychologists, instructional assistants and aides, the Associate Director of Instructional
25 Programs will develop and operate a program of instruction; train educational personnel
26 engaged in direct contact with RENP students in the application of instructional methods
27 and techniques which are consistent with the RENP philosophy; and coordinate parent
28 participation in support of student instruction. The incumbent will be expected to gain
29 the approval of community residents when introducing new programs in the Project or
30 deleting existing programs, provide technical assistance to individuals or groups
31 participating in the Project's instructional component and evaluate the Project from a
32 learning perspective.

33
Section 3. This resolution shall take effect immediately upon passage.

 17
 18 Section 2. Under the supervision of the Project Director, the incumbent
 19 of this position will plan and promote the elections of individuals to the Community
 20 Area Board and local boards which will represent the community residents served by
 21 the Anacostia area schools participating in the Project. He will be responsible for
 22 developing and directing the Community Organization component of RENP. Through a
 23 subordinate staff of community organizers and a community organization trainer, the
 24 Associate Director will prepare all segments of the community for meaningful partici-
 25 pation in the Project. This will include the training and continued guidance of board
 26 members so they may effectively take part in various aspects of the Project; the
 27 dissemination of information to parent-teacher, community and youth groups regarding
 28 program objectives and activities; and the provision of technical assistance to
 29 individuals and groups seeking to organize community action regarding quality education.
 30 He will also be responsible for conducting a program of continuing research and

December 19, 1972
Date Adopted

Resolution
of the
District of Columbia City Council

TITLE RESOLUTION APPROVING A MODIFICATION TO THE URBAN RENEWAL PLAN FOR THE NORTHWEST URBAN RENEWAL AREA, PROJECT NUMBER 1

Vice Chairman Sterling Tucker Presents the following Resolution:

1 WHEREAS, pursuant to Section 6(b) of the District of Columbia
2 Redevelopment Act of 1945, as amended, (hereinafter referred to as the
3 "Redevelopment Act") an Urban Renewal Plan for the Northwest Urban
4 Renewal Area, Project No. 1 (hereinafter referred to as the "Plan" and
5 "Project" respectively) was adopted on March 7, 1963, and readopted on
6 September 12, 1963, by the National Capital Planning Commission (herein-
7 after referred to as the "Planning Commission") and approved on October 10,
8 1963, after public hearing thereon, by the Board of Commissioners of the
9 District of Columbia, (hereinafter referred to as "Commissioners"), and
10 the Plan has been modified several times in accordance with Sections
11 6(b) and 12 of the Redevelopment Act, the last of such modifications being
12 approved by the District of Columbia Council (hereinafter referred to as
13 "Council") on March 7, 1972; and
14

15 WHEREAS, certain functions of the Commissioners under the
16 Redevelopment Act have been transferred to the Council pursuant to
17 Section 402, paragraph 122 through 129, of Reorganization Plan No. 3
18 of 1967; and
19

20 WHEREAS, on October 5, 1972, the Planning Commission adopted
21 a further modification to the Plan set forth in its resolution entitled
22 "Resolution Modifying the Urban Renewal Plan for Northwest Urban Renewal
23 Area, Project No. 1", of that date, attached hereto as Exhibit "A" (hereinafter
24 referred to as the "Northwest Plan Modification"), and the Planning Commission
25 thereafter referred said modification to the Council for its review and approval

District of Columbia City Council Report

City Hall, 14th and E Streets, N.W. Room 507 638-2223 or Government Code 137-3806

To COUNCIL MEMBERS
From STERLING TUCKER, STChairman, Housing & Urban Development Committee
Date December 19, 1972
Subject Modification to the Downtown
Urban Renewal Plan

Mr. Chairman and Members of the Council, the Committee recommends for Council approval the attached resolution which approves a modification to the Urban Renewal Plan for the Downtown Urban Renewal Area. This modification was approved by the National Capital Planning Commission on October 5, 1972, and was the subject of a public hearing by the Council on November 22, 1972.

The proposed modification would delete the ceiling on the number of dwelling units and the number of bedrooms per net residential acre permitted in Residential-High Density areas north of Massachusetts Avenue, thereby permitting a density consistent with the intensity of development consistent with the R-5-D zoning in the area established by the Zoning Commission on December 8, 1972. In addition, the modification would eliminate an inconsistency between the general development requirements regulating the amount of lot area covered by buildings and parking (required open space) and the specific development requirements (lot occupancy) applicable to Residential-High Density disposition lots. The modification would limit total building area or building area plus parking area to 75 percent of any disposition lot.

The purpose of this modification is to encourage high-density apartment development in the area of Mount Vernon East to provide a residential walk-to-work population.

I move adoption of the attached resolution approving the plan modification.

Re: Downtown Urban Renewal Area

Dear Mr. Nevius:

Pursuant to the provisions of Sections 6(b) and 12 of the District of Columbia Redevelopment Act of 1945, as amended, and Section 402(122) of Reorganization Plan No. 3 of 1967, there are transmitted herewith three (3) certified copies of the resolution of the National Capital Planning Commission adopted at its meeting on October 5, 1972, modifying the urban renewal plan for the Downtown Urban Renewal Area.

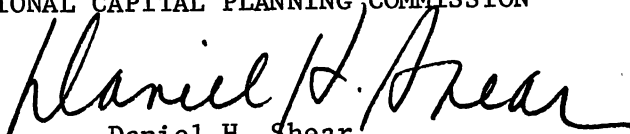

There is also transmitted the report of the Commission's Urban Renewal and Housing Committee recommending the adoption of the modification to the urban renewal plan.

Following approval of the modification by the District of Columbia Council, please transmit to this Commission three (3) certified copies of the resolution of the Council approving such modification.

Sincerely yours,

RESOLUTION MODIFYING THE URBAN RENEWAL PLAN FOR
THE DOWNTOWN URBAN RENEWAL AREA

October 5, 1972

WHEREAS, pursuant to Section 6(b) of the District of Columbia Redevelopment Act of 1945, as amended (hereinafter referred to as the "Redevelopment Act"), an Urban Renewal Plan for the Downtown Urban Renewal Area (hereinafter referred to as the "Urban Renewal Plan") was adopted on January 9, 1969 by the National Capital Planning Commission (hereinafter referred to as the "Commission") and approved on January 28, 1969, after public hearing thereon by the District of Columbia Council (hereinafter referred to as the "Council");

WHEREAS, certain modifications to the Urban Renewal Plan have been adopted by the Commission and approved, after public hearings thereon, by the Council;

WHEREAS, a further modification to the Urban Renewal Plan is necessary to accomplish redevelopment and rehabilitation within the Project Area, to provide maximum opportunity for such redevelopment and rehabilitation by private enterprise, and to accomplish the objectives of the Urban Renewal Plan; and

WHEREAS, such modification is consistent with the objectives and policies of Section 101 of the National Environmental Policy Act of 1969, conforms to the Comprehensive Plan for the National Capital,

and will not adversely affect the quality of the environment in the National Capital Region.

BE IT RESOLVED, that pursuant to Sections 6(b) and 12 of the Redevelopment Act, the Commission adopts the following modification to the Urban Renewal Plan:

1. Amend the third paragraph of Section 424.00 to read as follows:

"The density of development shall be not less than 120 Dwelling Units per net residential acre. The maximum Height of Building shall be 90 feet."

2. Amend the first sentence of Paragraph 631.11 by changing the figure "65" to read "75".

3. Amend Paragraph 632.20 by deleting the words "and not more than 200 Dwelling Units".

4. Amend Paragraph 632.30 by deleting the words "shall not contain more than 175 bedrooms per net residential acre and".

DOWNTOWN URBAN RENEWAL AREA -
PROPOSED URBAN RENEWAL PLAN MODIFICATION
(HOUSING AREAS)Report of the Urban Renewal and Housing Committee

October 5, 1972

The Committee recommends that the Commission (1) waive paragraphs 2 and 3 of Section 4 of the Commission's Requirements for Urban Renewal Proposals (37 Federal Register 7122-7123) and (2) adopt a resolution in the form attached to this report modifying the Urban Renewal Plan for the Downtown Urban Renewal Area.

* * *

On August 11, 1972, the Zoning Commission, by Order No. 50, rezoned on an emergency basis the Mount Vernon Square East Area in the Downtown Urban Renewal Area from C-3-B to R-5-D for a period not to exceed 120 days. The emergency rezoning followed a request by the Redevelopment Land Agency that the Zoning Commission give prompt consideration to zoning the Mount Vernon Square East Area in accordance with the Urban Renewal Plan "because of the imminence of private development contrary to the intent of the public policy for the Mount Vernon Square East Area".

The Committee understands that the Zoning Commission will hold a public hearing on several alternative zoning proposals for this area and make a definitive determination as to the appropriate permanent zoning for the area prior to the expiration of the emergency order. These alternatives were developed by the staffs of the Zoning Commission, the Redevelopment Land Agency, and the Planning Commission. Among the alternatives to be considered by the Zoning Commission are one or more which would zone a substantial part of the area R-5-D.

The Committee believes such R-5-D zoning to be consistent with the intent of the Urban Renewal Plan, although language in existing Section 424.00 and Paragraphs 632.20 and 632.30 would appear to translate to R-5-C zoning. In order to conform the standards and requirements of the Plan to its objectives with respect to high density residential development in the Mount Vernon Square East Area and other residential areas in the Downtown Urban Renewal Area before

Zoning Commission action on definitive rezoning of the area, the Committee recommends adoption of the modification to the Urban Renewal Plan set forth in the attached form of resolution.

Description of Modification

The modification would delete the ceiling on the number of dwelling units and the number of bedrooms per net residential acre permitted in residential-high density areas in the Urban Renewal Plan. Such limitations are consistent with R-5-C zoning but not with R-5-D zoning.

In addition, the modification would eliminate an inconsistency between the general development requirements in Paragraph 631.11 and the specific development requirements applicable to residential-high density disposition lots in Paragraph 632.50 with respect to lot occupancy.

Environmental Impact

A Description of Environmental Impact of the proposed modification has been reviewed by the Committee.

Citizen Participation

Since approval of the modification and Zoning Commission action on definitive zoning for the Mount Vernon Square East Area is essential before expiration of the emergency rezoning order, there was not sufficient time to permit Coordinating Committee review and circulation to interested and affected community organizations of the proposed modification in accordance with Paragraphs 2 and 3 of Section 4 of the Commission's Requirements for Urban Renewal Proposals (37 Federal Register 7122-7123). The Commission is requested to waive these requirements.

However, a special briefing session was called on Monday, October 2nd to review the Proposed Urban Renewal Plan Modification for interested and affected agencies and community organizations. Attending the session were representatives from Downtown Progress, Metropolitan Washington Planning and Housing Association, the Center City Community Corporation, the Model Cities Commission, the Model Cities Economic Development Corporation and the Redevelopment Land Agency.

The consensus of those attending the session was that the Commission should take favorable action on the Proposed Plan Modification.

Conformance to Other Requirements

No other provisions of the Commission's Requirements for Urban Renewal Proposals are applicable to this proposed modification.

District of Columbia City Council Report

City Hall, 14th and E Streets, N.W. Room 507 638-2223 or Government Code 137-3806

To Members of the Council
From Sterling Tucker, [↑]Chairman, Housing and Urban Development Committee
Date December 19, 1972
Subject Modifications to the Northwest No. 1 Urban Renewal Plan

Mr. Chairman and members of the Council, the Committee recommends for Council approval two resolutions approving two separate modifications to the Urban Renewal Plan for the Northwest No. 1 Urban Renewal Areas. These modifications were approved by the National Capital Planning Commission on September 7 and October 5, 1972. They were the subject of a public hearing by the Council on November 22, 1972 and were unopposed.

The first modification would provide a 3.4 acre site for a school to replace the existing Perry and Simmons Elementary Schools. This school site, located between New Jersey Avenue and North Capitol, H and Eye Streets, NW, together with the enlarged Walker-Jones Elementary School, would meet the elementary school needs of the Project Area. This site is adjacent to the proposed recreation facilities to be developed by Gonzaga High School.

The second modification would combine approximately 8,000 square feet of vacant land now designated for commercial use, with the adjoining Semi-Public use. This land is contiguous to an existing commercial parking structure and was originally planned to be added to the parking garage site. However, the parking garage owner does not desire to acquire the land. It is anticipated that Gonzaga High School would acquire the land and develop a football field, gymnasium, and community center on it and on the adjoining Semi-Public site.

The second modification would also change the percentage--from 60 to 35--of the frontage along North Capitol Street, between H and Eye Streets, NW, required to be improved by a building or buildings. Under this modification, Gonzaga could develop a football field along North Capitol Street in an east-west orientation, the only feasible location for such a facility on the site.

I move adoption of the attached resolution approving plan changes for the elementary school site.

I move adoption of the attached resolution approving the plan changes for the Gonzaga High School site.

RESOLUTION MODIFYING THE URBAN RENEWAL PLAN FOR
NORTHWEST URBAN RENEWAL AREA, PROJECT NO. 1

September 7, 1972

WHEREAS, pursuant to Section 6(b) of the District of Columbia Redevelopment Act of 1945, as amended (hereinafter referred to as the "Redevelopment Act"), an Urban Renewal Plan for Northwest Urban Renewal Area, Project No. 1 (hereinafter referred to as the "Urban Renewal Plan") was adopted on March 7, 1963 and readopted on September 12, 1963, by the National Capital Planning Commission (hereinafter referred to as the "Commission") and approved on October 10, 1963, after public hearing thereon, by the Board of Commissioners of the District of Columbia (hereinafter referred to as the "District Commissioners");

WHEREAS, pursuant to Sections 6(b) and 12 of the Redevelopment Act, the Commission has heretofore adopted, and the District Commissioners and the District of Columbia Council have heretofore approved, after public hearing thereon, modifications to the Urban Renewal Plan;

WHEREAS, further modifications to the Urban Renewal Plan are necessary to accomplish redevelopment of the Urban Renewal Area and to provide maximum opportunity for such redevelopment by private enterprise;

WHEREAS, The Commission finds, based on the Description of Environmental Impact prepared by the staff of the Commission, that the modifications to the Urban Renewal Plan are consistent with the objectives and policies of Section 101 of the National Environmental Policy Act of 1969 and would not adversely affect the quality of the environment in the National Capital Region.

BE IT RESOLVED that, pursuant to Sections 6(b) and 12 of the Redevelopment Act, the Commission adopts the following modifications to the Urban Renewal Plan for Northwest Urban Renewal Area, Project No. 1:

MODIFICATION NO. 1

1. In Section 300.00, delete the words "(NCPC Map File No. 31.10(05.12)-26533)".
2. Renumber Paragraph 428.50 and add a new Paragraph 428.40 to read as follows:

"428.40 Perry and Simmons Elementary Schools Replacement

"The area designated on Map No. 2 as "Elementary School" shall be improved by a replacement for the existing Perry and Simmons Elementary Schools, sufficient, with the enlarged Walker Jones Elementary School, to meet the elementary school needs of the Project Area.

"428.41 Lot Occupancy

"The maximum Building Area shall be 35 percent of the lot area, provided that at least 70 percent of the roof of the building shall be developed for play space. The combination of playfield and roof-top play space shall be not less than 150 square feet per pupil.

"428.42 Height

"No building shall exceed fifty (50) feet in height.

"428.43 Off-Street Parking

"Not more than 30 off-street parking spaces, located within the building and below the ground floor level, shall be provided.

"428.44 Off-Street Loading

Not less than one off-street loading space shall be provided.

"428.45 Treatment of School Grounds and Playfields

"The school grounds shall be adequately landscaped with appropriate surfacing, planting, playground equipment and similar improvements to create safe and attractive environment for children and others using the school facilities. Playfields that adjoin a pedestrian way or residential properties shall be separated therefrom

by adequate screening with appropriate landscaping. Adequate screening shall also be provided along H Street, but landscaping shall be placed within the right of way of H Street. The use of fencing, particularly along I Street and the Pedestrian Way (extension of I Street) shall be avoided and landscaping shall be provided within their respective rights-of-way. A pedestrian way 20 feet in width shall be designed, developed and maintained in conjunction with the school and located along its west boundary between H and I Streets. The pedestrian way shall permit unobstructed public pedestrian access along the full extent of the pedestrian way and shall be developed so as to provide access for emergency vehicles and permit installation and maintenance of underground utilities and surface improvements, such as landscaping, lighting and paving, comparable to other Pedestrian Ways in the Project Area.

"428.46 Accessibility

"Vehicular access to the school shall be from Eye Street and pedestrian access shall be from the pedestrian way and Eye Street."

3. In Section 510.00, delete the words "(NCPC Map File No. 31.10(05.50)-26534)".
4. In Section 610.00, delete the words "(NCPC Map File No. 31.10(44.40)-26535)".
5. Substitute Map No. 2, Land Use Plan, Map No. 3, Land Acquisition, and Map No. 4, Site Development Plan, (NCPC Map File Nos. 31.10(05.12)-26924, 31.10(05.50)-26925, and 31.10(44.40)-26926, for Maps Nos. 2, 3, and 4, NCPC Map File Nos. 31.10(05.12)-26533, 31.10(05.50)-26534, and 31.10(44.40)-26535, respectively.

MODIFICATION NO. 2

1. In Section 300.00, delete the words "(NCPC Map File No. 31.10(05.12)-26533)".

2. In Paragraph 410.03, delete the words "or within ten (10) feet of the south line of H Street."
3. Amend the title of Section 427.00 to read "Commercial-General, including air space development".

4. Amend Paragraph 427.01 to read as follows:

"427.01 Permitted Uses

"No building shall be used except for offices for chanceries, non-profit organizations, labor unions, and architects, dentists, doctors, engineers, lawyers, and similar professional persons and retail commercial on the ground floor primarily serving occupants of such building, such as restaurant and bar (except carry-out of food or drink), newsstand, florist, gift and card shop, and pharmacy."

5. In Paragraph 427.02, amend the figure "60" to read "100", change the period at the end thereof to a comma, and add the words "including the area of 2nd Street, N.W. between Massachusetts Avenue and H Street."

6. Amend Paragraph 427.05 to read as follows:

"427.05 Off Street Parking

"Not more than one off-street parking space shall be provided for each 1,800 square feet of gross floor area. All off-street parking shall be located below the ground floor and access thereto shall be limited to 2nd Street, N.W."

7. Add the following at the end of Paragraph 427.06: "All off-street loading berths shall be located completely within buildings and shall not be visible from streets and plazas and access to such loading berths shall be limited to H and 2nd Streets."
8. Renumber Paragraphs 428.01, 428.02, 428.03, and 428.04 as 428.01, 428.20, 428.80, 428.50, respectively, and add the following at the end of Paragraph 428.20, as renumbered: "Improvements to parks

abutting New Jersey Avenue shall extend to the sidewalk within the right-of-way of New Jersey Avenue."

9. Amend Section 450.00 to read as follows:

"450.00 Duration of Land Use Provisions and Building Requirements

"Property acquired by the Agency shall be subject to the provisions of this Plan for a period of twenty (20) years from the date of the initial approval of this Plan by the District Commissioners, except that the prohibition on the construction of buildings within the setbacks required along North Capitol Street by Paragraph 410.03 of this Plan shall be of perpetual duration and appropriate covenants, running with the land forever, implementing such prohibition and setbacks shall be incorporated by the Agency in all instruments for the disposition of such portions along North Capitol Street, respectively."

10. In Section 510.00, delete the words "(NCPC Map File No. 31.10(05.50)-26534)".
11. In Section 610.00, delete the words "(NCPC Map File No. 31.10(44.40)-26535)" and the second paragraph.
12. Substitute Map No. 2, Land Use Plan, Map No. 3, Land Acquisition, and Map No. 4, Site Development Plan, (NCPC Map File Nos. 31.10(05.12)-26927 31.10(05.50)-26928, and 31.10(44.40)-26929, for Maps Nos. 2, 3, and 4, NCPC Map File Nos. 31.10(05.12)-26563, 31.10(05.50)-26534, and 31.10(44.40)-16535, respectively.

NORTHWEST URBAN RENEWAL AREA, PROJECT NO. 1
URBAN RENEWAL PLAN MODIFICATIONReport of the Urban Renewal and Housing Committee

September 7, 1972

The Committee recommends that the Commission adopt a resolution in the form attached to this report modifying the Urban Renewal Plan for the Northwest Urban Renewal Area, Project No. 1.

* * *

The Committee has reviewed the proposed modification to the Urban Renewal Plan for the Northwest Urban Renewal Area, Project No. 1, prepared by Commission staff that would (1) provide a site of approximately 3.4 acres for a new elementary school to accommodate approximately 830 students from the Project Area, (2) retain New Jersey Avenue between Massachusetts Avenue and K Streets, N.W., (3) provide a site for a low-income, large-family project along the east side of New Jersey Avenue, N.W., between H and Eye Streets, (4) designate the area bounded by H Street, 2nd Street, and New Jersey Avenue, N.W., as a Public (Park) area, and (5) change the development requirements on the Commercial-General use site located along 2nd Street, between Massachusetts Avenue and H Streets, N.W. to allow greater intensity of development on the modified site and air-space development over 2nd Street.

Description of Proposed Modification

The proposed modification is described generally in a memorandum dated July 17, 1972 from the Executive Director to Commission Members and Alternates.

Previous Commission Action

At its July 1, 1971 meeting, the Commission adopted a modification to the Urban Renewal Plan to provide a school site of approximately 3.4 acres to accommodate 830 students from the Project Area. This school site was generally bounded by First, Second, H and Eye Streets, N.W. However, the District of Columbia Council - after a public hearing on October 28, 1971 - referred the modification back to the Commission with the recommendation New Jersey Avenue be closed between Eye Street and H Street, as provided

in the approved Urban Renewal Plan. Subsequently, a number of additional alternative solutions to the school needs in Northwest were developed in conjunction with the interested agencies and community groups.

As a results of these efforts, the Commission at its May 4, 1972 meeting, approved, as a basis for the preparation of an appropriate modification to the Urban Renewal Plan, (1) the site boundaries of the Perry-Simmons Elementary Schools Replacement, east of New Jersey Avenue, between H and Eye Streets, N.W., as shown on NCPC Map File No. 31310 (31.10)-26747, and (2) the following development concepts for this proposed school and authorized their circulation to interested and affected public agencies and community groups for their comment:

(a) a site of approximately 3.4 acres:

(b) retaining New Jersey Avenue between Massachusetts Avenue and K Streets, N.W.:

(c) permitting within the right-of-way of New Jersey Avenue between H and Eye Streets, N.W., the use of: (1) 40 feet on the east side of the existing right-of-way as part of the public housing site for the elderly with no buildings permitted thereon, and (2) 40 feet on the west side of the right-of-way as part of a public park with no buildings permitted thereon; and

(d) closing First Street, between H and Eye Streets, N.W., to permit development of the school.

The proposed modification incorporates the school site and related development concepts approved by the Commission.

Conformance with Urban Renewal Requirements

In accordance with the Commission's Requirements for Urban Renewal Proposals, the Executive Director prepared and circulated the proposed modification to interested and affected public agencies and community groups on July 24, 1972. Written comments were requested to be submitted on or before noon August 18. The proposed modification was also transmitted to Commission members and alternates on July 17.

Agency Comments

Written comments were received within the established deadline from the D.C. Fire Department, the D.C. Office of Housing Programs and the D.C. Redevelopment Land Agency. Their comments and suggestions on the proposed modification are summarized below:

1. D.C. Fire Department stressed the vital importance of keeping New Jersey Avenue open in this area insofar as the efficient operations of Fire Department units are concerned and supported the modification to the urban renewal plan with reference to keeping New Jersey Avenue open.

2. D.C. Office of Housing Programs indicated that the proposed development of Public Housing Site No. 5 has been discussed and negotiated for well over two years and that "we believe that all parties have arrived at an alternative they can live with." The Office asked the Commission to identify an alternative site (or sites) outside the urban renewal area to make up for the loss of a potential 25 townhouses or 102 walk-up apartments and recommended that the school site and housing site designations be considered separately from the other elements of the proposed modification.

3. D.C. Redevelopment Land Agency indicated that "we cannot support the change..." Instead, the Agency has recommended 13 changes that it believes "would improve the change and the ability of the Agency to carry it out and should be seriously considered by the Planning Commission." The Agency's comments and recommendations on the proposed modifications are as follows:

(a) Elementary School

(1) Locate the Perry-Simmons Elementary Schools replacement in the area bounded by 2nd, H, and Eye Streets and the First Street Pedestrian Way.

(2) Retain New Jersey Avenue closed with a perpetual easement through the elementary school site in accordance with the approved Plan.

(3) The Board of Education should respond to the controls relating to the proposed school site, particularly the 20-foot pedestrian way.

(b) Public Housing

(1) Expressed concern about the reduction in housing units for large, low income families that have previously been included in relocation considerations and whether the reduced number of units might be unattractive or possibly infeasible for a developer to build.

(2) Retain Public Housing Site No. 5 as in the approved Plan.

(c) Commercial (General) Site

(1) Expressed concern that reduction in size of Commercial (General) site would cause unrealized sale proceeds and result in the need for an increased Federal grant of the same amount since, if HUD does not agree to possible additional funds, the city must meet this obligation.

(2) Indicated that air space development on the Commercial (General) site would be received with considerable reluctance by developers as the necessary approvals from the District of Columbia Government would be time consuming and suggested that projections of the building be permitted over the right-of-way to accomplish the same objective or 100% coverage of the site in lieu of air space development over the street.

(3) Suggested that general office use be permitted on the Commercial (General) site rather than the more restrictive office uses indicated in the proposed modification.

(4) Recommended that the 10-foot setback requirement along the south side of H Street (Section 410.03 of the approved Plan) be eliminated.

(d) Park Area

(1) Stated that the park located between New Jersey Avenue, 2nd and H Streets may be isolated and of little use to residents of the area.

(2) Expressed concern that improvements to parks abutting New Jersey Avenue could be successfully carried because of different agency jurisdictions over the land.

(e) Consent of Developers

Expressed concern regarding consent of developer affected by the proposed Plan change, namely the Golden Rule site within a portion of New Jersey Avenue right-of-way, inasmuch as RLA has a contractual agreement with the developer for a portion of the right-of-way.

(f) Separation of Modification

Recommended that the modification be split into two modifications--one dealing with the school replacement and the second dealing with New Jersey Avenue and adjoining land uses.

Environmental Impact

The Committee reviewed the Description of Environmental Impact prepared by the Commission staff in accordance with the Commission's Environmental Policies and Procedures. The Committee believes that the Description of Environmental Impact is consistent with the Commission's Environmental Policies and Procedures and is an adequate basis for the Commission to make a finding that this modification to the Urban Renewal Plan will not adversely affect the quality of the environment in the National Capital Region.

Community Participation

Under the Commission's Requirements for Urban Renewal Proposals, the proposed modification has been circulated to interested and affected community organizations with the request that written comments be sent to the Commission on or before noon, August 18. No comments were received as of this deadline.

Project Evaluation

The Committee believes that the proposed modification is consistent with the actions taken by the Commission on May 4, 1972. However, the Committee recommends that the changes related to the provision of the elementary school, on which there appears to be substantial agreement between all public officials and community groups concerned, should be adopted by the Commission as a separate modification from the changes relating to the retention of New Jersey Avenue. Accordingly, the attached draft resolution contains two modifications to the Urban Renewal Plan.

The first modification would provide an adequate site for the much-needed elementary school.

The second modification would carry out the Commission's desire to retain New Jersey Avenue as a Special Street while compensating for any possible reduction in park area or in Commercial (General) space within the Project Area. It would provide an estimated 26 additional large-family, low-income housing units in lieu of the 51 units previously approved on Public Housing Site No. 5. In addition, the National Capital Housing Authority and the staff of the Commission are jointly undertaking a site selection study to identify a site or sites for the 25 other large-family, low-income housing units outside of the urban renewal area in order to compensate for the loss of units.

The Committee has reviewed the written comments received from the Fire Department, the Office of Housing Programs and the Redevelopment Land Agency. The Committee has considered RLA's comments and regrets that the Agency cannot support any of the several elements of the proposed modification. In contrast with the Agency's views, the Committee believes that the proposed modifications are a workable solution to the various planning issues involved in completing the renewal of the Urban Renewal Area and should be adopted by the Commission. However, the Committee does believe that the proposed changes suggested by the Agency to:

- (1) permit 100 percent coverage on the Commercial (General) site, and
- (2) eliminate the 10-foot setback along H Street should be incorporated in the modification considered by the Commission. With respect to the Agency's suggestion that air space development be deleted and a provision substituted permit projection of the building over the right-of-way (as was done with the Presidential Building on Pennsylvania Avenue) in accordance with provisions in the Building Code, the Committee believes that the modification, as proposed, would permit a developer to use either a projection over part of the right-of-way or spanning the full right-of-way of 2nd Street.

 17

18 WHEREAS, the Downtown Plan Modification (1) amends Section
 19 424.00 of the Plan, to remove the limitation on the number of dwelling
 20 units permitted in Residential-High Density areas; (2) amends Paragraph
 21 631.11, respecting "Required Open Space", to provide that the sum of
 22 the Building Area and the off-street parking area on any lot shall not exceed
 23 75% of the area of the lot instead of 65% in order to conform to the lot
 24 occupancy requirements in Paragraph 632.50 respecting Residential-High
 25 Density disposition lots; and (3) amends Paragraph 632.20, subtitled
 26 "Dwelling Unit Density", and Paragraph 632.30, subtitled "Bedroom
 27 Density", to remove the limitation on the number of dwelling units and
 28 the limitation on the number of bedrooms permitted in Residential-High
 29 Density disposition lots; and
 30

31 WHEREAS, it is desirable to amend the Plan to provide development
 32 standards and requirements which will more fully achieve the objectives
 33 of the Plan respecting high density residential development in the area; and

District of Columbia City Council Report

City Hall, 14th and E Streets, N.W. Room 507 638-2223 or Government Code 137-3806

To MEMBERS OF THE COUNCIL
From STERLING TUCKER, ST Chairman, Housing and Urban Development
Committee
Date 19 December 1972
Subject Resolution approving Model Cities Budget Revision #8

Mr. Chairman and Members of the Council, this Committee recommends adoption of the attached resolution which approves Budget Revision #8 to the Second Year Model Cities Program. The attached letter from the Mayor to the area office of the Department of Housing and Urban Development describes the proposed budget revisions.

1972 Summer Projects -- As you well recall, the Council gave informal approval to the 1972 Summer Projects of the Model Cities Program. At our request these programs were redesigned to encourage youth employment in the building trades and in professional offices. Our approval of the summer program at this time simply confirms the action which we took at the beginning of the summer. It is our hope that the Model Cities Program will begin planning for the 1973 Summer Program sufficiently in advance to design programs which bring Model Neighborhood youths into contact with work experiences rather than simply providing recreation.

Economic Development Corporation -- The budget revision provides for the allocation of \$700,000 in unused program funds to the Model Cities Economic Development Corporation (EDC). The EDC plans to invest these funds in a Minority Enterprise Small Business Investment Corporation (MESBIC). There are two primary advantages to establishing a MESBIC: the Small Business Administration (SBA) provides a 90% guarantee on all loans and SBA 3 to 1 matching funds for investment. The MESBIC is intended to operate in the Model Neighborhood to provide technical assistance and financing for new businesses. For instance, the EDC is presently financing applications from a business machine repair company, an auto repair center, two super markets, and an apartment complex at 10th and M Streets, Northwest, which will include first floor commercial space.

. . . continued . . .

-2-

The SBA is prepared to license the MESBIC as soon as the budget revision is approved. The Committee is pleased to report that the EDC is making substantial progress and is likely to become the most important aspect of the Model Cities Program in terms of an impact on the basic economic problems of the Model Neighborhood.

Housing Development Corporation -- The budget revision includes \$336,000 in re-programmed Model Cities funds for the Model Cities Housing Development Corporation (HDC). These funds will be used to acquire seventy sub-standard housing units in the Model Neighborhood for rehabilitation and five parcels of land for redevelopment.

Housing Assistance Program -- \$318,352 is programmed for a Housing Assistance Program in the Model Neighborhood. This program will be operated by the Model Cities HDC and will provide down payment grants for home purchase by low-income families in the Model Neighborhood. It is expected that most grants will be used in conjunction with the FHA 235 program, although in some instances conventional financing may be used.

Stanton Park Office Renovation -- The budget revision also would set aside the sum of \$200,000 to renovate an existing warehouse in the Stanton Park area. This warehouse was given to Hospitality House, a non-profit social service agency. The funds would be used for renovation to provide office space for community groups, private businesses, city agencies, and Model Cities programs. Hospitality House is the sponsor for this project and will work in cooperation with HDC.

Cancer Radiotherapy Project -- \$101,580 will be set aside for the cancer radiotherapy unit to be established at the Freedmen's Hospital. The funds will provide for the installation of x-ray machines. The center will be used for the care of cancer victims in the Model Neighborhood and will be operated by Howard University College of Medicine.

Resident Employment and Training Unit -- The sum of \$12,871 will be allocated to Model Cities Administration to staff a Resident Employment and Training Unit. This unit will operate, monitor and evaluate all Model Cities employment programs.

Other project changes -- Because of the recent funding cuts from projects under Title 4-A of the Social Security Act, three Model Cities Programs will receive additional funding from Model Cities funds to make up for Social Security fund reductions, these are: Model Cities Scholarship Program operated by the Department of Human Resources which will receive

a supplement of \$307,000, National Capital Area Child Day Care Project which will receive an additional \$100,000, and the Drop Out Prevention Project which was formerly operated by the Federal City College but which will now be operated by the Northeast Neighborhood House.

The Committee believes that the budget revisions which have been submitted for Council review are necessary and appropriate for continued operation of the Model Cities Program. We, therefore, recommend adoption of Budget Revision #8. I move adoption of the attached resolution.

Notice of Intent was published in the D. C. Register on October 30, 1972.

Mayor-Commissioner

OCT 5 1972

Mr. Terry Chisholm
Washington, D.C. Area Director
Department of Housing and Urban
Development
1875 Connecticut Avenue, N.W.
Washington, D.C. 20009

Dear Mr. Chisholm:

On behalf of the District of Columbia's Model Cities Program, I am submitting Budget Revision #8 for review and approval by the Department of Housing and Urban Development.

The attached budget includes the following major items:

1. 1972 Summer Projects

These seven projects operated under a Letter to Proceed issued by HUD on June 30, 1972. The cost figures included in this budget represent our best estimate of actual project costs during the summer period. These figures will be further revised when final cost figures are available.

Also attached is a copy of the work program amendment for the Northeast Neighborhood House summer project which was revised in response to community need.

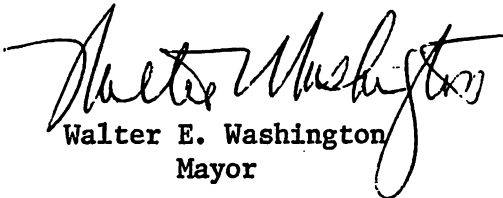

2. Project Work Programs Using Second Year Reprogrammed Funds

a. Economic Development Corporation	\$ 700,000.00
b. Housing Development Corporation	\$ 336,000.00
c. Housing Assistance Program	\$ 318,352.00
d. Stanton Park Office Renovation	\$ 200,000.00
e. Cancer Radiotherapy Project	\$ 101,580.00

3. Staff Positions for Resident Employment and Training Unit (\$12,871.00)
4. Justification of Major Project Changes
 - a. Model Cities Scholarship Program
 - b. National Capital Area Child Day Care Project
 - c. Dropout Prevention Project

We are counting on your assistance in expediting this budget revision.

Sincerely yours,

Walter E. Washington
Mayor

Date Adopted

Resolution

of the

District of Columbia City Council

TITLE RESOLUTION APPROVING THE DESIGN OF A LICENSE PLATE TO COMMEMORATE THE NATIONAL BICENTENNIAL CELEBRATION

Councilman Jerry A. Moore, Jr. Presents the following Resolution:

1 WHEREAS, Section 2 of District of Columbia Council Regulation No. 72-13,
2 adopted on June 20, 1972, states that the Commissioner of the District of
3 Columbia shall propose a new design and colors of the motor vehicle tags of the
4 District of Columbia, taking into account visibility, safety, distinctiveness, and
5 overall graphic design in relation to the National Bicentennial Celebration; and
6

7 WHEREAS, pursuant to Section 2 of the Regulation, the Commissioner held a
8 public hearing to afford private citizens an opportunity to submit designs for the
9 Bicentennial license plates to the Commissioner; and
10

11 WHEREAS, as a result of said hearing, and pursuant to Section 2 of the
12 Regulation, the Commissioner has submitted his recommendation on the design for
13 the Bicentennial license plates to the Council.
14

15 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:
16

17 Section 1. The Council does hereby establish as the design for the license
18 plates of the District of Columbia, taking into account visibility, safety,
19 distinctiveness, and overall graphic design in relation to the National Bicentennial
20 Celebration, a standard size license plate with a white reflective background
21 containing across the top thereof in blue the legend "1776 BICENTENNIAL 1976" and
22 across the bottom thereof in blue the legend "3-31 WASHINGTON, D. C." and a
23 debossed rectangle for the placement of subsequent year validation stickers. The
24 license plate, with the exception of low number motor vehicle tags, shall contain
25 across the middle thereof in blue two sets of three identifying numbers separated
26 by a pictorial depicting in blue the dome of the United States Capitol, and shall
27 contain, both above and below said numbers, a thin red stripe running horizontally
28 across the width of the plate; provided, that the same design shall be utilized for
29 the low number motor vehicle tags, except that the Capitol dome shall, on such
30 tags, appear to the left of the numerals; provided, further, that the same design
31 shall be utilized for the personalized motor vehicle tags, except that the Capitol
32 dome shall not appear on such tags.

RESOLUTION NO. 72-102

December 19, 1972
Date Adopted

Resolution
of the
District of Columbia City Council

TITLE RESOLUTION SUPPORTING THE BUS ACQUISITION COSTS FORMULA FOR THE JURISDICTIONS COMPOSING WMATA

Reverend Jerry A. Moore, Jr. Presents the following Resolution:

1 WHEREAS, the National Capital Area Transit Act of 1972 provides for the
2 acquisition of the operating assets of the local transit companies by the Washington
3 Metropolitan Area Transit Authority; and
4
5 WHEREAS, the Washington Metropolitan Area Transit Authority is submitting
6 final application to the Urban Mass Transit Administration for federal assistance in
7 funding said acquisition; and
8
9 WHEREAS, the Washington Metropolitan Area Transit Authority Board of
10 Directors, with the affirmative votes of the representatives of the District of Columbia,
11 has approved formulas for the allocation (and re-allocation) of the local share of the
12 acquisition costs among the jurisdictions of Maryland, Virginia and the District of
13 Columbia, and for the allocation by jurisdiction of operating deficits which may be
14 incurred in bus transit operations; and
15
16 WHEREAS, the several jurisdictions have been requested by the Washington
17 Metropolitan Area Transit Authority to adopt the recommended formulas and pledge the
18 necessary local contributions; and
19
20 WHEREAS, the recommended formulas have been favorably received at public
21 hearings on the acquisition.
22
23 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council that:
24
25 Section 1. A timely capital contribution by the District of Columbia of
26 approximately \$19,000,000 representing approximately 52 per cent of the total local
27 share of 35.4 million dollars is hereby approved, subject to appropriation, in accordance
28 with the initial capital cost allocation formula developed by the Washington
29 Metropolitan Area Transit Authority. It is understood that said contribution will be
30 adjusted upward or downward annually over a ten-year period in accordance with revenue
31 bus miles operated by the WMATA in the several jurisdictions in its operating area. It
32 is further understood that WMATA will exercise its best efforts to allocate the use of
33 new busses and other capital facilities among the jurisdictions in accordance with their
relative capital contributions.

Section 2. Timely contributions by the District of Columbia as necessary to meet any annual bus transit operating deficit incurred by WMATA are hereby approved, subject to appropriation, in accordance with the principle that such operating deficit be computed by deducting operating revenues attributable to the District from operating costs attributable to the District.

Section 3. The District of Columbia Council hereby states its intention to include the sums referred to in sections 1 and 2 of this Resolution in future capital or operating budgets of the District of Columbia as appropriate.
