On March, 26, 2021, Councilmember Mary M. Cheh, Chairperson of the Committee on Transportation and the Environment, will hold a public roundtable on PR24-110, the Office of Public-Private Partnerships DC Smart Street Lighting Project Request for Proposals Approval Resolution of 2021. The roundtable will begin at 1:00 PM and streamed live at facebook.com/cmmarycheh.

The purpose of the roundtable is for the Committee to learn about the method by which the RFP plans for a streetlight conversion. There are pros and cons to using a public-private-partnership ("P3") to finance a capital upgrade and maintenance project such as the streetlight LED upgrade. The Committee would like to hear from DDOT as to why this project is best suited as a P3.

On March 11, 2020, Mayor Muriel Bowser issued the Declaration of Public Emergency: Coronavirus (COVID-19) and the Declaration of Public Health Emergency: Coronavirus (COVID-19) due to the imminent threat to the health, safety, and welfare of District residents posed by the spread of the coronavirus. These orders require that the Council adapt the methods by which committees may hold public hearings and roundtables to comply with social distancing, large public gathering, and other public health and safety requirements. Therefore, this public roundtable will be held remotely through the WebEx teleconferencing platform.

The Committee invites the public to testify or to submit written testimony, which will be made a part of the official record. Anyone wishing to testify should contact Ms. Aukima Benjamin, Staff Assistant to the Committee on Transportation and the Environment, at (202) 724-8062 or via e-mail at abenjamin@dccouncil.us; witnesses will receive information on how to join the roundtable at that time. Witnesses who anticipate needing language interpretation, or requiring sign language interpretation, are requested to inform the Committee of the need as soon as possible but no later than five business days before the roundtable, which is March 19, 2021. We will make every effort to fulfill timely requests, however requests received in less than five business days may not be fulfilled and alternatives may be offered.

If you are unable to testify at the public roundtable, written statements are encouraged and will be made a part of the official record; testimony may be submitted to abenjamin@dccouncil.us. The public may also leave voicemail testimony for the Committee

by calling (202) 350-1344, which will be transcribed and made part of the roundtable record. Members of the public leaving voicemail testimony should speak slowly and clearly, state their full name and the organization they represent, if any, and note the bill, roundtable, or agency that they are submitting testimony on. Members of the public are asked to not provide an e-mail, phone number, or other person contact information in voicemail testimony.

The record will close at the end of the business day on April 9, 2021.
