Council Chairman Phil Mendelson announces a public hearing of the Committee of the Whole on *Teacher and Principal Turnover vs. Retention in the District’s Public School* and Bill 24-355, “*Statewide Data Warehouse Amendment Act of 2021.*” **This hearing is being reconvened pursuant of hearing testimony from the Chancellor.** The reconvened hearing will be held on **Thursday, November 3, 2022 at 3:00 p.m.** via Zoom video conference.

Since 2019, the Committee of the Whole has held a series of hearings on teacher and principal turnover and retention in the District with the intention to identify strategies to retain great talent in our District’s schools. Teachers and school leaders are the foundation of a quality education, and they are vital to the success of our students and our schools. The purpose of this oversight hearing is to discuss what schools are doing to address teacher and principal turnover and strategies to increase retention of teachers and leaders in the District. Related to this is Bill 24-355, developed by the State Board of Education to ensure that the data relevant to understanding the nature of teacher attrition and retention is collected and made available annually and publicly.

The **reconvened** hearing will be conducted virtually on the Internet utilizing Zoom video conference technology. Testimony should be submitted in writing to cow@dccouncil.us in advance of the hearing. Written testimony will be posted publicly to <http://www.chairmanmendelson.com/testimony>.
