District of Columbia City Council Memorandum

City Hall, 14th and E Streets, N.W. Room 507 638-2223 or Government Code 137-3806

To COUNCIL MEMBERS

From STERLING TUCKER, CHAIRMAN, Housing and Urban Development Committee

Date January 8, 1974

Subject Resolution Approving Modifications to the Urban Renewal Plan for the Northwest Urban Renewal Area, Project Number One

Mr. Chairman and members of the Council, the Housing and Urban Development Committee presents for adoption by the Council a resolution approving three modifications to the Urban Renewal Plan for the Northwest Urban Renewal Area, Project Number One.

In summary the plan modifications are:

1. A modification to the Northwest Number One Urban Renewal plan to eliminate approximately 300 feet of a public alley in Square 619, and designation of the land, containing approximately 4,600 square feet, as "Residential - High Density".

The Redevelopment Land Agency indicates that four of the five existing apartment buildings served by this alley will be consolidated into a single site and rehabilitated. The fifth building, which is now vacant, will be demolished and the site will be used for a small park and play space to serve the residents. The proposal would allow the area now occupied by the alley located between Lots 170, 171, 172, 173, and 174 in Square 619 to be combined with property in the rear of the four apartment buildings which will be rehabilitated. This land would be used for open space, parking for approximately 10 cars, and a service area to serve the rehabilitated properties.

2. A modification to the Northwest Number One Urban Renewal plan to correct the Land Acquisition Map to include Lot 813 and part of Lot 814 in Square 556, an area of approximately 1200 square feet, and thereby enable expansion of the Bibleway Church in accordance with the Plan. These properties were inadvertently omitted from properties to be acquired for clearance and redevelopment when Square 556 was added to the Project Area in 1967.

- 2 -

3. A modification to the Northwest Number One Urban Renewal plan to (1) change Lots 15 through 23 and part of 24 in Square 623 from "Semipublic" to "Community Use" to provide an 11,900 square foot site for a small community center to serve the neighborhood and (2) increase maximum building area permitted from 75 percent to 85 percent.

A public hearing was held by the Housing and Urban Development Committee on December 19, 1973, at which time testimony revealed no objections to these proposed modifications.

Approval of the three modifications contained in the resolution pending before us today will provide another step in the orderly and viable redevelopment of the Northwest One Urban Renewal Area.

I, therefore, move adoption of the attached resolution.

TITLE RESOLUTION APPROVING THE MEMORANDUM OF UNDERSTANDING FOR THE BICENTENNIAL NEIGHBORHOOD PRESERVATION DEMONSTRATION

Vice Chairman Sterling Tucker Presents the following Resolution:

1 WHEREAS, on January 31, 1969, the President of the United States affirmed
 2 that the basic framework for the restoration of the areas devastated in the riots of
 3 April 1968, would be one of local initiative and responsibility especially, of
 4 course, with the people who live in the areas and those who own the land deciding
 5 the purposes for which these blocks will be used and the fullest possible support
 6 for those programs which can enable such redevelopment to proceed; and
 7

8 WHEREAS, the purpose for which these blocks will be used pursuant to the
 9 Bicentennial Neighborhood Preservation Demonstration is consistent with the
 10 urban renewal plans previously approved by the Government of the District of
 11 Columbia after public hearing and citizen participation; and
 12

13 WHEREAS, the President's February 4, 1972, Message to the Congress,
 14 outlined a plan for a Federal partnership in the District's observance of the American
 15 Revolution Bicentennial, indicating that the Federal Government has a special
 16 responsibility for the District of Columbia both to make the District a more livable
 17 city and a more attractive city to those who visit, and, furthermore, indicating
 18 that as one of the Bicentennial projects the Federal Government would increase
 19 its efforts to assist in redevelopment of the inner city areas devastated by the
 20 riots of April 1968, by contributing its full share and seeing the obligation through
 21 at an accelerated pace; and
 22

23 WHEREAS, the District of Columbia Bicentennial Commission and Assembly
 24 have identified the redevelopment of the 14th Street, 7th Street, and H Street
 25 Corridors - including the rehabilitation of housing - as one of the highest priority
 26 Bicentennial programs in the District of Columbia; and
 27

28 WHEREAS, in order to initiate the rehabilitation of additional inner city
 29 housing in the District of Columbia on a major scale in time for the Nation's
 30 Bicentennial and to improve those related environmental conditions which
 31 contribute to the health of a community, thereby assuring permanence to this
 32 effort, the U. S. Department of Housing and Urban Development; the Government

RESOLUTION 74-3

--2.of.2--

1 and the Federal City Council entered into a Memorandum of Understanding,
2 dated June 16, 1972, concerning a Bicentennial demonstration project; (herein referred
3 to as the "Original Memorandum of Understanding"); and
4

5 WHEREAS, the President's Housing Policy Recommendations to the Congress
6 on September 19, 1973, concerning Neighborhood Preservation, recognized that
7 simply providing Federal housing assistance to families without regard for the
8 condition of the neighborhood as a whole too often results in unmet expectations
9 for the families, added burdens for the municipality and a waste of the taxpayer's
10 dollars, and, therefore stressed the importance for all Federal efforts in the housing
11 and urban development field to be carried out as a partnership venture of the Federal
12 Government, the local government, local financial institutions, and the citizens of
13 the neighborhoods involved; and
14

15 WHEREAS, HUD has identified the Original Memorandum of Understanding
16 among the four parties as one of the "bona fide commitments" against which the
17 President indicated on September 19, 1973, applications would be processed in FY
18 1974 under those Federally assisted housing programs which are otherwise suspended;
19 and
20

21 WHEREAS, the Original Memorandum of Understanding specified that a
22 nonprofit community corporation, to be known as Federal City Housing Corporation,
23 would be formed to facilitate and promote the rehabilitation of low and moderate income
24 housing in the Nation's Capital and the FCHC was organized subsequently under the
25 laws of the District of Columbia; and
26

27 WHEREAS, the seven parties to this demonstration recognized the long range
28 benefits to be derived from a restructuring of the public and private mechanisms
29 for insuring a coordinated, comprehensive and effective community development
30 program demonstration to expedite neighborhood development as a first step
31 towards achievement of this objective; and
32

33 WHEREAS, the Mayor-Commissioner of the District of Columbia Government
34 has signed the Memorandum of Understanding as one of the seven parties and
35 committed the District Government to this program; and
36

37 WHEREAS, the D. C. City Council, as the legislative branch of the
38 District Government, recognizes and supports the goals to be achieved through
39 this demonstration program.
40

41 NOW, THEREFORE, BE IT RESOLVED by the District of Columbia Council
42 that:
43

44 Section 1. The purposes of the Bicentennial Neighborhood Preservation
45 Demonstration are affirmed.
46

WHEREAS, pursuant to Section 6(b) of the District of Columbia Redevelopment Act of 1945, as amended (hereinafter referred to as the "Redevelopment Act"), an Urban Renewal Plan for Southwest Urban Renewal Area Project C (hereinafter referred to as the "Urban Renewal Plan") was adopted on April 5, 1956, by the National Capital Planning Commission (hereinafter referred to as the "Commission") and approved on November 30, 1956, after public hearing thereon, by the Board of Commissioners of the District of Columbia (hereinafter referred to as the "District Commissioners");

WHEREAS, pursuant to Sections 6(b) and 12 of the Redevelopment Act, the Commission has heretofore adopted, and the District Commissioners and the District of Columbia Council have heretofore approved, after public hearing thereon, modifications to the Urban Renewal Plan;

WHEREAS, a further modification to the Urban Renewal Plan is necessary to accomplish redevelopment of the Urban Renewal Area and to provide maximum opportunity for such redevelopment by private enterprise;

WHEREAS, the Urban Renewal Plan, as modified, would conform to the Comprehensive Plan for the National Capital as amended by Modification No. 7 to Part 3, Chapter 6, Parks and Recreation Facilities, which amendment the Commission will consider for adoption after review thereof by appropriate Federal and District of Columbia authorities; and
