Councilmember Elissa Silverman, Chairperson of the Committee of the Whole's Subcommittee on Redistricting, announces a public roundtable to consider Bill 24-0371, the Ward Redistricting Amendment Act of 2021, focusing on the Ward 8 boundaries. The roundtable will be held on Monday, October 18, 2021, at 6:30 p.m.

Every ten years, the District uses the data from the decennial Census to reapportion the wards and Advisory Neighborhood Commissions (ANCs). This cycle, the Census is not expected to release the official data necessary for redistricting until September of 2021. Under existing District law, the Council has 90 days after receiving the Census data to reapportion the eight wards, so that each has approximately the same population. Once the new ward boundaries have been approved in December, the Council will begin reapportioning the Advisory Neighborhood Commissions, likely for May or June 2022.

The Subcommittee held its first redistricting hearing on September 29. The Subcommittee will hold nine more hearings and roundtables: eight roundtables (one for each ward) and one final hearing in November. **The purpose of this roundtable is to provide an opportunity for the public to testify about the redrawing the Ward 8 boundaries.** However, the roundtable is open to anyone wanting to testify about redistricting or another ward.

Note, B24-0371, the Ward Redistricting Amendment Act of 2021, is the legislation required to begin the redistricting process. This bill is technically a placeholder that allows the legislative process to begin. It does not change the current boundaries in any way. After receipt and review of the final census data and multiple hearings for public input, the legislation will be amended to reflect recommended boundary changes through the regular legislative process.

Witnesses may use their phone or computer to participate in this virtual roundtable. Those who wish to testify must sign up no later than 5:00 p.m. on Friday, October 15<sup>th</sup>, 2021, by providing their information using the following link: <https://forms.gle/Xrn3RFgNsHjb1svs9>. Witnesses must provide their name, email address, telephone number, organizational affiliation (if any), and job

title (if any), as well whether they require language interpretation or sign language interpretation. Witnesses who require language interpretation or sign language interpretation are requested to email the Subcommittee at [redistricting@dccouncil.us](mailto:redistricting@dccouncil.us) as soon as possible, but no later than 5:00 p.m. on Wednesday, October 13<sup>th</sup>, 2021, stating their need for interpretation and requested language. The Council's Office of the Secretary will fulfill timely requests for language interpretation services; however, requests received later than October 13<sup>th</sup> may not be fulfilled due to vendor availability.

On Friday, October 15<sup>th</sup>, the Subcommittee will email witnesses who signed up by October 15<sup>th</sup>, in order to provide them with details about how to participate in the roundtable via the Zoom platform. Those planning to testify are encouraged to submit an electronic copy of written testimony by 12:00 p.m. on Friday, October 15<sup>th</sup>, so that staff may distribute testimonies to Committee members and staff before the roundtable.

If anyone is unable to testify at the roundtable, written statements will be made a part of the official record. Written statements should be submitted by email to [redistricting@dccouncil.us](mailto:redistricting@dccouncil.us). Additionally, the public may provide testimony by voice mail by calling (202) 350-1521, stating and spelling the witness's name, stating any organizational affiliation, and speaking slowly to provide a statement to be transcribed and included in the record. The record will close at 5:00 p.m. on Friday, November 5<sup>th</sup>, 2021.
