On April, 19, 2021, Councilmember Mary M. Cheh, Chairperson of the Committee on Transportation and the Environment, will hold a public hearing on B24-043, the Department of Motor Vehicles Electronic Proof License, Permit or Identification Card Amendment Act of 2021 and B24-111, the Motor Vehicle and will be broadcast live on DC Council Channel 13 and streamed live at www.dccouncil.us, facebook.com/cmmarycheh, and entertainment.dc.gov.

B24-043 would allow customers to display a license, permit, or identification card as an electronic image on a cellular telephone or other portable electronic device. B24-111 would allow licensed drivers of any age to take an accident prevention course and receive a discount on their car insurance premium.

On March 11, 2020, Mayor Muriel Bowser issued the Declaration of Public Emergency: Coronavirus (COVID-19) and the Declaration of Public Health Emergency: Coronavirus (COVID-19) due to the imminent threat to the health, safety, and welfare of District residents posed by the spread of the coronavirus. These orders require that the Council adapt the methods by which committees may hold public hearings and roundtables to comply with social distancing, large public gathering, and other public health and safety requirements. Therefore, this public hearing will be held remotely through the WebEx teleconferencing platform.

The Committee invites the public to testify or to submit written testimony, which will be made a part of the official record. Anyone wishing to testify should contact Ms. Aukima Benjamin, Staff Assistant to the Committee on Transportation and the Environment, at (202) 724-8062 or via e-mail at abenjamin@dccouncil.us; witnesses will receive information on how to join the hearing at that time. Witnesses who anticipate needing language interpretation, or requiring sign language interpretation, are requested to inform the Committee of the need as soon as possible but no later than five business days before the roundtable, which is April 12, 2021.

We will make every effort to fulfill timely requests, however requests received in less than five business days may not be fulfilled and alternatives may be offered.

If you are unable to testify at the public hearing, written statements are encouraged and will be made a part of the official record; testimony may be submitted to abenjamin@dccouncil.us. The public may also leave voicemail testimony for the Committee by calling (202) 350-1344, which will be transcribed and made part of the hearing record. Members of the public leaving voicemail testimony should speak slowly and clearly, state their full name and the organization they represent, if any, and note the bill, roundtable, or agency that they are submitting testimony on. Members of the public are asked to not provide an e-mail, phone number, or other person contact information in voicemail testimony.

The record will close at the end of the business day on May 3, 2021.

The notice is revised to reflect that the hearing will streamed live on Channel 13, the DC Council website, and Office of Cable Television website. In addition, the notice is being abbreviated in order to provide timely notice to the public.
