of the

District of Columbia City Council

TITLE RESOLUTION URGING FEDERAL SUPPORT FOR BLUE PLAINS WASTE WATER TREATMENT PLANT

Mr. Rockwood H. Foster Presents the following Resolution:

1 WHEREAS, America's rivers are being polluted by the discharge of
2 raw sewage; and

3
4 WHEREAS, exemplary cooperative action by the Environmental

6 to the expansion of the Blue Plains Wastewater Treatment Plant to analyze the
7 effect of reducing the amount of polluting substances from the waste waters
8 discharged into a major river basin; and

9
10 WHEREAS, the Blue Plains Wastewater Treatment Plant, though
11 incomplete, is the most advanced regional project of this nature in the Nation; and

12
13 WHEREAS, the funding for the project, presently received by the
14 State of Maryland, the Commonwealth of Virginia and the District of Columbia
15 is insufficient to allow the project to proceed; and

16
17 WHEREAS, the completion of the project at an early date would have a
18 significant effect upon the cleaning-up of the Potomac and have national impact
19 in determining the positive benefits of regional wastewater treatment plants on
20 major river basins;

21
22 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council
23 that:

24
25 Section 1. The District of Columbia Council does hereby request that the
26 Federal Construction Grant Application be favorably considered at the earliest
27 possible date to allow this important work to proceed.

28
29 Section 2. The Council hereby urges that the State of Maryland and the
30 Commonwealth of Virginia and the District of Columbia, within the limits of
31 their respective authorities, do what they can to assure project completion and
32 prevention of any further damage to our waterways pending completion of the
33 Blue Plains Wastewater Treatment Plant.

Amendatory Grant Budget
Revision Number 9

Honorable Walter E. Washington
Mayor-Commissioner of the
District of Columbia
Washington, D. C. 20004

Dear Mayor Washington:

I am pleased to inform you that I have approved Budget Revision Number 9 of your Comprehensive City Demonstration Program. The following are the changes which have been approved by this action:

1. Increase Relocation from \$125,000 to \$350,000.
2. Add Relocation Special Fund, \$2,000,000.
3. Decrease Comprehensive Prepaid Health Insurance from \$550,000 to \$372,000.

Pursuant to this approval, there are enclosed six copies of the Revised Grant Budget (Revision Number 9), which will now constitute Exhibit A to the Grant Agreement. Receipt of the enclosed Grant Budget copies should be acknowledged by the Chief Executive on behalf of the City, at the place indicated thereon. The Department of Housing and Urban Development will approve the Revised Grant Budget after the City has approved it and returned it to this office.

Kindly return the acknowledged copies of the Grant Budget to this office, together with three certified copies of each of the following documents:

- (1) a resolution of the District of Columbia City Council approving the revised grant budget and the undertakings included therein;
- (2) an Executive Order of the Commissioner of the District of Columbia approving the revised grant budget and the undertakings included therein; and

(3) an opinion of the Corporation Counsel of the District of Columbia to the effect that:

- (a) all undertakings and money amounts in the approved Grant Budget (revision number 9) have been duly approved by the City Council and Commissioner of the District of Columbia and that such revised Grant Budget as so approved now constitutes Exhibit A to the Grant Agreement, and
- (b) there is no pending or threatened litigation or legislation which could affect the legality of the Program/ and/or the Grant Agreement.

Costs incurred for the approved undertakings as included in the Grant Budget from and after the date of this letter will be eligible for reimbursement if the terms and conditions of the Grant Agreement are met.

The following concerns have been raised about this submission in the course of review. Responses to these concerns must be submitted to this office no later than thirty days from the date of this letter.

1. The applicant states in its submission that surveys for and feasibility findings for the Second Year Relocation Project will be completed by mid-December 1972. This would have enabled payments and services to eligible families to begin in January 1973 and be completed in four months. This information has not been received.
2. HUD still awaits information on survey and tracing efforts for those projects for which the Special Supplemental Fund of \$2,000,000 will be used.
3. Applicant must indicate specifically how many Social Service Representatives are expected to be hired with the Second Year Relocation Project funds of \$31,800.
4. Applicant is requested to break down the average relocation tenant assistance payment so as to indicate the amount averaged for moving expenses.

3.

5. Applicant states that the grievance procedures currently operative are those specified in the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970..." The Uniform Relocation Act does not specify details of a procedure. It merely states the necessity of having grievance procedures that it has established to deal with complaints. An outline of the grievance procedures must be submitted.

6. There has been considerable tenant dissatisfaction with the management of Brentwood Village and Mayfair Mansions. (Many tenants have received 30-day notices to vacate. They allege that they have received no assistance from the D.C. Project Rehab Office nor from the management of these projects in obtaining replacement housing). The applicant is requested to thoroughly explain how RHA will overtake its relocation responsibilities specifically at these two projects. Will tenants receive any advance notice of their new status? What will occur and how does Model Cities expect to monitor such occurrences?

If we can be of further assistance, please contact Mrs. Belle Davis of my staff.

Sincerely,

T. C. C.
