

Council of the District of Columbia
COMMITTEE ON EXECUTIVE ADMINISTRATION & LABOR
MEMORANDUM

1350 Pennsylvania Avenue, NW, Washington, DC 20004

TO: Chairman Phil Mendelson
FROM: Councilmember Anita Bonds 
RE: Request to Agendize Measures for the February 7, 2023 Legislative Meeting
DATE: February 2, 2022

I request that the following measures be agendized for the February 7, 2023 Legislative Meeting.

Emergency/Temporary Legislation:

- **Hotel Enhanced Cleaning and Notice of Service Disruption Clarification Emergency Declaration Resolution of 2023**
- **Hotel Enhanced Cleaning and Notice of Service Disruption Clarification Emergency Amendment Act of 2023**
- **Hotel Enhanced Cleaning and Notice of Service Disruption Clarification Temporary Amendment Act of 2023**

This legislation would authorize the Mayor to issue rules to establish requirements for the cleaning and maintenance of hotels and motel rooms and establish standards for public notice of lodging establishment service disruptions. Similar legislation was passed in Council Period 24, and the temporary version of that legislation is scheduled to expire on February 10, 2023. The single substantive change to this legislation is exempting lodging establishment that operate on an extended stay model from daily cleaning of occupied extended stay rooms.

Throughout the COVID-19 pandemic, the District government has implemented various safety measures to protect the safety of residents, domestic and international visitors to the District of Columbia, and hospitality workers through, among other things, enhanced cleaning protocols. Over the course of the pandemic, most hotels and motels implemented enhanced cleaning of guest rooms and shared areas to limit the spread of COVID-19. However, some of these establishments suspended or decreased the frequency with which they provided cleaning services leaving staff and patrons at risk of contracting COVID-19.

The recovery of the tourism industry is vital to the District's economic recovery, but some visitors are surprised to learn that some hotels and motels are not offering daily cleaning services. As the city begins to see a return to pre-pandemic tourism levels, it is imperative for health, safety and consumer protection that guests be provided routine and enhanced housekeeping and maintenance of private and communal spaces in hotels and motels unless the guest opts out of cleanings. District hotel and motel patrons should feel assured that any hotel or motel is abiding by its responsibility to provide safe, secure, and comfortable accommodations.
