COMMITTEE OF THE WHOLE

MEMORANDUM

---

TO: Nyasha Smith, Secretary to the Council  
FROM: Phil Mendelson, Chairman   
DATE: September 17, 2020  
RE: **Request to Place Measure on the Agenda for September 22, 2020 Legislative Meeting**

---

The following measure is placed on the agenda for the September 22, 2020 Legislative Meeting:

- **Public Health Emergency Authority Additional Extension Emergency Declaration Resolution of 2020**
- **Public Health Emergency Authority Additional Extension Amendment Act of 2020**

On March 11, 2020, the Mayor of the District of Columbia issued Mayor's Order 2020-45, 2020-46, declaring a public emergency and a public health emergency in the District due to the imminent threat to the health, safety, and welfare of District residents posed by the spread of COVID-19, and on April 17, 2020, Mayor's Order 2020-63 extending the state of emergency and public health emergency. The Mayor's 135 days of authority to declare a public health emergency currently expires on October 9, 2020. To continue to limit certain activities that would otherwise contribute to the spread of COVID-19, it is necessary to extend the Mayor's authority to continue the public health emergency through December 31, 2020.

It has become clear that in order to continue a phased reopening of the District, the Mayor will need authority to continue the public health emergency for the foreseeable future. However, it is my intent to revisit certain provisions of the Coronavirus Support Amendment Act that are currently tied to the duration of the public health emergency and to consider that legislation before the end of the Council Period.

The draft measures are attached. Please call me or Mr. Evan Cash if you have any questions at (202) 724-7002.
