# 1 OFFICE OF CONTRACTING AND PROCUREMENT

---

*Mission:* OCP's mission is to procure quality goods, services, and construction through a streamlined procurement process that is transparent and responsive to the needs of government agencies and the public, and ensures all purchases are conducted fairly and impartially.

*Services:* OCP manages the purchase of \$5.6 billion in goods, services and construction annually, on behalf of over 77 District agencies. In its authority under the Procurement Practices Reform Act of 2010 (PPRA), OCP is responsible for both establishing procurement processing standards that conform to regulations, and monitoring the effectiveness of procurement service delivery. Procurement processing and management is enhanced by OCP specialists who are assigned to agency worksites to directly collaborate with program staff throughout the entire procurement process. OCP core services include the DC Supply Schedule, Purchase card (P-Card) program, and the surplus property disposition and re-utilization program. And, OCP's learning and certification programs support on-going development of staff proficiency and procurement service quality.

## 2 2022 ACCOMPLISHMENTS

Accomplishment	Impact on Agency	Impact on Residents
<p>In FY 22, OCP earned a total of \$7,032,179 from all surplus property sales and reutilization activities. This includes 5,012 surplus-property auctions that generated more than \$6.9 million in revenue. The revenue was generated by leveraging partnerships with key agencies such as OCTO, OCFO, DGS, DPW and MPD to acquire and dispose assets that were in high demand worldwide. The auction site was visited more than 1.4 million times by potential buyers. Top-selling used items were government vehicles, laptop and desktop computers, and tablets. In addition, OCP earned more than \$131,000 from recycling 1.75 million pounds of metal.</p>	<p>OCP's online auction platform is key to public-transparency efforts concerning District assets. Residents can bid on District auctions as they follow them in real time. Auctions earn additional revenue for the District's general fund and further demonstrate transparent government-asset disposition. OCP also has 150 District-based non-profits certified to participate in the surplus property program. OCP's reutilization program is saving District taxpayers millions of dollars by prolonging District assets' useful life.</p>	<p>OCP continues to partner with key agencies like OCTO and OCFO to leverage the latest technology to train staff on asset-management industry best practices in receiving, deployment, tracking, and disposal. OCP has also built a strong relationship with the U.S. General Services Administration and other federal agencies, giving the District first-look opportunities for federal surplus property that District agencies can use to support their missions.</p>
<p>In FY 22, building on the lessons learned and best practices from COVID-19 emergency, OCP successfully provided timely and efficiency emergency procurement support for multiple District emergencies, such as the monkeypox outbreak and migrant services emergency.</p>	<p>With OCP's efforts during these emergencies, DC residents and migrants were able to receive various government support throughout the declared emergencies. This includes but is not limited to rapid response for monkeypox vaccinations and needed social services for the large influx of migrants that were transported to the District.</p>	<p>With staffing resources that were set-up during the COVID-19 emergency, OCP was poised to quickly assist client agencies in providing contracting and procurement support during new declared emergencies.</p>
<p>In FY 22, Mayor Bowser established the DC Build Back Better Infrastructure Task Force, which was established to advise on priority projects to be funded through President Biden's \$1.2 trillion Bipartisan Infrastructure Law. In support of this effort, the Chief Procurement Officer (CPO) chaired the Administration, Compliance, and Procurement Subcommittee. The subcommittee developed recommendations for the administration on changes in procurement policies and procedures to better support the District government and vendor community.</p>	<p>The timely and efficient procurement of Build Back Better projects will result in more timely and higher quality investments in information technology, public works, and infrastructure improvements for District residents. The subcommittee's recommendations will also improve economic opportunities for historically disadvantaged communities, creating greater equity amongst DC neighborhoods and residents and overall economic growth throughout the District.</p>	<p>The recommendations identified by the subcommittee were big, creative ideas that eliminated historical barriers. The recommendations identified process improvements, systems, and resources to better support build back better projects, cement racial equity into all stages of procurement, address the climate crisis, and build resiliency.</p>

## 5 2022 STRATEGIC INITIATIVES

In FY 2022, Office of Contracting and Procurement had 2 Strategic Initiatives and completed 50%.

Title	Description	Completion to Date	Update	Explanation for Incomplete Initiative
Upgrade the District's Contract Management System â Phase 1	By FY 24, OCP will be making major enhancements to the contract management system by transitioning PASS to a cloud-based system. This new cloud system will be utilized by District agencies using PASS under the authority of the CPO and several agencies not currently using PASS. For this multi-year project, OCP has numerous milestones for each fiscal year leading to the launch. In FY 22, OCP will complete the following for Phase 1: establish a more stable system to support the move to the cloud by upgrading the on-premise PASS to version 9r2 in coordination with OCTO; complete a gap analysis to determine which of the District's requirements can be met by the out-of-the-box cloud system; complete proposed configuration changes so that the system can satisfy the District's requirements not met by system; a staffing plan with needed skillsets so that OCP will have adequately qualified staff to maintain the cloud system; and a training plan for staff to maintain the system over time.	Complete		Due to external issues to OCP, the District did not upgrade PASS to version 9r2 in FY22. As a result, a decision was made by OCA and OCTO to postpone the PASS upgrade to version 9r2 until after the OCFO moves to a new financial system in Q1 of FY 23. In total, OCP completed the gap analysis to determine which of the District's requirements can be met by the out-of-the box cloud system, initial configuration changes to meet the District's requirements, a draft staffing plan, and a draft training plan.

<p>Maturation of OCP's Preparations for District's Emergency Responses</p>	<p>From best practices learned from recent city emergencies, the Office of Contracting and Procurement (OCP), in coordination with HSEMA, plans to expand city preparations for various emergency scenarios. In the District Response Plan, the District Government describes 13 hazards/threats that could potentially impact the city and its residents. The Response Plan details how the city should respond to each type of scenario. OCP's role as a supporting agency is to be prepared in procuring necessary supplies and materials for the District's response efforts. Similar to snow emergency preparations, OCP will create pre-disaster contracts for 5 out of the 13 hazard scenarios in FY 22. These pre-disaster contracts will poise the District to be more prepared in responding quickly to a potential emergency.</p>	<p>75-99%</p>	<p>Along with agency partners, such as HSEMA, OCP is in the process of gathering information for pre-disaster contract development toward all-hazard response readiness. OCP has completed pre-disaster contract development for snow and pandemic emergencies. Currently, OCP is working with agency partners on 3 additional areas including, flooding, civil unrest, and fire. Ultimately OCP will produce an all hazards emergency contract guide that will be updated for contracting information to support information. This is a multi-year initiative and OCP will continue into the next fiscal year.</p>	<p>OCP is working with agency partners, such as HSEMA, to gather information for pre-disaster contract development and learning best practices from other jurisdictions.</p>

Enhance OCP's Comprehensive Training Program	In FY 23, OCP will enhance the quality of procurement training for all District procurement professionals, as required by District law, by: 1) publishing a consolidated agency training policy covering certification/recertification requirements, on-boarding, supervisor feedback, PASS access, warranting, and other relevant topics; 2) reviewing the current training curriculum with an eye toward adding guest lectures from senior procurement professionals, eliminating non-value-added redundancies, incorporating external training, improving the training catalog, and making training materials readily available online; 3) building upon the success of the new Contract Management Organizational Capability course to enhance OCP's tiered training program; and 4) enhancing the use of job aids and desktop reference materials.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Add Initiative Update

Upgrade the District's Contracting Management System - Phase 2	OCP is transitioning the District's 18+ year old contract management system (PASS) to a modern cloud-based system (the Cloud). Moving to the Cloud will not only improve efficiency for contract professionals, but it will also improve the user experience for industry partners and agency clients. For example, PASS Cloud will be compatible with mobile devices, making it easier and more secure to log into the system and conduct business. New functionality will also include enhancements to data and reporting, making it easier to track the status of procurement actions for contract professionals, industry partners and agency clients. In FY 23 OCP will prepare PASS Cloud to go live in FY 24 by completing, but not limited to, the following actions: 1) configuring the Cloud to meet the District's requirements; 2) integrating the Cloud with other District systems; 3) system testing; 4) communicating updates with all stakeholders; and 5) facilitating training for all PASS users and vendors.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Add Initiative Update
Integration and Updates of All OCP Systems to Support the PASS Cloud Implementation Best Practices	In conjunction with transitioning the District's 18+ year old contract management system (PASS) to a modern cloud-based system (the Cloud), OCP will work to improve other District systems that support the Cloud so that the maximum effectiveness of industry best practices in data reporting and transparency can be achieved. In FY 23, OCP will redesign the agency's data warehouse to provide additional data for dashboards that can be used by procurement professionals and client agencies to improve the management and oversight of the procurement of goods and services. Further integration and updates will be included to the Contractor Performance Evaluation System, Contracts and Procurement Transparency Portal, and OCP's document management system and archives, which will ultimately improve the transparency and data reporting for contract professionals, industry partners and agency clients.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Add Initiative Update

Maturation of OCP's Preparations for District's Emergency Responses	From best practices learned from recent city emergencies, the Office of Contracting and Procurement (OCP), in coordination with HSEMA, plans to expand city preparations for various emergency scenarios. In the District Response Plan, the District Government describes 13 hazards/threats that could potentially impact the city and its residents. The Response Plan details how the city should respond to each type of scenario. OCP's role as a supporting agency is to be prepared in procuring necessary supplies and materials for the District's response efforts. Similar to snow emergency preparations, OCP will create pre-disaster contracts for 5 out of the 13 hazard scenarios in FY 22. These pre-disaster contracts will poise the District to be more prepared in responding quickly to a potential emergency.	75-99%	Along with agency partners, such as HSEMA, OCP is in the process of gathering information for pre-disaster contract development toward all-hazard response readiness. OCP has completed pre-disaster contract development for snow and pandemic emergencies. Currently, OCP is working with agency partners on 3 additional areas including, flooding, civil unrest, and fire. Ultimately OCP will produce an all hazards emergency contract guide that will be updated for contracting information to support information. This is a multi-year initiative and OCP will continue into the next fiscal year.	OCP is working with agency partners, such as HSEMA, to gather information for pre-disaster contract development and learning best practices from other jurisdictions.	09-30-2023	Add Initiative Update

This Memorandum of Understanding (MOU) is entered into between the District of Columbia Office of Contracting and Procurement (“OCP” or “Buyer”) and the District of Columbia Department of Human Resources (“DCHR” or “Seller”), collectively known as the “Parties” and individually as a “Party.”

### **II. PROGRAM GOALS AND OBJECTIVES**

The objective of this MOU is to allow DCHR to provide OCP with executive level learning and development opportunities for OCP’s senior-level employees (“Senior-Level Employees”) and to establish the terms and conditions for reimbursing DCHR for the costs associated with administering an executive level learning and development program for Senior-Level Employees, hereafter referred to as the “Executive Leadership Program.” The funds associated with this MOU are based upon the projected cost of the Executive Leadership Program and related services that will be rendered to OCP in FY2020.

### **III. SCOPE OF SERVICES**

- B. The Parties may extend the term of this MOU by exercising a maximum of one (1) one-year option period. The option period may consist of a fiscal year, a fraction thereof, or multiple successive fractions of a fiscal year. OCP shall provide DCHR with written notice of its intent to exercise an option period thirty (30) days prior to the expiration of the initial term of this MOU.
- C. The exercise of an option is subject to the availability of funds at the time of the exercise of the option.

**V. AUTHORITY FOR MOU**

The authority for this MOU may be found at D.C. Official Code § 1-301.01(k) (2016 Repl.).

**VI. FUNDING PROVISIONS**

1. Total cost for goods and services under this MOU shall not exceed twelve thousand five hundred dollars (\$12,500.00) for Fiscal Year 2020.

2. The total cost of the goods and services is determined by multiplying the cost of the learning and development program (\$12,500.00) by the number of participants (one) from OCP. Funding for goods and services shall not exceed the actual cost of the goods and services provided.

## **B. PAYMENT**

1. Payment for the goods and services shall be made through an Intra-District advance by OCP to DCHR based on the total amount of this MOU.

**II. LEGAL AUTHORITY FOR MOU**

D.C. Official Code § 1-301.01(k), and any other applicable District and Federal laws and regulations.

**III. PURPOSE**

The District Government has implemented a procurement reform strategy to streamline processing operations by authorizing agencies to manage the purchase of goods and services that are needed to perform agency functions, recognizing that many of the purchasing needs are mission specific. The reform strategy has been implemented through delegated procurement authority authorized by the District’s Chief Procurement Officer. The purpose of this MOU is to provide for the intra-district transfer of funds to support procurement reform.

**IV. PROGRAM GOALS AND OBJECTIVES**

In 2014, procurement services performed under the authority of the Chief Procurement Officer and the Procurement Practices Reform Act of 2010, as amended, were converted to the Delegated Procurement Authority operating structure. The mission of DHS is to empower every District resident to reach their full potential by providing meaningful connections to work opportunities, economic assistance, and supportive services. The mission is fulfilled through a variety of programs addressing basic social needs, housing, homelessness, the needs of specific populations, and situations that impact the health and safety of District residents. Pursuant to the

procurement reform initiative, DHS will have delegated procurement authority, and will be responsible for providing funding and support services for the OCP procurement staff so that they can, in turn, support the programmatic and operational mandates of DHS.

**I. INTRODUCTION**

This Memorandum of Understanding (MOU) is entered into by the Department of Energy and Environment (DOEE) and the Office of Contracting and Procurement (OCP), referred to individually as a “Party” and collectively the “Parties.” DOEE requires additional support for its many procurements, particularly to meet requirements of technically specialized federally- and District-Council-mandated deadlines. OCP is expert in procurement, but ordinarily serves

## MOU DOEE & OCP for on-site contracting support

District agencies as a generalist, and lacks the budget to provide DOEE with procurement support in excess of that ordinarily provided.

### II. PROGRAM GOALS AND OBJECTIVES

DOEE has requested that OCP station a full time equivalent (FTE) contract specialist to provide additional contracting support at DOEE's headquarters. This would materially improve DOEE's substantial procurement activity, as the contract specialist learns the technical areas of DOEE's "book of business". This will be in addition to OCP personnel presently located at DOEE headquarters. DOEE will pay for the FTE and provide office support. The Parties will closely communicate to avoid breaks in service.

### III. SCOPE OF SERVICES

#### A. RESPONSIBILITIES OF OCP

OCP shall:

1. Station an OCP FTE contract specialist at DOEE's central office.
2. The contract specialist shall be at the following professional level: Grade 13.
3. Assign this contract specialist to:
  - a. Assist DOEE staff in the planning and preparation of procurement-related documents;
  - b. Advise DOEE staff on appropriate procurement methodology and solicitation management; and
  - c. Provide additional procurement support as the Parties agree is necessary.
4. Consult with and obtain DOEE's concurrence before finalizing staffing decisions.
5. Provide all professional supervision of the contract specialist assigned to DOEE.
6. Consult with DOEE's contact regarding plans for the contract specialist's annual leave, in light of work flow and deadlines
7. During a staff vacancy lapse period, reprogram funds for non-personnel services to meet the service requirement under this MOU. OCP will only use the reprogrammed funds to support OCP staff located at DOEE.

MOU DOEE & OCP for on-site contracting support

**B. RESPONSIBILITIES OF DOEE**

DOEE shall:

1. Pay OCP for the contract specialist's services during the duration of this MOU at the rate stated below.
2. Provide the contract specialist with office space, equipment, supplies and a functioning building access badge.
3. Plan so that the contract specialist will ordinarily receive a full workload without extraordinarily short deadlines.
4. Timely advise OCP of funding for prospective fiscal years.
5. Provide OCP with written notice of its intent to extend this MOU prior to the expiration of each year of this MOU.

**IV. DURATION**

- A. This MOU shall be effective from the date of the last signature through September 30, 2019, unless terminated in writing by the Parties pursuant to Section XIII of this MOU.
- B. The Parties may extend this MOU for up to four more fiscal years through one or more MOU amendments.
- C. An extension is subject to the availability of funds at the time of the amendment.

**V. AUTHORITY FOR MOU**

D.C. Official Code § 1-301.01(k).

**VI. FUNDING PROVISIONS**

**A. COST OF GOODS AND SERVICES**

1. The total cost for goods and services shall be calculated at the rate of \$115,717 for each fiscal year. OCP projects the costs below for providing the goods and services under this MOU for the remainder (six months) of Fiscal Year 2019.

**PERSONAL SERVICES**

**Contract Specialist - 1 FTEs**

Salary	\$57,859
Benefits	\$12,497
	<hr/>
	<b>\$70,356</b>
 <b><u>TOTAL PERSONNEL SERVICES :</u></b>	 <b>\$70,356</b>

2. Funding shall not exceed the actual cost of the goods or services.
3. Funding shall be applied only to costs covered by this MOU.

**B. PAYMENT**

1. DOEE shall advance funds in the above amount through an Intra-District transfer to OCP for the amount specified in Paragraph A (Cost of Goods and Services) within 14 calendar days of the last signature on this MOU.
2. OCP shall submit to DOEE quarterly reconciliations for costs incurred pursuant to this MOU no later than the 10<sup>th</sup> day following the end of each fiscal quarter. The reconciliation shall include documentation of the costs specified in Paragraph A (Cost of Goods and Services).
3. OCP shall notify DOEE no later than August 1 if it has reason to believe that all of the advance will not be used during the current fiscal year.
4. OCP shall immediately return any excess advance to DOEE when it is determined that funds cannot be spent during the period of this MOU. In any event, OCP shall return all unspent funds to DOEE within 30 calendar days of the fiscal year end or after completion of reconciliation, whichever is earlier.

**C. ANTI-DEFICIENCY**

The Parties acknowledge and agree that nothing in this MOU creates a financial obligation in anticipation of an appropriation and that all provisions of this MOU, or any subsequent agreement entered into by the Parties pursuant to this MOU, are and shall remain subject to the provisions of the following laws, as amended: (1) the federal Anti-Deficiency Act, 31 U.S.C. §§ 1341, 1342, 1349, 1351; (2) the District of Columbia Anti-Deficiency Act of 2002, D.C. Official Code §§ 47-355.01-.08; (3) D.C. Official Code § 47-105; and (4) D.C. Official Code § 1-204.46, regardless whether a particular obligation has been expressly so conditioned.

- B. A Party receiving funds shall make these receipts and records available for inspection by the funders or other authorized officials upon request.

## **IX. CONFIDENTIAL INFORMATION**

The Parties will use, restrict, safeguard, and dispose of all information related to services provided pursuant to this MOU in accordance with all relevant federal and District of Columbia statutes, regulations, and policies.

**I. INTRODUCTION**

This Memorandum of Understanding (MOU) is entered into by the Department of Energy and Environment (DOEE) and the Office of Contracting and Procurement (OCP), referred to individually as a “Party” and collectively the “Parties.” DOEE requires additional support for its many procurements, particularly to meet requirements of technically specialized federally- and District-Council-mandated deadlines.

## **II. PROGRAM GOALS AND OBJECTIVES**

OCP will provide a full time equivalent (FTE) contract specialist to provide additional contracting support at DOEE's headquarters. This materially improves DOEE's substantial procurement activity, as the contract specialist works in the technical areas of DOEE's "book of business". Parties will closely communicate to avoid breaks in service.

## **III. SCOPE OF SERVICES**

### **A. RESPONSIBILITIES OF OCP**

OCP shall:

1. Station an OCP FTE contract specialist at DOEE's central office.
2. The contract specialist shall be at the following professional level: Grade 13.
3. Assign this contract specialist to:
  - a. Assist DOEE staff in the planning and preparation of procurement-related documents.
  - b. Advise DOEE staff on appropriate procurement methodology and solicitation management; and
  - c. Provide additional procurement support as the Parties agree is necessary.
4. Consult with and obtain DOEE's concurrence before finalizing staffing decisions.
5. Provide all professional supervision of the contract specialist assigned to DOEE.
6. Consult with DOEE's contact regarding plans for the contract specialist's annual leave, in light of work flow and deadlines
7. During a staff vacancy lapse period, reprogram funds for non-personnel services to meet the service requirement under this MOU. OCP will only use the reprogrammed funds to support OCP staff located at DOEE.

### **B. RESPONSIBILITIES OF DOEE**

DOEE shall:

MOU DOEE & OCP for on-site contracting support

3. Plan so that the contract specialist will ordinarily receive a full workload without extraordinarily short deadlines.
4. Timely advise OCP of funding for prospective fiscal years.
5. Provide OCP with written notice of its intent to extend this MOU prior to the expiration of each year of this MOU.

**IV. DURATION**

**I. INTRODUCTION**

This Memorandum of Understanding (MOU) is entered into between the Department of Employment Services (DOES) and the Office of Contracting and Procurement (OCP), referred to herein individually as “Party” and collectively as “Parties.”

The mission of OCP is to partner with vendors and District agencies to purchase quality goods and services in a timely manner and at a reasonable cost while ensuring that all purchasing actions are conducted fairly and impartially.

DOES connects District residents, job seekers, and employers to opportunities and resources that empower fair, safe, effective working communities. DOES, a proud partner of the American Job Center, is an equal opportunity employer/service provider. Translation and interpretation services are available upon request to persons with limited or no English proficiency. Auxiliary aids and services are available upon request to persons with disabilities.

**II. PURPOSE**

The District government has implemented a procurement reform strategy to streamline processing operations by authorizing agencies to manage the purchase of goods and services that are needed to perform agency functions – recognizing that many of the District’s purchasing needs are “business” specific. The reform strategy has been implemented through delegated procurement authority authorized by the District’s Chief Procurement Officer (CPO). The purpose of this MOU is to provide for the intra-District transfer of funds to support procurement reform for Fiscal Year 2022.

**III. SCOPE OF SERVICES**

Pursuant to the applicable authorities and in the furtherance of the shared goals of the Parties to carry out the purposes of this MOU expeditiously and economically, the Parties do hereby agree:

  - ii. Advise DOES staff on appropriate procurement methodology and solicitation management; and
  - iii. Provide additional procurement support as necessary.
2. OCP shall ensure that the revenues for this project are reflected in the budget entry budget line-item detail screen and the appropriate accumulators.
3. OCP shall establish an agency internal service fund with a corresponding index and PCA that ties to the fund and agency organization structure for the transfer of funds from DOES to OCP.
4. OCP may, during staff vacancy lapse period, reprogram funds for non-personnel services to meet the service requirement under this MOU, after consultation with DOES. OCP will only use the reprogrammed funds to support OCP staff located at DOES.
5. OCP shall be responsible for contract compliance and provide DOES with quarterly compliance reports.
6. OCP shall provide computers, facsimile machines, telephones, cellphones, laptops, VPN, and other office equipment, as necessary to OCP staff assigned to the DOES worksite. OCP shall provide DOES with reports and analysis on procurement activity detailing executed contracts with amounts and period-of-performance; purchase order status; and acquisition plans.
7. OCP shall collect data regarding contact with Limited English Proficient (LEP) and Non-English Proficient (NEP) customers and report this data to DOES Language Access Coordinator and the Program Point-of-Contact on a quarterly basis, using the Language Access Program Monthly Reporting System, if applicable.
8. OCP shall provide interpretation services and translation of vital documents to LEP/NEP customers. All translated materials must have DOES brand and be reported to the DOES Language Access Coordinator and Program Point-of-Contact on a quarterly basis using the Language Access Program Monthly Reporting System, if applicable.
9. OCP shall incorporate the provided DOES logos, taglines, identifiers and/or other branding on all products, programs, activities, services, resources and related property and materials created, pursuant to this MOU, if applicable.

## **B. RESPONSIBILITIES OF DOES**

1. DOES shall provide office space, conference space, and file space for all OCP personnel assigned to the DOES worksite.

BETWEEN  
THE OFFICE OF CONTRACTING AND PROCUREMENT  
AND  
THE DEPARTMENT OF HEALTH  
FOR  
FISCAL YEAR 2020**

**I. INTRODUCTION**

This Memorandum of Understanding (“MOU”) is entered into between the District of Columbia Department of Health (hereinafter “DOH” or “buyer agency”) and the Office of Contracting and Procurement (hereinafter “OCP” or “seller agency”), collectively referred to herein as the “Parties.”

**II. LEGAL AUTHORITY FOR MOU**

D.C. Official Code § 1-301.01(k)

**III. PROGRAM GOALS AND OBJECTIVES**

- A. The District government has implemented a procurement reform strategy to streamline processing operations by authorizing agencies to manage the purchase of goods and services that are needed to perform agency functions – recognizing that many of the District’s purchasing needs are “business” specific. The reform strategy has been implemented through delegated procurement authority authorized by the District’s Chief Procurement Officer. The purpose of this MOU is to provide for the intra-District transfer of funds to support procurement reform for Fiscal Year 2020.
- B. The DOH is a subordinate agency responsible for overseeing and coordinating a host of services to include: child adolescent and school health, vital records, improvement of the access to care for uninsured and underinsured and other major health care programs for District residents. Pursuant to the procurement reform initiative, DOH will have delegated procurement authority and will be responsible for providing funding and support services for the OCP procurement staff so they can, in turn, support the programmatic and operational mandates of DOH.

**IV. SCOPE OF SERVICES**

Pursuant to the applicable authorities and in the furtherance of the shared goals of the Parties to carry out the purposes of this MOU expeditiously and economically, the Parties do hereby agree:

**A. OBLIGATIONS OF OCP**

  - c) Provide additional procurement support as necessary.
2. OCP shall ensure that the revenues for this project are reflected in the budget entry budget line item detail screen and the appropriate accumulators.
3. OCP shall establish an agency internal service fund with a corresponding index and PCA that ties to the fund and agency organization structure for the transfer of funds from DOH to OCP.
4. OCP may, during staff vacancy lapse period, reprogram funds for non-personnel services to meet the service requirement under this MOU.
5. If the actual funds required are less than anticipated, OCP shall grant a refund to DOH.
6. OCP projects the costs below for providing the goods and services under this MOU for Fiscal Year 2020:

**PERSONNEL SERVICES**

**Contract Specialist - 2 FTEs**

Salary	\$193,335.96
<u>Benefits</u>	<u>\$42,147.24</u>

**TOTAL PERSONNEL SERVICES:** **\$235,483.20**

2. The estimated cost of this MOU is based on the total budget for the salaries and fringe benefits of the two (2) OCP procurement personnel assigned to DOH.
3. In the event of termination of this MOU, payment to OCP shall be held in abeyance until all required fiscal reconciliation, but not longer than September 30 of the current fiscal year.

**B. PAYMENT**

1. Payment for the services provided under this MOU shall be made through an Intra-District advance by DOH to OCP based on the total amount of this MOU.
2. OCP shall submit quarterly reconciliations which shall describe the amounts billed for that period. The reconciliations shall include the amounts paid for services for that quarter.
3. Advances to OCP for the services to be performed under this MOU shall not exceed the amount of this MOU.
4. OCP will collect the advance and bill DOH through the Intra-District process only for those services actually provided pursuant to the terms of this MOU. OCP will notify DOH within forty-five (45) days of the current fiscal year if it has reason to believe that all of the advance will not be billed during the current fiscal year. OCP will return any excess advance to DOH by September 30, 2020.

FOR FISCAL YEAR 2022**

**I. INTRODUCTION**

This Memorandum of Understanding ("MOU") is entered into between the Office of Contracting and Procurement (hereinafter "OCP" or "Seller Agency") and the District Office of Neighborhood Safety Engagement (ONSE) ("hereafter ONSE" or "Buyer Agency"), collectively referred to herein as the "Parties."

**II. PURPOSE**

The purpose of this MOU is to provide for the intra-District transfer of funds for one (1) procurement personnel to support the procurement initiatives and operational activities of ONSE in Fiscal Year 2022.

**III. PROGRAM GOALS AND OBJECTIVES**

- A. In 2014, procurement services performed under the authority of the Chief Procurement Officer and the Procurement Practices Reform Act of 2010 ("PPRA") were converted to the Delegated Procurement Authority ("DPA") operating structure. In accordance with this procurement reform initiative, designated agencies have been delegated the authority to manage full-service procurement operations, with the oversight and supervision of the Chief Procurement Officer (Director of the Office of Contracting and Procurement).
- B. The mission of the DC Office of Neighborhood Safety and Engagement (ONSE) is to build a community-oriented model for violence prevention and public safety. The ONSE employs a strategy rooted in public health, recognizing that crime reduction is not accomplished through law enforcement alone. The ONSE programs consolidate violence prevention efforts across agencies to create a comprehensive violence prevention strategy throughout the District.

**IV. SCOPE OF SERVICES**

Pursuant to the applicable authorities and in the furtherance of the shared goals of the Parties to carry out the purposes of this MOU expeditiously and economically, the Parties do hereby agree:

  - a) Assist agency staff in the planning and preparation of procurement-related documents;
  - b) Advise program staff on appropriate procurement methodology and solicitation management; and
  - c) Provide additional procurement support as necessary.
2. OCP shall ensure that the revenues for this project are reflected in the budgetentry budget line-item detail screen and the appropriate accumulators.
3. OCP shall establish an agency internal service fund with a corresponding index and PCA that ties to the fund and agency organization structure for the transfer of funds from ONSE to OCP.
4. OCP shall provide information technology support for PASS.

**B. SERVICES TO BE PROVIDED**

1. Contract Specialist CS-Grade 13 Step 5: Review and revise program packages for procurement issuance and to support program efforts to craft Statements of Work/Performance Work Statements and issue solicitations and process such packages.

OCP may, during any staff vacancy lapse period, reprogram funds for non-personnel services to meet the service requirements under this MOU.

**C. OBLIGATIONS OF ONSE**

1. ONSE shall provide access to standard office equipment (such as computers, facsimile machines, telephones, photocopiers, printers, shredders) and other office supplies, as necessary, to procurement personnel assigned by OCP to the ONSE worksite. Subsequent replacements and upgrades of computers, computer equipment, and personal digital equipment shall be the responsibility of OCP.
2. ONSE shall provide on-site information technology support to all procurement personnel assigned by OCP to ONSE,
3. ONSE shall budget for all services in this MOU.

**V. FUNDING PROVISIONS**

**A. COST OF SERVICES**

Total cost for goods and services under this MOU shall not exceed \$44,750.27 prorated for next four (4) months of Fiscal Year 2022. Funding for goods and services shall not exceed the actual cost of the goods and services provided based on the rates provided in the budget referenced herein below.

**B. PAYMENT**

Requests by Stewards to meet with an employee and/or an employee to meet with Stewards will not require prior explanation to the supervisor of the problem involved other than to identify the area to be visited. ### EMPLOYEE ASSISTANCE PROGRAM

#### **Section A: Employee Assistance Program**

The Employee Assistance Program (“EAP”) is designed to provide confidential and professional assessment, counseling, and referral services for employees who are experiencing personal problems that impair or have the potential to impair their work performance. The program shall offer services for alcohol and drug abuse, emotional/stress related problems, family/marital difficulties, financial problems, and other social-behavioral problems. The parties acknowledge that the early identification, documentation, and referral of an employee for help can result in improved job performance and employee morale. Participation in the EAP shall not be used to harass an employee, or to treat an employee in a disparate manner. An employee’s participation in the EAP is not mandatory.

This Article shall be implemented in full compliance with Americans with Disabilities Act.

#### **Section B: Eligible Participants**

All Employees and their eligible dependents shall be allowed to participate in the EAP.

#### **Section C: Types of EAP Referrals**

1. **Self-Referral.** This type of referral occurs at the employee’s own initiative when the employee recognizes the need for assistance and consults with the EAP before or when job performance and/or attendance becomes a problem. The employee may make a self-referral without the Employer’s knowledge or consent. The employee’s EAP records or record of participation shall not be independently released to the Employer. In cases where an employee is seeking some accommodation from the Employer, such as a change in work schedule, advance sick leave, etc., to complete an EAP program, the Employer may request confirmation of the employee’s request from the EAP provider, with the employee’s consent.

2. **Employer Referral.** This type of referral shall be initiated by a supervisor or manager who recognizes that there are poor performance problems and refers the employee to the EAP. Not all attendance or performance problems should be referred to the EAP. A referral should only be made in cases where poor job performance and/or attendance continue after the employee has been counseled, in writing, about his/her performance by the supervisor. During counseling, the employee shall be informed of the expectations for improvement and shall be given a reasonable time to improve, after referral to EAP. The

employee's record of compliance and participation in the EAP shall be released to the Employer with the employee's written consent.

**Section D: Disciplinary Actions and EAP**

As a part of its consideration of a proposed disciplinary action, the Agency may consider whether referral to EAP shall assist the employee to improve work performance and/or attendance.

However, a referral to the EAP is not a prerequisite to the Agency addressing performance and/or attendance problem nor is the Agency restricted from taking appropriate disciplinary actions in accordance with the discipline article of this Agreement. Implementation of a proposed disciplinary action may be held in abeyance if an employee accepts the Employer's referral to the EAP and complies with the EAP and/or adheres to the requirements of an EAP approved plan. The employee may be given a reasonable amount of time to improve job performance and/or attendance. If the employee demonstrates satisfactory improvement in job performance and/or attendance, for ninety days, after the completion of an EAP approved plan, the matter held in abeyance shall be rescinded. If the employee's attendance or work performance continues to be unsatisfactory within the 90 days, the Agency may proceed with implementation of any proposed discipline. All employees who receive a positive test result, for a controlled substance or alcohol, may be referred by the Employer to EAP. With respect to the EAP programs or services attended by employees, pursuant to Section D, no employee shall be required to sign consent form(s) authorizing the release of information to any supervisor or to the Department, except for information regarding an employee's attendance, completion, or compliance with the program.

**Section E: Use of Leave**

1. **Self-Referrals.** Employee(s) may use any accrued annual leave, sick leave, earned compensatory time off, leave without pay and may request advance sick leave, to consult with or participate in an approved EAP program. 2. **Employer Referral.** All employees, including those referred to EAP in accordance with drug and alcohol testing article may be granted administrative leave for the initial assessment. For subsequent appointments, employees may use any accrued annual leave, sick leave, earned compensatory time off, leave without pay or advance sick leave, as appropriate. Except for employees referred to the EAP in accordance with Article 43 , Drug and Alcohol Testing for CDL drivers, employee(s) participation in the EAP after being referred by a supervisor is voluntary.

**Section F: Union Representation**

The union shall be provided an opportunity to counsel employees regarding performance and attendance problems at the request of the employee or the employee's supervisor. The Agency agrees to inform employees of their right to have union representation during any meeting where the EAP is being discussed with the employee or during any other meeting(s) where discipline may be proposed as a result thereof. When an employee requests union representation, a meeting shall not be delayed more than 24 hours, excluding Saturdays, Sundays, holidays and the employee's day off.

**Section G: Confidentiality**

Inquiries by employees or referrals to the EAP shall be kept in strict confidence by supervisors, managers, and employees. The parties agree that breaches of the confidentiality of an employee's participation in the EAP may be cause for discipline. All records pertaining to an employee's participation in the EAP shall be kept in confidential files separate from the employee's official personnel files.

**Section H: Training and Education Awareness Program**

Union representatives shall be notified of any EAP training for supervisors and managers and be given an opportunity to attend the training. The Employer shall also conduct an employee EAP education and awareness program, once per year.

When preparing the agenda called for in this section, Management and Union will provide space on the agenda for appropriate issues which may arise after the agenda is submitted. If the parties mutually agree that other meetings

are necessary, such meetings shall be scheduled to discuss the specific issue(s). The failure of either party to provide an agenda shall not prevent the parties from meeting.

**Section B: Purpose of Labor Management Meetings**

1. Meeting attendees shall be composed of a minimum of three (3) members representing the Union and minimum of three (3) members representing the Agency.
2. The attendees at the meetings shall exchange views and consider and make recommendations to the Agency about policies and practices related to working conditions, terms of employment and the implementation of this Agreement. The meeting attendees shall also discuss matters of common interest to either parties, or matters which both parties believes will contribute to the improvement of relations between them.
3. It is understood that appeals, grievances or problems of individual employees shall not be subjects of discussion at these meetings, nor shall the meeting be for any purpose which will modify, add to or detract from the provisions of this Agreement.
4. Other meetings may be scheduled as the need arises upon the request of either party at times mutually agreed upon.

**Section C: Quarterly Labor Management Meeting**

The Director or Agency head or his/her designee shall meet with the Union President or his/her designee, as a group and Union representatives as a group, on a quarterly basis. The parties may send an agenda setting forth the topics to be discussed. This agenda may be sent through email. If the Union or the Director decides to send an agenda, it should be submitted five (5) days prior to the meeting. The failure to submit an agenda shall not prevent the meeting from being held. The subject of these meetings shall be consistent with Section B of this Article.

**Section D: Additional Representatives**

Each party may have other officials who are not employees of the Agency at these meetings. However, such representatives shall not exceed two (2), unless otherwise mutually agreed upon.

The employee may call the Employer to notify the employee's supervisor of a request for leave or notice of late arrival.

In instances where an employee must leave prior to his/her scheduled departure time, the employee shall contact his/her immediate supervisor or the next level manager for the purpose of requesting leave.

**Emergency Leave Request:** It is the responsibility of the employee to notify his/her supervisor of the need for emergency leave prior to his/her tour of duty when possible. In an unforeseen emergency, a family member may contact the employee's supervisor; however, the employee must make direct contact with his/her supervisor or the next higher level manager as soon as practical but no later than the employee's next work day. In considering the request the immediate supervisor or the supervisor's designee must take into consideration the emergency circumstances presented by the employee and operational needs.
2. Annual Leave shall be requested in advance by employees from their immediate supervisors or their supervisors' designees. Management agrees to provide each employee in the unit an opportunity to use all of the Annual Leave

To contribute to overall work efficiency and to enable approval of leave convenient to employees, employee(s) are required to schedule Annual Leave in advance.

**Section C: List of Essential\ Emergency Positions**

The Agency agrees to provide the Union, annually, with a list of all bargaining unit positions identified as essential/emergency and the encumbered employee's name, grade and job title and the duration of the essential/emergency status. Each employee, whose position has been identified as essential/emergency, shall be notified annually of the essential/emergency status.

The Agency shall provide the Union with written notice of any changes in the designation of essential/emergency positions and employees. The Union shall have the opportunity to comment on the designation of positions as essential/emergency. The Agency shall meet with and consider the Union's comments.

The Agency shall publish an official listing of essential/emergency positions and, where applicable, shall include a statement of "essential" on all future vacancy announcements.

**Section D: Non-Essential Employees**

During an administrative closing, all non-essential employees who are covered by this Agreement shall be granted administrative leave upon the closing of the District Government or a Division, Unit, Office, or Agency covered by this Agreement.

**ARTICLE 38**

**GRIEVANCE AND ARBITRATION PROCEDURES**

**Section A: Scope**

The purpose of this Article is to provide a mutually acceptable method for the prompt and equitable settlement of grievances and to enable the parties to resolve grievances at the lowest possible administrative level.

**Section B: Presentation of Grievances**

A grievance is a complaint by employee(s) and/or the Union that there has been:

1. Violation, misapplication or misinterpretation of this Agreement and/or the Compensation Agreement;
2. Violation, misapplication, and/or misinterpretation of any laws, rules, regulations, and policies affecting the terms and conditions of employment.

**Section C: Categories of Grievances**

1. **Individual** - A grievance of an individual or personal nature. In the case of an individual grievant proceeding without Union representation, the Union must be given an opportunity to be present and to offer its views at any meeting held to adjust the grievance. The Agency shall be responsible for notifying the Union of any such meeting.
2. **Group** - A grievance involving a number of employees in the bargaining unit. A group grievance may be filed at whatever step a resolution is possible.
3. **Class** - A grievance involving all the employees in the bargaining unit of a Department and/or Agency. A class grievance must be signed by the Union President or his/her designee and may be filed directly at Step 3 or Step 4 of this procedure. Grievances so filed shall be processed only if the issue raised is common to all employees in a specific agency and/or within the bargaining unit.

**Section D: General**

1. If the Agency declares a grievance procedurally non-grievable/arbitrable, it must make such declaration in writing in response to the Step 3 grievance or, if the initial step is after Step 3, in the response at the initial step. All questions of procedural Grievability/Arbitrability not raised in response to the Step 3 grievance or, if the initial step is after Step 3, in the response at the initial step, shall be deemed waived. Questions of procedural grievability/arbitrability are for the arbitrator to decide and shall be decided by the same arbitrator selected to hear the merits of the grievance. Questions of substantive arbitrability/grievability will be pursued in accordance with applicable law.
2. If the Agency does not respond within the time limits specified in each step, the employee or the Union may invoke the next step, treating the lack of response as a denial of the grievance.
3. All time limits shall be strictly observed unless the parties mutually agree in writing to extend the time limits. Days shall mean calendar days, unless stated otherwise.
4. The presentation and discussion of grievances shall be conducted at a time and place that shall afford a fair and reasonable opportunity for both parties and their witnesses to attend. During arbitration, no witness shall be heard if the

arbitrator determines his/her testimony is not relevant. When discussions and hearings are required under this procedure and are held during the work hours of the Department or Agency, participants and witnesses shall be considered in a pay status for this purpose. The Agency shall make witnesses available for testifying at arbitration(s). The Agency may stagger the release of employees to accommodate operational demands. Witness lists shall be exchanged seven (7) workdays before the initial hearing date.

5. The Agency shall provide current and accurate information and documentation to all requests for information related to the preparation and presentation of a grievance.

6. Upon receipt, the Agency shall provide written notice to the Union of all grievances filed by employee(s), who are processing grievance(s) without Union representation.

7 Only the Union can invoke arbitration for any grievance filed pursuant to this Agreement.

#### **Section E: Procedural Steps**

**Step 1.** The aggrieved employee (with or without his/her Union representative) and/or the Union shall orally or in writing present and discuss the grievance with the employee's immediate supervisor, within fifteen (15) workdays of the occurrence or the event giving rise to the grievance becoming known to the employee or the Union. The immediate supervisor shall make a decision on the grievance and orally communicate the decision to the employee or to the Union within ten (10) workdays from the date of the presentation of the grievance.

**Step 2.** If the grievance remains unresolved, the employee, with or without his/her Union representative, or the Union shall submit a written grievance to the next level manager within ten (10) work days of the date of the Step 1 response or, if a response is not received by the due date, within ten (10) work days of the response due date. This specific Step 2 grievance shall be the sole and exclusive basis for all subsequent steps. The grievance at this step shall contain:

1. A statement of the specific provision(s) of the Agreement alleged to be violated;
2. The date(s) on which the alleged violation(s) occurred;
3. The manner in which the alleged violation(s) occurred;
4. The specific remedy or adjustment sought; and
5. Signature of the employee or Union representative, as applicable.

Should the grievance not contain the required information, the grievant and/or the Union shall be so notified in writing and granted the opportunity to resubmit the grievance within five (5) work days of receipt of such notice.

A response to the Step 2 grievance shall be made by the manager within seven (7) workdays of the date of receipt of the Step 2 grievance.

**Step 3.** If the grievance remains unresolved, the employee and/or Union shall submit a Step 3 grievance to the Agency Administrator or his/her designee, within ten (10) work days following the Step 2 response or, if a response is not received by the due date for Step 2, within ten (10) work days of the Step 2 response due date. The Administrator, or his/her designee, within the administration shall respond in writing within ten (10) workdays of receipt of the Step 3 grievance.

**Step 4** If the grievance remains unresolved, the employee and/or Union, shall submit a Step 4 grievance to the Agency Director within ten (10) work days, following the receipt of the Administrator's or his/her designee's response or the response due date for Step 3. The Department Director or Agency Head shall respond, in writing, within ten (10) workdays of receipt of the Step 4 grievance.

**Step 5.** If the grievance remains unresolved the Union within fifteen (15) workdays from receipt of the Step 4 response or the Step 4 response due date, shall advise the Agency Director, with a copy to the Director, Office of Labor Relations and Collective Bargaining, or his/her designee, in writing whether the Union intends to request arbitration on the grievance. Should the Union request arbitration, such request shall include a settlement, setting forth grounds for the grievance consistent with Step 2.

#### **Section F: Selection of Arbitrator**

1. Selection of an Arbitrator - Within ten (10) work days of the written notice to arbitrate, the Union shall request the Federal Mediation and Conciliation Service ("FMCS") to refer a panel of seven (7) impartial arbitrators. A copy of the FMCS panel request shall be sent to the Director, Office of Labor Relations and Collective Bargaining. Within fifteen (15) days of receipt of the FMCS panel, the parties shall select one of the names on the list as mutually agreeable, or if there is no mutually agreeable arbitrator, each party alternately strikes a name from the FMCS panel until one remains. A coin shall be tossed to determine who shall strike first. If none of the submitted arbitrators are acceptable, one (1) new panel may be sought before the selection process begins.

2. FMCS shall be empowered to make a direct designation of an arbitrator to hear the case if either party refuses to participate in the selection of an arbitrator.

## **Section G: Conducting Arbitration**

1. The arbitrator shall hear and decide only one (1) grievance in each case, unless the parties mutually agree to consolidation of grievance(s).
2. The arbitration hearing shall be informal and the rules of evidence shall not strictly apply.
3. The hearing shall not be open to the public. The hearing shall be open to the parties and witnesses relevant to the grievance including Management representatives, the aggrieved employee(s), Union Officials and representatives of the aggrieved employee(s), including Union attorneys and national representatives. The Union and Management may have observers attend the arbitration hearing. In the case of a class grievance involving employees from more than one unit, division, or office, the Union representatives for all affected units shall be allowed to attend the arbitration hearings.
4. Witnesses shall be sequestered upon request of either party.
5. Either party may have the arbitration proceedings recorded stenographically or otherwise. The cost of the transcript will be borne by the party requesting the stenographic recording, unless the parties mutually agree to equally share the cost. If a party, who has not requested a stenographic recording, subsequently requests a copy of the transcript, the party shall be charged the copy cost for the transcript and will pay for one-half of the cost of the arbitrator's copy of the transcript.
6. Hearings shall be held in the Office of Labor Relations and Collective Bargaining, or at the District building that contains the Grievant's work site, or at another mutually agreeable location. If the Parties disagree as to whether the hearing should be held in the Office of Labor Relations and Collective Bargaining, or at the District building that contains the Grievant's work site, that matter will be decided by the arbitrator.

## **Section H: Arbitrator's Award**

1. The arbitrator's award shall be in writing and shall set forth the arbitrator's findings, reasoning and conclusion, within thirty (30) calendar days after the conclusion of the hearing, or within thirty (30) calendar days after the arbitrator receives the parties' briefs, if any, whichever is later.
2. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this Agreement through the award. The arbitrator shall conform his/her award to the issues presented in the grievance.

3. The award cannot provide relief retroactively to a time before the date of the occurrence of the event upon which the grievance is based.

4. The arbitrator's award shall be binding upon both parties. A timely appeal may be filed by either party, with the D.C. Public Employee Relations Board.

5. A statement of the arbitrator's fee and expenses shall accompany the award. The fee and expenses of the arbitrator shall be shared equally unless the arbitrator allocates responsibility otherwise in the Award.

## **ARTICLE 39**

### **DISCIPLINE**

#### **Section A: General**

Discipline shall be administered in a fair, equitable, consistent, objective and nondiscriminatory manner. Disciplinary action shall not be taken in a manner that is retaliatory or constitutes harassment. Employees shall not be subject to restraints, interference, coercion or reprisals in the disciplinary process.

Discipline shall be imposed on employees for cause and shall be progressive in nature.

#### **Section B: Types of Disciplinary Actions**

For the purposes of this Article, discipline shall include the following:

1. Corrective Actions: written reprimands or suspensions of less than ten (10) days.
2. Adverse Actions: removal, suspension for ten (10) days or more, or a reduction in position, grade or pay.

An employee may appeal a corrective action or adverse action through the grievance process. Adverse actions may be appealed through the grievance process or the employee may elect to file an appeal at the Office of Employee Appeals ("OEA"). For an adverse action, the submission of a written grievance or the filing of a petition with the Office of Employee Appeals, whichever event is earlier shall be considered an election by the employee. The choice of one avenue of relief forfeits access to the other.

#### **Section C: Progressive Discipline**

1. Discipline shall be corrective rather than punitive in nature, and shall reflect the severity of the infraction, consistent with the principles of progressive

discipline. It is also acknowledged that immediate adverse action up to discharge is sometimes appropriate.

2. In selecting the appropriate penalty to be imposed in a corrective or adverse action, the Agency shall consider relevant factors, including any mitigating or aggravating circumstances. The results of such consideration shall be in writing and placed in the corrective or adverse action file. An employee's prior disciplinary record may be considered. However, the following time limits on prior disciplinary actions shall apply when determining the appropriate discipline:

a. A reprimand and/or a suspension of less than ten (10) days shall be considered a prior offense and may be cited only within two (2) years of the effective date of the reprimand, and only if it was not withdrawn earlier by the deciding official issuing the action by a court, or by other competent authority.

b. An adverse action shall be considered a prior offense and may be cited only within three (3) years from the effective date of the action, and only if not withdrawn earlier by the deciding official issuing the action, by a court, or by other competent authority.

3. Consideration may be given to correcting the problem through the use of the Employee Assistance Program ("EAP"). For purposes of disciplinary actions and penalties, days are defined as calendar days, unless otherwise stated herein.

#### **Section D: Time Frame for Proposing Disciplinary Action**

After discovery of the incident, an investigation shall be conducted in a timely manner, and discipline shall be imposed upon the conclusion of any investigation.

#### **Section E: Grievance Process**

Employees may grieve disciplinary actions through the negotiated grievance procedure set forth in Article 38 Grievance and Arbitration Procedure, of this Agreement at the step of the next higher level manager than the deciding official, within fifteen (15) workdays of the receipt of the final decision. If the deciding official is the Director of the Agency, the grievance shall be filed at Step 4 of Article 38.

#### **Section F: Probationary Employees**

This Article shall govern disciplinary actions imposed on probationary employees. However, the removal of an employee during his/her probationary period is neither grievable nor appealable, and shall be done in accordance with the DPM.

**Section G: Privacy**

If a supervisor has reason to discipline an employee, it shall be done in private and in a manner that shall not embarrass the employee before other employees or the public.

**Section H: Notice of Proposed Disciplinary Action**

1. An employee for whom adverse action is proposed shall be entitled to at least 15 calendar days advance written notice of a proposed adverse action, or ten (10) calendar days if corrective action is proposed. The notice shall identify the cause and the reason(s) for the proposed action.
2. A notice of proposed corrective or adverse action shall contain the following information:
  - a. The violation or infraction allegedly committed by the employee and where the employee/union can obtain the supporting documentation;
  - b. The Agency shall give specific description of the incident(s), including the date(s) of the occurrence that resulted in the Agency proposing disciplinary action;
  - c. The name and telephone number of the hearing officer and/or disinterested designee;
  - d. A statement that the employee is represented by AFGE Local 631 and should seek assistance from the Union.

A response to the proposed disciplinary action is due ten (10) workdays after the employee receives the notice of proposed discipline.

**Section I: Union Notification and Support Documentation**

Recognizing that the Union is the exclusive representative of the employees covered by this Agreement, the Agency shall notify the Union of proposed disciplinary actions. A written notice shall be provided to the Union President identifying the name of the employee, the date the employee received the proposed action and the proposed penalty. This notice to the Union shall be mailed to the Union President at the time the document(s) is issued to the employee. The parties may mutually agree, in writing, to other methods of delivery of the notice to the Union.

The materials upon which the proposed discipline is based shall be made available to the employee and his/her authorized representative for review. The employee and his/her authorized representative shall be provided with copies upon request.

Any information that cannot be disclosed to the employee and/or his/her representative at the time the proposal is issued shall not be used as support for the proposed action and final decision.

**Section J: Active Duty Status**

Except for employees on paid administrative leave, an employee shall remain in an active duty status, during the proposed notice period.

**Section K: Deciding Official**

The person proposing a disciplinary action shall not be the deciding official, except in those circumstances where the Department Director is the proposing official.

1. The deciding official may either sustain the penalty, reduce it or dismiss the action, but shall not increase the penalty. In cases of termination, the deciding official may remand the hearing officer's recommendation to the hearing officer with instruction for further consideration.
2. If the proposed action is sustained in whole or in part, the written decision shall identify the reason for the decision and shall describe whether the proposed penalty has been sustained or reduced, and inform the employee of his/her right to appeal or grieve regarding the decision, and the right to be represented. The final decision shall also specify the effective date of the action.

**Section L: Final Decision**

A Notice of Final Decision, dated and signed by the deciding official, shall be delivered to the employee on or before the date that the action is to be effective. If the employee is not in a duty status at that time, the notice shall be sent to the employee's last known address by certified or registered mail before the effective date.

If a final decision is grieved through the negotiated grievance procedure, a written grievance shall be filed within fifteen (15) workdays of the receipt of the final decision, as provided for in Section E of this Article.

**ARTICLE 40**

### **Section B: Employee Responsibility**

Employee(s) terminating employment will be required to return identification badges, cell phones, electronic equipment, uniforms and other government property in their possession, prior to receiving their final check. If an employee fails to return the above items, the District may deduct up to a maximum of two hundred fifty dollars (\$250.00), or if the value of the item(s) is greater than \$250.00, one-half the net amount of the final pay check(s) due, based upon the depreciated value of the item(s). Employees will be allowed to explain extenuating circumstances prior to monies being deducted from their final pay check. Employee seeking to provide such an explanation shall submit a written statement to the Department Director. Any deduction made from final pay under this

provision shall not waive the right of the employee to challenge the validity of the deduction or the right of the District to seek the return and/or additional reimbursement for items not returned by the employee.

**Section C: Measurements and Corrections**

Management shall work to ensure that accurate measurement of employees and correct sizes of uniforms are received by employees. Corrections needed on uniforms shall be completed promptly, after notice of the incorrect fit by the employee. Employee(s) shall provide notice of an incorrect fit, within 7 working days of receiving the new or replacement uniform. Corrections needed on uniforms shall be completed within thirty (30) days after notice of incorrect fit by the employee.

**Section D: Recommendation for Additional Uniforms**

In addition to the items in Section A, Management may issue other uniform items deemed necessary. Labor-Management meetings may be utilized to assist in determining additional uniform needs in particular departments or agencies.

#### Section C: Failure to Report for Overtime Work

An employee who fails to report for previously scheduled overtime shall be taken out of the overtime rotation cycle or overtime scheduling. MEMORANDUM

TO: Persons Issued Tickets While Operating Government Vehicles

FROM: *Lucinda M. Babers*  
Lucinda Babers  
Interim Director

DATE: April 9, 2007

SUBJECT: Adjudication of Parking Tickets Incurred During Government Service

---

The Department of Motor Vehicles revised its guidelines for adjudicating tickets issued to government and public service vehicles on March 20, 1994. Working with police agencies and other officials, the Department created exceptions to liability for some cars and trucks operated by government employees during the course of official government business. There are, however, still misunderstandings on the part of some employees about the range and scope of exceptions permitted for government and public service vehicles.

**There are no exceptions for citations that are issued for blocking traffic or for other activities that impact upon public safety.**

There also appears to be a misunderstanding about the proper use of the "Authorized Parking Permit" issued by the Department of Motor Vehicles.

- **The "Authorized Parking Permit" does not convert a private vehicle into an official government vehicle.**
- **Vehicles with private license plates cannot park free at meters, even if they do display an "Authorized Parking Permit", and such vehicles may not occupy parking spaces that are reserved for "Government Vehicles Only".**

The following "Guidelines for Exceptions" may be useful in helping government employees avoid tickets and other enforcement action:

1. Government Employees - District and Federal vehicles may be excused from parking infractions incurred during the course of urgent government business if there was no other legal space available, provided the parking violation did not block traffic or cause a safety problem.

EX. 34

ABW 5/15/09

The defense of being a government employee on urgent business will not excuse the following violations:

- violation of no parking/standing anytime regulations
- rush hour violations
- blocking a crosswalk
- parking in a fire lane/fire hydrant
- loading zone violation
- parking in a bus stop or bus zone
- violation of school zone regulations
- parking on a sidewalk
- blocking a driveway or alley

S. T. Layton

2. Law Enforcement Vehicles – Law enforcement vehicles carry with them the presumption that their business is urgent. It is recognized that from time to time law enforcement duties require personnel to violate exceptions to established rules. In these cases hearing examiners weigh a respondent's violation against the duties the agent performs and makes a decision in consideration of the public interest.
3. Utility Vehicles – Utility vehicles are treated as though they were government vehicles. The actual work vehicle is treated in much the same manner as a law enforcement vehicle. For example, an electric repair truck may have to park in a bus zone because that is where the manhole to be re-wired is. A supervisor's car will, however, be held to the provisions of paragraph one. Government ticket writers will look for work cones to denote activity, and if work cones are not displayed, a citation can be issued.
4. Procedures for Adjudication – Each agency should designate one or two persons to review tickets issued to vehicles operated by their employees. Drivers may be held responsible for tickets that do not fall within government adjudication guidelines.

- Tickets that are disapproved by a Department's certifying official may be presented for a hearing by the individual driver, or else they should be paid. When citations are adjudicated by a hearing examiner and a respondent is found liable, the citation is expected to be paid.
- If a reviewing official believes that a ticket issued to a government vehicle falls within government adjudication guidelines described above, the completed file should be directed to the Government Fleet Specialist at Adjudication Services, 301 C Street, NW, Washington, D.C. 20001. An accompanying letter should be sent describing the nature of the driver's business, why that business was urgent, and what the driver did to seek out available legal parking space.
- It is important that a full explanation of the circumstances surrounding a ticket is presented when one is seeking an exception to liability. ### **Section 1-A - Composition and Function of the OAG Labor-Management Committee:**

A. The Union and the OAG shall continue the existing OAG Labor-Management Committee (LMC) that will consist of an agreed upon number of Union and OAG representatives.

B. The purpose of the OAG LMC, which shall meet monthly unless canceled in advance by the chairs, is to provide a forum for the exchange of views on working conditions, terms of employment, risk assessment, matters of common interest or other matters, which either party believes will contribute to improvement in the relations between the Union and the Employer within the framework of this Agreement.

C. Performance evaluation appeals, grievances and disciplinary matters shall not be the subject of discussions at these meetings, nor shall the meeting be for any other purpose, which would modify, add to or detract from the provisions of this Agreement. The Committee shall adopt rules for meetings including rules for notices, agendas, times and locations.

**Section 1-B - Composition and Function of the MOLC Labor-Management Committee:**

- A. The Union and the Mayor's Office of Legal Counsel (MOLC) shall continue the existing Labor-Management Committee (LMC) that will consist of an agreed upon number of Union and MOLC representatives.
- B. The purpose of the MOLC LMC, which shall meet quarterly, is to provide a forum for the exchange of views on working conditions, terms of employment, risk assessment, matters of common interest or other matters, which either party believes will contribute to improvement in the relations between the Union and the Mayor within the framework of this Agreement.
- C. Performance evaluation appeals, grievances and disciplinary matters shall not be the subject of discussions at these meetings, nor shall the meeting be for any other purpose, which would modify, add to or detract from the provisions of this Agreement. The Committee shall adopt rules for meetings including rules for notices, agendas, times and locations.

**Section 2 – Subcommittees:**

The parties may mutually agree to establish subcommittees of the LMCs to study problems and conditions.

**Section 3 – Union's Right to Request Impact and Effects Bargaining:**

Nothing herein shall be construed to limit the Union's right to request impact and effects bargaining over any proposed organizational changes.

**Section 4- Labor-Management Meetings:**

- A. In mutual recognition of the parties' joint desire to discuss and resolve matters of concern at the lowest possible level, the Union steward and first-level supervisor, should meet periodically for the purpose of meaningful consultation and communication on the problems and policies of the organization in their working unit, and if appropriate, the steward may meet with supervisors of a higher level. Such meetings between supervisors and stewards shall be on duty time, shall be brief, and shall cover matters of concern between them and appropriate to their relationship.
- B. Appropriate representatives from the Union and Employer shall meet at either party's request to discuss problems concerning the implementation of this Agreement. Each party shall furnish the other with an itemized agenda setting forth the topics of discussion one (1) day before the meeting,

unless otherwise agreed. The parties further agree that items not on the agenda may be raised for discussion, if agreed to by the parties at the meeting.

**Section 5 - Organizational Changes:**

A. The parties agree that changes to the functions and structure (except changes involving a particular individual as to personnel/supervisory appointments or transfers or space relocations) of the Employer, are a proper matter for consideration by the Labor-Management Committee or relevant subcommittee. The Employer may, in its discretion, solicit the views of the Union on any proposed organizational change at any time, but agrees that it shall provide to the Union President a copy of the final draft of organizational changes that will impact Bargaining Unit Employees. The Union President or his/her designee may request a meeting concerning the proposed changes and the Attorney General and/or the Mayor, as appropriate, or their designees, shall honor any such request. Following these consultations, the Union will be provided a copy of the final plan that has been approved by appropriate officials. If any changes to the plan are made thereafter, the Union shall be provided a copy of such changes.

**Section 6 – Risk Assessment:**

B. The Union may make recommendations to the Attorney General and/or the Mayor, as appropriate, concerning risk management issues for District legal service employees. **ARTICLE 3  
ADMINISTRATION OF LEAVE**

Except as otherwise provided in this Agreement or the corresponding Compensation Agreement, the parties shall adhere to all applicable law and District government rules and regulations in the administration of leave. Annual leave must be requested reasonably in advance except in an emergency (unanticipated event). Employer's decision to grant or deny annual leave shall be made within 72 hours of the request, excluding Saturdays, Sundays, holidays, and any other day that the District government is closed and will be based solely on mission (including coverage) requirements. Except in emergency situations, the Employer shall not consider the reason for the annual leave request in making the leave determination. If requested by the employee, the supervisor shall discuss the reason for the denial of any request, and discuss when the employee will be able to take the requested leave. Requests for annual leave shall be approved when possible.

**ARTICLE 4**  
**ALTERNATIVE WORK SCHEDULES**

**Section 1 – Definitions:**

A. Except as provided in this Article, the professional workday for full-time employees shall consist of eight (8) hours of work within a 24-hour period. The normal hours of work shall be consecutive except that they may be interrupted by a lunch period.

**B. Professional Workweek:**

Attorneys work a professional work week on a salaried basis consisting of a minimum of forty (40) hours. The normal workweek for full-time attorneys shall consist of five (5) consecutive days, at least eight (8) hours of work, Monday through Friday. Management may vary the workweek of attorneys in order to meet work load requirements or emergency situations and must provide the employees with at least a two (2) day advance notice, if possible. Attorneys are exempt from the overtime restrictions under the Fair Labor Standards Act. However, in the event an employee is asked to work more than 8 hours per day or 40 hours per week, management will attempt to give as much notice as possible and reasonably consider any request for compensatory time covered elsewhere in this agreement.

**Section 2 Fair Labor Standards Act:**

Attorneys are excluded from the overtime provisions of the Fair Labor Standards Act (FLSA) and no overtime pay or compensatory time is authorized for work performed unless authorized elsewhere in this Agreement.

**Section 3 Flexible/Alternative Work Schedules:**

Employer shall maintain, to the extent already in effect, or establish at least the following three Alternative Work Schedules (AWS) for covered employees: (1) a Flexible Work Schedule, (2) a Compressed Work Schedule, and (3) a Teleworking Schedule, including Ad Hoc (or situational) teleworking.

AWS for OAG employees will be established consistent with OAG Office Order No. 2021-05.

For agency counsel, applicable DCHR Policy-Issuance I-2021-22 on AWS will apply. This Policy allows agencies to provide regular or routine teleworking up to two (2) days maximum on a weekly basis. Under this agreement, AWS may be combined; however, teleworking may only be combined with compressed schedules provided that agency counsel must work in-person in the office a minimum of three (3) days per week. To the extent that compressed work schedules entitle employees to receive one (1) day off during the week, then employees with combined teleworking and compressed schedules would be afforded no more than one (1) day of teleworking in any such weeks.

Employees are still allowed to combine ad hoc or situational teleworking with a compressed schedule. However, such ad hoc teleworking will not be afforded on a routine weekly basis.

The existing AWS policies of all agencies are hereby incorporated by reference into this Agreement provided that they allow for AWS as described in this Section. The normal work hours shall be adjusted, consistent with a supervisor's discretion set forth in the applicable OAG Office Order or governing policy for agency counsel under DCHR Policy Issuance I-2021-22, or other rule, regulation or law to allow for AWS schedules, with appropriate adjustments in affected leave. In deciding whether to grant an employee's request to use an alternative work schedule, the employee's supervisor shall consider, but is not limited to the following factors:

- A. The demands of the requesting individual's work;
- B. The need to maintain adequate staffing to handle unanticipated matters or cover matters that are handled by the Office, Unit, Section, or Division, even if that assignment is not assigned to the requesting employee;
  - (1) The needs of the work unit, including the need to ensure sufficient staffing levels during core hours and availability of office staff or government officials;
  - (2) Whether granting an AWS request results in the denial of annual or sick leave to other members of the Office, Unit, Section, or Division;
  - (3) The past performance of the requesting individual;
  - (4) Equitable sharing of Office functions;
    - a. Whether work assignments can be performed effectively and efficiently by an employee on the type of AWS being requested;
    - b. Whether the requested AWS places an undue burden on others within a particular Office, Unit, Section, or Division; and
    - c. Any other factor that may affect the quality or quantity of work accomplished by the Office, Unit, Section or Division.

Such schedules maybe appropriate where:

- 1. It is cost effective;
- 2. It increases employee morale and productivity; or
- 3. It better serves the needs of the public.

The Union shall be given advance notice when flexible/alternative work schedules are proposed and shall be given the opportunity to consult. A flexible/alternative work schedule shall not affect the existing leave system. Leave will continue to be earned at the same number of hours per pay period as for employees on five (5) day, forty (40) hour schedules and will be charged on an hour-by-hour basis.

**Section 4 Teleworking:**

Supervisors may permit employees to use teleworking consistent with Section 3 above. Employees participating in teleworking plans must be accessible and available during their entire tour of duty and for recall to physically appear in the office. Employees should make every effort to report as soon as possible, generally within 2 hours. Employees are solely responsible for completing assigned work after appropriate management review and shall comply with management's requirements with regard to advance review of drafts prior to a final deadline.

**Section 5 Supervisor's Authority:**

An attorney's request for AWS shall not be unreasonably denied. An immediate supervisor must provide written justification for the denial of an AWS request. An attorney may seek review of the denial of an alternative work schedule to the manager of his/her immediate supervisor. OAG employees may appeal a manager's denial of his/her AWS request to the Attorney General. Agency employees may appeal a manager's denial of his/her AWS request to the Director of the MOLC. A supervisor may require AWS participants to provide additional information about conformance with their approved tours, such as the use of sign-in sheets, or other time accountability systems or methods.

**Section 6 Impact and Effect Bargaining:**

The Attorney General shall not change its existing AWS Office Order # 2021-05 without advance notice to the union and an opportunity to engage in impact and effects bargaining. Agencies shall not implement or change an alternate work schedule policy without advance notice to the union, an opportunity to engage in impact and effects bargaining and an opportunity to make substantive suggestions to any AWS policy before the policy's effective date.

**ARTICLE 5  
EMPLOYEE ASSISTANCE PROGRAM**

**Section 1 – General:**

The parties recognize that alcoholism, drug abuse, and emotional and mental illness are health problems that may affect job performance. To this end, the Employer will, at least annually, make employees aware of the District's Employee Assistance Program (DPM Chapter 20B, Section 2050, EAP) and available services provided under it. The provisions of the DPM govern except as provided below.

## **Section 2 - Use of Sick Leave:**

Employees undergoing a prescribed program of treatment for alcoholism, drug abuse, emotional illness, or mental illness will be allowed to use available sick leave for this purpose on the same basis as any other illness with appropriate documentation of attendance.

## **ARTICLE 6 UNION STEWARDS/OFFICIAL TIME**

### **Section 1 - Number of Stewards:**

- A. The Union may designate, other than the Chief Steward, no more than five (5) stewards, or one (1) steward for every fifty (50) bargaining unit employees, whichever is greater.
- B. The Union will endeavor, whenever possible, to limit the number of Union Representatives working in the same division, to a number that will not cause a significant work disruption in that work unit.

### **Section 2 - Designation of Representatives:**

#### **A. Union Officers, Stewards and Other Representatives**

- 1. Union Officers and Stewards: The Union agrees to provide the Employer and the Office of Labor Relations and Collective Bargaining (OLRCB) with a written list of its officers and stewards within two (2) workdays after the date this Agreement is executed and within five (5) working days after each general election.
- 2. Other Representatives: The Union will also notify the Employer and OLRCB, in writing, of other Union representatives who may request official time, along with a description of their individual Union assignments.

B. Changes in the list will be submitted to the Employer's designated official(s) at least two (2) workdays prior to the assumption of representational responsibilities by any new officers, stewards or other representatives. If a Union official is not on the list of designated representatives and is needed prior to the two (2) days notice, the Union President shall notify the Employer's designated official(s) by phone and/or e-mail before the official will be recognized. The Employer shall recognize any Union official designated pursuant to this section.

C. The Employer will not recognize any Union official or representative who is not listed as required or for whom notification was not provided in accordance with this section.

D. Except where explicitly provided, this Agreement shall not be interpreted in any manner that interferes with the Union's right to designate representatives of its own choosing on any particular representational matter.

E. The Union will be notified prior to any change in tours of duty of duly appointed Stewards. The Union shall also be notified prior to the organization of tours of duty that would affect the members of the unit.

F. Employer recognizes that the Union may designate employee members, selected or appointed to a Union office or delegated to a Union function and agrees that, upon request, the employee may be granted annual leave or leave without pay for the period of time required to be away from his/her job. Such requests will be submitted as far in advance as possible, but not less than one (1) working day prior to the day the leave is to begin in the event the leave request is eight (8) hours or less, or five (5) working days in advance, in the event the leave request exceeds eight (8) hours. The Union shall be notified of a disapproval of leave in writing together with the Employer's justification. Leave contemplated under this article shall not be denied except for good cause.

### **Section 3 - Performance Appraisals:**

A. No Union representative will be disadvantaged in the assessment of his/her performance based on his/her participation in Union activities and/or use of official time to conduct labor-management business authorized by this Agreement. However, performance problems unrelated to participation in Union activities and/or the use of official time may be addressed in accordance with other relevant provisions of this Agreement.

B. At the beginning of the rating year or when the Union representative is initially appointed, workload and performance expectations will be established that consider the actual use of official time and the impact on performance of the duties of the employee's position. Additionally, the designated supervisor and the Union representative will meet at least quarterly to discuss needed adjustments to workload and representational needs.

### **Section 4 - Official Time for Representational Activity:**

A. Pursuant to the statutory right and responsibility of the Union to represent bargaining unit employees, representatives of the Union will be granted reasonable amounts of official time to investigate, prepare for, and conduct representational functions in accordance with the provisions of this Article as follows. The Union President will be assigned a caseload equal to no greater than 50% of the average caseload of an attorney with his or her grade level and experience in the Division which employs the Union President. The Union Vice President # 1 will be assigned a caseload equal to no greater than 80% of the average caseload of an attorney with his/her grade level and experience in the Division which employs the Union Vice President #1. The Union Vice President # 2 will be assigned a caseload equal to no greater than 85% of the average caseload of an attorney with his/her grade level and experience in the office which employs the Union Vice President #2. The Union represents that Union Vice President # 1 will primarily represent OAG employees and Union Vice President # 2 will primarily represent employees in subordinate agencies. No other Union members or officer will be assigned a reduced caseload. However, other Union members or officers shall be granted reasonable amounts of official time to investigate, prepare for, and conduct representational functions as needed, including necessary travel time. Employer will not be required to grant or approve official time for any Union shop

steward, officer or other representative who has not complied with the Employer notification requirements of Section 2 of this Article.

B. For the purpose of this Article, "representational functions" means those authorized activities undertaken by employees on behalf of other employees or the Union pursuant to representational rights under the terms of this Agreement and District of Columbia law. Examples of activities for which reasonable amounts of official time will be authorized include:

- (1) collective bargaining negotiations;
- (2) discussions with Employer representatives concerning personnel policies, practices, and matters affecting working conditions;
- (3) any proceeding in which the Union is representing an employee or the Union pursuant to its obligations under this Agreement;
- (4) grievance meetings and arbitration hearings;
- (5) a disciplinary or adverse action oral reply meeting, if the Union is designated as representative of the employee;
- (6) any meetings for the purpose of presenting replies to the proposed termination of probationers, if the Union is designated as representative of the employee;
- (7) any meeting for the purpose of presenting reconsideration replies in connection with the denial of within-grade increases, if the Union is designated as representative of the employee;
- (8) attendance at an examination of an employee who reasonably believes he or she may be the subject of a disciplinary or adverse action;
- (9) informal consultation meetings between the Employer and the Union;
- (10) conferring with affected employees about matters for which remedial relief is available under the terms of this Agreement;
- (11) attendance at meetings of committees on which Union representatives are authorized members by the Employer or this Agreement;
- (12) attendance at labor-management committee meetings or other joint labor-management cooperative efforts;
- (13) attendance at Employer recognized or sponsored activities to which the Union has been invited;
- (14) attendance at public hearings of the District of Columbia City Council or other legislative/administrative bodies of the District or federal government relating to matters that affect either the Employer or labor relations/labor matters in the District of Columbia that impact or may impact the Union;

- (15) necessary travel to any of the activities listed above;
  - (16) training related to the representational functions of Union officials and stewards which the parties agree is to their mutual benefit and for which management is given notice and provided with an agenda and course description; and
  - (17) new employee orientation meetings.
- C. Official time shall not include time spent on internal Union business, including, but not limited to:
- (1) Attending Local, Regional, or National Union meetings;
  - (2) Soliciting members;
  - (3) Collecting dues;
  - (4) Posting notices of Union meetings; administering elections;
  - (5) Preparing and distributing internal Union newsletters or other such internal documents; and,
  - (6) Internal Union strategy sessions, except for representational functions.

**Section 5 - Requesting Official Time:**

- A. All use of official time by any Union officer, official, steward or other representative must be recorded on the Employer-approved Official Time Report Form and submitted on a monthly basis to Employer's designee.
- B. Official time for Union representatives should be requested on the approved "Official Time Report" form. The Union representative will request authorization for official time from his or her supervisor in advance and as is consistent with workload requirements except when circumstances do not allow for advance approval (e.g., unscheduled meetings called by management where the Union's attendance is requested; or representation of employees in investigatory interviews; or circumstances where the employee might be subject to discipline). Failure to properly request and obtain approval of official time may result in disciplinary action depending on the circumstances.
- C. All advance requests for official time are understood to be estimates.
- D. If a request for official time is denied, the manager or supervisor refusing such permission shall give the reasons for refusal in writing to the individual who was so denied, if the individual involved makes such a request.
- E. Employee Union representatives, except the Union President, in light of his 50% reduced caseload, Vice President #1, in light of his or her 20% reduced caseload, and Vice President #2, in light of his or her 15% reduced caseload, will complete the "Official Time Report" form (attached to

this Agreement as Exhibit "A") provided by the Employer to accurately depict the actual official time used in a timely manner each pay period.

F. Management shall not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Employer agrees that such permission for release shall not be unreasonably delayed or denied. Workload needs will be balanced with official time needs prior to approval based on the following standard: official time requests shall be granted unless they hinder the accomplishment of essential workload requirements that cannot otherwise be accommodated.

G. All affected employees (e.g., grievants, representatives, witnesses, and appellants) whose presence has been determined to be necessary, by either the Union or the Employer, as the case may be, at relevant proceedings (including hearings, meetings, arbitrations, oral replies, or other labor-management business) will receive necessary official/duty time to participate in and travel to and from the proceedings.

#### **Section 6:**

A. The parties agree that Union officials and stewards are entitled to take a reasonable amount of official time and the officials and stewards requesting/using official time shall be treated with civility and shall not be discriminated against because they participate in Union activities and/or take official time. Likewise, Union officials and stewards shall treat supervisors with civility in regard to their supervisors need to have information about the amount and type of official time being requested so that the supervisor can effectively manage their personnel and allotted workload. The parties agree that there is a need for flexibility to enable managers to effectuate the mission of the government and, at the same time, to enable Union officials and stewards of the bargaining unit to take care of Union business expeditiously.

B. In cases of alleged abuse of official time by the Union, or alleged improper restriction of official time or discrimination by the Employer, the parties shall endeavor to resolve the matter at the lowest possible level. If efforts to resolve the matter between the first line supervisor and the Union official or representative fail, then the party alleging the abuse or improper restriction shall bring the matter to the attention of the appropriate management and Union representatives. If the matter is not resolved then either party may seek assistance from the D.C. Office of Labor Relations and Collective Bargaining.

#### **Section 7:**

The parties shall conduct separate training concerning use of official time for members and managers and supervisors.

**ARTICLE 7**

**Section 6:**

The contents of the notices posted on the bulletin board shall be at the discretion of the Union, except that the Attorney General and/or Mayor, as appropriate, or their designees may request the removal of language or material that it believes is defamatory or discriminatory. With notice to the Union, Employer may remove language or material that is defamatory or discriminatory.

**Section 7:**

Union officers and representatives, and other unit members who serve in any capacity on behalf of the Union, may use their regular workstations including telephones, computers, and e-mails to communicate with bargaining unit employees in connection with their representational functions; provided however, such activity shall not interfere with the effective operation of the Government's business. Employer shall not monitor Union telephone or email activity or content related to representational functions. All communication regarding terms and conditions of employment shall be in accordance with the Code of Conduct applicable to District Government employees as defined in the Government Ethics Act (D.C. Such specialized expertise may be demonstrated by the complexity of matters handled or awards of professional distinction. Whether the attorney has demonstrated expertise beyond that of other attorneys performing the same or similar work at the same grade level shall be considered.

##### **3. Satisfactory Handling of Increasingly More Complex Work**

The attorney’s workload has become increasingly more complex and the attorney performs in a manner that meets or exceeds established performance standards with little or no supervision. Factors to be considered include the complexity of the work, the productivity of the attorney, and the type and amount of supervision needed.

##### **4. Time-In-Grade**

The attorney has served at least 24 months as a Grade 13 or 14 as applicable.

##### **5. Other Criteria**

Other factors that may be considered include, but are not limited to, an attorney’s seniority, the length of time that the recommendation for promotion has been pending, and the availability of funds in the agency budget.

## **B. Process**

1. On or about January 31 of each calendar year, an attorney's immediate supervisor/ General Counsel shall consider the aforementioned criteria in determining whether to recommend attorneys to the next higher grade. Recommendations shall be submitted in writing by the supervisor/General Counsel through the agency director to the MOLC Director and the recommendation must specifically address the attorney's achievement of the criteria above for promotion.
2. If the employee has not been supervised by his or her current supervisor for at least 120 days, any supervisor who directly supervised the employee for at least 120 days during the current rating period, or for at least 120 days during the most recently completed rating period, may submit an advisory recommendation through the agency director.
3. All written recommendations from promotion of Legal Service attorneys to Grade 14 and 15 should specifically address the criteria as set forth in Section 3A above and shall include copies of the two most recent performance evaluations.
4. Each subordinate agency director or designee, as appropriate, shall review the recommendation for promotion within 120 days of receipt and issue a decision approving of or denying the recommendation. Any recommendations approved by the agency head shall be submitted to MOLC Director, or designee, for review.
5. In the event that all competitive promotions cannot be approved in any particular fiscal year for budgetary or other reasons, the agency director, in his or her discretion may consider the following criteria for promotion priority: (a) seniority in the subordinate agency; and (b) the length of service in the entire District government.
6. An attorney's promotion shall be effective at the beginning of the next pay period after the MOLC Director's final decision. Once the promotion is processed by DCHR, the attorney will receive pay retroactive to the promotion effective date.

### **Section 4 – Grievance on Failure to Comply with Process:**

Attorneys may not grieve a failure to obtain a promotion or failure to appear on a list of candidates recommended for promotion to the agency director. The decision on whether to grant a promotion is within the sole and unreviewable discretion of the agency director. However, attorneys may grieve management's alleged failure to comply with the process outlined in Section 2 and 3B above.

### **Section 5 – Filling Vacancies:**

A. Whenever an attorney vacancy exists at a subordinate agency, other than a temporary opening, in any existing job classification or as the result of the development or establishment of a new job classification, Employer shall provide a copy to the Union which may post such

vacancy notice on Union bulletin boards or electronically. The Employer shall post the announcement electronically through the use of agency-wide e-mail no later than ten (10) working days prior to the closing date. A copy of the notices of job openings will be provided by email to the Union President at the time of posting.

B. During this period, employees who wish to apply for the position, including employees on layoff, may do so. The application shall be in writing, and may be submitted by electronic mail, any official District online application system or in person to DCHR.

#### Section 6 - Job Qualifications:

Management has the right to determine job qualifications. Where the Employer has considered the recommendations and has determined that two or more employees/applicants for a position are equally qualified to perform the duties of the position, the selection shall be made by the Employer from the designated qualified candidates.

#### Section 7 - Additional Duties:

Issues involving changed or additional duties assigned to an employee, within his/her present position, shall be considered in accordance with District government position classification guidelines set forth in the District Personnel Manual and any other applicable District of Columbia law.

### **ARTICLE 25 TIMELY RECEIPT OF CORRECT PAY AND EXPENSE REIMBURSEMENTS**

#### **Section 1 - Tardy or Non-Receipt of Pay:**

A. Employer shall use its best efforts to take all action necessary to correct tardy receipts or non-receipts of employee paychecks due to electronic, delivery, or other pay errors within its control.

B. Employer shall use its best efforts to take all action necessary to assist in correcting tardy receipts or non-receipts of employee paychecks due to electronic, delivery, or other pay errors when the specific error or needed correction is not within its control.

#### **Section 2 - Pay Errors:**

Employer shall expeditiously use its best efforts to take all action necessary to correct all other paycheck errors including those concerning benefits, sick leave, annual leave and various deductions. In any event, the Employer shall correct all pay errors no later than two (2) weeks following the identification of the error by the employee or the Employer. In the event that pay errors continue to exist more than two pay period after employee provides notice to the appropriate Employer representative and the delay results due to no fault of employee, employee shall receive four (4) hours of administrative leave.

**Section 3 - Timely Receipt of Pay, Pay Increases, Bonuses and Reimbursements:**

A. Employer agrees to use its best efforts to ensure that pay increases, including but not limited to those resulting from step increases, promotions, bonuses and other salary increases, are paid on the effective date. To this end, Employer shall, among other things, use its best efforts to ensure that paperwork needed to implement such increases is completed within a reasonable time of the proposed effective date of the action and shall process the proposed action as expeditiously as possible, to avoid or minimize any delay in implementation.

A. The Employer must pay all pay increases, including but not limited to those resulting from step increases, promotions, bonuses and other salary increases no later than two (2) pay periods following the effective date of the increase.

**Section 4 - Timely Reimbursement of Expenses:**

Employer shall use its best efforts to take all necessary action to ensure that reimbursement of pre-authorized expenses related to the employee's employment, including but not limited to travel and education expenses, is paid within thirty (30) days of submission of a proper request.

**Section 5 – Audits:**

In the event employee requests an audit of pay and benefit records because of errors made in their computation, Employer shall complete such audit and transmit the results to the requesting employee within ten (10) business days or shall provide the employee a reason why additional time is required and shall give a projected date of completion.

**ARTICLE 26  
GENERAL PROVISIONS**

**Section 1 - Work Rules:**

Employees will be advised of verbal and written work rules that they are required to follow. The Employer agrees that proposed new written work rules and the revision of existing written work rules shall be subject to notice and consultation with the Union.

**Section 2 – Identification Device:**

The Employer agrees that the employee has a right to participate and identify with the Union as his/her representative in collective bargaining matters. Therefore, the Employer agrees that such identification devices as emblems, buttons and pins supplied by the Union to the employees within the bargaining unit may be worn on their clothing except when appearing in court or before any administrative tribunal or other government agency on behalf of the Employer.

**Section 3 - Distribution of Agreement:**

The Employer and the Union agree to electronically distribute the fully executed version of this contract to all management and covered employees upon execution of the contract by the parties.

**Section 4 – Office Space:**

Employer will consider the attorney client and other privileges in providing space. Office space will be identified by OAG, the Mayor, or their designees, and assigned by the Union. Employer determines space, division and section allocation, as well as what offices are available for bargaining unit employees. Employer will afford the Union the advance opportunity to consult over the design of new office space at each step of the design process. The parties acknowledge that this does not interfere with management’s final authority to determine the final design.

**ARTICLE 27  
COMPUTATION OF TIME**

All time frames referenced in this Agreement shall be interpreted as business days, unless otherwise specified.

**ARTICLE 28  
GRIEVANCE AND ARBITRATION PROCEDURES**

**Section 1 – Definitions:**

A grievance under this section is an allegation that the other party has violated a provision of this Agreement. RIFs, furloughs, disciplinary actions and performance rating appeals are excluded from the definition of grievance under this section and such disciplinary actions and ratings are not subject to challenge, review or arbitration under the grievance and arbitration procedures of this section. The grievability of disciplinary actions and performance evaluations is governed by other parts of this Agreement and the Compensation Agreement.

**Section 2 – Performance Ratings:**

Any performance rating may be appealed within thirty (30) calendar days of receipt by the employee to a three-person committee established by the Attorney General or the Mayor’s Office of Legal Counsel. The committee shall be empowered to review the basis for a direct supervisor’s rating, conduct a hearing, receive written briefs, and issue a written decision which shall approve, modify, or reject a performance rating. Any decision by the Committee shall be appealable to the Attorney General or agency head, as applicable, within thirty (30) calendar days of receipt of the decision by the employee. The Attorney General’s decision or agency head’s decision, as applicable, shall be final and no further appeal shall be allowed under this Agreement. If the committee does not act within thirty (30) calendar days of the appeal, the evaluation may be appealed to the Attorney General or the agency head, as applicable who shall issue a decision within fifteen (15) calendar days thereafter. If the Attorney General or agency head, as applicable, does not act within fifteen (15) calendar days, unsatisfactory evaluations may be appealed under the provisions of this Article within fifteen (15) calendar days. The Attorney General and the Mayor’s Office of Legal Counsel shall establish procedures for appeals under this Article to the committee and to the Attorney General and agency head, respectively.

### **Section 3 – General Provisions:**

Any grievance that may arise between the parties involving an alleged violation of this Agreement shall be settled as described in this Article unless otherwise agreed to in writing by the Union President and the Attorney General or agency head, as applicable, or his/her designee.

### **Section 4 – Information Requests:**

Both parties shall provide all information determined to be reasonable and needed by the other party for processing of a grievance after a request by the other party within a reasonable amount of time.

### **Section 5 – Procedure:**

A. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Grievances must be filed at the lowest level where resolution is possible. Therefore, all grievances shall ordinarily be presented to the immediate supervisor unless it is clear that the immediate supervisor does not have authority to deal with the grievance and that it should be filed elsewhere. The Union may request a face-to-face meeting with the appropriate management representative who is delegated authority to deal with the grievance at each step. The parties agree to endeavor to engage in productive meetings to resolve a grievance.

B. Nothing in this Agreement shall be construed as precluding discussion between an employee, the Union and the appropriate supervisor over a matter of interest or concern to any of them prior to the initiation of a grievance. Once a matter has been made the subject of a grievance under this procedure, nothing herein shall preclude any party (the Union, the Employer or the Employee) from attempting to resolve the grievance informally at the appropriate level.

**Step 1:** The employee and/or the Union shall take up the grievance, in writing, with the employee's immediate supervisor within fifteen (15) business days from the date of the occurrence or when the employee or the Union knew or should have known of the occurrence. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the name of the grievant or grievants, the contract provisions allegedly violated, the basic facts, issues, or concerns giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The supervisor shall address the matter and shall respond, in writing, to the Steward and/or the employee within fifteen (15) business days after the receipt of the grievance.

**Step 2:** If the grievance has not been settled, or the supervisor has failed to respond, it may be presented in writing by the Union to the second level supervisor within ten (10) business days after the Step 1 response is due or received, whichever is sooner. The second level supervisor shall respond to the Union in writing within ten (10) business days after receipt of the written grievance.

**Step 3:** If the grievance is still unresolved, or the supervisor has failed to respond, it may be presented in writing by the Union to the Attorney General or agency head, as applicable, or his/her designee, within twenty (20) working days after the Step 2 response is due or received, whichever is sooner. The Attorney General or agency head, as applicable, or his/her designee, shall respond in writing to the Union within twenty (20) business days after receipt of the written grievance.

**Step 4:** If the grievance is still unresolved, or the Attorney General, or agency head, as applicable, or his/her designee has failed to respond, the Union may by written notice request arbitration within twenty (20) business days after the reply at Step 3 is due or received whichever is sooner.

A grievance filed by the Union on a matter involving more than one division within OAG, may be filed with the Attorney General or his/her designee at Step 3. The grievance must be filed within fifteen (15) business days from the date of the occurrence giving rise to the grievance or when the Union knew or should have known of the occurrence.

When mutually agreed by the parties, grievances on the same matter on behalf of two (2) or more employees may be processed as a single grievance for the purpose of resolving all the grievances.

A grievance filed by the Union which does not seek personal relief for a particular employee or a group of employees, but rather expresses the Union's disagreement with management's interpretation or application of the Agreement and which seeks an institutional remedy shall be filed at Step 3 within fifteen (15) business days from the date of the occurrence or when the Union knew or should have known of the occurrence to the extent reasonably possible.

A grievance filed by the Employer should be filed directly with the Union President within fifteen(15) business days from the date of the occurrence or when the Employer knew or should have known of the occurrence giving rise to the grievance. The Union President shall have fifteen (15) business days to respond. If the Employer's grievance is still unresolved, or the Union President or his/her designee has failed to respond, the Employer may by written notice request arbitration within twenty (20) business days after the Union's reply is due or received whichever is sooner.

A grievance concerning a continuing violation of this Agreement may be filed at any time during the existence of the alleged violation of this Agreement.

#### **Section 6 - Selection of the Arbitrator:**

The arbitration proceeding shall be conducted by an arbitrator selected by the Employer and the Union. The Federal Mediation and Conciliation Service (FMCS) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) calendar days after receipt of the list by both parties. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the FMCS

guidelines unless modified by this Agreement.

**Section 7 – Authority of the Arbitrator:**

The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined exclusively to the interpretation or application of the express provisions of this Agreement at issue between the Union and the Employer consistent with applicable law and regulation. He/she shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; or to impose on either party a limitation or obligation not explicitly provided for in this Agreement. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Employer, subject to either party's appeal rights to the Public Employee Relations Board and the Superior Court of the District of Columbia.

**Section 8 - Decision of the Arbitrator:**

The arbitrator shall be requested to render his/her decision in writing within thirty (30) calendar days after the conclusion of the arbitration hearing.

**Section 9 - Expenses of the Arbitrator:**

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

**Section 10 - Time Off For Grievance Hearings:**

The employee, Union Steward and/or Union representative shall, upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 4 of Article 6 on Union Stewards.

**Section 11 – Time Limits:**

All time limits following the initiation of any grievance set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if the request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and/or 2 of the procedure described in this Article.

**Section 12 – Termination of Grievance:**

A grievance shall terminate when either party terminates its own grievance, when both parties consent or for failure to meet contractual time limits. The termination of a grievance shall not prejudice either party from reinstating a grievance at a later date.

**Section 13 – Exclusions:**

Matters not within the jurisdiction of the Employer will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement or the Compensation Agreement.

**ARTICLE 29  
DISCIPLINE AND DISCHARGE**

**Section 1 -- Disciplinary Actions:**

A. Assistant Attorneys General ("AAG") and Assistant General Counsel ("AGC") in the bargaining unit are appointed to serve the District of Columbia consistent with the provisions of the Legal Service Act. An AAG or AGC may be subject to disciplinary action, including reprimand, suspension (with or without pay), reduction in grade or step, or removal for unacceptable performance or for any reason that is not arbitrary or capricious. Disciplinary actions shall be processed in accordance with Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Employer shall provide the Employee with ten (10) calendar days advance notice, consistent with the notice provisions of Chapter 36 of the D.C. Personnel Regulations, of any proposed discipline, with the exception of summary removal. The proposed notice of discipline will also be sent to the Union.

B. Notwithstanding Section 1A herein, the Attorney General or an agency head, may summarily suspend or remove a bargaining unit member, in accordance with Sections 1616 and 1617 of the DPM, when the employee's conduct:

1. Threatens the integrity of government operations;
2. Constitutes an immediate hazard to the agency, to other District employees, or to the employee; or
3. Is detrimental to public health, safety, or welfare.

C. Upon request, an employee subject to any disciplinary action shall be allowed access to his or her office, at a mutually agreeable time, to retrieve personal items.

D. If there is no appeal pursuant to the provisions herein, the Attorney General's decision or agency head's decision, as applicable, shall be the final agency decision.

## **Section 2 -- Appeal Procedures:**

After the Attorney General or agency head issues an administrative decision in accordance with §3614, Chapter 36 of the D.C. Personnel Regulations, the Union, on behalf of the Employee, may appeal the Attorney General's or agency head's suspensions of ten days or more, including demotions and terminations, within ten (10) business days of the Attorney General's or agency head's decision. This time limit may be extended by mutual consent of the parties, but if not so extended, must be strictly observed. An appeal to the nonbinding arbitrator shall stay the time limits for invoking a review by the Mayor under Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Attorney General's or the agency head's decision in connection with a suspension of less than ten days or any other corrective action is final and not subject to appeal.

## **Section 3 -- Stay of Disciplinary Action:**

The filing of an appeal shall not serve to stay or delay the effective date of the Attorney General's or agency head's final administrative decision.

## **Section 4 -- Standard of Review and Authority of the Arbitrator:**

A. The arbitrator's jurisdiction and authority and opinion shall be confined exclusively to suspensions of ten days or more, and shall be an advisory, nonbinding decision concerning whether the Employer's decision to discipline is: (1) a result of the Employee's unacceptable performance, (2) for any reason that is not arbitrary or capricious in accordance with § 106.56(a) of the Legal Service Act, or (3) both.

B. The arbitrator does not have authority to modify, amend, or rescind any disciplinary action or to impose any back-pay or other financial obligation on the Employer resulting from the disciplinary action.

## **Section 5 -- Time Limits:**

All time limits set forth, in this Article must be strictly observed. If the Union fails to pursue any step within the time limit then it shall have no further right to continue the appeal.

## **Section 6 -- Extension of Time Limits:**

All time limits set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked. However, if a party fails to pursue any step within the time limit, then he/she shall have no further right to continue the grievance. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if such request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and or 2 of the procedure described in this Article.

**Section 7 -- Substitution of Binding Arbitration Procedures:**

In the event that the Council of the District of Columbia legislatively establishes a binding arbitration process concerning discipline and discharge for any unit employees in the Legal Service, the parties agree to reopen negotiations solely to rescind this Article to the extent of any conflict and incorporate the binding arbitration process into this Agreement to the maximum extent possible.

**ARTICLE 30  
SAVINGS CLAUSE**

**SECTION 1:**

In the event any article, section or portion of this Agreement is held to be invalid and unenforceable by any court or other authority of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the decision; and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated article, section or portion thereof to the extent possible.

**SECTION 2:**

The terms of this Agreement supersede any subsequently enacted D.C. laws, District Personnel Manual (DPM) regulations, or departmental rules concerning non-compensation covered herein for the term of this agreement.

**ARTICLE 31  
INCORPORATION OF COMPENSATION AGREEMENT TERMS**

The terms and conditions of the Compensation Agreement between the District of Columbia and the American Federation of Government Employees, Local 1403, AFL-CIO, effective October 1, 2020, through September 30, 2023 (Compensation Agreement), are incorporated by reference into this Agreement. The provisions of the Compensation Agreement shall control to the extent of any inconsistency.

## **PREAMBLE**

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title I, Chapter 6, Subchapter 1, D.C. Official Code § 1-601.02) states that the Council of the District of Columbia declares that it is the purpose and policy of this act to assure that the District of Columbia Government shall have a modern flexible system of public personnel administration, which shall “provide for a positive policy of labor-management relations including collective bargaining between the District of Columbia and its employees . . . .”

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.01) states [t]he District of Columbia Government finds and declares that an effective collective bargaining process is in the general public interest and will improve the morale of public employees and the quality of service to the public.

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.01(b) provides for collective bargaining between the Mayor of the District of Columbia and labor organizations accorded exclusive recognition for employee representation for employees of the District of Columbia Government.

Pursuant to the District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.10), various local unions or District Council 20 of the American Federation of State, County and Municipal Employees, AFL-CIO, (herein “AFSCME” or the “Union”) have been certified and/or recognized as the exclusive collective bargaining agent for employees of the District of Columbia Government (hereinafter the “District” or the “Employer”).

Accordingly, AFSCME and the District enter into this Agreement, which shall have as its purposes:

- (1) Promotion of a positive policy of labor-management relations between the District of Columbia Government and its employees;
- (2) Improvement of morale of employees in service to the District of Columbia Government;
- (3) Enhancement of the quality of public service to the citizens of the District of Columbia;
- (4) Creation of a government that works better; and
- (5) Promotion of the rights of District of Columbia Government employees to express their views without fear of retaliation.

AFSCME and the District of Columbia Government declare that each party has been afforded the opportunity to put forth all its non-compensation proposals and to bargain in good faith. Both parties agree that this Agreement is the result of their collective bargaining and each party affirms its contents without reservation. This Preamble is intended to provide the background and purpose of the Collective Bargaining Agreement. Alleged violations of the Preamble per se will not be cited as contract violations.

## **ARTICLE 1** **RECOGNITION**

### **Section 1 – Recognition:**

The District of Columbia Government (hereinafter referred to as the “District” or “Employer”) hereby recognizes as the sole and exclusive representative for the purpose of collective bargaining, the American Federation of State, County and Municipal Employees, AFL-CIO, District of Columbia District Council 20, and its affiliated Local Unions (hereinafter referred to collectively as the "Union" or "AFSCME") for each of the bargaining units under the personnel authority of the Mayor for which AFSCME is the certified collective bargaining representative.

### **Section 2 - Bargaining Units Descriptions:**

This Agreement may also include agencies with independent personnel authority if they have executed an addendum opting to be covered by the provisions herein.

### **Section 3 - Coverage:**

AFSCME, the certified exclusive representative of all employees in the bargaining unit referenced above, shall be responsible for representing the interests of employees in the units without discrimination as to membership; provided, however, that an employee who does not pay dues or service fees may be required by the Union to pay reasonable costs for personal representation.

### **Section 4 – New Units:**

Bargaining units of employees under the administrative jurisdiction of the Mayor of the District of Columbia certified during the term of this Agreement shall be covered by the provisions of this Agreement, if agreed to by the parties.

### **Section 5 – Unit Clarification(s):**

The Union and the Employer shall file a Joint Petition with the Public Employee Relations Board (hereinafter referenced as PERB) to clarify and correct inaccuracies contained on the current unit certifications. Prior to filing of the joint petition, the Union and Employer shall confer on the revised unit descriptions.

**ARTICLE 2**  
**MANAGEMENT RIGHTS**

**Section 1 – Management Rights in Accordance with the Comprehensive Merit Personnel Act (CMPA):**

(a) Management's rights shall be administered consistent with D.C. Official Code §1-617.08, 2001 edition as amended.

Before attempting to see an employee, the Steward will obtain permission from the employee's supervisor. Such permission will be granted unless the employee cannot be immediately relieved from his assigned duties, in which case permission will be granted as soon as possible thereafter. If the immediate supervisor is unavailable, permission will be requested from the next highest level of supervision. Office of Personnel regulations.

### **Section 4:**

Assignment to a higher graded position for periods of at least one (1) pay period shall count toward the accumulation of the four (4) pay period requirement. The applicable rate of pay will be determined by application of D.C. government procedures concerning grade and step placement for

temporary promotions, and will be effective the first pay period beginning after the qualifying period has passed. An employee on detail to a lower graded position shall maintain the pay for his/her original position. Advance notice will be given to the Union of any detail exceeding one pay period.

**B.** This provision shall not apply to training programs.

**C.** Issues involving changed or additional duties assigned to an employee, within his/her present position, shall be considered in accordance with position classification procedures.

## **ARTICLE 14**

### **INCLEMENT WEATHER CONDITIONS**

#### **Section 1 – Inclement Weather Work:**

**A.** Any full-time employee who is scheduled to report for work and who presents himself for work as scheduled shall be assigned to at least eight (8) hours work.

**B.** If weather conditions do not permit the employee to perform his/her regularly scheduled duties and there is no other work available in line with his/her normal duties, the employee shall be given the option to perform other work or be paid at his/her regular rate for a minimum of four (4) hours and released from duty at his/her election on annual leave or leave without pay.

**C.** Employees working on snow detail or who are required to shovel snow shall be assigned in the following order:

1. Volunteers
2. In the inverse order of seniority

**D.** Employees with established health concerns may request to be exempt from snow shoveling assignments.

#### **Section 2 - Reporting Time:**

**A.** During inclement weather where the District Government has declared an emergency, employees (other than those designated emergency employees) will be given a reasonable amount of time to report for duty without charge to leave. Those employees required to remain on their post until relieved will be compensated at the appropriate overtime rate or compensatory leave for the time it takes his/her relief to report for duty.

**B.** The Employer agrees to dismiss all non-emergency employees when early dismissal is authorized by higher officials during inclement weather.

**ARTICLE 15**  
**HOURS OF WORK**

**Section 1 - Workday:**

Except as provided in this Article, the normal workday for full-time employees shall consist of eight (8) hours of work within a 24-hour period. The normal hours of work shall be consecutive except that they may be interrupted by a lunch period.

**Section 2 - Workweek:**

Except as provided in this Article, the workweek for full-time employees shall normally consist of five (5) consecutive days, eight (8) hours of work, Monday through Friday, totaling forty (40) hours. Special schedules will be established for employees, other than employees in continuous operations, who are required to work on Saturday, Sunday or seasonal schedules as part of their regular workweek.

**Section 3 - Continuous Operations and Shifts:**

The workday for employees in 24-hour continuous operations shall consist of eight hours of work. Work schedules for employees assigned to shifts, showing the employee's workdays, and hours, shall be posted on appropriate bulletin boards. All employees shall be scheduled to work regular work shifts i.e., each work shift shall have a regular starting and quitting time.

**Section 4 - Changes in Work Schedules:**

Except in emergencies, regular work schedules shall not be changed without ten (10) working days advance notice.

**Section 5 - Flexible/Alternative Work Schedules:**

A. The normal work hours may be adjusted to allow for flexible/alternative work schedules, with appropriate adjustments in affected leave and compensation items (e.g., overtime, premium pay, compensatory leave, etc.). Such schedules may be appropriate where: (1) it is cost effective, (2) it increases employee morale and productivity, or (3) it better serves the needs of the public. The Union will be given advance notice (when flexible/alternative work schedules are proposed) and shall be given the opportunity to consult.

B. An alternative work schedule will provide that overtime compensation will not begin until the regularly scheduled workday or tour of duty has been completed. Other premiums will be based on the regularly scheduled workday of the employees. An alternative work schedule shall not affect the existing leave system. Leave will continue to be earned at the same number of hours per pay period as for employees on five (5) day, forty (40) hour schedules and will be charged on an hour-by-hour basis.

**ARTICLE 16**  
**ADMINISTRATION OF LEAVE**

**Section 1 – General:**

Employees shall be eligible to use leave in accordance with the personnel rules and regulations. Any request for a leave of absence shall be submitted in writing by the employee to his/her immediate supervisor. The request shall state the length of time off the employee desires, the type of leave requested and the reason for the request. An excused absence is an absence from duty without loss of pay and without charge to leave when such absence is authorized by statute or administrative discretion.

**Section 2 - Annual Leave:**

**A. Normal Requests for Leave:** A request for a short leave of absence, not to exceed three days, shall be requested in writing on the proper form and answered before the end of the work shift in which the request is submitted. A request for a leave of absence between four to seven days must be submitted five (5) calendar days in advance and answered within five days, except for scheduled vacations, as provided for in Section 2 of this Article. If the request is disapproved, the supervisor shall return the SF-71 with reasons for the disapproval indicated. Requests for annual leave shall not be unreasonably denied.

**B. Emergency Requests:** Any employee's request for immediate leave due to family death or sickness shall be granted or denied immediately.

**C. Carryover:** Annual leave, which is not used, may be accumulated from year to year. In general, the maximum allowable leave is thirty (30) days, unless the employee had a greater amount of allowable leave at the beginning of the leave year. Employees shall receive a lump sum leave payment for all accrued annual leave not used at the time of retirement, resignation or other separation from the employer, consistent with the negotiated Compensation Agreement.

**D. Vacation Schedules:** Every effort will be made to grant employees leave during the time requested. If the operations would suffer by scheduling all requests during a given period of time, a schedule will be worked out with all conflicts to be resolved by the application of seniority. After vacations are posted, no changes shall be made unless mutually agreeable or an emergency arises. Employees will be encouraged to schedule vacations through the year.

### **Section 3 - Sick Leave:**

#### **A. Requests:**

1. Supervisors shall approve sick leave of employees incapacitated from the performance of their duties. Employees shall request sick leave as far in advance as possible prior to the start of their regular tour of duty on the first day of absence.

2. Sick leave shall be requested and approved in advance for visits to and/or appointments with doctors, dentists, practitioners, opticians, and chiropractors for the purpose of securing diagnostic examinations, treatments and x-rays.

3. Employees shall not be required to furnish a doctor's certificate to substantiate requests for approval of sick leave unless such sick leave exceeds three work days continuous duration. However, if Management has given written notice to an employee that there is a good reason to believe that the employee has abused sick leave privileges, then the employee must furnish a doctor's certificate for each absence from work, which is claimed as sick leave regardless of its duration. The Union will encourage employees to conserve sick leave for use during periods of extended illness.

4. Advance sick leave requests will be given prompt consideration by the Employer consistent with Section 3(b) of this Article when the following provisions are met:

(a) The request must be submitted in writing and must be supported by acceptable medical certificates.

(b) All available accumulated sick leave to the employee's credit must be exhausted. The employee must use annual leave he/she might otherwise forfeit.

(c) In the case of employees serving under temporary appointments, or under probationary or trial periods, advance sick leave should not exceed an amount which is reasonably assured will be subsequently earned during such period.

(d) The amount of sick leave advanced to an employee's account will not exceed 240 hours at any time. Where it is known that the employee is to be separated, the total sick leave advanced may not exceed an amount which can be liquidated by subsequent accrual prior to the separation.

(e) There must be a reasonable assurance that the employee will return to duty.

**B. Advance Sick Leave:** Advance sick leave may be granted to permanent or probationary employees in amounts not to exceed 240 hours. Furthermore, an employee may not be indebted for more than 240 hours of sick leave at any one time. Sick leave may be advanced to

employees holding a limited appointment or one expiring on a specific date, but not in excess of the total sick leave that would accrue during the remaining period of such appointment. In either case the employee request must be supported by a statement from his/her physician attesting that the employee has a serious disability or ailment and is incapacitated for duty and stating the period of time expected to be involved. The request should be denied only if the requirements of Section 3 (a) and (b) are not met or there is a reason to believe that the employee will not return to duty or that he/she has abused the sick leave privilege in the past.

C. All accrued and accumulated sick leave must be exhausted before the advance sick leave is credited. Accrued and accumulated annual leave may remain standing to the credit of employees. The Employer will use its best efforts to answer an employee's request for advanced sick leave within fifteen (15) working days. However, an employee is responsible for applying advance sick leave in writing as far in advance as possible. If the request is denied, the reasons for such denial shall be given in writing. Further, the employee will be given consideration for LWOP consistent with the provisions of personnel rules and regulations.

#### **Section 4 – Other Paid Leave:**

A. **Military Leave:** Full-time employees are entitled to leave as reserve members of the armed forces or as members of the National Guard to the extent provided in D.C. Official Code Section 1-612.03(m) and applicable rules and regulations and the Compensation Units 1 & 2 Agreement, which provide in part the following:

1. Members of the D.C. National Guard are entitled to unlimited military leave without loss of pay for any parade or encampment with the D.C. National Guard when ordered by the Commanding General, excluding weekly drills and meetings.

2. Additional military leave with pay will be granted to full-time employees who are members of the reserve components of the Armed Forces or the National Guard for the purpose of providing military aid to enforce the law for a period not to exceed 22 workdays per calendar year.

B. **Court Leave:** Employees shall be granted leave of absence with pay anytime they are required to report for jury duty or to appear as a witness on behalf of the District of Columbia Government, or the Federal or a State or Local Government, in accordance with personnel rules and regulations.

C. **Voting Leave:** Where the polls are not open at least three hours either before or after an employee's regular hours of work, he/she may, upon request, be granted an amount of excused time which will permit him/her to report to work three hours after the polls open or leave work three hours before the polls close, whichever requires the lesser amount of time off. Leave for voting will be allowed in accordance with the personnel rules and regulations.

D. **Funeral Leave:** Funeral leave shall be granted in accordance with the Compensation Units 1 & 2 Agreement.

**E. Civic Duty:** Upon advance request and adequate justification employees required to appear before a court or other public body on public business in which they are not personally involved shall be granted leave of absence with pay unless paid leave is prohibited by Federal or District Regulations or Statutes.

**F. Examinations:** Employees shall be excused without charge to leave in accordance with personnel rules and regulations for the purpose of taking an employment medical examination and examination for induction or enlistment in the active Armed Forces, a District Government owned vehicle operator examination, a civil service examination or other examination which his/her department has requested him/her to take in order to qualify for reassignment, promotion, or continuance of his/her present job, but not for the reserve Armed Forces. An employee shall also be excused without charge to leave for the purpose of taking an examination whenever, in the judgment of the Department or agency head, the District Government will benefit thereby. Absence from duty in order to take an examination primarily for the employee's own benefit and not connected to the District Government must be requested in accordance with the general leave provisions.

**Section 5 - Leave Without Pay:**

**A. General:** Leave of absence without pay for a limited period may be granted at the supervisor's discretion for a reasonable purpose if requested in advance in writing.

**B. Union:** Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the Employer shall at the written request of the employee and the Union be granted a leave of absence without pay; provided the written request states the purpose and duration of the absence, and is submitted thirty (30) calendar days in advance of the commencement of the desired period of absence. If the Employer indicates that the requested leave will unduly hamper its operations, it may offer an alternative for consideration by the Union.

**C.** The initial leave of absence shall not exceed one (1) year. Leaves of absence for Union officials may be extended for similar periods. No more than one employee from a bargaining unit shall be on such extended leave at the same time.

**D. Parenthood Leave:** Maternity leave before and following childbirth shall be granted at the request of the employee. The employee is obligated to advise her supervisor substantially in advance of the anticipated leave date. This period of absence shall be determined by the employee, her physician and her supervisor. Maternity leave is chargeable to sick leave or any combination of sick leave, annual leave, or leave without pay. Paternity leave may be granted for a period of up to two (2) weeks following childbirth, and may be extended at the supervisor's discretion. Such leave shall be a combination of annual leave or leave without pay.

**E.** Leave may be granted for a period of up to two (2) weeks to an employee who is adopting a child, with extensions made at the discretion of the supervisor. Such leave shall be a combination of annual leave or leave without pay.

**F. Union Officer Leave:** Attendance at Union sponsored programs may be approved annual leave or leave without pay in accordance with normal leave practices unless Administrative Leave has been approved.

**G. Educational Leave:** After completing one (1) year of service an employee upon request may be granted a leave of absence for educational purposes provided that successful completion of the course will contribute to the work of the Department. The period of leave of absence may not exceed one (1) year, but may be extended at the discretion of the Employer. If an employee is returning from educational leave during which he/she has acquired the qualification of a higher rated position he/she shall not have lost any of his/her rights in being evaluated for the higher graded position.

## **ARTICLE 17**

### **ADMINISTRATION OF OVERTIME**

#### **Section 1 -Distribution:**

Overtime work shall be equally distributed among employees. Specific arrangements for the equitable distribution of overtime shall be agreed to at Union Management Cooperation Meetings. Individual employee qualifications shall be considered when decisions are made on which employees shall be called for overtime work.

#### **Section 2:**

Management will solicit volunteers when overtime work is required. In the event a sufficient number of qualified volunteers are not available to perform the job functions, overtime work will be assigned to equally qualified employees in inverse order of seniority, unless a different system is worked out on a local-by-local basis. Instances of hardship should be presented to the supervisor and shall be considered on a case-by-case basis.

## **ARTICLE 18**

### **WAGES**

#### **Section 1:**

The salaries and wages of employees shall be paid bi-weekly. In the event the scheduled payday is a holiday, the preceding day shall be the payday. If, for any reason, an employee's paycheck is not available on the prescribed day, or if it does not reflect the full amount due, that employee will be paid as quickly thereafter as is possible, and under no circumstances will he or she be required to wait until the next regular payday.

**Section 2:**

If an employee's paycheck is delayed, the employee shall immediately notify his/her supervisor. The supervisor shall initiate efforts through the agency controller to obtain a supplemental payment. Supplemental payments will not effectuate normal payroll deductions. Appropriate payroll deductions will be deducted from the employee's subsequent paycheck. (Except DHS, see Attachment 6.)

**ARTICLE 19**  
**REDUCTION-IN-FORCE**

**Section 1 - Definition:**

The term reduction-in-force, as used in this Agreement means the separation of a permanent employee, his/her reduction in grade or pay, or his/her reduction in rank because of (a) reorganization, (b) abolishment of his/her position, (c) lack of work, (d) lack of funds, (e) new equipment, (f) job consolidation or (g) displacement by an employee with greater retention rights who was displaced because of (a) through (f) above.

**Section 2 – Consultation:**

The Employer agrees to consult in advance with the Union prior to reaching decisions that might lead to a reduction-in-force in the bargaining unit. The Employer further agrees to minimize the effect and such reduction-in-force on employees and to consult with the Union toward this end.

**Section 3 - Procedure:**

A reduction-in-force will be conducted in accordance with the provisions set forth in the Comprehensive Merit Personnel Act [(CMPA), D.C. Official Code § 1-624].

**Section 4 – Impact and Effects Bargaining:**

In the event of a reduction-in-force, the Employer shall, upon request, provide the Union with appropriate information to insure that the Union can engage in impact and effects bargaining over the reduction-in-force.

**Section 5 - Review of Procedures:**

In the event of reduction-in-force, the affected employee will receive credit for his/her performance in accordance with the Comprehensive Merit Personnel Act, [D.C. Official Code Ann., Title 1, Section 1-624 (2001 Edition)].

**ARTICLE 20**  
**CONTRACTING OUT**

**Section 1:**

During the term of this Agreement the Department shall not contract out work traditionally performed by employees covered by this Agreement, except where Manpower (including expertise and technology) and/or Equipment in the department/agency are not available to perform such work, when it is determined by the Mayor that budgetary conditions exist requiring contracting out, or when it is determined by the Department that emergency conditions exist requiring such contracting out (provided however that the contracting out is for a period of time that the emergency exists). The Agency shall consult with the Union prior to any formal notice to contract out bargaining unit work.

**Section 2:**

When there will be adverse impact to bargaining unit employees, the Employer shall consult with the Union thirty (30) days prior to final action, except in emergencies. The Union shall have full opportunity to make its recommendations known to the Employer who will duly consider the Union's position and give reasons in writing to the Union for any contracting out action. The Agency shall consult with the Union to determine if the needs of the Government may be met by means other than contracting out work traditionally performed by bargaining unit employees.

**ARTICLE 21**  
**STRIKES AND LOCKOUTS**

**Section 1 - Definition:**

The term strike as used herein means any unauthorized concerted work stoppage or slowdown.

**Section 2 - Strikes:**

It shall be unlawful for any District Government employee or the Union to participate in, authorize or ratify a strike against the District.

**Section 3 - Lockouts:**

No lockout of employees shall be instituted by the Employer during the term of this Agreement except that the Employer in a strike situation retains the right to close down any facilities to provide for the safety of employees, equipment or the public.

**Section 4 - Other Considerations:**

At no time however, shall employees be required to act as strikebreakers.

**ARTICLE 22**  
**GRIEVANCE PROCEDURES**

**Section 1:**

Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement, shall be settled as described in this Article unless otherwise agreed to by the parties.

**Section 2 - Procedure:**

This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Therefore, grievances should be filed at the lowest level where resolution is possible. Accordingly, a grievance may be filed at the Step in the grievance procedure where the alleged action, which precipitated the grievance, occurred.

**Step 1:** The employee and/or the Union shall take up the grievance or dispute with the employee's immediate supervisor as soon as is practicable, but no later than fifteen (15) working days from the date of the occurrence or when the Union and/or the employee first had knowledge of or should have known of the occurrence. The supervisor shall attempt to adjust the matter and shall respond to the Steward as soon as is practicable, but not later than fifteen (15) working days after the receipt of the grievance.

**Step 2:** If the grievance has not been settled, it shall be presented in writing by the employee and/or the Union to the second level supervisor within ten (10) working days after the Step 1 response is due or received, whichever is sooner. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the contract provision violated, a general description of the incident giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The second level supervisor shall respond to the Union and/or employee in writing within ten (10) working days after receipt of the written grievance.

**Step 3:** If the grievance is still unresolved, it shall be presented in writing by the employee and/or Union to the third level supervisor within ten (10) working days after the Step 2 response is due or received, whichever is sooner. The third level supervisor shall respond in writing (with a copy to the Local President) within ten (10) working days after receipt of the written grievance.

**Step 4:** If the grievance is still unresolved, it shall be presented by the employee and/or the Union to the Office of the Director or his/her designated representative, in writing within fifteen (15) working days after the Step 3 response is due or received, whichever is sooner. The office of the Director, or his/her designated representative shall respond in writing (with a copy to the Local President) within fifteen (15) working days after the receipt of the written grievance and a copy to the Office of Labor Relations and Collective Bargaining.

**Step 5:** If the grievance is still unresolved, the Union may by written notice request arbitration within twenty (20) days after the reply at Step 4 is due or received, whichever is sooner.

**Section 3 - Union Participation:**

**A.** The Employer shall notify the Union in writing of all grievances filed by the employees, all grievance hearings and determinations when such employees present grievances without the Union. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours notice of all grievance hearings.

**B.** Any grievance of a general nature affecting a large group of employees and which concerns the misinterpretation, misapplication, violation or failure to comply with the provisions of the Agreement shall be filed at the option of the Union at the Step or level of supervision where the grievance originates without resorting to previous steps.

**Section 4 - Who May Grieve:**

Either an employee or the Union may raise a grievance, and if raised by the employee, the Union may associate itself therewith at any time if the employee so desires. Whenever the Union shall raise or is associated with a grievance under this procedure, such a grievance shall become the Union's grievance with the Employer. If raised by the Union, the employee may not thereafter raise the grievance him/herself, and if raised by the employee, he/she may not thereafter cause the Union to raise the same grievance independently.

**Section 5 - Selection of the Arbitrator:**

**A.** The arbitration proceeding shall be conducted by an arbitrator to be selected by the Employer, through the Office of Labor Relations and Collective Bargaining, and by the Union as soon as possible after notice of intent to arbitrate is received. If the parties fail to select an arbitrator, the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) days after receipt of the list by both parties.

**B.** Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the American Arbitration Association guidelines unless modified by this Agreement.

**Section 6 - Decision of the Arbitrator:**

The decision of the arbitrator shall be final and binding on the parties and shall not be inconsistent with the terms of this Agreement. The arbitrator shall be requested to render his/her decision in writing within thirty (30) days after the conclusion of the arbitration hearing.

**Section 7 - Expenses of the Arbitrator:**

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and make copies available without charge to the other party and the arbitrator.

**Section 8 - Time Off For Grievance Hearings:**

The Employee, Union Steward and/or Union representative shall upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 3 of Article 6 on Union Stewards.

**Section 9 – Time Limits:**

All time limits set forth, in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked.

**Section 10:**

Matters not within the jurisdiction of the department/agency will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement or the Compensation Agreement.

**Section 11:**

A. The parties agree that a process of grievance mediation may facilitate satisfactory solutions to grievances prior to arbitration. Therefore, on an experimental basis and when mutually agreed to by the parties, a mediator may be selected and utilized to facilitate settlements. The mediator may not impose a settlement on the parties, and any settlement reached will not be precedential unless otherwise agreed to by the parties on a case-by-case basis.

B. Grievances may be combined for the purpose of mediation upon mutual agreement by the parties.

**ARTICLE 23**  
**EMPLOYEE RIGHTS**

Employees of the Unit shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to form, join and assist the Union or to refrain from any such activity. Except as expressly provided herein, the freedom shall be recognized as extending to participation in the management of the Union and acting for it in the capacity of a union representative, including representation of its views to the officials of the Mayor, D.C. Council or Congress.

**ARTICLE 24**  
**NEW TECHNOLOGY AND EQUIPMENT**

**Section 1:**

Whenever new equipment or technological changes will significantly affect operations, the Employer shall provide notice to the Union at least 60 days in advance. This time limit does not apply to the introduction of equipment or technological changes on an experimental basis. When the Employer introduces such equipment or technological changes on an experimental basis the Employer will notify the Union upon introduction as where the experiment is being conducted and its nature and intended duration and will provide 60 days notice if the experiment is to be instituted permanently.

**Section 2:**

The Employer shall provide any reasonable training for affected employees to acquire the skills and knowledge necessary for new equipment or procedures. The training shall be held during working hours, when reasonably available. The Employer shall bear the expense of the training.

**Section 3:**

If training is required by the Agency for employment and the training is held outside the employee's normal tour of duty, the employee shall receive compensatory time.

**ARTICLE 25**  
**JOB DESCRIPTIONS**

Each employee within the unit shall receive a copy of his/her current job description upon request. When an employee's job description is changed, the employee and the Union shall be provided a copy of the new job description.

**ARTICLE 26**  
**SAVINGS CLAUSE**

In the event any Article, Section or portion of the Agreement shall be held invalid and unenforceable by any court or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section, or portion thereof specified in the decision, and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated Article, Section or portion thereof.

**ARTICLE 27**  
**DURATION AND FINALITY**

**Section 1 - Duration of Agreement:**

This Agreement shall be implemented as provided herein subject to the requirements of Section 1715 of the CMPA (Section 1-617.15(a), D.C. Official Code, 2001 Edition). This Agreement shall be effective as of the day of final approval, and shall remain in full force and effect until the 30th day of September, 2010. Should either party desire to renegotiate, renew, extend or modify this Contract, notice will be given in writing in accordance with the requirements of the Comprehensive Merit Personnel Act. This Agreement shall remain in full force and effect during the period of negotiations.

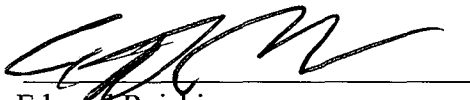

**Section 2 - Finality:**

This Agreement was reached after negotiations during which the parties were able to negotiate on any and all negotiable non-compensation issues, and contains the full agreement of the parties as to all such non-compensation issues that were or could have been negotiated. The Agreement shall not be reconsidered during its life unless by mutual consent or as required by law.

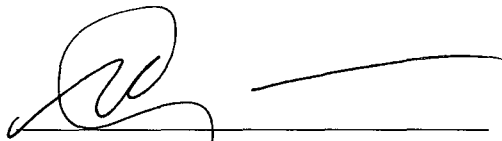

On this \_\_\_\_ day of October, 2006 and in witness to this Agreement, the parties hereto set their signatures.

When such action does not overcome the hazard, physical hardship, or unusual nature of the working condition, additional pay is warranted. Even though additional pay for exposure to a hazard, physical hardship, or unusual working condition is authorized, there is a responsibility on the part of a department or agency to initiate continuing positive action to eliminate danger and risk which contribute to or cause the hazard, physical hardship, or unusual working condition. The existence of pay for exposure to hazardous working

conditions or hardships in a local environment is not intended to condone work practices that circumvent safety laws, rules and regulations.

**SECTION B:**

Local environment pay is paid for actual exposure to (1) a hazard of an unusual nature which could result in significant injury, illness, or death, such as on a high structure when the hazard is not practically eliminated by protective facilities or an open structure when adverse conditions exist, e.g., darkness, lightning, steady rain, snow, sleet, ice, or high wind velocity; (2) a physical hardship of an unusual nature under circumstances which cause significant physical discomfort in the form of nausea, or skin, eye, ear or nose irritation, or conditions which cause abnormal soil of body and clothing, etc., and where such distress or discomfort is not practically eliminated.

Local environmental pay will only be paid to employees when the employee is in an active duty status. Local environmental pay will not be paid when an employee is on leave or teleworking.

There should not be read into the new language any intent that an existing compensation agreement shall become negotiable when there is a newly certified collective bargaining unit. This compensation collective bargaining agreement between the District of Columbia and Compensation Unit 33 represented by AFGE, Local 1403, dated 10-27-2021, has been reviewed in accordance with Section 1-617.17 of the District of Columbia Official Code (2016 Repl.) and is hereby approved on this 8th day of January, 2021-2022

Capital Projects**

Capital Project	Amount Budgeted	Spent	Amount Obligated	Balance	Status
Ariba Refresh	\$5,694,000.00	\$41,124.00	\$3,594,576.00	\$2,058,300.00	<p>Currently, OCP has completed requirements workshops, a gap analysis, and solutions workshops in order to facilitate the start of the PASS Cloud configuration/build. During the requirements workshops, OCP met with SAP Ariba contractors to answer questions about the District's requirements. A gap analysis was then completed to determine if each requirement could be met with out-of-the-box functionality. If a requirement could not be met with out-of-the-box functionality, OCP prioritized the requirements and then held a series of workshops to review the prioritized requirements in more detail with SAP Ariba. SAP Ariba then proposed multiple solutions to meet the District's requirements. Once OCP selected a solution for each requirement, SAP Ariba started to build/configure the PASS Cloud system based on the District's requirements. Further, OCP is analyzing the project schedule to understand how additional support to DIFS post-go live will impact the project.</p>
Data Infrastructure	\$793,000.00	\$24,836.64	\$183,959.52	\$584,203.84	<p>Currently, OCP started to analyze and compare PASS Cloud APIs and out-of-the-box reports with OCP's existing data architecture. As part of this analysis, OCP analyzed what changes, if any, must be made to the agency's data warehouse in order to facilitate the sharing of information between PASS Cloud and other systems. Specifically, OCP is analyzing the standard APIs and out-of-the-box reports in PASS Cloud to prepare for and align best practice reporting and data analytics for procurement professionals and client agencies. OCP is also completing business process reengineering initiative led by SAP Ariba.</p>
