MEMORANDUM

TO: Nyasha Smith, Secretary to the Council

DATE: February 2, 2023

RE: **Request to Place Measure on the Agenda for February 7, 2023  
Legislative Meeting**

---

Please place the following measures on the agenda for the February 7, 2023 Legislative Meeting:

- **Protecting Consumers from Unjust Debt Collection Practices Technical Clarification Amendment Emergency Declaration Resolution of 2023**
- **Protecting Consumers from Unjust Debt Collection Practices Technical Clarification Emergency Amendment Act of 2023**
- **Protecting Consumers from Unjust Debt Collection Practices Technical Clarification Temporary Amendment Act of 2023**

The “Protecting Consumers from Unjust Debt Collection Practices Amendment Act of 2021” (D.C. Law 24-154) became applicable on January 1, 2023. Public utilities are subject to the requirements of the law when attempting to collect consumer debt. Some of the requirements in the law conflict with existing requirements applicable to public utilities in Title 15, Chapter 3 of the D.C. Municipal Regulations. For example, D.C. Official Code § 28-3814(d)(5) prohibits debt collectors from “visiting or threatening to visit the household of a consumer at any time for the purpose of collecting a debt, other than for the purpose of serving process in a lawsuit.” Pursuant to 15 DCMR 312.2, however, utilities are required to make reasonable efforts to contact a customer prior to disconnection, and this contact may include in person notification. In person notification may be necessary when a utility is unable to reach the customer via phone or electronic mail.

To avoid confusion or negative impacts on customers or utilities, it is necessary to clarify that certain, specific regulatory requirements for utilities in Title 15, Chapter 3 of D.C. Municipal Regulations are permitted under the law.

Copies of the measures are attached. Please call me or Blaine Stum if you have any questions at (202) 724-8092.
